

《Sweet Daily Life With Rich Fool Husband》

Chapter 69

Su Chengqing said that she was going to hold a party for her 60th birthday tonight, and asked Jiang Chengzhan to attend.

This kind of thing, Jiang Chengzhan certainly can't refuse, otherwise Su wanwan's face also has no light.

So he promised to come down and be there tonight.

Hang up, he asked the assistant to prepare some gifts, father-in-law's birthday, he can't go empty handed.

Then he made a call to Su wanwan. After a while, he went home to pick her up.

In the morning, Jiang Chengzhan poked her forehead and asked her to reflect at home. Su was still angry in the afternoon.

First she had a silly meal, then she had a nap at noon and another meal in the afternoon. When she got a call from Jiang Chengzhan, her tone was not good.

"What for?" She said in a very strong tone.

Still angry, Jiang Chengzhan coaxed her in a low voice: "OK, what's worth being angry all day!"

Su said angrily: "now you tell me you are wrong."

How could Jiang Chengzhan admit his mistake? He changed the subject and said, "just now my father-in-law called me. Tonight is my old man's 60th birthday. Will you go or not?"

Without waiting for Su to speak later, Jiang Chengzhan said, "Hey, why did you forget your own father's birthday? You didn't tell me in advance. I'm ready to get some presents."

Su wanwan was so nervous that she didn't even remember her own birthday. How could she remember the birthday of her father?

Today's weather is not good, also don't give Jiang Chengzhan good face: "I don't remember, since you are so filial, then you remember it alone."

"By the way, isn't there a purpose to go in such a hurry?"

Jiang Chengzhan was angry and laughed by her: "what purpose can I have?"

Su wanwan snorted, "you know it yourself."

His former fiancée was su Xiaoxiao. At that time, he was so stupid that he changed his wife to marry him. He didn't know. Maybe he didn't know what he thought of Su Xiaoxiao before.

Jiang Chengzhan was excited by her deliberately said: "I don't know, you want to know first tell me?"

"You..." Su wanwan puffed her cheeks and didn't say anything for a long time, "who wants to tell you, I will."

Jiang Chengzhan did not fight with her, "I'll come home to pick you up later, wait for me."

After hanging up, Sue ran to the cloakroom and swept her clothes.

Although Jiang Chengzhan has prepared a lot for her, but from the beginning to the end, there is nothing pleasing to the eye.

In the end, there was really nothing to wear, so I chose a skirt which was not luxurious, but the material was more comfortable. I also chose a pair of thick soled casual shoes.

She looks delicate, so a dress, pure like just out of the campus of college students.

Su wanwan lifted a strand of her hair from the top of her head and put it on a small lattice bow. She turned around in the mirror and was quite satisfied with her dress.

Jiang Chengzhan quickly got downstairs and called her down.

Su wanwan picked up the small handbag Jiang Chengzhan bought for her and hopped downstairs.

Just after six o'clock in the evening, Jiang Chengzhan's car stopped downstairs, others leaned against the carriage, and two bodyguards stood on both sides of the door, looking solemn and dignified.

Su wanwan sniffed in her heart. She had to take a bodyguard when she went to her father-in-law's house!

As soon as Jiang Chengzhan saw her coming out of the door, he opened the door for her.

She was stunned when her eyes fell on her.

Girls wear pink, full of girlish feeling.

Standing with him, I feel like I've abducted a minor.

The man's eyes have been falling on her. Su wanwan stares at him discontentedly: "what are you looking at, haven't you seen it?"

At this time, two people have been sitting in the car, Jiang Chengzhan put his arm around her shoulder and tried his best to his side, ambiguous said: "how many days have not seen, you don't know?"

Su wanwan raised his hand and hit him: "point your face!"

At the same time, he indicated to him with his eyes that there were people in front and behind. What nonsense was he talking about!

Jiang Chengzhan's other hand fell on her stomach. The woman's skin is soft and soft. Even through the material, people can feel the taste inside.

"How was your day?" he asked

Su wanwan pressed his hand hard and didn't let him move: "I'm not angry with you. Are you satisfied?"

Jiang Chengzhan knew that she had nothing to do with him. He was very happy and said, "late, why don't we name the child?"

Su looked at him speechless: "boys and girls do not know, how to get up?"

Jiang Chengzhan: "let's name a few boys and a few girls."

"One is Maomao, the other is Doudou?" Su wanwan looks up at Jiang Chengzhan.

Thick and slender eyelashes, like a small fan under the light.

Jiang Chengzhan shrugged his shoulders, "forget it, you'd better not get up. My two

babies are called Maodou together. People can't say that their parents are too illiterate."

Su wanwan ignored him. She thought that it was nice to put the Maodou together. She wanted another third person in the future, which was called peanuts.

She patted her stomach with her right hand and said with a smile, "little Maodou, your father hates this name!"

"Su Wan Wan!" Jiang Chengzhan looked at her with special dissatisfaction, "dare to ask Maodou to spank you again, believe it or not?"

"Oh Su wanwan gently raised her eyelids and looked at him, "domestic violence?"

Jiang Chengzhan thinks of the way Su wanwan used to chase him with a mop. A picture is quickly formed in his mind. If there is a domestic violence in his family, it must be su wanwan who beat him.

Thinking about the marriage, Su wanwan asked, "Jiang Chengzhan, to be honest, how did you get along with Su Xiaoxiao before?"

There's nothing to hide, but the purpose of Su wanwan's question is not pure. Jiang Chengzhan thinks that if she is slightly dissatisfied with her answer, it may cause some unnecessary contradictions, so he said with special consideration: "I've seen it twice, one is engagement dinner, and the other is dinner after engagement."

Su wanwan didn't believe: "I didn't see you before engagement?"

Jiang Chengzhan shook his head: "I really haven't seen it. At that time, my father was the master, and I didn't have any favorite object in my heart. My father said that the daughter of the Su family was good-natured, beautiful and able to run a family, so I agreed."

Su wanwan pinched his face in both hands, slightly punitive, and changed his face. "Jiang Chengzhan, you are so casual about your marriage."

Jiang Chengzhan said, "if you don't choose, you can't be the master yourself, or you won't get married."

Su wanwan pinched his waist: "why, not satisfied with me?"

"Dare not," Jiang Chengzhan pleaded, "how dare you not be satisfied with your wife."

"That's the best wife in the world."

Su wanwan didn't want to be poor with him. He guessed that Su's mother and Su Xiaoxiao wouldn't hide any good intentions. He said, "please pay attention to me. If you dare to make eye contact with Su Xiaoxiao, I'll tie you up and hang you when you go back!"

Jiang Chengzhan continued to raise his hand to beg for mercy: "my wife has spoken. Zhanbao promises to be obedient. Don't worry, wife."

"It's almost the same," although the man's glib, but Sue was very happy to hear, "then you remember what you said."

The last time Su wanwan and Jiang Chengzhan saw that Su wanwan's family was still married for three days and they came back, they didn't expect that it had been more than a year.

During the Spring Festival, Su wanwan didn't go to the Su's house on the pretext of going back to the old house. The Su's family was afraid that Jiang Chengzhan would get involved with them, and they didn't try to invite them, so they didn't see each other much for a year.

After Jiang Chengzhan gets well, Su Ma takes Su wanwan to find Su wanwan, and Su wanwan is not included.

I remember the first time I went to Su's home, Su Xiaoxiao asked Jiang Chengzhan to jump into a pool without water in order to test whether Jiang Chengzhan was really stupid. I don't know how they would feel about it now?

Su wanwan still remembers one time when they just came out of their old house. Su's mother took Su Xiaoxiao to look at them with a fake look. Su wanwan also asked them whether they would regret if Jiang Chengzhan got better in the future?

Now Su Ma and Su Xiaoxiao expect to wear them back and kill themselves at that time.

Thinking of these things, Su couldn't help laughing and was in a good mood.

Jiang Chengzhan leaned against his back and squinted. He could see Su wanwan's constant giggle, "steal delicious food?"

Steal?

Su wanwan immediately tensed her face, "you just steal!"

Jiang Chengzhan pointed out: "well, I steal food, but I don't eat enough to support

myself, and then I have a stomachache all night."

If you don't mention it, Su can't remember it. At the moment, she squints at Jiang Chengzhan and asks, "Jiang Chengzhan, to be honest, do you know about the last time I ate chicken?"

Jiang Chengzhan chuckled, "I don't know what to eat chicken. Don't slander me!"

In this way, Jiang Chengzhan is absolutely intentional.

Thinking that she had a big meal the night before and was hungry the next day, she felt that she should make a good trick of Jiang Chengzhan and let him make fun of herself.

Thinking about the Su family, does Jiang Chengzhan know that Su's mother and Su Xiaoxiao went to her villa before that?

At that time, she was very protective of Jiang Chengzhan!

"Last time my mother went to the cottage and said you were stupid. Even if you were good, they didn't regret it. Do you remember that?"

Jiang Chengzhan nodded seriously: "I don't know."

Su wanwan's heart suddenly cools. She can't remember what's good, but she can remember what's bad.

This person has selective memory.

Fortunately, he forced him to take notes before. Thinking of taking notes, Su wanwan felt cool again.

What's the use of xiaohuangwen?

Little Huang Wen?

Su wanwan suddenly looks at Jiang Chengzhan, and the anger in his eyes burns up.

I didn't notice the diary when I packed things for him at that time. Now I don't know where to get it.

If you are seen by others in the future, you will lose your paly in all kinds of beds of the president and his wife!

She glared at Jiang Chengzhan, her eyes became particularly sharp, "to be honest,
