

Rebirth of the Best Businesswoman at School

Chapter 13: A Different Life from Her Past Life

Everything happened too quickly. Before the onlookers were even ready, everything had already ended. The entire process didn't even take a minute, and Li Yunmei and the others had already lost their ability to fight.

"Damn. This girl is a martial arts practitioner. Her moves are nimble."

"That girl's name is Li Yunmei. She's quite famous in Year One. It seems like there's someone outside the school supporting her, so no one dares to offend her."

"Haha, isn't she still being dealt with now? Two people beat up those five people until they couldn't stand up! What a joke."

"They must have provoked the wrong person. They took advantage of their numbers to bully others, but didn't expect the other party to know martial arts. Didn't you see those moves just now? They were fast and accurate. How satisfying!"

Not everyone in Erzong recognized Jian Ai. Some senior students were excited. They did not expect this pretty junior to be so powerful. She had taken care of the bullies in school in a few moves.

Seeing that more people were joining in on the fun, Jian Ai didn't want to be a panda being watched. She immediately pulled Guan Tao out of the crowd.

After jogging to the bus stop, Jian Ai stopped and looked at Guan Tao with concern. "Tao Zi, are you hurt?"

"I'm fine!" Guan Tao panted as she waved her hand. She didn't forget to check Jian Ai's body. "What about you? Are you okay?"

Jian Ai smiled and shook her head. "I'm fine."

"How did you do that just now? Why did they all fall to the ground when I turned around?" Guan Tao was surrounded by two girls just now, so she naturally didn't see Jian Ai's smooth moves. She couldn't help but feel puzzled.

Jian Ai explained, "My brother taught me a few self-defense moves while I was recuperating at home. I didn't expect to use them just now."

Guan Tao had always admired Jian Yu, so she naturally wouldn't doubt Jian Ai's words. But now that she thought about it, she felt a bit scared. She couldn't help but say worriedly, "It's a good thing that Brother Yu taught you. Otherwise, we would have suffered today. After all, there were five people on the other side."

"If something like this happens again in the future, you should stay back. I will handle it myself." Jian Ai felt a little guilty. After all, the conflict between her and Li Yunmei had nothing to do with Guan Tao. It was because of Li Yunmei that she got beat up. As her friend, she could not help but feel heartache for her.

Unexpectedly, Guan Tao had a disapproving look on her face. "How can I do that? Although I don't know how to fight, I can't abandon you and run away on my own. If we want to run, then we'll run together. If you don't run, then I won't run either. At worst, I'll just get beaten up. We grew up together. If we haven't even fought together, then it would be so boring."

2

Guan Tao's expression was solemn, but her words immensely touched Jian Ai. People would often say true love could be found in adversity. Guan Tao being able to face this matter with her today was enough to show their relationship.

"Then I'll teach you a few moves when I have time, in case you only know how to pull people's hair." Jian Ai suddenly laughed.

"Huh? I only know how to pull people's hair?"

"Yeah, you were screaming for someone to let go just now. Didn't you know?"

"No way! Did I scream? Was it that bad?"

"That's right. It was so lousy!"

"Hahaha..."

The two girls were laughing so hard at the bus stop that they were rocking back and forth. Jian Ai's first day back to school was also fulfilling and exciting. The trajectory of this day was completely different from her previous life. As for Jian Ai, she knew in her heart that what she wanted and wanted to pursue was a completely different life from her previous life!
