

Sensualist's 101-110

Chapter 101

Yang Yu deliberately set aside several other boyfriends and let them go to another direction to pick up firewood, while he and Zishu work together.

"How's your good friend recently?" Yang Yu smiles and asks about Mei Xin.

"She is crazy to miss you. She wants to come to school to find you. And she broke up with her boyfriend Zishu and Yangyu are happy together.

"Break up? Why Yang Yu picked up the broken bamboo branches and asked.

"It's not because of Mr. Yang." Zishu pouted her mouth, bent down to pick it up, and continued: "once she scolded her boyfriend for being too young, and said that teacher Yang was too powerful. She missed her mouth, had a big fight, and then split up. It is estimated that she is dying of hunger and thirst, and has no man for several weeks, ha ha."

"Ha ha, but in terms of her boyfriend's size, it's no different from breaking up. What about your sister? Are you still at home? " Yang Yu also asked casually.

Purple Shu a Leng, did not expect teacher Yang how suddenly asked his sister, also did not think much: "she is at home to help, however, may be more days to go to the county to work."

Yang Yu said, but he didn't think much about it. It's not that he was thinking about Ziyang in his heart, but Ziyang is a very clever and sensible girl, mature and self-restraint. Yang Yu has a good impression of her. If he can get in touch with her by mobile phone, Yang Yu will probably chat with her online.

"Miss Yang, do you think that pervert will come out again?" Zishu is actually afraid of it. Although there are several people coming home together, they are very timid. The abnormal devil has been magnified infinitely in the school, making people panic.

Yang Yu also knows that if the pervert is not caught one day, the school will be restless, and the students will be worried after school, especially the girls like Zishu and Xiaomei who have to climb mountains are even more dangerous.

The police have completely given up the investigation. Yang Yu is not a police officer, and he does not know how many clues the police have. He has no right to know these clues, so he can only rely on himself to investigate. However, he is sure that the pervert has been in Yunv village, maybe he is still a person he knows.

Yang Yu touched Zishu's head with his hand and said, "don't worry, Mr. Yang will catch him and let you go to school at ease."

Naturally, he rubbed the girl and made her blush.

They took the firewood back and helped to burn it together.

"Zishu, why are you so red? What are you doing with Mr. Yang?" The questioner is a female classmate at Zishu's back desk, who is also very coquettish. When she is alone with Zishu, she asks softly.

"Nothing to do, picking up firewood." Zishu panicked.

"I heard that you had sex with Mr. Yang. Is that true?" The girl asked after her.

"No, you don't want to listen to their nonsense. There is no such thing." Zishu immediately denied, this thing or can't let the students know.

The sun gradually rose to the sky, the temperature was warmer, and everyone actively helped to cook.

The atmosphere was very entertaining. The students were boisterous and laughing.

Yang Lin is alone. She only observes Yang Yu and Li ruorong from time to time, but she is only half angry every time. Li ruorong follows Yang Yu closely, burning firewood together, washing vegetables together, and talking and laughing.

Yang Lin sometimes wants to go up and scold Yang Yu, but she can't bear it. Sometimes she thinks that she is jealous. Is it OK to hold injustice for her good friend? Or Yang Yu, a hypocrite with human face and animal heart, took away the first night and became angry.

Happy time is always short, it's already noon.

"Students, students." Yang Yu clapped his hands and yelled: "the food is ready. Come here and have a meal together. After eating, we have to climb up. The scenery is still inside."

As soon as the students listened to the meal, they were already very hungry.

More than a dozen people, surrounded by two circles, ate with relish what they made.

"Sister Rong, your milk is so big. What did you eat?" All of a sudden, a female student asked. Suddenly, all the students stopped their chopsticks and longed for Li's answer.

Yang Yu was stunned. How could he ask such a question at the dinner table.

"This one? Because you can touch it, Mr. Yang When Li ruorong said this, her eyes were looking at Yang Yu. At the beginning, she used this logic to deceive Xiaomei.

The students moved their eyes to Yang Yu again, but Yang Yu was embarrassed. He gave Li Ruo Rong a

white look and said, "no, sister Rong is born so big."

Yang Yu's words, those female students are all cast to the envy of the eyes.

After the meal, the students packed up and climbed to the front stone valley. They enjoyed the beautiful scenery while playing on the road. There are many wonderful stones in the stone Valley, which is very spectacular. Yang Yu specially brought his mobile phone and took many photos for the students. When he went to the county, he would print them to the students.

Not bad.

Along the way, it was playing games, singing and fighting. Everyone was completely integrated. Just like a sister, Yang Yu seemed to feel that everyone had united a lot. But the sun slowly West, twinkling of an eye, the first group of students will be ready to go back.

"Because the tent is limited, the students who want to stay to see the sunrise will follow me. Others have to follow Mr. Yang Lin home first. What do you think?" Yang Yu said, "if we are not the last in the county in the final exam, I will take you to the city. OK."

As soon as the students heard that they would have a chance to play next time, they were even more happy. Indeed, many students were very tired, although they were not happy enough. Some students were busy at home, some were tired, and some were afraid, so most of them went home with teacher Yang Lin.

Yunxi, Bai Xue, Shen Feifei and Banhua Zhang meiruo are left. Of course, Li ruorong is also left, and Yang Yu is six. Zishu really wanted to stay, but she couldn't help it. Her parents told her to come back, so she had to go back. She didn't like it. She could have had a chance to sleep with Mr. Yang at night, and then she could love her.

After they had gone away, Yang Yu turned back and said to the rest of the people:

"let's find a safe place to camp, and then cook. In the evening, let's look at the stars, chat and climb to the top of the mountain to see the sunrise tomorrow morning, OK?" Yang Yu suggested.

Everyone agrees. It seems that in the evening, Yang Yu becomes the only one we can rely on. With Yang Yu, we feel at ease.

Yang Yu took everyone to go on until he found an open space. The small open space was surrounded by stones, which completely blocked the wind. Moreover, it was surrounded by big stones on three sides, so it was very safe. The ground was small sand and stone, and there was no water. Camping here was the best.

The sun has already set in the west, and it will be a big trouble when it gets dark. To put it bluntly, it's really a bit of adventure, so Li ruorong doesn't make a joke, and he also helps camp seriously.

At night, the amount of firewood will be very large, so Yang Yu has been collecting firewood, sleeping at night, but also need heating.

On his way back, Yang Yu met a villager who was about sixty years old and was carrying a firewood. Looking at his dress, he should be a villager in the nearby village. When he saw Yang Yu and the tent far away, he looked scared and said to himself:

"If I were you, I wouldn't dare to sleep out here."

Yang Yu's ears are very sharp. He can hear them clearly immediately. As the saying goes, if you don't listen to the old man's words, you'll suffer in front of you. Yang Yu quickly asks, "old man, wait. What's wrong with camping here?"

"Hum!" The old man gave a strange smile: "I can't live here anyway." With that, Ren Yangyu ignored any questions and went straight away.

Yang Yu touched his head, puzzled and thought: is there a wild animal? There are wild boars at most. It should be OK.

When Yang Yu came back with firewood, he found that there were two more people.

Is it a pair of donkey friends or a couple.

"Hello, I'm a senior student. I'm here to travel. I wonder if I can make a company with you and camp with you? I brought my own tent The woman is very sharp, cut a short hair, looks very sunny and healthy.

Yang Yu looked at the man again, who was also very handsome, like a little white face, and seemed a little shy.

"No problem. It's more lively to have a companion and take care of each other. Besides, I don't have many boys." Yang Yu knows that more than one person will take care of more than one person, so he agrees.

Chapter 102

It's already dark. In addition to this fire, the whole bamboo forest on both sides of the mountain is dark, gloomy and strange.

Finally, everyone cooked the noodles. Around the fire, they took warm noodles and ate them.

Yang Yu looked at the couple next door, also holding a steel bowl, eating instant noodles, then called: "you also come together, people are busy, I'm warm."

The girl was stunned for a moment and said to herself: We? Then he turned his head and looked at the side. He didn't think much about it and passed away.

The girl and the boy come and sit on the left side of Yang Yu, and on the right side is Li ruorong.

"Let's take care of Qiuyue." Girls speak very sunny, very cheerful character. Next to her, her boyfriend was shy and introduced himself.

"Miss Yang, let's sing a song." Bai Xue suggests that she also loves teacher Yang's singing best. When Yang Yu sings, she will be fascinated to death. Yang Yu glances at Yun Xi and Shen Feifei, both of them eager.

"Yes, I can. I just don't have a guitar." Yang Wanyu took out his mobile phone and said, "do you want to sing the accompaniment of youth

Yang Yu opened his mobile phone, the prelude thought: "let's sing together, hold hands." Yang Yu wanted to bring up the whole atmosphere, so he took the hands of Li Ruo Rong and Qiu Yue beside him, and then sang: "maybe I won't see it again"

Bai Xue immediately sang along: "the yellowish sky at parting"

Li Ruo Rong, Qiu Yue, ban Hua and Zhang meiruo also sang along. Suddenly, everyone gathered around the fire and became very happy.

Yang Yu is singing. He has not been so happy and relaxed for a long time. He inadvertently picked up his mobile phone, turned on the camera and photographed everyone's happy appearance and the shadow of youth.

This is youth.

After a song, we are still alive.

"Let's take this song as our class song in the future?" Snow White has never been so happy. When she can be with music, she feels that she is with her soul.

"I agree." Shen Feifei also suddenly had the confidence: "Mr. Yang, we will not only take the first place in the county, but also win the basketball match."

Yang Yu did not expect that these young girls would be so sensible and moved.

Only happiness and emotion, and only the bitterness and rebellion of youth, encourage the generation of youth to move forward.

"I didn't expect you to be so sensible. Mr. Yang is very pleased." Yang Yu suddenly wet the corner of his

eyes: "we are so happy, it's still early, how about playing games?"

"OK, let's take the truth adventure." Li ruorong is so elegant. She usually disdains these things. Maybe she's in a good mood tonight.

"Just play. Who are you afraid of?" Everyone agreed, but Qiuyue's boyfriend waved his hand to Yang Yu and said he would not play. So seven people started to play, writing a number between 0 and 50. The person who guessed correctly had to answer a question and could not avoid it.

Yunxi won the first prize.

"I'll ask the question." Snow White is very excited tonight, scrambling to ask: "does Yunxi like teacher Yang?"

Yunxi a listen, the face brush of a sudden red.

Yang Yu is also a Leng, staring at white snow, and looked at three younger sister Yunxi, Yunxi also just looked over, two people four eyes to each other, three younger sister's face more red. Yang Yu hastened to help answer: "of course I like it. I'm her cousin."

"Hello, Mr. Yang violates the rules of the game. Yunxi has to answer by himself." Snow White is very clever.

That Yunxi is not so stupid, also said: "teacher Yang is my cousin, of course I like it."

"Well! Let Yunxi be spared for one time and teacher Yang be punished for another time. He answers the question in a hurry. Elder sister Rong, you come to ask the question. " Bai Xue said to Li ruorong that she was most excited tonight.

Li ruorong was not happy. She turned her head and said, "well, I'll sacrifice myself and ask a question with strong taste." Yang Yu suddenly became nervous. What good questions can Li ruorong ask?

Other people are also listening up, want to hear what questions Li ruorong will ask.

"If we sleep in a tent tonight and I take off all my clothes, will you fuck me?" Li ruorong asked boldly.

Poof!

Yang Yu sprayed out on the spot, and I made a list. Do you want to ask such a bloody question? Yang Yu has a look at everyone. Everyone is staring at Yang Yu, waiting for him to answer. But how can Yang Yu answer?

What's the answer? That's animals, even my girlfriend's sister? It's not an animal. What is it?

Answer no? That is to say, animals are not as good as men. Isn't it a failure like Wang Ren?

Yang Yu looks at Li ruorong again. She is holding her chin and looking at Yang Yu like a female dog. Yang Yu seems to have seen Li ruorong lying naked in the tent tonight and yelling wildly: "sister Rong is my girlfriend's sister. Of course, I respect her very much. I will help you put on your clothes so that you won't catch cold." Li ruorong listened and laughed. She expected the answer.

It was almost nine o'clock, the fire was getting smaller and smaller, and the temperature was getting colder and colder.

Qiuyue has already gone back to her tent. Yang Yu looks at the couple and hopes that the girl will cry louder in the evening. It's better for these female students to listen to the cry from the deep pleasure of the girl's body. The louder the cry, the more chance Yang Yu will have to start.

At this time, white snow took advantage of some place to come over, sat to the left of Yang Yu, quietly said to Yang Yu: "teacher Yang, your performance tonight is strange."

Yang Yu is frightened. He won't do that kind of action to the air like he did last time, will he? But think about it, no, everything is normal. What's wrong? Yang Yu couldn't think of it, so he asked casually: "is it strange? Don't tell me you can't see the autumn moon? "

"Of course, she's not a ghost." Snow said seriously, Yang Yu a listen, also at ease, tonight everything is very normal, ah, he did not dream.

"How do you sleep at night?" Yunxi a little sleepy, want to go to bed, asked next.

Everyone turned to look at Yang Yu. Yang Yu was stunned and said awkwardly, "you won't let me sleep in the tent, will you?"

"No. Yunxi wants to say whether you can sleep with Mr. Yang at night. " Banhua Zhang meiruo seldom makes a speech. She has always been aloof and aloof. She has integrated a lot with you tonight and will be joking.

"You all make fun of me." Yunxi really want to sleep with cousin, secretly aimed at cousin, face red.

In fact, many people want to sleep with Yang Yu tonight. Bai Xue thinks that Shen Feifei also thinks about it. Yunxi even thinks that she will not be afraid to sleep in her cousin's arms. Li ruorong also thinks that if she can sleep with Yang Yu, she will not be afraid that Yang Yu will not bite when she takes off her clothes?

But Li ruorong can't go too far. There are only two adults here. She and Yang Yu absolutely want to sleep separately.

Only Zhang meiruo didn't want to sleep with Mr. Yang because he was a man and his own teacher.

"It's not as fair to let the students sleep in groups as it is to let them sleep in three lots." Shen Feifei is the most rational.

This proposal was unanimously adopted by all.

Yang Yu took a pen and paper from his bag, wrote the tent label 1 or 2, and then kneaded the paper, mixed it together, held it in his hand, and said to everyone, "once the rules are set, there is no going back. Whoever draws anything is what."

Everyone has different ideas and mentality.

"I'm 2." Shen Feifei opened it first and said.

"I am one." The snow is open.

Yun Xi Leng Leng, a little nervous, dare not open to see, but still open, it says 2, eager to see cousin's choice. Yang Yu did not open it: "you see first."

"I'm 1." Li said.

Only Banhua Zhang meiruo and Yang Yu are left. In fact, Zhang meiruo can no longer sleep with Yang Yu. The rest depends on what Yang Yu chooses.

All of a sudden, everyone was nervous. Zhang meiruo's number directly affected who Yang Yu was going to sleep with, but these two people were just slow and worried everyone to death. If you want to open a note with me

As a result, no one answered.

"Well, you all want to sleep with Mr. Yang, don't you? Hum Zhang meiruo snorted coldly: "I am 2." Then he opened the note for you to see.

Suddenly, some people are happy, others are worried.

Yunxi see not with cousin sleep, tears are almost out, red eyes, almost cry. Yang Yu hurried over, touched her head, lowered her head, quietly said in her ear: "baby don't cry, next time my cousin sneaks into your room to sleep with you, OK?"

Yunxi a listen, just wipe tears, showed a smile, then ran to the second tent.

Yang Yu looks back at Bai Xue and finds that she is looking down at Bai Xue secretly. Her face is also a little red. He turns to look at Li ruorong again. Li ruorong looks proud and seems to be saying: see how you can escape from my palm. Yang Yu immediately remembered the question that Li ruorong asked

just now when he was playing the game of truth: if I were in the same tent with you tonight and I took off my clothes, would you dry me?

Did not expect, unexpectedly so accurate, also really sleep together, Yang Yu just hope Li Ruo Rong tonight can never take off, with her that figure, which man can withstand? In fact, it's embarrassing for Yang Yu now. After returning to school, how can he explain to his girlfriend that he shouldn't have slept together tonight.

If the second sister Yaxi is Yang Yu's nemesis, then Li ruorong feels like a disaster. He must stay away from it. Otherwise, he will get into trouble and you will suffer.

Yang Yu arranges his things, and then deals with the fire. He goes to the No.1 tent. Before entering the tent, he peeks at the couple's tent. It seems that there is no sound or light. After thinking about it, he sneaks into the tent.

Just into the tent, Yang Yu saw the spring light in the tent, almost nosebleed.

Chapter 103

The tent is very small, two people sleep reluctantly, not to mention three people, it is really close to people.

There was no light, so only a flashlight was turned on, barely shining. When Yang Yu came in, Li ruorong was changing her clothes and taking off her bra. The two breasts were directly exposed outside. The e-cup breasts were really horrible. It was too pleasant to pinch them.

"Won't you say it when you come in? You've seen all the milk." Li ruorong pulled down her nightgown in a hurry.

Yang Yu apologizes in a hurry, and then secretly glances at Li ruorong to find that the pajama is translucent.

It's just that the light is too bad. Yang Yu thinks that he can see all his underwear. Suddenly, his nose is bleeding.

"Miss Yang, you peep at Miss Li's sister. Aren't you afraid that Miss Li knows? Ha ha Bai Xue didn't expect to add fuel to the fire, but she didn't pay as much attention as Li ruorong. She just took off her coat and trousers.

"The teacher didn't mean it." Yang Yu looked at Bai Xue and continued, "but which side do I sleep on?"

Yang Yu doesn't dare to sleep beside Li ruorong. If she really seduces me with her body, she can't hold it. If she really dries her in this tent, she will jump into the Yellow River and can't wash it.

"Keep drawing. It's fairest." Snow said, in fact, she is very want to sleep next to Yang Yu, but hard to say.

"It's the warmest place for you." Yang Yu said that in fact, it is best to leave Bai Xue in the middle because she is a student and the other two are adults. Bai Xue is also willing to sleep in this position, but Li ruoreng does not necessarily agree.

Li ruorong glanced at Yang Yu, obviously she also understood Yang Yu's meaning, and said: "draw lots. It's the most democratic. Maybe Mr. Yang can draw in the middle and still support each other." Li ruorong is a schemer. In a simple word, she puts the blame on Yang Yu. It seems that Yang Yu wants to sleep in the middle. In fact, she just doesn't want Bai Xue to sleep in the middle.

Then the three people drew lots again.

"I'm on the right." Bai Xue pouts her mouth and says that she hopes Yang Yu is in the middle.

"I'm in the middle." Li ruorong opened it and showed it to you.

Yang Yu a Leng, thought is really strange, how to escape also can't escape this Li Ruo Rong's palm?

It was originally his girlfriend Li Ruoshui who came for a spring outing. As a result, the younger sister gave up the opportunity to her sister. Li Ruoshui wanted to go back in the first batch, but she killed Yang Lin and asked to go back.

This is not enough. The two tents were originally the only two adults. It is natural and reasonable to separate the tents to protect the students. But how did they draw lots together? Now, even the sleeping lots are close together.

Is it all life?

Is it all predestined that I will be seduced by my girlfriend's sister?

Yang Yu is crying for his father and mother. I just hope Li Ruo Rong doesn't go too far at night.

Bai Xue looks at Yang Yu in disappointment. It seems that she is saying that teacher Yang wants to sleep next to you. Looking at Li ruorong, he was like a big winner, thinking: I don't believe it. You can hold it tonight.

Yang Yu had no choice but to turn around and zip up the tent. It was dark and quiet outside. It was terrible. As soon as the zipper was pulled up, the whole tent was completely closed. Although the gauze had no sound insulation effect, the light was well blocked, and then the only flashlight lit up the tent.

There's nothing to cushion under the tent. It's very cold. Fortunately, there's a blanket. I can get through it at night.

"I want to take off my pants." Yang Yu said awkwardly, it's hard to sleep without taking off his pants.

"As long as you don't bully us two girls in the middle of the night, you can do whatever you want, right, snow white?" Li said with a smile, in fact, she has been under the quilt. The nightdress is not only thin but also transparent, and it's very short. The whole thigh is not covered. So is Bai Xue. She wears a coat, and then she has only one pair of underpants, but these four white thighs are under the quilt.

Yang Yu had to take off his sports pants in front of them. Suddenly, the outline of the big guy was completely exposed. Li ruoreng was so surprised that she almost called out and covered her mouth, thinking: my sister is moistened by this big guy every day. No wonder she is in such a good mood.

But Bai Xue was not so surprised, because last time, Yang Yu took off his trousers in front of her face, and she had already seen the whole big guy of Yang Yu.

Yang Yu took off his coat, put it on the blanket, and climbed to the left.

"Snow white, cover your quilt more. Don't catch cold at night. Pull more." Yang Yu said, a large piece of quilt to the snow that end, and his side has been unable to cover.

"Miss Yang, you have no quilt." White snow looking at Yang Yu very touched said.

"Mr. Yang is very strong. It's OK to freeze. You are still a student and a woman. You can't freeze. Besides, the teacher still has clothes to cover." Said, the clothes pulled over, but also take advantage of the snow that end to plug.

Li didn't expect Yang Yu to take care of the students, but in her eyes, it's just a boy's big gallant or deliberately disguised behavior in order to pick up girls. And of course, Bai Xue is not as complicated as Li ruorong's mind, but simply moved.

Yang Yu turned off the flashlight and the three fell asleep.

Suddenly, the dark and desolate stone valley was quiet and terrifying.

Yang Yu sleeps on the left side and continues to turn to the left side. He is afraid to face Li ruoreng on the right side, which is embarrassing after all. As soon as Li ruorong saw Yang Yu, he also went with him.

The tent is very small. It can only sleep for two people. If there are three people, they are completely close together.

Li ruorong, who is on his side, quietly pushes his thigh into Yang Yu's in the quilt. Suddenly, their skin is completely close to each other. Yang Yu's eyes are widened and he is at a loss.

If you want to hide and have no place to hide, don't you hide? You are entangled with sister Rong's two thighs, and Li's thighs are very smooth and elastic. That's quite comfortable. As long as you are a man, how can you stand the temptation of this kind of skin?

But it's more than that. Li Ruo Rong puts one hand under Yang Yu's armpit and hugs Yang Yu's chest directly. At the same time, he sticks the whole person to Yang Yu's back. Suddenly, Yang Yu feels that the giant breasts are completely on his back.

It's big, round and elastic. It's completely soft on Yang Yu's back, and Li ruorong's hand is still directly touching Yang Yu's chest muscle.

Yang Yu, who wants to cry but has no tears, wants to struggle and has no place. He wants to tell her that he is afraid of waking up Bai Xue, which is also impolite. So he has to use his hand to open Li ruorong's hand, and then try to move his thigh to the outside as much as possible. He doesn't dare to move too much, for fear of waking up Bai Xue.

Yang Yu wants to pull it apart, and Li ruorong sticks to it tightly. In the dark, both of them are almost completely holding each other.

I can't stand it.

Of course, Bai Xue knows that Li ruorong is sleeping with Yang Yu in her arms. She pretends to be asleep as if she doesn't know.

But what Yang Yu never thought of, this is just the beginning of Li ruorong's seduction. The stormy seduction also started in the dark night. Li ruorong is to make Yang Yu hard, make him uncomfortable, and let him fall into his own trap.

In fact, to put it bluntly, Li ruorong just wants Yang Yu to fall in love with himself, even his own body.

Li ruorong just hugs her like this. Yang Yu gives up the struggle because he can't help it. But after a while, Li ruorong's hand is restless again. He goes through his coat and touches Yang Yu's chest and abdomen.

What's more, Yang Yu's thigh still rubs Yang Yu with small movements, which makes Yang Yu react a little. His whole body should be hot. What can Yang Yu do? I tried several times to pull her hand out, but I put it in again.

Yang Yu felt so comfortable. The restless hand ran down Yang Yu's chest muscle and touched his lower abdomen. This time, he touched it again. Yang Yu didn't react.

Yang Yu seems to forget that she is Li Ruoshui's sister, but enjoys the moment.

Yang Yu is really a little afraid. His reason tells him that he can't do this woman if he wants to control it. Although he wants to do Li ruorong both mentally and physiologically, this kind of top-notch whore is Yang Yu's favorite type.

But she was the sister of her girlfriend. If she hadn't done it earlier, she would have got up, zipped the tent open, and went outside. She was ready to calm down, let out the fire, and pee by the way.

Chapter 104

The moon is like silver, the earth is like a layer of frost, like the heavy makeup skin on the face of a girl in a bar.

Yang Yu came out of the tent and gave a deep breath, but the guy was still hard. Then the moonlight looked around, silent, even without the cry of a cricket, which was desolate and gloomy. I didn't care much. I just wanted to calm down and pee, so I went to the side. After passing the three stone walls, I went out a little and peed at a stone.

This is blowing, suddenly behind a cold wind, Yang Yu without a shiver, but did not find something close to him behind.

Yang Yu only peed, whistled, and shook his legs. He looked happy, but he didn't know that it was getting closer and closer. Yang Yu looks down to pee. Suddenly, he finds that there is a shadow on the stone. He is so scared that he retracts his pee and doesn't dare to whistle.

In the middle of the night, everyone has fallen asleep. Who can it be? Or is it not human at all? Since Yang Yu has experienced so many horrible and strange events that violate science, he always thinks about "dirty things" when he encounters something unusual.

Yang Yu quickly takes out the guy, takes a breath and turns around.

"Wow The thing suddenly yelled, then said with a smile, "are you scared?"

It turned out to be the autumn moon.

"Damn, you scared the hell out of me. Why don't you go to bed in the middle of the night and play the ghost?" Yang Yu was relieved when he saw that it was Qiuyue. It seems that he thought too much. Recently, he was in a state of mental collapse, like suffering from conjecture.

"I just came out to pee. I didn't expect to meet you." Autumn Moon said.

Yang Yu looked at Qiuyue and saw that she was only wearing a jacket, her lower body was completely naked, and the jacket barely covered her buttocks. The two thighs were very white and strong, probably because she often traveled. The guy who was going to be soft had to stand up again, and completely propped up her three legged pants.

Qiuyue took aim at it at a glance. She felt embarrassed and didn't dare to look.

"Why don't you find a place to chat? Does your boyfriend mind?" Yang Yu said, now go back, Li ruorong will certainly not let him go, when the time comes to reach in to touch his fellow, white calm, wait for

her to fall asleep and then go back not too late.

"Boyfriends?" Autumn month Leng for a while: "I've been single for several years."

Single? This time it's Yang Yu's turn to be surprised. After looking at Qiuyue's tent, does it mean that the handsome guy is not her boyfriend? You're not a fireman, are you? Is it that netizens make an appointment to play here and shoot guns in the evening? Yang Yu used to do such things in college.

You're tired of romance. Do you want to be so exciting when you come to this kind of deep mountains and forests? Does it mean that the autumn moon is just formal? Maybe he's a whore at heart, too? Yang Yu instantly thought about many possibilities, ready to test.

"You are so beautiful, how can you not have a boyfriend? You lied to me." Yang Yu said with a smile on purpose, then pointed to a huge stone in front of him and continued: "otherwise, let's climb that stone and have a chat."

Qiuyue nods with a smile. Anyway, she usually doesn't go to bed so early. It's OK to chat with her in such a beautiful night.

They climbed up the boulder, and the tent at the moment was vividly visible. The view of the stone Valley beside them was also completely impressed. Yang Yu always felt that this picture was so familiar that he seemed to have seen it somewhere.

"Coming here this time is the last souvenir, and I will forget him completely later." Autumn Moon said, there seems to be a story.

Yang Yu guessed that he was probably an ex boyfriend. He gave a sound and wanted her to go on.

"Three years ago, my ex boyfriend was in danger in this place." Qiuyue is suddenly sad. Three years ago, she and her ex boyfriend were sitting on this stone, looking at the scenery below. Now, he is no longer with her.

Things are right and people are wrong.

"In distress?" Yang Yu looked here and felt very safe. How could he be in danger? Did you meet a beast?

"Well, we also set up a tent here that night, and then suddenly there was a heavy fog, and we went into the tent. But my boyfriend said that he would go to pee, but he never came back. It was so lifelike that it seemed that the illustration in the Bible was a copy of the scenery here.

All of a sudden.

When Yang Yu thought about this picture in his mind, I felt a stabbing pain in the palm. When Yang Yu opened his hand, he saw that the black mark was like a stabbing pain embedded in flesh and blood.

"What's the matter with you? If you don't, you'll get lost. " It's called Yue qiudao.

Yang Yucai responded that the fog had already hit and he quickly climbed down the boulder. When they ran to the tent, the fog had surrounded them. Even if they were only two meters apart, they could not see the figure in front of them.

Yang Yu couldn't think much about it, so he went into the tent. Suddenly, he was isolated from another world, the warm world, and his palm didn't hurt. It was really strange.

The tent was dark, and the breath of Li ruorong and Bai Xue could be heard faintly. After thinking about it, Yang Yu quietly climbs to the right side of Bai Xue and gets into the bed. Bai Xue sleeps shallowly and wakes up immediately. However, she knows that it's teacher Yang who has come back. Seeing that Yang Yu has quietly fallen asleep on her side, she suddenly gets happy and closes her eyes and pretends to continue to sleep. Sure enough, the quilt was warm. Yang Yu stretched his legs to Bai Xue's thighs, and immediately his skin was close to each other. His four thighs were wrapped together, warm and comfortable. Then he stretched out his hand and hugged Bai Xue.

Bai Xue's heart is bouncing, especially with teacher Yang's thigh entangled together, let her spring heart rippling, don't know how to react, had to continue to pretend to sleep.

Yang Ruoyu and Yang Ruoyu quietly draw their hands into their body.

Snow White was nervous and afraid, a little at a loss.

Chapter 105

Li ruorong is tired of climbing the mountain during the day. She lies beside her and sleeps. I don't know that it's beside her. Yang Yu is madly working on her schoolgirl Bai Xue.

Fog gradually dispersed, early morning water soaked in green leaves, occasionally insects climb up to absorb dew.

The sun hasn't come out yet, but everything has come to life.

"Cousin, get up and go to see the sunrise." Yunxi shouts outside the tent.

Yang Yu was woken up by the cry of his third sister. He woke up in a daze and wiped his sleepy eyes. It turned out that it was already daybreak. Last night, Yang Yu had a strange dream. After the fog came last night, he got up in the middle of the night and went out of the tent. He saw some incredible scenes outside the tent.

However, Yang Yu is sure that last night was definitely a dream, not a sleepwalk.

When Yang Yu gets up, he finds that everyone is ready to go. Yang Yu specially looks at Bai Xue and finds

that Bai Xue's face turns red as soon as she touches her vision. He lowers his head and dares not look at Yang Yu. Yang Yu guessed that Bai Xue should have known that she played with her last night.

"Autumn moon, where are they?" Yang Yu looked around and everyone was there, but Qiuyue's tent was gone.

"She got up early and left, which is like cousin you." Yunxi seems to be in a good spirit, this girl usually goes to bed early and gets up early, and the quality of sleep is super good. The simpler the person is, the more relaxed he is.

Yang Yu specially looked at Li ruorong, and Li ruorong also looked at her, but she looked like nothing happened last night. In fact, she had been touching Yang Yu's big guy in the quilt for a long time last night, and finally even herself was flooded.

After Yang Yu went out to pee last night, Li ruorong masturbated and stroked herself to the climax. Then she went to sleep safely. That's why she was so dead. She didn't know that the snow beside her was dried by Yang Yu last night.

As for Bai Xue, last night Li ruorong seduced Miss Yang. She pretended to sleep. When Miss Yang went out, Li ruorong masturbated to the climax, she also pretended to sleep. In fact, at that time, Bai Xue had been infected by Li ruorong, and then Yang Yu came in to sleep with her, touched her breasts, touched her buttocks, and then dried herself, Snow is pretending to sleep, but also has been silent.

After breakfast, we ate some dry food and drank some mountains and waters. Then we packed our tents and went up to the top of the mountain to watch the sunrise. Before we left, Yang Yu looked back at this strange land and felt puzzled.

The sunrise is beautiful.

When the first ray of sunlight shines through the mountain, it is colorful and beautiful, just like the youth of snow and Yunxi.

People close their eyes to absorb the sunshine at this moment. Yang Yu also specially set up his mobile phone to take photos regularly.

Yang Yu's first spring outing with the students will be officially over. It's estimated that the next time will be the end of the term. For all of us, we had a very relaxed and happy weekend. For a girl, this weekend is even more extraordinary.

Snow white, also always remember his first night, in a wonderful night, wonderful occasions, was his teacher to do for a long time.

When I got home, I was just in time for lunch.

Yang Lin is chatting with Li Ruoshui in his room.

"If you are free, you have to take care of your boyfriend, so that he won't make trouble outside." Yang Lin said casually. In fact, she was reminding Li Ruoshui.

"Isn't he cheating on me?" Li Ruoshui said: "I don't think so."

"That's not necessarily. Mr. Yang Yu is handsome and attractive, and she is liked by female students. Be careful of being chased away by others." Yang Lin said.

"Ha ha, you don't see that man? You are my best friend. Anyone can chase my boyfriend, but you can't" Li Ruoshui said with a smile.

"Cut! I'm not interested in your boyfriend. " Yang Lin said, in fact, her heart is strange, indeed, she is not interested in Yang Yu, at least did not want him to be his boyfriend idea, but this man broke his own place, also raped himself once.

If these things let Li Ruoshui know, Yang Lin may have no face to face.

At the same time, Li ruorong came back from her spring outing, pushed open her sister Li Ruoshui's door, and saw that Yang Lin was also there. Although she didn't hear anything just now, she vaguely guessed something about Yang Lin's arrival.

"What are you talking about?" "Where's the elder sister?" Li continued

"The elder sister is in the kitchen." Li Ruoshui stopped for a moment, then turned his head and said, "let's talk about whether my boyfriend bullied my second sister last night."

Li Ruo Rong's face became ugly. Yang Yu didn't bully her last night. Instead, she was seducing Yang Yu all the time.

"Ha ha, your boyfriend is honest. He is not interested in me when the second sister delivers the goods to the door." Li is also joking.

Three women in a play.

These three women have three minds. Li Ruoshui thinks they are both joking. In fact? Li ruorong is joking, but it's true. What about Yang Lin? It's true and it's false. I am a victim and a person who has hurt others. At the same time, something interesting happened in another room.

"Brother in law, that night I really saw Yiyi and Yang Yu fighting in the woods, and I had a chat with Yiyi." Cui Qiang can't bear it at last. How can he bear it? He told his wife Lin Yina as soon as he got home that night.

Lin Yina told him to hold on and stop talking.

But Cui Qiang held it for a few days, and it was so bad that he felt constipated that he didn't hold it. This morning, he went to his brother-in-law Wang Ren to tell him what happened that night.

When Wang Ren heard this, he was also very embarrassed, that is, he could not tell Cui Qiang the truth, nor could he ignore it.

"Cui Qiang, don't tell anyone about this. My brother-in-law will handle it himself." Wang Ren is an honest man, so he has to kill Cui Qiang first.

Cui Qiang felt that he had already said what he had said and didn't have to work so hard, so he was relieved. As soon as he was going back, Lin Yiyi entered the house.

"What are you talking about? In the room. " Lin Yiyi looks at Cui Qiang and knows that her brother-in-law must have told her husband about borrowing seeds from Yang Yu that night.

"No, no, No." Cui Qiang said three times in a row. He was so embarrassed that he laughed: "sister Yiyi, I went back first. My wife is waiting for me to have lunch, ha ha."

Lin Yiyi also followed out of the room.

Originally, Lin Yiyi borrowed the idea of planting by Wang Ren himself. Now Lin Yiyi borrowed the idea of planting by himself. Although he doesn't know whether it will succeed this time, it's a happy thing for Wang Ren, a man who doesn't give up. Moreover, Lin Yiyi was killed by Yang Yu in the forest. He was expected to do it, and he expected his wife to be killed by Yang Yu.

But.

But.

When Cui Qiang and Lin Yiyi come out of the room, Wang Ren's face suddenly changes and becomes ferocious.

Chapter 106

Yang Yu has lunch after returning to his room. Yang Yu is ready to take a nap. Last night, he dried Bai Xue very well. But as soon as he fell asleep, he heard the second sister shouting: "cousin, there is a beautiful woman coming to see you."

Yang Yu was woken up again in a daze. He sighed and said to himself, "beauty? Isn't it Li ruorong? "

Wearing only a vest and shorts, carrying slippers, he went downstairs. On the stone steps outside the house, he really stood a beautiful woman, who was not Li ruorong. Yang Yu didn't know her at all.

Isn't it from this village? Yang Yu thinks about it. Most of the girls and young women in this village have known each other. I really don't know that there is such a beautiful girl hidden in this village.

The beauty saw Yang Yu come out and kept smiling.

Yang Yucai looks at her carefully. She is 170, tall and thin. Her face and figure are similar to Li Ruoshui's, but she has a flat chest, short hair, ultra short jeans and no silk stockings. Her whole white thighs are very slender. Her figure is more golden than others.

Yang Yu is very impressed by this short hair. Nowadays, all beauties have black hair. For example, cousin Li Yuanxi, girlfriend Li Ruoshui, Ziyang, Zishu's sister, all have straight long black hair. However, there are very few girls with short hair. Because short hair itself is not easy to match, the requirements for temperament and figure are also very high. Most beauties dare not cut short hair at will.

This woman's short hair makes Yang Yu suffocate. It's a perfect match with her face. It's beautiful. Yang Yu doesn't praise it.

In addition to the short hair that made Yang Yu remember deeply, there was another thing that attracted Yang Yu's interest. On Li Ruolan's neck, there was a silver pendant, and the tail of the pendant was a cross.

Is Li Ruolan a Christian? Yang Yu immediately thought of this problem.

"Who is the beauty? I don't think I've seen you before." Yang Yu walked over with a smile and asked politely.

Who knows that the beauty did not answer directly, but raised her head and looked at Yang Yu from beginning to end. Yang Yu was embarrassed with a smile, not because she was embarrassed, but because she was too impolite.

"Yes, it's handsome. It didn't disappoint me." The beauty said with a smile: "my name is Li Ruolan, is Li Ruoshui's elder sister."

Yang Yu's eyes widened when he heard this. He never dreamed that this beautiful woman was Li Ruoshui's elder sister who went to pick her up yesterday. She was more polite: "it turns out that it's Li Ruolan's elder sister. I've heard Ruoshui mention you for a long time. She is really a beautiful woman." Yang Yu is not stingy of praise.

"Go down to the teahouse and change your clothes for me." Yang Yu knew the identity of the other party, and immediately flattered him.

"No, I want to talk to you about the sunshine in the countryside. How about going out for a walk?" Li Ruolan said with a smile. Listening to her tone, Yang Yu seems to be looking for himself intentionally. Is there something wrong?

"Of course." Yang Yu wanted to go upstairs to change his clothes, but Li Ruolan had turned around and was ready to go to the idyllic scenery of the front mountain. Yang Yu had to follow.

"Life in the country is so good. The city is so depressing." Li Ruolan is bathed in the sunshine and seems to enjoy the rural scenery, especially the air and water. It's a clean place.

"I heard that sister Ruolan has been staying in Shanghai? Big cities are depressing. This time, I will live for a while, right Yang Yu regards Li Ruolan as his sister. What's the difference between Li Ruoshui's sister and his sister?"

Yang Yu was filled with emotion. He didn't expect that his girlfriend's three sisters were all super beauties. Li Ruoshui was noble and elegant, her second sister was sexy and coquettish, and her elder sister was intelligent and intelligent.

But Yang Yu still doesn't know what Li Ruolan's purpose is to find himself today? Do you really just want to see your sister's boyfriend? That's too urgent, and it doesn't seem reasonable to come here alone.

Li Ruolan turned around and looked at Yang Yu, but he kept smiling: "this time I'll stay home for a while. I've been away from home for a long time. I miss you very much. So I want to ask the leader for a two-month vacation, ready to recuperate for a period of time, or to accompany my parents. "

"Well, it's very good. Everything in this village is healthy. After staying for a long time, the whole people feel comfortable. It's a natural oxygen bar." Yang Yu also said with a smile.

"Maybe you should have heard that I'm a journalist. Besides having a rest with my family, I have another purpose." Li Ruolan stopped. Yang Yu knows that Li Ruolan is single and 28 years old. He must have come back for a blind date. Do you want me to accept her boyfriend? Yang Yu muttered, but it's not right to think about it. His classmates and friends are much smaller, and they are not suitable for her.

Li Ruolan's face became serious, put away her smile, and continued: "the last sexual slavery case had a great impact. The leader wanted me to make a special report and go deep into it. It would be better if I could find out the abnormal maniac."

Yang Yu and Zou frowned. This passage was greatly beyond Yang Yu's expectation. It turned out that Li Ruolan's holiday was only superficial, but in fact he was working with him. It happened that this case happened in his hometown, so it was more convenient. "Special report?" Yang Yu embarrassed said: "the murderer did not catch, how in-depth report ah, not to mention I can not help ah."

"How can you not help?" Li Ruolan smiles again: "you are one of the participants in this case. You save all the people. Your cousin is also a victim. She has even seen perverts with her own eyes. Who knows this case better than you?"

"And what do you want me to do for you?" Yang Yu came to the point and asked directly, he doesn't

want to help Li Ruolan work. Now his energy is still on teaching. After all, there are only two months left in the high school entrance examination, and it's time to count down.

"You don't want your students to be nervous after school, do you? You don't want your cousin to be arrested one day, do you?" Li Ruolan, after all, is a reporter. First of all, he made clear his interests, and these two points really hit Yang Yu's heart.

"So, I hope we can work together to find out the pervert who is hiding in a corner of our village." When Li Ruolan said this, his vision was from the countryside to the whole village, like looking for the pervert.

Li Ruolan didn't even think that this kind of thing was very dangerous.

Yang Yu hesitated. At one time, he had been thinking about the case under the covers, but he had no clue. It would be better if there was a powerful character who could help to analyze it. Besides, Li Ruolan was still a reporter.

"Yes, but Sister Li Ruolan, you have to listen to me. This is my request." Yang Yu said that although Li Ruolan is eight years older than herself, and as a reporter, she has seen a lot of world and has a strong attitude, how can she listen to Yang Yu?

"Ha ha, you are quite male chauvinist, but my third sister is right." Li Ruolan laughed, but she was very happy about Yang Yu's strength: "yes, I promise you, can we discuss the case now?" With that, Li Ruolan took out a pen and paper from his pocket. It's an occupational disease.

After talking about the whole story of Yang Xiyu's metamorphosis by the river, she goes to find the whole story of Yang Xiyu's metamorphosis.

After hearing this, Li Ruolan frowned and thought.

"The cross? The last supper?" Li Ruolan muttered. Suddenly, she had a flash of inspiration and said excitedly, "I guess the pervert is a believer in Christ, should be a devout believer in Christ."

When Yang Yu was mentioned, he suddenly realized: "yes, I didn't expect that today is Sunday."

"Well, we'll go to church in the evening, and there's a missionary." Li Ruolan pauses again and seems to think of some clues: "that cross, we must find it. It is the most direct material evidence, with hydrostatic fluid, fingerprints, DNA on it, and the most important thing is"

"it may be one of the important props that can make the pervert excited, or it may be a breakthrough for his distorted world outlook." Yang Yu grabs to say.

"Wow! You're smart. My sister likes it Yang Ruolan said that he didn't get used to it.

What Yang Yu and Li Ruolan didn't expect was that they had a good chat. It was like meeting a bosom

friend on a high mountain and flowing water. It was a bit late to meet each other. They had a long chat together.

"Do you believe in ghosts?" Yang Yu chatted and asked casually.

"I don't believe it. I'm a pure materialist. I don't believe in ghosts. What about you?" Li Ruolan is in a good mood. He is on holiday and in the sun. Enjoying the air and afternoon, he meets a friend like a confidant. Even if Yang Yu is eight years younger than himself, he is far more mature than that.

"I don't believe it either. If I believe it, the 16 years of hard work will be wasted. Most importantly, if I believe it, it will completely violate my three outlooks and all the" truths "I know. This is a fatal blow to me and even an insult to my life." Yang Yu didn't even know that he would say such a philosophical word. Li Ruolan was even more stunned and looked at Yang Yu. To her surprise, Yang Yu had such a unique point of view. Li Ruolan was originally a man who liked erudition.

But the men around her are so shallow that they are single all the time.

Yang Yu's words brightened her eyes and made her look at them with new eyes.

"However, I've seen something unusual recently. I've mixed reality and illusion together. I'm afraid I think too much and have some illusions." Yang Yu and Zou frowned, and still remembered what happened in the attic of the school that night, because it was so coincidental.

"Ha ha, I think you are under too much pressure. You may have some hallucinations. Go to the county to see a psychiatrist when you have time." Li Ruolan also joked.

"Psychiatry? Don't be so exaggerated. Don't scare me Yang Yu is depressed. How can a living man go to such a place? It's embarrassing for Kobe to go to the Department of psychiatry and Venereology.

"I can't. I'll take you to the shenpo in the next village. It's said that there is a shenpo in the next village who is very smart. I heard about it when I was a child." Li Ruolan continues to brush with Yang Yu. The conversation lasted for several hours. They were just like old friends at first sight, but they were reluctant to part with each other. If she wasn't her girlfriend's sister, Yang Yu might have been wrong. However, at present, Yang Yu just regards Li Ruolan as his sister. Similarly, Li Ruolan just regards Yang Yu as his brother and his sister's boyfriend. This is totally different from Li ruorong, the second elder sister. Li ruorong is going to rob Yang Yu.

"Didn't you say you saw a big cross before? Why don't you go and have a look while it's still early?" Li Ruolan said that Yang Yu didn't expect her sister to work so actively. She is a real strong woman.

In fact, Yang Yu also wanted to go. He took a picture to show his three younger sisters if they were the same.

Chapter 107

Yang Yu is very happy and has another friend. In this village, Yang Yu has few friends and no confidants. Yang Lin was originally a good friend, but since she was married, the relationship has become delicate. The rest of the cousins have different relationships. Li Ruoshui is a girlfriend, and her relationship is different. Lin Yina is a gun friend at most. As for Bai Xue, Xiao Mei is her own student, and her mind is too shallow. The relationship between principals is very good, but the age gap is too big after all.

Cui Qiang, Wang Ren and widow Liu can only be regarded as the villagers' relationship.

It's hard to find a confidant.

The elder passed away, so the room was empty and deserted. Yang Yu pushed the door and couldn't get in. He bypassed the backyard and climbed through the window. The countryside is not as particular as the city. If it is locked firmly, the door is open. There is nothing to steal. Can't we move the stove?

It turns out that the cross in the elder's room is really missing.

"It seems that we have a good guess. The pervert is a Christian. Maybe he is familiar with the elder. Let's meet him in the evening." Li Ruolan is confident and remembers things in his notebook.

After they separated from their hometown, they agreed to meet outside the church in the evening.

On his way home, Yang Yu meets Pan Cai'er, the first prostitute in the whole village. He quickly dodges and is afraid of being infected with some sexually transmitted diseases.

"Don't run, Mr. Yang. What are you running for? I won't eat you. I'll run when I see you." Pan Cai'er catches up with Yang Yu several times. This guy is hiding.

Yang Yu and Pan Cai'er always have something to do with each other. The first day he went to the village to ask for directions, he met her. Later, he went to Taohuayuan by mistake and saw her fighting with Uncle Ming. Later, he went to see Liu Anguo about the water ghost. Unexpectedly, she happened to be Liu Anguo's wife.

"Sister Pan, I didn't run. It's urgent." Yang Yu said with a smile.

"Every time you see me, there's something urgent?" Pan Cai'er is not happy and holds Yang Yu. Yang Yu had no choice but to stop and said with a forced smile, "no, no. For a moment, Yang Yu couldn't think of any polite words to talk to Pan Cai'er, so he added:

"Does your husband believe in Christ?"

"Christ? My husband doesn't have the spare time to go to the church when he's full. Besides, he's not superstitious. Christ is a deceitful thing." Pan Cai'er was obviously not interested in this question, and he didn't know why.

Yang Yu pondered that Liu Anguo, who had disappeared, would not be the pervert.

I found several reasons to get rid of Pan caier, but not long after that, I met a "friend" on the way.

"Yiyijie." Yang Yu said hello with a smile. Lin Yiyi lowered her head and didn't dare to look at Yang Yu. She was a little embarrassed. Last time she borrowed seeds in the forest, she was caught by Cui Qiang, which made her very embarrassed. Now Lin Yiyi has no face to go to her sister's house, so she's afraid to meet Cui Qiang. How embarrassing it should be.

Embarrassment or secondary, important thing, has always been chaste Lin Yiyi suddenly became a slut in the eyes of others, this let Lin Yiyi can't accept.

But this time, there is a village woman beside Lin Yiyi. Yang Yu doesn't know her.

"Oh, isn't this Mr. Yang? My daughter always mentions you. Would you like to come to our house?" The village woman recognized Yang Yu and was very hospitable.

But Yang Yu Leng, which student's parents? He was embarrassed and couldn't recognize it. Or Lin Yiyi's interest, immediately concluded: "this is the jade sister-in-law of thirteen."

Thirteen are the place names of villages. The villages are gathered by families. Generally, there are only three or four families in a village, and each family has dozens to hundreds of families. To put it bluntly, for most people in the countryside, it is the root here.

"How are you, sister-in-law." Yang Yu quickly smiles and nods his head to say hello.

"Culture makes people feel comfortable. Come to our house when you are free." Jade sister-in-law is very polite, holding Yang Yu's hand, has been saying to invite him to dinner, Yang Yu also nodded to deal with, and eyes have been looking at Lin Yiyi, Lin Yiyi head down, red face, she is very shy in the face of Yang Yu.

When waiting for Yang Yu to leave, sister-in-law Yu did not forget to look at Lin Yiyi and whispered, "look at Mr. Yang, how handsome he is. No wonder the village women are talking about him."

Lin Yiyi reluctantly smiles. You know, it's Yang Yu, who has been talked about by the village women. He doesn't know whether it's a disgrace or a glory.

But for a typical traditional Chinese woman, it's always a matter of holding her head up.

When Yang Yu got home, he was in a good mood.

"Look, give my cousin to Midea. Her face is red." When the second sister saw her cousin coming back, she looked happy on his face and wanted to say, "cousin, don't think it's peach blossom luck. She's not suitable for you. It's too big."

"Your cousin, he's all for young and old now." The family is packing up pumpkin dry goods in the front yard. The dried pumpkin is tender pumpkin, sliced and dried in the sun. It tastes very good, and the dried radish also tastes good.

There is also a kind of famous dry goods in rural areas, dried sweet potato. However, this kind of dried sweet potato is not eaten as a dish. It's more like snacks, so most people eat it in the sun. Dried vegetables and dried goods are the most common in China. They are cooked in various ways, and they are not the characteristics of rural areas.

Yang Yu specially looked at her cousin. She and Yang Yu looked at each other, but left immediately. Li Yuanxi is not in a good mood recently, because she is jealous. She doesn't like that Yang Yu has a girlfriend, let alone that Yang Yu falls in love with others.

This makes Li Yuanxi's heart sour, but he can't tell others. Moreover, he can't reveal it, just like secret love, which makes people sad. Yang Yu is not a fool, especially sensitive to her cousin, because she is the one she loves most and always puts her in the most important position in her heart.

There is no one to replace that position.

Yang Yu doesn't dare to say that because she is a cousin, they can't be together, because Yang Yu doesn't know what she thinks of herself. Yang Yu always thinks that her cousin just regards herself as a cousin.

That's all.

"Well, you, don't make fun of Xiaoyu. By the way, Xiaoyu, will you really go to the city to sell these dry goods next week?" It's better to be a little aunt. She protects Xiaoyu in everything. It's no different from her mother, which makes the three sisters very jealous.

"Yes, after drying these things, you have to carry them out and sell them to get rich." Yang Yu originally planned to find someone to help with packaging and sales, but now he has to find his own channel to sell.

"I'll go with you then." She said.

Yang Yu, with a smile, went upstairs. The third sister was close to the high school entrance examination and spent most of her time studying. So Yang Yu specially went into the room to have a look, and quietly blindfolded the three younger sisters from behind.

"Cousin, it's you. You don't have to guess." The third sister said happily.

"My baby three younger sisters are so smart, cousin, let's see how the title is done." Yang Yu deliberately put his head over his shoulder and put his face on his third sister's face. His skin felt very

comfortable when it was close together.

"It's wrong." Yang Yu pointed to a topic and said.

"It's impossible. My cousin just took a look. How can I know I'm wrong?" Three younger sister very surprised looking at Yang Yu, a face don't believe.

Yang Yu touched three younger sister's head, and then whispered in her ear: "slip into the baby's bed tonight, remember not to lock the door." Then bang a kiss on the face of Yun Xi.

Yun Xi immediately blushed, feeling that happy, heart straight jump.

At present, Yang Ganyu's mind is to improve his grades.

Night is coming.

After dinner, Yang Yu went to the church gate to wait for Li Ruolan, but Li Ruolan came earlier. At this time, there was no one else in the church.

"We should remember all the believers here quietly and observe them carefully to see who is suspicious, but no matter who it is, we can't let them know our intention, because anyone can be the abnormal murderer." Li Ruolan said to Yang Yu quietly.

They entered the church and chose the back position near the gate, so that they could see everyone who came in, but not so conspicuous.

The believers came one after another. Some of them were familiar. Yang Yu had seen them last time.

Of course, Leng Xiaoxue also came and sat next to Yang Yu.

"Do you come every time?" Yang Yu asked softly.

Leng Xiaoxue didn't look at Yang Yu, and said without expression. Li Ruolan didn't know her yet, but when she looked at her cold face, she didn't answer. At this time, another person came in.

The man looked at Yang Yu in surprise and came to sit beside Leng Xiaoxue.

This person, all three of them know, is Yang Lin.

"Are you really in Christ?" Yang Yu asked in surprise. He thought she was just joking. He thought the things in the room were pasted. It's another matter to believe or not.

"Yeah, you think I'm kidding." Yang Lin looked at Yang Yu and Li Ruolan and was equally surprised: "Why are you here? You don't believe in our God. "

"God is so attached to the world. Of course, I'd like to thank him." Yang Yu said with a smile, in fact, is ironic. Yang Lin doesn't care about him either. She just chats with Leng Xiaoxue.

In fact, half of the reason why Yang Lin became a Christian is because of Leng Xiaoxue. Once Leng Xiaoxue saw that Yang Lin's face was so bad, Yang Lin casually said "Zhongxie". Then Leng Xiaoxue introduced her many things about exorcism and Exorcism, such as the cross, Bible, Jesus poster, holy water and so on. As a result, it was really useful. Yang Lin stopped having nightmares, so she joined lengxiaoxue Governor.

Does this Jesus really have this ability?

In addition to these people, several people Yang Yu knew were also here. Widow Liu came with stupid Er Niu, and Lin Yiyi's husband Wang Ren also came. When they saw Yang Yu, they both came to say hello. They were both very sincere and friendly.

When teaching to the prayer stage, everyone closed their eyes. Yang Yu pretended and aimed casually. All of a sudden, he found a sharp look in his eyes. His eyes went through the gap and only looked at Yang Yu. When their eyes collided, Yang Yu trembled and felt a little uneasy. Random, the man suddenly got up and left, Yang Yu brain a turn, quickly followed out, but no one.

"What's the matter?" Li Ruolan also followed out in a hurry.

"When I prayed just now, a man kept looking at me and then left. Maybe I was oversensitive." Yang Yu said, thinking of the look in his eyes just now, he always felt that he had seen it somewhere, which made people a little uneasy.

A lot of times, perverts pass by like this.

"Did you see his face?" Li Ruolan asked. Li Ruolan's professional characteristics also made her cautious, not missing any details and possible personality.

"Well, let's go back first. I've recorded some suspicious people. Next time we'll communicate with each other." Li Ruolan said, "I'll go to the public security bureau the day after tomorrow."

Yang Yu was ready to go back. Suddenly, he thought of something. He took out his mobile phone and handed it to Li Ruolan, saying: "spring outing has taken a lot of photos. If you go to the city these two days, please print it out for me. I'll give you the money then."

"Ha ha, aren't you afraid that the privacy in the mobile phone or the video with my sister will be watched by me?" Li Ruolan laughed and joked.

"Just look. Anyway, you are her sister. It doesn't matter if you look." Yang Yu also said along with her meaning, however, there is a video in the mobile phone, which was taken by Xie Qiuqiu that night, but

Yang Yu can forget it.

After a few quips, they left the church and went home.

In the church, there is another pair of eyes, looking at them through the glass, which is very strange.

Chapter 108

On Monday, the weather was gloomy, like a grimace.

As soon as Yang Yu arrived at the school, President Chen filled in the midterm examination results, including the average scores of all the schools in the county, the ranking of all the students in the county, and the total scores of all the schools in the county.

"How's it going?" Yang Yu looked at the headmaster nervously. The headmaster's face is very flat, calm said: "see for yourself."

Yang Yu was stunned by the results of the whole exam Yang Yu stood on the platform and said to the students. All of a sudden, the hearts of all the students were raised to their voices,

"we" Yang Yu stopped for a moment, but his face was not very good-looking, and everyone saw the loss of teacher Yang.

"The average score of our school's total score in the county ranking, or reciprocal fair, has never been.

Freedom, fairness, the place where we can live forever and judge the future world, is what Jesus always believes in. That's why so many people believe in Christ, because there is no freedom or fairness in reality.

There is no decent teacher, no decent exercise book, even buy paper and pen is a kind of extravagant hope, this is not fair.

Yun Xi suddenly sobs, eyes red, she is the first time to see cousin this way, see cousin that kind of loss. Yunxi's silent crying also infected many people.

"Mr. Yang, we will study hard"

"Mr. Yang, we won't be the last one in the exam next time"

"don't be sad, Mr. Yang, if you are sad, we will be more sad"

"

President Chen also looked at all this outside the window and wet his eyes. He knew that many great people would come out of this class one day.

Today's class is not good at all, at least Yang Yu thinks so.

Looking at the countdown to the high school entrance examination, I cheered up.

School is over. Li Ruoshui asks Yang Yu to go to her home at night, and Yang Yu nods and agrees.

"Miss Yang, why don't you practice today?" After school, Ji Ming saw that Mr. Yang didn't call everyone together, so she took the initiative to go to the office to find Yang Yu.

"No, I don't practice any more. Until I study, I don't have time to practice." Yang Yu said, because he can't see any hope of winning the game.

"Did Mr. Yang give up so soon? I don't care. Anyway, I'm not the one who kneels down and licks other people's toes" Ji Ming raised her head and said coldly.

How do you know that? Yang Yu was stunned.

Ji Ming said that she went into the office and picked up the basketball. When she came out of the office, she said coldly, "I'll help you win the game back."

Yang Yu was stunned on the spot. What happened to Ji Ming today? Which one is wrong? Do you want to act like this.

After a long time, Yang Yu went to the playground to have a look, only to find that the group of female students were fighting hard at 55. Yang Yu was moved. It turns out that if you treat others well, they will only treat you twice as well.

Maybe this group of students really hope to win and dominate the county middle school basketball Shangtang center.

They went downstairs and taught them how to cooperate in tactics, such as triangle attack, gear tactics, pick and roll coordination, etc. they trained Ji Ming on how to break through and score the ball, Han Qingfang on how to block for rebounds, Zhang Fangfang on how to run out of the open shot, etc. all the basketball knowledge Yang Yu knew. As for how much they can digest, it depends on their own understanding of basketball.

However, Yang Yu instilled in them a central idea from the beginning to the end: basketball is the sport of five people, and the tacit understanding of the team can stimulate people's shocking positive energy.

After returning home, I found that Lin Yina didn't come to him very much recently. While Yang Yu was bathing in the backyard, he met brother Cui Qiang. He wanted to say hello, but he snorted coldly. Yang Yu has a lot to say.

When Li Yuanxi saw his cousin running to Li Ruoshui's home tonight, she was in a bad mood. She was alone in the room and didn't say a word.

But Yang Yu didn't know it at all. He just left.

All of a sudden, Li Yuanxi felt even worse.

Secretary Li and his wife went out to visit at night, so Yang Yu didn't meet them when he went to Li Ruoshui's house. The first floor was very dark. Without the light on, Yang Yu groped for the stairs and went up.

On the second floor, the door of Li ruorong's room is open, and lights are flashing. Li ruorong's voice comes from the room, and there is another person. Yang Yu guesses that it should be Li Ruolan and Li ruorong chatting again. Then Li Ruoshui should be on the third floor. Yang Yu didn't plan to go in and say hello. He was afraid that Li Ruoshui would be entangled again and it would be difficult to think of it.

Yang Yu went to the third floor, but the stairs on the third floor were dark.

"Which room should Li Ruoshui be?" Yang Yu thought to himself that he had never been to Li Ruoshui's room alone, but at this time, Yang Yu found that there was a light in the bathroom of the left room, and suddenly got excited.

Li Ruoshui is taking a bath? Suddenly, Yang Yu's eyes were red. He walked over cautiously, only to find that there was no window in the bathroom door, and there was no place to peep. Yang Yu sighed with frustration. Just when Yang Yu is going to wait for Li Ruoshui in his room, he suddenly finds that the door of the bathroom is not locked. Yang Yu is stunned.

Yang Yu stares at the crack of the door. Although he can't see the inside, it's not locked. He should be able to push it directly. What should he do? Go to the room and wait for her or open a crack in the door and peep? Yang Yu hesitated.

"Shit, you have to sneak when you watch your girlfriend take a bath? Look, why don't you die? " Yang Yu thought, is a face of unconvinced, since Li Ruoshui became his girlfriend, but did not eat any tofu.

"When did Li Ruoshui do his duty as a girlfriend?" The more Yang Yu thought about it, the more angry he was and the more unjust he felt.

Suddenly, a crazy idea flashed into Yang Yu's mind.

Dare or dare not?

Yang Yu made up his mind and decided to rush directly into the bathroom.

The door is gradually opened, a beautiful jade back and a pretty jade buttock show in Yang Yu's eyes,

Yang Yu's heart will jump out.

While Li Ruoshui wrapped his hair in a white towel, the water drops rushed down Li Ruoshui's back, flowed through her beautiful buttocks, and went towards the deep two strands. Yang Yu was stunned.

Yang Yu couldn't help it. Suddenly, he rushed over with a big step and hugged Li Ruoshui directly from behind.

Ah!

Li Ruoshui was so scared that he cried out. At the same time, he was so scared that he didn't know how someone would suddenly hold him from behind and quickly broke away.

Yang Yu where to give her a chance, hold Li Ruoshui.

And the process of blending is completely at one go, which took less than a few seconds.

Yang Yu and Li Ruoshui also raised their heads and looked at each other face to face.

This look is good, this look, Yang Yu will never forget.

The most beautiful woman in front of us, the woman with a complete body, the woman who is a beauty in the world, is not Li Ruoshui!

It's Li Ruoshui's sister, Li Ruolan!

No, how is that possible?

How could it be Li Ruolan?

Chapter 109

Time stopped in an instant.

Yang Yu stares at Li Ruolan with big eyes, and has no reaction at all.

Time stands still at this moment.

The two faces are the same surprise, panic, incredible.

The two of them just kept still and kept this posture, staring at each other. The shower water sprayed on Yang Yu's and Li Ruolan's chest, and then flowed down their sides.

The bathroom is so quiet that it's suffocating. Only the shower is snorting.

Time, tick by tick.

For half a minute, no one moved, no one responded.

Li Ruolan reacted first and pushed Yang Yu away. Yang Yu was pushed back and leaned against the wall.

By this push, Yang Yu finally responded.

"Sister LAN, why are you? I thought it was water. " Yang Yu still stares big eyes, a face can't believe the appearance, but quickly explained: "sister LAN, I really, really, really think it's Ruoshui, I thought you and sister Rong were chatting downstairs, so I mistook you for Ruoshui."

If Yang Yu had done a lot of stupid things in the first half of his life, he was undoubtedly the most stupid this time.

Li Ruolan quickly grabbed a bath towel and covered himself.

"Sister LAN, I really, really, don't know it's you. You are similar to Ruoshui in figure. The only difference between you and Ruoshui is that your hair is wrapped up again. I really think it's Ruoshui. I..." Yang Yu is about to cry, but who believes this reason?

Which man is wrong about his girlfriend?

Li Ruolan also calmed down for a while, and her attention recovered from the pleasure of her lower body. But just as she wanted to speak, she suddenly fell asleep.

Suddenly, three younger sister Li Ruoshui's cry came: "sister, are you ok?" Then there was the sound of going up the stairs.

Li Ruolan's cry just now naturally attracted Li Ruoshui downstairs.

Suddenly, Li Ruolan and Yang Yu panic.

Yang Yu's clothes and trousers are all over the bathroom, and Yang Yu is naked. The guy is still wet. His elder sister Li Ruolan is just naked with a bath towel. What do you think?

If Yang Yu said that I came to the bathroom to help your sister catch cockroaches, do you believe Li Ruoshui?

It's a man whose brain has been kicked by a donkey.

Yang Yu didn't even think about it this time. He stepped out, picked up his vest, put on his head, and put on his trousers. But he forgot to put on his underwear and threw it on the ground. Yang Yu was about to bend down to pick it up, and Li Ruoshui was already in front of him.

Yang Yu cleverly stepped on it in a hurry.

"Yang Yu? What are you doing here? Why didn't you tell me when it came?" Li Ruoshui just went up to the third floor when he saw Yang Yu in the corridor. He was startled on the spot.

Li Ruoshui walked two steps and found that his sister was wrapped in a bath towel while the shower was still spraying water. He was puzzled: "what happened?" Li Ruoshui turned his head and looked at Yang Yu and his sister Li Ruolan. He began to think.

Li Ruolan is not frightened. If his sister knows that your boyfriend's guy is in his body just now, then he will have no face to see his family. I'm afraid he will have no face to go home.

"Just now when I was taking a bath, I met a cockroach. I was startled and called out. It happened that Yang Yu was there, so I opened the door and asked him to help me catch it, right?"

Li Ruolan's face is pale and his lips are dry. I don't know if this reason can deceive his sister.

"Yes, I came to see you. Suddenly I heard your sister yelling in the bathroom, so I asked. It turned out that there were cockroaches, so I was going to catch them." Yang Yu immediately should and way, fortunately two people are very clever.

But when Yang Yu told this lie, he was so nervous that he was in a cold sweat.

"Oh, well, why is your hair so wet? Why are you sweating?" When Li Ruoshui thought about it, it was warm and there were many cockroaches crawling around. Last time he met a big thief in the bathroom, he was also surprised.

Yang Yu found out that he had been showered just now. In fact, his hair and whole body were wet. What should he do? Yang Yu suddenly dumb, can not find a reason.

"It's all my sister's fault. I didn't take the shower properly just now, so I accidentally sprayed him all over." Li Ruolan barely coped with it. This is not a proper reason.

Li Ruoshui frowned. Although he didn't believe it, a cockroach came out of the bathroom and rushed straight like Li Ruoshui.

"Ah, cockroach, cockroach..." Li Ruoshui is most afraid of cockroaches in his life. Seeing cockroaches is like losing his soul. Unexpectedly, such a giant cockroach crawls towards him. He has been scared silly and retreats.

As soon as Yang Yu saw it, he saw that it was an opportunity, and his feet slipped back. The underpants he stepped on quickly slipped into Li Ruolan's room. Then, a big step forward, hard barefoot stepped down, did not expect, stepped on a positive.

The big cockroach was trampled flat by Yang Yu, and its internal organs were all over the body and spurted out. "Oh, it's so dirty. Go wash it. I'll wait for you in my room." Li Ruoshui was scared to go directly to his room opposite.

Yang Yu looked at Li Ruolan. Li Ruolan also looked at Yang Yu. They were relieved.

"Don't say anything. It didn't happen! I'll settle with you later. " Li Ruolan said fiercely.

Yang Yu smiles awkwardly. He almost caused a disaster and made a fool of himself tonight. I don't know if Li Ruolan, a friend, can do it, although they have known each other for only two days. I didn't expect to know Li Ruolan, who was my girlfriend's sister for only two days, just came back from Shanghai and was played by Yang Yu.

Yang Yu is extremely embarrassed in the heart and knocks into his girlfriend Li Ruoshui's room.

Li Ruoshui is wearing pajamas, is drilling in the quilt, leaning on the head of the bed, like a young woman washing her buttocks, waiting for her husband to go to bed after work.

The layout of the room is elegant, and the walls are specially painted light blue, which matches Li Ruoshui's noble, elegant and cool color.

"Stay in bed with me." Li Ruoshui was in a good mood when he saw his boyfriend coming. Recently, his eldest sister came back home, and the family became lively again. Li Ruoshui said with a smile: "we haven't dated for a long time. Originally we wanted to go out, hee hee, but we didn't want to go out, so we thought you came here."

Yang Yu and Li Ruoshui are in the same bed. As soon as he gets away with the robbery, he forgets immediately. When he hears that Li Ruoshui lets himself into the bed, he immediately fantasizes.

Is it true that Li Ruoshui finally figured it out tonight? Agreed to do it for yourself?

Yang Yuxi looked out and waited so long that he finally came to this day. He quickly locked the door, jumped into bed, got into the bed and put his mouth close to him.

"Oh, why?" Li Ruoshui pushed Yang Yu away. I don't know if he was not interested or shy?

"Isn't it intimacy?" Yang Yu asked in surprise, thinking: let me get into bed is not to make out, what is that?

"Make love to you." Li Ruoshui laughed at Yang Yu's surprise and disappointment.

The way Li Ruoshui laughs, she says that she is the second most beautiful in the world, and no one dares to say that she is the first.

"I asked you to come here to analyze with you who has made progress and who has regressed in the mid-term examination, and who can help with tutoring in the next two months." Li Ruoshui smiles, and then suddenly his mouth comes to Yang Yu's face and gives him a kiss.

"For such a big thing, you just kiss me?" Yang Yu thought: if I take off my trousers, will you just kiss me on the face?

Li Ruoshui took another kiss. It seemed that he had already given face: "enough?"

"Are you so mean? You don't give it, do you? I'll do it myself" Yang Yu said and turned over, pressed in the past, mouth forced to seal Li Ruoshui's mouth.

When Li Ruoshui saw that his boyfriend was pressing on him, his tongue was already sticking out of his mouth. He opened his mouth wisely, and immediately became entangled with his boyfriend's tongue. This is not the first time that he has been kissing his boyfriend.

If you have to give a preface to those women whose tongues are the sweetest and most delicious, Yang Yu will definitely put the third sister Yunxi in the first place. Yunxi's tongue is really the best in the world, so Yang Yu has never eaten the delicious tongue, and the second one is Li Ruoshui.

Although Li Ruoshui's tongue is not as soft as Yunxi's, it's sweeter. As for his cousin Yuanxi's tongue, Yang Yu can't say for sure. Although he had a strong kiss and his tongue was bitten, it was a special case and he didn't taste it carefully at all.

This tongue kiss, Yang Yu's desire is burning, hand naturally to Li Ruoshui's milk.

Yang Yu hasn't touched Li Ruoshui's milk yet. Besides, he is wearing pajamas and no bra now. If he doesn't touch it now, when will he be?

"Yang Yu, don't touch, don't touch!" Li Ruoshui left her mouth and panted. In fact, she enjoyed kissing her boyfriend. Li Ruoshui thought that men and women's affairs should be done slowly and step by step. The touching and being done should also be done slowly and naturally.

All this should come naturally.

"You are my girlfriend. If you don't touch me, who will touch me?" Yang Yu is obviously a little angry. Li Ruoshui is my girlfriend. What's wrong with touching your milk? I have to touch it tonight.

Chapter 110

"Next time, my dear, I'll touch you next time." Li Ruoshui has a delicate face and twists his body. If Li Ruoshui is coquettish, Yang Yu has nothing to do with her. When Yang Yu meets the following two situations, his heart will soften.

First, women are coquettish; second, women cry.

Although Li Ruoshui usually looks noble, but in his heart, it's all made of water. In his heart, like Yunxi, he likes to be coquettish.

As soon as they were coquettish, Yang Yu didn't fold at all.

Who makes himself a man?

"Next time?" Yang Yu was obviously not happy, and patted Li Ruoshui's face gently.

"Honey, honey, next time I touch your milk, you can eat it." Li Ruoshui is coquettish again. Yang Yu shakes his head helplessly and softens his heart. He thinks: your two elder sisters are better. They seduce me when they meet for the first time, and I almost make them when they meet for the second time.

What can we do? Men are more interested in what they can't get.

Two people quarrel, Li Ruoshui looks up at Yang Yu's face and gives him a hard kiss, then looks at Yang Yu with a smile.

Yang Yu's heart was softened.

"Well, analyze the papers." Yang Yu had no choice but to turn back. This time, he didn't succeed.

However, the quilt is warm, warm and romantic.

From time to time, Yang Yu would peek at the milk under Li Ruoshui's collar. Li Ruoshui would smile at Bai Yang Yu and say, "don't peek. I'll show you enough next time."

They have a lot of fun and love.

Yang Yu also found that he gradually really fell in love with Li Ruoshui. If at first he was willing to do her, now Yang Yu felt that the bud of love was gradually nourishing. For Li Ruoshui, he had already been immersed in the joy of love.

Love is the most beautiful thing in the world.

But, cousin Yuanxi, cousin Yunxi, what should we do?

Until nearly eleven o'clock, Yang Yu is ready to go back, Li Ruoshui is reluctant to part.

"Fool, I'll see you again tomorrow." Yang Yu smiles and strokes Li Ruoshui's head, then leaves.

Yang Yu looks back on the path outside the house. Li Ruo Rong and Li Ruo Shui's rooms are all on the back. He can't see them, and Li Ruo Lan's room has turned out the light. Yang Yu has a feeling that he can't tell. He mistook Li Ruo Lan tonight. He doesn't know what to do in the back.

It's so sinful that he mistook his girlfriend's sister at his girlfriend's home or even under her eyes. It's really a bad fate. With Li ruorrong, a difficult woman, Yang Yu feels that he will die in the hands of the three sisters sooner or later.

Maybe the second cousin Yaxi is right. It's peach blossom luck. It's peach blossom robbery. The next Tuesday was a quiet day.

The cold weather has gone, and the sun is shining on the earth.

Light is a wonderful thing.

If you want to find a door between light and darkness, what kind of door will it be?

Yang Yu calls Zhang meiruo to the corridor alone. Zhang meiruo has some close contact with Yang Yu on her last spring outing. In fact, she is very disgusted with Yang Yu, feel Yang Yu delicate affectation.

"I had a discussion with Mr. Li last night and thought that you still have a lot of room for improvement, so Yang Yu thought, if you have time, how about tutoring you in some evenings?" Yang Yu said sincerely.

"Do you want money?" I didn't expect Zhang meiruo to ask such a question, which surprised Yang Yu.

"Free." Yang Yu said.

"Will Mr. Li help us make up for it?" Zhang meiruo continued to ask, if it is someone else, Yang Yu give her free make-up, it must be happy to jump up.

But Zhang meiruo has other thoughts.

"We have some classes for people. Mr. Li will help others with Chinese and English." Yang Yu answered directly, only wondering how Zhang meiruo asked these questions.

"All right." Zhang meiruo seems not willing to agree.

Then, Yang Yu called Shen Feifei out again.

"Make up lessons for me?" Shen Feifei hears that Yang Yu is going to make up lessons for herself. She can't believe it. It's only Yunxi's welfare.

"Why don't you?" Yang Yu said with a smile, in fact, he felt guilty about taking advantage of Shen Feifei last time.

Shen Feifei is so simple and pure that she even attacks her like a beast?

Yang Yu thinks that sometimes he has no bottom line in life, so he should reflect on it. So this tutorial is very simple, without any crooked ideas.

Although I have seen too many animal teachers, under the guise of tutoring, the ratio of female students is increasing day by day.

Yang Yu's simple tutoring is from the heart to consider the students' academic performance, without any impurities.

Yang Yu himself swore in his heart that this time he was really pure. He was worried that Shen Feifei was wrong. After all, Yang Yu had a criminal record.

A teacher who always wanted to eat bean curd, suddenly said, I am pure, do you believe it? At least, Zhang Meiruo and Ji Ming don't believe it.

This day passed peacefully.

On Wednesday, it was sunny.

Yang Yu's first two classes in the morning and the last two classes belong to Li Ruoshui. Li Ruoshui came back from home after the second class.

"Miss Yang, your things are from my sister." After class, Li Ruoshui also entered the classroom.

"Elder sister or second sister?" Yang Yu must ask clearly. If it's the second sister's, Yang Yu doesn't dare to open it in front of everyone. If it's a pair of underpants or erotic goods, he will lose his face.

"It's big sister." Li Ruoshui said with a smile.

"Elder sister?" Yang Yu was stunned for a moment, thinking: can't it be the pair of underwear that she lost in her room the day before yesterday?

"What are you doing? Open it Li Ruoshui urged.

Yang Yu embarrassed smile, Li Ruoshui let himself open, can not open it? But what's in it?

Students are also curious around, want to see what is inside the carton.

Yang Yu pinched a sweat and thought: don't be that pair of underwear. Women are very careful. They are very ungrateful. If they miss Li Ruolan, she won't give her a good life.

A drop of sweat ran down Yang Yu's forehead, and his heart became agitated.

Or hard scalp slowly opened, the students are sticking their heads staring at.

Inside is a mobile phone, his mobile phone, Yang Yu immediately reaction, quickly open the carton, sure enough, the mobile phone under the pressure of the last spring outing photos.

The students are boiling up.

"All sit in their own seats." "I'll send them to you one by one," Yang said

Yang Yu finally relaxed and took out the stack of photos. Although they were color printed, the pixels of his mobile phone were also very ordinary, but because of the fine weather and light on that day, the effect was also very good.

Yang Yu looked at it one by one, and then handed it to Li Ruoshui. Li Ruoshui also looked at it himself. Although she was away from the spring outing, she was also happy in her heart, and then sent it out to the students one by one.

"What do you think of putting photos on the wall?" Li Ruoshui suggested.

As a result, the students answered well with one voice.

Some of the photos are very funny, which makes everyone laugh.

"Oh, I didn't expect that you and my second sister are quite close." Li Ruoshui saw a picture of Li ruorong feeding Yang Yu: "but what do you look like? Are you so unhappy? Is my second sister terrible?"

Yang Yu had to pretend to giggle: "students take my mobile phone to shoot."

Yang Yu also looked at them one by one. It was his turn to see the pictures of the bonfire party with Qiuyue at night. After seeing a few, he thought it was nothing, so he handed them to Li Ruoshui.

Li Ruoshui took this picture and looked at it. His face was not good-looking. He was jealous and asked, "who is this girl?"

"Oh, a college student. When he meets him, he puts up his tent together. It's more lively." Yang Yu said casually.

Li Ruoshui was envious and envious. He didn't expect this spring outing to be so fun, but he just missed it. He was so unhappy that he casually asked, "who did you sleep with that night? Isn't that the female college student? "

On hearing this, Yang Yu was stunned and quickly replied, "how is that possible? She's with her. It's her

boyfriend. " Yang Yu almost said that he had become a fireman, so he quickly changed his name to his boyfriend. As for who he slept with at night, he avoided answering.

"Miss Yang slept with Miss Li's sister and Bai Xue that night." Zhang meiruo doesn't care about her own business. She didn't expect that this time, which one is wrong? She helped Mr. Yang answer.

Yang Yu secretly takes a look at Bai Xue. A cold sweat falls down his forehead and he swallows deeply. That night he sleeps in the tent, but Bai Xue, who has been working for a long time, prays in his heart: Ruo Nu, don't think and guess.

Unexpectedly, Li Ruoshui faintly let out a sound. He seemed to trust his elder sister very much. It seemed that his elder sister helped him to watch his boyfriend. His boyfriend certainly didn't dare to mess around. But Li Ruoshui didn't know that it was you, the second elder sister, who had been having an affair with Yang Yu for a long time that night.

But just when Li Rongshui was going to rotate the photo for the students.

All of a sudden.

A terrible thought flashed through Yang Yu's mind.

All of a sudden.

Yang Yu's face is pale. He strides forward and grabs the photo on Li Ruoshui's hand. He looks at it carefully again.

I'm scared to death.

Yang Yu's eyes were wide open. His face was pale without any blood. He seemed to see something terrible.

It's impossible!

It's impossible!

"Yang Yu, what's the matter with you?" Li Ruoshui was frightened by Yang Yu's face, but he didn't know what happened.

What did Yang Yu see in that picture?

Did you see a ghost?
