

《Sweet Daily Life With Rich Fool Husband》

Chapter 29

I didn't expect to receive Su wanwan's call so soon. Zhou Tao hasn't gone down yet. Looking at his mobile phone, he was confused. Finally, he decided that Su wanwan wanted to meet him, and almost jumped up.

I know that a beautiful woman like her won't stick to her husband, so I come to him.

Her husband must have been at the scene last night. She didn't have a good idea. She called him out alone today. Can't he guess the purpose?

With that in mind, Zhou Tao took a bath, straightened his hair, sprayed moss on purpose, and put on a casual suit. He thought he was very human before he went out.

When I got to the door, I suddenly thought about the starting point. Then I went back to the room, took out two safety suits from the drawer and put them in my pants pocket.

Su wanwan and Jiang Chengzhan played too late last night. No one would get up this morning, but they were woken up by the teacher's phone.

Su wanwan gets up in a daze and pushes Jiang Chengzhan. "Zhanbao gets up, gets up, and the teacher comes."

Jiang Chengzhan hummed twice, turned over and went to sleep.

Su wanwan turns on the intercom and asks the security guard outside to let people in. She goes to wash first and then goes downstairs.

Very embarrassed with Zhang Dandan said: "you sit first, I go to cook a meal."

Jiang Chengzhan can't afford it. He must eat it later.

Sue is going to wait for him, and she is hungry.

When she was cooking, she went over everything that happened yesterday in her mind. Suddenly, she thought of Zhou Tao. Since she wanted him to monitor Jiang Yushen, she should act earlier.

She is an activist. Thinking of this, she put down the pot and called Zhou Tao.

It took a long time to pick up the phone. She didn't wake up when she heard the accent. No matter how confused he was, she threw an address and hung up.

After the meal was finished, Jiang Chengzhan also got up and stood on the stairs with a chicken nest on top of his head and called to her: "wife, Zhan Bao is so hungry."

After all, there was a college student in the room. Su wanwan had a bad look at Zhang Dandan, and then said to Jiang Chengzhan, "Zhan Bao, you're good. Go to wash your face first, and then come down for dinner."

Hearing that there was a meal, Jiang Chengzhan turned and went to the bathroom.

Su took all the meals to the table at night. Seeing Zhang Dandan sitting on the sofa bored, she called her by the way: "Mr. Zhang, let's eat together. I've made a lot of them."

It's a little early for lunch, and I'll go out to eat later, but it will take an hour or two. Jiang Chengzhan can't wait, so I'll have some first.

Zhang Dandan is not very nice. Su walks over late and pulls her up. "It's OK. It's just a simple family meal. Just eat whatever you like."

Two people of the same age, it is easy to find common topics.

Su wanwan was curious about her college life, so she asked a lot about the school. Zhang Dandan was quiet, but his speech was very interesting. He told her what happened in her school vividly, and Su wanwan was very angry.

After breakfast, Su wanwan remembered his appointment with Zhou Tao and asked Zhang Dandan, "we're going out. Do you want to go out by yourself or stay here? We'll be back in about an hour or two."

Zhang Dandan thought and hesitated: "I still have some homework. I don't know if it's inconvenient to stay here to do it?"

"What's the inconvenience," Su said with a smile. "Then you can do it here. I'll start teaching when I come back. There's a TV in the living room. If you're bored, you can watch it."

So Zhang Dandan stayed at home to do his homework, and Su went out with Jiang Chengzhan.

Today's Jiang Chengzhan said that he had to tie up everything, but Su couldn't even coax him for a long time. In the end, he couldn't beat him and gave him a tie.

Worried about the beauty, Zhou Tao arrived at the hotel early and sat in his seat waiting.

The moment he saw the beauty, his eyes almost fell out, and before his smile fully bloomed, he saw that the beauty was still holding a man in her hand, followed by a tall man, handsome and straight, wearing a white T-shirt and gray shorts, with a chase on his head.

Before the displeasure came out, he could not help laughing.

Jiang Chengzhan is really stupid.

He didn't contact Jiang Chengzhan before. When he came home last night, he asked someone specially. His brother had been in the shopping mall for many years, and many things were clear. Only then did he know that Jiang Chengzhan was the only son of the Jiang family, and he was stupid.

It is said that Su wanwan married on behalf of his younger sister.

It's such a chaotic drama. That's why he thinks Su can't keep it in the morning.

But now look at two people's sweet appearance, how a little envious?

Alas, it is true that a fool is blessed with stupidity.

Jiang Chengzhan is curious about everything and asks Su wanwan, "wife, who are we here to see today?"

"Didn't you come to the restaurant after dinner?"

Su wanwan winked at him, "of course, there are fun things, but you can't tell them, otherwise..."

She drew a swab on her neck to frighten him, "you know what?"

Jiang Chengzhan shrank his neck and thought Su wanwan was terrible. He quickly said, "I know, I know. Zhan Bao doesn't say."

Su wanwan pulls Jiang Chengzhan to sit opposite Zhou Tao. Zhou Tao's eyes keep looking back and forth on Jiang Chengzhan's head. Finally, he doesn't hold back and hisses again.

Su Wan glanced at him speechless, and Zhou Tao immediately withdrew his smile.

"Well," Zhou Tao decided to get down to business first, "that jade is the only thing my mother left me. You have to give it back to me." he paused and glanced at Jiang Chengzhan again. "Besides, there's nothing in your Jiang family. My fast jade is really not worth a lot of money."

Su wanwan took the jade out of her pocket and put it in front of her eyes. She must be a good jade, but the Jiang family is a rich family. There is no treasure. There is really no collection value for this kind of thing.

Even a poor earth eater like her has a high vision after wearing it.

She hesitated and handed the jade to Zhou Tao. When he reached for it, she quickly took it back.

She looked at Zhou Tao with a smile: "then you have to do something for me. If I'm satisfied, I'll give it to you. If I'm not satisfied, I'll smash it at any time."

"No," Zhou Tao held out his hands and tried to catch Su wanwan's hand, but Jiang Chengzhan's eyes had been staring at him, and he didn't want to start.

Although he is a muddler and can do anything at ordinary times, he doesn't like to fight for his wife with a fool. Moreover, he doesn't want to be offended by the Jiang family.

So before in the heart that beautiful reverie all took back.

"Anything, as long as you say, I'll do it," pauses. "Don't let me kill and set fire. I won't do anything illegal."

"Promising," Su wanwan looked around and said, "if you help me monitor a person, just report his actions to me, and I'll give you this jade one year later."

"What, a year?" Zhou Tao was so surprised that he called out.

Su wanwan quickly stopped him: "what are you shouting for fear that others won't know?"

Zhou Tao closed his mouth and looked at her warily: "what are you going to do, don't be..." he took a look at Jiang Chengzhan and said unkindly, "it's your husband's three, four, five or something. I say you women are really boring. He's stupid. What's your strength? You didn't have it before..."

"Zhou Tao!" Su wanwan was angry. How could this man be so cheap? She took up the jade and made a gesture to fall, "you don't want it, do you?"

Zhou Tao immediately shut up.

Jiang Chengzhan saw that the jade in Su wanwan's hand was so easy to use, and his interest came. He reached out to grab it: "wife, he's nice. Zhanbao will fall, zhanbao will fall!"

Su wanwan looks at Zhou Tao with an eyebrow: "tell you, my husband is stupid now. He can do everything. If you don't obey me, I'll give him this broken stone."

Jiang Chengzhan is also proud to look at Zhou Tao. His eyes mean you don't be obedient, and his wife will give him something.

Zhou Tao counseled, "well, well, I'm sure I'll do something for you."

Su wanwan found a picture from her mobile phone, which she downloaded from the Internet. She put it in front of Zhou Tao and said, "this is the person. You can send someone to watch it 24 hours. Tell me if you have something to do."

Zhou Tao picked up her mobile phone and looked at it carefully for a while. He said strangely, "isn't this Jiang Yushen? What are you staring at him for?"

The expression of displeasure appeared, Su wanwan glared at him: "how can you talk so much nonsense? You can do whatever you want. I warn you that if you are found, or you betray me, I will throw your broken stone away, so that you can never find it again."

Although Zhou Tao hasn't done this kind of thing, it's hard for him. He said with a smile, "don't worry. I'm sure I'll be satisfied with it. At that time, you'll have to break mine..." he specially bit the broken voice, "give me the stone."

Su wanwan takes the mobile phone back, and finds that Jiang Chengzhan has been stretching his neck to see, and his eyes are almost staring out. He puts the mobile phone on his side, and asks him to lower his head and whisper a few words in his ear. Jiang Chengzhan is happy and pushes the mobile phone back to her.

Zhou Tao ate dog food there all the time. Who did he invite and who did he provoke?

For her to hold a classmate's meeting, I didn't know how much it cost, but I exported my own stones. Now I have to work for others, and the key is one year.

Now we still have to see the sweetness of the husband and wife. At first, we thought that Su was a show late and pretended to be in love. In private, we didn't know what she was like to Jiang Chengzhan.

But now it seems that Su wanwan's eyes at Jiang Chengzhan are different from those of others, just like looking at the twinkling stars. It's really a dog in the sun.

If there is such a woman to his heart, he is willing to be stupid.

There's a lot of tea to drink. Su wants to go to the restaurant later. She's worried that Jiang Chengzhan will stay in the restaurant alone. Although there are bodyguards outside, she can't help worrying.

So he specially told Zhou Tao: "you help me take care of him for a few minutes first."

At the same time, he said to Jiang Chengzhan, "zhanbao is not allowed to go anywhere when I come back, eh?"

She didn't leave until Jiang Chengzhan responded.

Zhou Tao looked more worried.

When Su wanwan's figure disappeared, he deliberately teased Jiang Chengzhan: "ah, Mr. Jiang, anyway, you are stupid now. I don't know what's wrong with your wife. Tell me, do you have anything you want? I'll give it to you. How about changing your wife?"

Jiang Chengzhan looks at him with black eyes, and his face is still angry, as if he is going to hit someone.

Zhou Tao thought the joke was not very good. He cleared his throat, changed the topic, and asked, "Hey, is your wife good to you?"

Jiang Chengzhan frowned. The sentence was simple. He understood, "of course."

Zhou Tao gave a bang, obviously not believing, "then tell me what your wife has done to you?"

Jiang Chengzhan said: "my wife will cook for Zhan Bao, of course."

Zhou Tao never thought that Su would be able to cook at night. He looked at Jiang Chengzhan with a look of envy. His eyes turned and his bad thoughts came up.

He taut face or don't believe tone: "I don't believe, I don't believe your wife will treat

you a fool good."

Jiang Chengzhan frowned and thought, "then how can you believe it?"

Zhou Tao pursed his lips, and really pretended to think for a while: "then you say, did your wife give you a green hat?"

He cleared his throat, and he couldn't help laughing, "which good wife doesn't give her husband a green hat? Tell me, did she give her a green hat?"

"Did you get it?"

It seems that he hasn't received it. Jiang Chengzhan's face turns black, but he still doesn't believe it: "you're bullshit, wife. Wife hasn't sent it yet, but she will certainly send it."
