

《Sweet Daily Life With Rich Fool Husband》

Chapter 25

Su wanwan and Jiang Chengzhan live in a world of two people every day. They have a sweet day. In addition, Su Wanbao has held several training classes. The sweet gap is sufficient and satisfied.

The Jiang family can't sit there.

Xu Hongmei and Jiang Yushen sat in the pavilion, their faces smelling more and more.

First of all, Xu Hongmei said, "what do they do every day?"

Jiang Yushen snorted: "I said that I had something to do with my ex boyfriend, but I didn't have any contact with Ben. They also signed up for several classes and lived like immortals."

She couldn't get angry at the thought of Su wanwan's slim waist and the first time he pinched her.

I wish I could catch people now.

Xu Hongmei sighed, then lamented her misfortune and said angrily, "tell me, you've been in the company for so long. Why haven't those stubborn people accepted me?"

"Is it all right to do everything with your hands tied?"

Jiang Yushen a bitter look: "who knows those people are so loyal to that fool, the old man's equity is not willing to take out, you are to think of a way ah!"

Xu Hongmei sighed: "what can I do? I've been with him for more than 30 years, almost 40 years. He has only the dead man in his heart."

Speaking of the pain, she clenched her fist and smashed the stone table. "You said that even if you can't get used to that fool, you can't do anything to him. Now that fool

listens to Su wanwan's words. If we coax him into confessing at that time, maybe we will listen to him now."

"At that time, he'll be a fool. After the old man's absence, you'll be the guardian. If you transfer his shares, even the old man's, won't the Jiang family be ours?"

Jiang Yushen clenched his fist and hammered his head, making a painful appearance. "He let that bitch pick up a bargain."

He was cruel, scarlet in his eyes, staring at some birds in the distance. After a long time, he suddenly said, "she can't take advantage of it alone. We can do it to him, too."

He got up and left.

Xu Hongmei exclaimed after her: "what can you do?"

Jiang Yushen did not stop, "wait."

Soon came the day of the reunion. Su wanwan wore a jewel blue fishtail skirt. Her hair was pulled up by her, revealing her white and slender neck. She was good-looking, but it was more exquisite when she was dressed up.

What's more, she made up for it.

Sapphire blue clothes are very attractive, most people can not wear that noble temperament.

But Su wanwan is beautiful, white, tall, and has outstanding temperament. She wears a skirt on her, which is just like walking out of a picture.

With a red handbag in his hand, he is also an international brand.

Although they came out to live, Mr. Jiang paid the living expenses on time. He was a precious grandson, and he would not be stingy.

And Jiang Chengzhan has so many shares. Although the old man doesn't give Su wanwan the right to dispose of it, he still gives her the dividend.

So Su wanwan and Jiang Chengzhan now have money to spend.

So every time Su wanwan tried to save some thoughts, he felt that he was abusing Jiang Chengzhan, as if he had embezzled his rations.

When Su wanwan was making up, Jiang Chengzhan also put on his own clothes, white

shirt and black trousers. He couldn't wear a tie, and his buttons were crooked. He also knew that he was wearing a watch.

Su wanwan sneered and said, "you're pretty smart."

Jiang Chengzhan doesn't know where to take a bracelet and put it on Su wanwan's wrist. Su wanwan looks down. Although she is not used to wearing jewelry, she can make do with a bracelet on her bare arm.

But Jiang Chengzhan tossed about for a long time, and the bracelet couldn't be fastened. Su had to buckle it by himself.

Then give him two bags, shirt into pants, fasten belt buckle, look up and down, there is no head of the discordant small grasp, fluffy black hair in the sun shining, Su can't help but cover his mouth.

This is too handsome, and the elite of the upper class can't catch up with him. This is from the comics.

It's not autumn yet, so there's no need to wear a suit, but Su wanwan still took one and asked him to put it on, and then turned on the camera function of his mobile phone: "Zhan Bao, stand close to the table, I'll take a picture."

Jiang Chengzhan straightened out his suit in his hands. He was very cool. He leaned back against the marble table and looked at Su wanwan's lens. Su wanwan found a good angle and quickly took a picture.

Licking the screen is not fun, she also ran to stand on the upper floor of the stairs, holding Jiang Chengzhan's neck and taking a picture with him.

After putting away the mobile phone, he turned around and held his face in his hands, and gave him a mouthful.

"Zhan Bao, you are my man now."

Zhan Bao was so happy that he took off his coat and acted coquettishly: "wife, please show me, I want to see it too."

Su wanwan opened the photo again and handed it to Jiang Chengzhan: "here you are."

Jiang Chengzhan clapped his hands, his eyes still shining: "my wife is so beautiful, zhanbao also wants to clap for my wife."

He said to find his mobile phone, did not wait for Su to set up the shape, and even took

several pictures, finally not satisfied, "Zhan Bao also want to hold his wife to take pictures."

Su wanwan pursed her lips and walked to Jiang Chengzhan. Jiang Chengzhan put one hand around her shoulder and put the person in front of him. With the other hand, he pressed the mobile phone and fixed the two people's faces in his mobile phone with a click.

"Wife, Zhan Bao wants wallpaper. Let's set it up for me."

Su wanwan took his mobile phone and set the last group photo of two people as wallpaper.

Looking at the two intimate appearance, Su wanwan's heart is sweet. She looks up at Jiang Chengzhan, and the man in the light is more and more bright.

At the same time, he couldn't help sighing: if only he could wake up later, they would be so close.

Two people out of the room, Su wanwan specially called two bodyguards, she now has to guard against Jiang Yushen that scum, maybe when will attack Jiang Chengzhan.

On the way, Su wanwan asked Jiang Chengzhan if he remembered the previous two agreements.

Jiang Chengzhan nodded like a good baby: "Zhan Baodu remembers that he didn't speak when he entered the room. When he sat down, he had to open his legs. His right thumb was picking eyebrows, and his left thumb was drinking juice." he said and nodded, "don't worry, Zhan Baodu remembers."

Seeing that he said it so easily, and remembering every word well, Su wanwan nodded with satisfaction, "there's something else, I'll remind you then."

She also specially stressed: "don't laugh, it's not fun to laugh."

She graduated last year, and now she will graduate for one year. Some of her classmates have entered the society, and some of them have stayed in school for postgraduate entrance examination.

The original master was admitted to the graduate school, but it happened that a wealthy family got married on behalf of the dog's blood. After a few months, the graduate student suspended school.

It's not realistic to let Sue read for her now.

Students who have just graduated for one year will not have outstanding achievements in society. Su wanwan doesn't know who held today's party and has to wear such a grand dress.

Although she has never been to a university or a student union, she has worked in a hotel and personally received a student union, so she is quite familiar with these processes.

Su wanwan took Jiang Chengzhan upstairs and left two bodyguards in the car. If she took two bodyguards to attend the reunion, it would be very lively.

Wang Xiuyan is the main contact person for this activity, which was organized by Zhou Tao, a second generation rich man from the city.

I used to have some ideas about Su wanwan. At that time, Su wanwan was already with Tian Yingqi. He told Su wanwan several times, but he was rejected.

At that time, the original owner only focused on Tian Yingqi, not to mention he was a rich second generation, even Jiang Chengzhan didn't pay attention to him.

But for Tian Yingqi's bad character and accepting the money from his stepmother, he would not have been heartbroken and decided to marry on behalf of his younger sister.

Now Zhou Tao knows that Su wanwan and Tian Yingqi have broken up, but he doesn't know that she has married into the Jiang family. So he held this classmate meeting to meet Su wanwan, so that he can take action.

Su wanwan naturally didn't know the trickiness here. She took Jiang Chengzhan's arm and went into the banquet hall. It was brightly lit and beautifully decorated.

The first one to see them was Wang Xiuyan. She said "here we are" to Zhou Tao and welcomed them.

Zhou Tao also said to several brothers next to him, "it's about brothers for a while." he gave an ambiguous look.

Several men around him to support the smile, said: "don't worry, tonight certainly let you hold the beauty home."

Wang Xiuyan and Su wanwan gave a big hug: "wanwan, it's good that you're here."

Su wanwan also hugged her, "Xiuyan, I finally see you."

Wang Xiuyan released Su wanwan, and her eyes fell on Jiang Chengzhan. She approached her in a low voice and asked, "how did you bring your relatives?"

Su wanwan lowered her head and lifted her hair. Many students in the room welcomed the meeting. They were all single. She was the only one who got married. She was a little embarrassed.

But when she thought of Jiang Chengzhan's anger with her, she sat in the dark balcony for half a night. She would never forget the way her tears came down. At this time, she looked up. The man's eyes were clear and he was looking down at her.

Although he is silly, he is sensitive sometimes.

It's not that I don't know anything.

Su wanwan was about to open her mouth when Zhou Tao came with someone and wondered who the man next to her was. "Wanwan, your friend?"

Immediately someone echoed: "you just broke up, why do you have friends again?"

No one saw that Zhou Tao clenched his fist behind him, and the cold light on his face had already appeared.

Surrounded by so many people, Su wanwan's eyes only fixed on Zhou Tao for a few seconds and then took Jiang Chengzhan's arm again. This action can basically explain the relationship between the two people.

No one noticed just now. I found that the man next to Su wanwan was the star in the whole room.

The simple white shirt and black trousers are more tasteful than the male model walking on the red carpet.

There's something wrong with that look.

There is no authority of the superior, and there is no dignity matching with his identity. It seems that he has a child's eye on adults, but he can't tell the truth.

A female classmate saw Jiang Chengzhan so handsome, immediately ran over and said: "evening, who is this?"

"Why don't you introduce us?"

"How handsome you are

.....

One by one, pink bubbles are popping up in front of the eyes of flower maniacs.

Su wanwan was so upset that she swept around her classmates.

How can you even be a fool?

She took Jiang Chengzhan '.

With some emphasis, she said, "this is my husband. We are married."
