

Super School Student Chapter 1

Chapter 1

After the evening self-study, Ye Lu hid in a corner next to the school with a feeling of apprehension, this is exactly where Ren Xue Ying must pass.

Ren Xueying was not the prettiest girl in Senior 8, but she was recognized as the most flirtatious girl, feminine to put it nicely, but flirtatious to put it badly.

Of course, for boys like Ye Lu, girls like Ren Xue Ying are definitely more attractive, so Ye Lu knows very well that there are many people in the school who are thinking about Ren Xue Ying, just look at the people who are around her every day.

He ordered the latest Apple phone for Ren Xueying and managed to get the first shipment, and now he was holding this baby in his hands.

Of course, Ye Luo this poor loser does not have so much money, he is from a certain treasure on the installment purchase, the next twelve months will be faced with a monthly repayment of large hundreds of loans, in fact, for how to pay back the money, Ye Luo has no spectrum at all, but, now from the college entrance examination only less than a month's time, if not start, Ren Xue Ying will fly.

“That that Xueying, you you wait a minute”

Seeing Ren Xueying riding her bicycle over, Ye Lu quickly stopped her, then stumbled and said.

“Ye Lu, what do you want to see me about?”

Ren Xue Ying stopped her bike and looked at Ye Luo and smiled, her eyes quickly completed two curved crescents, in fact, the sharp-eyed her had long seen Ye Luo's mobile phone box hidden behind her.

When the moment came, Ye Lu's face “brushed!” He had been so articulate and fond of jokes that he suddenly found himself unable to speak.

He held his tongue for half a day before saying.

“That Xue Ying, I like you, I bought a gift for you, please please your men.”

With these words, he handed over the mobile phone case hidden behind him.

“Wow! Apple X!”

Seeing the phone box in Ye Luo's hand, Ren Xue Ying's eyes immediately lit up, she quickly reached out and took the phone into her hand, then looked at it lovingly, her bulging breasts trembling with excitement, watching Ye Luo's heart also rise and fall upside down.

"I love this gift so much! Love it!"

Ren Xue Ying laughed happily, then made a gesture as if she was going to pounce over and kiss Ye Lu, and just when Ye Lu was a little overjoyed, Ren Xue Ying patted his shoulder and said with a smile.

"Thanks a lot!"

Following that, she rode her car and disappeared from the intersection in a flying manner, leaving behind a dumbfounded Ye Lu.

"Is this an agreement to go out with me?"

Only after a long time did Ye Luo feel a little lost and muttered.

"No rejection should be considered as consent."

However, the ever optimistic man immediately convinced himself that he was in a good mood and rode his car towards the KTV, he still had three and a half hours of part-time work to do next, such an expensive Apple phone was not something you could just pick up on the street for nothing.

He had already been working here for three days, and was familiar with all kinds of handyman work, such as cleaning, serving drinks, debugging and introducing services.

After changing his clothes, he started to walk around as if he wanted the whole world to share his good mood.

However, he soon heard a girl's voice coming from one of the private rooms, and it sounded as if it was Ren Xueying.

"Could I have heard wrong, how could she come to a place like this?"

Ye Lu somewhat didn't believe his ears, but he couldn't help but be curious and walked to the door of that corner room and started listening secretly.

Sure enough, it was really Ren Xueying's voice inside, and she was saying happily.

"How about the latest model of iPhone, which arrived on the day of its debut, I'll ask you guys, are you convinced?"

Followed by an alluring female voice saying.

“Sister Xue Ying, when did your family get so rich to buy you such an expensive phone, was it your dad who was laid off or your mum who bunted for people! It’s not stolen, is it?”

Ren Xueying said disdainfully.

“Cut, you’re the one who stole it, of course it’s from a guy, with my charm, such things are just a piece of cake!”

The other female voice continued to say in a sinister manner.

“Sister Xue Ying, you’re not having an affair with another boy behind Brother Long’s back, are you, otherwise how would someone else give you such an expensive gift, so I always thought you just looked open, but I didn’t expect it to be really open.”

Hearing the words of the female voice, Ren Xue Ying didn’t seem to be angry, but said in a voice so delicate that it made people’s bones crisp.

“How is it possible, it’s from a big dumbass, still messing around with him, just that loser, I feel sick to kiss him, I don’t even want him to touch my hand, he doesn’t even take a piss and look at himself, he still wants to pick me up, huh

The first thing you need to do is to get the best out of the room.

“Ren Xueying, say one more word?”

After rushing in, Ye Luo roared with red eyes.

However, he found that the two girls who had just spoken were not the only ones in the private room, there were also three other men and one woman sitting there, and one of the bare-chested men had a dragon tattooed on his chest.

Seeing Ye Lu suddenly barge in, Ren Xue Ying froze for a moment at first, but her face immediately changed as she glared at Ye Lu and said.

“What, do I need your permission to speak? Who are you?”

Ren Xue Ying’s attitude was tantamount to pouring oil on the fire, Ye Luo was so furious that he didn’t say anything, instead he rushed over like crazy.

“Ah!”

Ren Xue Ying screamed as she was scared out of her wits, however, immediately afterwards, Ye Lu received a kick in the chest.

“Boom!”

The guy with the dragon tattooed on his chest put Ye Luo on the ground with a single kick, and then another kick on Ye Luo’s chest.

“Just you, something worse than a dog, and you want to hook up with my woman, you’re not tired of living.”

Ye Luo didn’t say anything, he rolled on the ground, followed by copying an ashtray and smashing it on the head of the guy with the dragon tattoo, he wasn’t strong enough but he had never been a wimp.

“Fuck, dare to hit me, hit me hard.”

This guy covered his head with one hand and kicked Ye Lu to the ground again, following which, fists and feet fell on Ye Lu’s body like raindrops.

“Alright, alright, stop, don’t make a scene.”

After another moment of fighting, the guy with the dragon tattoo signalled for a halt, then looked at Ye Luo who was lying on the ground and said.

“Kid, remember, my name is Brother Long, you’re rich right, good, then I’ll give you a week to prepare 10,000 yuan, forget about molesting my woman, otherwise I’ll beat you like this once a day, go!”

After saying that, Brother Long led his men to leave leisurely.

Ye Lu got up from the ground with difficulty, however, before he could stand firmly, the young boss of the KTV appeared in front of him.

“Kid, you’re responsible for the trouble you caused, to the end, these smashed equipment, tables, chairs and benches, as well as foreign wine and so on can only be paid for by you, I’ve done some rough calculations, I’ll give you a cost price, and I don’t want more from you, five thousand yuan.”

“It looks like you can’t work today, go home first, count your absences for one day, by the way, remind you, you don’t want to renege, I know where you live, but, if you really can’t afford to pay, use your sister to pay off the debt can also be

After saying that this guy then he laughed heatedly.

The fact is that the company’s business is not only a good one, but also a good one.

It was hard to find a pair of glasses from under the sofa, but it turned out that they were not his. Not only could he not see anything with them on, but he was also a bit dizzy.

However, Ye Lu still put them away and then silently walked out of the private room and rode his bike back to his residence.

In fact, although this place was still nominally his home, in reality it no longer belonged to Ye Lu.

Ye Lu had never known who his parents were since he was a child and had grown up with his grandmother, but not long ago, his grandmother, who was dependent on him, had fallen ill and passed away, and it was only because of her death that he realised that he was originally an orphan raised by his grandmother, so everything in the house, including this house, did not belong to him, but to another person, his current landlord and his nominal sister, Ye Yan.

Just after pushing open the door, Ye Luo saw Ye Yan, who was wearing a pajama suit, sitting on the sofa with her legs crossed and drinking.

“You brat, why did you come back so early if you didn’t work properly to earn money? I’m telling you, I don’t have any money to pay for your treatment, if you can’t pay the rent at the end of the month, don’t blame me for throwing you out

The sister of Ye Lu, who has no blood relationship, has a good figure, looks and everything, but her temper is not very good, which Ye Lu has long learned in the past few days, so he did not bother to pay attention to her, and went back to his room to sleep after treating his wounds.

Only when he was asleep could Ye Lu feel a moment of clarity.

But only the dead can sleep for a long time. As long as you live, sooner or later you will have to wake up and face your troubles sooner or later, and no one can escape.

The next morning, Ye Lu opened the curtains, put on his glasses and picked up his school bag, but immediately afterwards, the bag in his hand fell to the ground with a “bang! It fell to the ground with a bang.

The reason was that he saw a woman without any clothes standing outside the window, and this woman was no other than Ren Xue Ying.

“Holy sh*t! What the hell is going on here?”

Ye Lu opened his mouth wide in surprise.
