

# 《Sweet Daily Life With Rich Fool Husband》

---

## Chapter 12

Mr. Jiang didn't speak, and the air pressure in the room once dropped to the lowest level. Jiang Yushen finally threw away his chopsticks and left home.

Su wanwan looked at his back and finally breathed a sigh of relief.

He deserves it. He deserves it!

After breakfast, Sue called all the servants together and asked them to do aerobics in the garden.

Xu Hongmei's lungs are about to explode, but she has nothing to do.

Su wanwan looked at all the servants in the Jiang family, and said, "as long as I stay in the Jiang family for a day, you have to listen to me."

"I'm Zhan Bao's wife, and I also have shares given by the old man, which represents my identity. Don't think I'm new here and just want to fool me. Hum, I'll tell you that my wife is in her sixties and I'm only in my twenties. It's time to be young and live a long life!"

.....

These words soon spread to Xu Hongmei's ears. She sat angrily in the living room and got angry.

"A suckling girl with yellow hair dares to ride on my neck and take a shit. It's really getting worse and worse."

Today, both Xu Hongyan and Xiaomin's mother came over. Xu Hongyan advised, "don't be angry, sister. Just take advantage of her unstable heel in the Jiang family."

Xu Hongmei frowned: "but how to clean up?"

"That girl is arrogant and domineering. She can't fight because the master dotes on her and has no royal law."

Xu Hongmei's niece Xu Ying said, "just drive her out. She doesn't like to drive people out. If you drive us out before, aunt, you can drive her out. See how arrogant she is!"

"Get out of here?" Xu Hongmei pondered, "but what does Cheng Zhan refuse to do?"

Xu Ying snorted: "let's go out together. Aunt, I don't believe she will really like a fool. She doesn't know what to do. She doesn't dare to be blatant in this rich family. We can't get hold of it. Maybe she will do something when she goes out."

Xu Hongyan said, "I heard that Su wanwan had a boyfriend before she got married. It was su Xiaoxiao who was engaged to Cheng Zhan. Cheng Zhan was stupid. Su Xiaoxiao didn't want to marry her."

"It's said that Su wanwan didn't agree all the time. It was her mother who gave the man a sum of money, and the man didn't want her. You say that if you drive her out, her ex boyfriend won't look for her?"

"That little wave hoof usually wears such a coquettish dress. I don't believe she can keep it. When the time comes, we'll have a fight with her ex boyfriend..."

"The scene to catch the traitor," Xu Ying said excitedly, "now the fool so dependent on her, at that time will be very sad, the old man will be disappointed, at that time is not what we want to do?"

There is a point she does not agree with Xu Hongyan's opinion, "we can't catch it, let the fool catch it by himself. When the scandal of Su wanwan comes to light, it will be all over if we accidentally kill the fool, and we will save everything."

Xu Hongmei nodded approvingly, but still worried, "what do you say if she doesn't go out?"

On the tip of Xu Ying's brow, she picked up a ferocious look: "that's not up to her!"

"Ah, it's faster," Xu Hongyan exclaimed while carrying her bag. "My friend has an appointment to play mahjong."

"One o'clock?" Xu Hongmei was a little surprised, "why hasn't dinner been served yet?"

It took a long time to remember that Su had taken everyone away. He said with a wry smile, "it seems that I can't have dinner at noon today."

Su is still training at this meeting. "I think you've already started to practice the rotation system today. We can't just know the same skill, can't we?"

"Today, the chef is going to clean up the garden, the security guard is going to cook and work hard to maintain law and order. As for work hard, go to stand guard."

Su shouts all morning and her throat is dry. After drinking water, she asks Jiang Chengzhan, "is it fun?"

Jiang Chengzhan danced and clapped his hands and said, "it's fun, it's fun. You're so smart. It's so fun."

The small pulling on the head rises and falls with his beating.

People are scattered to work, Jiang called the vegetable mother: "vegetable mother, please get something to eat for grandfather first, don't starve him."

Vegetable mother said with a smile: "don't worry. I sent it to the master just now when I was resting."

Su wanwan was relieved and asked Jiang Chengzhan, "Zhan Bao, are you hungry?"

Jiang Chengzhan nodded, rubbed his stomach and said, "I'm so hungry."

Su wanwan seduced him and said, "shall we go out to eat?"

"Go," Jiang Chengzhan pulled her to run, "then we don't need to call a driver?"

Su wanwan shook his head: "no, let's go out and call for a car."

She is also a little rich now. Is it inconvenient to travel when she has money?

Su wanwan checked in advance on the Internet where the best restaurant to eat, a clear goal, out of the door called the car straight to the destination.

In less than two hours, both of them kneaded their stomachs and came out of the hotel.

Jiang Chengzhan didn't eat enough, but his stomach was too small. He said, "wife, how about we come tomorrow?"

Su wanwan said without hesitation: "as long as you like."

As soon as Jiang Chengzhan was excited, he picked people up in the street, turned two circles and said, "Oh, my wife is great. Zhan Bao likes my wife so much."

"My wife is the one who loves Zhan Bao the most in the world."

After all, Jiang Chengzhan is stupid now. Su wanwan is afraid that he will fall down on himself. He exclaims: "put me down quickly, don't fall on me. Come on, zhanbao, put me down quickly. You little fool, I won't beat you."

Jiang Chengzhan holds her firmly on the ground. Su wanwan feels that her heart is about to jump out. She lowers her head and holds Jiang Chengzhan on her chest for a while.

Although she didn't know what Jiang Chengzhan was thinking, she could feel that he was happy at any moment.

She was also happy in her heart.

"Wanwan --" suddenly, a voice with some doubts came. Su wanwan looked up and saw a man standing in front of her.

The man was a head lower than Jiang Chengzhan, less than 1.8 meters. He was pretty, wearing a gray shirt, light blue jeans to the ankle, and a pair of brown cattle shoes.

At the moment, her eyes are full of doubts, looking at her and Jiang Chengzhan.

Jiang Chengzhan's clothes are childish, with white half sleeves, a big face on his chest and a small pull on his head.

Sue was more casual in the evening. She put on a pair of trousers and a white shirt all the way down to her buttocks. They stood together, just like ordinary lovers.

"What are you doing here?" The man sees Su late late don't open a mouth, doubt of ask a way.

Su wanwan knows who he is. Tian Yingqi, the former boyfriend of Yuanzhu, accepts the benefits of Yuanzhu's stepmother and then breaks up with Yuanzhu.

That's why the original owner agreed to marry into the Jiang family, but he was angry and began to abuse Jiang Chengzhan.

Su wanwan remembers that Tian Yingqi in the book later went to the original owner and wanted to talk about the front edge with her, even when the original owner didn't have to divorce.

But the original owner refused. After all, Tian Yingqi sent her to the crematorium.

And the original owner was soon with Jiang Yushen.

Jiang Yushen is young and strong, has a successful career and is handsome. Of course, he is more likable than Tian Yingqi.

Su wanwan thought of the disgusting things Tian Yingqi had done. She sneered in her heart and said, "it's Mr. Tian. What a coincidence."

She pulled Jiang Chengzhan to introduce him: "Zhan Bao, I'd like to introduce you. The man standing in front of you is a scum man who broke up with his girlfriend for some stinky money."

Looking at Tian Yingqi's face changed, she continued to say, "so we can't learn from that kind of scum in the future, you know?"

Jiang Chengzhan nodded seriously: "I know, wife, I will treat you."

Su wanwan looked at Tian Yingqi complacently: "see, we don't know how happy we are now. I wish Tian always found his bosom friend as soon as possible."

She said at the end with a smile: "let's go," and Yu Bi pulls Jiang Chengzhan away with no nostalgia.

Of course, she doesn't know Tian Yingqi, and she has no feelings for him. She is just angry that he broke up with his girlfriend for a few stinky money. It's light to insult him today.

I hope he will be a good man in the future.

Xu Yanhong happened to pass by when the three people were talking. Her eyes almost fell out. She called Xu Hongmei quickly: "elder sister, do you know who I met?"

"It's su wanwan and that fool, and there's a man, maybe her ex boyfriend. I didn't expect that she was brave enough to take a fool to see her ex boyfriend. This kind of woman, there's no edge."

.....

Su didn't expect things to go so smoothly. The next morning, Xu Hongmei couldn't sit still and yelled at the dinner table about the separation.

He also scolded Su wanwan for being shameless and just thinking about the yuan family's money.

Su wanwan's face turned red, pointing at Xu Hongmei and scolding, "what do you

mean to be shameless? Why do you say I want the money of the Jiang family?"

Xu Hongmei deliberately urged her: "it's not for Jiang family's money, is it for his stupidity?"

She looked at Jiang Chengzhan, "if you don't plan anything, do you dare to take a fool out to live?"

Sue bit her lips and didn't speak.

Xu Hongmei saw that she was not deceived and continued to provoke: "how dare you?"

"I think you just depend on the Jiang family. Don't think we can't see it. How can you survive without the protection of the Jiang family?"

Su wanwan pretended to be angry, patted the table hard and yelled, "if I dare to go out, what about you?"

Xu Hongmei winked at Jiang Yushen and said, "then we believe you are sincere to Cheng Zhan."

Jiang Yushen added fuel to the fire: "don't think you can do whatever you want at Jiang's house. It's not up to you here!"

Su wanwan bit her lips for a while, her eyes filled with mist. She was silent for a while, looked at Jiang Chengzhan and asked, "Zhan Bao, I ask you, I can't live in Jiang's house now, do you want to go out with me?"

Jiang Chengzhan was scared to tears by the shouts in the room. He grabbed Su wanwan's hand and refused to let go: "wanwan, where you go, zhanbao will go. Don't leave zhanbao behind."

Su Wan took him into his arms and patted him on the back comfortingly: "don't be afraid, Wan Wan won't leave you."

"Pretend," Xu Hongmei said contemptuously beside, "to whom?"

.....

In less than two hours, Su wanwan had already taken Jiang Chengzhan to the luxury car leaving Jiang's home.

With crying on her face and laughing in her heart, she can finally be free from scruples!

Roar, light and freedom!

I'll be late tomorrow. I'll be late tomorrow when I change the list.
