

Sensualist's

Chapter 175

As soon as the mobile phone was hung up, Han Jing couldn't help but wake up. She called at the bedside and said to Yang Yu:

"please, I have a boyfriend."

"What? Did your boyfriend know you were being fucked by me? " Yang Yu is teasing on purpose.

.....

In the morning, they wake up naturally. Han Jing doesn't need to go to the hotel to work until noon, but Yang Yu doesn't care about such a long time anyway. Even if they rush back, they can only catch up with one class in the morning at most, and they can just catch up with the afternoon class.

The rainstorm has stopped, the weather has been clear, the sun through the window, basking in the bed, the room is very bright.

Yang Yu and Han Jing wake up naturally when they sleep, especially Han Jing, who has never slept so comfortably, thanks to the climax last night.

Yang Yu opens his eyes and looks at Han Jing, like a clever little girl, who has lost the strength and domineering of the female manager.

"What time is it?" Han Jing wakes up, still sleepy.

"I guess it's over nine." Yang Yu looks at the sky outside and guesses.

Han Jing took the mobile phone and found that many missed calls were made by her boyfriend in the morning. She slept soundly and didn't receive them.

"It's ten past nine. It's so late." Han Jing wants to sit up, only to find that last night when love, stripped, silk pajamas do not know where to be kicked.

And then, my boyfriend's phone rings again.

"Don't talk. I'll take my boyfriend's call." Han Jing saw that it was her boyfriend's phone, so she had to answer it this time.

"Hello?" Han Jing just fed a, there's a boyfriend began to ask questions.

"I've only been on the phone a few times now." Han Jing's boyfriend complains.

"It's not because you disturbed me so late last night that I wake up now." Han Jing deliberately put the blame on her boyfriend. In fact, it was because Yang Yu was too dry last night.

"Get up, I'll go out to buy breakfast and wait for you."

After the phone call, Han Jing gets up in the bathroom and comes out when everything is ready. She puts back her business suit uniform, curls her hair, wears black framed glasses and goes back to the female manager in the lobby.

Yang Yu got out of bed disappointed and expected Han Jing to go back to bed. Seeing that she was dressed like this, he knew it was over. He had no choice but to shake his head and get out of bed. His clothes were not dry, so he had to wear them back. However, he put Han Jing's short sleeve inside, but his underpants were dry. Although the coat was not dry, the influence was not great.

They had breakfast.

"Give it back to you next time." Yang Yu said this on purpose, so that he would have a chance to sleep here on the pretext of returning clothes, and then do her.

"Don't pay it back." Han Jing took a sip of porridge and said directly.

"It's already half past ten. I'm going to work and you're going back." Han Jing said.

Yang Yu sighed again, but he was still very contented. At least he did Han Jing last night. When they were ready, they were ready to go out and go to different places.

But when Han Jing went to open the door, Yang Yu suddenly said:

"do you want us?" I just didn't say the words "do it."

"No." Yang Yu's words just begin. Han Jing refutes them directly.

"I haven't said what to do? You don't want it?" Yang Yu is depressed. Does Han Jing know what she wants to say?

"What good words can you say for a thousand year old villain like you?" Han Jing turned back and looked at Yang Yu fiercely. Now her heart is calm, and she has no desire. She regretted the impulse of last night, and quickly said, "don't come to me in the future, and don't come to me to sleep. I have a formal boyfriend. Please respect me."

Respect me a little bit 'these five words haven't come out yet, Yang Yu one strides up, one hand presses Han Jing's head, directly kiss down.

"Well!" Han Jing struggles in a hurry. She can't shout out. She wants to leave and is pushed to the door.

What's more, Yang Yu's tongue is rampant in her mouth.

The kiss lasted for two minutes. Han Jing's hands were tired and hurt. Yang Yu held Han Jing's face in his hands and then left his mouth. They stared at each other, gasping for breath.

Yang Yu looks at Han Jing. Han Jing looks at Yang Yu.

"I hate you to death." Han Jing said viciously.

"Shall we do it again?" Yang Yu didn't falter this time and said it directly.

"Dream! It's impossible. There won't be a second time. " In fact, Han Jing is this kind of person. Her mouth is hard and her heart is soft. Although she looks very strong and strong on the surface, her heart is lonely, weak and extremely insecure.

So she tries her best to earn money, thinking that she can have a sense of security, and she is not allowed to have no boyfriend, even if it is a long-distance, or even online love, but a person, she immediately becomes insecure.

Of course, Yang Yu has seen through her. Yang Yu also knows that Han Jing had been on her last night. Now, even if she was forced to do it again, she only resisted at most, and finally she was killed in vain. However, Han Jing's answer suddenly made Yang Yu lose his desire.

It's very strange that when a man hears such a strong refusal, he will fight bravely, become more violent, and miss her more. Naturally, Yang Yu did the same, but this time he didn't.

Yang Yu said in his heart: there will be a second time, but the second time is for you to beg me, you will not be so hard mouthed, you wait. But this sentence, Yang Yu did not say.

"Let's go." Yang Yu said with a smile.

Han Jing was surprised. She met a lot of men. Netizens still have a little research and understanding of men. She thought Yang Yu would be brute and force her to do it again, but she didn't. Han Jing didn't know what kind of person Yang Yu was? Sometimes very overbearing, very male chauvinism, and sometimes very weak, not strong.

Han Jing's heart is also contradictory. She finds that when Yang Yu says to leave, she doesn't feel happy at all. Instead, she has a sense of loss.

She couldn't believe it herself.

"If you don't open the door, I'll force you." Stay under the door to see Yang Yu, and did not remind the hair.

Han Jingbai had to say that last night was the most satisfying love she had ever done in her life. It really made her comfortable. As soon as the door was opened, she went to different places. When we meet next time, we really don't know when it will be.

Is this cheating? Is it a one night stand?

Chapter 176

It's near eleven o'clock at noon.

After last night's storm, the outside world is in a mess. The roads are full of yellow mud, the grass and trees are crooked, and the rivers are still rough.

Han Jing went back to the hotel. You can't see that she was devastated just like this land last night. Now, when she changed her uniform, she radiated the strength and solemnity of the female manager in the lobby.

Yang Yu was sitting on the bus with the window open. The breeze was blowing on his face. His short hair was crisp, but his eyes were always open.

At this time, he took out his mobile phone, opened wechat and sent a message to Han Jing: sister, did that brother do you last night?

This is Infernal Affairs.

Yang Yu has been waiting for a long time and hasn't seen Han Jing back. Thinking about it, it's the busiest time for the hotel.

"Yes, I'm busy. Let's chat in the afternoon." Han Jing said. The hotel has opened at 11 o'clock, and guests have come to eat one after another.

Just now, Han Jing gathered all the attendants on duty today and had a chat. It was just a matter of service attitude. He even criticized himself for his unreasonable attitude towards Yang Yu yesterday.

Now it's just disbanded. I still have a few minutes to spare.

"Cool? What's wrong with him? " Yang Yu wants to ask the impression of his performance in Han Jing's mind last night.

The disguise of wechat has helped her a lot. Now Han Jing doesn't know that wechat is herself. Although she was suspected again and again last night, fortunately, she dodged again. Ha ha, Yang Yu is very proud.

"Well, it's big, and I'm having an orgasm." Han Jing back, in fact, he also wants to understand some of the men's inner world.

"What? Has the elder sister not been done to climax by the man before?" Yang Yu was surprised.

"No, last night was the first time." Han Jing's answer is very flat, which is her consistent style.

Yang Yu felt a strong sense of satisfaction and achievement.

"What will you do for him next time?" Yang Yu asked the most important question.

This kind of question can't be asked face to face, but on the disguised network and the masked wechat, you can say whatever you want, and you don't have to be afraid to expose yourself as a wolf.

"I don't know. I have a boyfriend. I'm very guilty. I was done talking to him last night." Han Jing back, listen to the tone of speech, seems to have some guilt and entanglement.

Last night's cheating behavior has put Han Jing on the back of the shackles of morality. Although this is exaggerated, for women, they pay more attention to this than men.

So, in the morning, Han Jing began to calm down. In fact, women are also cheap. They made you so cool last night. After that, you won't recognize them?

"What do you do with your boyfriend on the phone? It's so exciting." Yang Yu deliberately said that in order to brainwash Han Jing.

"Exciting? I'm speechless." Han Jing is still very depressed when she thinks about it. If my boyfriend knows, it's really the rhythm of death.

"It's fishy. It's addictive." Yang Yu is still addicted to cheating and wants to see if he has a chance next time.

"No, I won't stay him for the night next time. I'm going to be busy, 88," Han Jing replied. I don't know if this answer is true. Seeing a guest coming, he quickly turned off his mobile phone and said hello.

Yang Yu has no choice but to shake his head. He didn't expect that Han Jing was really faithful. Although he stole the second time, Han Jing was regarded as a one night stand.

Forget it.

In the luxurious office of Golden Age Hotel, there is a person sitting on the sofa.

"When did master Murong become so interested in hotels?" Xie Tianhua's father is also the vegetable supplier of the golden autumn, and Xie Tianhua's father is also the vegetable supplier of the golden autumn.

"Now the problem of food safety is so serious, can't I get a piece of it? Ha ha." Murong Fei has always been cynical, but in business, he is also very talented.

"Master Murong wants to rob me of my job, ha ha." Xie Tianshi doesn't want Murong Fei to get involved in food. Of course, this sentence is a joke. This hotel is the base of its food supply. It's the customers.

"Ha ha, President Xie is joking. I just want to make the opposite Hotel unable to go on." Murong Fei replied, it seems that the answer is very simple.

However, Xie Tianshi couldn't figure it out. This Murong family has always been engaged in entertainment, never catering business. How can it suddenly happen? What's more, why do you have to fight against the hotel of binrugui? This is going to hurt both sides.

What's more, did he have any grudge against bin Rugui?

Xie Tianshi has been wallowing in the shopping mall for so many years. He is very cautious. He seems to have a clear idea of any doubt.

"I heard that a guy named Yang Yu came to see you?" Murong Fei suddenly talked about this man.

Xie Tianshi and Zou frowned. What does Murong Fei want to do?

"There was such a person who came to me. He was my daughter's classmate and came to me for help. As you know, there were a lot of such people, so I sent him away." Xie Tianshi said truthfully, this is no secret anyway."I'd like to ask President Xie to do me a favor. Do you want to?" Murong Fei said with a smile, no one knows what he thought in his stomach.

"Young master Murong is my client and the biggest family in the city. If you ask me, I will obey you." Xie Tianshi is eager to curry favor with the Murong young master. Although his own food business has nothing to do with his entertainment industry, Murong group is the biggest tycoon in the city. Who doesn't want to get involved?

"Good. I want you to open up a sales channel for him." Murong Fei said directly.

Xie Tianshi is stunned. Is Yang Yu a relative or friend of master Murong? Why else do such a big thing for him?

Xie Tianshi doubts to doubt, but did not dare to neglect, immediately should come down.

When Xie Tianshi left, the valet next to him was puzzled and asked:

"young master, how did you help Yang Yu? Isn't he your enemy? "

Murong Fei laughed. No one in the world can really see through him. He got up and said, "let's go and

try the local chicken in this county."

When you listen to it, you are in full bloom.

Yang Yu would be surprised if he knew that Murong Fei, his enemy, would help him so much.

Meanwhile, in the hall of binrugui Hotel, Mr. Qin called Han Jing.

"Lord Qin." When Han Jing meets the director, he is as good as a rabbit. How can he be so docile when he is so fierce?

"After that, you will be Yang Yu's contact person. When my young lady and I are not in the hotel, please help me to greet him." Qin long said that he is a person of love and righteousness, and Yang Yu is a person who can be and do things. One day, Qin long may be important, and the most important thing is that he trusts this person.

Qin's family is declining day by day. Qin's father is the only child, without brothers or sisters. Qin Shuhe is also the only child, with no brothers or sisters to help. His wife died when she gave birth to Qin Shuhe.

And those relatives on his wife's side, frankly speaking, really have few useful ones. Even if they have, they are also the kind of people who have ghosts in their hearts. Lord Qin dare not use them.

Today, the hotel is so big that it's all supported by Mr. Qin alone.

Fortunately, her daughter Qin Shuhe is very competitive and can take care of everything in the company, but.

However, women are women after all. Wu Zetian's grandson will be the emperor after all.

One day, the things that Lord Qin is afraid of will become old and useless. All these things that he has worked hard to build may have gone to his daughter's husband.

Although his daughter doesn't have a boyfriend, he is a visionary man. He is afraid. He is afraid. His daughter is cheated by all disguised men under the banner of "love".

Therefore, he has to find a person himself, who is good in character, good to his daughter, and can take over the business.

Yang Fangyu can't, so he has to try to find out who he is.

"Don't worry, Lord Qin. I will greet Yang Yu well in the future." Han Jing's forehead was dripping with sweat, and her face became pale. She thought to herself: does Lord Qin already know what I have done to Yang Yu?

Qin long suddenly put his hand on Han Jing's shoulder and put his mouth close to Han Jing's ear. Han Jing suddenly gets nervous and doesn't know what the director wants to say to himself.

"Even if it's physical, help me to take care of him. I can't do without your benefits." Then he left.

Han Jing stood there alone, puzzled, thinking: what does Master Qin mean? Do you want me to seduce Yang Yu? What is to greet him with your body? But I have a boyfriend. Isn't that cheating on my boyfriend?

Han Jing's brain wants to explode. What does Lord Qin mean?

How can Han Jing understand the meaning of Lord Qin? Since Lord Qin wants to find a son-in-law for his daughter and a man who is good to his daughter, he is sure of the advance conditions for a happy marriage. Of course, he wants to test whether Yang Yu is the kind of man who looks for flowers and asks for willows. Therefore, he wants Han Jing, who is pretty, to fight the first battle.

If Yang Yu knew this, he would cry. He was doomed to this trap.

Chapter 177

At 7 p.m. in Yunv village, Yang Yu came back from the county town today. He had another afternoon class in the afternoon. He had one more class to make up for last night's class. When he got home from school, he was exhausted.

"I have something to tell you." Lin Yiyi suddenly comes to find Yang Yu.

Yang Yu hurried out of the room and stood alone in the dark corner with Lin Yiyi. He had a premonition that something was going to happen, waiting for Lin Yiyi to say the following words.

"I'm pregnant." Lin Yiyi told Yang Yu the results of today's inspection, although he knew that Yang Yu didn't need to know at all. He had borrowed the seeds himself.

But the problem is that Lin Yiyi has become a widow and Wang Ren has been dead for a week.

"Why don't you move in with your sister? I can take care of her." Yang Yu knows that he caught Wang Ren, but at the same time, Lin Yiyi also turned her into a widow. Interestingly, she borrowed some seeds from herself.

Wang Ren is gone. Yang Yu, as his own father, can't resist this responsibility.

"I don't need your concern. I just want to tell you that this child won't call your father. In the eyes of the villagers, he is Wang Ren's child." Lin Yiyi lowers his head and always wants to have a child. Wang Ren likes children very much, but now he can't see them.

"I've packed up. Tomorrow I'll leave here and go to the county to find my parents. I'll stay there for the

time being." Lin Yiyi's family is here, but Wang Ren's business, do not want to live alone in that house, also do not want to go to my sister that live, so I plan to go to the county to live with my parents.

Lin Yiyi's parents bought a house in the county, and rarely live in this village. Wang Ren is from this village, so Lin Yiyi lives with them. Cui Qiang lives in the next village. The foundation next to her aunt's house belongs to Lin Yina's family, but the house was built by Cui Qiang's family.

After the birth of the child, Yilin wanted to stay away from it and wait for it to come back.

Maybe everything changed then.

"Well, I'll see you when I'm free." Yang Yu thinks that it's OK for her parents to take care of her. Besides, Lin Yina and Cui Qiang are not very reliable. It's better to leave for a while and go to a strange place for a breath.

"When I come out of this shadow, I will come back naturally. I'm going Lin Yiyi said.

In the dark, Yang Yu can't see Lin Yiyi's back, but he must be sad.

After taking a bath, Yang Yu goes to make up lessons for Zhang meiruo and her third sister.

"Miss Yang, where does the water in our village come from?" Zhang meiruo suddenly asked this question.

"How to ask such a strange question." Yang Yu Leng for a moment, did not think out, Zhang meiruo asked the meaning of this?

"Last night, I washed my face, and somehow some hair flowed from the tap. It was terrible. I was scared to death at that time." If Zhang meiruo recalled last night, she still had a lingering fear.

"Hair?" Yang Yu recalled that it was a rainstorm last night, and he was in Han Jing's rental house. Is it normal for his hair to flow out of the tap? Yang Yu touched his head. I don't know. Is it terrible? It seems horrible, too?

"The water in our village is piped down from the reservoir." Yang Yu thought, is there hair in the reservoir?

When Zhang meiruo thought about it, she suddenly got chilly.

"How can there be hair in the reservoir? Is it that "Zhang meiruo suddenly thinks wrong and dare not think about it.

"What do you think? Do your homework. " Naturally, Yang Yu would not worry about it.

Tonight, Yunv village is very quiet, very quiet.

The quieter the night, the more terrible things will happen.

Early in the morning.

Yang Yu takes three younger sisters Yunxi by the hand, and Zhang Meiruo follows him to school.

"Miss Yang, you usually lead Yunxi to school? It's ambiguous." If Zhang Meiruo is not jealous of course, it's just that her cousin and cousin hold hands. She always feels strange.

Yunxi a listen, quickly took away the hand, blushed.

I said Zhang Mei, if you are so nosy? What happened when I took my cousin's hand? Yang Yu murmured in his heart. He gave her a white look and didn't bother to give her a bird.

At this time, Yunv village suddenly sounded a firecracker, only one.

"Miss Yang, it seems that someone in the village has passed away again." Of course, Zhang Meiruo understood this custom. In the countryside, if only one big firecracker is put, it means that someone in the village has passed away.

"Crow mouth, you can't say something nice." Yang Yu reprimanded.

When he got to the school, Yang Yu asked the principal in a hurry. After all, Yang Yu is very familiar in this village. Most of the villagers have already known each other. If an acquaintance dies, they have to send him away.

"Grandfather Zhang Danian, who is the leader, has passed away. He's 90 years old. He's still alive. He slipped and fell down last night, and his face fell into the basin. It seems that he fainted like this. His whole face was soaked in the water, and no one found it. He was drowned. Ah, life is changeable. A person with such a hard life suddenly had a small accident and left." The headmaster shook his head hard. Many old people fell and left.

Old people are useless, not to mention people who are 90 years old. Yang Yu, oh, Zhang Danian is one of the people who live a long life in this village. Although he has never met him, he has a high seniority.

This kind of old people's death is common in rural areas. Death is the road everyone has to take. If they don't go, they have to go.

But what Yang Yu didn't expect was that Zhang Danian's children called the police, and the person who came was Li Ruolan's classmate, police officer Lei. Of course, Yang Yu didn't have time to think about it and didn't know about it.

A 90 year old man accidentally fell and drowned. How could he call the police for such a normal thing? Can it be murder? Who's going to kill a dying man? I may not be able to survive this year. Isn't it that I took off my pants to fart?

Police officer Lei didn't believe it any more. He casually checked, took photos, and went back. The incident was treated as an accident.

After this class, every time Yang Yu sees Li Ruoshui in the office, his girlfriend thinks of her sister Li Ruolan for no reason, which makes Yang Yu want to cry.

I can still remember the affair of cheating with Li Ruolan.

Just after school, Yang Lin came to find Yang Yu, which surprised Yang Yu.

Since Yang Lin mistakenly took the aphrodisiac and was killed by Yang Yugan, she has little contact with Yang Yu, and the relationship between her friends is getting weaker and weaker. Yang Yu also knows that Yang Lin did not come to find herself to steal.

"Go to the attic in the back and tell you something." Yang Lin's mysterious appearance.

Yang Yu cried, didn't he? Are you pregnant too? Although I didn't wear a condom, you said it wasn't your ovulation time.

To the attic.

"Let's make a deal." Yang Lin suddenly said something strange in the attic.

"Trade what?" Yang Yu sees Yang Lin's mysterious appearance, and ER Leng Zi can't figure it out.

"Are you interested in my body?" Yang Lin said directly.

Poof!

Yang Yu's blood gushed out.

"What do you mean?" Yang Yu is still puzzled. Although the above sentence has shocked him, as a man, especially in front of the seduction of lust, he must be calm.

Because there is a knife on the head of the color word.

"Deal, you do something for me. If you get it done, I can carry my best friend behind my back. You are your girlfriend, Li Ruoshui, cheating with you." When Yang Lin said this, she really made up her mind.

Poof! Yang Yu vomited another mouthful of blood.

"Although my body has been raped twice by you, I believe you are still interested?" Yang Lin is serious.

"You're not kidding me, are you?" Yang Yu felt that this was too fuckin 'unexpected. It was like pie falling from the sky: "what's the matter?"

However, Yang Yu is more curious about what Yang Lin wants to do for her? So important that your body is willing to give?

Chapter 178

Yang Lin Yi Xin pants, the black claw prints have penetrated into the skin, blood out, abnormal terror.

Yang Yu understood in an instant.

"I had nightmares again recently. Last night, I dreamt about the woman. No, it was the ghost. You grabbed me at the bottom of the water and tried to pull me down. I struggled so hard, but I couldn't swim up. Finally, she said to me, "in a month, I'll come for your life. " At that time, I woke up with fright. It's really hard for me to live. I'm going to be crazy. If it goes on like this, I'm afraid I'll commit suicide. " Yang Lin said and cried.

If you are troubled by this kind of heresy, everyone will be crazy, not to mention a girl.

Yang Yu can't understand that there are too many things against science around him, and he is not a god stick. He doesn't care about these things, but he doesn't forget about Xiaoxing.

"It's just a dream. You think too much during the day." Yang Yu can only comfort her like this: "ghosts ask for life, which is so evil."

"You've caught the pervert. Now the villagers are talking about your reasoning in the church. Everyone is calling you a detective. You should be able to solve this puzzle. Whether it's true or not, I want the truth, even if it's a real ghost. I just don't want to be the same devil every day. Help me find out the ghost, will you Yang Lin felt that she was really desperate.

"Didn't you put up a lot of Christian posters and cross last time? Don't you say those things work? " Yang Yu still wondered about it.

Yang Lin suddenly turned pale and said, "all those things have been corroded."

"As long as you help me solve this mystery in a month, my body will be yours in the future." Yang Lin can be said to offer a very attractive condition, but.

"This Then catching a pervert is catching people. You are catching ghosts. It's totally different. There are no ghosts in the world. " Yang Yu felt the back of his head, not that he didn't want to agree, but it was ridiculous. Let's talk about it. I'm a highly educated student. How can I catch ghosts? It's going to be a

holiday.

Seeing that Yang Yu hesitated, Yang Lin was afraid that he would not agree and immediately seduced him. She put her hands on Yang Yu's neck and said with a smile, "I'm very skilled in serving men. Don't you want to try it?" Then he touched Yang Yu's crotch.

"But, this matter really must seek the God old woman, I am an atheist, stands firmly in Marx's side." Even if Yang Yu meets with another evil family, he can only say that science is not developed enough and there is no explanation, but that doesn't mean there is a ghost, does it?

"Shenpo, I'll give you two weeks. If you can't make up your mind about it, I'll tell Ruoshui about the rape you gave me. Anyway, I'm going to die, and I'm not afraid to lose my face." Yang Lin see temptation can't, change threat, force also want to force Yang Yu to finish this matter.

"Sister Lin, it's wrong. I didn't give it to you. You ate it by mistake. You can't blame me!" Yang Yu is really crying out for injustice. I can't blame myself for that.

"Do you think Ruoshui will believe it? What about the second time? It's always forced, isn't it? If I die and become a ghost, I will follow Xiaoxing to find you." Yang Lin is even coax with frighten, really can't find the person who can help, parents and friends can't solve this matter, shenpo? ha-ha!

Instead, you can find Leng Xiaoxue. She can't help herself. At most, Yang Yu is really scared this time. She must force Yang Yu to find out the mystery and be willing to give anything.

"Don't scare me. It's so terrible. Recently, students are going to take the senior high school entrance examination. I really don't have much time to check." Yang Yu, this is not an excuse. At present, all the time of this month is really spent on the students' high school entrance examination.

"Well, I'll go to Ruoshui right away." Yang Yu plays his head and goes away.

"No!" Yang Yu grabs Yang Lin. although Yang Yu and Li Ruoshui have been together for several months, they can't help each other, but their feelings are still good. Besides, Yang Yu is still a little afraid of his girlfriend. His girlfriend says he won't touch her. Yang Yu really dares not touch her. If she changes to another woman, shit, go directly. You're my girlfriend, and I don't dare?

Not my girlfriend, I dare to go up, but Li ruoshuiyangyu really dare not, and I don't know what magic this girlfriend has.

Therefore, Yang Yu can't let his girlfriend know about this kind of cheating from his girlfriend.

"A month! I'll solve this mystery in a month. No matter whether she is a human or a ghost, I'll find her out, OK?" Yang Yu raises both hands to surrender, although this matter also has been paying attention, but really too evil.

It's like being cursed.

"Well, I'll go back first." Yang Lin said and went back.

Yang Yu lay down on the bed, sighed and shook his head. Unexpectedly, he was blackmailed by Yang Lin.

However, a blessing in disguise is a blessing in disguise?

The freak thing is over, and I'm relieved. The water ghost's evil spirit thing was originally to be solved, but recently I was too busy to delay. Unexpectedly, there was a physical transaction. Isn't that killing two birds with one stone?

This business, Yang Yu how calculate, all win. "Well, I'll assume for a moment that there is a female water ghost." Yang Yu said to himself, and began to reason from the source: "this ghost, it's all unjust, can't get a complaint, can't cast a baby, will stay in the world, then, as long as you find out the identity of this" female ghost ", everything will be solved."

That sounds simple.

But this theory is based on the understanding of "ghost" in "TV series". Who knows if this "scientific explanation" is reliable?

It's better to think of it as exclusion than no action or thought.

Yang Yu thought, and fell asleep again. When I wake up, it's dark again.

The room is dark, ready to go back quickly, not afraid, because the pervert has caught, Xiaoxi will not come to find herself again.

Yang Yu hummed and opened the door. He didn't think about anything. He habitually had to look into the stairs, but he was surprised.

Unexpectedly, there was a man standing.

Not red, but white.

Yang Yu suddenly Leng, thinking: No, Xiaoxi, you still come to me? I've already vindicated you. Please let me go.

The girl in white was covered with black hair, which covered her whole face.

Strangely, this time, the girl in white moved.

The girl came up with Dong, Dong, Dong.

as like as two peas, the walking staircase is very strange, like the long legs. The sound of the stairs is heard in the dark old house, just like the sound of the snow white singing and leaving the half way to hear the stairs.

Yang Yu panicked, quickly closed the door, turned on the light, and hid in the room, looking at the door all the time.

At this time, Yang Yu suddenly remembered Yang Lin's words: ghosts come for life.

I'm not afraid. I didn't do any bad things. No, I did too many bad things.

Dong, Dong, Dong

every step, Yang Yu's heart is beating.

This time, I'm really scared.

The footsteps came closer and closer to Yang Yu's room, and then stopped at the door of the attic.

The door is locked. You can't get in. Yes, help me. Don't scare me. Yang Yu finds that his so-called "atheism" and "materialism" have become a pile of shit at this time.

The door squeaked open.

Yang Yu jumped into bed and hid in the corner. He covered his face with his hands and didn't dare to look.

Through the cracks of her fingers, she still looked. The girl was lying on the ground with long nails and long hair. She couldn't see her face.

Damned thing, the girl climbed over.

"Don't come here, Xiao Xi. I've helped you find the man who killed you there. Why don't you get along with me?" Yang Yu has the courage to speak up and reason with ghosts. It seems to be a very stupid thing.

Girl did not stop, has been slowly, slowly toward Yang Yu climbed past.

Yang Yu shivered with fright. His whole body trembled and he swallowed deeply. He was clinging to the corner and had nowhere to escape.

The girl is getting closer and closer to Yang Yu's face.

The black hair was hanging in front of Yang Yu's eyes. Yang Yu tilted his head back for fear that the hair would touch him.

He didn't feel the ghost's breath. It was quiet. Yang Yu was about to cry. The ghost was close to him.

Yang Yu swore that he would never be guilty again.

Yang Yu finally realized the feeling of Yang Lin when she had these nightmares. She couldn't wake up, wanted to sleep and couldn't sleep. Life is not like death.

Just when Yang Yu was scared to scream, the girl raised her hand. Unexpectedly, she was ready to open her hair.

Yang Yu has seen that face once.

One time is enough disgusting, enough terror for a lifetime, not to mention to such a close distance, Yang Yu killed also dare not see, dead hands covered his eyes.

Yang Yu closed his eyes and didn't dare to look. He didn't know that Xiao Xi was still in front of her after she left, or that the blood on her face was going down her cheek, stained with the bedding.

It was closed for half a minute. Seeing that no sound was heard, it opened quietly.

It's ok if you don't open your eyes. When you open your eyes, Yang Yu is scared and suffocated.

Xiao Qian is staring at Yang Yu.

So close, so close.

However, Yang Yu's suffocation was not because he was scared to cry, but because he didn't see a cheekless face covered with blood, but a face that was so beautiful that it was suffocating, and his skin was so tender that it was suffocating.

Xiao Qian is looking at Yang Yu with a smile. She is not terrible at all, but very cute.

"Xiaoxi?" Yang Yu suddenly lost his terror. It turns out that "ghost" is not terrible at all.

"Thank you, Mr. Yang. I'm not here to ask for your life. On the contrary, I'm here to save you." Xiao Xi said with a smile all the time.

Xiao Xi has a beautiful smile.

A beautiful ghost.

"Help me?" Yang Yu was surprised.

At this time, Xiaoxi stretched out a hand, holding something in her hand, handed it over and said, "the amulet I gave you will save your life one day." Yang Yu reached for it and found it was a pure silver pendant with a small cross on its head. Yang Yu is still puzzled and surprised when he suddenly woke up.

In the room, it was dark, and the breeze outside was blowing slowly through the window.

"Ah, another nightmare." Yang Yu immediately took a look and was relieved that there was no cross in his hand. He blamed himself for his innocence. After all, a dream is just a dream.

Yang Yu even laughed, opened the door and went back.

On the way, when the wind came up, Yang Yu poked his hands into his pocket and hit something. He took it out and saw that it was a silver cross pendant.

Chapter 179

Night, dark.

But far away, Yang Yu still saw a man standing in front of his house: Li ruorong.

Yang Yu made a detour in a hurry, but it was too late.

"Yang Yu!" Li ruorong yelled, "Yang Yu has to go there with a stiff head."

"Am I that terrible? See me and run." Li ruorong white eyes Yang Yu, Yang Yu immediately become good.

"No, no, I didn't see sister Rong just now. What's the matter with sister Rong?" Yang Yu asked in a hurry, which means I'll flash first if I'm ok.

"Can't I come to you if it's ok?" Li ruorong is more aggressive than Han Jing. Yang Yu is most afraid of this woman.

In front of Li ruorong, Yang Yu is as good as a rabbit, completely losing his usual strength and power.

"Of course not. Of course, sister Rong can look for it at any time." Yang Yu just likes to say superficial things behind his conscience.

"Are you really so afraid of me?" Li ruorong said, a hand on Yang Yu's neck, Yang Yu scared quickly to avoid. Li ruorong immediately changed his face. The moves that had been very effective on other men were completely meaningless in front of Yang Yu.

Can't I Seduce this man? I don't believe it. Li ruorong thought to herself.

"No, I'm afraid people will see me misunderstood." Yang Yu pretended to giggle.

"Misunderstanding that we have an affair?" Li ruorong laughed again, suddenly became angry, suddenly laughed, fickle, unpredictable: "we are more innocent than anyone."

In fact, Yang Yu is not so afraid of Li Ruo Rong. Li Ruo Rong can be said to be the sexiest and most feminine woman Yang Yu has ever seen in the first half of his life. She is a woman among women. However, Yang Yu really does not dare to touch her. Once she is involved in a relationship, I'm afraid that she will be entangled in her whole life.

Of course, Yang Yu thinks too much and raises himself too high. It seems that women all over the world like him, so they become narcissistic and proud. In fact, Li ruorong is superior to Yang Yu in appearance, work, family, temperament and other aspects.

According to reason, this kind of woman really can't look at Yang Yu.

What makes Li ruorong really unbalanced is that her younger sister, who is much worse than herself, has found a boy friend who is not so good. Why did she end up alone?

Yang Yu just wants to show that she is not more popular than her younger sister.

Yes, but Yang Yu didn't buy it. Li Ruo Rong loves and hates. What he loves is that there are still men in the world who are not fascinated by themselves? What I hate is that there are men in this world who are not fascinated by themselves?

In fact, how can Yang Yu not be fascinated by Li ruorong? The eunuch, Li ruorong, a sexy creature in the world, will glow in the second spring.

"Did sister Rong eat it? If you don't eat it, we'll do it together. " Yang Yu still wants to change the topic, so as not to get involved in everything.

"I'll go home and eat. I'll tell you to leave when I'm done." Li ruorong said, it's certainly something to come here to find Yang Yu. If it's OK, she really won't come.

"Sister Rong, please go ahead." Yang Yu immediately became polite. Yang Yu didn't dare to neglect Li ruorong.

"The thing is, the central government issued an official document to ask all counties and cities to actively carry out cultural exchanges and promote the construction of spiritual civilization. Anyway, just like that pile of things, the city asked the county, the county asked the town, then our town held a cultural and artistic exchange competition, and asked all villages to actively participate in it. There were few people in our village, and they didn't want to participate, but my father had to participate, you know I'm also a small village official. I'm in charge of this area. So "Li Ruo Rong, a village official, has no activities at all.

This time, I have to ask her daughter Li Ruo Rong to take an active part in it, which of course has another meaning.

No matter what, Yang Yu also understands Secretary Li's good intentions. To put it bluntly, in the future, he can also say: "you see, my daughter has done a good job in this cultural program, right? Should I be promoted? "

This is "merit". Although this "merit" is not worth mentioning, as long as you do better than others, you will have a chance. "The tiger laughs at the other man, but you have to run as fast as the other one The man replied, "you are a fool. I can run faster than you."

Li ruorong has nothing to do all year round. This time, if he is busy, he will be idle. Let's organize.

"Is it like the city's aunts doing Yangko in the square?" Yang Yu touched his head: "but what does this matter to me?"

"You're the mother, you're the Yangko." Li ruorong gives Yang Yu a hard look, which is insulting her.

Li ruorong graduated from a provincial media school. She is insulting the professional teacher of her alma mater.

"Don't you know how to sing? So I asked you to come Li ruorong is not very angry.

Yang Yu a listen, Leng for a while, always feel where is wrong.

"I don't understand." Yang Yu asked deliberately, but he didn't understand, because I was the only one to attend? This kind of literary and artistic activities are all collective activities, so it's impossible to sing by themselves. Are village women doing Yangko? Yang Linglin also had to help with these events. Besides, she didn't want to help the villagers to grow vegetables.

"I'm going to sing and dance with you in the village, or we'll sing and dance with you." Li said.

"Sister Rong, you're kidding. I can sing some songs, but I can't dance. Besides, you can accompany me with your mobile phone or CD, and I'm very busy recently." Yang Yu, of course, refused for too many reasons.

1、 This is organized by Li ruorong, and this is the biggest problem. When I get close to her, you cry;

Second, I'm too busy to be free;

Third, even if I really participate in it, I don't want to dance Yangko with those village women. What a shame it is;

"if I ask you to come, you must come. If you don't come, you must come!" No one in the village dares to

refuse, especially the men: "come here tomorrow night, let's get to know each other, think about the next program, and start rehearsal."

Li ruorong said that and left.

"Sister Rong, sister Rong" Yang Yu is too anxious to catch up. He really doesn't want to participate in this activity.

"Are you afraid it won't do you any good? Will you feel enough of my milk then?" Li said, squeezing the milk, the ditch deep enough to drown people.

Poof!

Yang Yu's blood gushed out.

"Sister Rong, that's not what I mean. I really can't dance, and I'm really busy." Yang Yu quickly kneels down to beg Li ruorong. It's unreasonable. You are not the emperor. How can you say anything.

"No one dares to refuse me, including you." With that, Li turned and left.

Yang Yu Leng was there and finally felt the taste of being raped.

Li ruorong is too domineering. Isn't your father the village secretary? It's not Li Gang.

Yang Yu can't tell why he has to find himself for such a thing. It turns out that the exposure of his talent is not necessarily a good thing.

"Do you dance Yangko with a group of aunts? Shall I accompany them?" Yang Yu said to himself that he wanted to cry at the thought of this scene.

I'm not afraid of other things. I'm afraid that when I go to the town, I will be insulted by these aunts. What can I do! Brother's fragile body, where can withstand the devastation of aunt?

Chapter 180

"I'm afraid to take a bath now." After finishing the lesson, Zhang meiruo said. She is a clean girl, even a little bit of a clean addict, every day to take a bath.

"Just a little hair? There's nothing to make a fuss about." The girl is sensitive, a little fart big thing to shout, Yang Yu tease way: "or, Yang Teacher accompany you to take a bath?"

"Dream. I'd rather meet a ghost than a big wolf with me." Zhang meiruo snorted and went downstairs.

Yang Yu has a black face.

Li Yunxi was left to laugh.

"Your cousin, do I have this color?" Yang Yu turned to ask Yunxi, Yunxi a face of cute, and then said two words: "yes."

Yang Yu once again a face black line, clearly hide their lust very well, ah, how can they see it?

But before long, I heard a scream.

Yang Yu was the first to run down and rushed directly to the bathroom. After knocking on the door, Zhang meiruo opened it.

"What's the name, see the ghost?" Yang Yu is not very angry.

But if Zhang meiruo is really pale, can't she really go to hell? But Yang Yu then found out that Zhang meiruo was naked, just a bath towel barely covered his chest, and half of his buttocks were still exposed outside. Yang Yu was staring at Zhang meiruo's chest.

Zhang meiruo just washed her face. She did see a woman's figure in the water, and then she screamed. But in the twinkling of an eye, she found that Yang yuse was staring at her breasts and buttocks. She immediately became angry and roared: "sex wolf, get out of here."

Yang Yu cried, this is deliberately put me together, now this is really can't stay, if this goes on, even cousin will misunderstand himself is really a sex wolf.

At night.

Lying flat on the bed, Yang Yu is looking at the ceiling. If you think he is thinking about the water ghost, you are very wrong. He is thinking, when will Li Ruolan come back, when will she steal again, will Yang Lin really give her body to her and hide it from her girlfriend?

Lin Yiyi is pregnant and has gone. Lin Yina looks coldly at herself now. The students are busy with the middle school entrance examination. Even if they are not busy with the middle school entrance examination, they will all leave as soon as they graduate from the middle school entrance examination. They have to seize the time to make fun of Bai Xue and Han Qingfang. When they go to high school, they will have no chance.

The key is Li Ruoshui. The goddess will not be engaged in it. If they can engage in the three sisters, it will be amazing.

It's true that men can treat the body and spirit separately. As long as it is a woman, especially a beautiful woman, men are willing to, but if it is love, it completely changed.

If Li Ruoshui dumped himself, Yang Yu's heart would not hurt, at least not now. However, if his cousin is

not happy, Yang Yu is not happy either. Just like Yang Yu is not happy, Yun Xi will not be happy.

The spirit is always higher than the body.

Thinking about it, Yang Yu started to go to the cross. He really couldn't understand it. Is there a ghost in the world?

Widow Liu's husband, Xiao Xing is a ghost? Is Yang Lin really a ghost?

Can immediately feel wrong ah, if it is a ghost, it must be revenge, Xiaoxing is just a child, how can be involved in the relationship?

Nowadays, the biggest problem is to find out the female ghost's identity first.

This night, Yang Yu can't go anywhere to play. Every time he's down there, he's hard, and Yang Yu feels uncomfortable. However, it's not convenient for him to find a woman to vent his anger at night. Before, Lin Yina would occasionally steal something, but recently it's gone completely.

"If only I could live alone. At night, let the girl students, village women and Li Ruolan come to sleep quietly. They should be romantic. My parents are not here, and my aunt is not in charge. It's so free. Then invite a maid to cook. It's a happy day." Yang Yu said to himself.

It's good to have money. Buy a foundation from the village and build a new house near my aunt's house. There are many ways to steal money. Yang Yu plans that it needs money. But now the only sales channel is binrugui Hotel, and vegetables are not planted. It's just a small fight to earn a little money.

It's said that in those days, the platinum was advertised first, and then produced with the money from the order. Of course, Yang Yu can't do this kind of empty promise.

With money, everything will be easy. Yang Yu is so hard that he can't sleep.

"At least the village has got a mobile signal tower. It's good to find a wechat sister to chat with. Every night it's so boring and not crazy. How do these rural children come here at night?" Yang Yu complains.

Yang Yu looked at the time, it was already eleven o'clock, but he still couldn't sleep. That guy had nowhere to vent every night.

Yang Yu has an impulse to find Han Qingfang, but the place where Han Qingfang sleeps is very close to her parents, and the door will be closed tightly, so he can't find her. What about snow white? Bai Xue is alone on the second floor, but next door are her two brothers. When she is found or heard doing her sister in the middle of the night, she still kills herself?

At this time, Yang Yu missed Zishu and Meixin. In fact, what Yang Yu is looking forward to is Zhang meiruo. If Zhang meiruo is replaced by Han Qingfang, now she may sneak out, sneak into her own room,

have a meal, and then go back quietly. It's very exciting, and it's the advantage of cohabitation.

But this school flower Zhang meiruo is completely different. Look at her, she scolds you as a big sex wolf.

"Go to widow Liu?" Yang Yu pondered: "no, although there is a separate room for ER Niu, I often sleep with his mother. No matter how silly Er Niu is, it's strange to look at her. Although widow Liu has said that she can vent at any time, she still can't

Yang Yu thought about all the people, but he couldn't find the right woman to steal in the middle of the night.

Yang Yu got up, took a flashlight, ready to stroll around the village, to see if there is any luck, so as to meet the fire tonight.

At eleven o'clock, yunu village was already silent, almost without any lights, and all of them had gone to sleep. Even the grocery store in the center of the village turned off the lights, and Yang Yu couldn't walk any more. There was no life outside. Except for some terrible sounds coming from the back mountain, he couldn't feel that it was a village.

"Forget it, you'd better go back." Yang Yu fiddled with the flashlight. He looked at it here and there. As a result, he really got a picture of himself.

Still a woman, a woman who smears the walk.

"Miss Yang, why haven't you gone back to sleep?" The person I met turned out to be sister-in-law Yu.

Sister Yu is 35 years old, and her daughter is in the third grade of yunu village. Yang Yu has met sister-in-law Yu twice, once on this road. Of course, Lin Yiyi is still around. Now Lin Yiyi has already gone far away. Thinking of Lin Yiyi, Yang Yu suddenly gets sour.

The second time was at the dinner for Lin Yiyi's birthday, when Wang Ren was still there. Now things are really different.

The water in yunu village has really raised this generation of women. Although yusao is 35 years old, her skin is better than snow. Her face is flawless and ruddy. She can't see her age at all. Besides, her face and body are pretty good. She is half a beauty. It's estimated that when she was young, she was not inferior to Lin Yiyi.

After a long time with such a beautiful woman as Lin Yiyi, she seems to have some light. She is well maintained and has high quality. She is really not as coquettish and serious as Han Sao and pan caier.

"I can't sleep. Come out and have a look. Why is sister-in-law Yu so late?" Yang Yu didn't feel embarrassed either. Anyway, he didn't say that he wanted to find a woman every day.

Sister Yu has a good relationship with Lin Yiyi. She is still half a relative, but Yang Yu doesn't blame Yang Yu for catching Wang Ren. She even thinks that fortunately Yang Yu finds out, otherwise Lin Yiyi will be ruined in her life.

"I'm late chatting with them, and I forgot to bring my flashlight. Would you like to give my sister-in-law a ride?" Sister Yu has been smearing her name just now. Although she is familiar with the road, she remembers how to go. Recently, the atmosphere in the village is strange. Sister Yu is still a little flustered. Let Yang Yu give her a hand.

"Of course." Yang Yu thinks it's OK anyway. Yusao's home is in the west, and his home is in the south. It's half a way.

Jade sister-in-law walks in front, and Yang Yu lights the lamp behind. In normal times, Yang Yu will never look at jade sister-in-law's buttocks, but tonight, Yang Yu is on the brain.

Do you want to tease me? Yang Yu thought in his heart, but he couldn't think about it. Like Lin Yiyi, yusao and Lin Yiyi are all very serious women. They are afraid that if they molest each other, they will get angry and see themselves clearly.

Yang Yu touched the bottle of "Yuxian die" in his pocket. Since he had it ready, he naturally took it with him. But where could he give yusao food? Even when he got home, drinking water would be cheaper for her husband. Good things and good things would not come to Yang Yu's head.

"Do you know what we village women are talking about behind your back?" Mrs. Yu sees that the atmosphere is very cold. She is going to find a topic to talk about.

Chapter 181

Yang Yu was stunned for a moment. Although he knew that the village women in yunu village were quite gossip, he really didn't know that they even talked about me?

"About me?" Yang Yu is very curious to ask a way: "say to listen to, all discuss what?"

"They say your guy is big." When sister-in-law Yu said this, she didn't seem to blush at all.

On the contrary, Yang Yu blushed.

"Sister Yu, these words are all rumors. Maybe someone saw me when I was taking a bath, and then I would talk nonsense." Yang Yu, of course, is happy to hear that. His fellow is spreading around in the village women's mouth. This is just a free advertisement for himself.

But the question is, who was the first to know that he was big? Don't you understand that you are cheating with the village women? Yang Yu thinks that it must be Lin Yina. This young woman has something to hold back and loves to show off. She must have publicized it.

It's just that these gossip stories are spread among village women. If they are spread to Li Ruoshui's ears, they must have their own feelings. Therefore, Yang Yu hastily explains that he was peeping at his bath instead of sleeping with the village women.

"No one said who you had sex with. You look red. Ha ha. " Then she turned her eyes and continued, "you are such a young man. You are handsome and handsome. There are so many village women. What do you see is us village women."

Yang Yu likes to hear this. It's true. Yang Yu still likes young people, who are not in line with his own taste. Maybe he will be interested in them when he gets older.

"Look at what sister-in-law Yu said. It seems that all the women in the village have families. They can't do anything about it." Yang Yu feels that it's strange to talk with yusao. If it's hansao and pan caier, he can still talk about them. But yusao is such a serious person. It's very awkward to talk about them all of a sudden. Besides, yusao is not a whore.

"Are you serious? They all said that you would take Ruoshui to Taohuayuan for an appointment in a few days after you came to the village. They thought you were very romantic. " Sister Yu said half jokingly with a smile.

"Ha ha." Yang Yu felt his head and looked embarrassed. It was really a misunderstanding when he went to Taohuayuan. Don't think that he left such a romantic impression on these village women. No wonder that sister-in-law Han directly took me to the Chaifang when she saw me. That's why.

"Tell Mrs. Yu how many women have you had in our village?" Sister Yu suddenly asked about it. She also wanted to know what kind of person Yang Yu was.

"No, none of them. In fact, I don't even have the water." Yang Yu can only pretend to be a fool, especially in front of yusao. After all, she is a teenager older than herself. Many things can't be concealed. She can only pretend to be a fool. It's best to be a fool.

"Just pretend, sister-in-law. I knew you had one." Yusao said, in fact, she is completely fooling Yang Yu, just listen to Han Sao chat, Han Sao said that once Yang Yu almost dry her, the result was destroyed by her husband, that time yusao listen to the heart itching, after all, with Han Sao about the same age, plus Han Sao that bitch add oil and vinegar, describe Yang Yu that guy how much black and thick, listen to those village women are itching Yes.

Lin Yina didn't spread these gossip, and Yang Yu really wronged her. In fact, pan caier was the first person to publicize Yang Yu's "bad" image. Yang Yu never thought of it. Yang Yu always thought that this kind of thing was absolutely from Lin Yina's gossip.

When Yang Yu heard this, he was flustered. He had been Lin Yina and Lin Yiyi, two village women. Lin Yiyi was tight lipped and didn't gossip. He was not that kind of person. That must be only Lin Yina.

"Jade sister-in-law really doesn't have, you must be cheated by others, I am so busy that I can't imagine a woman." Yang Yu really doesn't make a draft when he lies. He came out tonight to find a woman, but now he says, how can I miss a woman?

If a man believes it, the sow will be in the tree.

Jade sister-in-law suddenly turned around, Yang Yu almost hit her milk.

"Really don't want to be a woman? I don't believe it. My sister-in-law, let's see if you want a woman or not!" Jade sister-in-law said, unexpectedly directly picked up his coat, my God.

Oh, my God.

Oh, my God.

Jade sister-in-law didn't wear a bra at all. As soon as she fished her coat up, her two breasts came out directly. Bai Huahua's two big breasts were completely exposed in front of Yang Yu.

Yang Yu's nose bleeds.

This sister-in-law Yu is a woman. Her two breasts are plump and white. They are hanging outside like this. Her nipples are very black, big and firm. Her breasts are round and full. They are all breast milk.

Yang Yu's heart leaped and leaped, and the guy below directly hardened and propped up a tripod with his sports pants.

"Ha ha." Jade sister-in-law suddenly put down the clothes, a smile, eyes straight at Yang Yu crotch that guy, said with a smile: "also said don't want a woman, sister-in-law's milk to you see, you hard, but, really big."

When Yusao said this, her eyes were still looking at Yang Yu's crotch.

"I'm a normal man, sister-in-law. I'm sure I'll have a reaction when I see her beautiful milk." Yang Yu continues to pretend to be stupid. In front of these village women who are much bigger, it's best to pretend to be stupid. Don't pretend to be smart. They eat more salt than you do. It doesn't matter if you pretend to be a fool, because you are a teenager, and people say you are a little brother.

"Do you want to have sex with your sister-in-law?" Jade elder sister-in-law asks a way, so strong handsome man, which village woman doesn't want to be done by him?

"No, I'm afraid my uncle will find out." Yang Yu is most afraid of stealing other people's wives because he is wrong. Even if he is beaten, he can only admit defeat. Who will let him get other people's wives?

Mrs. Yu looked around. It was very close to home. Although there was no one here, it was too

dangerous on the road.

"Do you want a sister-in-law?" She asked.

Yang Yu went on pretending to be stupid again. He touched his head and smirked. He also pretended to be stupid and said: "ha ha, sister-in-law Yu's milk is very white and big. I want to do it."

"I know you miss a woman and pretend to be stupid." Mrs. Yu said with a smile, "at night, my sister-in-law will have fun for you first. There are several straw houses next to my house, full of last year's straw. It's warm and empty, and you can still lie down. Do you think it's OK to go there?"

"I listen to my sister-in-law." Yang Yu giggles. It seems that in the future, this kind of stupidity will be pretended to the end. There is no need to be embarrassed or responsible for pretending to be a fool. It's best to pretend that you don't understand anything. There are also silly blessings for a fool.

They quickly quickened their pace and went to the straw house of yusao.

In the rural areas, some independent small houses will be built beside their homes to put firewood, straw, sundries, or raise cattle, sheep, pigs and other livestock. The places where they live are not far or near, and no one will go to such places at night.

As a child, when Yang Yu and his cousin were playing hide and seek, they liked to hide in the straw pile. It was hard to find them. Sometimes, they went in together with their cousins and stuck close to their cousins. That kind of feeling was very beautiful and happy.

When I was a child, there were many happy things in the countryside.

But when he grew up, many things changed. He didn't like hide and seek, which was his favorite game in the countryside. If he could, Yang Yu still liked to play hide and seek with his cousin in these straw piles in the countryside, even though he was in his twenties.

In particular, with their loved ones, playing games together as a child, is not naive very happy?

Yusao's straw house is also divided into two layers, stacked very high, with stone walls on three sides, completely closed, without any windows, so that wind and rain can't get in, and straw won't get wet. The roof beams are directly built with big wood, and naturally there are tiles on them.

"Climb up against the wall. It's very hidden." She said.

Yang Yu uses the stone wall as a foot pad and climbs up the second floor. The second floor is very low. When Yang Yu stands up, he will directly touch the tiles, so he has to squat, and then directly sit on the straw. Three sides are closed stone walls, and his back is against a huge pile of straw, which completely covers him.

It's really a great place to steal.

Chapter 182

Jade sister-in-law also climbed up.

It's dark here. With the flashlight on, it's too obvious in the dark. So Yang Yu put the flashlight on and put it into the straw pile, so that the rest of the light came out, just shining the little rice straw nest. There's also an atmosphere of stealing.

Three sides are walls, back against the straw pile, and on the second floor, a small nest is dug out in the straw pile, just like a bird's nest, which is enough for two people to nest inside. The flashlight is shimmering. It's romantic, quiet and safe. As long as you don't come in, you can't see anyone inside. I'm afraid people really come in. Once the flashlight is turned off, the nest is silent in the straw pile, and generally no one climbs up.

It's a great place to steal.

Yang Yu also specially calculated that yusao's family is between Lin Yiyi's and her aunt's, and the three people are on the same line from the back mountain to the valley. The straw hut should be a little closer to her family, so you don't have to run to the old haunted house in the attic of the school to steal at night.

How convenient, how emotional, how rustic are you?

Jade sister-in-law should be the oldest of Yang Yu's cheating women, three years older than Zhao Ying, the left behind village woman. It can be seen how early Zhao Ying married and had a baby.

This is Yang Yu's second time as an old lady. Compared with Zhao Ying, yusao has more flavor.

Yang Yu didn't want to take the initiative this time, because he pretended to be a fool, so he was dumbfounded and giggled, which was the most useful move in front of an old woman.

"Usually you are very clever. Now play silly for me." Jade sister-in-law is smiling, know he is intentional, so good, said: "come here, take off sister-in-law's clothes, give you milk."

"Ai!" Yang Yu answered. Jade sister-in-law moved the position, moved to Yang Yu next to, two people together nest in the straw pile. Jade sister-in-law took off her coat and left her underwear. She had to look at Yang Yu.

"Isn't sister-in-law Yu afraid that uncle knows?" Yang Yu joked.

"Yes, of course. How many men in this village can satisfy their wives? I can only come out and find a strong man like you to steal it. " Jade sister-in-law said with a smile, sometimes it seems that Yang Yu is

also silly, but this kind of silly is very cute, is the little boy she likes.

But where is Yang Yu? He doesn't know how to avoid hegemony. Apart from Zishu, Xie Qiuqiu and Li Ruolan, which other girls are not his strong friends?

In bed, a man must be manlike, domineering and powerful. He would rather be an animal than an animal.

"Do they all steal too?" Yang Yu usually does not care about these village women, whether they are licentious or reserved?

"Don't you know the secret of Yunv River in our Yunv village?" Sister Yu asked in reply.

Yang Yu Leng for a while, the water is not clean, healthy, good for the body?

All the women in yunu village are as beautiful as flowers when they eat this water, especially their skin. The girls are all pink and tender. Even the village women are like the girls in the city. It's all because of the good water. Of course Yang Yu knows this.

"Is there any special function?" Yang Yu slowly pulled down her trousers and asked.

"The water from the Yunv river will promote the secretion of hormones." Yu Sao said with a smile.

Yang Yu stopped, a face surprised: "sister-in-law's meaning is that this water also has the function of aphrodisiac?"

"What do you say? Otherwise, you think your sister-in-law loves to steal from you so much. It's all because she can't vent her anger? Don't you find that the girls in our village are very precocious? " Jade sister-in-law is smiling: "Oh, take off quickly."

Is it true or not? Yang Yu is puzzled. What's the matter? However, it seems a bit like being said by sister-in-law Yu. Let's not talk about sister-in-law Han, pan caier, widow Liu, Lin Yina, Bai Xue in the class, Han Qingfang, and a few other village women who understand these things. Even if Zishu and Xiaomei are not from this village, they usually drink water from this river when they go to school. Especially in Xiaomei's class, all of them are only 14 years old. However, it seems that they know all about sex. Take Xiaomei for example, she's really just a little girl who doesn't grow up, but she's willing to teach herself?

Yang Yu decided to do it, and he was really ready to study it in depth.

"What are you staring at? Come on Sister Yu is in a hurry.

Chapter 183

After more than an hour,

looked at the time, and it was about zero.

"Well, Mr. Yang should remember me next time. If Mr. Yang falls in love with the girl in the village, he can tell me that I am well-informed and well connected, so you can work for nothing." Jade sister-in-law is very satisfied with wearing back pants, white buttocks are frozen red.

Is there such a good thing? Is it all because of the water of Yunv river?

"Should I first thank you for going down the Yunv river?" Yang Yu also put back his trousers and said with a smile.

"Of course, it's just recently. The water in the whole village seems strange. Many people have responded to the village head." Mrs. Yu shook her head. The water is the source of life and the treasure of Yunv village.

"How strange?" Yang Yu was stunned for a moment. Recently, he often heard Zhang meiruo talk about the water source, but he didn't pay attention to it.

"A lot of people say that they always have hair. It's more than that. It's said that a villager saw a female ghost in the water. Everyone is talking about it. Maybe it's the water ghost in the reservoir. The village head is ready to invite a Taoist to come back to the reservoir to practice the Dharma. " Mrs. Yu herself had never seen any female ghosts in the water, but she had really seen the hair. For no reason, she thought she was dazzled by it. However, after listening to everyone say so, she believed that she had not seen flowers.

Yang Yu immediately recalled what Zhang meiruo said, thinking: is that girl not lying? Did you really see anything dirty?

"So evil?" Yang Yu mutters that Yang Lin is asking herself to help solve the problem. She says that she has come to the door to ask for her life. Now she meets the water in the whole village and has an illusion. Does it matter?

Tomorrow, Yang Yu is going to the school to ask you if this is really the case.

What happened to the water ghost? This time it seems that the movement is getting bigger and bigger? Just take the whole village? It's not so exaggerated, is it?

Yang Yu does not believe in evil, ready to go back to the toilet to see, even if it is early in the morning.

Out of the straw house.

The cold wind is blowing. It's a lot colder outside.

"Miss Yang, there is a path here. You can go down the path much faster." Jade sister-in-law is very

familiar with this piece of nature, pointing out the way.

Yang Yu flashed a flashlight and walked along the path with potholes on the slope. There was no shadow of the path at all. Yang Yu was not afraid of it. He just stepped on it, but he was not afraid of failure.

Sure enough, it was so close that I got home in a few minutes.

After Yang Yushuang, of course, he was sleepy. After thinking about it, would you like to go to the toilet?

Go, who is afraid of who!

Yang Yu is already sleepy and wants to go to the toilet anyway. It's already 0.30, and the village is shrouded in fog, hazy and gloomy, as if the whole village has been cursed.

Whoa, whoa!

Yang Yu turned on the tap, looked at it, looked at it for a while, clean, nothing: "what hair? Cut, it is oneself to frighten oneself With that, he turned around and took out the guy. His eyes were almost closed, yawning, shaking and peeing.

The tap was splashing in the bath.

Yang Yu shakes after urinating. He turns around and suddenly sees that the water is still very clean. There is no hair at all.

"Cut. These people know how to make a fuss. " Yang Yu laughs that a countryman is a countryman. When he sees a few hairs, he thinks he is a water devil. He eats gutter oil every day in the city, but he just doesn't snore. He still eats three bowls of rice with relish.

Yang Yushun put his head into the water and opened his eyes. He saw no ghost in the water.

"It's boring." Yang Yu muttered and looked up in the mirror.

It's unlucky to look in the mirror at midnight. There is nothing in the mirror except Yang Yu's shadow.

At this time, the cross that Xiao Xi gave him in her dream has been put on Yang Yu's neck. Although she is not superstitious, it's just a pendant. It's OK to wear it. Maybe it can ward off evil spirits? Besides, now I sometimes go to church to listen to missionary.

Yang Yu turned off the light and the door and went straight upstairs to sleep.

The bathroom is quiet and terrifying. The mirror reflects every corner of the bathroom, but it's empty.

However, not every family's bathroom in this village is so quiet.

In the early morning, the fog still did not recede, it was a cloudy day.

Morning is more like dusk.

In the morning, Yunv village was dead again. I heard that she was drowned.

Just like the old man before him, he immersed himself in his face, just like Yang Yu dived his head into the wash basin last night, but he was not so lucky as Yang Yu. After he immersed himself in the wash basin, he couldn't lift it any more. He wanted to lift it or couldn't lift it. No matter how hard he struggled, his head was stuck in the water and drowned alive.

Recently, the whole village of yunu village was haunted. The students talked about it very much, and the more they said it, the more exaggerated it was. "I really saw a ghost creeping out of the toilet with her hair all over her head. It scared me to death." Classmate a said.

"What is that? That female ghost all crawled into my quilt, I dare not sleep at night Student B said.

"I've heard that two people in the village have been scared to death. This time, it's more terrifying than the pervert last time." Especially the female students, it's more embellishment.

"Hey, after class time, don't spread rumors, make people panic, the teacher didn't see anything last night." Yang Yu is going to stop the students from discussing this.

"Of course you can't see it. It's so ugly. The ghost scared away when he saw Mr. Yang." In a corner, Ji Ming added another sentence.

"You..." Yang Yu's face flushed with anger: "teacher, I look so beautiful, ghosts will fall in love with me."

The class roared with laughter.

Yang Yu arrived at the office. Unexpectedly, everyone in the office was discussing it.

"You are teachers. Do you believe in these things?" Yang Yu did not expect you teachers to be so feudal and superstitious.

"Aren't you a detective? Everyone is waiting for you to solve the problem. " Miss Meilian interposed.

"I can solve a case, but I can't catch ghosts." Yang Yu said with a silly smile.

"What did you say?" Yang Lin a listen, mercilessly stare one eye, say. Yang Yu was afraid at once. Then he looked at his girlfriend and felt guilty. He said in a hurry, "I've already started looking for this woman. She must have drowned in the reservoir. She may have an unfulfilled wish. We can find out her identity and help her with her wish." Yang Yu watched all these on TV, and they were all performed in TV

dramas.

Ghosts have always been regarded as religious and feudal superstitions. Radio and television have already announced that domestic movies are not allowed to show real ghosts. Anyone's impression of ghosts comes only from TV and the strange tales from a lonely studio.

After school, Yang Yu wants to ask the village head what woman has drowned in the reservoir these years. Whether she is a human or a ghost, Yang Yu is going to catch her because she can be a friend of his girlfriend.

However, one thing Yang Yu is sure of is that all this is caused by people, but she just doesn't know what her purpose is? Why do you pretend to be a ghost to scare the whole village?

Yang Yu never believes in ghosts.

After school in the afternoon.

The fog of yunu village has not yet receded. On overcast days, plus the village is haunted, the whole village is shrouded in a horrible and gloomy atmosphere.

Everyone is not in a good mood.

Except for one person, Yang Yu.

Because Yang Yu saw a woman.

Men see women in general have two reactions: hard, soft.

But, this woman, let Yang Yu see, not only hard, and hard how also soft not down.

Especially, when she walks with her girlfriend Li Ruoshui and talks and laughs, and her eyes are always looking at her, Yang Yu's little heart, oh, it's bouncing.

The woman who can make Yang Yu so flustered is no other than his girlfriend's sister, Li Ruolan.

"Sister LAN, just a few days, how come she came back?" Yang Yu felt his head and ran away from Li Ruolan's eyes, a little afraid to look directly at him.

Because as soon as I saw sister LAN, I thought of the night when I had sex with her.

Now, my girlfriend is next to me. When I think about it, I feel more guilty.

"Because I miss you." Li Ruolan seems to have no taboo to say, Li Ruoshui heard of course that sister is joking, but Yang Yu heard, but clearly felt a different meaning.

Chapter 184

"Sister LAN, you're here just in time. There's something in the village for you to check." Yang Yu quickly changed the topic to avoid sister LAN from crying like Li ruorong.

"Then come back to my house." Li Ruoshui found that his boyfriend had a good relationship with his sister. Naturally, he was also happy. He came to hold Yang Yu's hand and laughed more happily than anyone else.

Yang Yu took a look at Li Ruolan. Li Ruolan also happened to come over. They looked at each other, and the feeling was indescribable.

When he arrived at Li Ruoshui's home, it happened that Li ruorong was not there, so Yang Yu was at ease.

I don't know what's going on. I'm afraid of this woman. I always feel that Li ruorong is like Daji, a fox spirit, who will kill himself sooner or later.

In fact, what Yang Yu is really afraid of is not this. What he is afraid of is that Li ruorong is too sexy and feminine. He is afraid that he will make a big mistake on impulse.

"Go upstairs first, and I'll get some food." Li Ruoshui said happily and went to the kitchen to find food.

Yang Ruoyu's eyes were very flustered, and Yang Ruolan felt uneasy.

"What are you doing? Come on up Li Ruolan is still as usual, it's very natural that he seems to forget the same thing that he once had a crazy night with Yang Yu.

I went upstairs to Li Ruolan's room.

"Are you nervous?" Li Ruolan asked with a smile.

How can Yang Yu say that he is not nervous?

Li's sister was in bed with her sister, but she was mad.

"A little bit." Yang Yu feels a little embarrassed. Suddenly he doesn't know how to be alone with Li Ruolan.

"But when you put me under the pressure, you have a lot of courage." When Li Ruolan saw that Yang Yu was still shy, he really wanted to tease him.

"Sister LAN, let's not talk about it." Yang Yu is afraid of Li Ruoshui's sudden appearance. When he hears these words, it's over, so he must be careful.

"Ha ha, you are so nervous. My sister won't know." Li Ruolan said.

But as soon as the words came out, a figure flashed.

"What don't you let me know?" Li Ruoshui suddenly came out and asked seriously.

Suddenly, Yang Yu's face was black.

Li Ruolan's face suddenly became worse, thinking: when did the three younger sisters come up? What did you say just now?

Yang Yu looked at Li Ruolan, and both of them became nervous, thinking: Li Ruoshui won't hear the sentence "you put me under your body" just now, will he?

But after all, Li Ruolan was a man who had seen the world. He calmed down immediately.

"Of course, it's the water ghost's evil spirit. I'm afraid the water ghost wants to attack the whole village!" Li Ruolan immediately thought of it and went to prevaricate.

"The whole village? Sister, don't be kidding. " Li Ruoshui sat down on the bed, hugged the pillow, ate, and said with a smile, "last time I caught perverts, you've been in the limelight. This time I'm going to participate."

Poof!

"Baby, our main task now is to take the senior high school entrance examination. It's up to your sister to do this." Yang Yu said, but he didn't want to wade in the muddy water.

Li Ruoshui pursed his mouth and pretended to be angry and said, "I know. I can always listen to it."

Of course, Yang Yu thinks that sister Lan's remark just now is a joke.

But Li Ruolan was not joking.

"Look at the information. Officer Lei got it." Li Ruolan handed Yang Yu a copy of the zongjuan.

This time Yang Yu didn't understand.

"Sister LAN, you are so fast. Didn't you just come back today?" Yang Yu was surprised. What did he deliver to Yang Yu?

When Yang Yu saw zongjuan, his face turned black again.

Li Ruoshui saw that his boyfriends were scared. He must have seen something really terrible. He got up

in a hurry and looked at it.

Yang Yu immediately closed the door.

"Why don't you show it to me?" Li Ruoshui looks depressed.

"Honey, you go out first. I'll have a few words with your sister alone, OK?" Yang Yu's face was very ugly and said seriously.

Li Ruoshui glanced at Yang Yu and said, "I don't know anything. Hum!" Li Ruoshui twisted his body and left wisely, leaving a sentence: "I'm not interested in listening, I'm going to help my mother cook dinner."

Yang Yu closed the door carefully, sat on the bed and reopened zongjuan.

"How could the police have this information?" Yang Yu asked.

Li Ruolan also sat over and sat beside Yang Yu with a serious look: "this case has been on file for a long time. It has been a cold case and has not been solved so far. It is the most difficult case to be solved within the Public Security Bureau."

"How many victims are there altogether?" Yang Yu turned over and saw the information and the photos of the scene. It was disgusting. I haven't seen such disgusting photos and corpses for a long time.

"Plus two of these two days, eleven." When Li Ruolan said this figure, he even shivered and continued: "eleven victims, the time span is irregular, age, gender, characteristics, background and so on are all irregular, disorganized, completely disconnected." "But there's a lot in common." Yang Yu and Zou frowned, and the information of this scroll scared him.

"Yes, they have a lot in common." Li Ruolan took a deep breath, stood up, walked back and forth in the room, and said: "Li Ruolan feels creepy when she thinks about it. Maybe you are walking in the street and suddenly a person stabs you, and the reason he stabs you is that there is no reason. This kind of thing really happens every day in the society. In the last news, a person wanted to commit suicide, but he couldn't do it, so he wanted to find someone to practice his courage and stabbed the person to death for no reason.

What's the reason?

Compared with the original sin of lust, lust is more terrible and sinful.

"Don't you really think it's ghosts?" Li Ruolan asked tentatively.

"Yes, it can only be ghosts." Yang Yu suddenly closed the scroll and said solemnly.

Poof!

It was not Yang Yu who vomited blood this time, but Li Ruolan.

"You got kicked in the head by a donkey?"

Chapter 185

The victims Yang Yu saw in his eyes were not only the eleven, but also two, but Yang Yu was not sure.

The first is the great elder of Christianity, but he didn't die of drowning or have his eyelids cut.

The second is Yang Lin, but Yang Lin is still alive.

Yang Yu will not tell Li Ruolan about these two people. They have something in common with the victims, but they are not exactly the same. You may ask the elder why they have something in common? Yang Yu's answer is: Yes, there are.

"I think we should find out the law of his killing, like last time." Li Ruolan thinks that the key to solving the perverted sex slave case last time is to find out the scale of murder. This time, he is also a pervert. Why not start from this point?

"I don't agree. I think we should catch the ghost!" Yang Yu said very seriously.

Poof!

It's Li Ruolan's turn to vomit blood. Is Yang Yu evil?

"Sister LAN, we only have one month to solve the case. Believe me." Yang Yu suddenly laughs and goes to please Li Ruolan, because he really can't find the time to do the investigation.

Li Ruolan coldly looked at Yang Yu, but still agreed: "you say, what do you want me to do."

"Help me find out who has drowned in the reservoir in the past ten years. It must be women!" Yang Yu said.

After listening to Yang Ruolan's "ghost" speech, did he take it as a murderer?

Yang Yu looked at the time. It was cloudy all day. It was getting dark earlier than usual, so he was ready to go back.

"Won't you stay for dinner?" Li Ruolan put the case aside and asked with a smile.

"No, the students are still busy making up lessons." Yang Yu got up and took a deep breath. Unexpectedly, the case of the water ghost was so complicated.

"Wait a minute. Don't be in a hurry. Just stay ten more minutes." Li Ruolan was lying flat on the bed at this time. It was not cold in summer. Sister Lan was wearing black silk stockings, which made her sexy.

"What can you do in ten minutes?" Yang Yu asked with a smile, of course, this sentence is a joke.

"Ten minutes can do a lot of things, such as" Li Ruolan eyes straight at Yang Yu.

Shit! Sister LAN doesn't mean cheating, does she?

"Like ten minutes?" Yang Yu simply Shun LAN elder sister's idea, jokingly said, of course, this thing Yang Yu really did not think about, because Li Ruoshui is downstairs, will come up at any time.

"You said that." Li Ruolan hasn't cheated with Yang Yu for a few days, but, really, her heart is itchy. No, her body is itchier.

"I'm kidding. Your sister will come up any time." Yang Yu doesn't dare to cheat under his nose. It's too dangerous.

"The more dangerous, the more exciting." With that, Li Ruolan stood up and walked towards Yang Yu. She looked at Yang Yu with her eyes straight, turned around in front of him, and then sat down on the table beside the bed.

Yang Yu swallowed deeply. He wanted to do it. He wanted to do it for Li Ruolan. Now, his body is calling like this. Especially when he saw Li Ruolan sitting on the table, it was a real provocation.

"It's too dangerous. If the water comes up?" Yang Yu is still a little afraid. Downstairs, Li Ruoshui and his family are all here.

But the second half of the sentence hasn't been said. Yang Yu sees that Li Ruolan is already taking off his black silk stockings. Suddenly, the beautiful leg is exposed, and Yang Yu looks silly.

"If you want to do it quickly, or my sister will come up and have no chance." Li Ruolan is well aware of Yang Yu's cheating psychology. He is afraid of wolves before and tigers after, so he simply forces him.

Yang Yu watched Li Ruolan pull the black silk to half, only showing a pair of underwear and half thigh. The beautiful thigh made Yang Yu jump in his heart, and then turned to look at the door. It was very quiet outside. It seemed that his girlfriend would not come up immediately.

As soon as he gritted his teeth, Yang Yu rushed over and grabbed Li Ruolan's thigh.

But at this moment.

There was a knock at the door.

"Sister? Yang Yu, have you had a good chat? It's time to eat. " Li Ruoshui knocked on the door and called out.

Yang Yu was flustered.

Li Ruolan is in the climax. How can Yang Yu stop? What's more, the door was locked, and my sister couldn't get in. She said to Yang Yu in a low voice: "don't stop, finish shooting."

Seeing that there was no answer, Li Ruoshui stopped knocking on the door and put his ear on the door. When he heard it, a sound came from the room, which made him curious.

As soon as Yang Yu finished shooting, he quickly pulled up his trousers. Li Ruolan immediately slipped down from the table and pulled up his underwear and black silk stockings.

"What are you doing in there? It took so long to open the door. " Li Ruoshui was puzzled when he saw his boyfriend and his sister's strange expression.

"It's about the case, of course, but it's almost over." Li Ruolan immediately changed. Yang Yu was just like a fool on the surface, but on the inside, he was just like a drowning river. When his heart beat, he was half scared to death."But I heard a crackling sound. What is it?" Li Ruoshui was still curious. How did the sound come out? Of course, she didn't think that way. How could she suspect that her own sister was just mating with her boyfriend in the room.

When asked this question, Yang Yu touches his head to hide his inner tension. He secretly glances at Li Ruolan. Li Ruolan, however, seems to be in a good mood. He picks up the scroll and turns it up very loudly. The cover of the scroll is made of plastic material. He closes it with force and slaps it together, just making a sound.

Li Ruoshui didn't doubt so much.

"It's just a case. It's up to you." Li Ruoshui takes a look at Yang Yu, thinking that the case is terrible and scared.

Li Ruolan immediately came over and held her sister Ruoshui.

"Sister, how did you bite your lips?" Li Ruoshui saw his sister come to hold him, only to find this detail.

Li Ruolan was stunned for a moment. She was a quick witted humanist: "I'm not angry with your boyfriend. I have to say it's a ghost. I want your sister to catch a ghost."

"Ha ha!" Li Ruoshui also laughed: "elder sister, don't pay attention to him, he is so nervous sometimes."

This conversation, Yang Yu did not hold a word out, all by Li Ruolan to the end, already sweating, a cold sweat ah.

Chapter 186

Where does Yang Yu dare to stay for dinner? I slipped home early.

Looking back on the scene just now on the way, it's really thrilling.

He hurried home for dinner, and in the evening he wanted to go to the village head's house to ask about the situation.

However, when the meal was only half finished, Li ruorong came. When she ran out of her house just now, she was not off work.

"Sister Rong, I'm really busy. I can't help you with this." of course, Li ruorong came here to ask Yang Yu to participate in the performance of the village troupe. Yang Yu thinks that it's not only a waste of time, but also with a group of aunts. How can he have the heart? What's more, Yang Yu was even more reluctant to perform for "leaders."

The most important thing is not to be too close to elder sister Rong. One elder sister Lan's cheating is more exciting and flustered for Yang Yu. If there is another Li Ruo Rong, it will really answer that sentence: if you don't die, you won't die.

Seeing that Yang Yu really didn't want to come, Li Ruo Rong also made so many excuses. It was useless to ask him to come. He gave him a hard look and said, "if you don't come, you won't come. I didn't ask you."

As soon as I saw Li ruorong, I couldn't afford to offend her. Her father was not only a secretary, but also a village official. It would be no good to offend her. I went forward to comfort her and said, "Miss Rong, Xiaoyu is not sensible. I'll tell him that I'll let him help."

"Auntie is OK. I'm not so narrow-minded. Does he like to come?" Li ruorong said with a smile, too lazy to give Yang Yu the same insight, turned to Li Yuanxi and said: "sister Yuanxi, let's go."

Poof!

The rice in Yang Yu's mouth spurts out, almost spurts Zhang meiruo's face.

I made a list, didn't I? Cousin Li Yuanxi also went? Why didn't you tell me? How can I not go if my cousin goes? I would love to see my cousin dancing. Such a good opportunity, with my cousin can learn from the next life, is a wonderful thing.

Yang Yu was found in the pit.

"Sister Rong, the country needs me. I'm sure I'll stand up. Patriots like me are full of blood. If you say a word, don't just participate in a program, you can let me fight on the front line. I'll go upstairs and get my guitar. We'll go right away." Yang Yu immediately put down his chopsticks and ran upstairs.

All the people are there.

"Sister, is cousin stupid?" Second cousin see cousin attitude suddenly 180 degrees change, is not silly can also how?

Before long, Yang Yu came down with his guitar on his back.

"Let's go." Yang Yu suddenly became excited. Li ruorong wondered what kind of tricks Yang Yu was playing?

"Come if you want, or not?" Li ruorong angrily replied, isn't this playing with me?

"Sister Rong, I'm wrong. I'm really wrong. I didn't realize enough before." Yang Yu felt his head and pretended to be a fool.

"It's a mystery." Li Ruo Rong replied and gave up.

Li Yuanxi also went upstairs to take the clothes, and the three went to the village office building.

The administrative office building in yunu village is not a big house, a luxury house or a villa. The old house has been redecorated, but the area is very large, and different departments are completely separated.

Li ruorong led the team and bypassed the front room, with another one behind.

Then Yang Yu discovers that there is a big room in front of him with bright lights. When Yang Yu goes in with Li ruorong, he suddenly feels that life will be better.

Oh, my God.

How can life be so beautiful?

Yang Yu has always thought that he came to dance Yangko with his aunt. He never thought that he was the one who came here? In addition to the two goddesses of Li Ruorong and cousin Li Yuanxi,

also had the ice queen's cold snows and four women. Each of them was beautiful and flowery, and the beauty of the sky was perfect. There was no local flavor of the country girl, the generous beauty of the townspeople, but also the true to the pure.

"Sister Rong and Yuanxi, you are here, too." In addition to a few people who were not familiar with the

cold village, Xiao said.

"Everyone is here. They are all from our village. Basically, we all know each other." It seems that here, she is also the oldest, plus she is the organizer, temperament is so powerful, everyone naturally listen to her.

Yang Yu quickly raised his hand and said foolishly, "sister Rong, I don't know some of them."

"Well, I'll introduce them all." Li ruorong, like her elder sister, first looked at Yang Yu and said to everyone, "this is Yang Yu, a teacher in our village. Last time he led our school basketball team, he beat Shangtang middle school. He can also play guitar and sing very well. Last time, he also cracked the sexual abnormality case in the village. Of course, the most important thing is that he is my sister Li Ruoshui's boyfriend. Can you help me Don't try to make any bad ideas. "

"Hello, everyone." Yang Yu had to say hello politely.

"Teacher Yang is so famous in the village, we have known for a long time, but we have never had the chance to know each other." The girl was almost the same age as Yang Yu, her lips were red, her skin was white, and her hair was stained. It looked like a Bobbi doll, just like a white woman applying red lipstick, but she was born."Now I'll give you a chance to meet her. Her name is Yu Xin and her nickname is Barbie doll." Li ruorong pointed to the girl who was talking just now.

Li Yuanxi and Leng Xiaoxue have known each other for a long time, and they have been brought by a pen.

"This is Hua Yuyan, my best friend and my best friend." Li ruorong introduced.

Yang Yu looked at it for a while. Damn it, he exclaimed. This yunu village is really crouching tiger, hidden dragon. Unexpectedly, there are so many beauties hidden.

This Hua Yuyan, dressed in fashion, also hung a big earring, the figure is excellent, wearing a tight vest, the breast of that pair of milk suddenly out, this looks, feel e cup cover ah.

"Hello, I've heard so much." Hua Yuyan not only has a pair of big breasts, but also a pair of big eyes, which will discharge.

"Although my sister is called the village flower." Li ruorong interrupted: "but my best friend is called the milk God by the men in the village. Ha ha."

"Well, do you want to die?" Hua Yuyan chases Li ruorong and claps. She is called the milk God of Yunv village. She really doesn't know whether it's a good thing or a bad thing.

In front of all the people, Yang Yu didn't dare to peek at the giant breasts. However, after listening to Yu Sao's secret of bathing in the river last night, Yang Yu looked at these women as if they had taken

aphrodisiac, as if they were seducing themselves, and as if they were bleating like a female cat in spring.

God, am I hallucinating? Or is it too much?

The two beauties Yang Yu was deeply impressed, especially sister Rong's best friend Hua Yuyan, who let Yang Yu see the spring heart. In addition, there were two beauties whose personalities were not so prominent. After a brief introduction, Yang Yu still focused on the milk God.

"Let's sit down and discuss what we should do." The room is very empty. There is a sofa in the corner. It seems that the manager of this place has already come out as a rehearsal room.

"Since it's the instruction above, it must be praising the motherland. What a red flag is flying. Today is your birthday." When Yang Yu said this, he didn't know whether he was sincere or sarcastic, even he didn't know.

"OK, no problem. Go up and sing I love you China. I'll ask some aunts to dance Yangko with you. We're not going anyway. " Li ruorong is also a goddess. She has a sexy figure and outstanding face. Do you want me to dance Yangko?

Are you blind?

"We sing and dance popular." Li if Rong disdains of say, that meaning is obvious however, elder sister is to walk sexy route.

"Isn't it? Is it up there?" Yang Yu is puzzled. What kind of activity do you do? Don't you want to die?

"I don't care whether he does it for me or not. I'm just going to make an errand." Li ruorong just ignored those leaders. They can do whatever they like and they can do whatever they like.

Sister Rong, why are you holding it like this?

Elder sister Rong, this is officialdom. Why don't you praise the motherland? Play pop, this is the rhythm of death.

Yang Yu cried. Forget it. Anyway, he is not an official.

"We're going to have a dance." Li said.
