

Schoolgirl 301

Chapter 301: Tell Me Where's My Brother Or Die

After Yun Yi downed the gross cocktail, he felt a little dizzy. He was not used to drinking but he drank it anyway as he was participating in a group game.

As Zhuzhu went on conducting the game, Yun Yi was no longer a target of the spinner anymore.

Chen Yubing who sat on the opposite of Yun Yi kept her heated gaze on him.

"Hey, Yun Yi, you don't look so good. Why don't I send you home first?" a boy suddenly spoke up. The boy, Zhao Yishan, was Yun Yi's classmate and was also bought by Chen Yubing.

People who came from poorer families, especially school children of this era of time, were easily tempted by money. Chen Yubing was smart to take advantage of this.

"Yeah, Zhao Yishan, send him back first. It'd be bad if something actually happens to him." Zhuzhu pretended like she knew nothing as she blinked her eyes whilst also eyeing Zhao Yishan.

Receiving the signal, Zhao Yishan did not care if Yun Yi made a reply. He walked over and hauled him up to leave the place.

As tall as Yun Yi was, he was helped out of the karaoke by Zhao Yishan who was smaller than him.

Yun Yi felt parched. His vision was beginning to swim and his body felt warm. He was held up by Zhao Yishan as they went off together.

When Zhao Yishan headed out holding on to Yun Yi, he gestured to Chen Yubing, telling her that he was going to take Yun Yi to the place they had agreed upon.

"Come on! We'll continue the game!" A wide grin stretched across Zhuzhu's face when she caught a glimpse of Yun Yi being propped up and away by Zhao Yishan. It was like she could already see the reward Chen Yubing promised her after the plan succeeded.

The other students did not notice how off Yun Yi's state was. Their attention was peaking at the game, after all, as they began another round of the spinner.

Sometime later, Chen Yubing made up an excuse and left the karaoke as well.

...

Yun Jian ran back home with Si Yi to have the latter drive his Lamborghini to the karaoke. Fortunately, Yun Yi had mentioned the address to her in the morning, so Yun Jian could head there directly without checking.

It was one of the handful of karaoke places Longmen City had. During this decade, karaoke was both a place for singing and other shady illicit activities.

After verifying the room at the counter, Yun Jian made a dash to Room K18. She managed to find out that the booth Yun Yi and friends were in was the room K18.

Walking shoulder to shoulder with Si Yi, Yun Jian was the one to kick the door open since she was closer to it when they came to the room.

The loud bang caused the group who was playing the spinner game inside to jump.

“Who is it?” The teenagers saw Yun Jian and Si Yi walking through the door once they recovered from the shock of Yun Jian kicking the furniture.

“Huh? Isn’t this Yun Yi’s sister?” someone spoke up, having recognized Yun Jian.

Zhuzhu who heard her name, and who had just done something against her conscience averted her gaze. It was timely that Yun Jian caught her fleeting eyes. She scanned the room and failing to spot her brother, Yun Jian’s eyes looked down as she asked, “Where’s my brother?”

“Uh...”

“I think Zhao Yishan sent him home. Your brother didn’t look like he felt well.”

Someone answered immediately.

“Didn’t look like he felt well?” Yun Jian snorted and strode to Zhuzhu. With a raise of hand, her cool fingers clamped around the girl’s neck.

“Where’s my brother! Last chance, keep quiet and I’ll kill you!”

Chapter 302: Si Yi’s Turn: Speak Or Die

Watching Yun Jian enter suddenly and choked Zhuzhu without a cause, everyone was wide-eyed in bafflement.

Some of them who were in Yun Yi’s class had met Yun Jian before and knew that Yun Yi had a pretty younger sister as well.

In the past, they had always just thought that she was just a gentle docile girl, the type who was protected by boys, but just now, their assumption of Yun Jian was upturned.

She had just walked in and choked Zhuzhu. What was happening?

“Ah... ah...” Zhuzhu made two gurgling sounds, her throat clenched by Yun Jian. She looked at the girl who was cutting her oxygen intake in panic and felt her face freeze in fear.

This girl was Yun Yi’s baby sister!

“Yun Yi’s sister, what are you doing? Let go quickly, you’ll kill her!” someone among the teenagers shouted at the sight.

Yun Jian’s gaze was trained on Zhuzhu. The moment the latter was going to pass out, she let go abruptly.

Zhuzhu who was stripped of air coughed with tears as she inhaled oxygen while Yun Jian looked down at her coldly.

“Are you speaking or not?”

Yun Jian had no idea where Yun Yi went after leaving this place, but she caught Zhuzhu's evasive gaze clearly when Zhuzhu heard that she was Yun Yi's sister after she stepped in.

Chen Yubing had plans but it would be difficult for her to execute everything on her own. The best solution, of course, was to find help.

When Zhuzhu's gaze got caught by Yun Jian just now – even if Yun Jian had not been here, she could see if the offending party did something against their conscience through their eyes.

Zhuzhu's avoiding gaze told her enough that Zhuzhu was one of the accomplices in the plot to get Yun Yi!

It was as if Zhuzhu did not realize the danger she was in, even those around them thought what Yun Jian said was just a joke.

“Speak – speak about what?” Zhuzhu nearly passed out from the lack of air but she continued feigning like she knew nothing. She stared back at Yun Jian with innocent eyes and even tried to look at Si Yi.

What a gorgeous man!

Zhuzhu gradually shifted her gaze from Yun Jian to Si Yi.

Si Yi's charismatic features looked like they were personally molded by God as he looked divine.

Some of the girls in the room were blatantly checking him out as well, quickly forgetting about Yun Jian's earlier threat.

“Ha-ha.” Yun Jian let out a light chortle, the faint hint of amusement actually sounding eerie.

Just when Yun Jian decided to force Zhuzhu into telling the truth with the most direct method, Si Yi patted her shoulder and pulled her behind him.

Zhuzhu nearly squealed in excitement when she saw his action. She thought that her beauty had charmed Si Yi and he pulled Yun Jian away. He must be planning to comfort her next then?

She was sorely mistaken.

As everyone's eyes stayed glued to them, Si Yi hooked a black pistol out from his hips and pointed it at Zhuzhu. His gaze was icy without any emotion, but his voice was laced with a menace that shuddered everyone. “Speak or die!”

Chapter 303: Address Obtained. Deserving To Stay Alive

Everyone in the room was just a student, a school student, and a child grown up under the care and protection of their parents and teachers. They could be frivolous or be in their teenage rebellious phase, some of them thought highly of themselves too, but fact was, they were still inexperienced in life.

Once they saw Si Yi pulling out a gun and holding Zhuzhu at gunpoint, they shrieked in fear.

“Ah! Ah! A gun!” The girls erupted in screams, shrill cries making waves.

The boys tried to hold their composure but all of them paled immediately, visibly that no one was really calm.

In spite of these teenagers, the pistol Si Yi held was pointing to Zhuzhu.

Zhuzhu was just musing if Si Yi liked her as he stopped Yun Jian's questioning, but he pulled out a pistol and directed it at her in the next second.

Even when Zhuzhu was sly, she was just a schoolgirl. When she saw a real gun cocked at her head between Si Yi's fair and long fingers, her legs gave up and she fell to the floor, unconsciously raising her arms in a surrender position.

"Don't kill me! Don't kill me! I – I, I... I'll tell you anything you want to know. I'll tell – tell you everything..." Zhuzhu was paralyzed in fear. As if afraid that Si Yi would really pull the trigger, she frantically picked herself up from the sitting position to kneel down in front of Yun Jian and Si Yi.

"Didn't you want to know where Yun Yi's gone to? I'll – I'll tell you! Don't kill me..." Zhuzhu was petrified, staring at Si Yi's gun in terror and blurting everything she knew.

"It's Chen Yubing! It's all Chen Yubing! She made me invite everyone to this gathering and make Yun Yi drink that cocktail. It's mixed with an aphrodisiac. The effect is extremely potent when it's drunk! Then I was to find an excuse to have Zhao Yishan take Yun Yi away... Sob, I don't know about anything else..." Zhuzhu was genuinely fearful, so terrified that she came clean.

Once she did, all her peers widened their eyes in shock.

They did not know that this happened right under their nose! They did not expect that this was the purpose of Zhao Yishan suggesting to send Yun Yi home and they could not have guessed that Chen Yubing was so devious like that!

"Where's he?" Yun Jian asked while Zhuzhu was still panicking.

"Zhao Yishan's sent him to the hotel." Held at gunpoint, there was nothing Zhuzhu dared to hide.

"Which hotel?" Yun Jian pursued.

"The one opposite this road," Zhuzhu replied quickly.

Uninterested in these people, Yun Jian left at once when she got the answer.

Zhuzhu took another glance at Si Yi's impeccable face when she saw Yun Jian leave but she had to reel in her gaze from how scared she was.

"I've told you everything I know. Can... can you let me go? Please, I beg you, I won't do it again!" Zhuzhu was almost kowtowing to Si Yi.

"Do you think you still deserve to stay alive?" Si Yi scoffed as he raised a good looking brow.

How could someone who tricked his brother-in-law think of getting out of it alive?

Just when everyone thought that Si Yi's words were only a threat, a bang sounded. A bullet shot out from Si Yi's pistol toward Zhuzhu.

Chapter 304: You'll Know When You're There

“Ah!” Both boys and girls covered their faces as they screeched when they saw Si Yi actually pulling the trigger.

All of them were terrified that they would see the scene they pictured in their mind – a bullet going straight into Zhuzhu.

Zhuzhu, of course, screamed as well. She could feel a bullet scraping past her and coming for her. The next second, she was down on the floor.

No, she was not killed. She fainted from the terror.

It was only then the teenagers dared to open their eyes, albeit shakily. Then, they saw that Zhuzhu who was unconscious on the floor had not been penetrated by a bullet, nor was there bloodshed in the karaoke room.

The group then realized that the hair tie that held Zhuzhu’s ponytail high on her head was shattered.

That bullet had skidded past Zhuzhu’s hair tie, breaking it from friction, and went into the wall behind her.

There was no marksmanship more accurate than this!

The teenagers felt their jaws drop while the boys were awestruck by Si Yi’s marvelous skill. When they looked up to trail after the young man, he had left a long time ago with Yun Jian.

...

Back to Yun Yi who was helped away by Zhao Yishan. He knew that something was wrong the moment he was escorted out of the karaoke, but his head was groggy and his vision was blurry. He could only let himself be led by Zhao Yishan.

“Where are we going?” Yun Yi pinched the back of his hand to salvage the little consciousness he had remaining.

“Heh, bro, you’ll know when we get there.” Zhao Yishan smirked.

Zhao Yishan was never someone who got along with others in the class. Yun Yi, especially, was not the slightest acquainted to him. When he was the first to volunteer to send him home today, it was more than enough to raise suspicion.

It was just that Yun Yi was honestly too weak to break an escape right now.

He kept pinching the back of his hand, trying to keep the last sliver of awareness he had.

Zhao Yishan hoisted Yun Yi all the way to the hotel opposite of the karaoke place. He acted according to the plan, helping Yun Yi into one of the hotel rooms. Just as he was about to push Yun Yi onto the bed, Yun Yi turned abruptly.

He exerted the last drop of his strength that he had been keeping along the way to shake Zhao Yishan off in one go and throw him to the floor.

Yun Yi then ran out of the room, driving his tall build out and forward. When he left, he pulled the door close as well. He dragged himself through the corridors of the hotel. His vision swam increasingly as he felt the heat and an unknown desire bubbled continuously within himself.

Chen Yubing gave him a potent drug. More like, she was not giving him any chance to back out. Even if Yun Yi was stupid, he knew that he had been drugged by now. Putting two and two together, he was pretty sure who had drugged him!

Nonetheless, now was not the time to think about it. As he ran down the corridor after corridor, he caught an opened door through his blurry vision.

Zhao Yishan was going to catch up to him soon.

If Yun Yi was not drugged, he could take down Zhao Yishan three times over. The reality, sadly, was that he was drugged, and he was weak and pliant.

It was fortunate that he was healthy and strong. With the little energy left in him, he could still take down Zhao Yishan and run out.

With the opened door in timely sight, Yun Yi ran in without thinking. Upon entering, he closed the door, and with the last ounce of level headedness, he locked it.

Chapter 305: Yun Yi's Encounter. The Surveillance Cameras

Sha – sha...

Once the door was locked, Yun Yi calmed down. With a palm on his chest to feel the feverish warmth in his body, he heard the running water in the room's bathroom as well.

Water!

Yun Yi pulled himself together. His vision was still blurry but he could vaguely make out the structure of the room.

Swallowing dryly, he was burning. With how he was currently, he needed water to cool himself down urgently!

Yun Yi picked himself up to go to the bathroom, pushing the frosted glass door and entering.

Clack!

It was the noise of something dropping in surprise.

The view in the bathroom was unobstructed.

Yun Yi was not seeing clearly but he could still make out the sight in front of him properly.

There was a girl, probably fifteen or sixteen years old, standing naked under the showerhead and rinsing herself.

Despite Yun Yi's fuzzy vision, the girl's smooth and supple skin was apparent. Her perky bosoms and fair unblemished body were on full display. It was vaguely distinguishable that the girl was pretty and sweet-looking, the adorable and charismatic type.

Once Yun Yi hazily caught sight, the girl's panicky gaze fled like a lost deer.

"Ah!" she screamed and ran to the side to pull over a towel and covered herself up at the fastest speed possible.

"Who are you? Pervert! Shameless!" The girl pointed at Yun Yi and called him less than desired names.

Yun Yi's fair fingers were latched on the frosted glass door of the bathroom. Looking at the girl's milky skin in front of him before it was hidden swiftly, the harder he felt to suppress the heat coursing through him.

"I..." Yun Yi started hoarsely but he went mute just as quickly.

The girl before him was still blushing but she studied Yun Yi carefully and saw how red he was, like he had been drugged.

"You're... drugged?" With her small frame covered, the girl's delicate face scrunched up as she took two contemplative steps to Yun Yi before padding all the way up to him after a bite to her lips.

"Are... are you okay?" The girl placed her palm on his forehead.

Once Yun Yi's skin came in touch with the girl's cool hand, he felt the feverish wave within him dissipating considerably. He did not know where he found the strength but he grabbed her hand unconsciously.

"Ah!" Frantic that her hand was caught, the girl's other hand loosened its grip, causing the towel that concealed her to fall.

"You – you... Stop it! I can counter the drug! I can remedy the aphrodisiac in you!" The girl blinked in distress as she stared at Yun Yi.

Despite that, Yun Yi's eyes were thoroughly reddened now. Yanking the girl's hand, he pulled her soft and cool body right into his embrace.

...

Yun Jian and Si Yi stepped into the hotel in unison. Yun Jian was freaking out a little, about to kick the hotel room door open one by one to look for her brother, when Si Yi took hold of her hand and brought them to the surveillance room of the hotel.

On behalf of Yun Jian, Si Yi's longer fingers flew across the keyboard in the surveillance room and promptly acquired the recording they wanted.

It could be seen that Yun Yi was helped to a room by Zhao Yishan but he ran out shortly before Zhao Yishan gave chase a bit later.

Then, Yun Yi ran into an open door without a second thought...

Chapter 306: The Girl's Identity, A Poison Master

"So Brother Yun Yi went to Room 6011 after escaping from that room." Si Yi found Yun Yi's whereabouts through the computer in mere seconds and went to Yun Jian.

“Your brother?” Yun Jian relaxed once she knew that her brother was fine and simultaneously catching Si Yi calling Yun Yi brother.

That was her elder brother. Since when did her brother become his brother?

Si Yi felt the corners of his mouth tugging up. With a smile, he said with crinkling eyes, “Your brother agreed to it.” It was actually just him accidentally exposing what he had in mind.

Her brother was going to become his brother sooner or later!

“Oh.” Yun Jian eyed Si Yi before making their way out together.

Yun Yi was currently on the sixth floor. When he broke free from Zhao Yishan and ran out from the room to Room 6011, it was actually around the corridor and some distance away.

By the time Yun Jian and Si Yi came to the sixth floor, they saw Zhao Yishan standing in front of Room 6011 trying to break the door down.

Yun Yi was drugged and was stripped of his strength. It was lucky that he entered another room and locked it before Zhao Yishan caught up with him.

Zhao Yishan who was one step late was anxiously standing outside the room, trying to figure out how to get the door opened.

Yun Jian went up to him directly. She did not let Si Yi handle the matter for her this time. She came up to Zhao Yishan and gripped his collar, easily hauling the boy who was taller over to herself.

“How dare you harm my brother!” Yun Jian spat through gritted teeth looking at Zhao Yishan.

“I... I...” Zhao Yishan had seen Yun Jian before. Recognizing her at once, he was at a loss for words.

With a sneer, Yun Jian suddenly let her grip loose. At the same time, she raised her leg and kicked Zhao Yishan’s stomach. It sounded in a bam, as the boy’s lanky form flew from the force and dropped to the floor with a thud. He quivered a little and fainted from the blow.

Ignoring him, Yun Jian came to Room 6011 and got a small blade with a flick of the wrist. She maneuvered it agilely, twirling it against the lock.

Briefly, the door opened with a clack.

Lock picking was fundamental in Yun Jian’s array of skills. When she went on missions in her past life, sneaking into places or stealing treasures, she unlocked the door soundlessly and slipped out unscathed each time.

Once the door opened, Yun Jian entered with Si Yi following her.

They easily saw the two people sleeping together on the bed when they were inside. To be precise, Yun Yi was the only one with his eyes closed and less than conscious.

The floor was littered with clothes strewn haphazardly. It was a sight that one could hardly not think of less obscene reasons.

Yun Jian felt her eyes twitching at the view when she saw her brother lying on the bed with a girl about her age and a blanket covering both of them.

The girl's adorable face was easy on one's eyes. She looked darling and enchantingly guileless but there was an allure that captivated. Contrasting to Yun Jian's fresh youth, the girl's doll-like innocence had an inexplicable sense of grace.

In spite of it, Yun Jian was not shocked that this girl was lying on the bed with her brother Yun Yi. Compared to their tangled naked forms, what surprised Yun Jian further was the girl's identity.

She was someone Yun Jian was familiar with!

She was a Gu Sha Mercenaries' high-ranking member! She was called Lady Venom and was Snake.Lizard's disciple in Gu Sha. Yet, her mastering of poisons far passed Snake.Lizard's!

Hence, Yun Jian would often go on missions with her in her previous life. Other than Snake.Lizard and Tiger.Leopard, Lady Venom was Yun Jian's most frequent partner!

The girl was not highly placed in Gu Sha's ranking. However, her expertise was clear from her pseudonym, Lady Venom. She was literally a lady of venom, a poison master!

Put that aside, she knew nothing else.

She was not even as skilled as a mediocre assassin. The sole reason she could become a highly regarded member in Gu Sha was because she was an expert in administering poisons.

Chapter 307: Name, Qing You; Action, None

Lady Venom's position in Gu Sha Mercenaries was different from Civet. Civet, who came to send Yun Jian her favorite car, the LaFerrari, was unlike Lady Venom.

Civet was Snake.Lizard's subordinate while Lady Venom was Snake.Lizard's disciple.

Both of them looked cute and petite, but Lady Venom was about ten years younger than Civet. More crucially, Lady Venom was really weak in her battling abilities. The main factor that Snake.Lizard took notice of her and took her in as her disciple, was all for her poisoning capabilities.

Even Yun Jian was once amazed by Lady Venom's poison administration.

Therefore, Lady Venom was Yun Jian's capable assistant aside from Snake.Lizard and Tiger.Leopard. Her standard of a poison master was a significant help to Yun Jian.

As opposed to the mature-sounding pseudonym, Lady Venom actually had a nice name, Qing You.

As Yun Jian stared at Qing You, the latter noticed her as well.

Qing You had come here to find Yun Jian as per Snake.Lizard's instruction, so she was here in Longmen City to find her Gu Sha boss. Before she came, Snake.Lizard had tried her best to describe Yun Jian's recent state and showed her Yun Jian's photo in advance.

Their Gu Sha boss had turned into someone else!

Snake.Lizard did not disclose this fact to anyone else except Qing You.

Qing You came for Yun Jian in Longmen City because she had been staying by the latter's side as her assistant in her past life, albeit her identity was Snake.Lizard's disciple. It was also because Qing You was so close to Yun Jian in her previous life that Snake.Lizard did not keep Yun Jian rebirthing as someone else from her.

It was just that Qing You did not expect herself to still keep up her careless habit that she forgot to shut her door when she showered! Never in her wildest dream would she expect a guy to barge in on her too! A drugged guy, at that!

Nonetheless, nothing happened between Qing You and Yun Yi after that.

The reason they were in bed was because she was remedying the aphrodisiac in Yun Yi.

The drug was a tricky one to cure. Yun Yi who was drugged was absolutely doomed. However, it was a different case with Qing You who was a poison master. She could administer poisons and remedy them!

This was why Yun Jian had kept her around.

It was just that Qing You also did not expect Yun Jian to barge in when she was cooling down Yun Yi with her own body as she cured him.

Obviously, Yun Jian was also her Gu Sha boss.

"Slay – uh, I – we didn't do anything!" Qing You's eyes bulged at Yun Jian and nearly shouted Slaying God from her panic.

Actually, Qing You was not any different from usual girls other than being a poison master.

Yun Jian narrowed her eyes, naturally knowing that Qing You knew her identity. It must be Snake.Lizard's instruction for her to be here in Longmen City anyway.

In fact, Qing You was a key person in Yun Jian's annihilation of Gu Sha Mercenaries in her past life. Aside from Snake.Lizard and Tiger.Leopard's impressive brute force, Qing You's administered poison which were both colorless and scentless.

Snake.Lizard was also a poison master, one of the best, but she still paled in comparison to Qing You.

"Mm..." A low hum came from Yun Yi and he flipped himself around, recovering his awareness and waking up.

Chapter 308: Bearing Responsibilities And Not Gutting Her

Yun Jian felt like her emotions took a rollercoaster ride as she watched the scene unfold. Repressing her shock, she felt too embarrassed to stay in the room when she finally saw her brother waking up.

After all, she was not expecting to run in on a sight like this.

Whatever it had been, she felt grateful. Whether something happened between Qing You and Yun Yi or not, she was immensely relieved that the girl lying beside Yun Yi was not Chen Yubing. Otherwise, that girl, with her character, was surely going to kick up a fuss.

"You guys... cough, we'll go out first. Come out once you guys are dressed." Yun Jian eyed Qing You.

As someone who had stayed a long time with Yun Jian, basically going to every mission with her, Qing You understood what the look meant. She nodded, hanging her head.

Then, Yun Jian dragged Si Yi out of the room.

Yun Yi who turned around regained his consciousness with a single toss of his head. The moment his mind caught up with his current state, he saw the petite Qing You and froze.

Recalling what happened before he passed out, that he was drugged, escaped the ploy, barged in after seeing an opened door, he later saw a shapely girl showering and pulled her into his arms...

What happened after that? He could not remember anything.

Qing You felt her eyes twitching when she felt Yun Yi's handsome face turning and setting his eyes on her.

Anyone with eyes and a sense could see what happened under such circumstances.

Yun Yi was not foolish. He did not know if he did anything to the girl but the fact that the girl was now lying naked on the bed with him alone said enough about him being foul.

"I... Sorry!" Yun Yi's fair fingers rapped his own head as he blurted, "I'll bear the responsibilities!"

Qing You stared at Yun Yi dumbly, wanting to tell him that nothing happened between them.

...

Yun Jian and Si Yi stood outside of the room in the corridor. The girl did not look too displeased.

Actually, as long as it was not Chen Yubing in Yun Yi's bed, Yun Jian would not feel guilty about it.

Not a while later, Yun Yi and Qing You who were dressed neatly exited the room. Qing You was still blushing, looking bashful, while Yun Yi... did not look any better.

He was a growing boy after all and he was not the type to flirt around. He had never even held another girl's hand other than his own younger sister's and here he was sleeping on a bed naked with a girl!

"Come with me for a bit," Yun Jian said looking at Qing You.

"Mm." Qing You looked up at Yun Jian and followed her.

Yun Yi grew anxious when he thought that Yun Jian knew about him sleeping with Qing You and recalled his sister's aggressive actions.

"Xiao Jian, this is my fault. I took her innocence by accident. You..." Before Yun Yi could finish with "— don't beat the girl up, okay?", he was cut off by Yun Jian.

"Don't worry. It's not like I'll gut her," Yun Jian said with a smile.

It was normal that Yun Yi reacted that way since he did not know that she knew Qing You. Qing You, on the other hand, had her hands intertwined with blushing cheeks, too timid to look up at Yun Yi.

Chapter 309: School For Qing You. Her Wrath

Arriving at a quieter corner with Yun Jian, Qing You was still tinted pink on her endearing face.

Once they were away from Yun Yi and Si Yi, Qing You spoke immediately, "Slaying, we didn't do anything, you..."

"I know." Yun Jian cut her off. With a press of lips, she spoke again but about something else. "You're here in Longmen City for me?"

Since Yun Jian had taken the initiative to veer into another topic, Qing You let the embarrassment slide and nodded, her action still retaining the bashfulness of a young girl. "Mn, master asked me to seek you."

If Yun Jian had not seen Qing You's poisoning techniques, she would perhaps believe that the latter was just an ordinary teenage girl.

"Hmm, stay in Longmen City then," Yun Jian replied.

"Really?" Qing You asked in delighted surprise.

She still kept her innocent exuberance of a youthful girl. She was taken in as a disciple by Snake.Lizard since she was a little girl and later replaced her to serve Yun Jian by her side. As Qing You's poisoning techniques were extremely excellent, it exempted her from the brutal secret agent and assassin training, but she was still equipped with the basic self-defense abilities.

After all, it would be impossible for Yun Jian to keep Qing You by her side if she could not even save herself. Yun Jian did not need a good-for-nothing around her!

"Mm, you're around the same age as me, so stay around me with the identity of a student," Yun Jian told Qing You with a nod.

Generally, she did not hold many secrets from Qing You. Just like Snake.Lizard and Tiger.Leopard, she was one of the people who had been by her side for the longest time.

"I'm going to school?" Qing You asked Yun Jian, pointing at herself in astonishment.

"Yup." Yun Jian crinkled her eyes and nodded before asking the girl, "How are those old geezers?"

The old geezers referred to the lackeys of Gu Sha Mercenaries' ex-boss.

Qing You had just come from Gu Sha, so she must have better knowledge on the situation.

"Master said that they've planned a big-scale operation recently..."

"Mm, go back to Gu Sha with me in a few days," Yun Jian said.

Qing You nodded. She, like Snake.Lizard and Tiger.Leopard, would never speak another word in regards to Yun Jian's arrangement.

When both girls stepped away from the corner, they saw Si Yi and Yun Yi having just ended their conversation as well.

Catching sight of Yun Yi, Qing You could not help flushing again.

“Yun Yi, you guys go back first.” Yun Jian told Yun Yi.

“Xiao Jian, you found me so fast. Is it because you know who drugged me?” Yun Yi’s question was pushed through his gritted teeth.

Of course, he loathed the person who drugged him. If it were not for that person, he would not have tainted a girl’s innocence. Although he knew that he did not actually do anything to her, it did not sound any better when the fact was the both of them were naked in each other’s arms.

“It’s Chen Yubing.” Yun Jian squinted her eyes, a flash of killing intent gleaming, before she told Yun Yi, “I’ll see this matter to the end for you, Ge (Ge, short for Gege, meaning elder brother in Mandarin).”

Chen Yubing was foolhardy to play a ploy on his brother. In that case, she should be prepared to be at the receiving end of Yun Jian’s wrath!

“Xiao Jian...” Yun Yi felt a jolt when he espied his sister’s gaze.

Chapter 310: Give Her More. Bye, Chen Yubing

In the end, Yun Jian had Si Yi drive Yun Yi home while Qing You stayed with her.

Si Yi listened to Yun Jian reverently. Once he was told by Yun Jian to bring his future brother-in-law home first, he quickly pulled said person away.

“Slaying, he’s your elder brother?” Qing You peered up at Yun Jian and asked bashfully.

“Mm.” Yun Jian grinned and patted her shoulder before speaking easily, “C’mon, it’s been so long since we met. Both of us got to do something big!”

Everyone knew that Slaying God had a love for money. Look, it had only been months since she was reborn and came to Longmen City but she had already set up New Cruise, returning double the capital funding she invested!

In her past life, each of Yun Jian’s missions had never cost less than one hundred million US dollars, and she had been diligent in taking up one mission after another. When she was busier, she would even bring Qing You along for convenience.

Qing You would put a bunch of people down by poisoning them while Yun Jian killed whoever she should and stole whatever she needed. There were plenty of projects that both of them had accomplished in collaboration.

“Heh!” Qing You giggled when she heard that they were going to do something nice and pranced behind Yun Jian.

...

Back to Chen Yubing who was certain that she had Yun Yi right where she wanted him to be this time. To ensure her ploy was successfully carried out, she drugged herself as well.

She came to the hotel after Yun Jian and Si Yi did. There was no hurry for her as Yun Yi was a prey caught in the bag. Chen Yubing wanted to take her time. In addition, she went home to retrieve the only color camera her family owned to make sure her plan was foolproof.

In spite of it, when Chen Yubing happily got to the sixth floor of the hotel after getting a camera and drugging herself, she was knocked unconscious right when she entered the room she booked.

When she woke up again, she was already tied up by Yun Jian.

What was going on?

As if noticing the danger she was in, Chen Yubing looked at Yun Jian in fright and asked, "You... Why are you here..."

Yun Jian snorted at the question. She stared at the girl icily, her gaze hostile. "What do you think?"

"What – what do you want to do to me?" Chen Yubing shrieked, raising her voice in alarm.

At the same time, she felt the aphrodisiac that she took beginning to work.

"She drugged herself too," Qing You who had been watching from the side informed Yun Jian.

She was a poison master and had thoroughly studied each type of drug and medicine, thus she was able to see that Chen Yubing had drugged herself as well at a glance.

Yun Jian did not expect Chen Yubing to actually drug herself with aphrodisiacs too. With a repulsed glare, she turned to Qing You and smirked. "Since she likes it so much, you should give her more."

"What – what are you guys going to do to me!" Chen Yubing screeched at Yun Jian's words, looking at the latter in fear.

"I'll generously allow you to experience what you wanted to do to my brother earlier," Yun Jian scoffed.

She dared not imagine the aftermath that Yun Yi would be in if Chen Yubing did succeed in her ploy.
