

## Rise 140

### Chapter 140

At seven o'clock in the evening, in the downtown of Usmaït City, there was a high-class western restaurant next to Chaoge Technology. It was still the same restaurant that Yin Chaoge had found last time. It was a very quiet seat against the window. Yin Chaoge, Leng Yyun, Joseph, and Paige sat down.

After sitting down, she asked Yin Chaoge with a smile, "Chaoge, why do you want to see Joseph? And you can invite him alone."

Yin Chaoge deliberately curled his lips and looked at her, saying, "Huh, if I were to meet your husband alone, wouldn't you be jealous? Besides, there's nothing couldn't talk about in front of you. Besides, I already have someone I like, and he's also a hero.

Your husband knows about this."

Paige turned her head and glanced at Joseph. She blinked her big eyes and asked, "Do you know the person that Chaoge likes?"

Joseph patted his forehead. Thinking of the person Yin Chaoge liked, the muscles on the corners of his mouth twitched involuntarily. He nodded and said, "Well, I know.

The next moment, Joseph thought of the words that Slaughter said. "Yin Chaoge? She likes me? Do I need to kill her?" Thinking of the extremely classic sentence he said, Joseph was depressed. "D\*mn, it would be strange if you two could be a couple."

So he couldn't help but say to Yin Chaoge, "Miss Yin, are you serious? Do you really like Slaughter?"

When Yin Chaoge heard Joseph's question, a trace of longing and love immediately appeared in the depths of her eyes. She nodded and said, "Well, I like him. He saved me twice. Every time he appeared at my most desperate moment.'

Joseph looked at Yin Chaoge's infatuated eyes and sighed in his heart. "Alas." Joseph took a look at Yin Chaoge again and said, "Well, I don't mean to say that. Miss Yin, the possibility of you being together with Slaughter is very small. It's too low and it's basically impossible'

"Huh." Yin Chaoge smiled and smoothed the long hair on the side of her face. A beautiful memory rose in her eyes. She felt so secure when Slaughter stood in front of her. Yin Chaoge took a shallow sip of coffee and said slowly, "Who knows what fate is? And I believe that what we can do in the end. We will definitely be together."

At this time, Paige asked Joseph out of curiosity, "Honey, please help Chaoge. Since you know that Slaughter, please help Chaoge. It's hard for Chaoge to fall in love with a man. Besides, a woman like Chaoge and Yijun will never change as long as she likes a man."

The corners of Joseph's mouth twitched twice again. He looked at his wife and said, "You're right. She likes a man, but I don't think she can be with him. It's basically impossible."

Joseph looked at Leng Yijun and asked, "Miss Leng, don't tell me that you are also serious? You have only met Vanish once from the beginning to the end. Are you sure you like him?"

When Joseph asked this question, Paige beside him was shocked. She looked at Leng Yyun in disbelief and asked, “Yiyun, you also have someone you like?”

A hint of embarrassment appeared on Leng Yijun’s face, but it soon disappeared. On the contrary, she admitted it generously to Yin Chaoge. She looked at Paige seriously and said, “Well, Paige, I also fell in love with a man. He is the brother of your husband, named Vanish. The man that Chaoge likes, named Slaughter, is also your husband’s brother.”

“God, how is this possible? You two, you two, this is just too fast, isn’t it?” Paige opened her small mouth in shock, her face full of disbelief.

“Well, it’s not that I’m not pouring cold water on your enthusiasm, but I’m serious. It’s basically impossible for you two to be with Slaughter and Vanish. You’re not from the same world at all, so I advise you two. If you have time, you might as well find another man in Usmit. Usmit City is the most developed city in the history of the Frogua. There were many excellent men. If you insist on them, the biggest possibility is that there’s no result,” Joseph sighed.

He could see that both Yin Chaoge and Leng Yijun were loved them so much. In some aspects, these two women were just like his wife. They would not fall in love with one easily. But once they fell in love, they would chase after the guys without hesitation! It was difficult to change their inner thoughts. They were stubborn.

“Perhaps, it was because we were not from the same world that we could complement each other more. Mr. Dawson, are you sure that you are from the same world as Paige?” At this time, Yin Chaoge looked at Joseph.

“Eh?” Joseph was stunned when he heard that. Because Yin Chaoge was right. Was he from the same world as Paige?

But in the next moment, Paige put her arms around Joseph’s arm innocently, nodded with a smile and said, “Yes, Joseph and I are from the same world. He is now in Usmit!”

The two girls looked at Paige, who was silly and couldn’t help but feel their teeth ache. Her husband’s identity was almost exposed, but she still didn’t know?

At this moment, Joseph also patted Paige’s arm and said, “Well, we are from the same world.

Leng Yijun looked at Joseph. The man in front of him really had too many legends. Paige had never been to the Outer Region battlefield in her whole life, but she had been there. He was really a god-like man who could kill his way out in such an extremely bad environment and build a behemoth like the Dragon Temple. His name shocked the whole outer region.

In addition, about seven years ago, the legend of the business that rose in Usmit City suppressed the top families and forces in Usmit City with his own strength. Even after he disappeared, the people who followed him all the way to the Junlin Group tried their best to make the Junlin Group the best in Usmit City. She couldn’t imagine what kind of charm Joseph had in the past to make those top elites follow him without hesitation. Even if he was not there, they could inherit his ambition and march forward.

Therefore, when Yin Chaoge returned to the Frogua this time, the three people she wanted to see the most in her heart were Paige’s husband, the other one was the founder of the Junlin Group, and the last

was the lord of the Dragon Temple. But she never expected that the three people were the same person. It was Joseph, who was sitting opposite her at this moment.

At this moment, Joseph looked at Yin Chaoge and stopped smiling. He asked Yin Chaoge seriously, "Well, let's get down to business. Miss Yin, why did you always want to see me ? Can you tell me?"

Yin Chaoge also nodded seriously. He looked at Joseph very seriously and said, "In fact, it's nothing. It's just that I've always looked down on any man except you. I know what happened to you on the Outer Region battlefield these years. I admire you for being able to achieve such achievements in five years. It can be said that you are the first man I admire in my heart. So I want to see YOU.'

At this moment, Paige interrupted with a smile, "Yes, my husband is an outer region God of War, a Divine King level expert. Hahahaha.'

Leng Yijun who was on the other side of Paige couldn't help but grit her teeth. She thought to herself, "Outer Region God of War? Divine King? Only you such a silly girl, naively think of him. Your husband is the devil of the entire Outer Region battlefield, okay? He has restrained himself a lot by your side. Why don't you let him try to go outside the region? Wherever he goes, those forces outside the region will run away!"

Yin Chaoge's words were full of uncertain words, so Paige didn't understand it. Joseph looked at Yin Chaoge with a smile, and his eyes were full of the aura of a natural king. He said, "Well, that's it. It's nothing. I just wanted to come back to revenge at that time. Five years ago, I was driven out of the family, and then I was poisoned and chased by my most trusted brothers. I just wanted to be strong and then come back to revenge."

Yin Chaoge looked at Joseph. Looking at this legendary man, she nodded slowly and said, "Well, I understand. I finally saw a legendary figure with my own eyes today. Joseph, thank you.'

Joseph smiled and said meaningfully, "Miss Yin, since you said so, I have to tell you that the Slaughter you like, and Miss Leng's Vanish, are also extremely excellent. They are legendary man is much stronger than you think. I didn't think you could be a couple, but now I want to see if you will be fated in the future.

Yin Chaoge and Leng Yijun nodded very seriously. Slaughter and Vanish were legendary figures, weren't they?

Slaughter and Vanish were at Semi Titan level! And in a one-on-one fight, both of them could suppress each other! So in other words, Slaughter and Vanish were about to be promoted to the real Titan level! A real royal level existence!

At this moment, Joseph naturally exuded an extremely powerful momentum of a king. If he wanted to be the king of the world, how could his brothers who be recognized by hum be weak? How could they not become an emperor in his lifetime?

To put it bluntly, the reason why Joseph returned to the Frogua this time, restrain all his aura and didn't show it in front of Paige.

But if the Dragon Temple Lord appeared on the Outer Region battlefield, who would dare to compete

with him? In Joseph's heart, there was always a kind of arrogance. No matter where he was, he was the top superior.

Yin Chaoge looked down on the men in the Usmit City because she was a genius, and she was arrogant. Joseph was the same. His mind could also accommodate the whole world! He could compete with the top masters in the world! He had absolute faith in his heart, and he could be the strongest! He only needed a little more time!

Therefore, when Joseph returned to the Frogua this time, to be honest, he did not put any strong person or force in his eyes. At this moment, Paige felt that her husband seemed to have become different. She could not say anything, but she felt that she liked him more.

Yin Chaoge continued to say to Joseph, "Now that you have avenged yourself, what are you going to do next?"

Joseph thought for a moment and said, "Let's live a peaceful life. Paige will go to work at Junlin Group tomorrow. As soon as Joseph mentioned Junlin Group, Paige smiled and nodded excitedly at Leng Yyyun and Yin Chaoge. She said, "Yes, Chaoge, Yijun, tomorrow I'll go to work at Junlin Group, and I'm a little nervous. But I'll definitely do it well." Yin Chaoge and Leng Yingjun looked at Paige, who said wanted to work hard, and the corners of their mouths twitched violently.

"You're working at the Junlin Group? Don't make a fuss. The whole Junlin Group belongs to your husband, and you still say you're working". At this moment, Leng Yijun and Yin Chaoge were really defeated by the innocent look of Paige and they thought in their heart.

The two girls looked at Paige and thought to themselves, "Paige, you can't imagine how powerful your husband is." At this moment, the two girls were full of envy and blessings for Paige. At that time, she just followed the kindness in her heart and saved Joseph, who almost die and at the risk of being chased. Leng Yijun and Yin Chaoge were very sure that with her intelligence, Paige didn't think too much when she saved Joseph. She really wanted to save him. As for the consequences of any danger, she didn't think about it. She may just think about finding the Police Department. Fortunately, those killers who chased Joseph lost him and didn't find Paige, so Paige was safe and sound.

But the innocent and kind girl would never have thought that her efforts in a few days would be exchanged for a peerless hero for her! A hero who could suppress all the most powerful people in the world! A hero who would only protect her in this life. Even if she was the enemy of the whole world, he would still protect her!

Joseph, who was sitting opposite Yin Chaoge, held Paige's hand and smiled. This was his wife, the woman he needed to protect in his life. Sometimes, she was a little silly, and sometimes her EQ was low. But so what?

Yes, so what? With Joseph, the Dragon Temple Lord guarding her, who would dare to bully her again?
