

Rebirth of the Best Businesswoman at School

Chapter 18: I'm Going to Hold the School Accountable

Teacher Li was stunned. She didn't understand what Jian Ai meant. "You didn't touch her? How did her leg get injured?"

Jian Ai wanted to laugh when she thought of the scene yesterday. However, Teacher Li was concerned about her situation now, so Jian Ai controlled her expression and emotions and told Teacher Li everything that had happened yesterday.

Finally, Jian Ai said, "Teacher, in that situation, dodging is human instinct. I can't just stand there and wait for her to kick me, right?"

When Teacher Li heard this, she could not help but heave a sigh of relief. If what Jian Ai said was true, then Li Yunmei's injury was caused by her extreme actions and had nothing to do with Jian Ai.

Although Jian Ai hit the other two girls, fortunately, only Li Yunmei's parents came to the school today. As long as they settled Li Yunmei's matter, Jian Ai would not be punished.

"In that case, go to the principal's office with me and explain everything," Teacher Li said to Jian Ai.

Jian Ai nodded and followed Teacher Li to the principal's office.

"What kind of school is this? My daughter is here to study! She's not here to be bullied by her classmates! Isn't Erzong one of the best high schools in Baiyun City? Is this how you educate your students?"

The principal's office was located in the administrative building behind the school building. As soon as they reached the second floor, they heard a woman's shrill voice coming from the room at the end of the corridor. The volume was so loud that it almost lifted the entire roof.

"Don't be afraid. Teacher is here." Teacher Li had interacted with Li Yunmei's mother a few times and knew that the other party was not a kind person. She was afraid that Jian Ai would be frightened and might need to comfort her.

1

Jian Ai nodded and smiled at Teacher Li. There was no trace of fear on her face. Instead, she looked exceptionally calm.

When she arrived at the principal's office, Teacher Li raised her hand and knocked on the door. As soon as she finished speaking, the door was pulled open. The person who opened the door was Headmaster Feng from the school's disciplinary office.

Jian Ai followed Teacher Li into the principal's office and looked around instinctively. It was lively.

People now filled the originally spacious principal's office. There was the principal, the vice-principal, headmaster of the disciplinary office, the dean of the year ones, the school's security chief, and Guan Tao and her form teacher.

Had it been any other girl or Jian Ai from her previous life, they would probably be so scared that their legs would go weak.

But looking at Jian Ai's expression, it was clear that she was calm and indifferent.

Jian Ai's gaze landed on Li Yunmei, and she almost laughed out loud. This Li Yunmei was exaggerating. She came in a wheelchair. Those who didn't know would think that she had broken her legs!

"It's this girl, isn't it? It's her, isn't it!"

When the woman standing in the middle of the room saw Jian Ai, she immediately directed all her anger at Jian Ai. As she spoke, she rushed forward, wanting to seek justice for her daughter.

Seeing this, Teacher Li hurriedly shielded Jian Ai behind her. "Madam Liu, calm down. We haven't figured out what happened..."

"What is there to figure out!" The woman screamed and interrupted Teacher Li. Then, she pointed at Li Yunmei and said, "Can't you see? Can't you see how my daughter is like now? She can't even walk now! Let me tell you, if you don't give me and my daughter an explanation today, I will go to court to sue you and hold the school accountable!"
