

Secret Love 2021

Chapter 2021: Too treacherous

The Nie residence:

After Nameless Nie hung up the phone, he looked at his team.

“Captain, what is it? Is Miss Famous helping us seize back our power?” Brick-moving Foreigner hastily asked.

Nameless Nie scratched the back of his head. “That’s what she said, but I still feel like something’s strange about it. Even I can’t win, let alone her.”

Iceberg man: “...”

“Go go go. We’re going to the Fearless Alliance to have lunch and there’s money to get.”

Nameless Nie waved his arm and led them out of the Nie residence.

...

It wasn’t long before Nameless Nie arrived at the Fearless Alliance with his group in tow.

A full table of good liquor and food sat in the enormous conference room.

“Boss Famous, thank you for inviting us to eat sh*t,” Brick-moving Foreigner thanked Ye Wanwan with a smile, revealing two rows of pearly teeth.

Ye Wanwan: “...”

Big Dipper was astonished and automatically turned to Seven Star. “Old Seven, did I hear wrong?”

“You didn’t,” Seven Star answered.

Big Dipper turned to Brick-moving Foreigner, dumbfounded. “Bro, um... do you know what sh*t means?”

“Huh?” Brick-moving Foreigner was startled. There was another meaning?

Sensing things were about to go south, Taoist Devotee hastily sent Big Dipper a look, but Big Dipper missed it completely.

“Sh*t... That’s something you can’t casually say, bro. Did you get tricked?”

Big Dipper walked toward Brick-moving Foreigner and whispered a few words to him.

The smile on Brick-moving Foreigner’s face instantly stiffened, and he viciously glared at his teammates.

“Say, aren’t you guys too evil?” Ye Wanwan couldn’t help but criticize them.

“Ahem, let’s talk business. Let’s talk business first...” Nameless Nie guiltily peered at Brick-moving Foreigner. *Will he hit me?*

Under Brick-moving Foreigner's furious and resentful gaze, the meeting finally began.

Ye Wanwan smiled at Nameless Nie faintly. "Say, you're so evil, so how come you couldn't even win the mere right of inheritance to the Nie family?"

Nameless Nie was riled up instantly. "Who's evil? That's... that was d*mn Taoist Devotee's wicked idea! It had nothing to do with me."

"Huh? Me?" Taoist Devotee confusedly pointed at himself.

Brick-moving Foreigner's ferocious gaze promptly shot toward Taoist Devotee.

"No no no, it wasn't me... I-it... it was Spray of Flowers! He did it!"

"Bullsh*t!" Spray of Flowers frantically shook his head in denial. "It was Dead Man! It was him!"

Iceberg man: "?"

Ye Wanwan was exasperated. Didn't the topic drift a little? This brother of hers... deserved it for losing the Nie family's right of inheritance. If Nameless Nie won it with that brain of his, she could only say his parents spoiled him to the bones, but that clearly wasn't the case.

Ye Wanwan waved her hand and ordered Seven Star and Big Dipper to go out first and keep watch outside the door.

"Let's drop this topic for now. Let me ask you—do you still want the Nie family's right of inheritance or not?" A smirk curled up on Ye Wanwan's face.

"How?" Nameless Nie was startled and immediately looked at Ye Wanwan, stuffing a dumpling in his mouth while he was at it.

"That's right, Boss Famous. We couldn't come up with a plan even though we plotted together!" Taoist Devotee urgently said.

"The madam and patriarch have an obvious bias. Everyone is aware of that. No matter what, the Nie family's right of inheritance won't end up in the Captain's hands." Spray of Flowers sighed helplessly.

Chapter 2022: Will make the Nie family scale new heights

Ye Wanwan mockingly looked over the group. "Giving up so quickly? What? Do you plan to hand over everything from the Nie family?"

"What else can I do? Don't tell me you can make my dad and mom change their minds?" Nameless Nie looked at her, not understanding.

"There is a method." Ye Wanwan smiled at Nameless Nie. "In truth, you just need to make Madam Nie become bitterly disappointed in Worryless Nie, no? It's so simple."

"Huh? Make my parents bitterly disappointed in Worryless?" Nameless Nie was baffled but adamantly shook his head after a moment of thought. "I can't, I can't. Worryless might not be strong enough to do

well as the leader of the Nie family, but no matter what, she's my younger sister. How could I do such a thing?"

Ye Wanwan: "..."

Although Ye Wanwan was a bit frustrated in Nameless Nie, she also felt warmth flowing through her heart. He was truly her real brother... The current Worriless Nie might be an impostor, but Nameless Nie still treated that impostor as her, his sister.

However, being touched was one thing, but Nameless Nie's unwillingness made this slightly awkward.

Ye Wanwan's eyes swirled before she stared at Nameless Nie and mocked him. "Do you think that'd be a good thing for your sister, Worriless Nie? You're gravely mistaken."

"Why?" Nameless Nie was bewildered.

"Like you just said, the current Worriless Nie isn't capable enough and can't completely control the Nie family. Think about it—the Independent State's situation is so chaotic. If the incompetent Worriless Nie became the head of one of the four great clans, wouldn't you be shoving her into the eye of the storm?" Ye Wanwan crafted a tale without blinking an eye.

Before Nameless Nie could respond, Ye Wanwan continued, "Can Worriless Nie handle the Nie family's complicated relationships well? Forget the internal problems—what about the external factions? What if one day, Worriless Nie wrecked the Nie family's centuries-old foundation because of her personal incompetency? Then Worriless Nie would become the eternal sinner of the Nie family. If this day comes, you'll be the culprit."

Nameless Nie: "..."

Brick-moving Foreigner exclaimed, "Wow, Boss Famous, you're so right!"

Taoist Devotee also said, "D*mn! Really, a speech from Boss Famous is equivalent to enlightenment and is better than 10 years of studying!"

Spray of Flowers commented, "So it's like that. Carefully thinking about it though, you're very right. A single what-if can lead to you going down in history as a symbol of infamy..."

Iceberg man: "?"

"D*mn, my good sister, how did you think of that? I nearly overlooked that!" Nameless Nie looked stunned.

Ye Wanwan inwardly mused. *How did this group survive in the Independent State until now? No wonder the Nie parents are unwilling to pass on the position of family head to Nameless Nie.*

"Wait, hold on!" Taoist Devotee suddenly turned to Nameless Nie. "Um... If Captain inherits the Nie family, wouldn't the Nie family's eternal sinner turn into Captain instead?!"

"That's right, that's right. It'd be better to let Miss Worriless herself become the sinner!" Brick-moving Foreigner frantically nodded.

Nameless Nie snorted. "D*mn bullsh*t!"

“With my abilities and my business-minded head, if I inherited the Nie family, the family would only become better and better and scale new heights! It won’t take long before the Nie family becomes the leader of the four great clans!” Nameless Nie haughtily proclaimed.

Chapter 2023: Who’s the spy

Spray of Flowers awkwardly looked at Nameless Nie. “Captain, um... actually... isn’t the Nie family... already the leader of the four great clans?”

“So what? In my eyes, the Shen family is the true leader of the four great clans!” Nameless Nie countered.

Ye Wanwan rolled her eyes at Nameless Nie. After all this trouble, the richest person was the boss in Nameless Nie’s eyes.

If they followed Nameless Nie’s ranking, the Shen family wasn’t some leader of the four great clans. They were clearly the leader of the Independent State!

The Fearless Alliance? Asura? The Martial Arts Union? The bullsh*t ancient clans? They all had to kneel down and call the Shen family “Grandfather.”

“Captain...” Taoist Devotee’s lips twitched, as though he wanted to say something.

However, when Nameless Nie shot him a vicious glance, Taoist Devotee frantically shook his head and groveled, “Nothing, nothing! With the Captain’s abilities, the Nie family will definitely rise a step further and dominate the Independent State!”

“What’s our slogan?” Nameless Nie clapped his hands.

“Godly Captain, free-spirited and talented!”

“Handsome handsome handsome handsome! Strong strong strong strong!”

Brick-moving Foreigner and Spray of Flowers cooperatively shouted the slogan.

Ye Wanwan: “...”? *Can they replace this embarrassing slogan with something else?*

“My good sister, how can we make my parents bitterly disappointed in Worryless and yield that position to me? Of course, it isn’t because I covet the position of the family head. You should know my abilities; it’d be a piece of cake to create several Nie families. I merely don’t want my brainless younger sister to become the Nie family’s eternal sinner,” Nameless Nie said to Ye Wanwan seriously.

Ye Wanwan gave Nameless Nie an “I get you” look before quietly saying, “We just need to set up a trap for Worryless Nie.”

Ye Wanwan then ran over the detailed plan with him.

About half an hour later, Nameless Nie finally left the Fearless Alliance with his group so that they could carry out Ye Wanwan’s plan.

After they were completely gone, Ye Wanwan snapped her fingers. “Come out.”

Feng Xuanyi lit a cigarette and naturally sat down on a conference chair near Ye Wanwan.

“Be more mindful.” Ye Wanwan pointed at a nearby sign.

“Smoking is Prohibited”

Feng Xuanyi: “...”

Feng Xuanyi had no choice but to snuff out the cigarette he lit seconds ago.

“The plan has succeeded. What’s your next step?” Ye Wanwan inquired.

“I just need to wait for windfalls.” Feng Xuanyi smiled. “Aside from the captain, I’ve bugged the rest of their phones. If anyone contacts that counterfeit Worriless Nie, we will know.”

Ye Wanwan furrowed her brows. “Are you sure...? What if they don’t call her and talk to her face to face? What would we do?”

“Good question.” Feng Xuanyi kept smiling. “I’ve installed tapping devices on them too.”

Ye Wanwan: “...”

“What if they don’t speak and use secret signals to converse? Or sign language? Your plan isn’t perfect.” Ye Wanwan shook her head.

“My tapping device has a recording function, so your worries are superfluous, Miss Worriless,” Feng Xuanyi genially replied.

“...”? *What else can I say?*

Ye Wanwan found herself rendered speechless.

Chapter 2024: It was actually him

“What, Miss Worriless? Do you think this method is very stupid?” Feng Xuanyi asked in amusement.

“Are you saying it’s very astounding and marvelous?” Ye Wanwan retorted.

“Then do you think this stupid method is useful, Miss Worriless?” Feng Xuanyi asked again.

Ye Wanwan pondered it for a moment before nodding. Indeed. If there was a spy, the spy would definitely inform “Worriless Nie” in the shortest amount of time possible after obtaining this information. Based on Feng Xuanyi’s method, as soon as the spy acted... Feng Xuanyi would be the first one to know.

Soon, Feng Xuanyi turned on the giant TV in the office and after some clicks and typing, four different scenes appeared on the TV—viewpoints from Dead Man, Spray of Flowers, Brick-moving Foreigner, and Taoist Devotee.

“How did you do it?”

Ye Wanwan couldn’t help but give Feng Xuanyi a thumbs-up. This guy was simply a genius!

Their Fearless Alliance currently lacked this kind of talent!

Ye Wanwan was tempted. Leaving Feng Xuanyi by that dim-wit Nameless Nie's side was an utter waste. But if he gave Feng Xuanyi to her... it would be a might redoubled for the Fearless Alliance!

After all, having a single mega-mind, her, wasn't enough for the Fearless Alliance...

"Hahaha! Who gave the captain the guts to want to take the Nie family up a notch? I think that if the captain really became the head of the Nie Family, he'd definitely become an eternal sinner! Does Boss Famous have some deep animosity with the captain?!"

Taoist Devotee's guffaw suddenly emitted from the TV.

Feng Xuanyi immediately stepped forward and saved a snippet of the video.

"What are you doing?" Ye Wanwan looked at him in confusion.

"Eh... I'm obtaining some dirt so he'll be easy to threaten later," Feng Xuanyi answered.

"..."? *That's too freaking direct!*

"Come, let me take you out to eat sh*t!"

This was an angry shout from Brick-moving Foreigner.

"Little Sweetie, let me explain!" Spray of Flowers hastily called.

"Explain your grandma!" Brick-moving Foreigner charged toward Spray of Flowers.

A second later, Iceberg Man and Spray of Flowers fled without a trace.

Ye Wanwan couldn't help but laugh at the scene playing on the TV. This was indeed the quintet she knew. They didn't resemble spies at all.

However, about an hour later, one of the viewpoints shifted.

The person had arrived at some secluded location outside the Nie residence.

"Third Miss..."

Spray of Flowers' voice was heard.

The video happened to clearly show Nie Linglong's face.

"You were looking for me." Nie Linglong turned to Spray of Flowers.

"The captain brought us to the Fearless Alliance today."

"To the Fearless Alliance?" Nie Linglong looked indifferent. "And then?"

"Ye Wanwan has a plan to make Madam and Sir give up on Miss Worriless and pass on the position of family head to the captain." Spray of Flowers didn't sound very calm.

In the next second, Spray of Flowers started reiterating the plan that Ye Wanwan revealed to them in the conference room without leaving a single word out.

Watching this, Ye Wanwan was astonished. As for Feng Xuanyi, he looked disappointed.

“Third Miss, was Ye Wanwan really sent by the Direct Line to harm the Nie family?” Spray of Flowers questioned doubtfully.

“What? You don’t believe me?” Nie Linglong expressionlessly asked.

Chapter 2025: Go and kill her

“No... If it weren’t for Third Miss saving my life back then, I would’ve died already...” Spray of Flowers shook his head. “I naturally believe your words, Third Miss.”

“Then that’s all,” Nie Linglong said.

“But... Feng Xuanyi said Ye Wanwan might be the real Miss Worriless. Could it be the one at home right now is... fake?” Spray of Flowers asked.

“Heh, absolutely idiotic.” Nie Linglong aloofly chuckled. “Direct Line knew you and the others went to China to search for Sister Worriless so they sent Ye Wanwan to China in order to make you believe Ye Wanwan was the real Worriless Nie. However, I found Sister Worriless first, so the Direct Line’s plan failed. Since Ye Wanwan failed to impersonate Sister Worriless, she’s inciting Eldest Brother to fight for the position of family head. With Eldest Brother’s brain, if he becomes the family head, I’m afraid the Nie family will become Ye Wanwan’s in the future. Do you understand?”

“Understood.” Spray of Flowers nodded.

“Alright, report everything you know to Sister Worriless. After all, it’s Sister Worriless who will soon become the head of the Nie family,” Nie Linglong said.

“Okay. I know what to do.”

...

A moment later, Spray of Flowers found “Worriless Nie” and informed her about everything he knew.

“Heh. She wants to plot to harm me? That trash?”

“Worriless Nie” sneered.

“Miss Worriless, don’t blame the captain. The captain suffered some trauma back then... so you know how his mind is,” Spray of Flowers said with a sigh.

“Of course I won’t blame Eldest Brother. After all, he’s being stirred up by someone else,” the fake Worriless Nie replied.

“Then... I’ll leave now.”

“Wait, Spray of Flowers, I have a mission for you. Go and kill that woman.”

A cold glint flashed through “Worriless Nie’s” eyes.

“Um...” Spray of Flowers seemed unwilling.

“What? You can’t do it?” asked “Worriless Nie” coldly.

“Miss Worriless, you should know the relationship between the captain and Ye Wanwan... Furthermore, Ye Wanwan is currently situated in the Fearless Alliance. How should I attack?” Spray of Flowers shook his head.

“Heh, Spray of Flowers, your assassination skills are unparalleled. As long as you want to, don’t tell me you can’t do it. Moreover, someone like Ye Wanwan has treacherous intentions. If this continues, she’ll definitely ruin Eldest Brother’s reputation. Even if you don’t care about the Nie family, can you bear to watch her keep harming Eldest Brother?!”

“I understand... However, I’m not fully confident. I can only try.” After saying that, Spray of Flowers didn’t give “Worriless Nie” a chance to reply and turned to leave.

...

Inside the Fearless Alliance’s conference room:

Ye Wanwan involuntarily shivered as she watched this scene. After all this trouble, it turned out the most idiotic member of the quintet wasn’t Nameless Nie. It was Spray of Flowers...

“Good.” Feng Xuanyi sighed as though a burden had been lifted. “He isn’t a pure traitor; he’s just rather stupidly loyal.”

At the mention of stupidly loyal, Liuying instantly entered Ye Wanwan’s mind...

However, Liuying was an incapable kind of stupidly loyal. This one was different.

“Actually, it was you who saved Spray of Flowers back then, Miss Worriless.” Feng Xuanyi pensively looked at Ye Wanwan.

“I saved Spray of Flowers?” Ye Wanwan was baffled.

“That’s right. Spray of Flowers committed a great mistake and nearly caused our whole team to be wiped out. It was you who pleaded with Captain to spare Spray of Flowers, Miss Worriless, but Spray of Flowers himself doesn’t know and thought it was Nie Linglong who pleaded on his behalf.” Feng Xuanyi helplessly smiled.

Chapter 2026: Make her suffer from her own scheme

Ye Wanwan was still missing a large portion of her memory, so she wasn’t at all familiar with what Feng Xuanyi said.

If Feng Xuanyi was telling the truth, then she could only say Spray of Flowers was too stupid and was used by Nie Linglong this whole time.

However, at least Spray of Flowers wasn’t completely opposing and betraying them.

“Miss Worriless, it would be better to plan ahead. Spray of Flowers’ brain is somewhat lacking. If he really believes in that impostor and Nie Linglong’s words and comes to assassinate you, Miss Worriless, it really would be a little risky considering his strength,” Feng Xuanyi advised with a helpless sigh.

Ye Wanwan merely smiled. “Little Stutterer, don’t forget where we are.”

“The Fearless Alliance,” Feng Xuanyi answered without thinking.

Ye Wanwan nodded lightly. “Even if I didn’t know Spray of Flowers was planning to come here to assassinate me, it wouldn’t be easy for him to attack me inside the Fearless Alliance, let alone when I’m aware of his plan now.”

Feng Xuanyi smiled. Indeed. His worries seemed a bit superfluous in a place like the Fearless Alliance.

Soon, Ye Wanwan summoned First Elder and Third Elder and made the best preparations they could in the shortest amount of time possible.

It was easy to enter the current Fearless Alliance headquarters, but leaving would be harder than ascending to the heavens.

Feng Xuanyi also didn’t leave and remained in the Fearless Alliance to stay with Ye Wanwan.

Currently, there were several dozens of people inside Ye Wanwan’s office, including the elders, Big Dipper, and Seven Star.

“Little Stutterer, do you think... Spray of Flowers will come?”

Ye Wanwan felt rather bored as the night turned late, and her gaze settled on Feng Xuanyi.

She called so many people there to protect her with such great fanfare. Wouldn’t it be too embarrassing if Spray of Flowers didn’t come?

Feng Xuanyi shook his head and chuckled lightly. “That’s difficult to say. After all... people with their intelligence aren’t on the same wavelength as me. They might come or they might not come.”

“Sis Feng, I don’t think it’s probable. Who would be suicidal enough to have the nerve to come to the Fearless Alliance and assassinate the President of the Fearless Alliance?” Big Dipper looked at Ye Wanwan in confusion.

Big Dipper quickly added, “If it was me and I wanted to assassinate you, Sis Feng, I would wait until you left the Fearless Alliance before acting. Why would I come running to your headquarters to attack, Sis Feng?”

Ye Wanwan: “...”

Ye Wanwan was at a loss for words. A problem that even Big Dipper could figure out, but Spray of Flowers... couldn’t?

“Little Stutterer, turn the surveillance on,” Ye Wanwan ordered some time later.

Feng Xuanyi nodded and stood up to turn on the TV.

Soon, several scenes appeared on the TV featuring viewpoints from Taoist Devotee, Iceberg Man, and Brick-moving Foreigner. It was pitch dark with occasional thunderous snores, so they were clearly asleep.

However, Spray of Flowers had a different view. The scene that appeared was very familiar.

“Eh, isn’t that our Fearless Alliance’s third floor?” Second Elder exclaimed in surprise when he saw the viewpoint from Spray of Flowers.

Everyone quickly turned to the TV screen. As Second Elder said, the scene was the Fearless Alliance’s third floor indeed.

Chapter 2027: Truss up tightly

Feng Xuanyi immediately turned off the surveillance on Dead Man and the others, leaving only Spray of Flowers’ angle behind so that the video was clearer.

In the video, Spray of Flowers was extremely nimble and successfully avoided all the guards inside the Fearless Alliance, making his way to the upper floors from the stairs.

Less than 20 minutes later, Spray of Flowers’ camera showed their current floor.

“D*mn... I take back everything I said. There really is a moron coming to the Fearless Alliance headquarters to assassinate our President!” Big Dipper was dumbfounded as he watched this.

Ye Wanwan smiled helplessly. Spray of Flowers was actually stupider than Big Dipper and didn’t understand a principle that even Big Dipper understood.

“President, we’ll go take care of it.” Third Elder eagerly volunteered as he stood up.

However, Ye Wanwan shook her head and said, “Don’t go out. We’ll all stay here.”

“Yes.”

Third Elder naturally didn’t refute Ye Wanwan. Staying in place would do.

Ye Wanwan looked at the TV screen. Spray of Flowers was rather swift and had arrived outside the office already.

On the big screen, Spray of Flowers’ angle spun a circle, as though the holder was checking for people nearby.

After ascertaining his safety, Spray of Flowers drew his dagger and lightly pierced it into the door.

...

Everyone inside the office stared at the dagger that appeared before turning to each other, bewildered.

It had to be said that Spray of Flowers had extraordinary locking-picking skills. A few breaths later, the lock was destroyed and the office door was lightly pushed open with a soft sound.

At the same time, several dozen pairs of eyes landed on the door.

Spray of Flowers was dressed in all black. After he entered, he quickly turned around to close the office door again.

However, when Spray of Flowers turned around again and met several dozen pairs of eyes, his expression became stupefied. This scene was so splendid it was difficult to describe.

“You’re here, bud,” Ye Wanwan greeted Spray of Flowers with a faint smile, standing up.

Spray of Flowers: “???”

The stares that stared down Spray of Flowers were as sharp as knives.

“Old pal, why are you so slow? You should’ve just directly taken the elevator. Why did you climb the stairs?” Second Elder frowned deeply at Spray of Flowers. If he took the elevator earlier, they wouldn’t have needed to wait for so long.

“Uh...”

Spray of Flowers’ mind seemed to have turned sluggish as he looked at everyone. He couldn’t understand this current situation at all. What were they doing?

There appeared to be something amiss...

“Uh...”

Spray of Flowers’ expression became progressively embarrassed.

“Haha, are you all having a meeting? It’s nothing; I just came to take a look. You can go back to work.”

After saying that, Spray of Flowers instantly turned around, planning to flee.

Ye Wanwan and the others didn’t move and allowed Spray of Flowers to leave.

Unfortunately, the second Spray of Flowers stepped out of the office, he discovered the members of the Fearless Alliance had closed off this floor entirely without the slightest opening. Several hundred people were blocking his path right outside the door.

Spray of Flowers had no choice but to retreat back into the office. He awkwardly chuckled as he said, “Boss Famous, are you pranking me...?”

“Pranking you?” Ye Wanwan shook his head. “I wouldn’t dare. I haven’t even done anything, yet you’re already here to harm me. If I was pranking you, wouldn’t I be dead without a burial place already?”

Spray of Flowers frantically shook his head. “Boss Famous, what are you saying...”

Chapter 2028: So what if I’m pranking you?

“Spray of Flowers, here’s the rope.”

Moments later, Feng Xuanyi walked out from the crowd and tossed a roll of nylon rope at Spray of Flowers’ feet.

“What is this...?” Spray of Flowers stared at the rope, stunned.

When Spray of Flowers saw Feng Xuanyi’s face clearly then reflexively turned to look at the big screen in the office, he felt like a bomb exploded in his head.

“D*mn... Feng Xuanyi, you bloody stutterer! You bloody b*stard! It had to be you! Only you would do something so shameless! You actually helped someone prank me?!”

Spray of Flowers immediately hurled all kinds of curses toward Feng Xuanyi when he regained his wits.

Feng Xuanyi carelessly glanced at him and aloofly countered, “So what if I pranked you? It’s not like I need to take any responsibility after pranking you.”

Spray of Flowers: “...”

“Enough nonsense. Be more obliging and don’t wait until these good men from the Fearless Alliance act. They won’t be so gentle then,” Feng Xuanyi said to him after another sigh.

“You want me to bind myself up...? What cosmic joke are you telling? This is humiliating! This is contempt! This is disrespect...” Spray of Flowers shouted coldly.

Spray of Flowers continued yelling, “No matter what, I was once a top-notch assassin! To me, there are only two types of missions. The first type is the ones where I succeed and I leave. In the second, I fail and don’t leave. You want me to tie myself up? No way in hell!”

“Eh, you’ve got quite the temper!” Big Dipper stared at Spray of Flowers. “Since you won’t act, let us come and help you!”

The members of the Fearless Alliance all converged onto Spray of Flowers.

Seeing dozens of people approaching, embarrassment covered Spray of Flowers’ face. Without any hesitation, he picked up the rope off the floor and tightly tied himself up in front of everyone.

“Haha, I’m just kidding. How can I allow everyone to do such rough work? No need for the trouble; I can do it myself. Everyone, sit down, don’t get tired. It’s not worth it...” Spray of Flowers obsequiously smiled.

“Eh, aren’t you a top-notch assassin? Tying yourself up should be contemptuous and humiliating to you, shouldn’t it?” Ye Wanwan asked curiously.

“Boss Famous, what are you saying? Isn’t this history...? I was *once* a top-notch killer. Furthermore, whether I tie myself up or not is unimportant. What’s important is that I like to be humiliated and disdained and such...” Spray of Flowers said.

Big Dipper: “...”

Seven Star: “...”

They had seen shameless, but they had never seen someone this shameless. Seconds ago, he was acting like he was number one in this world and would rather die than submit, but in the blink of an eye, he lost all attitude.

“Um, Boss Famous how tightly should I bind myself?” Spray of Flowers seriously asked Ye Wanwan.

“However you wish.”

Moments later, Ye Wanwan didn’t know whether to cry or laugh as she surveyed Spray of Flowers, who had trussed himself up tightly. With this intelligence, he was a top-notch assassin...?

“Punk, I’m telling you, you better not play any tricks! Tie yourself properly or else your Grandpa Big Dipper will pierce you with a white knife and pull out a red blade!”

Big Dipper swiftly marched forward to inspect Spray of Flowers.

“Sis Feng, he really tied himself with a dead knot. It’s all fine,” Big Dipper reported to Ye Wanwan.

“You guys can leave now,” Ye Wanwan said to everyone in the office.

The elders quickly led everyone out of the office, quietly closing the door behind them.

Chapter 2029: Dissimilar people don’t become family

Ye Wanwan and Feng Xuanyi sat on the sofa and evaluated Spray of Flowers, who had trussed himself up tightly, like he was an idiot.

“How does it feel?” Feng Xuanyi asked the other man with a smile.

“Hmph, you wicked thing! You actually helped Boss Famous attack me! Tell me! How much money did you take from Boss Famous?!”

The smile on Feng Xuanyi’s face instantly disappeared. He turned to Ye Wanwan as though he had woken up from a dream.

“That’s right. You’re now the President of the Fearless Alliance, and I’m considered a member of the Nie family. Me helping you is the same as being hired by the Fearless Alliance. About my wages...” Feng Xuanyi quietly began.

Ye Wanwan: “...”

She was wondering how Feng Xuanyi got along with Nameless Nie’s squad. Now, she finally understood. Dissimilar people didn’t become family.

“Now isn’t the time to discuss money. We’ll shelve it,” Ye Wanwan responded after a moment of thought.

“Alright.” Feng Xuanyi was very satisfied and nodded enthusiastically. Everything was swell as long as she agreed to pay him.

Feng Xuanyi returned to the matter at hand. “Spray of Flowers, you’re quite gutsy! You actually dared to commit such a nefarious evil deed! I have a recording as proof for your actions, and I’ll inform the Captain and make him punish you.”

Spray of Flowers’ expression shifted instantly. “D-do-don’t...”

“You freaking dare to imitate me?!” Feng Xuanyi angrily glared at him.

“Who’s imitating you? F-f-fine...”

“Freaking again?!”

“I’m wrong, alright?! Let’s talk it out! You mustn’t tell the Captain. If you tell the Captain, I’m as good as dead!” Anxiety filled Spray of Flowers’ face. They could beat him to death right now as long as they didn’t tell Nameless Nie...

“I said you’re a dim-wit, but you wouldn’t admit it, yet you ridicule Little Sweetie every day? Which of them isn’t smarter than you? Why would you listen to Nie Linglong and that impostor? They’re telling you to go die, so why aren’t you going?” Feng Xuanyi disappointedly reprimanded.

“Impostor?”

Spray of Flowers was surprised and incredulous.

“You’re saying the Miss Worryless at home is fake?”

“If I remember correctly, I told you back in China that it’s very possible Miss Wanwan is the true Worryless Nie, right?” Feng Xuanyi asked.

“Wait... Miss Linglog said she’s a member of the Direct Line... She came here to harm the Nie family and wants to make the entire Nie family disappear.” Spray of Flowers frantically shook his head.

“Is Nie Linglong your real mom? Why are you believing everything she says? Don’t you have a brain? Can’t you think for yourself?” Feng Xuanyi coldly lectured.

“Bloody stutterer, you can humiliate me, but don’t humiliate my mom!” Spray of Flowers was enraged.

Ye Wanwan: “...”? *This guy might really be stupider than Big Dipper.*

“I’m frankly telling you now. The person you came to assassinate today is the true Miss Worryless. Do you understand now?” Feng Xuanyi said.

“What proof do you have?” Spray of Flowers was unwilling to give up.

“Proof?” Feng Xuanyi immediately tossed two DNA test results to Spray of Flowers.

“What is this?” Spray of Flowers asked inquisitively.

“DNA test results. Ye Wanwan is Young Master Tangtang’s biological mother, and the other report belongs to that impostor, who isn’t Young Master Tangtang’s biological mother,” Feng Xuanyi explained.

“Not like I can read it.” Spray of Flowers shook his head furiously.

Chapter 2030: Are you really Miss Worryless?

“I didn’t count on you to understand it. I’m simply telling you I’ve confirmed that Miss Wanwan is the true Worryless Nie, and the one at home is an impostor employed by Nie Linglong. You idiot—you’ve

been used by Nie Linglong this whole time,” Feng Xuanyi coldly explained while staring at Spray of Flowers.

Spray of Flowers furrowed his brows. He had some previous suspicions. Nie Linglong kept telling him that Ye Wanwan was a member of the Direct Line, but no matter how you looked at it, Ye Wanwan had nothing to do with the Direct Line.

However, it came from Nie Linglong’s mouth, so Spray of Flowers chose to believe it.

“Also, idiot, because of you, you nearly destroyed our whole team. It was Miss Worryless who wrote a letter to the captain to plead on your behalf that you were pardoned from death,” Feng Xuanyi added.

“It was Miss Worryless who pleaded on my behalf?” Spray of Flowers was dumbfounded.

“Take a look for yourself. This is the letter Miss Worryless personally wrote back then.”

A yellowing letter somehow appeared in Feng Xuanyi’s hands.

“I’m tied up; how should I read it?” Spray of Flowers cried.

Feng Xuanyi had no choice but to open the letter and hold it in front of Spray of Flowers.

After Spray of Flowers finished reading the letter, he was surprised. The contents of the letter were indeed a plea on his behalf, and the name at the bottom was Worryless Nie indeed.

But previously... Nie Linglong kept misleading him, making him think the one who pleaded on his behalf back then was her, Nie Linglong.

This meant Nie Linglong had been deceiving him this whole time?!

“Are... are you really Miss Worryless?” Spray of Flowers looked at Ye Wanwan.

“The one and only,” Ye Wanwan answered.

“But if you’re really Miss Worryless, why would Nie Linglong say you’re from the Direct Line?” Spray of Flowers asked with a frown in confusion.

“You idiot. Do you need to ask?” Feng Xuanyi shot him a look. “Nie Linglong found an impostor to impersonate Miss Worryless and is now helping that impostor seize control over the Nie family. Nie Linglong clearly wants to control the Nie family, but her objective remains unknown.”

“Wait. If it’s as you say, Nie Linglong can just inherit the Nie family herself. Why would she need to find an impostor? That doesn’t make any sense! Is Nie Linglong dumb?” Spray of Flowers hastily countered.

Feng Xuanyi meaningfully stared at Spray of Flowers and appeared to be unable to control himself anymore and felt driven up a wall. He angrily shouted, “Where’s my sword?! Miss Worryless, give me a sword. I have to cut open his head today and see what the heck is inside!”

“Don’t! Calm down! Calm down first!” Ye Wanwan patiently started pacifying Feng Xuanyi.

It had to be said that for the holder of the brains like Feng Xuanyi, conversing with Spray of Flowers was truly freaking tiring!

After Feng Xuanyi used everything he had to calm himself down, he turned to Spray of Flowers again. “Are you freaking stupid? Nie Linglong was adopted by Miss Worriless into the Nie family. She isn’t related to the Nie family by blood—what right does she have to inherit the Nie family? If she didn’t find an impostor, it’d definitely be the captain who inherited the Nie family. Do you understand now?!”

Spray of Flowers furiously bobbed his head. “Right right right...”

“If you freaking imitate when I used to stutter again, I’m gonna seriously kill you!” Feng Xuanyi viciously rebuked.

“Who’s imitating you? Don’t be so sensitive, alright...? What I mean is that Nie Linglong indeed isn’t related to the Nie family by blood and can’t inherit the Nie family...”
