

## Rise 143

### Chapter 143

“Achoo...” It was ten past noon. Paige, who was eating in the canteen of Junlin Group, suddenly sneezed. This was not her first sneeze today. She had already sneezed several times.

“Paige, what’s wrong with you? Did you catch a cold?” At this moment, Bethany, who was sitting next to Paige, asked her with concern. Well, Bethany arrived at Usmit late at night the day before, and she officially joined the company yesterday. Not only her, but also Ava Gray, who came from Apren City with her.

To be honest, Bethany and Ava were also very confused, because they received a call from Logan the afternoon on the day before. Logan told them to rush to Usmit in the night, and then when they came, he immediately helped them through the onboarding process of Junlin Group. The entire event was very sudden, and Bethany still cannot believe that she was an employee of Junlin Group till now. When she saw that Paige was also here for onboarding, she suddenly understood something. Joseph was the mastermind behind everything. Logan had told her that Junlin Group belonged to Joseph. At this moment, Bethany’s heart was filled with endless envy for Paige.

“Paige, why don’t I go down and get you some medicine for cold?” Ava asked Paige with a worried expression.

Paige frowned and said, “I am not sure though, but I don’t think it’s a cold. I always feel that someone is gossiping about me behind my back.” After a pause, she said to Bethany and Ava, “Haha, Bethany, Ava, you two are finally here at Usmit. Besides, we are colleagues now. Let’s gather at my house for dinner that night. I’ll ask my husband to prepare dinner now.”

Bethany looked at her strangely and asked, “Paige, are you asking Joseph to cook for you at home?”

You’re making the God of War to cook for you at home? Paige nodded excitedly and said, “Well, Bethany, Joseph’s cooking is delicious. You’ll know when you try it at night.” “Well, I haven’t seen Chloe for a long time. I miss her so much. Let’s go to your place tonight...” Bethany said to her.

“Yeah, me too, Paige. I really miss Chloe.” Ava nodded happily.

After the three of them finished their meal, they all went back to their own positions to work. They were not in the same department, but after Paige left, Bethany felt more emotional. “The press conference is in a month’s time. Now that Paige has joined the company, would Joseph want to hand over Junlin Group to her?” Bethany guessed in her heart, but she would not say anything to Paige. She would only pray hard for her best friend in her heart.

In the evening, when Paige, Bethany, and Ava got home, Joseph had already made dinner. Well, they were all top dishes. The color, aroma, and taste were all top-notch. Bethany felt that Joseph’s cooking skills were comparable to that of the chefs of a five-star hotel.

After the meal, Chloe handed the painting drawn by Joseph to Paige. “Mom, mom, look at your picture. It’s so beautiful.”

When Paige saw herself in the painting, she couldn't help but be shocked, because Joseph was so good at drawing, and she was also very beautiful in the painting. When Bethany and Ava saw the painting, they were also surprised.

He could cook good dishes and even draw well.

"Did you draw this? Are your drawing skills this good?" asked Paige while looking up at Joseph in surprise.

Joseph smiled and said, "Well, I've learned a bit of drawing. The picture is not bad, right?"

Without waiting for her to speak, Chloe jumped in front of her and said, "Mom, Dad's painting is great. Our teachers, especially Miss Candy, they all like Dad's painting very much.

"Miss Candy? That female teacher of yours?" When she heard this, she immediately grasped the main point and asked Chloe.

Chloe nodded and said, "Yes, Miss Candy is very beautiful. And Halle's mother was also very impressed when she saw the braid daddy combed for me this morning."

"Halle's mother?" Paige did not miss the point. She asked Chloe, "Well, Chloe, is Halle's mother also very beautiful?"

Chloe nodded and said, "Yes, she's pretty, but she's not as pretty as you, mom."

Paige's face suddenly darkened. She quietly clenched her fists, gritted her teeth and looked at Joseph. She asked word by word, "Miss Candy? Halle's mother? Well, Joseph, how dare you look for another woman behind my back!" At this moment, Paige finally understood why she sneezed so hard when she went to work in the daytime today. It turned out that this cat was busy going after the fishes outside.

Joseph was speechless. He quickly waved his hand and said seriously, "No, no, it's not what you think. Don't think nonsense. We just had a short chat. There's nothing else."

At this time, Chloe also helped Joseph to explain, "Hee hee, mom, you think too much. Daddy won't like anyone else. Daddy loves mom the most. Mom, don't be angry. Come on, mom, look at the piano Daddy bought me. It's so beautiful. Mom, do you know how to play the piano? Can you teach me?" While speaking, Chloe pulled Paige to the piano by the window and looked at her expectantly.

Upon hearing that, she was stunned and said awkwardly, "Chloe, I am sorry that I do not know how to play the piano."

As soon as she finished speaking, Chloe looked at her with a look of disdain. She snorted and said, "Mom, since you do not know, I'll ask Daddy to teach me then. Daddy can play, and he can play very well." As she spoke, she called Joseph over.

After Joseph came over, Paige looked at him in surprise and asked, "You, you can play the piano?"

Joseph was speechless and said, "Who are you looking down on? Of course I can. I have achieved Grade 10 piano, don't you know that?@

“You’re at Grade 10 piano? That’s already the highest grade one can go. I don’t believe you. Hmph, if you really know how to play the piano, can you play a song for me now?”

Joseph shook his head with a smile and thought to himself, “Well, let me show you what I got then, actions speak louder than words!” Then Joseph sat down beside the piano, and his expression became focused in an instant. Next, the famous song Canon was heard by everyone in the room.

At first, Paige was waiting to see Joseph make a fool of himself. After all, in her heart, Joseph was a hero on the battlefield and only knew how to fight. He didn’t know music at all, let alone achieve Grade 10 piano, But when she listened to the song he was playing, she soon fell deeply in love. Joseph played it too emotionally, it was too beautiful that it touched her heart deeply. At this moment, not only Paige, Bethany and Ava who were sitting in the living room were also confused.

The three of them, together with the little beauty Chloe, were all fascinated. And at this moment, Joseph, who was playing the piano seriously, emitted a quiet and elegant vibe. He was completely like a world-class piano master, completely unlike the God of War image on the battlefield. For a while, they were a little confused. Was the man playing the piano music in front of them Joseph?

After the song was over, when Joseph walked up to her, she couldn’t even react at all. She was still immersed in the sad music. Joseph couldn’t help but wave his hand in front of her eyes and said, “How is it? Is your husband good at playing?”

“@Very, very, very, very good, very good.” Paige replied. Then, she raised her head and looked deeply at Joseph. At that moment, she seemed to be unable to see through the man in front of her.

Bethany and Ava also looked at Joseph in a daze, and their minds were more confused. Joseph was too unpredictable, no one could tell how many skills he had and how excellent he was.

What Paige didn’t know was that it was just the beginning. In the following few days, as the days she worked in Junlin Group passed, she would discover more talents about Joseph.
