

Sensualist's

Chapter 199

Bai Xue didn't even have time to say goodbye. Her second sister-in-law has already opened the door.

At the same time, Yang Yu grabbed his underpants and outer pants, fell to the ground one by one, squatted one by one, rolled one by one, and rolled under the bed.

Second sister-in-law came in.

"Snow white, why are you so pale? What's the matter?" The second sister-in-law saw that the whole person of Bai Xue had no soul, and she asked curiously. Then she found that Bai Xue had no clothes on her upper body, and her two breasts were still hanging outside. She immediately laughed and said, "Oh, I didn't expect that you still like sleeping naked, and the second sister-in-law also likes sleeping naked."

"Ha ha." Snow is barely squeeze out a smile, and secretly looked down, Yang teacher hiding under the bed, has been scared, a word can't say.

Second sister-in-law closed the door to avoid being seen. Then she came and sat on the bed.

Yang Yu is naked and lying under the bed. There are cobwebs under the bed. It's really hard to say. Looking at it, Yang Yu sees her sister-in-law wearing slippers. He can only see her legs and prays not to look under the bed.

"Second sister-in-law, why don't you sleep?" Bai Xue finally calmed down for a while, but her heart is still bouncing. Don't be found by her second sister-in-law that Miss Yang is hiding below. That's the end of her life.

"Don't mention it. I just had a fight with your second brother. My sister-in-law is sleeping with you tonight." The second sister-in-law is still sulky. The reason why she is angry is that she wants to love her husband, but her husband is sleeping. When she gets angry, she scolds a few words, and they quarrel. In a fit of anger, the second sister-in-law runs to Bai Xue.

Snow White's parents sleep downstairs, snow white and Snow White's two brothers sleep upstairs, the new house has not been built, so ah, this is three families, are crowded in this big old house, fortunately, the house is big, many empty rooms.

"Ah? Sleep here?" Bai Xue is going to cry. You are sleeping here. What about Yang Yu? He's still hiding under the bed.

But shouldn't it be Yang Yu under the bed who should cry?

I made a list. Yang Yu is going crazy. Do you sleep here at night? What should I do? Sleep with you under the bed for a night? Yang Yu is beating his chest and feet. His lower body is still naked. It's cold in the

countryside at night, and his buttocks are not red.

Please leave quickly. I thank your ancestors of the 18th generation. Yang Yu is so anxious that he rushes out to scold her. They are all men who have husbands and come to sleep with her. Are you ashamed?

But Yang Yu has no face to go out? It's like shaking outside with a big stick naked, isn't it?

"Why are you so surprised? Can't my sister-in-law stay overnight?" The second sister-in-law is still strange. She has come to sleep before, and she has never had such a big reaction.

"Yes, yes." Can snow white say no? Can say you go back quickly, teacher Yang is still under the bed, if you don't go back, people can't go home, can you say so?

"It's just a fight. Sleep or sleep with the second brother. It'll be OK in the morning." Bai Xue tries to persuade her sister-in-law to go back.

"No, he came to ask me to give him face. If not, I'll sleep here." With that, the second sister-in-law threw her slippers and got into the bed.

See two snow directly to cry.

"I'll go to my second brother and ask him to pick you up." Snow white can't let sister-in-law sleep here.

But the second sister-in-law grabbed Bai Xue. She didn't know Bai Xue's good intentions. She cried: "don't go, turn off the light and go to sleep."

Bang, really turn off the light, and then, pull snow, directly into the bed to sleep.

It was dark in the room.

Under the bed, it's even darker.

Three people, three minds.

Snow white, thinking: teacher Yang is under the bed, how to do? How to persuade the second sister-in-law to go back to her room?

Second sister-in-law, thinking: no love for a week, suffocating me, still do not do, or newly married, how to live in the future? I'm only twenty-two years old. I haven't been hungry and thirsty for such a long time. I can't. I'm going to steal men.

Yang Yu, thinking: NIMA, will there be mice under this bed? I'm not afraid of anything, not afraid of snakes, not afraid of tigers, not afraid of hooligans, I'm afraid of mice! Nima, don't have a mouse. I won't steal fishy in the future. I'll be under the bed and cry.

The night is slow, the night is long.

"I didn't expect snow white, your milk is still growing well." If you don't go back and forth, you can talk.

Snow white can't sleep any more, the heart is flustered, where can you still fall asleep?

"My second sister-in-law laughs at me. I'm still growing. I'm much younger than my sister-in-law." Snow White is perfunctory. She is still thinking about Miss Yang under the bed. Miss Yang will stay under the bed all night tonight.

"Look what you said. Tell your second sister-in-law if you have a boyfriend?" Second sister-in-law began to talk about this content.

"Ah? Second sister-in-law, I'm still young. I don't want a boyfriend The first half of Bai Xue's sentence is a lie, and the second half is not true. What's small? They were all broken by Mr. Yang. Just now, he was still in bed. He didn't want to find a boyfriend. That's because Mr. Yang has a girlfriend. Otherwise, he would like Yang Yu to be her boyfriend." "What's the matter? I'm almost 16 years old. When my sister-in-law was your age, she was broken." Second sister-in-law this opening, unexpectedly said to leak mouth, hastily pretended to smirk: "you can't say this matter with your second brother."

Bai Xue giggles. She doesn't care about her second sister-in-law now. She is thinking about Miss Yang under the bed.

Yang Yu's legs were numb and his buttocks were cold. Yang Yu didn't dare to lift it. He was afraid of making a sound. He was found by the second sister-in-law above. But he was kneeling on his knees. It was really painful. Yang Yu wanted to turn over. As a result, his legs were too numb. With a slap, he directly touched the board.

"Who? Who's under the bed? " Second elder sister-in-law roars.

Suddenly, Yang Yu under the bed panic, did not expect to be found, this is going to be miserable, hurry to find an excuse.

Or snow brain turn fast, quickly pulled is going to turn on the light of the second sister-in-law, said: "just a mouse ah, second sister-in-law don't be nervous."

The second sister-in-law pricked up her ears and found that there was no sound, so she did it.

Yang Yu and Bai Xue are relieved at the same time. It's so dangerous.

Steal a fishy, NIMA is really not easy, next time no longer steal fishy, good way to do girlfriend, so go on, NIMA, small heart will jump out.

Night slowly, also don't know how long, Yang Yu also don't have the concept of time.

Feeling that snow white and her second sister-in-law had already snored, Yang Yu was ready to go out and stay under the bed for a night. In case of a mouse coming out, he might as well catch a rat on the spot.

Yang Yu is naturally afraid of mice. It's strange that such a strong man is not afraid of snakes. How can he be afraid of mice? I don't understand.

Yang Yu didn't dare to breathe. In the dark, he could not see anything. It was so quiet that he could hear the needle falling to the ground. Every time Yang Yu climbed, he would pause and listen to the movement.

It's just like the Red Army's Long March. It's not easy to climb out and get ready to open the door. I hope I don't disturb my sister-in-law.

Yang Yu has never felt so nervous, which made him nervous even more than Lin Yina on the wedding night, but he just took a step.

Bang!

Nima, the light in the room is on.

Yang Yu slowly turned his head and looked to the bed. Bai Xue's second sister-in-law was looking at herself in horror, and Bai Xue's face was finished.

"Who are you? What's in Snow White's room? " The second sister-in-law asked suspiciously. She heard the voice and saw the figure. She turned on the light in a hurry and found a man standing in the room.

The man's lower body is still naked, with pants in his hands, ready to slip out.

The second sister-in-law was ready to shout, but she suddenly glanced at the big guy under Yang Yu's crotch. She was still strong, and was several times stronger than her husband's guy. The second sister-in-law suddenly looked silly.

Is there a man like that in the world? I've been eating salt for nothing these 20 years.

"Hi. "Yang Yu is about to cry. He can't find any reason to be forced to ask. He can only pretend to be a fool, shake his head, smirk, and even say hello?

You Yang Yu also have today? Let you steal! Get caught.

Yang Yu finds that Bai Xue's second sister-in-law keeps staring at her lower body and covers it with her hands and pants.

The second sister-in-law was only dazzled by this cover.

"Who are you? Why are you here?" It wasn't long before Bai Xue's second sister-in-law got married in this village. Most of the people she didn't know, and naturally she didn't know Yang Yu. She had already recognized Yang Yu because of his fame in the village.

"I am, I am." Yang Yu touched his head, but he couldn't think of it. He didn't know which one was wrong. He replied, "I'm a thief. "

I made a list, which is probably the stupidest reason in the world.

"Did your thieves come out to steal with their pants bare?" Of course, second sister-in-law doesn't believe it. Who are you fooling? But the second sister-in-law's brain didn't turn so fast. As soon as he saw it, he knew that Yang Yu was hanging naked. Who else do you think he could be?

But at this time, Yang Yu found that Bai Xue and her second sister-in-law were sleeping naked. As soon as they sat up, half of the milk was exposed. Yang Yu took a few glances. The second sister-in-law responded and quickly pulled the quilt to block the milk.

Bai Xue is afraid to speak. As soon as she speaks, her second sister-in-law immediately connects Yang Yu with herself and lets her second sister-in-law think that she doesn't exist.

"I know who you are." The second sister-in-law suddenly turned her head and looked at Bai Xue. Bai Xue was embarrassed with a silly smile: "he didn't fall in love. Is he your boyfriend? No wonder he wanted to drive his sister-in-law away. He was hiding under the bed. I heard you crying and howling outside. You were shooting just now. ha-ha. "

"second sister-in-law. "Snow White is a charming girl. She also knows that her second sister-in-law is not mentally retarded to that point. She will guess it sooner or later.

"It's normal for you to do this when you were so old." As soon as the second sister-in-law had finished her sentence, she found that she had let slip, and she immediately began to laugh foolishly. Yang Yu was standing there foolishly. Fortunately, the second sister-in-law didn't know herself. Let's find a reason to muddle through.

The second sister-in-law turns to look at Yang Yu again. Unexpectedly, Bai Xue finds such a handsome boyfriend, who is far away from her husband. She is very happy and goes to the place where Yang Yu lives.

When Yang Yu saw that his second sister-in-law was looking at him, especially the guy with a lewd face who was looking at his next file, he quickly covered up and stood there laughing foolishly. Don't refute her words, how to refute, say to her: I'm not Snow White's boyfriend, I'm her teacher, really come to fight with her?

The second sister-in-law didn't get angry when she heard that. The three words "boyfriend" are really useful. They suddenly become the banner of women who can work for nothing.

"Your boyfriend is really handsome. No wonder he is pink. It turns out that there are always men moistening him. You are much happier than your second sister-in-law. "The second sister-in-law looks envious. She is so envious of Bai Xue. She not only has such a handsome boyfriend, but also has such a big guy, which makes the second sister-in-law panic.

"Second sister-in-law, don't tell my parents and brother about this. If they know about it, they will kill me. "When Bai Xue sees that she is wrong, and her second sister-in-law thinks that teacher Yang is her boyfriend. When she praises her boyfriend for being handsome and big, Bai Xue's heart is full of happiness. She takes a sneak look at Yang Yu and is even happier when she sees that Yang Yu doesn't retort.

"Don't worry, the second sister-in-law won't tell them, but you can give her some good. "The second sister-in-law doesn't want to let go of this handsome elder brother for nothing. Besides, she is hungry and thirsty tonight. She just tossed and turned in bed, and still hasn't fallen asleep. She just wants to be a man.

Just now I was praying in my heart: God, please give me a strong man.

As a result, NIMA, there is really a strong man, even if he is Snow White's boyfriend, she would not let it go, but she asked for it.

"What does sister-in-law want? "Bai Xue can only follow her second sister-in-law in everything, and coax her first.

"Ha ha. "Second sister-in-law is a little shy, secretly glanced at Yang Yu, very embarrassed said:" snow, you see, can you borrow your boyfriend for one night. "

poof!

Yang Yu's blood gushed out.

Chapter 200

Even white snow listened to this words all listen to silly, this boy friend how can so borrow? I thought to myself: second sister-in-law, how can you be more thirsty than me? It's a shame.

, but this woman is her own sister-in-law. Do not agree? If she says, she will be scolded by her parents. Can she promise? It's not her has the final say, and Yang Yu will not agree. Let alone, how can she get her boyfriend to accompany her? This NIMA is not incest?

"You have to ask my boyfriend about it. "Bai Xue has to throw this hot potato back to Yang Yu.

Yang Yu heard this, the fool all understood the meaning, but this what with what? How can my sister-in-law borrow Snow White's boyfriend for one night? Nima, are you so thirsty? Where's your man?

However, he turned around and looked at Bai Xue's second sister-in-law. At least her upper body looks very white. Her appearance is the standard. Is it the national average? Is it not dry? It was delivered to the door anyway.

Just, in case the work is half done, what happens when the second sister-in-law and her husband come? Isn't that more unclear?

Don't you agree? Look at the posture of the second sister-in-law. Don't you threaten yourself?

It seems that this peach blossom robbery will never escape.

"Second sister-in-law, snow and I want to keep it from others. If you don't tell me, I'll lend you one night.

"When Yang Yu looks at her jealous eyes, it's more difficult for her to say that.

"Ah. "The second sister-in-law was very happy to hear that. She had never been with such a handsome man in her life. She was so excited that she turned her head and said to Bai Xue, " Bai Xue, do you mind lending your boyfriend to your sister-in-law for one night? Oh, it's all my family. Just lend it for one night, OK? Tomorrow, he's still your boyfriend. "

the second sister-in-law coaxes Bai Xue. After all, this requirement is a bit excessive, but she is really suffering and can't hold it.

"It's your boyfriend tonight. "Snow White is really generous. She's very happy. Anyway, Miss Yang is not her boyfriend. Now she's spending another night with her. Why not?

"I knew you were the best in this house. "The second sister-in-law was so happy that she turned her head and looked at Yang Yu. The more she looked, the more she liked him. She urged, " Hey, it's freezing outside. What are you doing? Come to bed. "

Yang Yu is really in a dilemma, isn't it? How can I feel threatened. Is this bed going up or not? Go up, I'm afraid I'll be slaughtered as a pig. If I don't go up, I can't stand here foolishly, can I? Yang Yu looks at Bai Xue, who doesn't seem to mind.

But Yang Yu does mind. He's going back tonight. His second sister-in-law's eyes look like a wolf. Yang Yu suspects that he is the lamb.

"Your boyfriend is shy. Snow white, tell him to come up." The second sister-in-law sees Yang Yu in a dilemma and knows that she can't be too reckless. She is shocked by her husband, so she has to ask Bai Xue.

Bai Xue's eyes turn around. Instead of the second sister-in-law telling her parents that she was beaten, she would rather let Miss Yang accompany her for one night. She didn't suffer a loss. She didn't expect that the second sister-in-law was so hungry and thirsty and only wanted to occupy others. Who made Miss Yang so handsome.

"Yang..." Snow almost called out teacher Yang, quickly corrected: "dear, you come up quickly."

White snow all said so, Yang Yu still hesitates what?

Then she climbed up, and her second sister-in-law suddenly felt happy. She kept looking at Yang Yu's place, turned her head and quietly came to Bai Xue's ear and said, "your boyfriend is really big. You are really lucky.

Put out the light, Yang Yu lying in the middle, bed is small, second sister-in-law and snow is almost completely close to their own, Yang Yu feel strange.

Before long, the bed was creaking and swaying. It felt like it was going to collapse. Hit the wall, regular banging.

Dong Dong!

There was another quick knock at the door.

Nima! At this time, Yang Yu woke up and panicked again. Her second sister-in-law was still on her own. However, her second sister-in-law did not hear the knock at the door and was completely immersed in the carnal carnival.

But the most panic here is snow white. He and his second sister-in-law are doing this kind of thing with Mr. Yang in bed. It's just promiscuity. If big brother finds out, what a shame.

"Who? I'm asleep. " Snow White knows it's no good not to answer. Fortunately, my sister-in-law doesn't have the key to this room, while my sister-in-law has the key, which is kept as a backup.

"It's my sister-in-law. What are you doing in there, snow white? Why are you banging?" It's really the sister-in-law in the next room.

Snow White is crying now. But it's Yang Yu who should cry more. Who should I invite? Who should I make people sleep this night?

Second sister-in-law also slowly recovered from the pleasure, a beat on the forehead, sister-in-law came? I'm scared. My sister-in-law is a shrew. The whole family was afraid of their sister-in-law, who was so angry that nine cows could not hold them. It's a man among women. The second sister-in-law has to be obedient, not to mention snow white.

"I'm catching mice." Snow White found a reason at random. Yang Yu and his second sister-in-law were hiding in the quilt and did not dare to hum a word, especially his second sister-in-law, who was very arrogant just now and is now like a grandson. "Open the door first, my sister-in-law is looking for you." My sister-in-law was shouting outside.

My sister-in-law asked you to open the door, but Bai Xue didn't dare to say no.

Chapter 201

What should I do?

Bai Xue looks at her second sister-in-law, and her second sister-in-law looks at Yang Yu. Yang Yu looks innocent and murmurs: do you want to hide?

"Get under the bed." Second sister-in-law rushed to push Yang Yu.

The elder sister-in-law had already urged him outside. Yang Yu was urged. Before he could put on his underwear, he went under the bed for the second time.

Turn on the light. Open the door.

"Snow you" sister-in-law rushed in, just want to talk, but found that the second sister-in-law is also naked, is silly to smile at himself.

"Sister-in-law, you still..." The second sister-in-law was obedient in front of her. My sister-in-law is not only a shrew, but also a first-class one in the village.

"Second sister-in-law, why are you here?" The elder sister-in-law was very surprised. Bai Xue had climbed into the bed again. They were sleeping together, but they were not dressed. When she patted her forehead, she instantly understood what was going on just now. She couldn't laugh or cry and said, "Bai Xue, second sister-in-law, how can you like women? Oh, if it goes out, the face of our ancestors will be lost."

Poof!

Yang Yu, Bai Xue and second sister-in-law vomited blood almost at the same time.

This sister-in-law even suspects that Bai Xue and her second sister-in-law are doing lace?

This country shrew thought is so advanced? You know something like that?

Bai Xue and her second sister-in-law want to cry without tears. What's in her mind.

Yang Yu hiding under the bed, have been laughing down, has been forced to bear a smile, this sister-in-law is too humorous, this was her to think out? Yang Yu beat his chest and covered his mouth. He was

already lying on the floor laughing.

"Sister-in-law, where do you want to go? I just quarreled with my second brother and came to sleep with Bai Xue. We both like to sleep naked, so you think so." The second sister-in-law quickly explained that there was a big misunderstanding.

"Ha ha. "The elder sister-in-law closed the door first, sat on the side of the bed and said with a smile," just now I heard the creaking sound of the bed, and also heard a woman calling. I guess, Bai Xue must have a boyfriend. I think she'll take her home quietly for the night. I just want to teach her. I didn't expect that it's the second sister-in-law. You're catching mice. I think it's wrong. "

After hearing this, Bai Xue's face turned ugly. It's really dangerous. The sister-in-law and her mother are angry from the same nostril, and they are determined not to fall in love with each other. If she is known to bring teacher Yang back to do that, she has to peel her own skin.

Yang Yu also secretly said that it was dangerous. Unexpectedly, the elder sister-in-law came to catch her. She was so flustered.

"Sister in law, you can rest assured with your mother that I haven't made a boyfriend." When Bai Xue tells a lie, she doesn't dare to look at her second sister-in-law. She is looking at Bai Xue in surprise and thinks to herself: I didn't expect that Bai Xue's heart doesn't jump and his face doesn't turn red when he talks about lying. Your boyfriend is hiding under the bed now.

"If you don't, I'm afraid you'll be cheated by those smelly men." Like Bai Xue's mother, the eldest sister-in-law is a very traditional woman and a serious opponent of premarital sex. What's more, Bai Xuecai's junior high school is in sharp contrast to her second sister-in-law.

Therefore, the second sister-in-law has a better relationship with Bai Xue, and the eldest sister-in-law has a better relationship with Bai Xue's parents.

Birds of a feather flock together.

"Ha ha. I'm still a virgin. Don't worry, sister-in-law. " Snow White had no choice but to tell the lie to the end. When she said this, even she felt ashamed.

Second sister-in-law heard, almost spray out, more surprised looking at snow, thought: you are still a virgin, you have been under the bed of the boyfriend dry over, still a virgin? When it comes to lying, it's better than me.

Bai Xue is more embarrassed by her second sister-in-law.

Yang Yu under the bed, also have to admire Snow White lying Kung Fu, really is not shy ah, this kind of words are said? I was sitting on my body just now, and I was smoking together.

"It's OK. Sleep. Sleep." The sister-in-law was ready to leave.

Second sister-in-law and Bai Xue were relieved at the same time.

Yang Yu under the bed was finally relieved, but at this time, a mouse crawled under the bed.

There is a kind of person in this world, who is not afraid of heaven and earth, and the emperor's grandfather doesn't pay attention to him, but he is afraid of mice.

This person is Yang Yu.

Ah!

When Yang Yu saw the mouse, he suddenly screamed. His head was blank and he forgot everything. He ran away and came out directly from under the bed.

"There are mice, there are mice..." Yang Yu came out from under the bed, shouting all the way, holding his pants in one hand and pointing under the bed.

Suddenly, the room quieted down.

Everyone, it feels like something's wrong.

Yang Yu turns his head slowly and finds that his sister-in-law, second sister-in-law and Bai Xue are looking at Yang Yu like an idiot.

Yang Yu covered his lower body with his hand and said hello to everyone with a smirk: "Hi, everyone."

Elder sister-in-law, second sister-in-law, Bai Xue, with a black face, thought at the same time: is this man a fool?

"Snow White!" The elder sister-in-law yelled, and everyone was shocked immediately. Her face was very ugly: "I just wanted to praise you, so you give her a golden house to hide her? Still naked? "Snow White immediately lowered her head, worried: finished, finished, now really finished, to be killed by her mother.

"Sister-in-law, things" sister-in-law is also afraid of sister-in-law, but also want to say a good word to Bai Xue, but the words haven't been said, sister-in-law to stop.

"Second sister-in-law, you are really cheating me with Bai Xue. I just said that there was something wrong with the voice just now. You even stole the man with Bai Xue. What can I do when the second brother knows?" The elder sister-in-law was so angry that she turned her head and glared at Yang Yu.

Yang Yu can only bow his head, obediently standing in the place where he was scolded by his second

sister-in-law, without saying a word, thinking: it's really an ill fated Road, I shouldn't send Bai Xue home, I shouldn't go upstairs, I shouldn't dry Bai Xue, I shouldn't let my second sister-in-law ride on it, I shouldn't yell when I see a mouse! Now something really happened. When snow's two brothers came and snow's parents came, they knew about it. It was over, it was over, it was over.

"Sister-in-law, I really didn't know there was someone under the bed. When I came, I was Snow White alone." The second sister-in-law quickly excused herself. If her husband and his parents knew that she had stolen a man, they would never want to have a place in the family.

"Who are you? Snow White's boyfriend?" After scolding Bai Xue and her second sister-in-law, the elder sister-in-law just sat back on the bed. Looking at the posture, she was ready to have a good training.

My sister-in-law has been married in the village for many years. She also knows the name of Yang Yu. In her village women's circle, Yang Yu is the person they want to gossip about every day. In particular, the size of the guy about Yang Yu has been mythologized in this village. It's amazing.

But my sister-in-law has never seen Yang Yu's real face, so even now she doesn't know Yang Yu standing in front of her, but she knows there is such a man with a big fork.

"I" Yang Yu can't dare to report his name. As soon as it comes out, it's over. He can't say: I'm Snow White's teacher. I'm here to make up lessons for her. Do you believe me?

Trust your sister, do you need to take off your pants to make up the lesson? My sister-in-law will definitely think so.

"What are you? Tell me, whose child?" My sister-in-law is like a child, but she is more than ten years older than Yang Yu. She is about the same age as Han and Yu, so although Yang Yu is in her twenties, she still thinks she is a boy.

Yang Yu reached out and touched his head. This time, the whole guy didn't cover up and showed up completely.

Poof!

My sister-in-law vomited blood.

God, how could there be such a big life in this world?

Is this the man called artifact that village women discuss everyday?

"Are you Yang Yu? Miss Yang?" My sister-in-law opened her eyes and looked at Yang Yu strangely. She suddenly saw the male god in her heart and couldn't restrain her excitement.

Yang Yu yells in his heart that it's not good. Your sister is recognized? How on earth do you recognize

me?

If Yang Yu knew that he was recognized only because of his loser, he would cry angrily; if Yang Yu knew that he was just their God in the eyes of these village women, he would not only cry angrily, but also jump off the building.

I'm a beautiful man. I've become a woman killer in Yunv village?

"Are you really Yang Yu? Oh, why didn't you say it earlier? Look at me. I was so offended just now. Don't mind. I'm a rude man, ha ha." My sister-in-law's attitude has changed dramatically.

The second sister-in-law, snow directly to see silly.

Especially the second sister-in-law, she doesn't know who Yang Yu is and how attractive she is in this village. Even the shrew's sister-in-law is also fighting for you?

The second sister-in-law turns to look at Bai Xue again, which seems to mean: you cheated the second sister-in-law just now, what? Your boyfriend is clearly your teacher.

Bai Xue really can't even cry. What happened tonight is too much for Niema's father. She didn't take Mr. Yang upstairs when she knew. Bai Xue is too late to regret.

Yang Yu is as like as two peas. What is the attitude of this sister-in-law? Why does this look like the same two sister-in-law? Do you? Do you? Nima, No.

Chapter 202

My sister-in-law turned her head and white eyes, and the second sister-in-law and Bai Xue clearly wanted to say: steal a man and don't call her sister-in-law. I'll see how I teach you two bastards tomorrow!

The second sister-in-law and Bai Xue immediately lowered their heads by the first sister-in-law.

"Mr. Yang, it's so late, or you can stay and sleep in the evening. The bed is crowded by four people, and it's warm." She said with a smile.

Wait, how many people?

Did I hear you right? Four people? Four? Isn't NIMA three or two?

Second sister-in-law and Bai Xue are equally surprised. They think they have heard wrong. Four people? My sister-in-law wants to sleep with us, too? I can't stand this bed. But sister-in-law is not such a person. She is a good woman.

When sister-in-law talks, her eyes are always staring at the guy under Yang Yu's crotch. She is fascinated.

Although Yang Yu covers part of it, her eyes are straight because of the black and coarseness.

The second sister-in-law was relieved and thought to herself: I didn't expect that my sister-in-law was so hungry. No wonder, which woman can stand up to the thirty tigers?

Bai Xue is the most embarrassed. Her two sisters in law are so hungry and thirsty, especially her sister-in-law's performance is beyond her expectation. She has been teaching herself to keep clean. How can she suddenly say such words.

"The bed is small. I'm afraid it will collapse. I'd better go back first." Yang Yu wanted to go back. His bed is big and strong, and there won't be three women on it. Yang Yu is going to cry.

"If you want to go to sleep, you can go to sleep. Before my sister-in-law came, didn't you also sleep here?" The elder sister-in-law looked at Yang Yu and licked her lips from time to time. Yang Yu was afraid.

Is it going to die here tonight.

The elder sister-in-law said that she would sleep here. How dare Bai Xue and the second sister-in-law say no?

As soon as the light was off, the sister-in-law took off her body and pulled Yang Yu into the bed.

Bai Xue was pushed to the inside, then the second sister-in-law, and then Yang Yu, the eldest sister-in-law sleeping on the outside.

"The women in the village say that Mr. Yang's guy is big. I don't believe it. It's really worthy of the name just now. No wonder you can deal with our snow white." The elder sister-in-law happily stretched out her hand and quietly pulled Yang Yu's hand over and put it on her own milk.

"What do you say, sister-in-law Hu?" Snow white really wanted to cry about this continuous encounter tonight, but she couldn't cry. Her two sisters in law came to bomb in turn, but they didn't cheat.

Yang Yu was lying there with a stomach full of gas in his heart. He had been lying under the bed twice and was scared to death by the mice. He had never been so subdued in his life, especially in front of women.

This initiative, I have to take back, when I became your vent animal in bed? What's more, I have to go home to sleep. I have to squeeze a bed with three women. Where can I sleep?

"Two sisters in law, I have to go back. It's really wrong for me to cheat you. Otherwise, I'll make you feel better once. You'll let me go and treat me as if nothing happened tonight. Do you think it's ok?" Although Yang Yu is not afraid of the second sister-in-law's threat, they are more shameful than themselves. However, to be a man, you have to give others face first, and others will give you face.

If you respect others first, they will respect you. Although it's said in this bed, don't feel strange.

Two sister-in-law a listen, that of course happy, and is not a fool, this snow has been done by teacher Yang, said out to no one good ah, why bother nothing to look for trouble, others snow himself did not say not happy. Why bother? Who is Yang Yu in the village?

Village woman killer.

Everyone is looking forward to the charming man who fits him. Now this man says that he should take the initiative to do himself. It's like pie falling from the sky.

"Look at what Mr. Yang said, is it cheating? It's not right for everyone. It's just, Mr. Yang, you understand us. We are not satisfied. So, hehe, in this bed, we listen to men and men." After listening to the second sister-in-law, she was not allowed to be the host.

The thing that Bai Xue is most afraid of is that she is afraid that her parents will know that she has been broken by teacher Yang. They will be killed alive. Now that she hears that she has a solution to this problem, she will be relieved.

.....

After a long time, Yang Yu put on his clothes, looked back at the three women who had been completely conquered by himself on the soft couch. With a faint smile, he opened the door and left.

Nima, as soon as the door was closed, the bright light of a flashlight hit her face.

"Miss Yang, why are you here in the middle of the night?"

Yang Yu uses his hand to cover up the light of his naked eyes. When he looks at it, he turns out to be snow white's mother.

Why doesn't your family sleep in the middle of the night?

"I..." Yang Yu himself just came out of Bai Xue's room. He must have been seen by Bai Xue's mother. What excuse can he make? If Bai Xue comes into the room and sees that her two second daughter-in-law and woman have just been laid down by themselves and are as soft as a dead pig on the bed, why don't they cut themselves to death with a firewood knife?

"To make up lessons for Bai Xue? Mr. Yang, look at you. I'm sorry to say that. You are a good man Snow White's mother said gratefully."Ha ha." Besides hehe, what else can Yang Yu say?

When he left Bai Xue's house, Yang Yu was relieved and prayed that Bai Xue's mother would never enter Bai Xue's house.

It's 30 o'clock.

However, there were still two people in my aunt's house.

Zhang meiruo and Han Qingfang.

These two girls are best friends. They usually sleep together and often sleep together. It's a coincidence that they sleep together tonight. Now they are in bed and whispering, while Yunxi and Shen Feifei on the other bed have been sleeping soundly.

"Hello, Han Qingfang, are you broken?" Zhang meiruo asked softly.

Han Qingfang and Zhang meiruo have nothing to say. They often talk about men together, but they don't ask such things directly.

Han Qingfang thinks about it for a while, remembering that night when she was broken, she was exhausted by Yang Yu. She really wanted to be immortal and die. It was the most beautiful time in her life.

"Well, it's broken."

"Ah?" Zhang meiruo is obviously surprised by this answer. She has been keeping pace with Han Qingfang since she was a child. Even her academic performance is almost the same. But suddenly Han Qingfang has broken down, which seems to disturb the balance between the two.

Zhang meiruo thought: even Han Qingfang has broken, Zishu and Baixue have broken, most of the girls in the class have broken? Just me?

"And you?" Han Qingfang did not know that Zhang meiruo would be so surprised and complicated when she heard her answer, so she asked casually.

Zhang meiruo is puzzled by this question. She is actually a virgin. But she feels very shameful. She looks so beautiful. In the competition with Han Qingfang, she always has the upper hand. Her family condition, study and appearance are better than Han Qingfang. Han Qingfang always plays the role of catching up. But suddenly, she breaks the matter and lets Han Qingfang take the lead. We have the first chance.

Women's feelings of comparison and jealousy are very heavy, especially Zhang meiruo, who grew up in a rich and influential only child family environment, has always been aloof, aloof and self-centered.

How can it be worse than Han Qingfang? But also lost to the purple Shu and snow, Zhang meiruo very unconvinced.

"I broke it, too. It hurts." Zhang meiruo told a lie, and in order to make Han Qingfang believe it, she added a special sentence, which was very painful.

"Really, take your boyfriend out next time." Han Qingfang was also very happy.

This question baffles Zhang meiruo. She doesn't have a boyfriend, but since she lies, she can only cheat her to the bottom: "OK, what about your boyfriend?"

"I don't have a boyfriend." Han Qingfang simply returned.

Poof!

Zhang meiruo spat out her saliva.

"Aren't you broken?" Zhang meiruo looks surprised.

"You don't have to have a boyfriend to break things." In Han Qingfang's mind, I remember every bit of my relationship with Mr. Yang. In the hotel, so many people's faces were broken. Then in the attic of the school, in the straw house, and in the teachers, I had sex with Mr. Yang in many places. There were memories of their sexual intercourse everywhere.

"Ah?" Zhang meiruo is obviously not very receptive, thinking: why is everyone like this? Zishu hasn't met her boyfriend, but she has long been away. Bai Xue was broken by teacher Yang, and it's not a relationship between man and woman. Even Han Qingfang is like this. Do I want to be like this?

"The first time you were in such pain, did he still beat you hard? Isn't that more painful?" Zhang meiruo deliberately keeps calm, but she is most concerned about the fear of pain.

"Fool, I'm going to be crazy at such a beautiful moment. What's the point of inserting it?" Han Qingfang, of course, thinks that breaking is such an important moment. Although she was unprepared when she was broken by Mr. Yang, she was very satisfied with the process.

"The first time I was hit by him, I worked for hours." Han Qingfang thought of that night in his heart.

"Ah? The first time you do it, you can have a climax? How many hours? It's not even a cramp." Zhang meiruo, of course, is inexperienced, and when she talks about it, she is a bit of a liar.

"Isn't that the first time you did it?" Han Qingfang is a little suspicious.

"Ha ha, it's the same. I've had an orgasm, but I haven't worked that long." Zhang meiruo lies in a hurry.

Talking about these, Han Qingfang's mind is the shadow of Yang Yu, thinking: Yang teacher back? Just upstairs? If only I could go and sleep with him.

Chapter 203

"Dad, why haven't you slept yet?" Qin Shuhe took another cup of hot milk to his father's room. Qin long was in bed, wearing presbyopic glasses and reading business newspapers.

"Don't you want to play for the hotel business? Well, in just two weeks, you've robbed one third of our guests. It's fierce." Qin long is very worried. He has been fighting all his life. When he thought he would live in his old age, he killed Chen Yaojin, which directly threatened his lifelong career. How can he not worry?

"Dad, I'll take care of the hotel. You can go fishing and climb the mountain." Qin Shuhe wears pajamas, which are high-end and elegant, and are customized. They use the best fabric for their skin, so they are a beautiful lady.

Qin Shuhe was born in the upper class. When he stood with anyone, his temperament, bearing and aura were totally different. This kind of nobility came out of his bones, and formed a sharp contrast with those village women in the countryside, especially those hungry and thirsty ones.

"You don't have enough social experience. You can't play with those old people. Dad wants to wait for you to get married before he can give it to you. Ha ha." Qin Ye is smiling. He is happy to see his daughter. Qin Shuhe is the whole of his life.

"Dad, I don't want to get married. My daughter will always be with you." Qin Shu and coquetry.

"If you have time, why don't we invite Yang Yu to have dinner at home? You can go out with him to see a movie, have a cup of tea, go shopping or something." Qin long said this very directly.

"Dad, what are you talking about?" Qin Shuhe was a little impatient to see his father mention Yang Yu again.

"What? You don't like Yang Yu? He's tall and handsome. He's nice. I think he can Lord Qin attaches great importance to Yang Yu. He is really worried about his daughter's marriage.

"It depends on fate and feelings. I don't call him." Qin Shuhe is telling the truth. He always feels estranged from Yang Yu. There is a layer of gauze. It's hard to chat with him.

Qin Shu and Yang Yu all know that the estrangement is called class generation gap.

Yang Yu finally escaped from the wolf's nest in white snow. What sister-in-law Yu said is more and more true. The Yunv river is just like the Chunyao river. All the women who have been eating water here for a long time are hungry and thirsty.

By the time I got home, all the others were asleep. As like as two peas in the bathroom,

Yang Yu was going to go to the bathroom to brush his teeth and wash his face. He was ready to sleep. When he first came to the door of the toilet, he heard the sound of water. Yang Yu was very sensitive.

The sound of the water was exactly the same as that of Xiao Dan when he was in trouble last night.

Yang Yu didn't think about anything and pushed it in directly. Suddenly, there was no sound. Yang Yu looked at the tap and turned it off.

Am I listening? Yang Yu muttered and was ready to brush his teeth.

Mirror.

Yang Yu's figure was reflected in the mirror. He sang a song and twisted his body. Then Yang Yu drank a mouthful and looked up to gargle. Just as Yang Yu lowered his head and was ready to spit it out, he suddenly fell asleep.

Suddenly, Yang Yu's remaining light sees the figure of a woman behind him through the mirror.

The woman's figure seemed to be floating there, white clothes, scattered hair, and covered her face.

Yang Yu was startled. When he looked in the mirror again, it was gone.

A cold sweat came down the temple.

Yang Yu took a deep breath. Did I look at her? Yang Yu quietly turned around, the toilet is quiet, only Yang Yu's heartbeat and breathing.

Yang Yu looked at it for a long time and made sure there was no one. Then he turned back and continued to gargle.

can just as like as two peas in the water, Yang Yu suddenly feels a chill behind him. This feeling is exactly like the feeling when he first swam in the reservoir. This feeling is familiar to Yang Yu.

Yang Yu was a little afraid this time.

That time, how can not swim out of the reservoir, almost exhausted drowned in it.

Is there really someone behind it? Is that the water devil?

Yang Yu has been sweating, even dare not look up, also dare not turn around, so confrontation. Cold sweat down along the forehead, that kind of terrible feeling has been pressed Yang Yu breathless.

There can't be ghosts in this world! Yang Yu has been in the heart to cheer himself up, has been trying to convince himself, but, however, Yang Yu or fear, behind clearly stood a woman.

Yang Yu could already imagine what she looked like, with her hair scattered, her face covered, her hands and feet as thin as firewood, hanging there as if there were no joints or tendons, so she stood

motionless behind her.

Suddenly, with a squeak, the toilet door was opened.

A cold wind came, and Yang Yu shivered.

"Miss Yang?"

Yang Yu stood up straight and looked around. Han Qingfang was standing at the door, looking at himself. Yang Yu looked at the toilet again. It was quiet and there was no sign of any other dirty things. The feeling disappeared.

"Miss Yang, what's the matter with you? What's the matter? What the hell? " Han Qingfang has never seen Mr. Yang's expression.

Yang Yu swallowed deeply again, wiped the cold sweat from his forehead, forced out a smile and said, "when you just came in, did you see anything?" "Things? What is it? " Han Qingfang, puzzled, touched her forehead and asked, "teacher Yang, what's the matter?"

"It's OK. It's OK." Yang Yu reluctantly pretended to be calm and said with a smile, "did you come to pee? Come and wash your face, Mr. Yang

"Well." Han Fang's idea is to pee, but she really has something else in mind.

When she peed in front of Yang Yu's face, she was not shy at all. The last time she was dried in a pile of straw, she was incontinent. That time, Han Qingfang really felt that she lost face.

When they were all well, they went upstairs together.

The light of the toilet is off, and the door is closed. Once again, the toilet is quiet. The mirror reflects the whole picture of the toilet. Suddenly, the tap is on.

Yang Yu leads Han Qingfang upstairs, and is held by Yang Yu. Han Qingfang is very happy.

When it comes to the second floor, Han Qingfang wants to go to Yunxi's room, while Yang Yu wants to climb a wooden ladder to sleep in the attic on the third floor.

Han Qingfang was a little reluctant to give up. She took Yang Yu's hand and didn't want to let it go. She stood on tiptoe and said quietly in Yang Yu's ear, "can I go upstairs with you?"

Yang Yu is stunned for a moment. He has already done three women tonight. Although Han Qingfang often does it, he is really tired and wants to sleep.

"Miss Yang is a little tired. Next time." Yang Yu refused.

Han Qingfang is very disappointed. It's rare to sleep here. It's rare to sleep so close to Mr. Yang. She has no chance to sleep together. It's hard to avoid some frustration.

"Ten minutes." Yang Yu see Han Qingfang suddenly Bang face, know she was sad, touched her head coax up.

When Han Qingfang heard this, she was very happy even for one minute.

Is it true that people have been in love for a long time? Han Qingfang found that he thought more and more about Yang Yu and depended more and more on him, both spiritually and physically.

In particular, the body is more dependent. Every time I see Yang Yu, I feel itchy.

When he got to the attic and closed the door, Yang Yu took off his clothes and hid under the covers. Han Qingfang, who was only wearing a coat and underpants, immediately got under the covers and turned off the lights.

All of a sudden, the quilt is like a fire.

Only two seconds later, there was a groan in the bed.

"The last time I had a dry day in the straw pile, why did I want it so quickly?" Yang Yu joked.

"I'm addicted to you." Han Qingfang also replied impolitely.

"Is it black?" Yang Yu asked.

"I looked at it this morning. It's a little dark, but it's not dark enough." When Han Qingfang woke up in the morning, he really took a look. Recently, he has been doing a lot. This month, he has been doing a lot of work to see if it has turned black.

"Ha ha." Yang Yupo has a sense of achievement.

"Miss Yang?" Han Qingfang is under Yang Yu's body, and is stuck under it. The pleasure sweeps all over her body, and it's hard to keep her sense.

"What's the matter?" Yang Yu asked.

"Can you be my boyfriend? I want to give you only one person's day in the future. I hope my first time was broken by my boyfriend. I wish I had been hacked by my boyfriend. " Han Qingfang knows very well that Yang Yu can't be his own boyfriend,

this problem baffles Yang Yu. I'm cheating with you at most. I have a recognized girlfriend Li Ruoshui. I

can't do two things at once. When Yang Yu thinks like this, he still swears that NIMA is cheating, but still two things at once?

"You know I have a girlfriend." Yang Yu can only answer her in this way. If there is no Li Ruoshui, Yang Yu will certainly agree. Han Qingfang is not inferior to Li Ruoshui in terms of height and appearance.

"I don't mind being a junior, and I don't mind if others don't know, as long as Mr. Yang admits it." Han Qingfang knew that she could not expect too much, not to mention that she was about to graduate.

Shit, is there such a good thing in the world? Willing to be a junior? Don't ask for the main room?

This is true love.

Where can Yang Yu find the reason to refuse?

"Well, I promise you, I'll be your boyfriend from now on." Yang Yu said, is a crazy meal.

Han Qingfang said: "do you know why? Because I have a reason to be fair and aboveboard by you. "

Poof!

This reason is too high sounding, isn't it?

But what Yang Yu doesn't know is that in the dark night, Han Qingfang is crying. At the same time, a tear falls down the corner of her eye. Han Qingfang's heart is very painful.

Under the gorgeous appearance, everyone has an uninhibited heart.

Chapter 204

It's a new week. The high school entrance examination has entered the countdown of three weeks. Meanwhile, there are only three weeks left for Yang Yu's nightmare prediction.

Now, time is pinching Yang Yu's neck.

Also pinching Yang Lin's life.

With the escalation of the terrorist incident and the experience of Yang Yu's toilet last night, Yang Yu really takes this nightmare prophecy seriously and even believes it.

Morning, office.

Yang Yu meets Yang Lin, who is haggard and has heavy black eyes.

And officer ray, there's still no clue.

There are only two words to describe the case: complicated and bizarre.

In class.

"Only three weeks to test, the last week is a holiday, for everyone to review and mind adjustment, to see if you will create miracles and history, or the countdown every year first, the teacher worked hard, no regrets, no matter what results." Yang Yu thinks that it's really for the good of these students, not for the bonus, reputation, or his so-called teacher's future.

Because I am also a rural child.

After school, Yang Yu is ready to take Yunxi home for dinner, Yang Lin appears.

"Any clues?" Yang Lin is a little depressed. She knows the result from Yang Yu's expression.

"There are some fragmentary clues and conjectures, but they can't be linked, and there is still a lack of key to solve the puzzle." Yang Yu replied that in fact, he still had some ideas more or less in his mind, but if he could not find out the motive, these fragmentary clues would not be able to make a complete picture.

"You look very pale. Go back to my attic and have a sleep after dinner." Yang Yu said and handed the key.

Yang Lin took a look and said with a forced smile, "you won't give me any aphrodisiac then."

"Do you need it? Wait three weeks and you'll have to serve me. Hey, hey." Yang Yu is proud. In three weeks, Yang Yu is confident to solve the case.

When Yang Yu was about to leave, he suddenly thought of a question and asked, "Oh, by the way, have you ever seen a black cat with black pupils in the village?"

Yang Lin's face changed, but she shook her head.

Yang Yu and Zou frowned. Yang Lin's look puzzled Yang Yu. She knew the cat clearly, but why did she shake her head?

"Wow, there are fish at noon." Yunxi was so happy when he saw a red fish in a Chinese meal.

"Fish head for three younger sister to eat, eat smart point, test a good school." Two younger sister rub fish head, is ready to clip to Yunxi.

"I think it's better to eat fish eyes. If you eat fish eyes, be bright. Don't read the wrong topic." Cousin Yuanxi also joked that Yunxi was the youngest in the family, and everyone was spoiling her. She was the

happiest and had no worries.

"Don't eat fish eyes. It's disgusting. Cousin, they say that fish have no eyelids. How can it sleep?" Yunxi asked casually.

"Stupid, they sleep with their eyes open. Just like you, you're still in junior three. I'm afraid you won't be admitted to senior high school. " The second sister shakes her head, encouraging and attacking her.

"second sister, don't hit the third sister" before she finishes her words, Yang Yu suddenly stands up.

Like seeing a ghost, he went straight outside.

Everyone was stunned.

"My cousin is insane again? It's regular, once a week. " The second sister said with a smile.

Fish.

Yang Yu loves fish, but he doesn't dare to kill them. Every time I go to the vegetable market, I see a living fish. I cut it down and cut it into two pieces, but the mouth of the fish is still open and closed, so I breathe desperately.

Yang Yu didn't dare to look directly at the feeling of powerlessness and the way fish looked at people before he died.

Maybe one day, you will be cut into two parts like a fish. What do you think when you look at your lower body?

Fish.

Yang Yu suddenly remembered the look in his eyes when Uncle Ming came to widow Liu's house with a fish. Now Yang Yu remembered what it felt like when Uncle Ming was playing with the fish in the bucket and said that the white bellied fish was dying and shed tears.

Stupid Er Niu told himself all the answers a few months ago. When Yang Yu asked him what you saw when your father drowned, stupid Er Niu said that he saw the fish. Yang Yu thought that he really just saw the dead fish, because his father was in the electric fish, but Yang Yu completely misunderstood, thought that he was just a fool.

It turns out that when we see that others are fools, fools also laugh at us.

Will uncle Ming die of the water ghost? Yang Yu immediately suspects uncle Ming's death. When Uncle Ming left, Ben Erniu predicted his death. As a result, he really died.

Is benerniu really a fool?

Yang Yu had to reexamine the fool.

Fish, fool, black pupil, Yang Yu suddenly smile, how can all this be related? But the answer seems to be right in front of you. Just like Wang Ren, who was dealing with himself every day, the truth and the killer are right in front of you.

Yang Yu rushes to Li Ruolan's house in one breath. Everyone is eating. Yang Yu had to smile and wait in the yard, a little embarrassed, because he came to find Li Ruoshui, Li ruorong or Li Ruolan?It seems that the three sisters have something to do with Yang Yu now.

"I knew you were looking for my sister. See you at school." Li Ruoshui was a little disappointed, but he also knew that his boyfriend was looking for his sister because of the case.

"To chat here or to my room?" Li Ruolan watched his sister go to school, and then Li ruoreng took a look at them and went to work in the village.

"Let's talk here." Yang Yu dare not go up, afraid, LAN elder sister Sao up, that can't resist: "I know why the murderer want to cut off the eyelids of all the victims."

Li Ruolan and Zou frowned and sat down in the yard.

"It's related to fish. Fish has no eyelids. The murderer is closely related to fish. Maybe the deep resentment comes from fish. Let officer Lei search all the women and cases that may be related to fish. I'll go to the village and ask the old man. " Yang Yu thinks his words are very convincing.

However, Li Ruolan is open mouth, a face of surprise, this is what with what ah, said with a fairy tale.

Yang Benyu had no choice but to have a look. He seemed to be joking.

Yang Yu rushed back to school for the afternoon class. The first class was on the water. When he saw that Yang Lin was not in the office, Yang Yu was going to the attic to have a look, but not to steal. At this point, Yang Lin must be in a bad mood. It's good to see her.

However, when he came to the door, Yang Yu heard some voices. He didn't hear the complete sentences clearly, only vaguely heard a few words, such as door, passage, washing, corrosion, trial, and so on. He didn't know what they meant.

Strange, who could be in the room? Is it the second elder?

The door opened with a squeak.

Yang Lin seems to have just woken up, came out, just met Yang Yu.

"Who's in the room?" Yang Yu looked into the room and found that it was empty, but there was no one.

"Who is in the room? I'm the only one in the room all the time." Yang Lin is very confused.

Really no one? Did I hear you wrong? Yang Yu feels incredible. Is he hallucinating like Xiao Xi before?

But there was no one in the room. Yang Yu looked at Yang Lin's back, familiar and strange.

After the first class, Yang Yu is waiting at the door of the first grade classroom.

"Before class, I saw Mr. Yang dangling outside. Aren't you interested in young girls?" Meilian joked.

"Miss Meilian, you've been joking. Last time you owed me a job." Yang Yu won't forget this. Meilian had to bet at the beginning, but now she lost the bet, but she doesn't admit it.

"Oh, when did it happen? Remember, be generous. Tell me, what can I do for you?" Meilian teacher has long been defaulting, that must win the bet all lost, just like the national football team won the Brazil team, the same incredible, can not default.

"You can't rely on that." Yang Yu won't let her rely on her, at least for some good, or who will bet in the future? If you don't do it for me, I'll feed you aphrodisiac. Anyway, your body owes me a dry meal.

"You are not afraid of Mr. Li." Meilian quickly takes out Li Ruoshui as a shield.

"I'm looking for you just to know about the learning situation of the next two cows." Yang Yu wants to see whether this stupid Er Niu is really stupid or fake stupid, or what special function he has.

"How do you care about a fool? A fool is a fool. She doesn't speak every day and doesn't answer when she asks him. Every time she takes an exam, she will hand in a blank paper. What else can a fool go to school? Widow Liu is really a fool." Meilian see stupid two cattle to his class, has been very unhappy, but the principal's arrangement, she also can't help.

If Yang Yu can't find out anything, he can do it. Play a game with him next time to see if it's really silly.

After school, instead of seeing Yunxi and Zhang meiruo home, Yang Yu went to find the oldest old man in the village.

At this time, Li Ruoshui seized it.

"Every time I leave school, I slide so fast. You haven't sent me home for a long time." Li Ruoshui is coquettish. After all, she is a woman. She can feel that her boyfriend is very close to her sister and schoolgirl. On the contrary, she has less and less time with herself.

"I have something to do, so" Yang Yu doesn't know whether this is an excuse, but recently his mind is really confused by other women. Hua Yuyan, Li Ruolan, Li ruorong, Han Qingfang and Bai Xue are fascinated by these women.

"Is it because I didn't promise to go to bed with you, so you?" Li Ruoshui knows that Yang Yu always wants to go to bed with herself, but she thinks it's not the right time, so she always shirks.

Chapter 205

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

[+ - Turn off](#) [Reset](#)

"No, No." Yang Yu shakes his head in a hurry. How can I say that? He really wants to go to bed with Ruoshui, because it's my girlfriend. How can a girlfriend not give it? However, physically, there are Han Qingfang and Bai Xue, and now there is Li Ruolan. Although they are only with her occasionally, they are very exciting every time. In addition, some village women, such as sister-in-law Yu, can help Yang Yu quench his thirst, which is not so lonely.

"I'll give you that one, but I don't think it's the right time. Let's wait for the middle school entrance exam and the summer vacation, OK?" Li Ruoshui doesn't think she is such a traditional woman, and she doesn't think she can't have sex before marriage. She just takes it seriously.

Every woman hopes that the man who breaks her own place can go to the end with her and get married, so Li Ruoshui has always been in contradiction, because she also knows that if she doesn't give Yang Yugan, she's afraid that this too "pure" relationship won't go that far, and it's not in Qiongyao's novels.

"Well, let's wait for the summer vacation. Why don't you come with me?" Yang Yu said, in fact, he still dotes on his girlfriend. He's just so busy with three things: case, study and entrepreneurship. Every time he goes to Ruoshui's house, he goes to find her sister, which makes Ruoshui really depressed.

I agree with Li Ruoshui.

Yunu village has a lot of centenarians because of its paradise like environment and healthy water source. It is also the village with the largest number of centenarians in the city. Looking at the whole country, it is estimated that few villages can match.

The oldest is 108 years old.

Yang Yu took his girlfriend Li Ruoshui by the hand and went to the family. Along the way, he chatted.

"In the summer vacation, let's go on a tour alone." Li Ruoshui holds Yang Yu's hand and feels very happy.

"Of course." Yang Yu also likes to play. Although there will be a lot of business in this summer vacation, playing is always necessary: "do you decide to give me your first time on the journey?"

"Oh, I don't know. Besides, this kind of thing will happen from the heat." Li Ruoshui didn't say yes and didn't deny it. In fact, she had the same idea in her heart.

After the high school entrance examination, I feel relaxed. I can do a lot of things with my boyfriend. I also have the energy to be in love.

For Yang Yu, youth must do two things: play and make love.

The more women have done, the more sense of accomplishment they feel, and the more they can satisfy the male, beast like desire for hegemony.

That's why Yang Yu is cheating with so many people. Is it just to satisfy the excitement and pleasure of cheating? No, do women, do different women, the more you do, the more you have a sense of accomplishment.

Men are naturally abnormal.

No, biology, society and civilization are sinful. That's why there is religion.

Religion exists to wash away these evils.

Yang Yu's sin is very deep, and he knows very well in his heart that after his death, as the Bible says, he goes to a place called eternal death, called huohu, which is hell.

#The 108 year old elder sat under a big tree and watched the sunset.

The setting sun is very red.

"Hello, grandma." Yang Yu did not dare to ask directly, but he needed to speak very loud to be heard. The old man had three sons, the eldest of whom had passed away. The biggest pain of living is to send a person with white hair to a person with black hair.

Maybe, it's not necessarily a good thing to live so long. You know, the people of your age, the people of your age in the world, have all died. Will the world still belong to you?

The essence of life is actually mating and reproduction.

Then it's gone, and everyone's end is the same: death, only your genes remain.

Life itself is a conspiracy of genes.

Yang Yu and Li Ruoshui have been chatting with her. The old man's hearing is very poor. He has to shout to hear it every time.

"Grandma, do you remember if there have been any women or cases related to fish in this village for decades?" Yang Yu asked.

The old man's face suddenly changed. Many scenes flashed in his mind. Like a movie, suddenly, the old man shed tears.

The old man drew three words on the ground: Zhou Luoyan.

Yang Yu and Zou frowned. He was both surprised and happy. He was glad that the old man seemed to know who he was looking for, which was an important clue. What he was surprised about was why the old man looked so strange.

The old man closed his eyes and didn't seem to want to talk any more. Yang Yu had to leave.

"Zhou Luoyan? Is that the person we're looking for? Is that the water devil? " If the woman is just guessing about it, who knows about it?

"Let Sergeant ray pull down the files and you'll know all about it. The case is far from that simple. " Yang Yu knows that even if he really finds out the water ghost and solves the mystery of the water ghost, there must be other secrets about the black fingerprints. Maybe this is a case in case.

Yang Yu sent Li Ruoshui home. Li Ruoshui wanted to stay alone with Yang Yu in the evening to cultivate his feelings, but when he remembered that he and his boyfriend had a lot of make-up lessons in the evening, he had to let them go. Yang Yu called police officer Lei for the first time to find a woman named Zhou Luoyan.

When I got home, it was time for dinner.

"Miss Yang, after making up lessons at night, can you let Han Qingfang stay and sleep with me?" Zhang meiruo asked, sleeping with Han Qingfang last night, and asked a lot about breaking things, but Zhang meiruo still had a lot of questions.

"Of course." Naturally, Yang Yu is more happy. Maybe there is another chance for Japan and Korea Qingfang in the evening. Only if Zhang meiruo and Han Qingfang come to sleep in their own room, can they cheer.

It's really good to have a house of your own in this village. That night, you can quietly bring the girl students to sleep. You don't need to supervise them. How free they are.

Now, it's not easy to steal. I have to run into the straw pile. The loft of the school is not safe now. People often disturb it. Besides, it's so desolate that it was not convenient to be haunted before.

And so in the attic of my aunt's house, it's too old to break the ground. It's too dangerous. I had sex with Li Ruolan in her room twice before, but I was also frightened. I was afraid that Li Ruoshui or Secretary Li

would come here. It was really like being an agent.

Tonight, there are five less female students coming to make up lessons.

We all worked hard in class and doing homework.

My aunt also specially prepared the supper and brought it up for everyone to eat.

"I don't think it's safe to go home so late. It's troublesome for you, Mr. Yang, to send them one by one. Simply, you three should sleep here. Anyway, it's just breakfast with more mouths." Aunt is a very warm person, the countryside are hospitable.

"But there are not enough beds." Yang Yu said.

"In fact, there are some beds. It's just crowded. Your cousin has already gone to bed, and the second sister must sleep alone." Little aunt said, the two younger sister has been like this, Yang Yu came to his home the first night is to sleep with the two younger sister, the result, was directly driven out.

Yunxi could have been allowed to sleep with her two sisters, so the little aunt specially said the reason, and then went on to say: "Yunxi doesn't want to sleep with her mother, I think so, Yunxi goes to sleep with her cousin, you four can sleep in these two beds, what do you think?"

"Ma!" Yunxi immediately called out, and secretly took a look at cousin, she really is not the first time with cousin sleep, but, but, this kind of thing, can't in front of so many students speak of ah.

Yang Yu was also embarrassed.

Yunxi so big, understand men and women, how can you sleep with yourself? Although we had slept together before, Yunxi was scared and had no way, but now the situation is different.

"Mom, didn't you sleep with your cousin before? You still have to sleep with your cousin, have you forgotten?" The little aunt even shakes out all Yunxi's affairs.

This matter is known to her family, but her classmates don't know it at all.

As soon as aunt said this, the room began to boil.

"Wow, Yunxi, it turns out that you are sleeping with your cousin, such a big man." Zhang meiruo laughed first.

"People Yun Xi is still small, but also cousin coax to sleep." Han Qingfang also replied.

"You don't make fun of me, I" Yunxi was so angry that he couldn't say a word.

Yang Yu can't explain, because it's a fact.

"My cousin is timid, because of that last time, so..." Yang Yu or give Yunxi explain it, lest Yunxi to cry, so be ridiculed by the students.

But it was settled like this.

Han Qingfang and Zhang meiruo sleep in the same bed, while Bai Xue and Shen Feifei sleep in the same bed. Yunxi goes to the attic to sleep with cousin Yang Yu.

Oh, my God.

Yunxi is very happy. She likes to sleep in her cousin's arms. Usually, her mother and two elder sisters are in charge of it, but she doesn't dare to sleep with her cousin.

Yang Yu is embarrassed. Recently, the fire is so fierce. If he can't hold back and gives his third cousin to the sun, what can he do?

Chapter 206

Yang Yu took a cold shower outside first, and then got into bed first. Although he was very familiar with Yunxi, his heart was still beating wildly, just because she was his cousin. Since the first meeting, when she got an electric shock, the relationship between them was very ambiguous, but it was very simple and ambiguous, like brother doting on sister.

Yunxi took a bath this time. He came in with his head down. He didn't dare to look at Yang Yu, and his face was red and his heart was bouncing. Last time, the situation was special, and no one thought about it in other ways. But this time, it was really different.

In fact, Yang Yu is also nervous. The third sister looks like an angel. She is stupid and cute. When a man sees her, he instinctively wants to protect her and spoil her. However, he will also have evil thoughts. When Yang Yu does not dare to move, because she is his cousin.

My cousin.

Although they had never lived together before this semester, even if they didn't meet each other, on the first day when Yang Yu came to the village and saw Yunxi for the first time, they were deeply attracted by her pure appearance and pure eyes.

At that time, the feeling of electric shock can still sweep the whole body, which is really beautiful.

This kind of feeling can only be found with the little girl who is looking forward to love. When you are old, after experiencing the first love, breaking up, falling in love, breaking up again, going to bed, stream of people, dating, one night stand, this kind of feeling will never come back, especially the urban girls, who look at others more and treat you as a fool.

When she says she has feelings for her, she laughs and says, "idiot."

Love has entered the grave in the engagement.

Therefore, Yang Yu and Li Ruolan can't connect electricity in any case. Even if they call Li ruorong, they will never call Li Ruolan. In the same way, Yang Yu may even call Xiaomei, who is too poor to open a pot, or Qin Shuhe, who is rich and elegant.

There will be no intersection between the two worlds. The story of Cinderella and prince charming or the runaway princess meeting you is called fairy tale.

"I want to sleep in it." Yunxi lowered his head, blushed and said in a soft voice

Yunxi was wearing his usual pajamas, which were still in spring and autumn. At such a night, if he had some ideas, it would still be hot. It would be neither taking off nor not taking off at that time.

Of course, Yang Yu only wears underpants. What kind of clothes do you wear in this weather? Even if you have to wear clothes, you have to say it's hot in front of the third sister. If you take off all the clothes, you don't have to. If a man takes off all the clothes in front of a woman, he takes them off first. If he can't, he takes them off slowly.

There are not too many words. Turn off the lights first. It's easy to do business.

"Do you want to sleep in your cousin's arms?" Yang Yu turned over and faced Yunxi.

Yunxi let out a sound and really went through it, because she liked her cousin's generous embrace. However, when her hands and body touched her cousin's strong chest muscle, her little heart would jump wildly. Last time, her cousin was wearing clothes, and she only wanted to be afraid, but didn't think about men and women at all.

But now, the situation is completely different. When Yunxi touches his cousin's strong and developed muscles, the hormones of the girl's feelings and the female animal's instinct are suddenly stimulated. Moreover, Yunxi is just beginning to fall in love. He is curious and hazy about the male creatures, that is, afraid and eager, that is, curious and instinctive.

Yang Yu is specially hugged Yun Xi, found that she was hot, almost sweating.

"Is it hot? If it's hot, my cousin will help you take off your clothes. "

Although Yang Qinmei can't even eat tofu, it's just a little cousin's idea?

"No, it's gone."

Yunxi's hands don't know where to put them, but there is an inexplicable sense of security in her cousin's broad and strong arms. Little girls have the least sense of security. Now, Yunxi is like a rabbit in a warm harbor.

"No, no, it's OK." Yang Yu deliberately said, how can it be ok? Are you a single man and a few girls living in the same room and letting others sleep naked with you, or are you a cousin? They are all 16 years old and understand the love between men and women. It's OK. Can you tell?

"Of course, it does matter, I'm all" Yunxi's face is more red.

"What are they? It's all developed, isn't it? I don't touch your breasts. " Yang Yu began to tempt and guarantee. Men's favorite move is that I really don't touch you, I really don't take off my clothes, I really don't put in, I really don't smoke. It really doesn't matter if you're pregnant.

"Cousin, seyunzi." Yunxi's bottom line is that he can kiss his cousin. Besides, he can't do anything.

Especially for men and women, Yunxi is still in the heart of fear. Trembling, like being touched will be pregnant.

"Well, let my cousin give me a kiss?" Yang Yu still starts from a simple way. He kisses Yunxi not once or twice. Sometimes Yunxi is in a good mood. If he is forced to kiss by Yang Yu, he will not be angry.

But it's strange to kiss your cousin, just like a child's feeling of breaking a vase.

But no matter how strange it is, we have to admit that Yunxi's mouth is the sweetest Yang Yu has ever kissed. It's very sweet. This is also the reason why Yang Yu leaves ethics behind and kisses his cousin without hesitation. It's because the mouth and tongue of the third cousin are so sweet and gentle that Yang Yu kisses her every time.

"No. Not tonight. " Yunxi also has a little sense of self-protection, usually just kiss, but tonight is really different, in case, in case, there will be an accident, will cross the bottom line after the kiss, this is Yunxi is very afraid of things.

Yunxi is a quiet girl in the countryside. She has never been polluted by the city and society. She has never seen any grass durian, love action movie, ambiguous novel or pornographic man in wechat.

Her heart is really pure, so she is an angel.

Such an angel, which man doesn't want to wash his dirty soul?

In fact, Yang Yu's dirty soul has been washed once. In the loft of the school, he just doesn't know it.

But Yang Yu has a tone to go on, because he knows, kiss Yunxi is no risk, if you directly into the underwear touch her milk, Yunxi will struggle, even escape to her mother there to sleep, so all previous

achievements are wasted.

Yunxi just finished, originally mouth with cousin close together, just speak specially raised his head, who knows words, cousin contained down, sealed his mouth.

Yunxi is forced by his cousin's big tongue to pry open his mouth directly. His cousin's tongue is raging like a storm in his mouth. Yunxi instinctively grasped the hand, this grasp, strength all used in Yang Yu's body.

Yang Yu only feels that Yunxi's nails are almost embedded in his muscles, but how can this pain have the pleasure and comfort brought by Sanmei's tongue?

Yunxi is lying in bed with a man for the first time. He is hugged in the arms of a naked man and kisses him. Suddenly, the hormone is rising rapidly. He is licked numbly by his cousin's tongue and completely forgets to resist.

Yang Yu has been boiling in the bath fire for a long time. Originally, he wanted to take his time, but he found that his bath fire was completely out of control. The hand touching his cousin's buttocks was more dishonest, and he gradually wanted to stretch into Yunxi's underwear.

Is cousin Yunxi a white tiger? Born white tiger?

This is one of the hundreds of thousands of girls out of the super beauty ah!

Yang Yu was shocked!

However, his cousin touches Yunxi's bottom line. For Yunxi, who has just touched men and women's affairs, fear and worry dominate. His cousin touches his private parts, and Yunxi struggles to protect himself.

After leaving his cousin's mouth, he immediately stepped up his legs and pushed Yang Yu away. He quickly escaped from Yang Yu's arms and grabbed the quilt. His body trembled and nestled in the corner.

"It's OK. It's OK." Yang Yu also wanted to touch, comfort and coax the frightened bird, but Yunxi suddenly jumped up, didn't even wear his shoes. In the dark, he knocked open the door and ran to his mother's room.

The little aunt was startled by her sudden daughter. She found that her daughter was shivering and thought she was cold. But she touched her and was sweating all over again. She asked, "what's the matter? Yunxi. "

Yunxi didn't speak, just sobbed all the time.

Yang Yu regretted that he was too aggressive just now. Yunxi was not someone else, not Lin Yina, not Li Ruolan, not sister-in-law Yu, sister-in-law Han, or Han Jing. She was just a pure little girl of 16 years old.

She's not a girl in town.

Yang Yu is suddenly afraid, not that Yunxi will tell her aunt and cousin about this, but that the three younger sisters will really treat themselves as a sex wolf and never take care of themselves again, just like a sudden separation.

What happened to Yunxi? Yang Yu tossed and turned and didn't fall asleep all night.

Chapter 207

After Yunxi fled to her aunt's room to sleep, Yang Yu couldn't sleep. At the same time, Zhang meiruo and Han Qingfang were still hiding in bed and chatting happily.

Obviously, Zhang meiruo is very interested in Han Qingfang's first break.

"What posture did you use for the first time? Does he lie on you?" Zhang meiruo wants to know everything about Han Qingfang's breakup.

"No, I rode on him. In fact," Han Qingfang thought of that night, pause, also don't know these things can say with Zhang meiruo, but she is her best friend, should be OK.

"Actually what? Don't give me a lift." The more she listened, the more curious she became.

"Actually, I took the initiative to ride on it. He didn't mean to do me any harm." When Han Qingfang said this, even she felt very humiliated. Her first time was her own initiative. But that night, it was really weird. After sleeping with Mr. Yang for a short time, the whole person started spring. She wanted men and love in particular. Finally, she couldn't help but gave it to Mr. Yang who was sleeping next to her.

Han Qingfang still doesn't know that he was given an aphrodisiac.

"Poof! No, you took the initiative?" It's not the first time that Zhang meiruo is surprised. The man whose best friend has been budding is not her boyfriend. Now it's Han Qingfang who voluntarily asks to be done. It's not like the Han Qingfang she usually knows.

Not to mention Zhang meiruo, even Yang Yu didn't believe that, and even Han Qingfang didn't believe that he would do that kind of thing. In the end, he was done for a week, seven days, twice a day on average, and 14 times in a row.

"I don't know why that night, but I was hungry and thirsty, and then" Han Qingfang was a little embarrassed.

"You must have been frightened by him." Zhang meiruo is much smarter, and she even hit the first

guess.

"That's impossible. I couldn't have been drugged at that time." Han Qingfang recalled that there were four other students in the room at that time. How could they be drugged? If they were drugged, how could other people be ok? Moreover, Mr. Yang can not be so bold.

"Well, are you in the hotel? It's not a date, is it? " The more she listens, the more energetic she is. If everyone else is asleep, she is still energetic.

"Oh, it's not as dirty as you say." Han Qingfang thought about it. She couldn't say that it was the night when she went to play basketball. She couldn't say that the man she was with was teacher Yang who was sleeping upstairs. So Han Qingfang was going to lie. She thought of a very nice and beautiful place: "it was in a straw house, where there was a lot of straw and no one. So she went there for a date, and then she was played."

"Our village? What about the straw hut? You're a waste. Since it's not a relationship, what else can we do now? Do you still have anything to do with him after the break? " Zhang meiruo hated her. She didn't expect that her best friend had so many secrets that she didn't tell her. Moreover, she didn't expect that her best friend's breakup night was so romantic. Although it sounds like a break, Zhang meiruo also feels normal. She doesn't think there's anything wrong with it.

This question, Han Qingfang can be embarrassed to answer, had to perfunctory: "Oh, why do you ask so much, talk about you and your boyfriend, you are a school flower, my boyfriend must be a handsome guy." Han Qingfang wants to turn the topic to Zhang meiruo.

If Zhang Mei is said like this, her heart is sour. She doesn't have any handsome boyfriends. It's all her own deception. She's still alone.

"Well, let's talk about you first, and then about me." Zhang meiruo is very clever, but she doesn't want Han Qingfang to talk about herself. She quickly prevaricates, pulls Han Qingfang's hand, and becomes coquettish: "Oh, we are all intimate friends. Don't tell me this?"

"Well, just say it. You can't tell anyone." Han Qingfang thinks that she still doesn't want to be known by others. One is gossip, and the other is that she's afraid to spread it to her parents.

"Don't worry, I won't say it, I swear." Zhang meiruo even took out her vows in order to win trust. However, she didn't gossip about these things.

Han Qingfang believed her when he saw her attitude was so good. He hesitated for a moment and said, "in fact, I was worked by him for a week in a row after breaking down the office. It's estimated that there were 14 or 5 times in that week."

Poof!

Zhang meiruo spat out blood.

What happened to Han Qingfang blinded Zhang meiruo's eyes again and again, and shocked her unexpectedly again and again. Zhang meiruo tried her best to keep calm, but she had already been scared.

It turns out that their sex life is like this. Am I really the only virgin in the class? Am I the only one who hasn't been fucked by a man? I'm the school flower.

"No wonder some time ago I always saw that you had no one after school at noon. It turned out that I was going to fight with your little boyfriend?" Said Zhang Ruo reluctantly, as if he had a smile of this kind.

However, this girl is really a guess accurate.

Han Qingfang nodded and continued to add, "however, I've been done less recently." "Ha ha, I'd like to meet your gun friend to see if he is really so powerful in that aspect. He's addicted to our beauty Han Qingfang." Zhang meiruo's words are really sour. She is jealous in her heart.

"Oh, what a fireman! It's really hard to talk. What's addicted to doing, and there's no such thing." Han Qingfang retorted, thinking: Mr. Yang has promised to be his boyfriend, how can he be a gun friend? However, he is addicted to it. It's true.

"But his guy is really thick." Han Qingfang added.

"It's not that I'm addicted to other people's work. Look at you, you're still happy." When Zhang meiruo saw Han Qingfang's pink face, she thought that the gap between Han Qingfang and herself in this aspect is getting bigger and bigger. Now her best friend is killed by his gun friend almost every day. Zhang meiruo thought to herself: should I go to find a gun friend? However, there are really few decent men in this village. I will not do it even if I give the first night to those village uncles who are abusive. However, I want to get rid of it.

"Well, go to bed, and go to school tomorrow." Han Qingfang is very happy to see that she is envied and envied by her best friend Zhang meiruo. Since she grew up, everything has been oppressed by her. Now, there is something that can run in front of Zhang meiruo. Han Qingfang is a little proud, and seems to be proud. She is willing to share these things with Zhang meiruo, so that she can be envious and envious of herself.

If Zhang meiruo still breathed a breath, she was not satisfied. She was more beautiful than Han Qingfang. She could not lose to her in this respect.

Early in the morning.

Yang Yu got up very early.

Xiao Yi, Han Qingfang and Zhang meiruo have to get up one after another, but their third sister Yunxi still doesn't go downstairs. Yang Yu is a little worried and wants to ask her, but he doesn't dare to ask. In case the third sister tells her what happened last night, she will have to eat and walk away.

However, everyone has already had breakfast and is ready to go to school. Yunxi still doesn't come down. Yang Yu wants to go up to have a look. He is really worried and afraid. He blames himself for being too reckless and impulsive last night.

Impulse and lust are demons.

"You go to school first. Yunxi doesn't feel well and won't go in the morning." When she said this, she looked at Yang Yu.

As soon as Yang Yu's forehead is patted, it's over. My aunt knows about it.

Finished, this family is not easy to stay, I don't know what my aunt will do to herself?

Yang Yu looked up at the upstairs, feeling extremely complex, and looked at the little aunt, the little aunt's face is not very good, regret, really want to find a place to go down.

Chapter 208

Yang Yu is really not in the mood for class in the morning. He is worried about his cousin. But my cousin didn't wait, but police officer Lei and Li Ruolan came.

"Officer Ray found someone?" Yang Yu took police officer Lei and Li Ruolan to the playground. There are many people in the office. It's not convenient to talk about it. It's unnecessary to go to the attic. Just go to the playground.

"I've been tossed to death. I found the man named Zhou Luoyan. This is the file. Take it and have a look." The police officer said: "this person has been missing for more than 20 years and has not been treated as a family member since 1993."

Yang Yu opened it and took a look at the photo. He was shocked.

"Why do you stay when you see a beautiful woman? Ha ha, but this girl is really a beauty. She is so ecstatic even for her ID photos. " Of course, officer Lei has never seen a real person, and few women are beautiful in his eyes.

But now, officer Lei is just fascinated by his plain face photo.

Especially that pair of enigmatic eyes, is more ethereal deep, let people see more enigmatic to your bone marrow.

But Yang Yu's surprise was not her beauty at all, but that he had seen this woman.

Although it's only one-sided, Yang Yu never forgets the face, especially the face of a woman. Read countless women, naturally no code in the heart.

But how could Yang Yu have seen a woman who disappeared in 1993? But Yang Yu really confirmed that he had seen her in the reservoir. It was the first time he visited Zishu's home at that time. It was still more than 3 p.m. when he passed by the reservoir, he found a woman swimming in the reservoir. Yang Yu went out of his heart to ask her to come up quickly. He said that the reservoir was dangerous and there were water ghosts. Yang Yu remembered clearly. The woman said that she was a top student and afraid of ghosts. How could Yang Yu forget?

If she is still alive, she will be at least 40 years old now, but the woman she saw at the beginning is only about 20 years old. Is it her own eyes? Or is she really alive? If alive, where does the water ghost come from?

Or is that the woman I saw at that time a water ghost? When Yang Yu thought about it, he was already in a cold sweat.

"It should be her. We need to find out the cause of her disappearance. Accident, murder, dead or alive? If you want to see a corpse when you are dead, find it when you are alive." Yang Yu had a feeling that the person she was looking for must be her, but he always felt that what was wrong was wrong. He continued: "it's only 20 years since then. Most people in the village should still know her. Her family and her friends were all in the village. If you look for anyone, you can ask something."

"It's coming to an end at last. Better than last time." Li Ruolan is also relieved that it is hard to find a needle in a haystack. Naturally, ghosts are easier to deal with than people. Because ghosts can only do things according to the same rules, and people's minds are unpredictable.

"Ruolan and I went to inquire in the afternoon. Mr. Yang would like to teach hard. After all, we have to take the senior high school entrance examination." Police officer Lei doesn't like Yang Yu, but he doesn't hate him either. The good thing is that I take the credit for solving the case. The bad thing is that he is handsome and cool, and he is uncomfortable with sister LAN.

If officer Lei knew that Li Ruolan, whom he had been secretly in love with in high school, had been killed twice by Yang Yugan, he might not have solved the case with so much heart.

Yang Yu doesn't worry about Yang Lin at all now. The water ghost has been found out, and it's easy to do the following things. He was worried about his cousin Yunxi now, so he rushed home after school at noon.

Yunxi of course has got up, but the face did not smile in the past.

During the meal, Yang Yu quietly looked at the three younger sisters. The three younger sisters lowered

their heads and ate themselves all the time without laughing or talking.

Second sister Yaxi directly pulls Yang Yu to the backyard, looking at Yang Yu coldly.

Yang Yu swallowed deeply. Did my second sister and cousin already know that I bullied my third sister last night? Oh, no, it's a mistake. It's an eternal hate. Now it's really big.

"My mother went to class last morning, but my third sister didn't sleep well, and then she asked me if it was the third cousin who didn't take advantage of me?" Second sister's words are very strict. In this family, my aunt and Yunxi listen to Yang Yu's words most, while my cousin Yuanxi assists herself like a prime minister. Only second sister Yaxi, like a queen, has been fighting for her as a part of women's rights.

"Second sister, what do you say? My cousin usually plays jokes, tells yellow jokes, and even moves. But if you want to be serious, you must not dare. Besides, you are my cousin." Yang Yu knows that if he denies it, he will be more suspicious of his second sister's understanding of him. Therefore, he has to recognize what he should recognize, and he has to reject what is too much.

Yaxi listened to this paragraph, the first half she is completely agree with, but the second half, say not good, who knows cousin is who? Even an honest man like Wang Ren can be a sexual pervert. His cousin is more treacherous than Uncle Wang Ren. How can he not bully his third sister?

So Yaxi didn't believe it.

"Well! Last time I hid outside the toilet to watch my sister take a bath. On the first day I came to our house to sleep with me, I molested me. Who knows what kind of animal things my cousin would do? I tell you, the third sister is very simple. We all spoil her. If you do something you shouldn't do, I will never let you go! " The second sister said this in the same way as Liu Hulan. She sacrificed her life to die. She wanted to blow up the blockhouse. Yang Yu was really scared and swallowed deeply. After all, he had done something guilty and had a ghost in his heart. He nodded seriously, like an obedient child.

The second sister glared at her. She really wanted to eat people, and then she turned back to eat.

After dinner.

"Let's go to school together." Yang Yu asks Yunxi in a low voice. This is the first time he has talked to the third sister since last night. He is very nervous. He doesn't know how Yunxi will reply.

Yunxi didn't pay attention to Yang Yu at all, and even avoided Yang Yu far away and went to school by himself. Zhang meiruo had lunch and dinner at her home. After dinner, she came to Yang Yu's home to make up lessons and slept here.

Yang Yu's heart suddenly sank down, finished, cousin unexpectedly hid herself, she was afraid?

Yang Yu looks at Yunxi's back in front of him. Suddenly, he feels very guilty. He doesn't know how to retain the feeling of having been electrocuted with Yunxi, the feeling of being ambiguous and spoiled. All of a sudden, it seems that these things have become the smoke of a bridge.

Yang Yu wanted to stay, but he didn't know how to do it?

A few steps to run up, file in front of Yunxi, said: "last night is cousin wrong, cousin vowed never to do that thing, you forgive cousin OK?"

Yunxi didn't pay attention to it. He didn't even stop. He directly bypassed Yang Yu and walked forward.

Yang Yu's heart suddenly stabbed, very painful, it turns out that he is so concerned about Yunxi, his cousin's emotions, his cousin's words, Yunxi's beautiful smile will stay in Yang Yu's mind forever.

Needle into Yang Yu's heart, the original taste of needle is like this? Yang Yu Leng is there, this kind of feeling, how can you forget this kind of feeling? Seven or eight years ago, when his first girlfriend left him, it was more painful than that.

From that moment on, Yang Yu became a playboy.

In this world, there is no man who is naturally playful. Maybe men are naturally lecherous.

Yang Yu Leng is there, looking at Yun Xi's back, gradually disappear.

Chapter 209

After school, Yang Yu doesn't even have the heart to stay at home. He makes excuses to talk to Yunxi several times. Yunxi is when Yang Yu is completely transparent and turns a blind eye.

Yang Yu simply went to widow Liu's vegetable field to see what happened to her small vegetable plants. Sure enough, she had grown tender teeth and had a new life. Yang Yu wants to grab the tender seedlings and eat them to see how they taste.

But just when he was excited, a man suddenly appeared behind him. Yang Yu felt a chill and held the hoe tightly. Suddenly, he turned around and raised the hoe.

"Oh, what are you doing? I'm scared to death." It turned out to be a village woman.

"How can sister Han be you. It scared the hell out of me As soon as Yang Yu saw it, it turned out to be Han's sister-in-law. I don't know how Han's sister-in-law suddenly appeared here. However, Yang Yu immediately began to pretend to be a fool. In front of these hungry village women, it's impossible not to pretend to be a fool.

"Why are you nervous? My sister-in-law won't eat you again." Han's sister-in-law was talking and laughing. She looked at Yang Yu and thought to herself: this boy is still so handsome.

Yang Yu looks embarrassed and wants to avoid Han's sister-in-law, so that she won't pester herself again: "Han's sister-in-law, I'm ready to go back."

"What's the rush?" Han's sister-in-law grabs Yang Yu and refuses to let him go. She starts to cry again.

"This vegetable field seems to belong to widow Liu. How can you loosen the soil here?" Han's sister-in-law casually found a topic to talk about.

Yang Yu touched his head. Of course, he couldn't tell Han's sister-in-law the secret of the vegetable field. Once the news got out, the villagers would rush in, and there would be no chance to get rich.

"I'm by the way," Yang Yu said casually.

"You can't have an affair with widow Liu." Han's sister-in-law loves gossip, especially about men and women. She is most interested in it.

"Sister Han, you can't talk nonsense about this. It's said that you don't like Aunt Liu. It's hard for mother and son." Yang Yu doesn't dare to let Han's sister-in-law talk about it. The truth will be spread out. If it is spread by mistake, it will completely change. Maybe it will be me. Yang Yu may even seduce widow Liu.

"You're nervous. Oh, by the way, are you still investigating the water ghost recently?" Han Sao asked casually.

"Yes, we have found the woman named Zhou Luoyan, and it will be clear soon." Yang Yu is also straightforward about this matter. There is nothing to hide. Besides, Yang Yu originally wanted to ask them about this week's falling geese.

However, when sister Han heard the name of "Zhou Luoyan", she shivered and her face suddenly changed.

Yang Yu's careful observation caught this unusual signal at once. Could it be that Han's sister-in-law knew something and quickly struck while the iron was hot and asked, "do you know her, sister-in-law Han? Why don't you tell me?"

"No, no, No." Han's sister-in-law waved her hand in a hurry and said "no" three times in a row. Then she said, "I think I'll go back first and cook dinner. When I'm free, remember to come to my house."

With that, sister Han left.

Yang Yu Leng was there. This time it was his turn to be surprised. He thought to himself: sister Han's look was clear just now. She knew something, but why didn't she say it?

Yang Yu couldn't figure it out, but he didn't worry about it, because he made an appointment to find

police officer Lei and Li Ruolan in the evening. They must have found a clue.

When I passed by widow Liu's house, I suddenly thought of the fish that Ben Erniu always carried in his mouth. I wanted to go into the house to test Ben Erniu. However, just now, sister Han saw that she was loosening the soil on widow Liu's vegetable field. She was afraid that other people might misunderstand him, so she had to make a detour.

When Yang Yu saw the widow sitting at the door of the house, he thought that he was still sitting at the door of the house.

At dinner, Yunxi still didn't talk to himself. Yang Yu tried to find an excuse to talk to him several times. Yunxi just lowered his head and didn't say a word.

In the evening, Yang Yu has to go to Li Ruolan's house to make an appointment, so no one will come to my aunt's house to make up lessons tonight.

The village head has arranged a separate residence for officer Lei, and the meal is naturally at Secretary Li's home. After all, he and Li Ruolan are high school classmates, but the village dare not neglect them.

When Yang Yu arrived, officer Lei was drinking alone with Secretary Li. It seems that Li Yan is in her room correcting the test paper while Ruoyan is chatting with other people.

Li Ruolan is waiting for Yang Yu to sort out the information.

Yang Yu saw that officer Lei was still drinking with Secretary Li, so he went to find his girlfriend first, and quietly entered the room and closed the door.

Li Ruoshui was held in his arms from behind.

"Oh, it scared me to death. Who do I think?" Li Ruoshui found that it was her boyfriend and gave a smile.

"No one dares to cuddle my girlfriend but me." Yang Yu is from the back to embrace the past, this embrace simply came to strength, directly across the clothes to grasp Li Ruoshui's milk.

"Oh, you can't touch it with a bra on." Li Ruoshui doesn't struggle. Anyway, Yang Yu can't figure anything out. Yang Yu's face was black.

"Then you take it off and let your boyfriend touch the milk." Yang Yu didn't take advantage of Li Ruoshui. It's no wonder that Yang Yu wants to cheat with his girlfriend's Sister Li Ruolan. Li Ruolan doesn't know how cool it is.

"They're all here. If they find out what to do, don't do it. Next time, if you're alone, I'll give you a touch." Li Ruoshui is in a good mood tonight. If Yang Yu seldom comes to find himself, he should be rewarded.

"Next time you leave the door open downstairs, I'll sneak over to you in the middle of the night and then sneak away again, OK?" Yang Yu is really familiar with this kind of thing. For the first time, he climbed directly behind the stone wall and climbed into Li Ruoran's room on the second floor. For the second time, he slipped into Li Ruoran's room and had sex with her. Frankly speaking, it was his first date with his girlfriend's sister.

Make Li Ruolan work like a three-year-old baby.

Therefore, if you can sneak in and be your girlfriend Li Ruoshui, Yang Yu is very happy.

"You seem to have a lot of experience. Do you often do this behind my back?" Li Ruoshui deliberately tilted his mouth and showed Yang Yu his face.

Yang Yu was shocked by what he said, but he immediately calmed down and coaxed: "I only do bad things with you, and I have to do my baby a lot."

"You only have sweet mouth and don't accompany me much." Li Ruoshui is coquettish.

"Yes, I asked you to open the door for me and let me slip in to accompany you." Yang Yuxin swore and replied solemnly.

"Cut, you want to take advantage of me." Li Ruoshui is not fooled.

"How to take advantage? You're my girlfriend. You were meant to play for me." Yang Yu thinks that this sentence is very reasonable and confident.

"Oh, when I go out alone with you in the summer vacation, my parents are watching me at home. I'm not at ease." Li Ruoshui said, thinking about his sister sleeping opposite, the second sister and parents are downstairs, he was secretly in the room by his boyfriend do whoa whoa, always feel insecure, afraid to be found by them.

Yang Yu also had to give up, thinking: if you don't let me vent, you can find your sister to vent.

It's just a matter of time.

The door opened. Officer Lei, Li Ruolan, Li ruorong and Hua Yuyan all came up.

They are also very concerned about the progress of this matter, especially Hua Yuyan. Seeing officer Lei in, she specially came to understand the situation.

Yang Yu said hello to them.

When all of them sit in the bed, they all close the door.

"Have you got the information? What's Zhou Luoyan's background?" Yang Yu first asked officer Lei.

Officer Lei is silent. Yang Yu turns to see Li Ruolan again. Li Ruolan is also silent.

"Strange, what's the matter? You look like a ghost. Lan Jie, you say it. " Yang Yu thought, did you really find the clue of terror, and everyone's face was so ugly? Is there really a water ghost?

"To disappoint you, we didn't find anything." Li Ruolan said without expression.

"How is that possible?" Yang Yu's face suddenly became ugly.
