

Schoolgirl 1661

Chapter 1661: didn't feel good

"Oh my, what's with the expressions on your faces? Yun Jian is the god of death of our King's Team!" Chu Xiangnan saw Wu Yaotian and the others being defeated, so he was a little proud and added a few words to add fuel to the fire for Yun Jian.

Not mentioning other things, as a member of the King's team, Chu Xiangnan's favorite thing to do was to get involved when others looked down on Yun Jian.

This feeling was great!

Wu Yaotian and the others were already stunned, but when they heard what Chu Xiangnan said, they were even more surprised.

However, this was not enough. Chu Xiangnan continued to brag about the cloud paper's ability:

"Don't look at the thin and weak cloud paper. Just look at its thin arms and legs. It looks like it doesn't have any ability at all.

"Actually, the only reason our King's squad can have the prestige we have today is because of the cloud paper! You guys don't know that we were the first to carry out a mission, and the difficulty factor was very high. That mission was to ask us to..."

Chu Xiangnan stood by the wall and pointed at the cloud paper to brag to Wu Yaotian and the others. Wu Yaotian and the others were stunned by what he said.

At the end of his speech, Chu Xiangnan immediately became exaggerated. He pointed at the cloud paper and bragged to Wu Yaotian and the others about the ability of the cloud paper with very exaggerated words:

"You guys don't know that our mission was to steal the secrets of an underground gang. Guess what happened in the end?"

"By the time we got the news, the cloud paper had already charged into that gang alone and destroyed the entire gang! One person! She alone destroyed the entire gang!"

"At that time, the higher-ups were so scared... Haha! That expression, it was really exciting!"

Chu Xiangnan's words became more and more exaggerated. In the end, Wu Yaotian and the others were so shocked by Chu Xiangnan's words that they opened their mouths wide and arched the word "O".

It was especially so for Wu Yaotian. Just now, Wu Yaotian wanted to use the cloud-hugging paper to climb over the wall to soak in the cloud-hugging paper!

Initially, other than wanting to soak in the cloud-hugging token, Wu Yaotian also wanted to show off the abilities he had learned in the military academy in front of everyone.

He felt that as a student of Min City Military Academy, his abilities were already very impressive.

However, when he heard Chu Xiangnan's words, Wu Yaotian felt that he wanted to show off in front of the cloud-hugging token just now. This was simply a joke!

She was the god of Death!

She was the god of death who had just won the first place in the preliminaries!

The people who participated in the preliminaries were all the best special forces in the country. The people that Yun Jian had to face were all the top-notch special forces in the country!

Those people were all mythical existences!

As for Yun Jian? She had won the first place!

Not to mention Yun Jian's battle record of destroying a gang by herself!

No matter which matter it was, in front of Wu Yaotian and the others, it was all out of reach!

One could imagine how unsightly Wu Yaotian's expression was at that moment.

As for Qi Mei, who had previously said a few bad things about Yun Jian, her expression was not much better at that moment.

"Hahaha! So she is the god of killing, the legendary God of killing!" When Wu Yaotian and the others' expressions darkened slightly, a boy who was with Wu Yaotian and the others stood out and spoke frankly.

This boy had a forthright personality and his words were firm and forceful.

Soon, the atmosphere at the scene was heated up again.

"It's late. Let's go back to school after having supper," Liu Shiyun, who had been silent all this time, said at this time.

As soon as Liu Shiyun finished speaking, everyone agreed and the group of people quickly went to the supper stand.

Only Wu Yaotian and Qi mei still remembered the unhappiness just now.

Qi Mei, in particular, looked at the cloud tablet as it walked forward. Suddenly, an unknown fury appeared in her eyes.

She clenched her fist tightly, and Qi Mei's face froze. She stared at the disappearing figure of the cloud tablet and gritted her teeth. Finally, she quickly followed after it.

Chapter 1662: the girl who unlocked the door

There was a snack street near the military academy. The snack street here was very lively, and the people here had a very rich nightlife. Therefore, there were many people who went to the Snack Street for supper.

The snack street here was full of snack shops. If one wanted to walk from beginning to end, it would take more than ten minutes.

Most of the students who skipped military school at night would come to this snack street for supper. Yun Jian and the others also came here.

“What Kind of supper do you guys want to eat?”

The boy who came out to deal with the awkward atmosphere was called Duan Mu. Duan Mu was a very modest and elegant boy.

As soon as everyone arrived, Duan Mu glanced around and asked.

“Let’s Go Eat Skewers!” Chu Ning suddenly suggested.

The entire street was filled with snacks. There were all kinds of snacks available.

For example, noodles, rice noodles, etc. . Of course, there was also the indispensable barbecue.

Chu Ning’s introduction immediately got the tacit approval of everyone present.

Even Qi Mei, who had a problem with the Yun Jian, did not say anything.

Barbecue was the favorite of young people. Most young people did not know that they should not eat too much or that barbecue was unhealthy.

Especially in this era, the awareness of health was not so strong. Therefore, many young people would go for barbeque whenever they had the chance.

“Haha, come, come, come. I will lead the way. I know a barbeque restaurant that is very delicious. It is the hottest restaurant in this restaurant!” Duan Mu quickly recommended himself.

As he spoke, the group of people walked toward the restaurant that Duan Mu recommended.

At this moment, the military academy was silent, especially the dormitory building. It was so quiet that only the sound of the students’breathing could be heard.

However, this snack street was completely different from the scene in the military academy. The snack street was surrounded by neon lights, and there was a big, bright light bulb hanging above each store, in front of the door were all sorts of tables and chairs specially used by small vendors.

Although the tables and chairs were old, this street did not look clean, but it had a unique flavor.

The barbecue shop that Duan Mu recommended had many tables and chairs in front of the door.

As soon as he walked in, Duan Mu waved at the shop owner and said, “Brother Dong, give us 50 skewers of mutton, 30 skewers of roasted gluten, and 10 skewers of roasted leeks. As for the rest, you can add some for us!”

Obviously, this was not Duan Mu’s first time in this shop.

The owner of this shop sounded young, and he looked to be about 28 or 29 years old.

After hearing Duan Mu's words, the owner who was addressed as brother Dong replied, "Okay! I'll roast it for you guys first. It'll be ready soon!"

"Thank you, brother Dong!" Duan Mu quickly thanked him.

However, the group of people quickly sat down.

Because there were too many people, they had to put together four small tables before they sat down around them.

Yun Jian also sat down with the rest. She sat next to Chu Ning.

After Wu Yaotian found out about Yun Jian's identity, he felt rather awkward. But after all, Yun Jian was the idol of the entire military academy in Min City.

Very soon, all the unhappiness from before was thrown to the back of his mind. Wu Yaotian and the rest of them looked like they were face to face with their idol. They started to ask Yun Jian questions one after another.

Wu Yaotian also stopped his desire to tease Yun Jian. At this moment, his conversation with Yun Jian was purely like a conversation with his idol. He had long thrown away his improper thoughts about Yun Jian.

Not long after Yun Jian sat down, a surprised voice was heard. It came from the mouth of a girl who had just walked in from the entrance of the barbecue shop:

"It's You? You're the girl who almost bumped into me at the stairway!"

The girl pointed at Yun Jian and exclaimed as soon as she saw Yun Jian.

The people who were with Yun Jian immediately turned their attention to her.

This girl was the one who almost bumped into Yun Jian on the second floor of Yun Jian's dormitory building.

There were several girls standing next to the girl, but after they spoke to the girl who almost bumped into Yun Jian, they pointed at Yun Jian and exclaimed,

"You... You're the girl who unlocked the door lock of the dormitory building without using a key!"

Chapter 1663: I accept this gift

The girls standing next to the girl who bumped into the cloud note were obviously the ones who saw the cloud note open the lock of the dormitory's door with wire.

Therefore, the moment they saw the cloud note, these girls cried out in surprise.

After hearing the words of these girls who had just entered the door, the people who were with the cloud note were all a little surprised.

"You know how to pick a door without a lock?" Duan Mu looked at Yun Jian in surprise and asked.

The people around looked at Yun Jian in surprise.

Yun Jian was the god of death of Team King. This was enough to shock everyone present.

But who would have thought that Yun Jian could actually pick a door?

“She opened the door lock of our girls’ dormitory building without using a key just now. She really gave us a fright!” Hearing the words of these girls, it was obvious that they hadn’t recovered from the shock of Yun Jian opening the door lock.

The surrounding people were in an uproar. They were shocked by the ability of the cloud tablet.

However, compared to this, the girl who had almost bumped into the cloud tablet at the stairway but was dodged by the cloud tablet and her own head was hit by the cloud tablet was still holding a grudge.

“Brother, it was this girl who caused a big bump on my head just now. You have to avenge me!”

The girl who almost bumped into Yun Jian pulled the hand of the man standing next to her and pointed at Yun Jian.

The girl’s name was Yang Lin. She was tall, not ugly, and had a good figure.

Yang Lin was a typical social girl. The man standing next to her was a social hooligan. Yang Lin liked to hang out with these social hooligans because she felt that her status in school was particularly high.

Sometimes, she even felt that she could hold her head up high in school with the protection of her social brother.

The Man Standing next to Yang Lin was naturally not Yang Lin’s biological brother. The man raised his head and looked at Yun Jian with eager eyes. Then, he said to Yun Jian in a ruffian manner,

“Was it you who bullied my sister just now?”

The moment he saw Yun Jian’s appearance, the man directly let go of Yang Lin’s hand and walked over to Yun Jian.

“What do you want?” Duan Mu asked the man with a cold face.

“She bullied my sister, so of course she has to return it!” The man laughed sinisterly as he sized up Yun Jian from head to toe.

Being pestered by this group of hooligans would definitely not end well.

Yang Lin crossed her arms as she looked at Yun Jian. She could already imagine how Yun Jian would beg for mercy.

When the man saw that Yun Jian was ignoring her, he took another two steps towards Yun Jian.

Qi Mei, who was hiding in the dark, also laughed coldly.

It seemed that Yun Jian would be in trouble if she did not take action!

Just when Yang Lin and Qi Mei saw the man take another two steps towards Yun Jian, Yun Jian would definitely be finished.

Yun Jian's eyes suddenly flashed. She was originally sitting in her seat when she suddenly stood up and shouted, "Get down!"

Then, she swept her leg across the man and kicked him in the knee, causing him to kneel on the ground.

The surrounding people did not know why Yun Zhi suddenly shouted and got down, but they all listened to her orders and got down.

"What are you crazy for?" The surrounding few people who wrote the letters all got down, but Yang Lin asked after Yun Zhi spoke.

"That's right..." before she could say the last word, Qi Mei was so scared by the scene in front of her that her heart almost jumped out.

However, in the next second, Yun Jian kicked a stool and kicked it into the air.

When the stool was kicked to the highest point in the air, a few gunshots sounded in the distance.

The gunshots and bullets flew over.

When Yun Jian kicked the stool, the stool directly faced the bullets that suddenly sounded and flew over in front of everyone's eyes.

The bullets that were aimed at Yun Jian were intercepted by the stool!

This scene frightened everyone present.

Especially Yang Lin and Qi Mei who didn't believe in Yun Jian.

This scene completely overturned everyone's understanding!

A Gun!

There was actually a gun!

However, before everyone could be surprised by Yun Jian's terrifying skills.

Yun Jian bent down and picked up the two bullet casings from the ground. She narrowed her eyes and looked at a certain spot. She, who had been silent all this while, was now skillfully playing with the two bullets that she picked up from the ground in front of everyone present, then, she curved her lips into a sly smile:

"I'll accept this welcome gift. The one who came is blood baby's so-called sharpshooter, Ruo Yin. Don't you plan to... come out for a gathering?"

Chapter 1664: now that she was here, she could forget about leaving

Yun Jian held the two shiny bullet shells in her palm and played with them. She narrowed her beautiful eyes and stared at a dark corner of the Snack Street.

The entire snack street was filled with snacks. The snack street here was a straight street. If one crossed the street from left to right, they would be able to pass through a dark corner or corner where no one was around.

The two gunshots just now only produced two sizzling sounds.

Without a doubt, the pistol was equipped with a silencer.

The sound of the bullets from the silenced pistol was very soft. The moment the two bullets flew over, no one in the lively snack street noticed them.

For example, if Yang Lin, Qi Mei, Wu Yaotian, and the others did not see it with their own eyes, they would not even notice the bullets flying over.

Of course, Yun Jian, who was proficient in firearms and ammunition, could easily smell the smell of gunpowder even in such a noisy street.

With such sensitivity, it was basically impossible for someone who did not come from the assassin training camp to train such an ability!

Even if they came from an assassin organization, they would still be the only ones who had the ability of Yun Jian!

Seeing this scene, Yang Lin and Qi Mei immediately screamed, "Ah! Gun! Gun! Gun! Gun! There's a gun! !!"

After Yun Jian said those words to the people in the dark, Yang Lin and Qi Mei finally reacted after a long while. Someone had actually fired a gun just now!

There was a gun!

There was actually a gun here!

Yang Lin and Qi Mei were still cursing Yun Jian for suddenly shouting the words "Get down". Both of them had their opinions on Yun Jian. Just now, they had been attacking Yun Jian one after another, both of them felt that they had a tacit understanding of each other.

What else could Yun Jian say now?

But they had never expected that someone would actually shoot them with a gun!

A Gun! It was a real gun!

Yang Lin and Qi Mei were both military medical students in Min city's military academy. They had only heard the boys in the Academy brag about how they handled knives, handled guns, and fought and killed.

But now, such a thing was happening right in front of them!

Yang Lin and Qi Mei had been so arrogant just now. Now that they realized the danger, the two of them immediately covered their heads and squatted down. They screamed as they searched for the nearest table and immediately went under the table.

When the people around them who were eating supper heard Yang Lin and Qi Mei's screams, they were so scared that they found a place to hide.

A place with a lot of people was most afraid of rumors.

When they arrived at a place with a lot of people, most of the people around them would definitely believe it if they shouted 'shots fired'.

Therefore, the crowd became chaotic.

Wu Yaotian and the rest also found a place to hide in fear and looked over.

Chu Ning and the rest also hid quietly. They were afraid of dragging Yun Jian down.

However, Yunjian's lips curved upwards as she walked out of the barbeque shop. She crossed her arms and looked at a woman who came out after a short pause in the dark.

This woman was very thin and had a good figure. However, her breasts were very small and she looked more like a westerner. She held a Browning M1911 pistol in her hand and walked out of the dark seductively.

This woman's codename was ruoyin. She was the killer who was known as the Sharpshooter by the blood doll.

It was rumored that she killed three birds in a row with one shot each. Her strength was astonishing.

"Who... who is this?" Wu Yaotian saw Ruoyin and the gun in Ruoyin's hand. He was so scared that his face suddenly changed. He turned to ask Yun Jian.

Although the boys in the military academy liked to brag about themselves, they were naturally afraid when it was a critical moment and their strength was not enough.

Yun Jian ignored Wu Yaotian. She narrowed her eyes and looked at ruoyin who walked out from the dark. Not only was she not afraid of the crowd, she looked at ruoyin lazily.

There was a moment of silence.

The crowd in the dark saw Yun Jian suddenly raise her hand. She threw the two bullets in her hand towards ruoyin.

Ruoyin flashed and accepted them.

"I can't afford this welcome gift... but since you're here, don't even think about leaving!"

Yun Jian's red arc slightly curved as she calmly said these words.

The people hiding in the dark felt that Yun Jian was unbridled, but at this moment, Yun Jian's eyes flashed sharply.

In the next moment, everyone present saw a scene that they would never forget in their lives —

Chapter 1665: Only you don't deserve this title

Ruoyin was standing not far away with the Browning pistol in her hand. Yun Jian's red lips curved slightly. She pursed her lips and stared at Ruoyin with her sharp eyes.

Just when everyone was shocked by Yun Jian's arrogant words just now, Yun Jian's next move made everyone's expressions change.

Everyone was still thinking that the woman called Ruoyin was holding a pistol!

And Yun Jian! She actually dared to speak to ruoyin in such a tone. Did she think that she could beat Ruoyin just by kicking the stool to block two shots from ruoyin!

"Yun Jian, be careful!" Although Chu Xiangnan and the others knew Yun Jian's skills, they were still worried and shouted at Yun Jian.

"Why would she drag us down with her? Didn't she see the gun in that woman's hand? What if that Gun Hurts Us? How can she be so selfish? Go to Hell and don't drag us down!"

Qi Mei was so scared that she hid under the table and trembled. At the same time, she didn't forget to curse at Yun Zhi while sobbing.

It was all Yun Zhi's fault! It was all Yun Zhi's fault!

So What If Yun Zhi was the god of death of the King's squad!

That woman had a gun in her hand! Could she defeat that woman?

At that time, she might not be able to defeat that woman and even cause the deaths of everyone present!

However, at this moment, the following scene completely overturned everyone's understanding.

This scene was enough to make everyone present unforgettable!

In the next breath, Yun Jian took two large steps towards ruoyin.

When ruoyin saw this, her eyes turned sharp and she was about to raise the Browning pistol in her hand.

Before she could raise the pistol, Yun Jian took two steps and a leaping person appeared in front of ruoyin.

This scene caused an uproar among the people hiding in every corner.

Yun Jian's skills were so amazing!

However, this was not the end.

The moment ruoyin continued to raise her Browning pistol, Yun Jian arrived in front of ruoyin in a few flashes.

Then, a second before ruoyin raised the pistol and aimed, Yun Jian's hands wrapped around Ruoyin's hands like a snake.

At the same moment, she wrapped around Ruoyin's left hand that was holding the pistol and slammed it into Ruoyin's left wrist.

Ruoyin's hand went limp. Her left hand went limp and the Browning pistol slid down.

Yun Jian's hand caught the Browning pistol without even looking at it.

The other hand wrapped around ruoyin's right hand grabbed ruoyin's right hand at lightning speed and pulled hard. Then, it quickly hit the bones in Ruoyin's right arm.

Ruoyin wanted to counterattack, but her arm that had been hit by Yun Jian did not have any strength left!

She widened her eyes in shock and wanted to use her long legs to sweep across Yun Jian.

Yun Jian had already held the gun and moved behind ruoyin. She pushed her knee against ruoyin's knee, causing ruoyin to kneel on the ground.

The whole process only took three seconds.

Three seconds later, Yun Jian had already snatched the gun from Ruo Yin's hand.

Ruo Yin's eyes widened. She was not weak, but before she could even react, Yun Jian had already kicked her to the ground! He had even snatched the gun!

After being suppressed and kneeling on the ground, Ruo Yin was just about to struggle when she suddenly heard a "Crack" sound from behind her head.

Yun Jian held the Browning pistol that he had snatched from ruoyin and pressed it against the back of Ruoyin's head.

When the crowd in the distance saw this scene, they could not help but be dumbfounded.

Yun Jian had actually snatched the pistol from this woman's hands!

Moreover, from this woman's skills, it could be seen that the woman's strength was definitely not weak!

Blood doll was known as the Sharpshooter, ruoyin!

This ruoyin was probably a member of the assassin organization!

And Yun Jian had actually snatched the pistol from Ruoyin's hand!

"Oh my God! She, she just snatched the pistol at a speed faster than the speed of others! This little girl is too scary!"

An older uncle beside him looked at Yun Jian in shock and let out a crazy cry.

Yang Lin, Qi Mei, and the others were so frightened that their faces were beyond recognition.

Yun Zhi placed his gun against the back of Ruo Yin's head and smiled coldly at her expressionlessly:

"You, the so-called blood doll sharpshooter, can't even protect your own weapon. You Don't deserve this title!"

Chapter 1666: No one can order me around

Yun Jian's words were like a sharp silver needle, piercing into Ruoyin's heart one by one.

These words were simply mocking Ruoyin's incompetence as a sharpshooter!

Ruoyin was famous as a sharpshooter, but she couldn't even protect her most commonly used pistol!

Ruoyin was unwilling, but she had to be unwilling!

Yun Jian's strength was too strong, so strong that even if she was unwilling, she had no choice but to be unwilling!

"Ha! As expected of SS. Losing to you, I'm completely convinced!" Ruoyin said, completely showing no fear of being held by Yun Jian's gun at the back of her head.

After all, she was an assassin who was used to all kinds of situations. Her endurance was naturally not something that ordinary people could compare to.

Seeing Yun Zhi suppressing Ruoyin, Yang Lin and Qi Mei, who had timidly crawled under the table, quickly crawled out from under the table.

"HMPH! I let you shoot at US just now! Yun Zhi, quickly kill her! I was almost killed by her just now! I'm so angry!"

Qi Mei was still blaming Yun Zhi just now. She blamed Yun Zhi for provoking Ruoyin, who was holding a pistol in her hand! Why didn't Yun Jian kill himself? Why did he insist that everyone present take the risk with her.

In the end, Yun Jian snatched the pistol from Ruoyin's hand and even held the gun to the back of Ruoyin's head.

Even though Qi Mei was displeased with Yun Jian previously, Qi Mei did not dare to target Yun Jian anymore.

Qi Mei even had the intention to please Yun Jian.

As for Wu Yaotian, who initially wanted to tease Yun Jian, or Duan Mu, who was a very upright person, or the man Yang Lin called brother, everyone was looking at Yun Jian with shocked and terrified eyes.

At this moment, no one dared to say a single word.

Except for Qi Mei.

Qi Mei had just used ugly words to criticize Yun Jian, but now that she saw Yun Jian's terrifying strength, she had gone from being unhappy with Yun Jian earlier to standing up to curry favor with Yun Jian now.

Everyone present saw Qi Mei's every word, action, and even the people standing beside Qi Mei rolled their eyes at Qi Mei.

"Quickly shoot her! Let her know how powerful we are! HMPH! She actually wanted to kill us just now! She really did dare! Yun Zhi, quickly shoot her! Anyway, you're a popular person in our military academy. Even if you really kill someone, the military officers will protect you!"

Qi Mei was indeed a 'talent'. Seeing that Yun Zhi had subdued Ruo Yin, Qi Mei had just treated Yun Zhi as her mortal enemy. Now, she immediately treated Yun Zhi as one of her own.

She even kept urging Yun Zhi to kill Ruo Yin.

Those who did not know would think that Yun Zhi was Qi Mei's subordinate.

Seeing that Yun Zhi had pressed the muzzle of his pistol against the back of Ruo Yin's head, Qi Mei's incessant chattering continued to spread. As she spoke, she even walked over to Yun Zhi:

"She had already dealt with us just now, yet you still didn't kill her? weren't you especially powerful just now? And didn't you once destroy a gang by yourself? Why Don't you dare to do it now?"

Qi Mei's voice was heard continuously.

The crowd who were watching this scene from afar were all deeply disgusted by Qi Mei's actions.

However, just as Qi Mei was about to walk up to Yun Jian, Yun Jian suddenly turned around and let go of Ruo Yin who was being suppressed. He turned around and kicked Qi Mei who was completely unprepared.

Qi Mei still treated Yun Jian as one of her people, so she was confident that Yun Jian wouldn't do anything to her.

However, at this moment, Yun Jian suddenly kicked Qi Mei in the stomach. She sent Qi Mei flying away on the spot. Then, she held her pistol and fired a few shots at Qi Mei who had fallen to the ground:

"Bang Bang Bang Bang Bang Bang!"

Five shots. Yun Jian's marksmanship was so accurate that it made people afraid.

These five shots hit Qi Mei's forehead. Her left arm grazed the side, her left leg grazed the side, her right arm grazed the side, and her right leg grazed the side.

Her marksmanship was exquisite. She just happened to graze Qi Mei's five sides and shot into the cement ground.

Five shots. If any one of the shots was slightly off, Qi Mei would definitely be injured!

This scene happened so quickly that Qi Mei's face turned pale. The surrounding people were also shocked by Yun Jian's few shots that sent chills down their spines.

However, Yun Jian had already pointed the muzzle of the gun directly at Qi Mei's temple. In front of everyone present, she coldly said to Qi Mei,

"No one in this world can order me around. If you continue to talk nonsense, I'll Kill You First!"

Chapter 1667: the leader of the blood doll

Yun Zhi directly released Ruo Yin and kicked Qi Mei away, pointing his gun at her.

This action shocked everyone present.

“Oh my God!” Someone in the crowd couldn’t help but cover his eyes, as if he could imagine the scene of Yun Zhi shooting Qi Mei’s head.

But at this moment, no one felt pity for Qi Mei.

Qi Mei’s actions just now not only made Yun Jian unable to take it, even the people standing in the distance were extremely disgusted.

Qi Mei’s actions just now made everyone present extremely disgusted.

Some people even disliked Qi mei, and wanted Yun Jian to directly shoot Qi Mei to death.

“This girl really has a lot of mouths! I can’t even stand her!” Standing in the distance, a middle-aged man was angered by Qi Mei’s face and spat on the ground.

From the perspective of everyone present, Yun Jian’s actions just now were purely venting his anger!

“Cough cough! It’s not that I want to say this, SS, but this girl is extremely annoying.”

Even Ruoyin, who had always been enemies with Yun Jian, did not leave after Yun Jian let her go. She walked to Yun Jian’s side, rubbed her chin, and complained.

Ruoyin was not afraid that Yun Jian would grab her again. She walked to Yun Jian’s side and made a critical comment.

Yun Jian pointed the gun at Qi Mei’s head and looked at Ruoyin. “Why are you still here? Do you want me to kill you?”

“I don’t want to be tortured like this!” Ruoyin stood beside Yun Jian and looked at Qi Mei who reacted after being kicked by Yun Jian.

When Qi Mei reacted, she was so scared that her face turned pale. She immediately got up from the ground and kowtowed to the place where Yun Jian was.

“No! Don’t kill me! I was wrong! Put away your gun! I Won’t do it again...”

Qi Mei was a person who paid great attention to her appearance. She could even show her most beautiful appearance in front of the boys by eating only one meal a day just to lose weight and build a perfect figure in front of the boys.

Of course, all of this was under the premise that her life could be guaranteed.

Now that she couldn’t even guarantee her life, what appearance and image did she need?

Therefore, Qi Mei directly knelt down and kowtowed to Yun Jian. Her entire body trembled like a spring.

“PFFT! Such guts! wasn’t she very powerful just now?”

When Ruoyin saw Qi mei kneeling down to Yun Jian, her body trembled like a spring. It was as if she had received a great shock. She stood to the side and couldn’t help but snicker.

Ruoyin was really not in a hurry to leave.

Yun Jian's Red Arc rose slightly. She pulled the bolt of the pistol. Amidst Qi Mei's pleas and kowtows, Yun Jian pursed his lips. In the next second, he said with an indifferent expression,

"You can go to hell!"

As soon as he said that, a gunshot rang out.

The moment Qi Mei heard the gunshot, it was as if she had received a severe shock. She fell straight to the ground and fainted.

The people standing in the distance were all frightened by Yun Zhi.

She had really fired!

Was she really going to kill Qi Mei? !

But before they could react, Yun Zhi, who had suddenly fired, suddenly pointed his gun at the pitch-black spot where ruoyin had come out.

With a bang, Yun Zhi's gun shot directly into the pitch-black spot.

What was Yun Zhi doing! Everyone present widened their eyes in shock.

They saw that after the spear shot into the darkness, a slender man, who was about 1.82 meters tall, easily dodged Yun Jian's spear by dodging to the side from the darkness, he exposed himself in front of everyone present.

The man was about 23 years old. He wore a hoodie with a collar on his head, but it could not stop his handsome face from appearing and disappearing in the darkness.

When he saw the man, Yun Jian narrowed his eyes and smiled scornfully:

"After watching the show for so long, are your legs tired from standing? The leader of the Blood Doll?"

Chapter 1668: leader Di Lin, came to find Leng Mei

Suddenly, she saw Yun Zhi shoot out a spear in the dark and force the handsome young man out of the dark. Ruoyin's expression changed.

She actually found out that their leader was hiding in the dark!

Ruoyin was so scared that her face turned pale.

She originally thought that with her strength, she could withstand one or two moves from Yun Zhi. However, ruoyin never thought that Yun Zhi could subdue her with one move!

This was not a big deal. After all, Yun Jian's identity was not to be underestimated.

However, what she never expected was that Yun Jian had already discovered their leader who was hiding in the dark!

Yun Jian had only kept quiet all this while, but that did not mean that she had not discovered their leader's existence!

Ruo Yin was well aware of her leader's strength.

However, Yun Jian had actually seen through everything with just one glance!

Ordinary people might not be able to see through Yun Jian's previous shot, but Ruo Yin, who was also an assassin, was able to see through it with a single glance.

Yun Jian's previous shot had just happened to be fired at the location where the leader of the Blood Doll was hiding. Moreover, his speed, direction, and distance had been grasped quite well.

If the leader did not walk in front of everyone, he would be hit by Yun Jian's previous shot!

Yun Jian's previous shot was very fast.

If the leader of the blood doll did not walk out, he would be hit by the shot.

Therefore, Yun Jian's shot successfully forced the leader of the Blood Doll who was hiding in the dark to come out.

"Leader!" Ruo Yin suppressed the shock in her heart. She turned her head to look at her leader and bowed to him.

The leader of the blood doll was called Di Lin.

Di Lin was dressed in black. He was also wearing a hat behind his collar.

In the dark night, under the neon lights, Di Lin's face was faintly visible.

He was very young, but his face was pale. He was handsome and spirited, but at this moment, his face was so pale that it made people afraid.

Di Lin, who appeared, did not show any panic after being discovered by Yun Jian. He waved his hand at Ruo Yin, who bowed to him, and then stood in front of Yun Jian.

Di Lin was about 1.82 meters tall, so Yun Jian looked very short when he stood in front of Di Lin.

However, in terms of imposing manner, Yun Jian was many times stronger than him.

Another person came! Wu Yaotian, Yang Lin and the others who were standing in the distance were dumbfounded beyond words.

Everyone stared at the scene in front of them in a daze.

However, they saw Yun Jian squinting at Di Lin.

"Tell me why you're here." Yun Jian squinted his eyes and asked with a calm expression.

"I'm here to look for my woman." Di Lin was wearing a black hoodie, so he gave people the feeling that he was an emissary in the dark. He said to Yun Jian.

“Are you talking about Leng Mei, who was captured by me last time?” Yun Jian played with the pistol in his hand and looked at Di Lin with a playful look.

Di Lin didn't respond to her question.

Ruo Yin, who was standing next to him, couldn't help but want to ridicule him, but she held back in the end.

Leng Mei was the number one master of Blood Doll. She was adopted by her leader's father since she was young. She could be considered as her leader's childhood sweetheart.

Later on, the leader's father passed away. The leader inherited blood doll organization and used the fastest speed to develop blood doll into the largest organization in Southeast Asia.

Leng Mei had always been by her leader's side.

When Leng Mei was sixteen, she became the leader's woman. She was the leader's first and last woman.

However, the leader's attitude towards Leng Mei was like a tool to warm a bed.

Leng Mei had always thought that she was the leader's tool to warm the bed and didn't dare to have any improper thoughts.

In the blood doll organization, who didn't know that Leng Mei was the leader's lover?

Even Leng Mei herself thought that she was the leader's mistress.

Ruo Yin couldn't help but complain. She had long seen that the leader treated Leng Mei differently.

Not long ago, Leng Mei was captured by Yun Jian.

Captured by SS, Leng Mei could be killed at any time!

Her leader, Lord di Lin, hadn't slept for a few days and nights. This time, he rushed here to look for Yun Jian.

But to Leng Mei, even a word of love wasn't mentioned by her leader!

Ruoyin couldn't help but worry for her leader and Leng Mei!

Chapter 1669: Everyone is used by her

No one can understand what ruoyin is worried about!

She joined the blood doll organization later. From the time when the organization was still a small organization, ruoyin had already joined the organization.

It wasn't until the death of Dilin's father this year that Dilin became the leader of the New Blood Doll Organization.

In less than half a year, the blood doll organization went from being a small organization in Southeast Asia to wiping out all large and small organizations in Southeast Asia, becoming the number one assassin organization in Southeast Asia.

It could be said that ruoyin had personally witnessed the development of the relationship between Di Lin and Leng Mei.

Even she, a bystander, was puzzled!

Their leader clearly liked Leng Mei, but he did not say it.

This feeling was really that the emperor was not anxious and the eunuch was anxious! Even she, a eunuch, was anxious to find a way to bring her leader and Leng Mei together!

It was too heart-wrenching to watch!

...

Yun Jian toyed with the gun in his hand. She looked at Di Lin with frivolous eyes, waiting for Di Lin's reply.

"Yes," di Lin said to Yun Jian expressionlessly.

The woman he was looking for was Leng Mei, who had been captured by Yun Jian previously.

Seeing that the atmosphere here had eased up a little, Wu Yaotian, Duan Mu, the shop owner, brother Dong, and Yang Lin, who had bumped into Yun Jian in the dormitory building of the school previously, who was now holding a grudge.., the hooligan who called Yang Lin Brother walked out from his hiding place.

But even so, they didn't dare to approach them.

Who knew if the gun in Yun Jian's hand would go off.

This was a gun! A real gun!

If it went off, people would die!

Even so, everyone present was confused by what Yun Jian, Di Lin, and ruoyin had said.

What was the blood doll organization?

And Yun Jian had captured a person called Leng Mei?

What was all this?

If they hadn't seen Yun Jian fire the gun in his hand and confirmed that it was the real gun, they would have thought that Di Lin and Ruo Yin were actors hired by Yun Jian.

Their purpose was to show off their abilities in front of everyone!

At this moment, Yun Zhi, who was standing in the middle of the street and looking at Di Lin with frivolous eyes, suddenly raised her red lips to the highest point.

She raised her beautiful eyes and looked into the eyes of Di Lin. After a moment of silence, she said, "As for me, I never do business at a loss. You can take me back if you want, but I have one condition."

Hearing Yun Jian say that he had a condition, the people standing in the distance pricked up their ears to listen.

"Go Ahead," Di Lin said with a solemn face.

Yun Jian's slightly curved lips just a moment ago calmed down in an instant. She looked at Di Lin coldly and put away the playful expression on her face. The cold sound was transmitted to the ears of everyone present:

"The Blood Doll belongs to me. You can take her away!"

What she wanted was the entire blood doll organization!

Even though the people around did not know what a blood doll was, everyone present could feel that this blood doll was definitely not an ordinary thing.

After hearing Yun Jian's words, everyone present sucked in a breath.

It had to be said that Yun Jian was very arrogant!

What she wanted was not money or status.

It was the entire blood doll organization!

"You..." when Ruoyin heard this, her emotions tensed up. She could not control herself and almost attacked.

"I can give it to you, but before I hand the blood doll to you, I want to see her in one piece." Di Lin waved at Ruoyin and looked at the cloud note with a sharp gaze.

When Di Lin said this, even the cloud note was a little surprised.

Blood Doll was not a small organization. In the past, blood doll might have been a small organization in Southeast Asia, but now, Blood Doll was the number one organization in Southeast Asia.

How could he give it up so easily?

"Deal." Even though he was doubtful, Yun Zhi did not change his expression.

What she wanted was not just the blood doll organization. What she wanted was everyone in the blood doll organization.

For her!

Chapter 1670: took a liking to something and never failed

“I’ll see you at Longmen City this Saturday. I’ll bring you to her. Of course, you have to show your sincerity first. For example... who is the person behind your blood doll organization’s Crazy Pursuit of Me?”

Yun Jian narrowed her eyes and looked at Di Lin. Her words and actions had returned to the same posture she had been in the morning.

Unknowingly, that curved lips once again crept up to the corner of her lips.

Yun Jian crossed her arms and looked at di Lin Lazily, waiting for Di Lin’s reply.

The people in the distance were already confused by what Yun Jian and the other two had said.

What made the blood doll organization chase after the person behind her?

Could it be that the blood doll organization was an assassin organization that had been chasing after Yun Jian?

Yun Jian was not a big leader, nor was she a famous figure in the world. Why would they want to kill her?

However, no matter how many questions the crowd had, they did not dare to ask.

What a joke! Yun Jian’s gun was not something that could be used without a reason!

When the crowd heard Yun Jian and the other two’s words, they were slightly confused.

However, when Ruo Yin and the usually calm di Lin heard Yun Jian’s words, their expressions sank.

Yun Jian was indeed worthy of being called SS. She actually knew that blood doll was madly chasing after her. Recently, Blood Doll had blocked the ancient killer mercenary group’s mission many times. It was not because blood doll leader was stupid enough to do so!

But...

There was someone behind blood doll!

Di Lin’s skin was pale. He was wearing a black hoodie, and his handsome face was covered by the black hoodie.

Hearing Yun Jian’s words, Di Lin’s face darkened. However, because of his pale skin, the change in his expression could not be seen.

However, as long as one was careful, they would be able to see that because of Yun Jian’s words just now, Di Lin was truly shocked.

“As long as she is intact, these are no secrets,”Di Lin said.

After saying that, he turned around and waved at ruoyin, then left to the dark corner of the Snack Street.

What he meant was, as long as Leng Mei was fine, everything would be fine?

Yun Jian narrowed his eyes. Just as Di Lin and ruoyin were about to disappear in front of him, she added to their backs,

“Leng Mei is indeed in Longmen City. If you are smart, don’t take the risk to rescue her. Otherwise, her head will fall to the ground at any time.”

Yun Jian’s words could be considered a threat, but it was also the truth.

Yun Jian was a man of her word.

She had never failed at anything she set her eyes on.

The same was true for the blood doll.

In the darkness, Di Lin and ruoyin who heard Yun Jian’s words paused in their steps. Then, their figures flashed and they disappeared from their original spot.

“Yun Jian ‘er, who were those two just now? Why did they want to kill you?” Chu Ning and the others had been standing behind Yun Jian since the beginning. But at this moment, Chu Ning looked at Yun Jian and asked with her eyes blinking slightly.

Hearing Chu Ning’s question, Yun Jian’s beautiful eyes blinked slightly and her red arc rose. Just when everyone thought Yun Jian would say something to defend herself, Yun Jian let go and smiled at Chu Ning:

“Take a guess.”

After that, Yun Jian bypassed Chu Ning and the rest and walked back to the table where they were eating the kebabs and sat down on the bench.

Everyone around stood aside. Because of what happened just now, no one dared to sit in front of the table recklessly.

They were afraid that bullets would shoot out from the dark again like just now.

But they only saw Yun Jian sitting in front of the table as if nothing had happened. She picked up a kebabs on the table and took a few bites of her lower abdomen. She even complained softly, “It smells good.”

Looking at Yun Zhi’s behavior and recalling Yun Zhi’s fierce skills, the people around couldn’t help but swallow their saliva.

If it weren’t for the mess around them, everyone would have thought that the scene just now was just a farce.

Yun Zhi was eating the skewer as if nothing had happened. Was it really that arrogant Yun Zhi?
