

Rise 141

Chapter 141

Because Paige have to go to work at Junlin Group tomorrow, so she went to sleep early. However, Joseph couldn't fall asleep.

He went to the balcony alone to smoke.

It had been more than two months since his return. On the outer region battlefield, he had been on that trip a few days ago, so there would not be any trouble in a short period of time. Since he returned to the Frogua, he had done a lot of things and arrangements. He wanted to hold a grand wedding for Paige and play with Chloe. In a few days, all the Junlin Group would be handed over to Paige. He had almost arranged everything for her and Chloe.

He couldn't fall asleep because of some things in his heart. When he came back, he didn't intend to go to Vowhye. But he felt that he had to go there no matter what. He had to go to his mother's grave, he had to go there. After he followed Estella to her mother's house, Joseph suddenly remembered that his grandfather was still alive. When his mother passed away, his grandfather was also extremely sad. So Joseph decided that after the press conference of Junlin Group was over, he would go to Vowhye to see some people. At the same time, he had an end with some people. It was only two weeks away from the press conference of Junlin Group. In two weeks, Paige would work in Junlin Group for two weeks, and she could get familiar with the Junlin Group. In two weeks, he would directly hand over Junlin Group to her. At that time, he was not unfamiliar with it.

"Then what about the remaining 14 days?" Joseph frowned and thought for a moment. After smoking a cigarette, he looked at his wife, who was sleeping soundly on the bed. He had a new idea, which was that during these 14 days, he had to show himself to Paige from all sides. And she would know that he was not only good at leading troops in battle. He was top-notch in other aspects.

After a cigarette was finished, Joseph felt assured. These days, he showed more of himself in front of Paige. When Paige knew that he was the founder of Junlin Group, she would not be so unacceptable. A smile appeared on Joseph's mouth.

The next morning, before she could get up, she was awakened by the fragrance. When she walked out of the room in her pyjamas, she saw a lot of food on the dining table in the living room. There were exquisite animal patterns, heart-shaped pastries, love fried eggs, and hot soy milk.

As she looked at him, her eyes widened involuntarily. At this time, Joseph, who had just finished washing his hands, came over with Chloe in his arms. He said to her with a smile, "Hurry up and wash up. After washing up, you can eat first. After you finish eating, you can make up. Go ahead."

Looking blankly at the breakfast on the table, Paige said, "Did you make this?"

Before Joseph could finish his sentence, Chloe, who was in his arms, was already anxious. She was so hungry. Her two eyes were fixed on the pastries of the pigs and rabbits on the table. She was drooling. While drooling, she said to Paige, "Yes, Mom, it's all made by Dad. It's delicious. I want to eat it, but Dad doesn't allow me to. He said I must wait for you. Mom, go wash your face quickly. I am hungry. I want to eat it..." Chloe covered her little belly and said to Paige with a grievance.

“Oh, you know how to cook? Oh, I’ll wash it right away, I’ll wash it right away...” She glanced at Joseph in surprise, then rushed into the bathroom to wash up.

She washed very quickly. Her daughter was hungry, so she didn’t dare to waste too much time. So in five minutes, she came out, and so did Serena. As for Estella and Yahir, they were still sleeping.

At the dining table, the eyes of Serena, Paige, Chloe, were shocked. Serena took out her mobile phone and kept taking pictures.

Serena also took photos. Chloe was depressed because she wanted to eat. She was really hungry, and the pastries made by her father seemed to be very delicious. But her mother and Serena were taking pictures, so Chloe was pitiful. Her little chin was leaning on the table powerlessly, waiting for them. “ Joseph, they were so beautiful that I couldn’t bear to eat them,’ when Serena finished taking photos and was ready to eat, she didn’t know how to eat and said.

Paige’s face was also filled with awkwardness because she seemed to have discovered something extraordinary. Her husband, Joseph, know-how to cook? Furthermore, he seemed to be cooking very well. Forget about the taste, just from the looks of it, they were all top-notch culinary skills. Her own culinary skills were not good enough, far inferior to Joseph’s... At this moment, Chloe took a small spoon and smacked the bottom of the pink pig on her plate.

As a result, there was a soft sound, and the pink pig’s pastry was flicked. Chloe was immediately happy, and her big eyes were wide open. She said to Joseph, “Dad, the pig is so cute. Let’s not eat it, okay? Joseph thought for a moment and said with a smile, “Well, how about we eat rabbits?

After thinking for a while, Chloe took a bite of the pig on the plate and said to Joseph, “Dad, the pig is so good. Then Paige and Serena lowered their heads and began to eat. But when they just ate a few mouthfuls, they were deeply immersed in the taste of delicious food. So the two and three women who ate first were still very reserved. But only half a minute later, the three of them started eating by using their hands. Chloe even ate three cute little pigs in a row.

After breakfast, she went to do her makeup with a blush on her face. She lowered her head and ran back because she felt that she was too ashamed to see anyone. She had eaten too much. She finished three bowls of porridge. Of course, it was a small bowl, but she also ate a lot of pastries.

After changing her clothes and putting on makeup, she went downstairs to drive to work. Joseph also picked up Chloe’s bag, combed her hair, and was ready to take Chloe to school.

Paige looked at the beautiful eight braids on Chloe’s head, Paige began to doubt herself. Because the braids that Joseph had combed for Chloe were so cute and beautiful. She couldn’t do it herself. At this moment, looking at the happy Chloe, Paige had a feeling that her daughter would definitely be relatively close to her father in the future.

Absolutely.

“Well, you can go to work. I’ll get Chloe to school. Anyway, I have nothing to do recently...” Joseph said to Paige with a smile.

She nodded. When she was about to get in the car, she suddenly looked back at Joseph and asked, “Well, have you ever learned how to cook?”

Joseph said with a smile, "Well, I know a little bit. How is it? Is it delicious?" Joseph blushed and asked. "Well, it's delicious, very delicious," Paige replied.

Joseph smiled and said, "Well, okay. In the future, as long as I am free, I will cook for you and Chloe," Paige's face became redder, shook her head and said, "No, cannot. You will have to go to the military in the future. You will be busy in the future. You teach me, I will do it. Besides, this is what I should do."

However, after she finished speaking, Joseph was about to speak but Chloe, who was holding his hand, became anxious. She was really anxious. She shook her cute little head. "No, no, I don't want it. Mom is not good at cooking. I want Dad to cook, I want Dad to cook."

"Uh..." Paige suddenly felt a great sense of frustration in her heart, and her pretty face turned even redder. Her daughter, she was really honest.

"I, I, I, I'm going to work..." Paige didn't dare to stay there any longer. She quickly got into the car and drove to work.

"Hmph! Why did Mom still have to work? The company belonged to Dad, Mom was too stupid. I could already guess, but her Mom couldn't, "Just after she left, Chloe was still pouting.

"Huh, cannot say Mom stupid! Mom is very hardworking! Chloe, you should encourage her more, okay?" Joseph said to Chloe with a smile. Chloe nodded with a smile and stuck out her tongue cutely. "I know. Dad, you are so handsome. Dad, you are so handsome. Dad, why are you so handsome?"

Well, in order to let Joseph continue to cook for her and comb her hair, Chloe kept praising Joseph. Well, she was like her father.

She was smart, beautiful, and had high EQ. Joseph was amused and laughed.

He looked up at Paige's car and murmured with a smile, "I not only does he know how to cook, but I also have many top-level skills. You have found a treasure husband."
