

## Secret Love 1791

### Chapter 1791 The anniversary celebration begins

After Shao Heng's birthday party yesterday, public discussion had gone completely rampant, burrowing into every crevice.

Fu Mingxi and Shao Heng's respective fans had also tumbled into a shouting mess.

Thankfully though, the livestream turned off before Shao Heng and Fu Mingxi started fighting or else the consequences would've been inconceivable.

Even so, Shao Heng and Fu Mingxi's fans both labeled Ye Wanwan the culprit of this disaster.

At a certain popular forum in China:

[Tomorrow's Hope: In the end, no matter how we fight, the cause of conflict between Shao Heng and our Mingxi was that shameless Ye Bai!]

[Protect my Shao Heng: I was wondering—didn't they say Ye Bai fled earlier? Why's she back now and latched onto Fu Mingxi? Heh... It looks like Fu Mingxi's taste is pretty meh. He's seriously blind!]

[Angel and Devil: Didn't they say Ye Bai fled after embezzling Age of Immortals' funds... Why isn't there anyone calling the police to arrest her now that she's showed up? How could they allow this kind of woman to wreak havoc at Shao Heng's birthday party? Before, Shao Heng had a wonderful relationship with Fu Mingxi, and they were close as brothers! Now, because of this lousy sl\*t... I support doxxing her!]

[Protect my Shao Heng: A cheap sl\*t like her only has money in her eyes! She must've gotten attracted to Fu Mingxi's popularity. Heh, she probably also wants to seduce my Shao Heng or else why would Shao Heng and Fu Mingxi have started arguing...

[Also, it's true that cheap sl\*t embezzled the Age of Immortals' funds, but there probably isn't enough evidence to sue her... Anyway, this kind of woman is the scum of society's food chain! People like her only know how to leech off other people's hard work. If it wasn't for her face, she would probably be begging on the streets right now!]

[Little Xixi: Stars' anniversary celebration is about to begin in a moment, and they're live broadcasting it... I heard Mingxi is actually bringing that woman there. Get ready for an explosion any second!]

Inside Stars Entertainment's office, Zhou Tao sneered as he read the storm of abuse that enveloped the forum. These ignorant spectators were saying Ye Bai was hugging Fu Mingxi's thigh...

Without sugarcoating it, it was actually Fu Mingxi who was latching onto Ye Bai's thigh...

It was true that Fu Mingxi was the grandson of Stars' boss, but who was Ye Bai...? Her hidden identity was the big boss of Star's boss!

"Eh, just what are these netizens thinking? They don't even know the whole situation but they started pounding on their keyboards to insult people..." Fu Mingxi's manager asked as he turned to the nearby Big Dipper.

“Isn’t that normal...?” Big Dipper took a bite from the apple in his hand. “What’s there to fuss about? When I used a VPN to access the internet before, people frequently insulted my goddess. I’m used to it.”

“True. I have to see if Mingxi is ready.”

Fu Mingxi’s manager closed his laptop and left the lounge.

At the same time, at the venue for Stars’ anniversary celebration, countless media reporters had already arrived and were dispersed everywhere.

When Fu Mingxi’s manager arrived, they instantly surrounded him.

“Where’s Fu Mingxi?”

“At Shao Heng’s birthday party yesterday, there was news that Fu Mingxi hit Shao Heng because of Ye Bai. Is this true?”

“The internet previously said that Fu Mingxi and Shao Heng were friends, so why did Fu Mingxi hit Shao Heng? Was it really because of a woman?”

Fu Mingxi’s manager glanced at the numerous reporters and said with irritation, “Mingxi hit him because he wanted to. What? Is that not allowed?”

The reporters all looked at each other, bewildered and incredulous.

Fu Mingxi’s manager actually said Fu Mingxi hit Shao Heng because he wanted to...

“Say, are you bored off your ass all day long?”

Fu Mingxi’s manager expressionlessly continued, “Have you never fought? Have you never argued with someone?”

Then he ditched the reporters around him and fled without a trace.

“Ye Yiyi’s here!”

At that moment, an elaborately dressed Ye Yiyi appeared in front of everyone.

Next to Ye Yiyi was a man wearing a silver suit. The man had an aloof smile on his face as he stayed close to Ye Yiyi. “The CEO of the Gu Group, Ye Yiyi’s fiancé—Gu Yueze—is also here...”

Aside from them, an elderly man also arrived with staff clustered around him.

“Even Mr. Ye Hongwei is here...”

Several reporters were surprised to see Ye Hongwei. Ye Hongwei was the chairman of the Ye Group but had receded from the public eye for many years due to his old age.

To the media, Stars Entertainment’s influence was terrifyingly immense indeed since even the long reclusive Ye Hongwei had to come in person to give his regards.

“Miss Ye! Mr. Gu!”

Many reporters swiftly rushed toward Ye Yiyi and Gu Yueze like a torrential river.

“Hello,” Ye Yiyi greeted the reporters with a smile.

“Miss Ye, we heard that Emperor Sky Entertainment and Stars Entertainment have reached an initial agreement and Stars Entertainment will invest huge funds to help Emperor Sky produce international artists. Is this true?”

Gu Yueze walked forward and quietly answered, “That’s right. We have started our collaboration with Stars Entertainment, and Stars Entertainment will soon become Emperor Sky Entertainment’s investor too.”

With Stars Entertainment’s support, Emperor Sky Entertainment would be able to leave China and enter the international scene and soar into success. From now on, Emperor Sky Entertainment’s number one position in China would be strengthened and become unshakable.

Ye Hongwei was also glowing with health and vigor and was immensely satisfied with Ye Yiyi and Gu Yueze.

“Oh right... Miss Ye, do you know what happened at Shao Heng’s birthday party yesterday...?” A reporter looked at Ye Yiyi.

Ye Hongwei’s expression instantly filled with displeasure.

“Eh... Of course I’ve heard tidbits of such a major matter...” Ye Yiyi replied with a nod.

“Everyone knows that Ye Bai is a member of the Ye family as well... Ye Bai previously embezzled the Age of Immortals’ funds. However, after Ye Bai returned, why wasn’t this account settled and an investigation into Ye Bai launched from the corresponding police department? Could it be that the Ye family helped Ye Bai make up the funds?”

“Yes.” Ye Yiyi nodded generously. “No matter what, Ye Bai is a member of the Ye family... Ye Bai’s father and brother have been arrested already, and we don’t want to see Ye Bai follow in their steps. I hope that everyone will stop pursuing this matter; Emperor Sky Entertainment has properly handled it.”

“Miss Ye is truly generous... but Ye Bai doesn’t seem too grateful. At Shao Heng’s birthday party yesterday, Fu Mingxi completely changed from his previous image and even started arguing with Shao Heng because of Ye Bai. News also leaked out later that Fu Mingxi assaulted Shao Heng because of Ye Bai. Now, both artists’ fans have started cursing Emperor Sky Entertainment and the Ye family on top of Ye Bai. What does the elderly sir have to say about this?” a reporter inquired as they walked toward Ye Hongwei.

Ye Hongwei snorted and replied with a dark expression, “I’ve never had a granddaughter like her. All she cares about is money; she would do anything for money. There’s no point mentioning a fiend like her!”

Ever since news erupted of Ye Wanwan embezzling the of Immortals’ funds and the Ye family’s name was smeared in conjunction, Ye Hongwei wanted nothing more than to personally strangle Ye Wanwan to death. Thankfully, Ye Yiyi took out some funds to fill the Age of Immortals’ gap!

Yesterday, news erupted again of Ye Wanwan ensnaring Fu Mingxi and causing Fu Mingxi to assault Shao Heng. How could this kind of mongrel be the granddaughter of him, Ye Hongwei?!

He originally held hope for her, but a leopard couldn’t change its spots.

Gu Yueze was also sneering and inwardly rejoicing in the fact that he didn't choose Ye Wanwan back then. It was the wisest choice of his life.

Before the reporters could continue hounding them, they saw Fu Mingxi and his manager walking toward the guest seating.

At the sight of Fu Mingxi, the reporters immediately surrounded them.

"Fu Mingxi... What's your relationship with Ye Bai? We heard you attacked Shao Heng yesterday? May we ask about the reason?"

"Right now, everyone on the internet says it was Ye Bai who instigated the trouble..."

"Before Ye Wanwan left, she embezzled the Age of Immortals' funds, so she's clearly a white-collar criminal. Don't you know this, Best Actor Fu...?M

Faced with a tirade of questions, Fu Mingxi remained expressionless. "No comment."

"Sis—Brother Ye, let's go..."

Fu Mingxi turned around and suggested leaving to Ye Wanwan, who was standing behind him while surrounded by Big Dipper and Seven Star.

Ye Bai?!"

The reporters boiled with fervor instantly at the sight of Ye Wanwan.

Gu Yueze derisively glanced at Ye Wanwan, his lips curling into a contemptuous sneer.

"Ye Bai, where did you go after embezzling the Age of Immortals' funds? Do you know this is a crime?"

"Some netizens say your father and brother's sentence is about to be announced, but you haven't visited your father and brother after returning to the country. Instead, you ensnared Fu Mingxi and wreaked havoc at Shao Heng's birthday party..."

"Get lost, all of you! Don't you find it hot, bunching up together?" Big Dipper irritably waved his hands and pushed some reporters away.

Ye Wanwan smiled politely at everyone. "Apologies, but no comment."

Ye Bai... What identity are you using to attend Stars Entertainment's anniversary celebration tonight? The guest list of Stars Entertainment's anniversary celebration was announced a long time ago, but you didn't appear to have been included... May I ask if you used Fu Mingxi to come here to gather more knowledge or was there another reason?"

Ye Hongwei looked at the nearby Ye Wanwan and trembled with anger. "Disgraceful little b\*stard...!"

Under Big Dipper and Seven Star's devout protection, Ye Wanwan and Fu Mingxi soon arrived at the guest seating area.

Stars Entertainment's anniversary celebration was being presented entirely through live stream.

Currently, all the forums were exploding with activity, especially after the reporters' interviews. Many netizens declared they would remain nearby and block Ye Bai from leaving after the event ended.

The spite on the internet had encompassed every corner and was an abominable sight.

Aside from international artists from Stars Entertainment, there were also artists from Emperor Sky Entertainment and the Age of Immortals sitting in the guest area.

Luo Chen, Gong Xu, Jiang Yanran, and Han Xianyu were seated near the back and couldn't make their way forward, so they were very worried when they saw Ye Wanwan sitting down next to Fu Mingxi at the front. They didn't understand why Ye Wanwan would attend this kind of event at such a crucial time. Wasn't she pushing herself into the heart of the storm...?

### Chapter 1792 Attending in Sunday's best

Fu Mingxi's manager actually said Fu Mingxi hit Shao Heng because he wanted to...

"Say, are you bored off your ass all day long?"

Fu Mingxi's manager expressionlessly continued, "Have you never fought? Have you never argued with someone?"

Chapter 1793 The pressure of public opinion

Ye Hongwei snorted and replied with a dark expression, "I've never had a granddaughter like her. All she cares about is money; she would do anything for money. There's no point mentioning a fiend like her!"

Ever since news erupted of Ye Wanwan embezzling the of Immortals' funds and the Ye family's name was smeared in conjunction, Ye Hongwei wanted nothing more than to personally strangle Ye Wanwan to death. Thankfully, Ye Yiyi took out some funds to fill the Age of Immortals' gap!

They didn't understand why Ye Wanwan would attend this kind of event at such a crucial time. Wasn't she pushing herself into the heart of the storm...?

Chapter 1794 Xie Zhezhi

Soon, Shao Heng also entered and sat to the left of Fu Mingxi. He looked at Ye Wanwan and Fu Mingxi with a sneer. Today, he'd watch as these two died!

"Hello-" Xie Zhezhi languidly walked onto the stage in a red suit.

"D\*mn ..."

"I'm not seeing things, right?!"

"Xie Zhezhi!"

"I was wondering why I didn't see Xie Zhezhi on the guest list! He actually took up being a host at Stars Entertainment's anniversary..."

"Xie Zhezhi hasn't appeared in a long time right...? My idol is so awesome..."

Xie Zhezhi was a top-tier artist in China's entertainment industry and was a legend who reached the peak the day he debuted and never experienced any low points in his career...

"I'm very honored to serve as the host of Stars Entertainment's anniversary celebration this year... Everyone shouldn't be too unfamiliar with me, right?" A mesmerizing smile turned up on Xie Zhezhi's face.

Many male artists started clapping while a myriad of female artists started cheering in excitement.

"Alright... I won't waste any time. Let's welcome Emperor Sky Entertainment's representative to speak!" Xie Zhezhi continued.

Gu Yueze and Ye Yiyi both walked onto the stage, the focus of millions of people, and they announced that Emperor Sky Entertainment had determined a battle strategy with Stars Entertainment.

Yao Jiawen stared at Ye Wanwan with bone-chilling frostiness. Emperor Sky Entertainment had determined a battle strategy with Stars Entertainment, so from now on, there was no possibility for Ye Bai to make a comeback. The entire entertainment industry would belong to them!

"Congratulations, congratulations, Elderly Sir Ye..."

"Haha, Mr. Ye is rather blessed! You have such a wonderful granddaughter and grandson-in-law!"

Some of the entertainment industry's seniors started congratulating Ye Hongwei.

Ye Hongwei nodded in response, his face glowing with satisfaction.

After Ye Yiyi and Gu Yueze left the stage, Shao Heng quickly walked up.

“I’m on stage today because there’s a matter that will keep plaguing me unless I tell everyone,” Shao Heng said.

The venue abruptly became quiet. Everyone knew that the matter Shao Heng was talking about was probably the events of yesterday’s birthday party.

“Last night, Fu Mingxi vilely insulted me and even assaulted me at my birthday party... There was also Ye Bai who I didn’t invite but crashed my party without permission and incited Fu Mingxi to attack me. I’d like to ask everyone— what kind of proper behavior is this?”

Everyone’s gazes instantly landed on Ye Wanwan and Fu Mingxi.

Yao Jiawen suddenly stood up and righteously exclaimed, “All of us here know Best Actor Fu’s character, so it’s obviously Ye Bai’s fault. Ye Bai previous embezzled all of the Age of Immortals’ funds and fled the country. I have no idea how someone like her managed to land a spot in the guest area today.”

Many artists surveyed Ye Wanwan with odd expressions.

Xie Zhezhi turned to Ye Wanwan with some surprise in his expression but didn’t say anything.

As they spoke, an elderly man walked onto the stage.

This elderly man was Shao Heng’s grandfather, a branch director of Stars Entertainment in China.

“I’m very regretful that this kind of situation occurred at our Stars Entertainment. Fu Mingxi has clearly violated some of Stars Entertainment’s rules and seriously damaged Stars Entertainment’s reputation. Hence, I hereby announce that Stars Entertainment will terminate its artist contract with Fu Mingxi!” the elderly man coldly announced.

### **Chapter 1795 Let’s welcome the boss of Stars to come onto the stage**

At this point in the live broadcast, the insults and accusations directed at Ye Wanwan on China’s various major forums had reached their peak. Some people even declared they were going to kill Ye Wanwan.

The majority of Fu Mingxi’s fans also aimed their attacks at Ye Wanwan in order to erase the blame on Fu Mingxi. They all hoped everyone to give Fu Mingxi a chance because Fu Mingxi was merely bewitched by Ye Wanwan.

[Mingxi’s Love: This bloody b\*tch has ruined Mingxi!!!]

[Protect my Shao Heng: She deserves everything! A gold-digger like her seriously wants to transform into a phoenix? Who does she think she is?! How dare she incite Fu Mingxi to attack my Shao Heng?!]

[Little Hopping Bear: A woman like her deserves to be turned into mincemeat! And Mingxi! How could he be bewitched by this woman and bring her to attend Stars Entertainment’s anniversary celebration?! What right does she have to sit there? Who said she’s qualified to attend Stars Entertainment’s anniversary?!]

From the guest area, Director Zhou and Fu Mingxi looked at Shao Heng and his grandfather like they were idiots.

A branch director wanted to fire the grandson of Stars Corporation's boss... Was he freaking tired of living...?

Fu Mingxi's manager also shook his head in exasperation. This matter had truly gotten out of hand.

Emperor Sky Entertainment's higher-ups were all looking at Ye Wanwan with smirks.

Gu Yueze chuckled mockingly. "It's rather a feat for a woman to humiliate herself to the entire world."

Ye Hongwei harshly glared at Ye Wanwan and tightly clutched his crutch with both hands. If it weren't for this special occasion, Ye Hongwei probably would've raised his crutches and started hitting Ye Wanwan already.

Xie Zhezhi stood on the stage and laughed awkwardly. "Next, please welcome Stars Entertainment's Director Zhou and Director Li onto the stage."

Following Xie Zhezhi's words, Director Zhou and an elderly man with a head of white hair stood up and ascended the stage.

The white-haired elderly man, Director Li, was the third branch director of Stars Entertainment and had a good relationship with Director Zhou, so Director Zhou told him everything already.

Director Li first glanced at Ye Wanwan with a big smile before turning to everyone else. "Truthfully, I have nothing much to say. I just think the anniversary celebration this year is the most interesting and fun anniversary I've ever seen."

Many reporters were confused by what Director Li meant.

Director Zhou smiled faintly. "I also don't have much to say. However... I should reveal a piece of news to everyone: The big boss of our Stars Corporation is also in attendance today!"

All hell broke loose at the venue and major web forums. Stars Corporation's big boss...

It wasn't just Stars Entertainment! It was the entire Stars Corporation!

Stars Corporation was involved in too many industries, and Stars Entertainment was merely a subsidiary of Stars Corporation!

Ever since Stars Corporation was established, no one had ever seen an appearance from Stars Corporation's big boss! But this enigmatic big boss was actually attending today's event?!

Everyone curiously examined their surroundings.

"Really...?" Ye Yiyi also reflexively looked around her with astonishment.

Gu Yueze became invigorated instantly. He would like to take a good look at Stars Corporation's big boss...

Even Ye Hongwei straightened up and looked around him. Not just anybody could see Stars Corporation's big boss. Shao Heng and his grandfather were startled.

**Chapter 1796 Ye Wanwan was Stars' big boss**

“Big boss is here?” Shao Heng looked at his grandfather.

The elderly man frowned. “I previously heard that big boss’ boss came to China... though we weren’t the ones who received them. I originally thought they were just passing by, but they’re actually attending this year’s anniversary and Zhou Tao and Li Fu didn’t tell me?!”

Director Zhou smiled and made introductions. “Next, we’ll have our Stars Corporation’s big boss come up and greet everyone!”

Thunderous applause and cheers clamored through the venue.

The netizens on various platforms also held their breaths and the flood of comments also slowed as everyone wanted to see the resplendence of Stars Corporation’s big boss.

However, on the monitor, all they saw was Ye Wanwan, dressed in a black female suit, standing up expressionlessly and walking toward the stage.

At the venue, Ye Yiyi and Gu Yueze glanced at her aloofly. What the heck was this woman doing? Did she want to attract the attention of Stars’ big boss using this kind of method?

“How pitiful.” Gu Yueze snorted.

“It appeared she’s really gone mad,” Ye Yiyi also commented dryly.

Some higher-ups and artists from Emperor Sky Entertainment stared at Ye Wanwan, bewildered.

Fu Mingxi’s manager looked at Ye Wanwan with astonishment. “What’s she doing? Did your partner go mad?!”

Fu Mingxi glanced at his manager, disinclined to answer.

In the back, Gong Xu rubbed his eyes and turned to Luo Chen next to him. MD\*mn... What is Brother Ye doing?!”

Luo Chen furrowed his brows and shook his head lightly. “How would I know...”

An ominous feeling also surged through Han Xianyu. The Ye Bai he knew absolutely wouldn’t do something like this in this kind of setting, and there was no way he’d believe Ye Bai was really doing this to attract the attention of Stars Corporation’s big boss like others were saying...

In China’s various online platforms:

[The past drifted with the wind: Did that bloody b\*tch go mad?! They’re inviting Stars’ big boss to go up on stage. Why’s she standing up?!]

[The apple of daddy’s eyes: Heh... Don’t tell me she thinks Fu Mingxi’s thigh isn’t thick enough, so she wants to attract the eyes of Stars’ big boss like this...]

[BBQ: Her? She wants to attract the attention of Stars’ big boss? Does she really know what kind of figure Stars’ big boss is? What kind of woman hasn’t he seen? How could he take a fancy to this bloody b\*tch?!]

[I love Shao Heng: Get down, get down!]

Back at the guest area of the venue, Ye Hongwei was flushed red and trembling with fury. He turned to Ye Yiyi and Gu Yueze. "Why aren't you going up there and dragging that humiliating scoundrel back here?! Does that little b\*stard want to completely disgrace our Ye family?! What if she's blamed by Stars Corporation's big boss? How could our Ye

family and Emperor Sky Entertainment shoulder this responsibility?!"

However, Ye Wanwan had already arrived on stage.

"Long time no see, Xie Zhezhi," Ye Wanwan softly greeted Xie Zhezhi on the stage.

"Miss Ye, it's truly been a long time. I feel like it's been a lifetime ago since we chatted over dinner," Xie Zhezhi replied with a smile.

Ye Wanwan sank into thought. It did seem like a lifetime ago...

"That woman even knows Xie Zhezhi?! Wait no... I should say, Xie Zhezhi actually knows her?!"

"That's impossible, right? How could someone like Xie Zhezhi know Ye Bai?! And they look like friends?!"

Some of the industry's celebrities were all stunned.

"Can everyone please be quiet?"

Ye Wanwan impatiently demanded with a furrow of her brows.

Many artists looked displeased. Who did Ye Bai think she was by telling them to be quiet?!

"Haha, don't be angry, Boss. It's because this is everyone's first time meeting you, Boss, so they can't help but be excited! It's everyone's honor that you could attend Stars Entertainment's anniversary celebration this year!"

On the stage, Director Zhou suddenly turned to Ye Wanwan and spoke with an ingratiating smile.

### **Chapter 1797 What kind of joke is this? Little Sweet**

Director Zhou stood next to Ye Wanwan with a gentle smile on his face as his eyes ran over the venue. "I believe everyone isn't too unfamiliar with this lady standing next to me... Her name is Ye Bai and she once singlehandedly founded the Age of Immortals... However, Chairman Ye also has a different identity. I believe that everyone is unaware of the fact that Chairman Ye is also the top boss of our Stars Corporation aside from being the founder of the Age of Immortals... Let me emphasize that I'm not talking about Stars Entertainment solely. Chairman Ye is the top boss of the entire Stars Corporation."

"Haha, thanks to Director Zhou's numerous invitations, Chairman Ye reluctantly agreed to attend Stars' anniversary celebration this year. I'll represent every employee and artist under Stars Entertainment to thank Chairman Ye for gracing us with her presence!" the elderly Director Li also hastily butted in.

Everyone's eyes shot to Ye Wanwan, and some people's eyes were wide open and their mouths agape like they had seen a ghost.

Silence. Following Director Zhou and Director Li's words, dead silence enveloped the venue, and even the drop of a needle could be heard.

Director Zhou and Director Li were both top branch directors of Stars Entertainment in China, so there was no way they were lying...

A matter like Stars Corporation's big boss showing up couldn't be spoken recklessly, and Director Zhou and Director Li absolutely wouldn't joke about this type of matter in this kind of setting. Otherwise, they might not be able to keep their jobs anymore.

Shao Heng was stupefied and reflexively turned to his similarly stunned grandfather.

"H-how... how's this possible?!"

Shao Heng's grandfather looked at the tranquil Ye Wanwan, his breathing growing heavy and sweat soaking his forehead.

That woman... how's it possible...?

As one of the branch directors of Stars Entertainment, Shao Heng's grandfather naturally knew that the big boss of Stars Corporation Director Zhou and Director Li mentioned was complete rubbish...

It wasn't the big boss who came! It was big boss' boss, alright?!

In other words, the big boss of Stars Corporation merely worked under this woman!

"Grandpa... She's Stars Corporation's big boss? How's that possible... Those two old geezers must be lying... They must be scheming something!" Shao Heng made accusations immediately.

The elderly man instantly turned to Shao Heng and ruthlessly backhanded his face. "Grandpa..." Shao Heng clutched his face, baffled by his grandfather's slap.

"Shut up!!!" His grandfather angrily glared at him. "You've destroyed me, b\*stard!!!M

On the other hand, Ye Yiyi's expression was a bit dazed as she watched Ye Wanwan coolly standing on the stage.

Next to Ye Yiyi, Gu Yueze was intently staring at the dazzling Ye Yiyi in the limelight, his expression becoming increasingly shocked. Ye Wanwan is... the top boss of Stars Corporation? How is that possible...? How could this be?!

"What did Director Zhou and Director Li just say...? Ye Wanwan is the boss of Stars Corporation???"

Ye Hongwei frowned deeply, thinking he had heard wrong.

He knew Ye Wanwan's abilities, so what kind of cosmetic joke was it that Ye Wanwan could be the boss of Stars Corporation?!

"That's absolutely impossible!" Yao Jiawen's heart intensely pounded in her chest. Ye Bai absolutely couldn't be linked to the big boss of Stars Corporation!

### **Chapter 1798 Please speak a few words, Chairman Ye?**

The platforms live broadcasting this event completely exploded.

[Don't wait for a barren Zhezhi: Hahaha, I'm gonna die from laughter... What a good show... Where are those keyboard warriors who said Ye Bai is relying on Fu Mingxi to make a comeback?]

[The Buddha Jumps Over the Wall on my tongue: Haha, after all this commotion, Ye Bai turned out to be Stars Corporation's big boss. Shao Heng? Fu Mingxi? To put it bluntly, they're all working for Ye Bai, right? Didn't those keyboard warriors want to lie in wait for Ye Bai...? And those who claimed they were going to kill Ye Bai...? I support you! Hurry and go! Don't humiliate yourself.]

[I have a cute wife: I also saw someone saying they were going to ban Ye Bai... and claim Ye Bai was a criminal for embezzling the Age of Immortals' funds? How absurd! Stars Entertainment is just a minor company under Stars Corporation, and Ye Bai is the owner of Stars Corporation, yet people think she embezzled the Age of Immortals' funds...? I admire her!]

Following the announcement of Ye Wanwan's identity, some of Ye Bai's earlier fans were instantly resurrected and launched into their roasting and face-slapping modes. As for those netizens who participated in the attack on Ye Bai, they were instantly drowned and roasted skinless, and not a single person dared to step forward and resist.

Stars Corporation's big boss needed to latch onto Fu Mingxi's thigh?! She needed to rely on Fu Mingxi to ruin Shao Heng?!

Ye Bai probably only needed to say the word and both Fu Mingxi and Shao Heng would become unemployed...

At that moment, the artists familiar with Ye Bai—Luo Chen, Gong Xu, Han Xianyu, etc.—all looked like they had seen a ghost as they looked at Ye Wanwan.

“D\*mn... D\*mn... Brother Ye is... the big boss of Stars Corporation? I'm not dreaming, right?!” Gong Xu looked at Luo Chen and Jiang Yanran.

“Um... I don't know either...” Jiang Yanran shook her head. She'd never heard Ye Wanwan mention this...

“Even Stars Entertainment's Director Zhou and Director Li are saying this. Do you think it could be fake?” Luo Chen might find it unbelievable, but two directors from Stars Entertainment announced it, so it had to be real.

“Then... then are we... the same as princes?” Gong Xu asked dazedly.

Han Xianyu: “...”

Luo Chen: “...”

Jiang Yanran: “Then I should be a princess...”

Ye Hongwei suddenly stood up and looked at the two directors. “Director Zhou... Director Li... you just said she was the owner of Stars Corporation... but that's impossible, right... Stars Corporation has been in operation for many years, but how old is she...?”

Director Zhou glanced at Ye Hongwei and smiled aloofly. “Elderly Sir Ye, what are you saying? Could Director Li and I dare to joke about something like this?”

Ye Hongwei knitted his brows as he stared at Ye Wanwan. If Ye Wanwan was the owner of Stars Corporation, why hadn't she ever mentioned it at home?!

Moreover, something like this was too absurd...

"Wanwan, since you're the owner of Stars Corporation, Emperor Sky Entertainment will merge with Stars Entertainment and become sister companies from now on," Ye Hongwei immediately ordered Ye Wanwan.

However, Ye Wanwan didn't respond to him at all nor did she even glance at him.

"Haha, since you've come up on stage, please speak a few words, Chairman Ye..." Director Zhou said to Ye Wanwan genially.

"Alright, since Director Zhou insists, I will say a few words." Ye Wanwan looked up and swept her eyes over the venue before calmly saying, "Yesterday, Fu Mingxi did indeed attack Shao Heng at Shao Heng's birthday party, and it was my wish...Relying on his popularity and background, Shao Heng acts undisciplined and out of control, considering everyone else beneath him. He's humiliated his fellow artists several times and completely lost respect for the entertainment industry. Hence, I hereby announce that Stars Entertainment will one-sidedly terminate our work contract with our artist, Shao Heng."

#### **Chapter 1799 What you're relying on**

Shao Heng shot up and pointed at Ye Wanwan. "What right do you have to terminate my contract... Are you the owner of Stars Corporation simply because you say you are... You..."

Before Shao Heng could finish speaking, Director Zhou impatiently waved his hand and made the security forcefully escort Shao Heng out of the venue.

"As for Shao Heng's supporter, who's also his grandfather, he has disregarded the company's image and twisted the truth... From this moment onward, Stars Corporation will terminate our contract with him, and Director Zhou and Director Li will temporarily take charge of the branch he manages, as well as all the artists under him," Ye Wanwan continued.

Excitement surfaced in Director Zhou and Director Li's eyes. They were going to share all the resources of another branch... This was too satisfying!

Many reporters stepped forward to defend Shao Heng's grandfather against this "injustice."

"Chairman Ye, Shao Heng's grandfather, Elder Wang, has accomplished many things for Stars Entertainment, but you're kicking him out of Stars Entertainment for a mere minor mistake. Isn't this too unreasonable?"

"That's right. Don't you think your decision is too inappropriate, Chairman Ye?"

Ye Wanwan expressionlessly glanced at the inquiring reporters and indifferently responded, "I'm the owner of Stars, so whatever I say is the principle. Do you have any other questions?"

The reporters looked at each other, rendered speechless.

“Next, I’ll be addressing an issue related to Emperor Sky Entertainment.” Ye Wanwan glanced at Ye Yiyi and Gu Yueze. “I hereby announce that Stars Entertainment will terminate every partnership it has with Emperor Sky Entertainment. We will recover all of the artists that we transferred to Emperor Sky Entertainment and withdraw all funds.”

“WHAT?!”

Ye Yiyi and Gu Yueze’s expressions snapped.

If Ye Wanwan really did this, it would be an absolutely fatal blow to Emperor Sky Entertainment!

Although Stars Entertainment would have to pay a penalty for one-sidedly terminating their contract, this compensation was nothing in the face of Emperor Sky Entertainment’s subsequent damage!

“What did you say?!” Ye Hongwei stood up and angrily glared at Ye Wanwan. “How dare you spout nonsense in this kind of setting?!”

Ye Wanwan glanced at Ye Hongwei and dryly asked, “What identity are you using to speak to me in this manner in this type of setting, Elder Ye?”

When Ye Mufan and Ye Shaoting were wrongly accused, where was he? Why had he never believed in his son and grandson?

When she was forced to leave China, where was he? Did he show any concern for her?

When their whole family was in dire straits, where was her supposed grandfather?

Moreover, since Ye Hongwei chose Ye Yiyi’s family, it was the same as giving up on her family. Ye Hongwei had never admitted she was his granddaughter in the face of the reporters’ inquiries.

It was true that she had never been a member of the Ye family and didn’t share any blood relationships with them.

The only ones she needed to pay back were her parents and brother. As for the rest of the Ye family... they broke off all connections to her a long time ago.

“Wh-what did you say?! I’m telling you, immediately take back what you just said and re-merge Emperor Sky and Stars! Did you hear me?!” Ye Hongwei angrily shouted.

“Chairman Ye, are you threatening me?” Ye Wanwan aloofly glanced at Ye Hongwei.

“Sowhatiflam?!”

“Oh?” Ye Wanwan smiled faintly. “Then I’m very curious as to what you’re relying on?”

## **Chapter 1800 Ingrate**

Ye Wanwan coolly looked at Ye Hongwei without a ripple of emotion in her eyes.

“Sister, how can you speak to Grandfather like this...”

Ye Yiyi suddenly asked Ye Wanwan with a frown.

The majority of the celebrities and reporters present knew Ye Wanwan's identity and knew that she was Ye Hongwei's granddaughter and was naturally a member of the Ye family.

"That's right, Ye Wanwan. Since you're the owner of Stars Corporation and also a member of the Ye family, logically speaking, Stars Corporation is considered an asset of the Ye family. So aren't you just intentionally angering Grandfather like this?" Gu Yueze hastily butted in as well.

Gong Xu, Jiang Yanran, and the others all looked furious. They had seen shameless people before but not to this extent. How could they have the face to say something like this?!

Ye Wanwan smiled. "A member of the Ye family? Who said I'm a member of the Ye family?"

"Insolence! Even if you're not a member of the Ye family, you can't withdraw the funds! You're breaching our contract!" Ye Hongwei trembled from anger.

"Elder Ye, please be mindful of your words or else I'll have to order security to ask you to leave," Director Li interjected with a displeased expression from the stage.

Director Zhou and Director Li had to have been incredibly astute to get promoted to branch directors of Stars Entertainment, so they naturally detected Ye Wanwan's attitude toward the Ye family. This was the time for them to prove themselves in front of big boss!

How could they relinquish this opportunity to prove themselves?!

"Our Stars Corporation can pay the penalty fee," Ye Wanwan replied indifferently.

"Chairman Ye, I'll contact the lawyer today and transfer it to them after calculating the penalty fee," Director Zhou quickly promised.

You..."

Ye Hongwei pointed at Ye Wanwan and fell back, splayed on his chair. Emperor Sky Entertainment—his life's blood...

"Of course, I'm not a heartless person. Our Stars Entertainment can also acquire Emperor Sky if you're willing," Ye Wanwan added.

"You want to acquire Emperor Sky Entertainment?! Keep dreaming!" Ye Hongwei yelled, fuming.

Ye Wanwan shrugged. "Whatever you want."

Ye Wanwan stopped paying attention to Ye Hongwei and his group and turned to Yao Jiawen sitting close to them.

"I single-handedly created the Age of Immortals but had to leave China due to private matters some time ago. However, Yao Jiawen took advantage of my absence to embezzle all of the Age of Immortals' funds and claimed to the outside world that it was me who embezzled the funds," Ye Wanwan said with a faint smile.

Yao Jiawen's expression changed. She hastily stood up and explained to the reporters, "I didn't! Ye Bai is venomously slandering me! How could I have embezzled the Age of Immortals' funds... It was Ye Bai..."

“It was me?” Ye Wanwan peered at Yao Jiawen, her lips turning up with a meaningful smile. “What you’re saying is that I, the owner of Stars Corporation, decided to embezzle the Age of Immortals’ minute funds at the risk of committing a crime. Is that what you mean?”

A commotion snaked through the venue.

Stars Entertainment’s assets by itself was already a terrifying amount, and Stars Entertainment was merely a subsidiary of Stars Corporation, so the net worth of the entire Stars Corporation...

Ye Bai, the boss of Stars, embezzled the funds of the Age of Immortals? What could those funds do for the boss of Stars? Eat breakfast?!

“It was me who created the Age of Immortals, and when Yao Jiawen was unable to even find a job back then, I cherished talent, so I brought her into the Age of Immortals. Unfortunately, I merely picked up an ingrate.” Ye Wanwan kept the smile on her face as she continued.
