

Secret Love 2321

Chapter 2321 Forceful abduction?

Si Yehan's arrival still evoked quite a big wave.

After all, there were many members of the Arbitration Council present, and word of the incident last night had spread.

Every guest heard that this haughty and condescending Miss Yi ignored everyone but solely exchanged a few words with Si Yehan and invited him to dance with her.

Everyone was waiting for the next scoop of gossip, but Miss Yi didn't seem to show any reaction to Si Yehan's arrival and stayed seated where she was, conversing with Medusa without a glance at Si Yehan.

In reality, before Ye Wanwan could do anything, Yi Lingjun had hogged Si Yehan all to himself the second Si Yehan arrived.

Upon seeing the lack of interaction between Yi Yunmo and Si Yehan, Yin Heng, who had been paying close attention this whole time, finally breathed a sigh of relief. He really did over-think things...

Si Yehan's attitude was a big hit to Ye Wanwan, and she was unable to recover from the setback, listlessly sitting in her seat.

Medusa cleared her throat before comforting her. "Little Junior Sister, this proves he's devotedly loyal to you, so you should be happy instead! When you recover your identity as Worryless Nie, you can go on whatever date you want!"

Ye Wanwan grumbled. "But I want to go on a date with him now!"

It felt too terrible being able to see him but unable to touch him!

Medusa glanced at Si Yehan and tactfully said, "Judging from his current attitude, I reckon that's unlikely..."

Ye Wanwan was wallowing in her dejection when a thought sparked in her mind. "Why is it unlikely?"

Who am I?

I'm not Worryless Nie right now!

I'm the daughter of the Arbitration Council's president right now!

Ye Wanwan excitedly turned to Medusa and exclaimed, "Why am I pursuing him or asking him on a date? Why do I need to go through the trouble of pursuing him? With my current identity and background, I can throw my weight around and abduct him forcefully!"

Medusa said, "Eh..."

Wasn't there... something wrong with those words? But after carefully thinking about it, it sounded rather reasonable?

After realizing this, Ye Wanwan resurrected to full health and gracefully stood up on her high heels.

Tonight, she had applied a slightly smoky look and wore a black evening gown that revealed the beautiful butterfly bones on her back. The straps of her high-heels were designed as vines wrapping around her ankles, making her fair skin particularly seductive.

She nonchalantly sauntered toward Si Yehan, akin to a black rose under the moon, dangerous and mesmerizing.

So pretty...

Nearly everyone's gazes were glued to this girl.

When Yi Lingjun saw his daughter approaching them, he asked with his eyes, "What are you doing now? He clearly doesn't want to talk to you! He directly rejected you last night!"

Ye Wanwan ignored Yi Lingjun and stopped in front of Si Yehan. "Director Si, dance with me?"

Si Yehan: "..."

Yi Lingjun: "..."

All the observers: "..."

It was the same exact words... as last night...

If it was merely a casual invitation last night, then this second occurrence tonight couldn't be explained away, right?

After an unknown amount of time spent in a peculiar silence, Si Yehan slightly looked up at the girl and said, "Miss Yi, apologies, but I am busy today."

He actually rejected her again!!!

All the guests were simply incredulous and their eyes simultaneously shot toward Ye Wanwan.

Could she seriously tolerate it after being rejected twice in a row?

Ye Wanwan's lips curled up in a stunning and bewitching smirk as she slowly leaned down, stopping next to Si Yehan's ear. "Director Si, I'm not asking for your opinion."

After saying that, she directly snapped shut the opened file in Si Yehan's hand and stuffed it into Yi Lingjun's arms. "Now you aren't busy."

She then glared at Yi Lingjun in warning.

Yi Lingjun gulped. "Sigh, I'm old and my energy can't keep up. Let's discuss the matter another day."

Si Yehan: "..."

Chapter 2322 Protect your purity

Currently, the guests nearby might appear to be bustling with conversation, but in reality, every single pair of eyes had drifted toward them. Lin Que and Yu Shao were standing fairly close and didn't dare to even breathe too loudly as they watched the pair in a standstill with their swords drawn.

Qin Xiyuan was originally suspicious due to Yi Yunmo's looks but became uncertain when she saw Si Yehan's attitude.

The more Lin Que mulled over it, the more dismayed he became. However, he seriously couldn't think of a solution, so he hid to the side and lit a cigarette, spitting out a billow of smoke.

The smoke followed the wind and happened to float toward Si Yehan.

Ye Wanwan was waiting for Si Yehan's response, but her gaze shot toward Lin Que like a blade as she said, "The cigarette, snuff it out."

Lin Que was dumbfounded, the cigarette between his lips. "Eh... huh?"

Ye Wanwan extended her hand to wave away the wisp of smoke in front of Si Yehan before repeating, "Snuff out the cigarette."

Lin Que looked at Ye Wanwan and looked at Si Yehan before finally realizing what she meant. He didn't say anything, but complaints overflowed inside.

Are you for real? Ninth Brother is a man, so do you need to fuss over nothing when he's inhaling a little smoke?

Lin Que resentfully glanced at his Ninth Brother before obediently putting out his cigarette.

Si Yehan naturally saw Lin Que's resentful gaze but didn't reveal anything in his expression. His finger lightly tapped against the glass surface of the bar, his unfathomable, starry eyes silently staring at the girl.

Ye Wanwan said, "Director Si, this way."

She extended her arm toward Si Yehan.

Si Yehan glanced at the girl's soft and delicate palm before slowly standing up and enveloping her small hand with his bigger hand.

Accompanied by the melodious sound of the violin, the two of them stepped onto the dance floor.

On the dance floor, everyone subconsciously stopped their steps and retreated to the side.

These two people were seriously too dazzling. Their motions and steps as they danced clearly appeared nonchalant, but they matched so well that they resembled a passionately-in-love couple.

As everyone was amazed over this, they reflexively peered at Qin Xiyuan and Yin Heng.

People were originally amazed over this golden couple. Now, when they were compared to the couple on the dance floor, they became nothing.

"Tsk tsk, impressive! As expected, it's Eldest Young Master Si who's more impressive..."

"I admit defeat! So in other words, Qin Xiyuan was really lying, right?"

"Say, do you think Eldest Miss got together with Yin Heng because she was rejected and was shamed into anger?"

“Most likely! Where does Yin Heng have the capability? He was nothing but a manager after being in the Yin family for so many years? With that smidge of abilities he has, he can only pick up what Si Yehan doesn’t want!”

...

As the words around them turned more and more unpleasant, the more Qin Xiyuan found Yin Heng found displeasing. She shoved him away and stomped away angrily in her high heels.

She originally got together with Yin Heng to make Si Yehan regret it and humiliate him. Who would’ve expected the President’s daughter to take a fancy to him and cause her to turn into a joke?

Yin Heng staggered from the push, but his eyes remained intently glued to the couple on the dance floor, his expression abnormally dark.

How great an honor it was to obtain the favor of Vice President Qin’s daughter? But now, all the honor had turned into humiliation, and he became a clown from the comparison.

On the dance floor, Si Yehan had one hand laid over the girl’s hand while his other hand was around her waist but he didn’t actually touch her. He was a rather proper gentleman.

Chapter 2323 Goods in the thousands

Ye Wanwan stared at a certain someone’s aloof and distant chin. She ground her teeth before saying with a fake smile, “Director Si is such a true gentleman.”

“You’re over-praising me, Miss Yi,” Si Yehan replied.

Ye Wanwan pointedly said, “I heard Director Si has a fiancée. Someone who can make Director Si safeguard his purity this closely—she must be a perfect woman, right?”

Si Yehan glanced at her. “It happens to be the opposite.”

Ye Wanwan was startled. “The opposite?”

What does he mean? Si Yehan actually said I’m not perfect?

Si Yehan responded, “She isn’t perfect. She’s impulsive, easy to angry, terrible when drunk, unreasonable, likes to get into trouble, likes to get jealous a lot, and likes to deceive people. She especially likes to agree overtly but oppose people in secret...”

Ye Wanwan: “...”

Si Yehan continued, “When she promises me something on the surface, she never obediently adheres to it in secret and will always act outside my estimates and expectations...”

Ye Wanwan: “...”

“Every day I spend with her, it feels like an adventure...”

After listening to Si Yehan trash talk and bring up a bunch of her flaws, Ye Wanwan nearly couldn’t keep her expression in check anymore, and her tone darkened, “Is that so? Since your fiancée is so awful, what do you like about her?”

Si Yehan's gaze crashed into the girl's dazzlingly starry eyes. "Miss Yi, I thought I explained myself clearly just now."

Ye Wanwan: "..."

Ye Wanwan dazedly froze in her spot, unable to react for an eternity.

He explained himself clearly just now?

What did he explain? He was clearly trash-talking her!

Eh... So what Si Yehan meant was... everything he said just now... was what he liked about her...?

Si Yehan said, "Because that person is her, in my eyes, her good qualities are in the thousands."

F*ck!

Ye Wanwan's heart started leaping madly. Those words were more touching than fiercely praising her to be a goddess who was visiting the mortal realm!

Freak! What the heck was going on with Si Yehan?

Back then, his emotional intelligence was clearly in the negative, but now, he had turned over an entirely new leaf.

She came here to seduce him today but got seduced instead without warning.

The song concluded and thunderous clapping drowned the room.

"Miss Yi, you danced too well!"

"That's right, that's right! You're a goddess who descended to this world!"

...

"Miss Yi, business matters plague me, so please excuse me."

Ye Wanwan took a glass of red wine from a nearby server's tray and gently swirled it. "I'll escort you."

Si Yehan was expressionless. "No need."

Ye Wanwan continued to swirl her glass. Tsk, he managed to escape yesterday. Does he think he can still escape today?

The next second, Ye Wanwan nonchalantly twisted her wrist, and over half of the glass was spilled onto Si Yehan's clothes.

"NINTH BROTHER!" Lin Que jolted in fright. "Ninth Brother, are you alright?"

Si Yehan furrowed his brows and raised his hand. "I'm fine."

"I'm truly sorry..." Although Ye Wanwan said that, there wasn't a trace of apologeticness on her face. She ordered a nearby server, "Prepare a clean outfit and send it to my room."

The server immediately responded, "Yes."

Ye Wanwan turned to Si Yehan. "Director Si, you can come upstairs with me and change your clothes first before leaving."

Lin Que helplessly watched this scene and felt like a flame was burning underneath him from the anxiety.

F*ck! T-th-this... this was a real-life female hegemon!

How could she?!

Didn't she see that Ninth Brother was unwilling?

Plus, she clearly splashed that red wine on purpose. Put nicely, Ninth Brother would be following her to change his clothes, but who knew what she wanted to do?!

This... this was basically the saying "Sima Zhao's trick is so obvious that everyone knows"!

Chapter 2324 Can't protect his purity

Even Yi Lingjun almost couldn't keep watching anymore.

Good daughter, could you be any more obvious?

However, Ye Wanwan naturally ignored him.

This method might be shameless, but it was very useful. It was both logical and reasonable, so Si Yehan couldn't find a good reason to reject it.

And so, Ye Wanwan openly made Si Yehan follow her upstairs to her room.

Her position was too disadvantageous tonight; she must gain the upper hand this round.

In the back, Lin Que ran around in circles in distress but was powerless. He shook Yu Shao despairingly. "This is a hoax! A blatant hoax!"

Yu Shao cleared his throat. "Lower your voice. Don't over-react. I think Miss Yi just wants to become friends with Sir. Plus, I still maintain my initial viewpoint, and there isn't anything bad about this. Furthermore, Miss Yi has a much higher position than Qin Xiyuan. If we obtain Miss Yi's assistance, what we want to accomplish will become much simpler."

Lin Que glared at him instantly. "Your initial viewpoint? What's your initial viewpoint, huh? Have Ninth Brother use the beauty trap?!"

Yu Shao retorted. "Why do you have to put it so badly? He just has to use a little... a tiny bit."

"I dare you to repeat that in front of that demoness, Worriless Nie! Thankfully, the previous Qin Xiyuan didn't get her way, but Yi Yunmo is different! This woman is too scary! Even Ninth Master can't fend her off. If this continues, I'm afraid Ninth Master really can't protect his purity! At that time, it's not just a problem of a beauty trap! You'll have to start calculating how many times that demoness will hack you with her backsword!"

Yu Shao: "... His math was bad; it'd be better if he didn't calculate it..."

...

On the way there, Ye Wanwan kept to herself and maintained her haughty persona as she expressionlessly led Si Yehan to her room.

The party was held at Tianshui City's biggest hotel. Yi Lingjun had reserved the whole place, and Ye Wanwan's room was the presidential suite on the hotel's top floor.

"Ding!"

The elevator chimed and the duo reached the top floor.

"This way." Ye Wanwan walked ahead and pulled out a door card from her purse and opened the room door.

It seemed like a maid had lit some essential oil inside the room, so there was a very strong scent.

The aroma wasn't bad smelling; it was just so intense that it made people uncomfortable.

"I already had people prepare some clothes beforehand, so you can change into them first, Director Si." Ye Wanwan then added intentionally: "If you don't find it troublesome."

He will have to strip anyway...

Si Yehan acted like he didn't understand Ye Wanwan's underlying meaning. "Thank you, Miss Yi."

Then, he picked up the clothes sitting on the sofa and headed toward the inner room.

Why did he go that far to change his clothes...

Ye Wanwan felt pitiful and stretched her neck to secretly peek inside, her mind surreptitiously running through the best method of attacking later.

However, after waiting for an eternity, there still weren't any movements from Si Yehan.

What's happening?

Does it take that long to change his clothes? Why isn't he done yet...

In her puzzlement, Ye Wanwan stood up and walked inside.

She wasn't trying to intentionally sneak a peek or anything. She was just worried about him.

"Director Si..."

When Ye Wanwan reached the door to the inner room, she saw that Si Yehan hadn't entered at all and had maintained his position of opening the door. His icy gaze was staring at something inside the room, a chilling aura emanating from his entire person.

Ye Wanwan had no idea what happened, so she hastily walked over to see what was inside the room.

Chapter 2325 Screwed over terribly

Ye Wanwan had just reached the door and didn't have time to clearly see what was happening inside before Si Yehan took off his black jacket extremely fast and tossed it toward the bed inside the room, covering something up.

Then, as though Si Yehan felt like it wasn't enough, he severely ordered her, "Close your eyes."

Ye Wanwan was about to look at the bed but reflexively closed her eyes obediently. "..."

Sh*t! Just what kind of situation was this?!

Why was Si Yehan's expression so awful?

What could be on the bed that would anger Si Yehan to this extent?

It couldn't be a naked man, right?

Dead silence invaded the air, and she could only hear Si Yehan's heavy breathing from his rage.

Not only were Ye Wanwan's eyes closed, but she also had no idea what was going on. It felt truly torturous.

At this moment, rustling noises were heard from the bed. Later, a hoarse and panicked voice drifted to her ears. "Miss... Miss Yi..."

Sh*t?!

Why was there another man's voice inside the room?

Ye Wanwan couldn't resist it anymore and opened her eyes in a flash, only to see...

F*ck! There really was a man on the bed!!!

And she'd seen this man before!

It was the lamb-like youth whom a director introduced to her last time. She felt like this dad had nefarious intentions and might want to sell his son for glory.

She never expected him to be so efficient and move so quickly.

He packed the youth up and sent him to her bed the very next day!

"Miss Yi... I..." The youth lay on the bed, the upper half of his body completely naked and half covered by the jacket Si Yehan threw at him. His face was flushed and he couldn't say anything.

He never expected Yi Yunmo to not come alone and to also bring a man here.

In addition, this man was Director Si...

Ye Wanwan stared at the man on the bed and cautiously glanced at Si Yehan next to her. This situation simply made her head swell.

F*ck! She was absolutely screwed over badly!

"Your father sent you here?" Ye Wanwan harshly asked with a cold expression, trying her hardest to draw the line between them.

Baby, you mustn't misunderstand me! I didn't know anything!

The youth was trembling slightly and was going to cower back but thought of something. He mustered his courage, tossed away the jacket over him, and threw himself in front of Ye Wanwan. "Miss Yi! I beg you, don't kick me away! I'll do anything you want me to!"

Ye Wanwan narrowly dodged the youth's touch, her expression terrible. "Get out!"

The youth understood very well that he'd be doomed if he was kicked out by Ye Wanwan like this, so he could only continue to plead, "Miss Yi, I beg you... don't kick me out... at least... you... you don't dislike me, right...? You said... I had a lot of character..."

Si Yehan: "..."

Ye Wanwan felt like she just got f*cked over! Sh*t! It was just an off-handed remark! She didn't mean anything else!

Ye Wanwan reflexively turned and was about to say something to Si Yehan. However, Si Yehan had languidly fixed his sleeves and turned around already. "Since Miss Yi is busy, I won't disturb you."

The next second, without waiting for Ye Wanwan's explanation, the hotel room door was slammed shut with a "bang."

"You..." Ye Wanwan stared at the youth, angered to the point of not knowing what to say. Yet, this youth was probably a victim too.

"Get dressed!" Ye Wanwan could only throw these words behind her before rushing to chase after Si Yehan.

Chapter 2326 Ruining my plan for no reason

Lin Que and Yu Shao couldn't follow Si Yehan, so they could only anxiously wait at the bottom.

To their surprise, within a few minutes, they caught sight of Si Yehan walking out of the elevator by himself.

Si Yehan was wearing only a single shirt, the button at the top of his collar was unbuttoned, and his expression was dark as ink. This scene was seriously too misleading...

"Oh, sh*t... Don't tell me he really got..." Lin Que turned pale with fright and dashed up. "Ninth... Ninth Brother, are you alright? Where are your clothes?" What did Eldest Miss Yi do to you?"

Didn't he go to change his clothes? How come his jacket disappeared and he came out with just his shirt?

Si Yehan's extremely chilly gaze shot toward him, and Lin Que immediately quieted, not daring to ask another word.

Yu Shao and Lin Que met each other's eyes, their emotions complicated.

When Ye Wanwan finally caught up, all she saw were the taillights of a car. Si Yehan had driven away already.

When Medusa passed by, she happened to see Ye Wanwan and rushed over, lowering her voice. "Little Junior Sister... why are you standing here?"

Ye Wanwan released a long sigh, overwrought. "It's a long story. Hurry hurry, where's your car, Senior Sister? Help me catch up to Si Yehan's car first! I'll tell you in the car!"

"Okay!"

The two of them hurriedly entered the car. Medusa was driving while Ye Wanwan sat in the front passenger seat.

"What happened? Didn't you accompany Director Si upstairs to, eh... change his clothes?" Medusa was puzzled.

Ye Wanwan's expression darkened. "Don't bring it up. I finally managed to abduct him upstairs and didn't have time to do anything before... guess what? As soon as I entered, I discovered a giant present waiting for me!"

"A giant present?"

"A naked man lying on my bed... Si Yehan ran headfirst into him! Was I wronged or what?"

"Cough cough cough... How did that happen? Who did it?"

Ye Wanwan leaned forward to look ahead as she grumbled, "That Director Xu!"

"Director Xu? No wonder. This does seem like something he'd do. Sigh, this incident was truly... too coincidental!" Medusa didn't know whether to cry or laugh.

The more Ye Wanwan thought about it, the angrier she got. "Exactly! He ruined my plans for no reason!"

Medusa said, "Director Xu is blinded by greed and has always achieved his goals by hook or crook. From what I know, Director Xu's son has a decent character, so he was probably forced by his father and has it rather rough. Since you abandoned him and ran out tonight, he'll probably have a hard time when he gets home..."

Ye Wanwan's eyes glinted. "I'm very sympathetic to his ordeal, but I'm very sorry, I'm not some Holy Mother and can't rescue everyone in the world. This matter isn't within my jurisdiction."

She put herself on the other side of the equation. If this incident tonight befell Si Yehan and someone sent some pitiful beautiful woman with a tragic background to Si Yehan and Si Yehan helped that woman even if it was solely out of sympathy, she would still feel very uncomfortable about that.

She already caused Si Yehan to misunderstand her, so how could she meddle in this matter still? Who would she be then?

Call her selfish or unsympathetic, but other people's business had nothing to do with her.

Medusa was truly surprised when she saw Ye Wanwan's nervous and avoidant attitude. This was her first time seeing Little Junior Sister caring so much about a person.

Medusa said, "Your method isn't wrong. Otherwise, if you made this a first and everyone else started following along, you won't be able to handle it. Anyway, it's not convenient for you to do this; it'd be awful if Si Yehan misunderstood you again. Don't worry, leave this matter to me."

Chapter 2327 Barrel in and poach people

Ye Wanwan immediately looked at her gratefully. "Thank you, Senior Sister! You're the best!"

"Why are you being polite to me?!"

The two of them arrived in front of Si Yehan's current residence.

They were about to exit the car when Ye Wanwan suddenly stopped Medusa. "Senior Sister, wait!"

The duo had parked the car far away and saw that a car seemed to have been parked at the entrance for a very long time.

As soon as Si Yehan arrived, the doors to that car opened, and a woman wearing a steward uniform, who looked to be in her 50s or 60s, walked out.

Behind the housekeeper were two young, beautiful, and exquisitely dressed girls.

One of the girls was exceedingly beautiful while the other was bewitching and seductively. They were two entirely different types, but both had extremely outstanding looks.

When the two girls saw Si Yehan, their eyes brightened, and they unwaveringly stared at him.

Ye Wanwan narrowed her eyes, feeling the situation taking a downturn.

"Eldest Young Master, you're back." The housekeeper respectfully bowed at Si Yehan.

Si Yehan glanced at the two women behind the housekeeper. His mood was bad to begin with, but his expression darkened even more. "It appears Director Yin doesn't recall what I said to her at the banquet last time."

The housekeeper had her head lowered and said neither servile nor haughty, "Eldest Young Master, I'm merely obeying my orders. Madam ordered me to bring these people to you. If you don't accept it, I can only continue to send more."

When Lin Que felt his Ninth Brother's expression turning more frightening, he felt as though his head could explode.

There was already a hole in the ceiling, but it just had to keep raining every night. How come they couldn't nip these peach blossoms and they increased instead?

"Say, Auntie Qiao, how can you guys act like this? Ninth Brother already said he doesn't need them, but you just have to keep sending them!" Lin Que angrily cried.

"This old servant is just obeying her orders. If Eldest Young Master doesn't like these two girls, this old servant can send other girls tomorrow." The housekeeper was unrelenting.

Lin Que: "..."

Nearby, the volume of their conversation was enough for Ye Wanwan to hear it clearly. She finally realized what was going on.

She knew it! She knew it! The matter was identical to her initial anticipations!

Yin Yuerong really was poaching her prey from the very beginning!

And she was sending people every single day?!

Ye Wanwan pushed open the door with a swish and stomped out. Medusa was afraid Ye Wanwan would wreak havoc, so she hastily followed.

“Housekeeper Qiao!”

The girl’s clear and melodious voice surprised the housekeeper, and the woman reflexively turned to the speaker.

“You are...” The housekeeper never saw Ye Wanwan in real person but had seen her in photos, so she immediately recognized the newcomer. “Miss Nie...?”

Behind Ye Wanwan, Medusa spoke up. “This is President Yi’s daughter, Yi Yunmo, Miss Yi.”

The housekeeper’s expression turned serious and she immediately greeted Ye Wanwan reverently, “So you’re Miss Yi. This old servant has been rude.”

So... she was Yi Yunmo—the woman whose identity Old Madam suspected.

Lin Que looked at Yi Yunmo, who suddenly appeared, and turned further dumbstruck. “D*mn... why did this woman chase us all the way here? What does she want?”

Yu Shao looked at Yi Yunmo and the housekeeper and her two accompanying beautiful women. His head pounded incessantly.

What kind of strange scene was this...

Ye Wanwan’s face was frosty as she surveyed the two beautiful women behind the housekeeper.

“Housekeeper Qiao, it appears my recent attitude wasn’t expressed clearly enough?”

Housekeeper Qiao kept her head lowered. “This old servant doesn’t understand your meaning, Miss Yi.”

Chapter 2328: Launch rampage mode

Ye Wanwan’s lips curled up at the corners, and the chilly aura around her intensified. “You don’t need to understand anything—you just need to know one thing: I don’t care who sent you here, but if I see women appearing within half a step of Director Si again, you’re solely responsible for the consequences.”

Housekeeper Qiao: “...”

Si Yehan: “...”

Lin Que: “...” Why’s this tone so familiar?

Yu Shao: “...”

Medusa: "..."

The housekeeper was dazed for half a day, at a loss for words. The other person's aura was seriously too frightening. She exerted a terrifying murderous aura and a formidable pressure that belonged to a superior person.

Ye Wanwan's face turned chillier. Her aloof glance felt like a snowstorm. "I'll give you three seconds. Take your people and scram."

The two girls' eyes shot open. They never expected the President's daughter to appear here, bust out and steal a man from them. Unwillingness was written all over their faces and they kept looking at Si Yehan.

After all, as long as they were accepted by Si Yehan, their futures would be bright and smooth. How could they willingly give up such a great opportunity?

The seemingly pure-looking girl glanced at Si Yehan aggrievedly before mustering her courage and protesting, "Miss Yi, even... even if you're President Yi's daughter, aren't you acting too tyrannically?"

The other seductive girl quickly agreed. "That's right? Why won't you allow us to come to Director Si's place? He doesn't belong to anyone!"

Ye Wanwan's eyes were downcast as she chuckled lowly. In the next second, the reverberating clang of a blade was heard as Ye Wanwan casually drew out the backsword Medusa carried on her person at all times and chopped the floor by the girls' feet.

A crack instantly appeared on the marble floor and stretched to the tips of the girls' toes.

"Ahhh!!!"

That bloodthirsty posture of an army crawling out of hell scared the two girls to the point of screaming.

Ye Wanwan asked, "You won't leave? Sure, then stay behind."

In other words, leave your lives behind.

"No no no... We'll leave... We'll immediately leave..."

The two girls didn't dare to linger and stumbled and staggered their way into the car. This woman was the daughter of Yi Lingjun. What didn't she dare to do?

Upon seeing this, the housekeeper could only also leave for now.

After all, even Old Madam couldn't determine this woman's identity. If—if this woman really was Yi Yunmo and she antagonized her... they wouldn't be able to endure the consequences.

After the housekeeper left, no one said anything, and the entrance was deadly silent.

Ye Wanwan didn't utter a single word and silently stood there, negative ions emanating from her every cell. Her fury was on the brink of explosion.

Judging from what Housekeeper Qiao said just now, this wasn't Yin Yuerong's first time sending women to Si Yehan's doorstep.

F*ck! She could forgive the most beautiful woman of Tianshui City, Qin Xiyuan, but even Si Yehan's real mom was poaching her man while sparing no pains.

She had obediently waited in Yun City, but what she got was peach blossom admirers fluttering everywhere and throwing themselves at her man one after another?

If she hadn't come, wouldn't he be drowned by his peach blossoms? Gah!

Medusa didn't dare to even breathe too loudly and carefully stared at the backsword in Ye Wanwan's hand. "Yunmo... my... sword... be careful with it..."

It was over! It appeared Little Junior Sister really reached her limits this time and was scarier than last time.

Lin Que and Yu Shao also stopped breathing in their fright. Lin Que grumbled in an extremely quiet voice, "Why does this... this attitude... look more and more familiar to me..."

Chapter 2329: You want to bribe me with just this?

Meanwhile, Yu Shao was incredibly anxious. What should they do? It wouldn't do them any good if they really infuriated Yi Yunmo.

Judging from Yi Yunmo's personality, she was probably spoiled rotten by President Yi and would obtain whatever she wanted regardless of what it was. Furthermore, other people weren't permitted to even touch it.

When she liked you, she could listen and do anything you wanted her to do. However, if she was humiliated into anger and she sought retaliation, it'd be over for them...

"Lin Que, how about you go and explain things to Miss Yi. Don't drag us down too," Yu Shao urged.

Lin Que immediately retreated a step. "Are you kidding me? She has a sword in her hand! What if her hand slips? I won't go! If you dare, you go!"

Yu Shao had no choice and could do nothing but fret anxiously. It was improbable for him to rely on Si Yehan to pacify and sweet-talk her...

Ye Wanwan threw the backsword back to Medusa and looked at the man across from her. She snorted and said, "It appears Director Si is surrounded by beautiful women and spending every day in paradise. You seem to be having quite the time in Tianshui City, are indulging in pleasure, and have forgotten your home and duties. I was being meddlesome."

Ye Wanwan took a deep step and forcefully suppressed her fury before turning and leaving.

If she continued to stay there, she couldn't guarantee what she would do.

However, she had just taken a step when her icy hand was clasped from behind.

Ye Wanwan stiffened and paused, her eyes followed the big hand holding her and she crashed into a pair of deep eyes.

Ye Wanwan was expressionless. "What are you doing, Director Si?"

“Miss Yi, how about you come inside and have some tea?”

Ye Wanwan: “...”

Have some tea your a**! I’m full from my anger!

Ye Wanwan’s face remained chilly. “Forget it. It’s late already; Director Si is probably unavailable.”

“I’m available.”

“I still won’t drink it!”

Si Yehan sighed lightly, extended his arms, and gently pulled her into his arms. “Don’t be angry. It’s my fault.”

Ye Wanwan: “...”

Lin Que and Yu Shao’s eyes shot open. “...???”

W-wh-what... what the heck was happening?

Ninth Brother held Yi Yunmo’s hand of his own volition and also embraced her?

Wasn’t this too shocking?!

Medusa was startled initially before exasperation filled her face. Si Yehan probably recognized Little Junior Sister. If she still hadn’t lost her disguise, it’d be a miracle!

However, she had no idea when this man realized this...

When the man’s extremely gentle voice drifted into Ye Wanwan’s ears and paired with that long-absent embrace, a lump entered her throat and she felt like a popped balloon.

However, when Ye Wanwan saw his attractive face, rage resurged inside of her. “It’s improper for a man and woman to touch each other. Director Si, please conduct—”

Before she could finish saying “conduct yourself with dignity,” the man’s cool lips pressed down and stopped her following words.

Ye Wanwan: “...”

The final remaining anger inside Ye Wanwan instantly dissipated. She blinked and blinked and finally realized something.

Did I lose my disguise?

“D*mn, Ninth Brother!!!” Lin Que exclaimed out loud. Yu Shao was also dumbstruck.

Si Yehan originally intended to stop at a light kiss, but the girl’s dazed reaction probably pleased him, so he tightened his hold around her waist and kissed her deeper.

He finally stopped a moment later, his hand softly petting the top of her head.

Ye Wanwan expression’s stiffened and she cleared her throat. “You want to bribe me with just this?”

“What do you want then?”

“Sleep with me!”

“Okay.”

Chapter 2330: This familiar flavor of PDA

At the door:

Although Medusa was mentally prepared, she was still at a loss for words. However, her little junior sister lost her disguise already, so she could only go home first.

As for Yu Shao and Lin Que...

In the night wind, the duo was still frozen like a statue as they watched Yi Yunmo and Si Yehan entering the mansion together.

Yu Shao: “What... what should we do...?”

Lin Que: “Didn’t you always suggest Ninth Brother to use the beauty trap? Isn’t this perfect according to you?!”

Yu Shao: “But I never said to have Sir go sleep... sleep... sleep...”

Lin Que couldn’t listen anymore and finished it for him. “Sleep with her!”

Yu Shao chased after them in a panic. “...I can’t! I must stop Sir Director!”

Lin Que hastily grabbed a hold of him. “Come back! Why are you so slow-witted? Can’t you tell yet?”

Yu Shao was startled. “Tell what?”

Lin Que grumbled, “Yi Yunmo is Worriless Nie!”

“What did you say? How’s that possible?”

Lin Que looped his arm over Yu Shao’s shoulders, his voice resolute. “I also thought it was impossible, but believe me, I wouldn’t mistake this familiar flavor of PDA even if I had my eyes closed!”

Yu Shao: “...”

Inside the bedroom:

Ye Wanwan furiously sat down on the bed.

As Si Yehan loosened the buttons on his dress shirt with one hand, he leaned over to pat her on the head with the other hand. “Wait for me to change.”

He got splashed with a full cup of red wine by Ye Wanwan earlier. His jacket wasn’t the only casualty—his dress shirt also got stained quite a bit.

Si Yehan’s motions as he changed were leisurely and simply pleasing to the eye.

However he was just too slow.

As Ye Wanwan sat there, she was evidently impatient.

Si Yehan naturally noticed her expression, he stopped, leaving his buttons halfway buttoned. He approached her. "Still angry?"

Upon seeing Si Yehan finally sparing that shirt, Ye Wanwan's expression eased a little. She pulled and forcefully pressed him onto the bed. "When did you recognize me?"

Si Yehan: "Just now."

Ye Wanwan narrowed her eyes, clearly disbelieving him. "Really?"

Si Yehan could only correct himself, "When you invited me to dance with you."

"Tell the truth!"

Si Yehan's lips turned up. "The first time I saw you."

Ye Wanwan was stupefied. "..."

That's illogical! He actually recognized me so easily?

"And you kept rejecting me?" Ye Wanwan glared at him.

Si Yehan replied, "I was just cooperating with you."

"..." Ye Wanwan actually had nothing to refute that.

She originally thought she was the champion already, and yeah, she was the champion indeed, but Si Yehan was more heavenly defying! He was the GM!

Si Yehan clasped her waist with one hand and aloofly asked, "You don't need to return to the hotel?"

At the mention of the hotel, Ye Wanwan naturally recalled the wild man on her bed.

Ye Wanwan sounded weaker immediately. "Ahem, why would I return to the hotel? Of course I don't have to! I really didn't know anything about tonight's incident! It was all Director Xu's fault! He stuffed that guy inside my room; I'm also the victim here! Anyhow, I just had one guy, but someone's been sending you beautiful women every single day!"

Si Yehan said, "I need to apologize to you regarding my mother's matter. I was worried you'd get angry which was why I didn't want you to come to Tianshui City and stick your feet into this messy situation."

How could she still be angry after listening to Si Yehan's words? Her heart panged for him.

"Then we're even! You also aren't allowed to be angry anymore!" Ye Wanwan said.

"I'll try my best."

Ye Wanwan: "..."

Shouldn't he open-heartedly say he's not angry? Does he have to be so honest?

Fine! Your vinegar factory is large-scaled! Whatever you say goes.
