

Schoolgirl 1921

Chapter 1921: took in another disciple and entered the netherworld

Jin Xiuzhen opened her mouth and kept spitting out water. Her words were like the crowing of a chicken, afraid that outsiders would not know how powerful her Jin family was.

Jin Xiuzhen kept saying "Lowly continent". Not to mention Jin Xiuzhen herself, even Linong, who came out with Jin Xiuzhen and the others, could not stand it anymore.

"Jin Xiu Zhen, you've gone too far! My father once said that everyone is equal and there is no distinction between high and low. You keep saying 'Lowly continent', how noble can you be!"

God Li Nong berated Jin Xiu Zhen.

Li Nong had a delicate appearance. When he spoke, there was a domineering air between his brows.

Yun Jian blinked and looked at Li Nong a few more times.

It could be seen that this delicate-looking youth wasn't in cahoots with Jin Xiu Zhen and the others.

Yun Jian knew how much the gods of the God continent looked down on the people of the countless continents.

And this delicate-looking youth was able to stand up for him, which was far beyond Yun Jian's expectations.

Because as a god, speaking up for him, this youth only had one ending...

He was being ostracized by the gods!

"Li Nong, who are you helping? Don't you have any self-awareness as a god!"

After the youth called Li Nong spoke up for Yun Jian, the group of people who had originally stood together with Li Nong immediately looked at Li Nong with hatred, cursing him along with Li Nong and Yun Jian.

"Good, Li Nong, don't forget that your family isn't even ranked among the top ten heaven-defying families of the God continent! Believe it or not, once my Jin family makes a move, your family will be finished!"

Jin Xiu Zhen glared at Li Nong with her round eyes and threatened him.

Li Nong was actually a very kind-hearted youth. The biggest difference between him and Jin Xiu Zhen's group was that he probably didn't have a prominent family background.

Li Nong was able to walk together with them because of his outstanding talent and spiritual power that was far stronger than his peers.

Otherwise, with their different status and status, how could Jin Xiuzhen and the others be willing to play with Li Nong.

And it was precisely because Li Nong's spiritual power was stronger than everyone present that Jin Xiuzhen and the others had always looked at Li Nong coldly.

Now that they saw Li Nong actually helping Yun Jian, who came from a lowly continent, they were even more annoyed.

"I only help reason!" Hearing Jin Xiuzhen's threat, Li Nong clenched his fists and chose to stand on Yun Jian's side without hesitation.

"You! You're asking for a beating!" Xuan Zhen heard Li Nong's words and strode forward, wanting to attack Li Nong.

Xuan Zhen was weak, but he was sure that Li Nong wouldn't dare to attack him.

However, just as Xuan Zhen's fist was about to land on Li Nong's head, Yun Jian's figure flashed and quickly appeared in front of Li Nong under everyone's eyes. He kicked Xuan Zhen away.

Seeing this, Jin Zhenxiu and the others, who thought that Yun Jian was very weak, widened their eyes and were stunned.

"You dare to touch my disciple? Are You Courting Death?" Yun Jian's eyes moved slightly and he suddenly said.

Xuan Zhen, Jin Zhenxiu, who was still standing on the spot, and everyone present were stunned after hearing Yun Jian's words.

"What? Disciple?"

Everyone present, including Huang Yan, were slightly stunned. They did not react for a long time.

"Ah?" Li Nong was stunned. He looked at Yun Jian and was also stunned.

"I have taken a liking to you. I want to take you as my disciple." Yun Jian narrowed his eyes and said in front of the group of stunned people.

After a pause, Yun Jian added, "I do not accept any rebuttal."

After hearing Yun Jian's words, Li Nong was indeed stunned for a moment.

Unlike Jin Zhenxiu and the others, although Li Nong had extraordinary talent and was stronger than his peers, he didn't have a master to guide him.

The reason was because Li Nong's family's status was too low, and no one was willing to take him in.

Otherwise, God Li Nong's strength wouldn't have stopped there.

Yun Jian had also taken a liking to this point, which was why he had spoken.

Li Nong was only stunned for a moment before he immediately reacted. Feeling overwhelmed by the favor, he nodded to Yun Jian and called out, "Master!"

"PFFT!" After Li Nong called out, Jin Zhenxiu and the others laughed until they held their bellies.

After the laughter stopped, Jin Zhenxiu and the others looked at Li Nong and mocked,

“Do you really take this person from the lowly continent as your master? Li Nong, Ah, Li Nong, you’re really disappointing! No wonder no one was willing to take you in as a disciple before!”

Jin Zhenxiu stared at Li Nong and continued to sneer, “Do you think that we won’t do anything to you just because you walked together with us before? ! You actually dare to go against us. Your family is finished because of you!”

Li Nong clenched his fist. His strength wasn’t bad, but he wasn’t strong enough to deal with the Jin family alone.

At this moment, the cloud letter standing in front of Li Nong curled up and spoke in front of the gods. Her tone was full of protectiveness. Her words were directed at Jin Zhenxiu:

“I am a very protective person. If you dare to threaten to destroy my disciple’s family in front of me, then I will return this sentence to you.

“Tell that old guy, Kim Zhengwen, to wash his neck and wait for me. The Kim family, because of you, will enter the Netherworld Again!”

Chapter 1922: the appearance of the demonic territory, the strongest demonic beast

The words ‘enter the Netherworld again’ came out of the cloud note’s mouth and branded into everyone’s ears. For a moment, they were in a daze.

Again?

Could it be that the Jin family was really as the cloud note said, and had almost been exterminated?

Perhaps it was because the cloud note’s words were too domineering, or perhaps it was because the aura of the cloud note was too powerful, the gods present could not react for a long time.

Jin Zhenxiu and her group had clearly not been born a thousand years ago, so they did not know that the sorcerer God of thousands of continents had nearly wiped out the ten great families of the God continent by himself.

Many powerful gods on the god continent had endless lifespans. It was clear that Jin Zhenxiu and her group were still young.

Back then, they had seen how the sorcerer God had nearly wiped out the ten great families of the God continent, and in the end, the main God had stepped forward to protect the ten great families, in addition, there were quite a few people who had witnessed the patriarch of the ten great families kowtowing and apologizing in front of the sorcerer God, as well as slapping himself.

It was just that this incident back then had been publicly acknowledged as a humiliation by the gods of the God continent.

Gods had always been proud, and their dignity would not allow anyone to provoke them.

Therefore, no one would mention this incident back then, much less mention it to their descendants.

This was why the new generation, such as Jin Zhenxiu and the others, did not know about the sorcerer God.

Of course, the gods who had personally witnessed the sorcerer God's achievements thousands of years ago were still alive.

It was just that the sorcerer God had disappeared for so many years, and they also chose to pretend that the sorcerer God had never appeared.

Looking at Jin Zhenxiu, Xuan Zhen, and even Li Nong, none of them had ever heard of the Jin family almost being exterminated.

Although Linong didn't understand, he still chose to believe in the master that he felt was right to acknowledge her as his master at first sight.

As for Jin Zhenxiu, Xuan Zhen, and the others, after hearing Yun Jian's words, they laughed until their legs went soft.

"Hahaha! Go to the Netherworld again? You... You're too deep in character! I almost thought that something had happened to our Jin family in the past. I'm going to laugh myself to death!"

Jin Zhenxiu suddenly burst into laughter.

As she laughed, Jin Zhenxiu suddenly stopped laughing. She pursed her lips and looked at Yun Jian as if she was looking at a barking dog:

"Lowly humans from the lowly continent are really different. They even have delusions. It's time to go and get treated!"

As she said this, Jin Zhenxiu waved her hand at the people who were with her with a look of disdain. "Alright, let's not talk to these lowly people anymore. Let's go."

Hearing Jin Zhenxiu's words, Yun Jian narrowed his eyes and curled his cold lips. Just as she was about to speak.

The voice of someone who had rushed over from afar reached everyone's ears:

"Not good, not good! A magical beast has appeared in the demon area forest to the west. It is the strongest magical beast that has ever appeared in history. Which of your families went to the demon area forest to hunt magical beasts today? I heard that they were all seriously injured!"

"I just heard that several of the heads of the ten great families were seriously injured and could not tame this magical beast. Someone has already gone to the Divine Hall to ask for help. You should quickly go and check on the injuries of your family heads!"

As soon as this person spoke, everyone present turned from their initial calmness to fear at this moment.

"What? My father is bringing his disciples to the demon area forest to hunt magical beasts today!" Jin Zhenxiu's face turned green when she heard this. She took the lead and ran towards the demon area forest.

Many of the people present had gone to the demon area forest, so they all ran over as well.

“My Brother also went to the demon area forest today. Master, don’t go there. It’s dangerous there.”As he spoke, Li Nong wanted to follow him there.

“We’ll go too.”Hearing this, Yun Jian followed desolate Yan.

Yun Jian was very gratified that his new disciple was thinking of him like this.

But her disciple was in trouble. She wanted to escape? This wasn’t her style.

Chapter 1923: Fighting Against Magical Beasts

Magical Beasts existed in all continents, as well as the god continent.

If one wanted to ask what a magical beast was, using the most appropriate language to describe it, it was Earth’s wild beast.

However, although magical beasts and Earth’s wild beasts, such as Tigers and lions, had similar appearances, there were differences. Magical Beasts were stronger and more valiant than wild beasts.

Moreover, the most fundamental difference was that the magical beasts on the continent also had spiritual energy and could cultivate.

Just like the immortal cultivators on the continent, magical beasts could also cultivate and could also advance.

In fact, all living things were born to cherish each other. For example, although the people on Earth could not use spiritual energy, there were no magical beasts on earth that could use spiritual energy.

Another example was that the gods on the God continent would use powerful spiritual power, and the magical beasts on the God continent were not those beasts on earth that were weak to the gods.

To use the most descriptive analogy, when people on Earth encountered beasts, they were afraid. Then, when the gods on the God continent encountered magical beasts, they were afraid.

A powerful magical beast could kill a group of powerful gods.

Of course, magical beasts were the same as the beasts on Earth. There were strong and weak species.

As for the specifics, there was no need to introduce them one by one.

At that time, Yun Jian and Huang Yan followed Li Nong and quickly arrived at the demon area forest in the west.

The demon area forest was a large forest in the west of the God continent. In the demon area forest, there were many powerful magical beasts living and moving around.

Usually, in order to train the strength of their descendants, the head of the aristocratic family would personally lead everyone to hunt magical beasts in the magical forest.

However, in a place like the magical forest, there might be a powerful magical beast. If they encountered it, the descendants who went to hunt magical beasts might be completely wiped out.

Therefore, in order to prevent such a situation from happening, the head of the family would personally lead their descendants to go there.

But today, they didn't expect that a huge magical beast that was three stories tall would suddenly appear in the magical forest.

Moreover, the level of the magical beast was so high that even if all the family heads joined hands, they wouldn't be a match for it.

This was the most powerful magical beast that had ever appeared in the history of the divine continent!

Yun Jian and Huang Yan followed Li Nong to this place. What they saw was this scene..

A big baboon that was three stories tall and taller than the big trees in the demon area forest was fighting with a few injured family heads.

Yun Jian glanced over and saw a few familiar figures.

Yun Jian narrowed his eyes and crossed his arms.

They were really old acquaintances. They hadn't seen each other for thousands of years. Thousands of years ago, these people had knelt in front of him and begged for mercy while kowtowing and apologizing.

It had been a long time since they had seen the heads of the ten great families. It had been more than a thousand years.

But they were still the same.

Weak.

So weak that it couldn't stand the wind.

If Yun Jian's words were heard by others, she would probably open her mouth wide and point out that she was self-righteous.

The heads of the ten great families were all very powerful. Their strength was only second to the five great elders of the God continent. How could they say that to her.

Extremely weak?

"Brother! ! !"

Li Nong suddenly saw the baboon turn its head and lift its foot. The baboon revealed a savage smile and was about to step on a heavily injured handsome man lying on the ground.

With this step, the handsome man would definitely become minced meat!

When Li Nong saw this, he didn't hesitate to charge forward.

However, just as he was about to charge forward, he was pushed away by a force.

When they saw the baboon step on the handsome man, Jin Zhenxiu, Xuan Zhen, and the others felt their hearts tighten even though it had nothing to do with them.

The other clan leaders also saw this scene, and their expressions changed.

However, just as everyone thought that the handsome man would be trampled into minced meat in the next second, a small and perfect figure blocked in front of the handsome man.

Was she crazy? !

Seeing Yun Jian's action, everyone present turned pale with fright.

However, what happened next made everyone's lips and teeth turn white. Their eyes widened in horror

—

Chapter 1924: the strongest magical beast, knelt down before her

This big baboon was three stories tall, and its arms and legs were as strong as iron walls. Just looking at it made one feel fearful.

This big baboon was so powerful that no one could save the handsome man lying not far away from the big baboon!

Now that all the family heads were heavily injured, they did not have the mood to split up to save him.

Furthermore, the handsome man who was lying on the ground had clearly just fought with the big baboon and was heavily injured from the kick. At this moment, he probably did not even have the strength to stand up.

The Big Baboon's foot, which was as strong as an iron wall, could stomp the handsome man into minced meat! This was not an exaggeration.

"Master! !!"

Seeing the cloud paper rushing over in his place, Li Nong's first reaction was not that he felt that the cloud paper was powerful and should bear all this for him, nor was it that he felt grateful.

It was that he was furious! He was furious that he was pushed away by the cloud paper, and that the cloud paper was willing to risk its life for him!

Regardless of whether the cloud paper was powerful or not, Li Nong felt that he should not have allowed the cloud paper to risk its life for him!

"Stomp her to death! Big Baboon, stomp her to death! Stomp them both to death!"

Seeing Li Nong's reaction, Jin Zhenxiu suddenly shouted at the big baboon over there when she thought of Li Nong, the traitor who had helped the cloud paper but did not help her.

The magical beasts of the continent were all spiritual, so they could understand human speech.

There were even some species of magical beasts that were so powerful that they could speak human speech and transform into humans.

The big baboon could understand Jin Zhenxiu's words. It suddenly moved its feet and went in the opposite direction, launching a fierce attack on the other family heads.

The big baboon's brain was very developed. After it attacked the family heads, it suddenly went to attack Jin Zhenxiu and the others.

"Ahhh! Didn't I tell you to kill them! Ahhh!" Seeing this, Jin Zhenxiu and the others were so scared that they ran away.

"Beast! How Dare You Hurt My Daughter? Go To Hell!"

While Jin Zhenxiu and the others were in danger, a middle-aged man who looked like he was in his forties with short hair and not very delicate facial features., one could tell that the middle-aged man, who did not look good when he was young, used his fastest speed to block the baboon's attack on Jin Zhenxiu.

This middle-aged man was Jin Zhenxiu's father. He was also the head of the Jin family, who was ranked third among the top ten families in the Imperial Dragon Continent.

Jin Zhengwen barely managed to block the baboon's kick. He was already sweating profusely and his entire body was trembling non-stop.

"Ha! Zhengwen, let us help you!" The few family heads who had fought against the baboon together with Jin Zhengwen rushed over to help.

The group of juniors standing in the distance, Jin Zhenxiu, Xuan Zhen, and the others couldn't help but ridicule when they saw this.

"Oh my God, this is the first time we've seen the strength of the family heads. It's too shocking, too powerful!"

"The family heads of our God continent's top ten heaven-defying families live up to their names!"

"Family heads, you can do it! You can do it!"

"You can do it! Family Heads, we believe in You!"

...

For a moment, everyone was shocked at first, but then they started shouting.

However, just as everyone was shouting, the big baboon suddenly turned around and stomped on Yun Zhi, the handsome man, and Li Nong, who had just run over to help the handsome man up and was about to let Yun Zhi escape with him.

The family heads didn't have time to react. They just watched as the big baboon stomped on Yun Zhi, the handsome man, and Li Nong Like an iron wall.

Yun Zhi, on the other hand, did not move.

However, just as the baboon was about to land on the ground and everyone thought that Yun Zhi was scared silly, Yun Zhi suddenly raised her eyes. She looked at the baboon coldly in front of everyone and suddenly said,

“Beast, recognize who is standing in front of you!”

Seeing Yun Zhi like this, everyone who was standing in the distance thought to themselves, is this young lady stupid? Would the magical beasts listen to her speaking to the magical beasts like this? These words would only incite the fury of the magical beasts!

Just when everyone thought that Yun Jian and the other two were finished, the big baboon suddenly seemed to have seen a figure from a memory that terrified him. Its huge body suddenly knelt down towards Yun Jian, trembling.

When everyone suddenly saw this scene, their pupils suddenly constricted, and they were stunned on the spot.

Chapter 1925: was so impressive that no one could remember her

The most powerful magical beast in history had actually knelt down to a person who wasn't a God and came from a lowly continent!

Everyone present was dumbfounded.

“How... How is this possible! Why did that magical beast... kneel down to her? This is impossible! How is this possible! Oh My God! What on Earth happened!”

When someone saw this, they began to scream in fear.

What was going on!

No matter what the situation was with the magical beasts of other continents, the gods of the God continent were very arrogant. In contrast, the magical beasts of the God continent were also very arrogant existences.

In fact, many times, the magical beasts of the God continent were even more arrogant than the gods!

Those magical beasts were existences that were unwilling to lower their heads even before they were killed!

And today, because of that shout from Yun Zhi Chong's magical beast, this great baboon, who had forced the heads of the ten great families to retreat to that realm, was the strongest magical beast in history!

It actually knelt down to her!

Moreover, after seeing the great baboon kneel down to Yun Zhi, it even shrunk its huge body. When it saw Yun Zhi again, it was obvious that it had seen something that frightened the great baboon.

Otherwise, with the baboon's pride and arrogance, it would never kneel before the cloud tablet!

At this moment, Jin Zhenxiu, who saw the scene in front of her, opened her mouth wide. The expression on her face was extremely wide, and she could not believe it.

The other people who were with Jin Zhenxiu were not any better.

Especially Xuan Zhen, the expression on her face was the most complicated and changeable.

As for those who were with Jin Zhenxiu, the expressions on their faces were beyond words.

Apart from Jin Zhenxiu, the injured family heads and the disciples present all had terrified expressions on their faces at this moment.

The scene was so quiet that even the sound of breathing could be heard. No one could maintain their usual expression at this moment.

However, at this critical moment, Jin Zhengwen, the head of the Jin family, brought himself and a group of other family heads and stood in front of the Yun Zhi.

“Who are you?” Jin Zhengwen looked at the Yun Zhi and asked with a frown.

“The aura that she gives off... she is not a god from our God continent! She should be from the lowly continent!” Someone felt the aura that the Yun Zhi gave off and pointed at the Yun Zhi to invite the family heads to reward her.

Thousands of continents, in the words of the gods from the God continent, were the lowly continent.

“People from the lowly continent?” Upon hearing this, the patriarchs frowned.

“How can people from the lowly continent make the most powerful magical beast in our God continent so afraid of her!” The patriarchs had not realized Yun Jian’s identity yet. Instead, they became more and more puzzled.

Even in the God continent, only one Lord Divine Lord could make the magical beast so afraid.

Only one person in the noble God continent could do that. How could the people from the despicable continent make a powerful magical beast afraid?

“Old Geezers, long time no see. I think you have forgotten me.” Just when the family heads were puzzled, Yun Jian suddenly squinted at them and said softly.

“You Know Us?” Before the clan leaders could react, they asked Yun Zhi in a daze.

“Of course we know each other. Strictly speaking, we’re ‘old friends’.” Yun Zhi curled her lips.

After saying this in front of everyone who had no idea what was going on, Yun Zhi’s curved lips that were slightly raised a moment ago were immediately retracted. She looked at the clan leaders with her cold face.

In the next second, the words that came out of Yun Zhi’s mouth scared the family heads so much that their faces turned pale. In front of everyone, their bodies began to tremble violently:

“It has only been a few thousand years since we last met, yet you have all forgotten about me. Or did you say that the lesson I gave you a thousand years ago was too light? So...

“I, the sorcerer God, let you all forget about me just like that?”

Chapter 1926: on her existence on the continent

At first, the family heads were still wondering about the identity of the cloud note.

Everyone present, including the family heads, did not understand why this magical beast baboon would kneel down to the cloud note from the lowly continent!

After all, this magical beast baboon could not even deal with the combined forces of the family heads of the ten great families of the God continent!

Magical Beasts were born with arrogance, especially powerful magical beasts. The arrogance that they were born with was something that no one could erase.

But this young girl from the lowly continent was actually able to make such a powerful baboon kneel before her!

This was already something that the heads of the families found unbelievable.

But right at this moment, Yun Zhi said those words just now.

‘I, sorcerer God’?

Sorcerer God?

All the family heads were slightly stunned. The figure in their memories that made them tremble in fear when they heard it actually overlapped with the young girl who stood in front of everyone and spoke arrogantly.

“You... You? You! You Are! ! !”

A family head of one of the top ten heaven-defying families suddenly pointed his finger at Yun Zhi and glared at him with his round and bulging eyes. He looked at Yun Zhi in astonishment and his entire body trembled violently.

Jin Zhengwen, the head of the Jin family, as well as the other family heads around him, all had the same expression as this family head. They looked at the cloud paper as if they had seen a ferocious beast in the river. They recalled the savage figure in their memories, all of them were so scared that their faces turned ashen.

She was...

She was! ! !

The Witch of the Imperial Dragon Continent... God!

The young girl who had once single-handedly forced the ten great families of the God continent to the point where their entire family was nearly exterminated!

All the family heads present could never forget the scene of them kneeling in front of the sorcerer God from the Imperial Dragon Continent, slapping themselves and kowtowing as they begged for mercy.

At the thought of that scene, all the family heads were scared out of their wits.

She, she, she, she, why was the sorcerer God Here!

All the family heads were so scared that their faces were pale and their bodies were trembling. This appearance was not inferior to that of the demonic beast baboon kneeling in front of the cloud tablet.

First, there was the demonic beast baboon that was kneeling in front of the cloud tablet, shivering. Then, after the clan leaders heard the words of the cloud tablet, they were so scared that their faces were pale, their lips and teeth were trembling, and their bodies were trembling non-stop.

Xuan Zhen, Jin Zhenxiu, and the others who were standing in the distance were stunned. They were completely stunned on the spot.

The surrounding disciples were also stunned.

Even Li Nong and Huang Yan gasped.

This was the first time Xuan Zhen, Jin Zhenxiu, Li Nong, and the others had heard of the sorcerer God, and they had never heard of the sorcerer God.

They were stunned, but the gigantic magical beast and the clan leaders were actually scared after hearing Yun Jian's Words?

This... what was going on?

"Father, you are the third clan leader of the supreme ten heaven-defying clans in the divine continent. Why are you acting like you are afraid of this woman from the lowly continent?"

"She just talks too much and pretends to be powerful. She thinks she's so great! HMPH, what about 'I, sorcerer God'? I don't care what sorcerer God you are. Don't think you're a God just because you added the word 'God' in your own words!"

"She's just a lowly slave from the lowly continent..."

Jin Zhenxiu was undoubtedly the most arrogant existence among the gods. She would not allow anyone to be more dazzling than her.

In addition, other than the family heads, most of the people present did not know about the earth-shattering things that the sorcerer God had done in the God continent.

Therefore, Jin Zhenxiu's words were blurted out in front of everyone.

However, before Jin Zhenxiu could finish her words, Jin Zhengwen was so scared that he suddenly shouted at Jin Zhenxiu,

"Zhenxiu, what are you saying! Shut Up!"

Jin Zhengwen was so scared that he turned his head and glanced at Yun Jian, afraid that Yun Jian would be angered by his stupid daughter's words.

When Jin Zhenxiu heard this, she became even more furious. She was about to continue speaking when she saw a family head standing beside Jin Zhengwen, afraid that Jin Zhenxiu would say something that could not be undone.

This family head recalled something that once terrified them, but they had no choice but to say it. In front of Jin Zhenxiu and everyone else, he explained in fear:

“What came from the lowly continent? Do you know what kind of existence she, the sorcerer God, is? A thousand years ago, all the members of our God continent’s ten great heaven-defying families joined hands, but they were still not a match for her alone!

“In the end, the ten great heaven-defying families were almost wiped out. If it wasn’t for the Lord God’s plea for us, our ten great heaven-defying families would have already been...”wiped out by the sorcerer God!

Chapter 1927: exterminates all of you. One person is enough

When the family head who stood out to explain spoke, his eyes widened and his body trembled slightly, as if he was recalling something that made him so afraid that it was difficult to describe.

To the family heads of the ten great families, what happened back then was a humiliation and a nightmare.

Humiliation. The ten great families worked together to deal with the sorcerer God alone, but they all ended up in a sorry state.

Nightmare. Ever since then, for the ten great families, whenever they heard the word “Sorcerer God”, they would be scared out of their wits.

That was why the god who knew about this matter had never mentioned it to his descendants. It was because of the humiliation and because he did not dare to.

After this family head finished speaking, Jin Zhenxiu, Xuan Zhen, and the others suddenly remembered what Yun Jian had said earlier.

She had said that she had spared that guy, Jin Zhengwen, back then. She had not expected that his descendants would be so arrogant and despotic. Could it be that the Jin family had been itching for revenge and had forgotten about the calamity that had befallen them.

At that time, after hearing Yun Jian’s words, Jin zhenxiu, Xuan Zhen, and the others thought that Yun Jian had been foolish.

They had never heard that the Jin family, which was one of the top ten most heaven-defying families, had been exterminated!

Just a moment ago, the family head had also confirmed Yun Jian’s earlier statement.

Let alone whether the Jin family had been exterminated.

The sorcerer God, Yun Jian, had almost exterminated the ten great families!

Jin zhenxiu, Xuan Zhen, and the others who knew the truth were so frightened that their faces turned pale.

How... how could this be true!

This truth was too shocking. Therefore, not only Jin zhenxiu, Xuan Zhen, and the others, but also Li Nong, who was standing beside Yun Jian, and all the surrounding disciples were so frightened that their mouths were wide open.

“She’s just a person from the lowly continent...”Jin Zhenxiu stared with her eyes wide open in disbelief and muttered these words to herself.

It had to be said that Jin Zhenxiu was really stupid.

“Unfilial daughter! Shut Up!”Standing not far away from Jin Zhenxiu, Jin Zhengwen saw that Jin Zhenxiu still dared to speak like that. He took a step forward and slapped Jin Zhenxiu in the face.

Then, Jin Zhengwen turned his head sideways. He looked at Yun Zhi and hurriedly bowed and apologized, “Witch God, Please Be Magnanimous. Don’t be calculative with your unfilial daughter!”

“I’m not big.”Yun Zhi, who was standing in front of Jin Zhengwen, suddenly curved her beautiful lips after hearing what Jin Zhengwen said.

After a pause, she said again, “So I’m not as magnanimous as you say.”

Yun Zhi’s expression suddenly darkened when she said this. She stopped smiling and turned half of her body to face Jin Zhengwen. Her cold words reached everyone’s ears once again:

“She has already challenged my dignity more than once. According to my witch God’s tradition, she will naturally... release your daughter and remove her name along with your Jin family on the God Continent!”

It had to be said that Yun Jian was very arrogant.

When they heard the words that came out of her mouth, everyone around sucked in a breath.

However, at this moment, no one dared to fart, let alone speak.

However, at this moment, on the other side of the demonic territory forest, a tall man with exquisite facial features walked over. He was so handsome that both God and man were furious.

“Lord, Lord Divine Lord! It’s Lord Divine Lord! Lord Divine Lord!”Someone noticed the man and cried out in excitement.

Yun Jian had been leading the scene just now. Because everyone present was not as strong as her, they did not dare to say a word.

However, when they saw Lord Divine Lord walking over, not only did the surrounding people see Hope, even the Jin family head seemed to see it.

“Lord, Lord Divine Lord! I beg Lord Divine Lord to make justice for our Jin family! This woman named sorcerer God said that she wants to destroy our Jin family!”!

“Our Jin family has been loyal to the Divine Hall for over a thousand years. We have no second thoughts. You have to make justice for our Jin family!”

Jin Zhengwen rolled his eyes and ran to Si Yi, who was walking over. He knelt down and begged for help, turning on the spot.

All the family heads present looked at the Divine Lord, who rarely appeared in the past, as though they had seen their savior. They sobbed at Si Yi and complained about the behavior of the cloud tablet.

Everyone thought that since the Divine Lord had appeared, what witch God? Go back to her myriad continents!

However, to everyone’s surprise, Si Yi shot a glance at Jin Zhengwen, who was kneeling in front of him. He simply kicked Jin Zhengwen away.

He walked to the front of the cloud tablet and hugged her beautiful shoulder in front of everyone. He spoke to the people who were crying and complaining about the actions of the cloud tablet with an expressionless face:

“There’s no need for her to make a move. I alone will be enough to destroy all of you.”

Chapter 1928: abrogation of the Divine Spark

Lord Divine Lord’s words... what did he mean?

When everyone saw this scene, their first reaction was shock. Then, they opened their mouths wide and their pupils constricted. They suddenly realized the meaning behind Si Yi’s words. They were scared to death.

The divine lord of the God continent was also the ruler of the God continent. and the strength of a divine lord was known to everyone. He was invincible!

Unfortunately, as the ruler of the God continent, a divine lord rarely appeared in front of everyone’s eyes.

Even if a baboon, the most powerful magical beast in recorded history, appeared in the demon area forest today, and someone went to the temple to ask for help, no one expected the divine lord to appear.

At most, the five elders and the main God would come.

The arrival of the baboon had already made everyone present feel incredulous.

However, what was even more unexpected was that he actually walked over and hugged Yun Jian’s shoulder, saying such words in public.

What did this mean? It meant that the divine lord and sorcerer God...

The two of them!

Jin Zhengwen was so frightened by this sudden turn of events that his face turned pale. His eyes rolled back, and he almost died on the spot.

Have you experienced despair?

Jin Zhengwen was experiencing it at that moment.

Even a fool could tell that Yun Jian and Si Yi had a leg!

The relationship between the Divine Lord and the sorcerer God!

Moreover, from the Divine Lord's words just now, it could be clearly felt who si yi was helping.

Therefore, everyone present was dumbfounded with fear.

Who could tell them what was going on?

"Aiyo, my son, why are you running so fast! Your daughter-in-law can't Run! How can you not wait for your old father!"

At this moment, a figure as fast as lightning flashed in front of everyone's eyes.

In the next second, the Lord God Old Man appeared in front of everyone.

"Son, daughter-in-law?" Hearing the words of the Lord God old man who suddenly appeared, Jin Zhengwen didn't even know how to describe his shock at this moment. He seemed to have seen the end of his Jin family, and at this moment, he opened his mouth in a daze.

Clearly, the old man of the main God knew Jin Zhengwen.

After hearing Jin Zhengwen's words, the old man of the main god replied to him, "Yes, Haha! I have a daughter-in-law! And my daughter-in-law is my little disciple! How is it? Isn't she amazing?"

If it was said that everyone was stunned at the beginning, then the sorcerer God was actually the daughter-in-law of the old man of the main god, which was also Lord Divine Lord's daughter-in-law.

But now, everyone's shock could not be described with words.

"She's still your... your disciple? Don't you only have one disciple? !" Jin Zhengwen had never been so shocked in his life. At this moment, he was so shocked that he could not describe his shock with words.

"Go, go, go. Who said I only have one disciple? Didn't I just take in a little disciple? Come, come, Little Darling sorcerer God, come quickly."

The old man of the main god was quite displeased with Jin Zhengwen's words. He pushed away Jin Zhengwen, who was blocking in front of him, and walked over to the cloud letter with a smile.

Seeing that the old man of the main god wanted to snatch the person away from him, Si Yi's brows tightened. He hugged the cloud letter a few times tighter, and his sharp gaze glanced sideways at the old man of the main god.

Being glanced sideways by Si Yi, the old man of the main god shrank his body and didn't dare to walk over.

Yes, yes, yes. His daughter-in-law was his son's. He could not be a third wheel!

This was not cowardice! Cut to the chase!

And when Jin Zhengwen, who was standing not far from the cloud note, heard the old man of the main God's words, he sat on the ground as if he was paralyzed. He gave up struggling.

If he had offended the sorcerer God and the Divine Lord was willing to help him, there was still hope.

But now, the sorcerer God had not only become the woman of the Divine Lord, he had also become the disciple of the main god.

Back then, it was the Master God who had pleaded on behalf of the family heads that prevented the sorcerer God from exterminating the ten great families.

But today, it was the Jin family that had once again offended the sorcerer God.

In addition, the Master God was the most protective.

The Jin family was finished!

As expected, just as he was thinking this, a certain person who was the most protective hugged Yun Jian's beautiful shoulder and shot a cold glance at Jin Zhengwen before saying in public,

"From today onwards, the Jin family will be exterminated from the Ten Great Families!"

With that said, Si Yi half-hugged Yun Zhi and glanced at the surroundings. His mellow and pleasant voice spread throughout the entire place:

"Everyone present, listen up. On the God continent, my woman is the King! Whoever dares to provoke her is going against me, the Divine Lord.

"Those who defy me will be stripped of their divine spark and their souls will be scattered!"

Chapter 1929: raised her leg, the Divine Lord's mother

Godhood was the lifeblood of the gods of the God continent.

Any God who had abolished godhood would be a walking corpse even if they lived in this world.

Si Yi's words caused the gods present to turn pale with fear.

Abolishing godhood was even more unacceptable than directly killing them.

The Divine Lord had actually gone to such an extent in order to protect the sorcerer Goddess!

Everyone present was terrified.

"Add me in! If any of you dare to bully my sorcerer God's Little Cutie, this old man will whip your tendons and skin you alive!" The old man of the main God said after he finished his sentence.

When the old man of the main God said this, the people around him trembled even more.

In the God continent, strength was the symbol of status.

Lord Divine Lord's words were the imperial edict.

Because Lord Divine Lord was the most powerful existence in the God continent.

Therefore, after knowing the relationship between Lord Sorcerer God and Lord Divine Lord, how could the gods present dare to deal with Yun Jian?

And Jin Zhenxiu was completely dumbfounded. She sat on the ground in a daze and did not stand up. She just kept shaking her head, shaking her head, shaking her head again and again.

Impossible... how could it be?

She... ? ... how could she be Lord Divine Lord's wife? Lord Divine Lord's disciple?

After saying those words, ran siyi wrapped his arm around Yun Jian's waist and tore open space on the spot. He brought Yun Jian directly into space and returned to the Divine Hall in an instant.

The next things to be dealt with, such as cleaning up the Jin family and this huge demonic beast, the baboon. Because the four divine Lord Guardians were not around, the person who dealt with it naturally fell onto Lord Divine Lord's head.

...

Yun Zhi, who was half-carried by Si Yi back to the divine hall, had just returned to her room when Si Yi hugged her and pressed her against a table, kissing her for quite a while.

Si Yi's strength was so strong that he could tear open space on the spot and bring her to another place within a few seconds.

Therefore, Yun Zhi was not surprised by Si Yi's action.

But now, Si Yi's action had frightened Yun Zhi.

He pressed Yun Zhi onto the table and kissed her, wanting to lift her legs.

"Don't..." just as Yun Zhi thought Si Yi was going to do something to her, Si Yi let go of her.

Licking his lips, Si Yi enjoyed the taste of her beauty. He placed his hands in her hair and looked into her eyes. He said,

"Xiao Jian, pack up and come out with me."

Yun Jian, who thought Si Yi was going to do something to her, said "Don't" but still had some expectations in his heart. His face instantly turned red. She had misunderstood.

She did not dare to look at him. "Where are we going?"

"To my mother." Si Yi's eyes moved and his voice softened.

It was not that the divine lord of the God continent did not have a mother.

And when Si Yi spoke, Yun Jian could see the anticipation in his eyes.

Yun Jian knew that when he was on Earth, Si Yi only remembered fragments of his memories when he was a divine lord.

And at that time, he did not know that he had a mother when he was a divine lord.

As for Si Yi's father on earth, he could be considered a dispensable existence.

Yun Jian had experienced the life of living alone without his parents.

She could also see from Si Yi's eyes his desire for motherly love.

Perhaps all things were closely related. When Si Yi was a divine lord, he did not experience too much motherly love.

The old man of the main god and Si Yi's mother did not love each other. However, due to various reasons, the two gave birth to a divine lord, which was Si Yi.

After giving birth, Si Yi's mother left. However, she would occasionally go back to see Si Yi. It was obvious that she was worried about him.

Si Yi's mother was now living in her mother's house far away from the temple. She had not seen Si Yi's father, the old man of the main god, for over a thousand years.

Chapter 1930: the two of you, have you had your fun yet

Just as he thought of this, Si Yi was already holding her hand. After about five hours of traveling, they arrived at the entrance of his mother's house.

Don't ask Si Yi if he had the ability to tear open space and travel to any place in an instant. Why didn't he use this ability.

As a man who had just had sex, he naturally wanted to take the cloud note along the way to see the scenery of his God continent. Then, he would drag her along to the small forest.

Then, he would do some bad things along the way.

Yun Jian felt that ever since Si Yi had started having sex, everywhere could become his battlefield.

Yun Jian felt that sooner or later, he would die of shame under him.

...

Just as he arrived at the Bai Li family, Si Yi held Yun Jian's hand, feeling a little nervous.

The Bai Li family was Si Yi's mother's family.

After Si Yi recovered the memories of a divine lord, this was the first time he came to see his mother.

The last time they met was probably a few thousand years ago?

The Bai Li surname reminded Yun Jian of the name Bai Li Gao Ren.

Bai Li Gao Ren was not what master called him on Earth?

“Bai Li is mother’s surname. That old man went out to scam people and would use mother’s surname to call himself.” Si Yi did not need to look to know what Yun Jian was thinking, so he explained.

“Mm...” Yun Jian nodded.

This also seemed to be the style of his master.

When the sovereign was on Earth, he had done this more than once. When he was on Earth, he had even acknowledged him as his master. This was the reason why the sovereign’s fellow disciples on Earth had come to deal with Yun Jian.

Being playful was a very distinct characteristic of the sovereign.

“Zhi –” without waiting for Si Yi to knock, the door opened.

When the young man who opened the door saw Si Yi, he cried out in pleasant surprise, “Lord Divine Lord is here! Your mother is in her courtyard! She has been waiting for you for thousands of years!”

Si Yi nodded at the man, then pulled the Yun Jian and walked towards his mother’s courtyard.

Clearly, this young man was not young.

In the God continent, one must remember one thing. One must never judge a person’s age based on their appearance.

Just as the cloud tablet was pulled by Si Yi to the backyard where his mother lived, he saw a woman in her twenties sitting on a stone table in the courtyard, with a few men standing beside her.

Obviously, this woman in her twenties was Si Yi’s mother.

And the few men standing next to Si Yi’s mother were undoubtedly Si Yi’s mother’s brothers.

The moment she saw Si Yi and Yun Jian, Si Yi’s mother immediately stood up.

“You’re here?” Si Yi’s mother asked Si Yi.

Si Yi’s mother’s name was Baili Yan. Baili Yan normally wouldn’t call Si Yi’s name. It sounded unfamiliar, but her motherly love for Si Yi was naturally not little.

“Yes, Mother.” Si Yi nodded to Bai Li Yan and pulled the Yun Jian over.

Seeing that Si Yi’s mother was actually so young, Yun Jian blinked his eyes.

“This is the sweetheart that you’ve always mentioned to me a thousand years ago?” Si Yi’s mother glanced at Yun Jian with a face full of smiles.

“Yes.” Si Yi nodded.

“Divine Lord, you haven’t been here for a long time. Let’s go, let’s go, Let’s go play a thousand rounds of chess with him!” A man who had just stood beside Bai Li Yan held Si Yi’s shoulders and dragged Si Yi out with a few other men.

“You can go in peace. I was just about to talk to the little girl.” Baili Yan smiled as she glanced at Yun Jian and said to Si Yi.

When Si Yi saw this, he was also relieved to be carried away by these few people.

Yun Jian suddenly felt a little nervous.

He had just met Si Yi's mother for the first time. Si Yi was still there, so it was still better. But now that Si Yi was carried away by someone, she was alone with his mother.

Would she not like him?

"Little girl, don't be nervous. That child often tells me about you." Bai Li Yan reached out and grabbed Yun Jian. She patted her hand and said to Yun Jian with a smile.

Although Bai Li Yan looked young on the outside, she was already very mature on the inside.

Seeing this, Yun Jian nodded.

After chatting for a while, Yun Jian was no longer nervous.

Bai Li Yan was a very gentle woman. Yun Jian had a lot of experience.

After Si Yi left, Bai Li Yan kept asking Yun Jian some questions.

After they were done, Bai Li Yan suddenly looked around. Seeing that there was no one around, she suddenly moved closer to Yun Jian's ear and quietly asked Yun Jian:

"My child really likes you. When we first met, I told him about you two. How is it? It's been so long, did you two... Have Sex?"
