

《Sweet Daily Life With Rich Fool Husband》

Chapter 9

When the vegetable mother went out, Su wanwan asked Jiang Chengzhan, "Zhan Bao, do you like your uncle?"

Jiang Chengzhan takes advantage of Su's carelessness and turns into a happy one. He is very happy. He shakes his head when he hears that he doesn't look back.

Su wanwan turned his face to himself: "Zhan Bao, I'm talking to you. Why don't you talk to me?"

Jiang Chengzhan looks at her and laughs.

Su wanwan asked again: "Zhan Baobao, I ask you, do you like uncle?"

Jiang Chengzhan thought about it and said, "I don't like it."

"Why?" Su wanwan wants to know why, so she can figure out a solution.

Jiang Chengzhan appointed Qu Baba and said, "he beat zhanbao, but zhanbao didn't like him."

"Oh," Su wanwan scolded in her heart that it's better to be a beast than to be a nephew. What's more, people are stupid. How many animals does this man abuse a fool.

She took Jiang Chengzhan's hand and said seriously, "I don't like him either, because..."

She hesitated for a moment and said the careful machine she had thought of, "because he bullied me before, so I don't like him either. In the future, we all have to stay away from him, you know?"

"He bullied you?" Jiang Chengzhan frowned and looked at her deeply.

Since Su wanwan met Jiang Chengzhan, his eyes are silly, never so angry looking at people.

Su wanwan's heart sank. Didn't she offend Jiang Chengzhan?

Although silly, in fact, his IQ is still five years old. A child with five points can distinguish good from bad, right from wrong.

Su wanwan didn't deny it and nodded: "well, he really bullied me. I'm so scared."

Jiang Chengzhan suddenly sat up straight, patted his chest, said: "zhanbao protect you, zhanbao will not let people bully you."

Although Jiang Chengzhan's appearance is very naive, Su wanwan is still moved by the red eyes.

Her father didn't say that to her when she was so old.

Now Jiang Chengzhan is no longer a fool in her heart, but a

She also can't describe, probably is a good friend.

After dinner, Jiang Chengzhan is called out to play. Su wants to go back to her room early.

Aunt Jiang took her and said for a while: "at night, seeing the way you and Chengzhan get along with each other, my aunt is more relieved. You are really a good child."

There were many people sitting in the room. Jiang Yushen stood not far away, leaning against the stone pillar, smoking idly.

He has the characteristics of the Jiang family, one word: handsome!

I'm in my thirties. I'm a man of style, mature, steady and successful career. It's really attractive.

He was wearing a gray shirt. He was white, and his trousers were clean and tidy. He was so leisurely leaning against the pillar, which had a great flavor.

At this time, Su wanwan thought that the original owner would like him, which is understandable.

What's more, the original owner was forced to marry by his stepmother.

Of course, no matter what, the original owner shouldn't have an affair with others and give birth to children. The most excessive thing is to abuse Zhan Bao.

Zhan Bao is so cute. His eyes are full of innocence. He knows how to hurt her, and

how to treat him badly.

.....

In the absence of spirit, I heard aunt Jiang say: "with you, aunt will be relieved. Tomorrow and the day after tomorrow, aunt will go back. You must take good care of Chengzhan. The Jiang family will never forget your kindness."

Su wanwan took back her eyes and nodded: "well, aunt, please let me go. As long as I'm here, I won't let anyone hurt Zhan Bao."

Just now the idle man probably listened to her words, his eyes suddenly cast over, Su wanwan also just looked at his direction, two people's eyes collided, Su wanwan felt guilty for a while, quickly took back his eyes.

At the same time, the heart is building. It's the original owner, not her, who has an affair with him. There's no need to feel guilty.

When her aunt said she was tired, Su said hello to her and went to Jiang Chengzhan to take him back to rest.

It will be more than eight o'clock. It's very dark at night. Although there are street lights everywhere, the lights are not too bright. She can't see too far away.

Not knowing where Jiang Chengzhan had gone to play, she stood by the flower bed and called out twice: "Zhan Bao --"

"Zhan Bao"

"It's late. We're back."

"Ah --" a figure sprang out of the darkness and pressed her on the post in the pavilion with one hand.

As soon as she yelled, her mouth was covered.

She looked at the people in front of her in horror. She didn't know who dared to do such a thing in the Jiang family.

"Su wanwan, I really underestimate you," the man's sarcastic voice came, Su wanwan trembled.

Under the yellow light, the man's eyes are sharp and evil. When he looks at her, he looks like a wolf who has been hungry for a long time on the grassland looking at his

prey.

She knew that Jiang Yushen could not be provoked. She was already very careful, but he blocked her here.

This meeting, the man has loosened her mouth, and his breath is all in her mouth. Su wanwan is sick and wants to vomit. She says unhappily: "you are sick. If you don't let go, I'll shout!"

Jiang Yu deep a pair of prodigal appearance, indifferent attitude: "you shout ah, I see who is lost."

He said to face close to Su late night, two people are very close, each other's breathing can hit each other's face.

Su wanwan subconsciously stepped back.

Alert said: "you stay away from me."

Jiang Yushen didn't listen to her at all. He approached her like a cat clawed mouse. "Su wanwan, do you have fun living with a fool?"

Su wanwan said, "what's the matter with the fool?"

"Zhan Bao is kind-hearted and much better than you."

"Tut Tut," Jiang Yushen moved a distance further, his mouth was about to kiss Su wanwan's neck, and he said, "I didn't expect that you knew me so well, even I knew everything?"

Su wanwan bared: "you go away. Let me go and warn you. If you dare to touch me, I'll go to my grandfather tomorrow and let him make the decision for me. I don't think you have to be shameful!"

Jiang Yushen held her upper body in one hand, and the other hand moved down from her body, and finally fell on her waist and pinched her hard.

Su wanwan snorted with pain, and tears came out. She glared at Jiang Yushen and said, "Jiang Yushen, please remember today that today's aunt Qiu will come back sooner or later."

The woman looks beautiful, wearing a slim dress, slim, waist soft, but also with a faint woman ring, Jiang Yushen eyes angry, a face of evil said: "good, the best bed report to stimulate!"

Su wanwan really belittled Jiang Yushen's face. He was so blatantly teasing his nephew and daughter-in-law. Is he human?

He was about to lift her knee and hit him. Suddenly, a big shadow came out from behind Jiang Yushen with a stick in his hand.

Then she watched Jiang Chengzhan hit Jiang Yushen's head with the stick in his hand.

"Ah, who else hit me..." Jiang Yushen ate the pain, subconsciously released Su wanwan and went back to find someone.

Fortunately, now Jiang Chengzhan is a fool. Although he has a heavy hand, he doesn't have much strength. After all, he can't master skills.

So Jiang Yushen just had a few stars in front of his eyes and soon returned to normal.

Jiang Chengzhan quickly ran to Su wanwan's front, holding the stick in his arm all the time, with the other arm stretched out and a protective posture, staring at Jiang Yushen and saying: "Whoever dares to bully wanwan, I will fight with him."

In the end is a child IQ, he saw Jiang Yushen cover his head began to fear, the voice of speaking is still a little trembling.

Jiang Yushen looked at Jiang Chengzhan with one hand and said, "you beat me for a woman. Do you know I'm your uncle?"

In the past, he did not beat Jiang Chengzhan less, and Jiang Chengzhan did not dare to beat him. Today, he is afraid of ambition.

Jiang Chengzhan didn't understand what he said. He just hugged the stick tightly and repeated: "if you dare to bully me late, I will fight with you."

"Bah!" Jiang Yushen scolded, "bad luck" turned and left.

After all, Su wanwan is also here. After listening to her mother say that she is not good at picking up Jiang Chengzhan in front of her, she might get into trouble.

Anyway, a woman and a fool can go out!

When Jiang Yushen left, Jiang Chengzhan turned back to see Su wanwan, looking very nervous: "wife, are you ok?"

"In the future, Zhan Bao will protect you. As long as anyone dares to bully you, I'll

beat him."

"Hit him like you just did," he said

"You see, Jiang Yushen has been beaten away by me."

Bullying late, not worthy to be his uncle, so he will call his name later.

Su wanwan's eyes were red, and tears rolled in her eyes.

Just now in the room, Jiang Chengzhan said to protect her. Her heart was warm, but she didn't take it seriously. She just thought he was childish.

But I didn't expect that he would prove it with practical action so soon.

As a child, she has never felt the protection of others. Fool is the first one.

Before Jiang Chengzhan was bullied, even the housekeeper dared to fight with him, but he didn't resist. Now he beat his uncle for her. Su wanwan's heart can't be described as moving.

Tears can not stop flowing down, suddenly feel silly Jiang Chengzhan become great.

She fell on Jiang Chengzhan's arms and said, "Wuwuwuwu..."

I didn't expect the girl to cry so seriously. After all, Jiang Chengzhan has only five-year-old intelligence. He doesn't know how to coax the girl. He looks at her head at a loss and says repeatedly: "wife, don't cry, wife doesn't cry. Who dares to bully you in the future, Zhan Bao will fight with him."

Su wanwan sucked his nose, stepped back from his arms, wiped away his tears, and said with tears in his smile, "don't try your best, as long as you are better."

She adjusted her mood, took Jiang Chengzhan's hand and said, "let's go back."

Whether it's out of instinct or the desire to protect in a man's bones, Jiang Chengzhan has done something that his IQ can't do tonight.

Su wanwan's emotion is like the tide, which is out of control.

From today on, she will protect Jiang Chengzhan.

She will not let him go back to the old way in the book and be killed by his stepmother and uncle. On the contrary, she will help him get back to the top and even win back the

company.

Su wanwan: I'm going to cry today.

Zhanbao: zhanbao will always protect you!

Let's update it at 6 a.m. from tomorrow.
