

《Sweet Daily Life With Rich Fool Husband》

Chapter 35

Two days later, Qin Mingyang, Jiang Chengzhan's good brother, came to see him.

Over the past year, Qin Mingyang and Liu Zonghe often come to him. Su wanwan is used to it, and gradually gets familiar with them.

But this year, Su wanwan paid close attention to Jiang Chengzhan and never let him go out alone. Today, Qin Mingyang came, but he wanted to take Jiang Chengzhan out.

Su wanwan frowned and didn't want him to go.

Qin Mingyang advised: "sister-in-law, even if he has only five-year-old IQ, you can't keep him at home all the time. Which child is always at home, and you're not afraid that he'll stay enough and run out by himself one day?"

Su wanwan arranges Jiang Chengzhan's clothes, but she is still not at ease.

Qin Mingyang began to promise: "sister-in-law, don't worry, I promise to send brother Zhan back. It's mainly because our brothers haven't been together for a long time. They didn't dare to take him out before, but now I think he's very good. He'll show up and send him back in an hour or two."

Qin Mingyang is right. Su Wanzai thinks about the meaning of his words.

Since Jiang Chengzhan's IQ is always five years old, she really can't keep him at home every day.

She would be relieved if anyone would take him.

Thinking of this, she nodded: "OK, you can take him."

"OK," Qin Mingyang was happy and took Jiang Chengzhan out. "Let's go first, and send her back to you before dark."

This is the first time that Su wanwan sees Jiang Chengzhan taken away in front of her. She is a little worried, but she agrees.

Just repeatedly told Jiang Chengzhan something to call her, was also ridiculed by Qin Mingyang, "sister-in-law, you are too careful, even a five-year-old child, is not a step away from home."

Su wanwan waved her hand: "OK, let's go."

Half an hour after Jiang Chengzhan left, Su wanwan received a call from Zhou Tao.

Since the reunion, Zhou Tao has been threatened by Su wanwan and has been providing her with Jiang Yushen's clues.

"Late, late, big discovery."

Su wanwan was recently exhausted by Jiang Chengzhan's inability to recover. He was not interested in Zhou Tao's great discovery: "what discovery?"

Zhou Tao was flattering: "you have to come out this time. I'll tell you face to face. It's a big discovery."

Sue didn't want to go out very much. "You can talk on the phone."

Zhou Tao was anxious: "you don't want to hear about Jiang's group. Maybe it will change its owner this time."

"What did you say?"

As soon as Su wanwan heard that Jiang's group wanted to change its owner, she was very anxious. "Where are you? I'll go right away."

Zhou Tao chose a coffee shop. When Su arrived late, he was chatting with the waiter with his coffee.

Su wanwan was contemptuous in her heart. You're really good. Even the waiter didn't let go.

"Coming," Zhou Tao saw that Su Wan was late and looked behind her.

They have seen each other several times since the classmate meeting, but every time Su wanwan takes Jiang Chengzhan with him.

Today, only she came by herself. Zhou Tao was a little surprised. "Where's your stupid husband?"

"You're stupid," Sue said unhappily. "He's just hurt."

A fool with such a beautiful daughter-in-law to protect, Zhou Tao had some taste in his heart, but soon he adjusted himself, "it's just hurt, I don't think it's good for a lifetime," he said, approaching Su wanwan, with some joking tone, "Hey, do you really want to spend a lifetime with a fool?"

The words "all my life is good" immediately touched Su wanwan's mind. Her eyes were full of water, staring at Zhou Tao, hoping to reach out and strangle him.

Zhou Tao has never seen Su wanwan like this. He grinds his teeth and makes a surrender expression. "Well, I'm wrong. He'll be fine tomorrow, right?"

Su wanwan felt that she was too sentimental. Why did she show her emotions to people like Zhou Tao? So she went straight to the theme: "what's the matter?"

Zhou Tao: "I heard that in three months' time, Jiang's group will hold a formal general meeting of shareholders to bring back those overseas major shareholders."

"What do you mean?" Su wanwan didn't understand the management of the company, so she was confused.

Zhou Tao's words were a little heavy: "you know the old man of the Jiang family is very ill. Jiang Cheng is the president of the Jiang family. But the company has to operate. It can't go on all the time. It must choose a new chairman and a new CEO."

Su wanwan blinked her eyes, she probably understood, "is the company going to change owners?"

"Well," said Zhou Tao, with a posture you finally understood.

Su wanwan frowned: "but Jiang Yushen doesn't have any shares. What's his position?"

Zhou Tao lowered his voice and said, "as far as I know, there is still a major shareholder in the company with more shares. He has reached an agreement with Jiang Yushen."

Su wanwan didn't understand, "Why are the major shareholders with Jiang Yushen?"

Zhou Tao: "you don't know that. When President Jiang's father was in power, he had two hearts. He just had a lot of shares in the Jiang family, so he couldn't start. He had several shareholders before. Anyway, it's very difficult. The key is that he has a little daughter who is very close to Jiang Yushen recently. It seems that he has plans to get married."

Su wanwan looked at Zhou Tao in surprise, "that is to say, if the old man or Cheng Zhan can't attend the shareholders' meeting in three months, he will..."

What should come is always coming. Jiang Chengzhan can't manage the company. A group company can't be in chaos all the time. Sooner or later, it will have to change people.

She sighed softly.

I thought Jiang Chengzhan would return to the company. Now

Zhou Tao pursed his mouth and nodded, "unless a miracle happens, your stupid husband can be good, otherwise even if the company can't reach Jiang Yushen's hand, it will be robbed by others, the same."

Su wanwan lowered her head and sipped her coffee.

Zhou Tao could only provide her with information, but he couldn't help her. Finally, he said, "you see, I've been helping you so much. Do you have to give Bai Yu back to me?"

Su said, "I didn't bring it today. I'll wait, and it's less than a year."

Zhou Tao saw her frowning, suddenly lowered her voice and said, "I have a way, do you want to listen?"

"What can I do?" Su wanwan asked with a little surprise.

Zhou Tao looked around and said with a smile, "I heard that..."

He coughed twice, thought of something and suddenly found it hard to talk about, so he stopped talking.

Su wanwan frowned and urged, "why don't you say it?"

Zhou Tao seemed to have made up his mind. He gritted his teeth and said, "well, I know Jiang Yushen has been close to a woman recently. If you tell the director about this..."

"Ah," Su made it clear later, "then their alliance will definitely be broken. Tell me quickly, who is that woman, and have you been in and out of any places recently?"

Zhou Tao scratched his face. "You know the woman with Jiang Yushen."

"I know?" Su Wan looked at it in surprise, and quickly searched in her mind. Who is it?

Zhou Tao coughed: "it's your half sister, Su Xiaoxiao."

"Su Xiaoxiao?" Su wanwan can't describe her expression with shock. Before, she thought about what it would be like if Su Xiaoxiao and Jiang Yushen got together. She didn't expect that they really got together.

After Jiang Chengzhan to call his sister-in-law aunt, the relationship can be chaotic enough.

Although not her sister, she blushed for the original owner.

Zhou Tao waited for her to relax for a while before he continued: "now two people are having dinner together. Do you want to have a look?"

Su wanwan nodded without hesitation: "go."

She is really curious about the painting style of Jiang Yushen and Su Xiaoxiao?

Su wanwan asked the driver to go back first. She took Zhou Tao's car to see Su Xiaoxiao.

Sure enough, in the box of a very high-end hotel, Su saw two people in the evening.

She leaned over the crack of the door and looked in. The two of them started to perform a big action play in the box, which made her hot.

Heart scolded a, do so shameless thing also don't know to close the box door.

She took out a mobile phone secretly took a few photos and left, while walking out, while catchy scolding, smelly shameless, dog men and women!

Jiang Chengzhan was sent back by Qin Mingyang after dark.

Qin Mingyang wants to go back for dinner outside, but Jiang Chengzhan doesn't agree.

Qin Mingyang laughed at him: "you are so involved in the play that you can't leave your wife for a while."

Jiang Chengzhan looked at him as if with a glance and ignored him. He opened the gate of the courtyard and began to shout, "wife, Zhan Bao is back."

"Zhan Bao is back, wife. Do you miss me?"
