

《Sweet Daily Life With Rich Fool Husband》

Chapter 70

For his own black history, how can Jiang Chengzhan take the initiative to confess? He just wants to pretend to be confused to the end, and guess that Su can't help him.

When they quarreled all the way, they finally arrived at Su's house.

The dinner was reserved at the Grand Hotel and many people were invited.

However, Su wanwan is the daughter of the Su family. Naturally, she has to go home first, put down her gifts, and then go to the hotel when it's time.

As soon as Su's mother sees Jiang Chengzhan's car parked in the yard, she comes all the way, followed by Su Xiaoxiao, who pretends to be very embarrassed.

Sitting in the car, Su wanwan saw the large-scale performance of the two elite women outside.

She quietly pushed Jiang Chengzhan: "see, your mother-in-law and fiancée are so enthusiastic!"

"Su wanwan," Jiang Chengzhan grinned, "what fiancée do you mention in front of me again? Do you believe that I will deal with you?"

The man tenses his face and looks really angry. Sue sticks out her tongue in the evening. When the bodyguard opens the door, she slowly gets out of the car.

Jiang Chengzhan quickly came to her and raised his arm.

Su wanwan pulled up and looked at his black face and winked playfully: "really angry?"

Jiang Chengzhan's tone is not happy, but also uses a rhetorical question: "what do you say?"

"Chengzhan is here. It's such a hot day. It's hard." Mother Su seems to be suffering from amnesia. She seems to have never done anything before. She asks warmly.

Su Xiaoxiao poked at the back and didn't move. Su's mother anxiously pulled her

forward. "What are you doing in a daze? Say hello to Chengzhan quickly. You're engaged. What's the shame?"

This is shameless. Su wanwan scoffs at it.

He didn't answer either. He just watched a good play nearby. He looked at Jiang Chengzhan and wanted to see how he responded.

Su Xiaoxiao shyly went to the front, especially embarrassed to open his mouth, small voice like a mosquito fly: "Chengzhan, you're here."

Sue was sick and wanted to throw up.

How shameless are these two mothers and daughters?

Jiang Chengzhan stood there, looking at his mother and daughter, with a cold look and dark eyes. When he didn't make any expression, no one could guess what he was thinking.

At this time, even Su Chengqing ran to meet her, and the folds on her face opened with a smile: "Chengzhan is here, why don't you come in?"

How to say is also the original owner's own father, Su wanwan called him: "Dad."

"Right, right, come into the house quickly," Su's mother kept winking at Su Xiaoxiao.

Su Xiaoxiao will reach for Jiang Chengzhan's left arm, Jiao didi full of care about you, said: "come in quickly, although the sun is setting, it's still very hot, you're good, you shouldn't be so exposed to the sun."

It's been several minutes since I got off the bus. Everyone said hello, but I ignored Su wanwan, the daughter of the Su family.

Su wanwan doesn't get angry either. She squints at Jiang Chengzhan and looks at Su Xiaoxiao's hand from the corner of her eye.

Jiang Chengzhan's face was cold and motionless. He took Su wanwan forward. At the same time, he said to Su Xiaoxiao, "Xiaoxiao, ah, no, should I call you aunt Sheng?"

Hiss

Sue can't help laughing.

Jiang Chengzhan doesn't move like a mountain. Su Chengqing and his mother's face

turns from white to green, and finally turns red again.

Su Xiaoxiao is even more ashamed.

Su wanwan is the only one who is laughing. She will feel that she is too much, but who can't help it.

She smiles back very hard. Looking at Su Xiaoxiao, she asks, "do you know what kind of woman men like best?"

Su Xiaoxiao thought Su wanwan was helping her out. She was surprised and asked, "what kind of woman?"

Su wanwan said with a smile: "of course, it's a loyal woman. My little uncle just went in. According to his crime, he came out in a few years. Xiaoxiao, you really should wait!"

Su Xiaoxiao

I'm too angry to speak.

"Su wanwan, how do you talk?" Su Ma is not happy over there. She scolds coldly.

Su wanwan doesn't take it seriously. He looks up at Jiang Chengzhan: "isn't it?"

Jiang Chengzhan pursed his thin lips, nodded his head, and repeated with Su Xiaoxiao: "men really like consistent women."

At the end of the speech, he walked into the room and said to Su Chengqing, "if my father-in-law doesn't welcome us, we'll leave. I want to eat oysters. I just asked my family to make them."

"How come," Su Chengqing said with a smile, "I've long wanted to have a drink with Chengzhan, but I can't find the time."

After laughing with him, he turned back and scolded Su's mother and Su Xiaoxiao: "what are you doing? It's not humiliating enough?"

After sitting in Su's house for a while, they went to the banquet. Su's mother and Su Xiaoxiao couldn't catch the chance.

And just now Jiang Chengzhan humiliated Su Xiaoxiao once. She found that Jiang Chengzhan was not so easy to fool, so she was a little timid. But Su's mother was more frustrated and braver. She tried her best to let her daughter hook up with Jiang

Chengzhan.

Today, many people came to the birthday party, including many shopping malls, celebrities from all walks of life, and some people who are not familiar with Su Chengqing.

Most of them just came to meet Jiang Chengzhan by chance.

Soon Jiang Chengzhan was surrounded by everyone in the middle, and Su wanwan was envious of him when he saw that he was good at dancing and talking.

She will probably never reach his height.

"Well, I'll go to the bathroom," she said in a low voice to Jiang Chengzhan, who didn't know most of the people. Her head nodded numbly and wanted to find a chance to sneak out for a breath.

Jiang Chengzhan released her and reminded her, "don't run too far."

Finally she squeezed out of the crowd center. Su was relieved. She took a few mouthfuls of cake and drank half a glass of juice. Then she went to the bathroom when she was bored.

As soon as mother Su saw her go out alone, she began to let people follow her. "You'd better go and see what she does. You'd better not let her show up in the banquet hall tonight."

That person has been following Su Chengqing's assistant, usually very loyal, received the order immediately to carry out.

Su's mother went to meet Su Xiaoxiao again: "after a while, you'll be more excited and watch me act with my eyes."

Today, she specially called Tian Yingqi, who was su wanwan's ex boyfriend. She didn't believe Jiang Chengzhan and didn't think much about it.

After solving her physiological needs, Su wanwan washes her hands and is ready to go out, but she doesn't want to pull the door of the bathroom. She turns over her handbag and wants to call someone over with her mobile phone. Who knows, she turns over the bag and doesn't see the shadow of her mobile phone.

In the heart doubts, is not to leave at home?

Since she was pregnant, her brain has not been very smart. She often loses everything.

Maybe she can't tell where she is.

She can't call people, she can only pull the door hard, and then yell at the door: "is there anyone, the door here is broken, I'm closed inside, is there anyone?"

Sue called for a long time, and finally heard footsteps approaching.

She was so happy that she would not be locked up all night.

The door was quickly opened from the outside. As soon as Su Wan looked up, he saw Tian Yingqi standing there.

Can't help but frown, how so coincidental?

"What are you doing here?"

Steamed buns love to make complaints about the cream of a small baby. They only recently gained weight and had a little fat face. They laughed and looked at the flowers with white bread. What was the look of Su's heart in the evening?

If he had not betrayed the original owner, and the original owner chose to marry instead of being heartbroken, he would not have abused Jiang Chengzhan with full of resentment and betrayed Jiang Yushen out of revenge!

Tian Yingqi looked at her, a face of surprise: "late, I knew you would come, so I came to you."

Su wanwan snorted and looked at him with a glance: "why don't you have any money? Do you want to sell me again?"

Tian Yingqi's face was cold. "Late, what do you say? Am I that kind of person?"

"Aren't you that kind of person?" Su wanwan retorted.

Tian Yingqi's face was full of shame, but his eyes were always on the woman.

Today, the woman is very young, pink and tender, with long black hair. Her skin is white and delicate, which makes people itch.

I think of the things that two people fell in love with each other before. At that time, he could kiss her recklessly. Today

Suddenly special regret, at the beginning really should keep himself, no matter how much money should not sell his love.

However, it's not irreparable that he made mistakes in the past. As long as he treats her better in the future, he won't be able to win back a woman's heart.

After all, women loved him before.

Thinking of this, he put away his smile, pursed his lower lip and said, "late, I know I'm wrong. Don't beat me. I can't live without you."

After a pause, he said: "anyway, Jiang Chengzhan was engaged to Su Xiaoxiao before. Now that Jiang Chengzhan is well, he should marry Su Xiaoxiao naturally. If you retire, not only can you make a man of beauty, but the Su family will also appreciate you."

"In addition, Jiang Chengzhan won't treat you badly. In the future, we'll treat you as if nothing happened. Isn't it good to be together?"

So subverting the three outlooks, Su wanwan's face crossed with a sneer, forcing himself to keep enough patience to listen, want to see if he has anything more to destroy the three outlooks.

Tian Yingqi didn't disappoint her: "now that everything is over, it's good that we all belong to you, isn't it?"

"Besides, you can't beat your stepmother. She won't let you sit on your feet."

"Now Jiang Chengzhan is grateful to you, but can you guarantee that he will always be grateful to you?"

"I'm a man. I know a man better than you. Before long, he will be seduced by the colorful world outside. How many days can he keep your freshness?"

Sue grinds her teeth late. She thinks she can't listen any more.

Want to kick in the mouth of a man, how can anyone be so cheap?

However, she is now the wife of Mr. Jiang, who is rich and young. Naturally, she can't be so rude. With a smile in her mouth, she glances at Tian Yingqi coldly. Her voice is not loud, but she says directly to the people: "then, Mr. Tian, how long can your feelings last?"

"I don't know if I will be too old to sell at a high price. Do you even sell your children together?"
