

# 《Sweet Daily Life With Rich Fool Husband》

## Chapter 54

Jiang Chengzhan knows that Zhou Tao likes Su wanwan. The last reunion was just for her?

He always thought that Su wanwan didn't like Zhou Tao. Although he was jealous, he didn't take it seriously.

I didn't expect that two people would come out to play together today.

The bar is noisy. He can't hear what Su wanwan and Zhou Tao have said at the door, but he can see clearly the blush of women and the intimate whisper of men.

In my mind, I remember the heartless words Su wanwan said to him that night: "after all, I have never loved you, and there is no need to insist on this kind of marriage, so..."

At that time, I thought I had heard it wrong, but I took her arm and asked her to repeat it. I didn't want Su to repeat it again: "I just never loved you. Is that enough?"

At that time, Su wanwan's face looked very calm, not like a moment of anger.

Today, she and Zhou Tao come and go together at the same time. Does she like him in her heart?

She likes him?

Once get this conclusion, Jiang Chengzhan whole person is not good, he just deeply looked at Su wanwan two eyes began to flee.

I don't even have the courage to face and study.

Su wanwan watched people leave. Knowing that he misunderstood, she thought of explaining to him. But she thought, what's the best way to explain?

Two people were going to divorce, and she had nothing to do with Zhou Tao. Why should she have no silver here!

Today, besides Qin Mingyang, Liu Zonghe is with Jiang Chengzhan.

After Jiang Chengzhan went back, he sat beside Liu Zonghe, not saying a word.

CEN Xirui is still dealing with Cui Lingyue. She's a little girl who's bothering her. Piansheng has no way.

He promised his good brother to take good care of Cui Lingyue. Although he subconsciously thought that a girl should avoid suspicion when she was old, it was not so easy to operate in reality.

Say deep afraid of little girl cry haw, said shallow can not achieve the effect, so can only pretend confused.

Cui Lingyue saw Jiang Chengzhan come back, his face was not right, and asked: "why is Jiang always in a bad mood, late? Shall I bring her here? "

Jiang Chengzhan pretended to be calm, said: "forget it, we still have something to talk about, don't call her."

"Oh," Cui Lingyue stopped talking. Although she had a good relationship with Su wanwan, she didn't touch Jiang Chengzhan before. She didn't know his character and didn't dare to make mistakes.

But Qin Mingyang saw the problem, jokingly asked: "the boss was struck by thunder?"

Jiang Chengzhan coldly glanced at him and said nothing. He turned around and asked Liu Zonghe next to him, "Lao Liu, tell me, if your wife is cheating, what will you do?"

Liu Zonghe looked at him like he was mentally retarded: "your wife is cheating!"

Qin Mingyang listened to it and said with a smile: "boss, are you stupid again? Lao Liu has no daughter-in-law either. With his virtue, which woman can follow him?"

Jiang Chengzhan felt that his IQ had really dropped back. When he asked them what they were doing, he was laughed at.

Then I went to see Cen Xirui, the old God sitting opposite. He hesitated and gave up his idea. He was also a single dog.

He didn't get a chance to remarry a woman he liked.

Jiang Chengzhan sighed in his heart. It's better to think about it by himself.

But why is he sulking here? She is flirting with men

Even if you want a divorce, she can't cheat in marriage!

And he didn't want to get divorced.

By the way, as long as she doesn't divorce for one day, she will still be his wife. If he doesn't agree with her all his life, she can only be his wife all her life.

With this in mind, Jiang Chengzhan said to Qin Mingyang, "go and call Wan Wan."

"Oh," Qin Mingyang was talking to Cen Xirui when he received such an arduous task.

Even Jiang Chengzhan came back with a black face, and he didn't know whether his sister-in-law would give him face.

He dawdled up and was kicked by Jiang Chengzhan: "what are you doing? Hurry up!"

Qin Mingyang swished out.

Zhou Tao also saw Jiang Chengzhan and comforted Su wanwan: "don't be afraid, I'll take care of something."

Su wanwan chuckled: "what do you think you can do? You have too much brain tonic."

Since Jiang Chengzhan appeared at the door and left, Su wanwan was absent-minded. She didn't even hear what Zhang Keke said to her until Qin Mingyang appeared at the door.

Zhang Keke also said to Su wanwan: "sister wanwan, you don't see my brother is not in good shape, but he is serious about his feelings, and our family is not complicated. You will not be so sad as other people if you marry in the future..."

"Little sister-in-law, the boss asked me to call you," a sudden male voice came. Zhang Keke was stunned in the same place. She looked up at the glib man in front of her, as if she was sure that she really heard right?

Su wanwan very unnaturally tucked in her hair. Just about to refuse, Zhang Keke stood up first and looked at Qin Mingyang angrily: "I said what's the matter with you, is your sister-in-law just calling?"

She has a small mouth and doesn't give Qin Mingyang any chance to explain: "do you know that this is my future sister-in-law? What are you talking about? Do you have eyes and courtesy? You call it sister-in-law when you come up. Who do you call

sister-in-law?"

"And who's your brother?"

Qin Mingyang never met such an impolite woman, and she would laugh at her, "I said, this little sister, can you think too much when you talk in the future?"

"Did I call you sister-in-law..."

Qin Mingyang was interrupted by Zhang Keke before he finished his sentence. "Who's your name, little sister? I don't know how old you are. What do you mean

In order to protect his cousin, Zhang Keke gave up everything. "You don't look at how many hairs are still on the top of your head, do you know?"

Qin Mingyang hates people to laugh at him for his little hair. It's hereditary and natural. What can he do?

This meeting is really angry. He stares at Zhang Keke and says, "you wait for me." he is afraid that Jiang Chengzhan will be angry with him when he is in a hurry. He also remembers about Su wanwan, and turns to Su wanwan and says, "sister-in-law, the boss is really waiting for you. Don't make me embarrassed."

Zhang Keke's obstinacy came up. He hugged Su wanwan's arm and squeezed his eyes with Qin Mingyang. "Hum, sister wanwan, don't pay attention to him. He's a lunatic. I'll tell you, he just wants to bully you. Do you think he dares to give me a hard try?"

Qin Mingyang is angry, the brain is not overdone: "you this woman, dare say I am not hard, want me to take off pants to show you!"

Zhang Keke

The arrogance instantly withered down, blushed for a long time, then kowtowed to say: "you, you, you play a hooligan!"

"Qin Mingyang!" Zhou Tao is not happy. Someone insults his cousin. How can he bear it? "Don't go too far. My cousin is only a few years old. What are you talking about?"

There was a lot of noise here, and there were a few jokers nearby. Su wanwan thought she couldn't insist any more, so she had to stand up and say, "coco, I'll go and have a look."

She pause, specifically clarify: "that, I do get married, before you misunderstood."

Qin Mingyang looks at Zhang Keke with pride. Zhang Keke's mouth is O-shaped. He can't believe it. He looks at Zhou Tao and Qin Mingyang. His brain is booming. What's going on?

She just doesn't want to hear them quarrel any more. She feels like a joke, but she doesn't plan to see Jiang Chengzhan, so she wants to slip out of the house.

But the man seems to have a premonition, has been standing at the door, see her pulled people into the room.

Su wanwan

In the heart sighed a tone, with Jiang Chengzhan's evil relationship after all when can break.

After su wanwan came into the room, she saw Cui Lingyue sitting next to Cen Xirui. Her heart sank. Was this calculated by her again?

I thought it was a chance encounter. Now she wanted to strangle Cui Lingyue. Because she didn't want to squat, she put up with it.

But still ruthlessly glared Cui Ling to read one eye.

The people in the room said hello to Su wanwan one by one, and Su wanwan managed to cope with it. She bowed her head and drank water.

Feel the man sitting beside her, a good smell of fragrance, her body tight.

Someone had a good look and poured a glass of wine for Su wanwan. "Mrs. Jiang, since she's here, she's coming to drink. Don't give her face!"

He said with Jiang Chengzhan also winked, drink too much is not just acting?

Su wanwan's face is a little unnatural. "I'm allergic to drinking."

Jiang Chengzhan is by her side. She can't say that she is having a baby. Maybe she has one in her stomach?

All I can do is lie and say that I'm allergic to alcohol. I've already used some tricks before.

Jiang Chengzhan frowned beside him. Why didn't he know Su wanwan was allergic to drinking?

He carefully recalled the details of the two people's relationship in the past year. He didn't drink much at ordinary times, but did he drink it on New Year's day?

Liu Zonghe beside smile: "little sister-in-law is interesting, to the bar do not drink, is to drink juice?"

Su wanwan

It's a real juice drinker. "I'm sorry, I'm allergic."

The person who started drinking just now was not happy. He asked Jiang Chengzhan, "Mr. Jiang, do you think your wife is allergic to drinking?"

Su wanwan turns to look at Jiang Chengzhan. This one is full of warning, and there is a posture of killing people if he dares to talk nonsense. So he hesitates and says, "my wife is really allergic to drinking."

Su wanwan is finally relieved, and now she doesn't dare to think about what Jiang Chengzhan thinks about it.

The drink didn't come to an end until more than 11 o'clock. Su wanwan was strongly turned to the car and sent back.

I hate Cui Lingyue in my heart. I've dealt with her in the end.

Jiang Chengzhan knew that Su wanwan didn't want to go back with him, so he sent people to xinwan villa tonight.

Looking at Su wanwan getting off the bus, he finally asked: "Su wanwan..."

Su wanwan looks back at him.

It's the first time for a man to call her by his full name, and he looks serious.

At night, the woman's long beige skirt outlines her beautiful figure. She looks very sexy. Her small face is white, her eyes are black and quiet, and her heart is trembling.

He vomited and asked, "is the person you like... Him?"

Hidden in the dark fingers unconsciously tight.

If Su wanwan really likes Zhou Tao, what should he do?

Jiang Chengzhan can't give his own answer

Maybe it's perfect, maybe it's crazy, and it's another way to imprison her all her life.

As if his eyes were hurt, the man sat upright in the car, like a trained pupil, and his hands were clenched into fists.

Su wanwan feels that Jiang Chengzhan should be nervous at this moment.

To the mouth of the "you tube" a soft heart will become "No."

At the end of the speech, she turned around and left the elegant and resolute figure behind the man.

Jiang Chengzhan looks at her in a daze. It doesn't mean that she doesn't like Zhou Tao.

But she didn't deny that she had someone she liked.

Who is the person she likes?

Jiang Chengzhan's whole figure, exhausted, leans on the armchair and presses his temple.

Since Cui Ling read pull black, Su late completely clean.

Without her routine, she doesn't have to meet Jiang Chengzhan by chance, let alone talk to him.

It's almost a month since Jiang Chengzhan was sober, that is to say, it's a month since the last time they had a relationship.

Su wanwan didn't get pregnant. She didn't know the signs of early pregnancy, but she wanted to know whether she was pregnant or not.

She checked online for a long time, and many posts said that she could test it with test paper in a month, so she planned to buy some test paper to test.

Jiang Chengzhan's bodyguard outside her villa hasn't left yet. She can't go to the drugstore to buy that kind of thing aboveboard. She's afraid that Jiang Chengzhan will know before she leaves the drugstore.

After pondering for a long time, she opened a certain treasure, and found it.

Sigh in my heart, a treasure is really a good thing, what you want.

I'll know I have the ball tomorrow night.

I have changed this copy in advance. If you are interested, please help me to collect it. I'll open it when it's over.

Dress up to be the best

The character in the book, who has the same name as himself, is a little writer. He dares to offend Ling Yuxiao, the dark, cold and violent rich man in Lishi. He also designs to be pregnant with his child, and wants his mother to marry into the rich family with her son's high price.

Unfortunately, he was seen through and nearly lost his life. He also became a laughing stock in other people's eyes.

"How can there be such a stupid person..." Ning Meiyuan holds her stomach and laughs. Before the laughter is put away, she suddenly puts on the book, just at the moment when she has a relationship with Ling Yuxiao.

Ning Meiyuan

When she woke up the next day, she climbed onto the plane and vowed never to come back.

Four years later, leaving the city calm, Ning Meiyuan returned home with the ball.

Who knows, I was caught off the plane.

Ning Meiyuan kowtow: "the ball, the ball is picked up, do you believe it?"

Ling Yuxiao sneered: "who do you look like? You don't have a number in your heart?"

Ning Meiyuan was blocked and put on a strong posture: "the ball is mine, you are not qualified to take it."

Ling Yuxiao: "sorry, the ball is mine, even you are mine."
