

Sensualist's

Chapter 145

"Is uncle Ming really dead? It's so evil. " Yang Yu is still talking about it on the way back. It's really said by Er Niu. Isn't it such a coincidence?

The country road is narrow, muddy, potholes and dark. Although it is not an abyss below, the village is in the middle of the mountain. If you fall down on the road, you will be disabled.

At home, Yang Yu first went to find the second sister.

"Where's the magazine?" Yang Yu asked about it in a hurry.

"My friend took it. What's the matter?" The second sister never lies and is never afraid of anyone. She speaks directly and forthrightly.

"Then you can't tell people that it's Zhang meiruo's book?" Yang Yu is speechless and really wants to kill himself with a brick.

"Who knows if my cousin has lied? It happens that my friend's sister is also your student, so I confirm it." Two younger sisters don't feel that they have done wrong, even if they are really wrong, it is also Yang Yu's fault.

Women never do "wrong" things.

"But it's been publicized. Now the whole class knows that Zhang meiruo reads pornographic magazines!" Yang Yu wants to train her, but everything has happened. What can I do with her? It's good that she doesn't take herself out.

"It's a fact. She won't be afraid to be told if she dares to see it." Two younger sisters head a horizontal, bird also don't pee this cousin, completely don't put Yang Yu in the eye.

Yang Yu is really speechless. What logic does this woman have? Did I do Lin Yiyi, and Lin Yiyi still Preach: I borrowed from Yang Yu, I borrowed from Yang Yu, and let the whole village know? Is this a glorious thing?

The logic of a woman can never be understood by a man. Yang Yu is like a defeated rooster. He has to go back to the attic with his head down. Tomorrow he will really kneel down and lick Zhang meiruo.

I hope I can make it in time, but don't publicize what happened in the classroom with Bai Xue.

Lin Yiyi is lying on the bed, next to her husband Wang Ren, but the feeling is completely different. Last time she slept with Yang Yu, she was trained for some time, and then had another dry meal. After the climax, she slept very comfortably, and she slept in Yang Yu's arms, which makes Lin Yiyi feel the warmth

of a man for the first time.

But the warmth Wang Ren gave her was always different from Yang Yu.

"You asked me to borrow seed from him at the beginning, but I didn't want to. Now I listen to you. What are you not happy about?" Lin Yiyi feels that her husband is not happy recently. It must be because of her and Yang Yu.

"No, it's good. We'll have children soon." Wang Ren smiled, as like as two peas, and Lin Yi Yi was everything.

"I've been sleeping in the same bed for years, and I don't know what you think." Lin Yiyi thought, after all, his wife was done by others, which man will be happy?

"I'm afraid to worry. You have a good relationship with Mr. Yang." Wu Dalang managed to squeeze out a smile of self mockery. He knew his wife so well that it was really hard for others to get on with her. However, Yang Yu really gave her, or was fighting in the nearby woods. If Lin Yiyi didn't think about it, how could he give her?

"Don't worry, I won't like him. You don't know my character." Lin Yiyi said faintly, she is a family oriented woman, and Yang Yu is just a strange man she borrowed. Lin Yiyi always thinks so, now and in the future.

But Wang Ren doesn't think so. He's afraid that if his wife falls in love with Yang Yu, what should he do?

Two sisters with completely different personalities and ideas have similar marriage fate.

It's the same bed. On the wedding night, Yang Yu almost picked up the bride and did it in front of the sleeping bridegroom.

After marriage, however, Cui Qiang, who is suspicious and has negative EQ and can only persist for 12 seconds, has never stopped quarreling with Lin Yina. It's very strange that they have a good relationship before marriage. Although their parents arranged a blind date, they can also talk about it. Cui Qiang is also obedient to Lin Yina. Lin Yina is very hot tempered and has a strong temperament. Cui Qiang follows her.

But after marriage, slowly, some things changed, two people's same acute character, running in serious problems.

"You said, did you steal a man while I was away?" Cui Qiang saw that Lin Yina didn't love her tonight, and immediately became suspicious.

"No, I'm tired tonight." Lin Yina, this is also a speech. Is there any difference between the persistence of 12 seconds and that of others? No, not at all.

"Wife, I must break through 12 seconds tonight. I've been holding it for a long time. This time I'm going to explode. I'm sure I can't control it." Full of confidence, Cui Qiang began to coax his wife.

"13 seconds?" Lin Yina hummed coldly, but she didn't expect that her sex life was not as good as her sister Lin Yiyi.

"That's an improvement of nearly 10%, ha ha." Cui Qiang felt his head and giggled, feeling that it was a very proud thing.

When the forest is big, there are all kinds of birds. Don't believe it.

But recently, Lin Yina didn't find Yang Yu to cheat. The reason is that she still wants to give the chance to her sister first. What's more, Cui Qiang is not such a good person as Wang Ren's brother-in-law, or hard to say, so cowardly. If Cui Qiang knew that he had been rotten by Yang Yu, and that the two petals below had been turned over by Yang Yu, he would get angry and cut people directly. Cui Qiang is such a person. He has no intention. He cuts everything first. He can't hide any thoughts in his heart. He will suffocate. It's good for him to be a friend. He's straightforward, frank and clear. He never plays tricks behind his back.

The night in the countryside is so boring that he can only be a woman. Yang Yu finally understands why the village women love to go to Taohuayuan. Yang Yu suddenly wants to be Han's sister-in-law. In such a dark night, ganganhan's sister-in-law, widow Liu and Zhao Ying are actually very good.

Without wechat, Yang Yu had to live by reading the Bible. After reading the contents of Apocalypse judgment day tonight, he remembered the Apocalypse prophecy in 1999. At that time, Yang Yu was still young. Because he was too young to understand, he believed that the end of the world really came.

At that time, it was very frightening. 2012 was too far away.

Judgment day is death, and it is also the fundamental source of the whole Christian thought. Yang Yu thinks so.

I watched him fall asleep again. Suddenly, the desk lamp flashed again.

Yang Yu dreams about the woman again, who is decorated like a dark ranger in dota. But this time, Yang Yu sees more clearly that the woman in black windbreaker is not a dark arrow, but a Bible.

Yang Yu has to say that this witch like woman is very beautiful and suffocating. However, Yang Yu feels from his heart that this woman is like a goblin and may suck you up.

Why do you dream about this woman? The face is so clear, but, Yang Yu really didn't come, didn't see her, all said that the night has a dream, have never seen this woman, how to think?

Yang Yu feels that it's just like Uncle Ming's death and black pupil's cat.

In the early morning, the sun can always disperse the countryside, and the night brings all the unclean things. The whole yunu village will start spring again, especially the river, like the woman's ditch, will flood.

When Yang Yu arrived at school, the first thing he did was to find Zhang meiruo.

But never thought, Zhang meiruo came to the door first.

"It's over!" Yang Yu muttered in his heart. Before Zhang meiruo opened her mouth, Yang Yu took the initiative and coaxed her: "meiruo, it's all my second sister's fault. It's teacher Yang who's not good. Anything teacher Yang can do for you."

"How do you want me to meet people now? I lost face. It's all your fault, uncle Yang! Hum When Zhang meiruo heard her classmates talking about her yesterday, she really wanted to go down to the ground. She was a class flower. No, she was also a school flower. She even read that kind of magazine. Her reputation was ruined.

"It's all my fault, I'll listen to you." Yang Yu must try to coax him at any cost.

"Is it useful? Uncle Yang listens to me all his life, but he can't make up for it. How about your brain? I think uncle Yang is very smart when I listen to your lectures. How can your brain be kicked by a donkey all of a sudden?" If Zhang meiruo was angry, she would vent her anger and point at Yang Yu's nose.

Yang Yu is innocent. He is a teacher. He was scolded by his female students. He can't answer back. Being a man and a teacher can't find a second one in the world. What can I do? If she doesn't follow this picture, if she gets angry and tells her own story, the consequences will be more serious.

At that time, cousins, cousins, girlfriends, have to kneel again.

"Teacher, it's wrong." Yang Yu can only nod his head and admit his mistake.

If Zhang meiruo is tired of scolding, she doesn't want to embarrass Mr. Yang because he has a good attitude. After all, uncle Yang is his own teacher, and then she thinks about it and says: "first, after class, you should admit that the magazine belongs to you and the teacher deliberately slanders me; second, uncle Yang will listen to me in everything."

"Ah?" Yang Yu's mouth is wide open and his face is shocked, isn't it?

"Is there a problem?" Zhang meiruo stares at Yang Yu. Yang Yu says, "it's OK, it's OK."

"If Zhang meiruo doesn't feel at ease all of a sudden," he said.

"What's the matter?" Yang Yu asked in a hurry. It seems that there is no chance to please him. Who let him get into trouble.

Zhang meiruo raised her head, took a look at Yang Yu, and then said in a soft voice, "I'm on holiday. Go and buy me a bag of sanitary napkins."

"Ah?" Yang Yu opened his mouth wide for the second time. He was shocked, wasn't he?

"What did you promise me?" Zhang meiruo kicked Yang Yu hard and said, "Uncle Yang, go quickly, it's going to overflow."

Yang Yu just arrived at school, but he couldn't help it. He rushed to Dr. Wu again. A teacher of his own was going to buy sanitary napkins for his female students? This is too humble.

However, at least they are class flower and school flower.

How many times in life can I buy sanitary napkins for school flowers?

Chapter 147

"You're late." Li Ruolan saw that it was 7:30 and Yang Yucai ran to the church in a hurry. He was late for such an important thing.

"I'm sorry. How's it going?" Yang Yu was still breathing, so he asked first. After school, Han Qingfang worked all the time until dark. He hurried home to have dinner, and then came.

Today is Wednesday, and there will be a prayer in the church in the evening.

Yang Yu looked into the church through the window and found that there was one more thing in the

church. It was a cross, a dark wooden cross, very similar to the one of perverted sadists.

"Even if the perverts are in the church, they know that we are playing games. It will be better to hide." Li Ruolan said dejectedly, observing everyone's expression all the time, but he was not a psychologist, so he couldn't see anything.

"Not necessarily. Even if he doesn't respond to the cross now, maybe at night, when everyone leaves, he may come back. Maybe, he will doubt his cross and secretly check his own. " Yang Yu just wants to force the pervert to do something.

"I suddenly feel that this method is very stupid. We are provoking him. By doing so, it will irritate him even more. Maybe it will speed up the next goal." Li Ruolan suddenly thought of this problem and didn't know whether it was a good thing or a bad thing.

Just when they were discussing, Yang Yu suddenly saw a strange scene, but he didn't think much about it. Besides, it had nothing to do with the abnormal.

"We haven't found out the law of his choice so far. If we go on like this, we are afraid that there will be another victim." Seeing that Yang Yu didn't respond, Li Ruolan looked inside the church and continued to ask, "what do you find?"

"No Yang Yu answered.

The whole evening was nothing, and I went home hastily.

On the way, suddenly, Yang Yu felt something was wrong and ran back to the church.

The cross is gone.

And in the church, only brother Wang Ren was cleaning the church. Yang Yu quickly asked, "brother Wang, where's the big cross?"

Wang renzou frowned, thought about it, and said, "it seems that someone carried it away."

"Ah, do you know him? Do you see what it looks like? " Yang Yu stares big eyes, how oneself suddenly confused.

"I went out to take out the garbage, and when I came back, it was gone. I saw the man carrying the cross up the road. It was so dark outside, and I only saw his back. I didn't know who he was. Miss Yang, what happened to the cross? What's the problem? " Wang Ren asked curiously.

"Oh, it's OK. I'm just curious. Who's going to do with it?" Yang Yu said with a smile, it's better for few people to know about it, so he continued: "brother Wang cleaned it hard, I'll go back first."

Wang Ren has been cleaning the church for several years, and has been helping with the logistics work. Besides, his home is not far away from the church, so it's OK. Besides, Wang Ren is a good man. He hasn't complained about this kind of obligation for several years.

It's said that Christians are committed to the good. If everyone is as kind as Wang Ren and loves to help others, the world will be better.

When Yang Yu left the church, he didn't go home. Instead, he went up the path. He just wanted to take a chance. Maybe he did. Unfortunately, there was no camera installed in the church.

After walking for a long time, it was dark in front of my eyes. There was no family living on it, so I went back.

However, she first gave the medicine to widow Liu, and then gave the folic acid to Lin Yina, asking her to help her give it to her sister. Originally, it could have been handed directly to brother Wang Ren just now, but thinking about it, I always felt embarrassed, even if it was OK.

At home, the second sister began to scold again: "cousin, do you know that we are so busy today that you don't see people all day, and you don't know where to die at night. Did you steal sex with a village woman?"

Yang Yu a listen, ah, really can't find an excuse, go to church to catch abnormal crazy? It's a secret. I can't say: have you been working on Han Qingfang for a long time?

"I'll help right away." Yang Yu saw so many vegetables in the inner room and a pork that had been killed. He was surprised and said, "so many?"

"Cousin, take your time. I'm going to have a rest. It's killing me." Second sister see cousin don't work, heart is not balanced.

"Cousin, I'll help you." Yunxi is happy when he sees Yang Yu coming back, so he comes together with Yang Yu.

"Cousin can do it. You do your homework." Yang Yu touched Yun Xi's head and coaxed him into saying.

All night, Yang Yu, my aunt, my cousin and I were all busy with packing. They would put them in the basket tomorrow morning and have to carry them out. However, the pork is too heavy. My aunt has asked Cui Qiang and brother Wang Ren to help.

We were busy until nearly early in the morning before everything could be sorted out. Everyone was exhausted and went to bed after taking a bath.

Before daybreak, Cui Qiang and Wang Ren came to help. Although Cui Qiang still had a lot of problems with Yang Yu, aunt Si asked for help, which must have been agreed directly. Elder brother Wang Ren, let

alone, said that he would help unconditionally. Moreover, these two people are strong family members.

At daybreak, Yang Yu, aunt, cousin, cousin, Cui Qiang and Wang Ren were carrying nearly 200 Jin of pork, and the vegetables they stepped down yesterday afternoon were carried outside the mountain. When we got to the station, it was already daybreak. After a while, Mr. Qin's car didn't come. Of course, it was not the Audi Q5, but a refrigerator truck, which was specially responsible for transporting food, seafood, vegetables and other professional cars. It was just a driver and a loader.

Looking at the car leaving, Yang Yu only prayed.

"It turns out that younger brother Yang Yu is doing business. Who is he going to sell it to?" Cui Qiang, what's in his interest? Hehe, he immediately began to ask questions, fawning on Yang Yu, Wang Ren laughed and said nothing.

"If business is good, brother Qiang and brother Wang Ren will have to help a lot in the future." Yang Yu must have a good relationship.

They went home.

Yang Yu continues to go back to school. His aunt, cousin and second sister have to go back to the mountain to plant a new batch of vegetable seeds, sprinkle water, pull grass and so on, and then wait for Lord Qin's call. If it doesn't sell well, they won't sell it. If it does sell well, they will cut vegetables and send them out in a few days.

At noon.

In the attic of the back room, Han Qingfang's crazy cry came out.

After school.

It's still the same call for bed. The more you call, the harder you work. It's just that this time, I didn't work as long as I did after school yesterday until dark.

Han Qingfang puts on his red underwear and red bra. Yang Yu is still naked and hugs Han Qingfang from behind. Han Qingfang is very tall, which matches Yang Yu's height very well.

"It's too late to write my homework. I'm full in the afternoon." Han Qingfang is dressed and ready to go home.

"Is it?" Yang Yu deliberately touched the place where Han Qingfang was, and teased: "did it flow out?"

"No, it's all inside. It's full." Han Qingfang put on his clothes, then went back to kiss Yang Yu and opened the door to go home.

Yang Yu has not yet completely recovered from his excitement. He lies naked on the bed. The guy is soft there, but he is still very big. In his mind, he remembers the shooting with Han Qingfang, a student. It's really delicious. It's like eating honey. It's cool to be a beauty, and even to be a graduate.

This is clearly the plot in the sensory world.

Yang Yu even forgot that it was dark outside.

Suddenly, someone knocked at the door.

Yang Yu was startled, Han Qingfang should go back, but no one would come here at all?

Who could it be?

I'm not dreaming again, am I? No, I just lay down and didn't sleep. It's impossible. Yang Yu feels a little scared of himself, but he is really scared. It's true and false, false and true, but the reality is like inception.

Yang Yu patted his face, a little pain, not a dream, put on clothes and calmly went to open the door.

There's no one out there. There's no stairs out there.

It's a door outside.

The door itself is a very strange thing. The inside and outside of the door may be a completely different world.

"I dream again." Yang Yu's face immediately became ugly, and he called to the door: "Xiao Xi, is that you? I've been looking for the killer for you. I'll find him soon. Don't scare Mr. Yang, OK? "

There was no answer.

There is no door outside, but there is no way home.

"Can I fuckin 'tell me if it's true or not?" Yang Yu's room was bright and dark, and there was a smell of decay inside and outside.

"Curse?" Yang Yu suddenly thought of this thing. It must be his own fantasy. Whether it's true or false, I'll open the door and see what's on the other side of the door.

Yang Yu took a deep breath and stepped out of the room. It's ok if he didn't step out. As soon as he stepped out, the room behind MAHLE Gobi disappeared. Yang Yu quickly turned back to look for it, but it was just a cold wall.

It's exactly the same in another space.

"Is my paranoia getting worse?" Yang Yu's face is pale. No one knows what terrible things are hidden in the dark country night. Maybe you have experienced it, maybe you have seen something different, but is it true or false?

Yang Yu took two steps, but his steps were heavy. He pushed the door open, no matter what was on the other side.

You must also have a look. No matter whether you are a ghost or a God, Yang Yu gently pushes open the door,

finally sees clearly that the other side of the door, unexpectedly.

There was a woman standing.

Chapter 148

That woman is not dressed in red or with a haircut. She is not Xiao Xi.

It turned out to be her.

The woman I have seen twice in my dream, wearing a black windbreaker and a Black Hoodie, holds a large cross in her hand.

The cross is bleeding. Will the cross bleed?

The woman turned her back to Yang Yu.

"Who the hell are you? I always dream what are you doing? " Yang Yu roared: "I don't care if you are a ghost or a demon. You don't always scare me, OK? I don't know you. What's the ghost place?"

Yang Yu is sure that he is in a dream. What are you afraid of? Roar out.

The woman suddenly turned her head and looked at her with sharp eyes. Yang Yu suddenly woke up and found himself naked in bed. It was dark outside.

"Am I really asleep?" Yang Yu touched his head, and then looked at the door. His heart was ticking. Don't let anyone knock on the door. Don't be a dream again. Sooner or later, he will be killed.

Yang Yu didn't dare to stay. He dressed quickly, opened the door and ran all the way home.

Dinner time.

The head office of binrugui hotel is well lit and full of seats. The city is also particularly dazzling.

Today, we launched a lot of green advertising activities, such as the hotel leaflets.

"Master Qin came out to order for me in person?" A middle-aged man came to dinner with his family. What I didn't expect was that Qin long came out to order in person, which is really rare.

"Deputy director Wang is coming to our restaurant for dinner. How can I not receive him personally? What's more, today is the day for us to launch the green menu. Ha ha Qin long is in a good mood tonight. Originally planned to retire, the hotel is ready to give his daughter Qin Shu and take care of.

As a result, inexplicably, Yang Yu seduced him to work, so he wanted to help the boy first, and then it was not too late to retire.

"Well, let me have a taste of your green food. Don't sell dog meat as a lamb. Master Qin knows what I do. Ha ha Deputy director Wang is the deputy director of the Municipal Health Bureau. He is responsible for the government work of food and health. To put it bluntly, master Qin really has to rely on this kind of backer.

"I hope deputy director Wang will take some samples back for identification, so as to give us a free advertisement." Qin long is really not afraid of investigating this time, but he is afraid of making trouble, especially his competitors. Their favorite thing is to plant disasters and frame them, and then find reporters to blow up the news and ruin your reputation.

Several times, this kind of thing was carried down with the help of deputy director Wang, which is also the fundamental reason why Qin long came out to order for deputy director Wang himself.

"Well, it's not easy to eat some reliable food now, especially for my two children. I really want to give them something healthy." Deputy director Wang is a food hygiene worker. The more he knows, the more flustered he will be. He knows better than anyone that food is dirty.

When people are rich and old, they are more concerned about their own health and the health of the next generation. However, it is not easy for people like him who are not short of money to find a home or go to the vegetable market to buy some reliable dishes.

"This batch of vegetables has just been transported from the countryside. More importantly, they are supplied by reliable people. If I have time, I can take deputy director Wang to have a look." Qin long is an old fox in business. Of course, he is a good fox. Although he did many immoral things when he was young.

But after a long time in shopping malls, I still understand that if I want to survive, I must rely on two things: quality and innovation.

Deputy director Wang flipped through the front part of the menu, and each page of the menu was written with a big line:

the following green foods are: Chunyu Green Food Co., Ltd.

Obviously, there's a logo. Yang Yu has already thought about these things in his plan. Since the State Council abolished the minimum capital requirement for company registration, it's much easier to register a company. Yang Yu, the company's logo, has already thought about it. Inspired by a feather in Photoshop, it's designed as a vegetable leaf, which is very green and tender. It's very comfortable to watch.

"This company hasn't heard of it before, new one?" Deputy director Wang frowned. There are no food related companies in the city he doesn't know. This should be his job.

"Just registered. It's a company that's crawling for the sake of the people's healthy diet." Master Qin said that from the moment when he fell on the dark road and was rescued by Yang Yu, although he was not sober at that time, he could feel the young man's sincere heart which was different from others.

Qin long trusted Yang Yu in this way. He always had a good eye for himself.

Deputy director Wang ordered some common green vegetables, then continued to look, handed them to his wife and said, "wife, you have a look too."

Deputy director Wang's wife took the recipe and looked at it. Her eyes suddenly fell on a dry product. She suddenly got excited:

"dried pumpkin? And this stuff, which I haven't eaten for years." Deputy director Wang's wife is also from the countryside. After she married in the city, she broke off with this local specialty and never tasted it again. "It's a small local specialty in the countryside of the opposite county. I've tasted it myself, and it tastes good." Master Qin quickly agreed.

"Just order this. These two children haven't tasted this from their hometown yet." Deputy director Wang's wife seems to be in a good mood.

as for the price, deputy director Wang doesn't care. Besides, master Qin will discount the price. Although the price of this green dish is double that of ordinary dishes, its health is guaranteed.

Rich people don't care about this fart money.

Director Qin's wife gave him a bag of pumpkins, but he was not satisfied with it.

"If deputy director Wang thinks this green recipe is good, he has to recommend it." Master Qin knows that what deputy director Wang said has more weight than anyone else.

"Now I really don't know if you can do this vegetable. I'll give you a surprise inspection one day, ha ha." Of course, deputy director Wang is joking. However, he remembers Chunyu Green Food Co., Ltd.

It was busy until 12 o'clock when the sales results of three hotels in the city and county came out.

"How's it going?" When Lord Qin arrived at home, he couldn't wait to ask. There was usually no one in the family, and there was a housekeeper and servant. The housekeeper is in charge of everything in the house, including contacting lawyers and doctors. The servant is mainly responsible for cooking, washing and cleaning.

"Dad, what's your hurry? It's the first day." Qin Shuhe sat on the sofa and gave Dad a massage: "however, we still need a promotion for high-end customers."

"Competing hotels will try to catch us. My father is wondering if he can make a plan and let reporters expose us. By the way, help Yang Yu make an advertisement." Qin long said.

"Well, we have people in other hotels and newspapers. I'll make inquiries and arrange for them." Qin Shuhe is a very smart woman, not to mention her gentle.

"Dad, I haven't played Infernal Affairs for a long time. I didn't expect that you have learned it. Ha ha Qin long suddenly has enthusiasm. In fact, although binrugui hotel is very famous in the city, it is only in the city after all.

Even the standard of three-star hotels has not been met, and there are only a few chain stores. But when I am old and live in my old age, the hotel can only be entrusted to the next generation.

Qin Shuhe is also striving to study economics. I know better than anyone that money is a very interesting thing.

It's the woman who has been cursed by Gu Yu that feels like she's going home. However, tonight is really can not go to find Han Qingfang, has been three times in a row, Han Qingfang has spared several times. However, distance dry black or need to sell more efforts, Yang Yu is the first time a big beauty dry black fungus, this is too damn sense of achievement.

However, Yang Yu is still puzzled, Han Qingfang will agree, do a few times, also don't find her in bed Sao Jin. It's too far away from Zishu, linyina and Xie Qiuqiu. These three are real Sao. However, if Yang Yu had a chance to be Li ruorong, he would certainly be impressed.

Men like to do women, one is a bitch, the other is a beauty.

In the evening, I help my three younger sisters review their lessons. As long as Yang Yu is here, my three younger sisters will do it very seriously and make a lot of progress in their study. If you go on, you should be able to get a general high school entrance examination. I don't expect the three younger sisters to do it.

Yang Yu holds three younger sisters from the back, and then puts his head on Yunxi's shoulder from the

back. This is what Yang Yu often does. Many times, he will harden the guy up and support Yunxi's butt. Yunxi won't scold his cousin for playing hooligans, so he will give Yang Yu the top by default. Although he is wearing pants, Yunxi gets wet every time.

This time, Yang Yu came again, Yunxi immediately split heart, face was top hot.

"Cousin, when is your birthday?"

Chapter 149

"Cousin's birthday is still early. Why? What are you going to give me? " It's very comfortable for Yang Yu to hold Yunxi, especially Yunxi's body fragrance, which has always attracted Yang Yu.

"Never thought about it." Yun Xi turned his eyes and replied.

"If not, my cousin will agree with me." Yang Yu thinks it would be great to give this gift.

Yunxi a listen, more embarrassed, quickly said: "cousin, you play hooligans, I will ignore you."

"Ha ha." Yang Yu covered up his embarrassment with laughter: "when is the third sister's birthday? My cousin gives you a present. "

"Me, don't mention it." Yunxi suddenly depressed.

"What's the matter? Tell my cousin that my cousin dotes on my baby Yunxi. " Yang Yu will spoil the three younger sisters most. She is not allowed to feel sad.

"It's my birthday in the cellar." Yunxi that listen to be scared silly, everybody also all forgot, that day unexpectedly is her birthday, really is a good coincidence.

"What a coincidence." Yang Yu muttered.

"Or Easter day." Yunxi casually back, at that time also specially read the calendar, this year's Easter March 31 is her birthday, so I have the impression.

"Oh, it's OK. My cousin will mend it for you. Next time I go to the city, I'll buy a big doll for you." Yang Yu knows that Yunxi likes dolls very much, so she is going to buy another doll she likes, so she can sleep in her arms at night.

"Really, my cousin is so nice." Yunxi turns his head and kisses him in the face. Then he continues to do his homework happily.

"Wait, Easter?" Yang Yu and Zou frowned, because he analyzed the metamorphosis last time, and now he is very sensitive to Jesus and Christ. Easter is an important festival of Christ.

Yang Yu suddenly thought of something. Without saying a word, he took the flashlight and ran to Li Yunlan's home. It's eight o'clock on Thursday night.

When Li Ruolan knocks on the door of the third floor, he finds that the lamp is on the first floor.

"What are you doing here?" Li Ruolan thought it was the third sister, but he didn't expect it would be Yang Yu.

Yang Yu looked at Li Ruolan and found that she was wearing pajamas. This was the first time he saw Li Ruolan wearing pajamas. He was stunned and didn't get used to it.

"Well, are you looking for me or my sister?" Li Ruolan waved in front of Yang Yu's eyes and yelled.

"Come to you." Yang Yu smiles awkwardly and touches the back of his head.

"Then come in." Li Ruolan looked at the third sister's room by the way and found that the door was closed. It was inconvenient for Yang Yu to stay in his room alone, which was easy to be misunderstood.

Li Ruolan closed the door, Yang Yu played down the room, layout is very warm, looked at the bed, Li Ruolan just should drill in the quilt to read a book.

"Is your copy from the public security bureau still there?" Although Yang Yu's eyes still peeked at Lan Jie's appearance in her pajamas, he still remembered the business.

Li Ruolan's appearance in pajamas is a little different from that of Li ruorong. Li ruorong is naturally sexy and coquettish. Wearing pajamas is especially tasteful. However, Li Ruolan is a crisp, even a little bit of a strong woman with a boy's character. Therefore, Yang Yu can't adapt to the sexy appearance in pajamas.

The contrast is a little big.

"In the drawer, take it yourself." Li Ruolan goes back to bed and leans on the bed. She guesses that Yang Yu may have thought of something again. She just comes to confirm it, so she won't disturb him for the moment.

Yang Yu looked at the information of the five victims, and then compared it with some contents of the Bible. He became more and more excited, and his eyes gradually brightened.

"I finally know the law of the Pervert's choice." Yang Yu's eyes widened. There was nothing more exciting for him than to find this.

Li Ruolan immediately put down the book, got up, went to Yang Yu's side, and couldn't wait to say: "speak quickly."

"The first victim, Xiao Xi, was born on January 6, which is called epiphany, a festival commemorating

Jesus' three displays of divinity. The second victim's birthday is confession day, the third is ash day, the fourth is good Friday, and the fifth, Yunxi, is Easter. The birthdays of all victims are all about Christ or Jesus. " Yang Yu turned his head, looked excited and surprised, and continued: "it's not a coincidence, but the law of the Pervert's choice of victims. He is selected according to the festival of Christ."

"I didn't expect that you know a lot about religion." Li Ruolan suddenly has a little admiration for Yang Yu. She just likes men who are smart and fast.

"In fact, these things are not recorded in the Bible. They are all learned by some people in the church when they chat, ha ha." Yang Yu is very modest. If he talks with them more, he will gain a lot.

"No wonder my third sister will take a fancy to you. She has a high vision. It turns out that you do have a lot of attractions." Li Ruolan praised Yang Yu again.

Yang Yu said, but he thought: isn't Li Ruoshui attracted to me because I'm handsome?"When is the next Festival?" Naturally, Li Ruolan was smart and hit the nail on the head and asked the most crucial question.

"After the crucifixion, Jesus rose three days later, and then ascended to heaven 40 days later. That day is called ascension day." Yang Yu said, picked up the calendar on the table, turned it up, and muttered: "because the calculation method of Easter is very complex, the date of each year is different, and it changes, but the calendar has already calculated for us. This year's Easter is March 31, and May 10 is forty days later."

"In other words, his next target is the students whose birthday is May 10th." Li Ruolan said.

"That's right, but he doesn't have to start on that day. He usually starts early, which is also his cunning." Yang Yu calculated that now it is almost the end of April, and there is still half a month to go before May 10. In this half a month, all the students in the village who are on May 10 may be her targets.

"All of them are junior high school students, but they are all 16 years old." Li Ruolan asked about everyone's information and found this rule by accident.

"Well, tomorrow I'll go to the school to check the birthdays of all the students and see if there are any people in the school who match this birthday." Yang Yu closed zongjuan, his face became firm, and he bit his teeth and said, "this time, I will definitely catch him."

"I'll go to school with you tomorrow." Li Ruolan is also very excited. These doubts and rules are all created by Yang Yu's reasoning or brainstorming, and he is more and more fond of Yang Yu.

"Well, I'll go back first. Good night, sister LAN." Yang Yu is relieved and finally finds the loophole of the pervert. Now as long as he finds the next target and protects him, he will be caught.

"Won't you go and say hello to my sister?" Li Ruolan asked.

Yang Yu thought about it, but now it's not too early, and she's very busy, and she can't stay for long. More importantly, if Li Ruoshui doesn't do it, Yang Yu would be more willing to come here to fight.

"Forget it, she's busy too. We meet every day anyway." Yang Yu said with a smile.

"Why don't you stay with me a little longer?" Li Ruolan said suddenly.

Poof!

I made a list. Why are there so many unexpected things?

Yang Yu was stunned for a moment, thinking: what the hell does this sentence mean? Is there any other meaning? Does Li Ruolan want to seduce me? It's hard to have a Li Ruolan. How can you stand another Li Ruolan?

But in the twinkling of an eye, Yang Yu feels wrong. Li Ruolan is not the kind of woman who is interested in herself or will seduce herself or rob her sister's boyfriend. It's not like that. She's too serious.

But in the twinkling of an eye, it's not right. Li Ruolan is directly from Shanghai, where she is well-developed, and she is not a virgin. Of course, it's not clear when she broke it. But in Shanghai, she has no boyfriend. She is 28 years old this year, and will soon be as old as a tiger.

In a city like Shanghai or Dongguan, it's very common to feel like having an appointment. Besides being a white-collar worker, it's even more common. Who knows what kind of life Li Ruolan leads in Shanghai? Maybe it's the woman who often dates?

Yang Yu immediately contradicted, all kinds of speculation, all kinds of fantasies.

What's more, the most important thing is that last time she did it by mistake in the toilet, she was not angry at all. She slapped someone else and chopped herself. But Li Ruolan was calm and calm. This kind of performance is totally abnormal.

The more Yang Yu thinks about it, the more wrong it is. What is in Li Ruolan's mind? Yang Yu wants to read his mind.

Women's mind is the most damned hard to guess, which Yang Yu has already deeply understood.

I don't think it's really lucky. Sister LAN will return to Shanghai in two months. It's no use quitting. Anyway, she will be safe after she returns to Shanghai. Yang Yu's heart suddenly came up with such a wishful thinking. Now he wants to test sister LAN.

"Good." Yang Yu actually agreed to come down. Then he sat by the bed. Li Ruolan was under the quilt. Yang Yu didn't dare to see her directly, but he still dared to ask questions. This chat always had to start a

topic. Yang Yu decided to start a sensitive topic.

"Sister LAN, don't you have a boyfriend?" Yang Yu asked.

Li Ruolan laughed, reopened the book, looked up at Yang Yu, and said, "a person is very good, very free, without any constraints."

Yang Yu suddenly wants to ask questions about sex, but he still doesn't dare to ask. After all, he is too sensitive. Besides, he is a friend with sister LAN. It's not appropriate to ask a friend this kind of question. However, Yang Yu doesn't know which one has a problem, that is, he has been asked. When he asks, he can really ask a problem.

"What about sister Lan's sex life?"

Li Ruolan suddenly raised his head and his face became serious. Yang Yu cried in his heart: Yes, it's over. Why did I ask such a question.

"How's your sex life with my sister?" Li Ruolan asked in reverse.

Yang Yu laughed foolishly, touched his forehead, covered up his embarrassment and said with a smile, "we haven't done that yet."

Li Ruolan was even more surprised. Suddenly, she laughed and said, "is that right? So sometimes sex has nothing to do with whether you have a girlfriend or not. "As soon as Yang Yu heard this, he knew that the woman who had been in the big city for such a long time must have advanced her thinking. In this way, it would be better. However, Yang Yu really found that she was wrong.

You can't look good. You always think that Li Ruolan is a woman like Lin Yiyi. It seems that she is not. Yang Yu suddenly feels confident and wants to ask about it. But Li Ruolan suddenly takes the lead in saying: "if I say I have an appointment, do you believe it?"

Yang Yu's heart beats wildly when he hears that. Li Ruolan has an appointment? This is beyond Yang Yu's surprise. It doesn't match Li Ruolan's usual appearance, personality and so on. It should be a woman like Li ruoren who can make this appointment.

If you say that Li Ruolan has been rotten by men, Yang Yu will believe it. But if Li Ruolan is like this, Yang Yu will never believe it.

"Everyone has the right to enjoy sex." Yang Yu said, Yang Yu has always thought that human beings are animals. What is the essence of animals? What is the essence of the individual?

But this sentence hurt Li Ruolan all of a sudden. Everyone else agrees with this view. The body is her own. Why can't she have this right, especially women!

"Do you want to make a date with me?" Li Ruolan really made a 360 degree turn tonight and asked this kind of question. When she said this, her eyes were looking at Yang Yu. Her face was not embarrassed and embarrassed at all. She was very calm and calm. It seemed that she didn't think what would happen.

Yang Yu swallowed deeply, and his heart beat wildly. Is Li Ruolan telling the truth or a lie? Is he testing himself or really trying to make an appointment with me? Now, Yang Yu really doesn't know how to say it.

Chapter 150

"Yes Yang Yu has never been a hypocritical person, dare to say.

"Ha ha, you dare to say that." Yang Yu suddenly laughed and said, "I'm still joking with you. I'm serious."

Yang Yu's face suddenly became black, which made him lose face.

"Sister LAN doesn't take this kind of plaything." Yang Yu touched his head, which was embarrassing. But this way, Li Ruolan thought it was very cute. She had never flirted with this kind of little brother. She was seven or eight years older than Yang Yu.

"Is what you just said true?" Li Ruolan did not forget to tease.

Yang Yu is not afraid to be ashamed when this sentence comes out. He has said everything, and Li Ruolan will not tell her sister about it, otherwise she will not be able to finish last time, so Yang Yu is more stable.

"What sister Lan said is true, so am I. If sister LAN is joking, I am joking. Ha ha Yang Yu also used an ambiguous answer, anyway, the meaning is very clear.

"You, be careful. I'll let my sister dump you. It's so naughty." Li Ruolan also laughed.

I didn't expect that through such an inexplicable chat tonight, I suddenly felt that they were actually ambiguous.

On the way back, Yang Yu was still happy. His sister, a capable girlfriend, didn't even dare to think about it. When Li ruorong seduced him, he couldn't hide himself. That wretch was invincible. Which man could stand it?

But what excited Yang Yu even more was that this time, the pervert must be able to find out. Yang Yu said to himself: "Jesus ascension day, it seems that it will really become your ascension day."

The next Friday, Yang Yu went to the school very early, but the principal hasn't come yet, so he can't get the student status file. When the self-study was over, the principal came, and Li Ruolan came with Li

Ruoshui.

However, Yang Yu, Li Ruolan and the headmaster discussed this matter in secret. The less people know about it, the better. Yang Yu and Li Ruolan are getting closer and closer because of the investigation of perverts.

"The student status files of the whole school are here. Take them and see. I still have classes." The headmaster also knew the importance of this matter and quickly took out the student status file.

"There is a loft in the back room of the school. Let's go there and watch it together." Yang Yu suggests, there is quiet, won't be disturbed again, had better.

It's Li Ruolan's first time to come to this loft. Here, Yang Yu goes on with his girlfriend's best friend and his student Han Qingfang. When men and women are alone here, something always happens. It's like a spring house. Every time they enter here, Yang Yu feels ready to move.

Ah, if only there were such a design as chunwu in the world, Yang Yu would not be surprised. But at least there are some aphrodisiacs, and the latest batch of aphrodisiacs are about to bloom. It's impossible to plant them when it's hot, so we have to wait for the next year. However, the second batch of love flowers is enough for Yang Yu to spend time.

"Thirteen years ago, Xiaoxi was found in this old house." When Li Ruolan came here, he thought of 13 years ago. Thirteen years ago, there were still many teachers living here. Now it has become an empty old house. Things are different.

Although Yang Yu knows about it, he feels more real from Li Ruolan's mouth. In addition, in this room, Yang Yu has seen Xiao Xi in her dream. Her face, which has no face, scares Yang Yu to death.

"Xiao Xi, I'll help you find him out and give you justice." Li Ruolan said softly to the house, as if Xiao Xi could hear her.

And then they started to work.

"Look for it from the third grade of junior high school." Li Ruolan suggested. There were only a dozen students in the third grade of junior high school, and soon they finished.

"I found it. My birthday is May 10th, the third day of junior high school. I'm sixteen this evening. I'm a girl. All the conditions are met." Li Ruolan handed over a file.

"Who is it?" Yang Yu asked, then took a closer look, involuntarily said: "Zhang meiruo?"

"School flower, Mr. Yang can be a hero again." Li Ruolan said with a smile, as if there was meaning in this.

Yang Yu a Leng, did not expect to become the school flower's bodyguard. Now, there are more people who need to send people home.

Then, Yang Yu and Li Ruolan checked the rest of the students. At least there was no one related to Christ's birthday in junior high school. In primary school, there are also, but Yang Yu thinks that it should not be the primary goal of perverts.

"I can't follow her 24 hours. And I have to look at my cousin. She may also be the target." Yang Yu said.

"Otherwise, you should be Zhang meiruo and live with your three younger sisters for half a month." Li Ruolan suggested.

"They are the daughter of the village head. They are rich. How can they agree?" Yang Yu said. This is really a good way. I'm afraid the village head and Zhang meiruo will not agree.

However, Yang Yu decided to talk to the village head and school flower Zhang meiruo in person.

Yang Yu will go to class next, and Li Ruolan will go home first. There was no one in the office, and the principal was not there, so Yang Yu put the student status file in the drawer for the time being.

In class."Perverts may act recently. We must pay attention to safety and try not to walk alone after school." Yang Yu repeatedly emphasized this problem in class.

"With Mr. Yang, what are we afraid of? Mr. Yang will protect us." That's a good thing to say, but when it comes out of Ji Ming's mouth, it changes its taste.

"Yes, I'll catch you then." Yang Yu deliberately scares her. Anyway, Ji Ming is too bold. If the pervert comes to her, he will not get any benefits.

"If he dares, I will abolish him." Ji Ming is not afraid at all. Compared with Yun Xi, Yun Xi and Bai Xue are timid day by day. They are already in Yang Yu's arms.

Ji Ming's words also made people laugh.

After school, Yang Yu specially pulls Zhang meiruo and Yunxi to the corridor and asks them to wait and go back together. Zhang meiruo felt puzzled and muttered in her heart, why did she send me back? What the hell.

Yang Yu is going to the office to get something and is going to go home for dinner. At this time, there are many teachers in the office.

"Brother Wang Ren, why are you here?" Yang Yu found that there was a familiar person in the office, who turned out to be Wang Ren. Why did he come here? Yang Yu is puzzled. And brother Wang Ren is sitting next to the headmaster. They are chatting.

"Mr. Yang Yu, I'll deliver the dishes." Wang Ren had a straight smile on his face. He was stupid.

"Delivering food?" Yang Yu was stunned.

"You know each other." When the headmaster found out that they actually knew each other, he added: "he has been providing food for our canteen for many years, and the food is delicious. It's usually taken by the people in the canteen. Today, someone in the logistics department is ill, so Wang Ren sent it in person. "

"Well. Brother Wang has some skills to teach you Yang Yu is a vegetable grower now. If you have a chance, learn first.

"I don't know how to grow vegetables. Did you go back? Together. " Brother Wang Ren smiles.

Yang Yu naturally agreed, and just as he wanted to send Zhang meiruo, he could let elder brother Wang Ren take care of his younger sister by the way.

When the four separated at the fork, Yang Yu specially told brother Wang Ren: "brother Wang, you know, there's a pervert in the village. I've been worried about the safety of these students. I have to send meiruo back. You can help me send my cousin by the way."

"It's OK. Don't worry." Wang Ren said.

"Cousin." Yunxi is a charming girl. She still wants Yang Yu to send her, but her cousin goes to send her school flowers. She is sour and jealous. The third sister loves to be jealous.

Yang Yu touched Yun Xi's head and said with a smile, "brother Wang will send you back. Don't be afraid."

Yunxi had to nod, a little sad.

"Why did Mr. Yang send me home for no reason? I'm ok. The pervert won't come to me." Zhang meiruo pouts. She doesn't want Yang Yu to send her.

Yang Yu went to Zhang meiruo's home and had a private chat with the village head.

"No, is that right?" When village head Zhang heard Yang Yu say that the next target of perverts may be Zhang meiruo, he still didn't believe it.

"Whether it's accurate or not, there must be some protective measures. I can only help to watch in school, but after school and weekends, I don't notice. I have to trouble you Yang Yu said.

"I usually work in the village, and my wife is not in good health. She is also a single woman. She really can't take care of her." Village head Zhang usually doesn't care much about his daughter. Who dares to

move himself? He is the boss of the village. Who dares to touch him? But perverts don't care about you.

"Why don't you ask Zhang meiruo to stay for half a month? I happen to be with my third sister, and I can make up lessons together." Yang Yu really suggested that.

"Well, that's good. The child was a child, no one to accompany her to play, personality is also self, I think it's OK, also can make up lessons, I worry that the child can't go to high school, that I'm also very shameful Village head Zhang has also heard a lot about Yang Yu. He has a good reputation in the village and the villagers like him very much.

"Ha ha, it's just that our family doesn't live as well as village head Zhang. I'm afraid that Zhang meiruo is not used to food and accommodation." Yang Yu also said the dilemma.

"Don't worry, Mr. Yang. I'll make it clear to meiruo." In fact, the village head is not afraid that the perverts will really catch his daughter. What he is more worried about is his face. If Zhang Mei fails to enter high school, it will be a shame. As soon as Yang Yu said that he would spare time to make up lessons every night, the village head would not like to do anything else. He would like to live in Yang Yu's house before the high school entrance examination. Usually, no one would listen to this girl. She has no choice but to place her hope on Yang Yu.

Yang Yu doesn't know whether it's a good thing or a bad thing. If Zhang Mei wants to have an accident, she can't escape the responsibility. In the end, the village head will only blame herself. It's actually a thankless thing. However, since the incident of Xiaoxing and Yunxi, Yang Yu knows that as a teacher, she has made many mistakes. This time, she can't let her students have another accident. Even if it's a black pot, it's a man's basic responsibility to carry it down.

In this way, Zhang meiruo, a school flower, was inexplicably ordered by her father to live in Yang Yu's home for the reasons of cramming and taking the high school entrance examination. Of course, Zhang meiruo refused to go. The father insisted that she go. She was so angry that Zhang meiruo stamped her feet. She thought: Uncle Yang must be the one who made such a bad idea. I've kept a secret for him. How can I supervise me? Teacher Yang is so bad and boring.

In the past half a month, Yang Yu has become the bodyguard of the school flower.

Chapter 151

At noon, because of Zhang meiruo's business, Yang Yu naturally did not have so much time to find Han Qingfang.

If Zhang Mei was going to move after school, it was just clothes and daily necessities. She had a bed and a quilt, and she would not live long. But because it's the countdown to the senior high school entrance examination, students of grade three have classes on Saturday morning.

So it's going to be tomorrow afternoon.

As for the cost of food, the woman who is the village head will naturally have to give some money to subsidize, but this is a secondary and important thing. In this way, we can have a good relationship with the village head. There are too many places for the village head to do the contracted work of growing vegetables and fields, so even if we give Zhang meiruo free food and living, we will not lose money.

In the afternoon class, Zhang meiruo is still full of anger. She doesn't want to move to other people's home at all, especially Miss Yang's. She knows that her family is living well. How could her father come up with such a move.

Bullshit study! Zhang meiruo glared at Yang Yu in class.

After school, I still wanted to find Han Qingfang for a fight, but I wanted to send Zhang meiruo home. Yunxi couldn't spare time, so I had to write a note to Han Qingfang secretly. They were playing as agents, and the note said: how about going out for a field battle at night? The teacher is waiting for you in the classroom.

Han Qingfang looked at teacher Yang and nodded silently.

"I found out that you've sent Zhang meiruo home these two days. Do you like him?" Li Ruoshui is obviously jealous. Every time Yang Yu leaves school, he either sends Yun Xi, Bai Xue, Zhang meiruo, or even Yang Lin, but the chance to send himself home is getting less and less. Of course not.

"It's easy to take you home. We'll live together." Yang Yu said with a playful smile.

"To die, I want to live together before I marry you." Li Ruoshui pretends to be very reluctant. Since childhood, most of them have lived with their parents. I really haven't thought about it. How about living alone with Yang Yu for a while before marriage?

In particular, it means having sex. Li Ruoshui feels that he is not prepared for it.

In fact, Yang Yu doesn't want to. He and Li Ruoshui pretend to be real. His cousins and three sisters are very angry, especially his cousins. Although they don't say it, they are very sad. Yang Yu also vaguely feels it. But Li Ruoshui can't break up now. What's more, Yang Yu seems not to want to break up, so his cousins are more contradictory.

Love and hate. If it goes on like this, it's definitely her own injury. So last time, Li Yuanxi decided to go to the city to find a job and leave here. In fact, the most fundamental reason is that she wanted to escape from Yang Yu.

This layer of paper has not been broken now. Did Li Yuanxi say to Yang Yu: you broke up with Li Ruoshui?

But why? Can't say to Yang Yu: you break up with her, cousin want to be your girlfriend?

Even if Li Yuanxi does become Yang Yu's girlfriend, it is underground, because she is Yang Yu's cousin. This is a family scandal. In this rural area, it belongs to incest and should be pointed out by thousands of people.

Also, Yunxi likes Yang Yu very much and relies on him very much. Does Li Yuanxi make her own sister feel sad together?

So, Li Yuanxi can't do it, can't say it, can only let it be, step by step, want to open up!

At dinner.

"Cousin, is Zhang meiruoming going to move in with us?" Yunxi asked, she felt very good, school and school have a companion.

"Yes, half a month." Yang Yu took a bite to eat, and then swallowed it, but for fear of misunderstanding, he immediately added the following reasons: "first, I can help tutor, but that's not the point; second, according to my reasoning, the next goal of the pervert is probably Zhang meiruo. If I move here, I can take care of it on weekends after school; third, it's also a good opportunity to have a good relationship with the village head. The village head is required for all kinds of certificates in the contract of planting noodles and vegetables. "

"The third reason is reliable. The first two are farts." The second younger sister's words broke the mystery. Is this boy clever or is he being misled by cleverness.

"It's OK. Xiaoyu has a sense of propriety, and my aunt supports it." What's the difference between Yang Yu's younger sister's child and her younger sister's child? They all have blood from their grandparents.

After dinner and in the evening, Yang Yu does not allow the third sister to go out. If she wants to go out to play, she must take her with her. However, the second sister has many friends and classmates in the village. When she is bored at night, she runs around in the village, and Yang Yu doesn't care. Like Ji Ming, the second sister is unlucky to meet her, even if she is a pervert.

As for my cousin, she has passed the age of playing around. She is much more mature and steady. Occasionally, she would walk around with my aunt, or hide in her room to read books, or help her make up lessons.

Yang Yu is used to the life in the city. He can't stand the night without entertainment. At night, he wants to pick up girls. Especially recently, with the rising temperature, Yang Yu's desire is getting stronger and stronger.

Tonight, Yang Yu is going to go on a big fight with Han Qingfang.

However, I met Lin Yiyi on the road. Lin Yiyi usually doesn't go out much, but recently he always goes to his sister Lin Yina's house, so Yang Yu often meets her. "Thank you for your folic acid, Miss Yang." When

Lin Yiyi received folic acid, his heart was warm. I wanted to thank Yang Yu, but I was afraid of other people's gossip, and I didn't have many opportunities to find Yang Yu alone.

"It's my responsibility. There's nothing to thank." Yang Yu replied with a smile: "what? Did sister Yiyi not stay with brother Wang Ren at night? "

"Yes, I don't know where he goes in the evening. Especially recently, I spend less time at home, but I'm not afraid of him going out to steal." Lin Yiyi said with a smile, as if some sad, some self mockery.

Yang Yu also heard strange taste, Wang Ren is not lift, take what to steal? Naked woman lying in front of him, he can't get up, which is a man.

"Do you think he deliberately gave me a chance to go out and have sex with a man?" Lin Yiyi said with a smile, if changed in the past she, even two months ago she, say this kind of words, will feel blush, guilt.

However, people will change in the end, especially when marriage is not happy. No matter how traditional or pure a woman is, she may become a slut. Maybe pan caier, who used to be, is also a very simple and traditional good family woman.

No one is born bad.

"There may be something wrong with brother Wang Ren." Yang Yu still tries to say good things for Wang Ren, because he is really a good man. Yang Yu doesn't want to destroy the relationship between Lin Yiyi and Wang Ren, or even break up his marriage, because of himself, because of borrowing seeds. Yang Yu also feels guilty.

"What can I do for you? Looking for a village woman? Once I met someone who came out of Taohuayuan. Why did he go there? " Lin Yiyi is in a bad mood. He is full of anger. When he meets Yang Yu on the road, he gives vent on the spot.

Yang Yu also suddenly remembered that he had met brother Wang Ren once in Taohuayuan, but he was just passing by.

"I don't know, but I promise that brother Wang Ren will never cheat. He doesn't have the innate conditions to cheat either." Yang Yu continued to comfort him. He should have been on Lin Yiyi's side, but in case their marriage really goes wrong, Yang Yu is also to blame. Besides, brother Wang Ren takes good care of Yang Yu in many places.

"Sometimes I even suspect that he is deliberately pretending not to give up, because I may not be able to arouse his sexual desire, so secretly, I may go to Taohuayuan to look for other women to fool around." Women are naturally sensitive.

Wang Ren is a person who doesn't give up. He himself admits that there is no man or wife who doesn't do it, pretends not to give up, and specializes in cheating? What logic is that.

So women are never logical, and men are particularly logical.

So Yang Yu can only smile bitterly, and Lin Yiyi is more and more sensitive: "elder sister Yiyi, I promise elder brother Wang Ren is not such a person, you can rest assured. What's more, yiyijie is so beautiful. Which man can't be tough? "

"And you? If it wasn't for borrowing seeds, you'd meet me. "Lin Yiyi didn't mean to say anything after that.

Yang Yu remembers the scene when he first met Lin Yiyi. It was at Cui Qiang's wedding. Lin Yiyi's beauty completely overwhelmed the bride, Lin Yina. Her behavior was so elegant, her speech was dignified, and she was very lady. She was the type of wife that men wanted most.

When asked, how dare Yang Yu answer, no? Doesn't that mean you take a stone and hit yourself in the foot? He just said that any man will be tough when he meets Lin Yiyi. Yang Yu didn't have to be embarrassed by Lin twice?

"Yes! When I see Yiyi, I want to have sex with you, but it's just a mental obscenity. " Yang Yu spoke the truth of all men.

Which man is not? I see a beautiful woman on the road. In your mind, you have raped her countless times in your brain, but only in your brain. Some people are beyond the scope of their brain, but they are all in prison.

Lin Yiyi listened to this, but Leng for a while, if it was before, she would not hesitate to say: "hooligan!" Then, I will never talk to this man again.

However, when Yang Yu said this, Lin Yiyi would not be angry.

"Thank you. I don't regret it at all. It's the first time I've been taken by you in the woods. Now I think it's beautiful." Lin Yiyi suddenly laughed, she suddenly felt that what three obedience and four virtues, what traditional customs, are fuckin 'fart.

Yang Yu smiles and looks at Lin Yiyi leaving his vision. In fact, it's a pity in his heart. Once Yiyi is pregnant, she has no chance to do her again, and there is no excuse to do her during the non ovulation period. He has no choice but to shake his head and continue to go to school. Han Qingfang is still waiting in the classroom for her to fight.

Chapter 152

The school was dark and frightfully quiet.

When Yang Yu went up to the second floor, Han Qingfang was blowing in the corridor, staring at the starry sky in a daze.

"There isn't such a good night sky in the city." Yang Yu walked over and leaned on the guardrail. He also looked up at the starry sky. It was beautiful.

"I don't have to get into high school. Maybe I will farm with my parents after graduation." Han Qingfang doesn't want such a life. She has made a plan. If she can't pass the exam, she goes to work in the city.

"What do you think of being a model?" Yang Yu turned his head and looked at the beautiful Han Qingfang. Under the moonlight and the breeze, Han Qingfang was even more beautiful. Then he continued: "you are very beautiful and have a good figure. What's more, you have a good temperament. If you grow five centimeters tall or about 180cm, it should be no problem to be a model."

"Models?" Han Qingfang was stunned for a moment. She never thought about this problem. Of course, she knew the models. Those models on the runway were so beautiful, but she doubted: "can I?"

"Believe the teacher's eyes, you can absolutely! You will shine on the international stage one day, but there are many hidden rules in this industry." Yang Yu said that in fact, for some students, especially for some talents, Yang Yu really doesn't want them to waste any more.

For example, Bai Xue's music, Ji Ming's sports and Han Qingfang's modeling temperament are all their innate talents.

With talent and hard work, it's impossible not to succeed.

"I'm going to be made black fungus by Mr. Yang, and I'm afraid of hidden rules." Han Qingfang seldom speaks so openly.

"No, you misunderstood. Mr. Yang's idea is just the opposite. No matter how many hidden rules you have, you should keep your own position, because the more men don't get, the more they will praise you, and the more noble they will be." Yang Yu's way of thinking is always different from others.

"I see. Let's go to the classroom. We haven't finished our homework yet." Han Qingfang's mood seems to be OK. He takes the initiative to pull Yang Yu into the classroom and closes the door.

There is not so much moonlight in the classroom as there is outside. Only a little moonlight is sprinkled on the ground through the window.

Yang Yu naturally can't turn on the light. That's too high-profile.

"Mr. Yang, may I ask you a question?" Yang Yu has been curious about a question in his heart. He wants to ask it all the time, but he is too embarrassed to ask. He thinks it is not polite.

"Ask." Han Qingfang leaned back on the table, just right for her height.

Yang Yu pause, or asked: "why do you promise to do it for the teacher?"? It's continuous. "

Han Qingfang was not surprised. She had thought about this question for a long time. The first time Mr. Yang handed the note, she thought it very thoroughly.

"All the girls in the class like Mr. Yang, and many of them secretly love Mr. Yang, and even many of them are willing to teach Mr. Yang in private. To tell you the truth, I don't have any special feelings about Mr. Yang. Although I don't hate it, I definitely don't like it, and I don't have a secret love. I just regard you as my teacher. It's so simple. " Han Qingfang said, very calm, very flat.

Of course, Yang Yu also knows that there are always people who hate themselves, such as Ji Ming, er Mei, Zhang meiruo, Yang Lin, and so on. There are also people who like themselves, such as Zishu, Xiaomei, Yunxi. There are also people who are indifferent to you, such as Han Qingfang. There are also people who are purely for sexual desire, such as Lin Yina and Han Sao.

Yang Yu didn't cut in, but listened to Han Qingfang go on.

"But I don't know what happened that night. When I slept with a man for the first time, my heart thumped. Later, even I couldn't believe it. I went to bed with you and gave up my first night." Han Qingfang recalled that night. It was like a dream. It was like a drunken dream. He felt that he was totally in the mood, like taking ecstasy.

"What about the back?" Yang Yu is more concerned about the answer of seven consecutive days. That night, he gave her an aphrodisiac, and everyone would look like that. Yang Lin was more terrible than her at that time, just like a mad female dog. She didn't know how good she was. But later, Yang Lin gave up.

"If I say, the first time I was dry by you, do you believe it?" Han Qingfang most directly said the answer, the first night that night was really dead, the most depressing thing, the whole night can't move, can't call, lying on top, hiding in the quilt, silent, has been smoking.

"Conquered by me? Hehe, "Yang Yu smiles with pride. This reason makes Yang Yu happy more than any other words. The greatest happiness of a man is to conquer a woman's body. It's too fuckin 'successful, and he's still a beautiful woman.

Conquered the beauty? Ha ha, Yang Yu feels very happy when he thinks about it.

"Well, after working for two months, I'm afraid I won't be interested in other men in the future." Han Qingfang is not like Yunxi's slow and simple girl. Of course, she knows the size of a man. She knows better. I'm afraid it's impossible for her to meet Mr. Yang again. After two months, if you don't talk about the size of a man, it's just the size. Other men can't give you pleasure, because they are used to the size.

"It's going to be black fungus." Yang Yu specially approached one step, hugged Han Qingfang who sat on

the table, said teasingly. "I will." Han Qingfang is coquetry up, the body has long been teased hot, and then changed the topic, continue to say: "after into the style did not try."

"There's a lot you haven't tried, especially not yet." Yang Yu said when eating, a face of sly smile.

"Don't eat." Han Qingfang snorted, just don't eat. Then he got off the desk and lay down on the desk, Saturday morning!

The birds in yunu village are very clear, and the air in the mountain is very fresh.

But the review of the third class of junior high school in yunu village has reached the stage of daylighting, and there is still one and a half months to go before the senior high school entrance examination on June 11. Yang Yu and Li Ruoshui often work together to study this year's key points, wind vane, what they will get and so on.

This time, I really can't count down to the first. It's not alarmist that the school was disbanded.

Those guys are full and can do anything.

After school.

"Remember to tidy up your things in the afternoon. Mr. Yang will come and help you with them." Yang Yu tells Zhang meiruo.

"I know. It's just clothes and books. They don't live in your place. Hum Zhang meiruo snorts coldly. She doesn't want to move at all. When she sees Yang Yu, she has a headache. She makes her own girl student in the toilet, lets Bai Xue eat her own guy in the classroom, and does this kind of cheating behind her back. She's not a good man. She hates him so much.

But why does Dad want me to live in his house? If Zhang meiruo thinks about these things in her heart, she will be crazy. What if Miss Yang invades herself while she is asleep? The more Zhang meiruo thought about it, the more terrifying she felt.

But just like this, Zhang meiruo, the school flower, moved into Yang Yu's aunt's house, shared a room with Yunxi, and made a bed and quilt.

In the afternoon, Yang Yu also received a phone call from Chairman Qin long. The order still can't stand the toss. Although there are still a lot of dry goods, vegetables are still selling very fast. After all, there is a ready-made first-class sales channel here.

It's too convenient. We have to prepare a batch of fresh vegetables next Monday. For some small dishes, the hotel specially said that they are limited edition. It's just that Yang Yu is really too busy studying recently, so he can't spare much time to do business. He can only push the promotion to the

summer vacation. Now, before the summer vacation, he still focuses on the vegetable supply of binrugui hotel.

"Go up the mountain and plant vegetables." Yang Yu shouts to Zhang meiruo.

"What? I'm going, too?" Although Zhang meiruo can do some housework, it's more rural, but it's rare to plant vegetables in the mountains.

"Are you going to eat and drink for nothing? Of course, help with the work." Yang Yu said boldly.

Make Yun Xi smile beside.

"You If Zhang Mei is so angry that she can't say a word, it's better for Yun Xi to comfort her in the past.

Yang Yu has become the only man in the family. Now he has to raise four women. The heavy work of cutting firewood naturally falls on Yang Yu. But Yang Yu really can't cut firewood. What should he do? I can only ask Cui Qiang or Wang Ren for help.

Chapter 153

When Yang Yu came back from the mountain, it was already dark. Zhang meiruo had not worked so hard. She didn't expect to be caught as a coolie on her first day here. She was really full of fire.

After dinner.

"I want to take a bath. Uncle Yang, stay away. Don't think about peeping." Zhang meiruo doesn't give Yang Yu any face.

This sentence amused the second sister Yaxi: "ha ha, cousin, someone finally came to subdue you. You are so proud at home. Later, I will unite with meiruo to overthrow the rule of my cousin. "

My mother, one second sister is enough for Yang Yu's headache. This beautiful picture is also difficult to make.

"Can I go upstairs?" Yang Yu said, turning to three younger sister Yunxi said: "go, cousin to make up for you."

Or Yunxi obedient, spit out his tongue, said with a smile: "I stand with cousin united front. Hee hee. "

After taking a bath, Zhang meiruo wears pajamas. This is the first time that Yang Yu has seen Zhang meiruo look so sexy. Therefore, Zhang meiruo's pure appearance is not inferior to that of her three younger sisters. Yang Yu is shocked to see that Zhang meiruo is a school flower. Her figure and temperament are much better than Yunxi's, which is also the foundation of her becoming a school flower.

"Uncle Yang, what are you looking at. "If Zhang Mei is looked at like this by Yang Yu, she is immediately flustered and scolds directly. It's really pungent.

"You hate me so much. "Yang Yu still wants to have a good relationship with Zhang meiruo. Who let her hold her hand.

"Yes, very, very annoying. "Zhang meiruo specially emphasized the three excesses.

In fact, Zhang meiruo didn't hate Yang Yu at first, and she even liked him very much. Yang Yu's tall figure, handsome appearance, sunny image, gentle and caring for girls, is deeply pleased by Zhang meiruo, but there are too many people in the class who like Mr. Yang. Many people ask Yang Yu in private, so that Zhang meiruo has no chance to express herself, not to mention that she is a school flower and a class flower. How can she take the initiative like them?

What a shame.

However, ever since I saw Yang Yu in the toilet as a girl student and Yang Yu and Bai xuekou in the classroom, I have sold my pornographic magazine, and my image has fallen to pieces.

It's not as good as slag.

Plus now, also inexplicably let himself move to live, there must be some conspiracy, so I hate Yang Yu more.

Yang Yu's face is helpless. Heaven, I think so for your safety. Do you treat me like this?

Yunxi looked up out of the window, a dark, glass through their own shadow, but it seems to see another person's shadow.

"Ah! "Yunxi suddenly cried out. The shadow on the glass suddenly changed into the appearance of the pervert, with the girl's human skin mask, ferocious. Yunxi was not frightened at the beginning.

"What's the matter? don't worry. "Yang Yu immediately reacts and embraces Yun Xi in his arms.

If Zhang meiruo is scared, she doesn't know what happened. Although she knows that Yunxi was once captured by that pervert, it doesn't happen to her after all. She can't feel the fear.

I watch you in the dark. This sentence seems to be branded on Yunxi. Yang Yu knows better that if the pervert can't catch him one day, Yunxi's heart disease will get deeper and deeper, and he may go crazy in the end. Therefore, this time, Yang Yu must catch him.

Zhang meiruo seems to be the bait.

"I dare not go down to take a bath. My cousin will go with me. "Yunxi said coquettishly.

Poof!

This time, it's not Yang Yu, but Zhang meiruo. It's too ambiguous. It's still cousin.

"You are so numb. Yunxi, you are not afraid of Uncle Yang's peeping at you." Said Zhang meiruo.

Yunxi doesn't know how to answer. He has been kissing his cousin several times. If Zhang meiruo knows about this, she will be ashamed to death: "I will let my cousin stand outside and draw the curtain. "

if Zhang meiruo can't understand, if Uncle Yang stands outside the door, she may not even have the courage to take a bath. Maybe uncle Yang will find various ways to peep, and Zhang meiruo doesn't know why she came to such a conclusion.

Women have no logic.

Although it's not too late now, Yunxi is afraid when it's dark. The next door is Lin Yina's house, but she is afraid. Yunxi already relies on her cousin. She doesn't know how to live in high school without her cousin.

Yang Yu is standing outside the bathroom. He can't see anything inside. It's a wooden door. All he hears is the clatter of water in the bathroom. He imagines how nice it would be if he could kiss the ketone body of his beautiful skin.

But suddenly, Yang Yu felt a sharp target.

"Who?" Yang Yu called. All of a sudden, the originally motionless shadow flashed and ran to Lin Yina's house. Yang Yu hurried to catch up with Lin Yina. As a result, when he went around Lin Yina's backyard, there was no one. He ran so fast.

At this time, the back door of Lin Yina's house opens. Cui Qiang and Lin Yina find Yang Yu standing behind inexplicably.

"Brother Yang Yu, are you here to blow the wind?" Lin Yina asked jokingly. "Did you see anyone run?"

"Yang Yu inquired that now it's the last critical moment to fight with the perverts. Yang Yu can't let go of a little detail, a little action and a little doubt.

"We didn't see anything." Cui Qiang looks at Lin Yina and shakes his head.

"There is no shadow, but there is a black cat." At this time, brother Wang Ren came out of the inner room.

"Brother Wang, you are here, too." Yang Yu just came back and suddenly heard a cat cry. He turned his head and looked up at the roof beam. There was a black cat.

"Black pupil? Why is it here?" Yang Yu is very surprised that it is the black cat, black pupil, raised by Tianyan's mother-in-law.

Why is it here? If you say it may be another cat, it's impossible. You can't find the black pupil cat in the world if you want to.

Yang Yu is still thinking, suddenly, heard a scream of three younger sister Yunxi.

"Oh, no, no!" Yang Yu suddenly realized that three younger sisters had an accident, and suddenly he was stupid. Yang Yu flies away, turns around the corner and arrives at his home. After several strides, he arrives at the independent bathroom in the yard on the left side of the house.

Fortunately, Yunxi three younger sister is still, but pale, seems to see a terrible thing.

Yang Yu hugged her and said, "it's OK. It's OK. My cousin is here." Yang Yu held the three younger sisters tightly in his arms. After a while, everyone came out.

Yang Yu raised his head and suddenly saw a row of bloody words on the wall beside him: I am watching you in the dark.

It turned out that the third sister was scared to scream after seeing this. Yang Yu reached out and touched the words, but they were still wet and had just written. Yang Yu touched it with his hand and smelled it under his nose, with a strong smell of blood.

It turned out to be blood.

They are not at home. Fortunately, brother Wang Ren helped to check the blood. Yang Yu is very grateful.

Yang Yu, Zhang meiruo, the second sister Yaxi, and the third sister Yunxi all stay in the third sister's room. Suddenly, Zhang meiruo is a lot better. The second sister is playing with her own business, while the other two are doing their homework. Yang Yu is with her.

Looking out of the window, just around, in the dark night, that pervert is like an invisible man, lurking around us, and may start at any time. Yang Yu clenched his fist hard. Who is this abnormal invisible man?

And he especially likes to start at night, because the night in the countryside is too secret, and night is the natural protective color.

Dong Dong Dong.

All of a sudden, there was a rush of stairs downstairs. The door of the third sister's room was pushed

open. Outside the door stood Li Ruoshui panting.

"What's the matter? You're in such a hurry. "Yang Yu didn't expect that Li Ruoshui still came to find herself after eight o'clock. She must be in a hurry.

"Is my elder sister here? "Li Ruoshui asked in a hurry.

Yang Yu shook his head and said, "I haven't seen her all day today. "

" my elder sister has been missing for a day, and now she hasn't come back. I'm worried about whether something will happen? "Li Ruoshui stopped, took a breath, and continued:" could it be the pervert? "

" no, the pervert would only attack the students. Your elder sister is so old that it's very risky to bind her, and there's no reason. "Yang Yu explains, Li Ruolan is such an adult, where can he go missing.

"Why is there no reason? Last time you arrested the wrong person, there was a lot of trouble. You must be investigating him. So, what's wrong with my elder sister? "Li Ruoshui explains that the pervert thinks the elder sister is a threat to his safety.

Men are the most logical. Yang Yu doesn't think that the pervert has suddenly changed his strategy. If he doesn't play according to the rules of his own world, he is denying himself. This is the evolution of his mind.

Perverts never break the rules easily.

"My father has already asked the village head to organize people to look again. I found that my elder sister's room is covered with notes. She may have found something. Would you like to have a look? "Said Li Ruoshui.

Yang Yu hesitated for a moment, and then explained: "you three stay together. I'll go to my aunt and cousin and ask them to come back and lock the door. No one is allowed to come in except me, my aunt and cousin. If there's something wrong, I'll yell at brother Cui Qiang next door. Do you understand? "

" I know, cousin, there are three of us. Does he have three heads and six arms. "Two younger sisters don't believe it. What can three of them do?

Yang Yu followed Li Ruoshui and left three girls in the room. What will greet them.

Chapter 154

Push open the door of Li Ruolan's room, what you see is a blackboard, which is pasted with paper and painted with various lines.

"The elder sister has been studying this for several days, and her meals are irregular. At noon, I asked her to go downstairs for dinner. She muttered all the time, saying something about the address. Then

she ran out in a hurry without eating. We didn't care, but now I think about it, maybe my sister found something. "Li Ruoshui was in a hurry. Everyone else went out to look for him and asked his boyfriend for help.

"Well, don't worry, just give me some time. "Yang Yu took the stool and sat down in front of the blackboard. It seemed that he was very happy. Li Ruoshui sat beside the bed. I knew that Yang Yu had found her last time when she had an accident. So this time, she also trusted her boyfriend very much.

Yang Yu looked at the notes and lines on the blackboard.

At the top of the blackboard was a line: "everything has to do with religion."

Then the following is pasted with the victim's name, the code name of the pervert, connected with lines, and a lot of key information is written next to each victim. There are also religious elements, such as the time, the place, the cross and so on. And that sentence: I look at you in the dark.

At the bottom of the blackboard, there is a word: address?

What did Li Ruolan find? Yang Yu thought. Looking at the words, everything has something to do with religion. The psychopath's spiritual world, the victim's choice rules, and all the victims' birthdays are religious festivals. There are two things missing. Address and goal should also have something to do with religion.

What is the ultimate goal of perverts?

Where? The first time Xiao Xi was at school, and Yun Xi was in the old house. These two places have nothing to do with religious wool.

"I'm going out to prove something. You wait for me at home Yang Yu said and rushed out of the room.

But just as he ran out of the room, he was suddenly attracted by something in the room. It was a photo album on the desk, which was open. Yang Yu stopped and stepped back to the album. There is an old photo in the album.

Yang Yu didn't even know why he would come back to look at this photo, just like fate.

Yang Yu does not believe in Jesus, but believes in fate.

Yang Yu has also seen this picture. When he dreamed of Xiao Xi, Li Ruolan took this picture for him to confirm. As a result, he recognized the person in the picture as the girl in his dream.

At the same time, this group photo was taken to Li Yuanxi, her cousin, to confirm whether it was the human skin mask.

At the beginning, all Yang Yu's attention was focused on the girl, Xiao Xi, and he didn't look at the other people in the picture carefully at all. In fact, this old photo is not a graduation group photo, just an ordinary group photo. The background of the photo is the playground, and there are many people playing on the playground.

However, Yang Yu saw a person, a familiar face, who was standing beside him, so he was also photographed in the background.

"Why is he in this picture?" Yang Yu felt very strange and looked at it carefully.

This is not good, this look, Yang Yu more confused, quickly said: "there is a magnifying glass?"? I want to look at it carefully. "

Li Ruoshui went back to his room, found a magnifying glass, and handed it to Yang Yu. He looked at Yang Yu strangely, wondering what an old photo would look like.

Yang Yu takes a magnifying glass and puts it on Xiaoxi's face. For the first time, he can see the girl's face clearly, but something on the girl's face scares Yang Yu. Looking at the magnifying glass, Yang Yu and the man were more confused.

"Get the pen and the ruler." Yang Yu shouts again, Li Ruoshui doesn't know what Yang Yu is doing, so he has to agree.

Yang Yu took the pen and paper and began to draw.

"What are you drawing? Does it have anything to do with my sister?" Li Ruoshui was at a loss when he saw Yang Yu drawing a mess on the paper.

"Draw geometry. It matters a lot. It can help us find the perverts. " Yang Yu said solemnly.

"Just a few lines, can you find the perverts? You are a God Why can't the police be surprised if Li Xin is still a pervert? Everyone has learned to draw.

Yang Yu picked up the geometric figure and looked at it carefully. Li Ruoshui looked at Yang Yu like a fool again and asked, "what's good for some lines? Are the perverts on the paper?"

"Well." Yang Yu even said, "let's go, let's go downstairs and do an experiment."

"Ah?" Li Ruoshui was even more surprised.

Li Ruoshui doesn't know what experiment Yang Yu is asking her to do. Anyway, he just stands and looks at it, and then it's gone.

After the experiment, Yang Yu put away the photo and said, "I'll go to the second elder to confirm

something. You stay at home. If someone comes, it's convenient to answer the phone."

Li Ruoshui nodded.

Yang Yu went to the second elder, asked about the church, and left. Out of the house, the breeze blowing, the night is very cool. But Yang Yu looked at the village in the dark with a smile. But the smile was soon disturbed by the cry. "What's the matter?" When Yang Yu sees that Li Ruoshui and his cousin are together, the elder two are looking for Yang Yu. Something must have happened again.

"Zhang meiruo is gone." My cousin said anxiously, kicking the atmosphere.

"What about Yunxi?" Yang Yu still didn't expect to let them three together. How could they be tied away? Al

"Yunxi is OK. When my mother and I went back, Zhang meiruo had disappeared. Listen to Yunxi say, she just went downstairs to the toilet, who knows "Li Yuanxi is also speechless, Zhang meiruo is the village head's daughter, this moved to the first day of the accident, if there is a problem, then the responsibility is big, to die.

"Does the village head know?" Yang Yu asked eagerly.

"I know. Now village head Zhang and Secretary Li have collected a large number of people in the village. They are looking for them in the whole village. They must have been captured by the pervert. It's very urgent. " Li Yuanxi just stamped her feet. I didn't expect to take two directly this time.

"Well, cousin, let's go back first and watch the third sister. If you go to meet your father and look for water, I have other things to do." Yang Yu said that the two most beautiful women in the village ordered and left.

They don't ask what Yang Yu wants.

If they knew that at this time, Yang Yu would be mad if he was still looking for a woman, but Yang Yu was really looking for a woman.

When he came out of the woman's house, Yang Yu was not in a hurry. He went to a lot of people just for a chat. If the village head and Secretary Li knew that Yang Yu was still so carefree, they would be mad.

Back home, it was close to zero, and then Yang Yu shut himself in the attic, only ordered a sentence: "watch three younger sister, I want to sleep for a while, no one will disturb me."

"What? If cousin, sister LAN and Zhang Mei are gone, can you still sleep? The whole village is looking for you? Are you a cold-blooded animal? " The second sister scolded fiercely, and was angry to death by this cousin.

"Shut up Yang Yu replied and slammed the door.

Two younger sister Ya Xi Leng in there, a word all can't say, Yang Yu this is the first time scold her, before cousin never so angry.

"Fierce what fierce ah, sleep well. Hum The second sister gave a cold hum and slammed the door.

Yunu village is very lively tonight. Holding a torch, the voices calling the names of Zhang meiruo and Li Ruolan are everywhere. All night long, the torches are ringing in the dark alleys of the whole village, but no one is found.

But he didn't even have a shadow, and Yang Yu actually took off his clothes and went to bed.

This

a bright light flashed through Li Ruoshui's eyes. It was a knife, a scalpel. The scalpel was shining under the light and extremely sharp.

There's another cellar, another lamp, and that lamp's going around.

"Sister LAN, what does he want to do?" Zhang meiruo couldn't believe what he wanted when she saw the sharp and luminous scalpel. But she had already heard about the pervert in her heart. She would skin you while you are alive.

When the students discuss these terrible things, she always sniffs and thinks that this kind of thing can't happen to me, so when Yunxi stops her from going upstairs to the toilet, she still doesn't care. She can't believe that the pervert will find herself.

"Don't be afraid of him. Yang Yu will find him soon." Li Ruolan knows where she's locked up. She believes Yang Yu can find herself.

"Miss Yang? He doesn't care about me. I scold him every day. Maybe he's sleeping in bed now. " Zhang meiruo cried and said.

But she's really right. Yang Yu is really sleeping under the covers.

The pervert turned around for the first time in the light, with a scalpel in his left hand, gloves in his right hand and a white coat, like a very serious doctor.

It's just that.

But when Li Ruolan and Zhang meiruo saw that face, they were so scared that they couldn't even cry.

It was a terrible face.
