Chapter 295

night. half past eleven.

The night wind is high.

There is no fog in yunu village tonight, but it is more terrible than fog, because somehow, the villagers go to bed very early tonight.

Quiet. It's terrible.

Yang Yu, Li Yuanxi, Li Yunxi, Lin WeiMiao, Lin Weixiao, Li Ruolan and Hua Yuyan gathered at the gate of the soyan haunted house to prepare for an exciting adventure tonight. If Li Ruoshui doesn't come, Li ruorong has never been interested in such things. Originally, Yang Yu wanted to ask Yang Lin to come, but during the holiday, Yang Lin went home and was no longer in the village.

Besides, Su Xiaoxiao is in the next room, and Yang Yu wants to call him. But he doesn't go out until 12 o'clock, and there are so many people, I don't think they will be happy. That's all.

Yang Yu also wants to call a man to strengthen his courage, but when he calls, not only no one comes, but he also regards Yang Yu as a madman.

It's not easy for Yang Guiyu to take care of such a beautiful woman. I hope there's no way to take care of such a beautiful woman.

"After you go in, don't run around. Everyone line up. I'll go to the front. Sister LAN will go to the back. The students in the middle can't get lost." Yang Yu has warned these people long ago, and Li Yunxi, his cousin, is the whole person who nests behind Yang Yu.

"Cousin, what are you afraid of? There are so many of us. We dare not come out with ghosts." Lin WeiMiao refuted.

"Well, let's go in." Lin Weixiao has begun to urge.

There were three flashlights for seven people, one in front and one in back.

Squeak!

Yang Yu opened the door.

People immediately excited up, curious about the unknown world, they want to go in, but they are afraid.

A cold wind came.

The wind made everyone shiver.

Yang Yu walked in step by step. The haunted house at night was completely different from that in the daytime. Although it was the same house, the atmosphere at night, especially near the early morning, was different.

Like other old houses, the first thing to enter is the eaves. Outside the eaves is an open-air yard, bare and without anything.

It's very quiet, only a few people's heartbeat.

Yang Yu suddenly saw a piece of blood juice, guess that it is the last two donkey friends. Yang Yu remembers that a few months ago, there were two corpses lying in this position.

"Why is the door closed?" Suddenly someone asked.

Everyone turned back together. Three flashlights flashed at the same time. The door was closed.

No one knows when the door closed.

"What's to be afraid of when the door is closed? Maybe it's blown by the wind, but it's not locked. Make a fuss." Said Lin WeiMiao.

The twins didn't expect to be scared.

There's only one door. There's nothing to be afraid of. Besides, I just entered the haunted house. I can't be scared away by one door.

"Cousin, let's go back. It's so gloomy here." Li Yunxi is timid. She nests behind Yang Yu and dares not look anywhere. But she just wants to follow Yang Yu. If she doesn't come, she'll be afraid of regret. When she comes, she'll regret even more.

"Ha ha, there's something more terrible in you." The twins are really messy. Isn't this meant to scare Yunxi? However, Yunxi here is the youngest, timid is normal.

"Don't scare her, Yunxi, just take your cousin's hand." Yang Yu takes advantage of this opportunity to spoil and coax Yunxi. Yunxi will feel very warm. And they went on in spite of the door.

Door, ordinary wooden door, but once closed, maybe the door is not as simple as the door.

At this time, time did not know why, suddenly walked fast, the same as midnight.

The entrance of the back mountain suddenly spewed heavy fog towards the haunted house.

The structure of this haunted house is a little different from other houses. Other houses are symmetrical on the left and right, with eaves in the middle, inner courtyard and then outer courtyard shared by all. The house is a little independent. After entering the inner courtyard under the eaves, it is the inner room. There is a corridor in the inner room, which is a bit like a hotel. But it is different from a hotel. Each room in the hotel is independent, but it is not here.

The corridor looks very deep. The idea is that it's curved. When Yang Yu's flashlight shines on it, it can't reach the edge at all.

"What did this house do before? Why is it so strange?" The rear flower language Yan asks a way.

Both sides of the corridor are cobwebs, full of dust, and the ground is full of ash. It seems that no one has been here for hundreds of years. Before Yang Yu came, he just turned around in the inner courtyard and never entered the corridor.

"There's nothing terrible. Where's the ghost?" Lin WeiMiao said.

This boy is really proud.

Around a corner, there was no shadow in the corridor behind. Although there were a lot of people, they were all crowded together. The more they went, the more gloomy they were. The cold wind was blowing. The flashlight is very important in the dark night.

At this time, Yang Yu found that there were two entrances in front of the corridor, one down and the other down. Yang Yu chose to go up.

Dong, Dong, Dong.

Everybody was walking on the stairs and there was a thump.

"What's the matter?" Lin WeiMiao said to his sister.

"What's the matter?" Lin Weixiao replied in surprise.

"Why did you just touch my shoulder?" Lin WeiMiao also asked suspiciously.

"I didn't touch your shoulder." Lin Weixiao returned.

With these words, they were suddenly silent and turned pale, because they felt that there was someone around them. But it was too dark. The flashlight was in the hands of Yang Yu in the front, Li Yuanxi in the back and Li Ruolan in the end.

From Li Yunxi to Lin Weixiao, the three of them didn't have flashlights. Although the three flashlights had enough light, just now, Li Yuanxi in the back happened to shine back. In this way, the place of the three in the middle suddenly became dark.

"Ah! There are ghosts. " They cried out at the same time.

It's amazing.

Li Yunxi was scared in front of her. She was trembling in her heart. When she was yelled like this, she burst out immediately. She didn't know where the strength came from to push forward. This push, the result was good. Yang Yu was pushed down. This time, the flashlight fell down the stairs.

Lin WeiMiao, Lin Weixiao is so scared that he runs back and bumps into Li Yuanxi, Hua Yuyan and Li Ruolan in the rear.

Li Ruolan quickly picked up the flashlight and took a photo to the position just now.

Nothing.

There's no ghost. There's no one.

"Be quiet!" Li Ruolan yelled, and the crowd calmed down.

Lin WeiMiao and Lin Weixiao saw that there was no ghost. There was only one wall. There was nothing but the wall. It was just that the wall was very special.

"It's all your fault, yelling and frightening everyone." Lin WeiMiao and Lin Weixiao are pushing and shouting again. That's what they are.

Just as everyone was relieved, Li Ruoshui said a word.

This sentence really scared everyone to death.

Li Ruoshui said:

"wait, where are my cousin and my sister?"

Li Ruolan and Li Ruoshui shine their flashlights forward at the same time. There is no one on the stairs, but there is no Yang Yu and Li Yunxi.

The flashlight was still on, shining into the deep corridor behind.

But people's faces were pale.

"Cousin, cousin, where have they gone?" Lin Wei couldn't say anything. The stairs in front of him kept going up, but there was no one. The back stairs went down, and there was no one.

"What do we do now?" Lin Weixiao was stupefied.

Yang Yu, the leader, disappeared suddenly. How can we go on this exploration?

Yang Yu, the man, is not there. Li Ruolan, the oldest, is the only one left.

"Find them first." Li Ruolan is calm on the surface, but he has some thoughts in his heart like everyone else.

Hua Yuyan picked up the flashlight left by Yang Yu and said, "it's estimated that he deliberately hid to scare us. He must be upstairs. Go up and have a look."

So everyone went on.

Just this time, Hua Yuyan came to the front, and Li Ruolan was at the back of the hall.

But this time, everyone's mood changed instantly.

If we really came to explore before, now, the sudden disappearance of Yang Yu and Li Yunxi has changed everyone's mood. Especially Lin WeiMiao and Lin Weixiao. Lin WeiMiao clearly felt that someone was patting her shoulder just now, but her reason told her that her sister would not lie. If her sister had not patted her, who would she be?

This prank is not funny at all.

In the dark moment just now, they clearly felt a figure standing beside them. The figure had black hair and waist. They didn't see her face or what she was wearing, but they could be sure that she was a woman.

A woman with black hair up to her waist.

It's hard to let the twins get creepy. Now they don't dare to talk. I just want to find Yang Yu quickly and go back.

But they went to the wrong place. It was a way of no return.

Yang Yu didn't know where he fell suddenly, and his buttock hurt to death. Slow over God, found that the flashlight is gone, in front of a dark, no light, is really black. Yang Yu feels as if it's a closed place. He thinks of it again. It seems that Yunxi has fallen down with him and shouts Yunxi in a low voice.

Now Yang Yu can only touch it, fortunately, he touched a wall.

Suddenly, someone reached out and held Yang Yu.

Yang Yu was immediately startled, but immediately responded.

"Yunxi, you scared your cousin to death. Are you hurt?" Yang Yu asks in a hurry, actually can't see Yun Xi at all, because it's too dark. See Yunxi did not answer, Yang Yu thought she was scared, before is also like this. Yang Yu had to comfort a few words, holding her hand and walking along the wall.

Holding Yunxi for a while in the dark, Yang Yu suddenly hears a voice:

"cousin, where are you? I'm afraid

On hearing this, Yang Yu turned pale.

This voice is clearly Li Yunxi's. If this is Li Yunxi, who is the woman I am holding now?

Yang Yu felt that his hands were cold, and the ice went to Yang Yu's bones. Yang Yu did not dare to go. In the hot summer, it was very stuffy and dry. His forehead had already sweated, and his back was cold.

Yang Yu quickly broke away his hand and ran along the wall. Although it was dark in front of him, he might bump into something if he was careful, but he had to run away from the "man" just now.

"Cousin is here, Yunxi. Where are you?" Yang Yu asked in a hurry.

It's too dark. There's nothing but voice to explain.

My cousin's voice rang out again, but this time, it suddenly appeared behind me:

"cousin, how did you leave me?"

Yang Yu is a fool.

The voice of two cousins. Who is the real one? Who is his cousin?

Even if you are a ghost, you can't be the roundworm in Yunxi's stomach, right? Yang Yu turned his head and suddenly asked, "what's the closest thing I've ever done with you?"

There was a silence.

Waiting for the answer is the hardest time.

"You touched my privacy." The cousin in front returned. This is the same as Yang Yu expected, and he hurried to the front.

Sure enough, I found Li Yunxi, though I still couldn't see his face.

"We have to hurry out." Yang Yu takes Yunxi's hand and touches it along the wall. Finally, he finds a door.

The door is a very interesting thing.

Sometimes, to heaven, or maybe to hell.

Li Ruolan went up to the second floor to look for Yang Yu's shadow. He also cried all the way, but Yang Yu was not upstairs at all. On the contrary, he was downstairs. Where can you hear him.

On the second floor, there are many rooms. The structure of the rooms is slightly different from that of traditional Chinese rooms, but there is a hole on the door, which is similar to cat's eye.

"Would you like to come in and have a look?" Hua Yuyan suggested. Yang Yu wanted to find it, but they all came. This exploration is also necessary.

"Don't you have cat's eyes? Let me see. " Or Lin WeiMiao is bold. What happened just now hasn't frightened her. With that, Lin WeiMiao went to his nearest room. Then he leaned close to the door, put his eyes close to the cat's eye, and looked into the room.

"What do you see?" Lin Weixiao, the sister next to him, asked.

After watching for a long time, Lin WeiMiao left the door, looking puzzled, and then said to everyone:

"strange, there is nothing in the room, I only see a piece of red."

As soon as these words come out, people will look at me and I will look at you.

"No light, so dark, how can you see red?" It seems unscientific that my sister Lin Weixiao's brain turns fast.

"Don't believe it. You can see for yourself." My sister retorted.

Sister thought for a while, changed a room, looked into the hole.

Suddenly, what you see is also a piece of red.

"Don't worry about it. It seems that my cousins and sisters are not here. What should I do?" Li Yuanxi is a little anxious. These two are her closest people. How can we say they disappear when they disappear.

"Is it my cousin's prank to scare us?" Lin WeiMiao still has this idea.

"No, although Yang Yu sometimes makes no sense, he knows how to be proper and mature. He can't do such boring things, and Yun Xi can't play a prank with him." Cousin Yuanxi retorts. She knows these two people very well. She knows that Yang Yu can't play a prank in this situation. That's really boring. Moreover, Yunxi's EQ is low and she has the least courage. She can't collude with her cousin to do it.

"I suspect it's a secret passage down the stairs. Let's go downstairs and look for it." Li Ruolan is clever. There seems to be nothing on the second floor except rows of rooms. If Yang Yu is not a prank, he must have been hit by something.

Everyone agrees. Fortunately, there are three flashlights, which can shine clearly in the dark corridor. However, the flashlight is only a flashlight after all, and the range of light is very limited, especially for the person behind, as for what will be behind him, he doesn't know at all.

They went back to the circular staircase. It seemed that there were some attics on it, but they were not ready to go up, they were ready to go down.

Lin WeiMiao and Lin Weixiao were still murmuring. What was the red one in the room just now? What would be red?

When Yang Yu opened the door, he found a glimmer of light. He suddenly saw a moon.

The moon is dark, the wind is high, and the fog is heavy.

Here, it's not a haunted house, it's outside the house, but how can there be such a world outside the house?

At the same time, Yang Xiyu didn't turn his head. This does not turn good, this turn, the soul of Yang Yu are scared out. Li Yunxi's eyes were covered with blood.

The original fresh skin turned black, black.

At the moment of Yang Yu's surprise, something incredible happened.

All of a sudden.

All of a sudden.

Li Yunxi's skin instantly changed from black to dry, and from a young girl suddenly became an old

woman, just like all the essence was absorbed overnight. All the deformation, in an instant into a mummy.

Yang Yu looked silly and quickly broke away his hand. He found that he had been holding his hand and had become skin and bone.

Yang Yu was terrified. In a few seconds, a young girl was sucked dry. She became an old woman and a mummy. The mummy fell down and broke to pieces, leaving only white bones.

All this came so suddenly that Yang Yu doubted whether he was dazzled. But he rubbed his eyes. Yes, there was a white bone on the ground.

"Yunxi?" Yang Yu yells, Yunxi is still in the room? Yang Yu rushes in regardless of everything this time. Yunxi can't do anything.

Li Ruolan took the people down, but when they got downstairs, they were silly.

"Why another row of rooms? Isn't this the second floor? " Lin WeiMiao suddenly got a little scared.

as like as two peas, it's clearly a corridor. How did it become the same layout in the two floor? A deep corridor and rows of rooms.

"I'll see the room." Lin Weixiao said, and went through the hole to see the room, found that it was still a red.

There is nothing in the room but red.

"What's going on?" Hua Yuyan is also anxious.

"It's not really a haunted house, is it?" Lin WeiMiao quietly turns his head and looks around. The more he looks, the more wrong he feels.

It's black with paint, cobwebs everywhere, and dust all over the ground. It seems that the wooden board has been for hundreds of years, and it's squeaking on it, as if it would fall down at any time.

All of a sudden, the crowd was really anxious.

We all run down the arc stairs. This time, it's true.

However, after running again and again, the crowd was panting, but the second floor couldn't get out.

The fog has gradually enveloped the whole ghost house.

"What to do? What should I do? We're trapped here? There's a ghost, really there's a ghost? " Lin

WeiMiao and Lin Weixiao can't run any more, but the horror has just begun.

"Are these illusions?" Hua Yuyan said.

Now even the most calm Li Ruolan and Li Yuanxi are nervous.

Suddenly, the three flashlights flashed.

It was all dark in the corridor.

"Turn on the flashlight." The twins are crying.

Three people clap flashlight in a hurry, how can suddenly have a problem? That flashlight is flashing, sometimes good and sometimes bad.

"You see," said Hua Yuyan, pointing to the deep corridor ahead.

A woman suddenly appeared ahead.

Dong, Dong, Dong, the woman was wearing a red skirt, red sandals, her hair hanging down, covering her face, walking on the shivering board, making a squeaking sound.

Yang Yu ran back to the room just now, but it was so dark that he couldn't see anything, so he had to touch the wall and move forward.

"Yunxi? Yunxi Cried Yang Yu.

However, there was no sound in the room, suddenly.

Suddenly, I felt a dress. Yang Yu along with the clothes touch in the past, touch in the past, touch a hard object. Yang Yu took it and touched it. He was startled. It was a skull. Yang Yu threw it in a hurry, and the skull rolled on the ground.

"FUCK ! Where the hell is this Yang Yu scolded.

Obviously, cousin Yunxi is no longer here.

Yang Yu suddenly had another doubt in his mind. I fell down from the first floor. This should be the basement. How could there be woods outside the basement? Yang Yu rushed out again. Yes, it was a forest outside.

Nima, this is unscientific.

At this time, a bad smell came out of the woods.

The fog shrouded the trees, and the woods were hazy. Just like the entrance of the back mountain, they were gloomy. What Yang Yu could not understand was that the trees were not green, but black. It seemed that the whole forest had rotted.

It's early summer now. Why are the trees withered?

Yang Yu suddenly felt that there was another world in the tree.

All of a sudden, Yang Yu heard the sound of a piano.

The sound of the piano? Did I cross? This is the pipe.

Yang Yu looked up, it was really the night sky, but there were no stars in the night sky, but there was a moon, and the moon was different. He felt a lot red.

Yang Yu turns his head and looks at the old house. He finds that it looks like the backyard of a haunted house. It's just a strange backyard. This backyard seems invisible from the outside. It's so hidden. The sound of Qin came from the woods. It was sad, sad, resentful and desolate.

Won't Yunxi go into the woods? Who still plays the piano in the middle of the night?

It seems that Yang Qinyu has the same magic power to get rid of the sound of the dead, and he can't help but move.

Who doesn't live like a walking corpse?

The rotten smell of the forest is very special, more like a rotten corpse, without any human flavor. The fog is getting bigger and bigger. When you go to the woods, you can't see anything, but you see a woman.

The woman is sitting in a tingzi. Tingzi is also black. Its structure is very special. It's not Chinese style at all. It's a bit European and American. What's more strange is that Yang Yu, the creature carved on tingzi, has never seen before. They are all monsters.

Women's white clothes, thin as silk, black hair, moonlight, women look more beautiful, cool.

Yang Yu passed without knowing it.

"Yang Yu, why are you here?" The woman asked in surprise.

"Su Xiaoxiao, why are you here?" Yang Yu is more astonished, God, how can I see Su Xiaoxiao, the super beauty here?

The sound of the piano suddenly stopped.

"You can't come here." Su Xiaoxiao quickly stood up and came to Yang Yu.

Yang Yu looked around. The world here is really special. The moon is slightly red, half covered by dark clouds. There is no wind, no wind at all. There are mountains and trees, ups and downs, but they are all black, not even other colors.

There seems to be only black and white in this world.

"There are two naughty people in my family who have to come here for stimulation, so they brought them here. You haven't said, why are you here? It's terrible to play the piano in the middle of the night. If we hadn't known each other, we would have thought you were a ghost?" Yang Yu is still in the mood to tease. Yunxi's affairs will be forgotten.

Su Xiaoxiao was obviously in a hurry. He kept turning his head and looking back, as if he was waiting for you.

"So you're dating?" Yang Yu said unhappily. I thought I was the only man in her eyes. Unexpectedly, I was a whore? You're dating other men without telling yourself?

Nima! Yang Yu suddenly felt that he had been cheated.

"Let's not talk about it. Take them back quickly. There's a staircase in the backyard. You should be able to find them. Go quickly." Su Xiaoxiao tries to push Yang Yu. Suddenly, he pulled back and said, "wear the cross pendant around your neck. Don't lose it. It's your life."

Yang Yu wanted to see which man he was, but he didn't find Yunxi yet. He lost him with everyone. It's better to get together with them first. After all, he just left, and there's not much doubt about the others.

Yang Yu went out of the woods, went up a staircase leading to the second floor in the backyard, and then looked back to the woods. The fog shrouded him. He couldn't see clearly, but it seemed that there was really a man coming. No, it seemed that there was more than one man.

"You can't judge a man by his appearance." Yang Yu muttered, then reached out and touched the cross on his neck, thinking: Why did she remind me not to lose this pendant? Can this pendant really exorcise the devil?

Li Ruolan and others were still in the corridor. The flashlight flashed, and the red woman in the distance

came here, looking extremely terrible. Lin WeiMiao and Lin Weixiao are so scared that they can't help hugging each other.

"Wait, Yunxi?" Li Yuanxi first recognized, that step by step toward their own girl is clearly Yunxi ah.

What happened to Yunxi?

Li Yuanxi is not afraid. After all, she is her own sister. She runs up with a big step. Others want to stop it, but it's too late.

At this time, a man appeared at the end of the corridor.

Yang Yu made a few turns and finally entered the house from outside. He turned a few more turns and came to a corridor. On the other side of the corridor, he saw Yun Xi in red dress and her cousin at the end of the corridor, and rushed up.

"Yunxi? What's the matter with you?" Seeing Yunxi's trance, Yang Yu grabbed her arm and asked.

In Yunxi's eyes, when he saw the pendant Yang Yugang had just taken out of his chest, he suddenly trembled, recovered his mind and asked, "cousin, what's the matter?"

The others followed in a hurry.

"Where did you go just now?" Li Yuanxi asked in a hurry.

"It seems to have fallen down. It's OK for everyone." When Yang Yu saw that everyone was safe, he was relieved.

"What's all right? We're trapped here. It seems that there's something here." Lin WeiMiao interrupted immediately.

Yang Yu couldn't understand what they were saying for a moment, but there was something strange in the haunted house. But at this time, Yang Yu was worried about Su Xiaoxiao. How could she not be afraid of ghosts?

"Yes, yes, we can't get out, and every room here is red. It's terrible. I don't want to stay here anymore." Lin Weixiao also said.

"Red?" Yang Yu was surprised.

The surprise is not why the room is red, but that he has done such a dream, a piece of red, Yunxi also had such a dream. That night, Yang Yu met Su Xiaoxiao. Yang Yu looked up at the rooms on both sides of the corridor.

He walked over and swallowed deeply. He wanted to have a look for himself. He aimed his eyes at the small hole in the door and looked into the room.

What Yang Yu saw was also a piece of red, strange red. Yang Yu is a little unconvinced. He looks at it again. It's really red. Is it red paint?

"Well, let's go home first." Yang Yu said that he didn't tell them what he heard and saw after falling.

There are two kinds of sounds in the dark room, not Yunxi's Yunxi, but the mummified Yunxi, the skeleton, the rotten woods, the sound of Qin, Su Xiaoxiao, the red moon, the black and white horizon, the man and so on. Yang Yu did not say, nor need to say.

Yang Yu took Hua YuYan's flashlight and went to the front.

After walking for a while, he suddenly kicks something. Yang Yu takes a flashlight and looks at it. It's a camera.

Yang Yu suddenly remembered that teacher Meilian had made a bet with him and asked him to come to the haunted house to find a camera. It was said that it was taken by two donkey friends on an expedition last time, so he picked it up and took it out together.

Found the ring down the stairs of the channel, people just ready to go down, the corridor actually came crying.

"Su Xiaoxiao?" Yang Yu suddenly Leng for a while, that night Su Xiaoxiao also cry like this.

"How can anyone cry?" Everyone was startled.

"Don't worry. Crying in such a place in the middle of the night is definitely not a clean thing. Let's go." The last Li Ruolan said. She's at the back. Her voice is closest to hers. It sounds the most realistic and desolate.

Yang Yu is in a bit of a dilemma. Is it su Xiaoxiao?

Seeing that Yang Yu hesitated, they immediately urged him to get up. They were all chilled by the cry, which seemed to come from the room in the corridor.

This time, under the leadership of Yang Yu, they went downstairs. Everyone felt very magical. They couldn't get out of the second floor. As soon as Yang Yu left, how could they get through? It's amazing, especially the twins. They admire this fake cousin all of a sudden.

Finally out of the door, this time out is still smooth.

Everyone looked back at the haunted house and was relieved. Everyone's mood was different. Especially

Yang Yu, still thinking, why is Su Xiaoxiao there? Who is she waiting for? What's the mystery you're encountering tonight? Is there really a ghost?

But no one has ever seen a ghost? What about the red in the room? Who is crying? Maybe they took it as a pure haunted house exploration, but Yang Yu didn't think so. He vaguely felt that Yunv village was actually a bigger haunted house.

On the way, Yang Yu asks her cousin about her experience after she fell down. Yunxi just shakes her head and says that she can't remember anything. She has lost her memory.

Anyway, in the future, Yunxi will not step into the haunted house.

Chapter 298

[+ - Turn off](#) [Reset](#)

"Ha ha, the adventure tonight is really exciting. It's really a haunted house. Cousin, look at what the camera has recorded?" Lin WeiMiao and Lin Weixiao are still very excited on their way back.

Yang Yu was a little disgusted. He glared at them angrily and said, "first, I'm not your cousin. Don't yell. Second, fortunately, everyone is OK tonight, or you two will die. Third, don't be so curious. Curiosity will kill the cat."

The twins made a grimace at the same time. It seemed that they were not afraid of Yang Yu.

My aunt saw that the group of people came back at two or three o'clock in the morning. She was so anxious and angry that everyone was so tired that she went to bed directly. The camera was placed on the table, and Yang Yu had no energy to watch, so he went to sleep.

The next day, the sun was very hot.

At noon, it's crazy. Yang Yu wants to take off all the short sleeves and shorts, but it's not suitable for so many beauties at home, and the twins are not so familiar. However, some of them did not think so. It was so hot that they all wanted to take off their clothes. They basically did not wear bras.

"It's such a hot day. Why don't you go swimming." Said Lin WeiMiao.

Anyway, Yang Yu can't tell who is who. However, he agrees with this idea. If he doesn't soak in the water, he will heat up the next layer of skin.

"Are you going, cousin?" Yang Yu is most concerned about this.

"No, there are a lot of smelly men over there. They always stare at me." Li Yuanxi said. Li Yuanxi hates those smelly men in the village most. They are lusty and obscene, and few of them are normal.

Therefore, she seldom swims in summer, and she also goes to Taohuayuan.

Taohuayuan hot spring, in summer, the magic of ice spring, but also in the cave inside the pool, super cool. Many girls and women in the village go there, but there are also shortcomings. First, it's very crowded when there are many people. So ordinary people seldom go there. Later, Li ruorong managed it, and only some relatively noble women would go there.

Therefore, it is also reasonable for Li Yuanxi not to go swimming and bathing in the yunu river.

If a super goddess like her cousin is seen by other men, Yang Yu will not feel comfortable. Her cousin belongs to him alone.

However, Yang Yu doesn't like to take Yunxi, because it's inconvenient. The three sisters are too clingy to themselves. They have to keep a lot of things from her, and they have to pay attention to their image. As a result, the twins had to go. After all, they came to play, not to work.

Although Lin WeiMiao's hometown is also in the county, his uncle's sister bought a house in the city. They both grew up in the city. City people are especially interested in some things in the countryside, such as mountain climbing, swimming, exploration, camping, picnics, etc.

He is also lively and sunny in character, relatively open and generous in thought, and has a lot of courage.

This time, Yang Yu still took them to the place where they were last time. After all, it was not dusk time. At noon, there were fewer people. It is estimated that in another two hours, with today's temperature, it will be crowded here. At that time, Yang Yu had already swam well and went home, just in the wrong direction.

But after all, it's a hot day, and there are still some people. When Lin WeiMiao arrived, he let go of his hands and feet. City people don't care about trifles. Yang Yu also took off his clothes and trousers to enter the water. It's comfortable to enter the water at this time.

The three were swimming by themselves. As a result, Yang Yu met a person he didn't want to meet: Pan caier, a big whore in yunu village.

Pan caier's three-point appearance makes the village men's eyes straight. She is always surrounded by some smelly men, but Yang Yu has a headache. Those men hate Yang Yu, so they make Yang Yu smile bitterly.

"I'm not a goblin. Why do I have to run every time I see you? I'm afraid I'll eat you." Pan caier made a serious analogy.

"I'm not afraid that sister cai'er will eat me. I'm afraid that the men around you will eat me. ha-ha." Yang Yu also joked. Can't this woman hide.

However, pan caier's side is often surrounded by men, most of whom are familiar as village heads.

However, it is undeniable that pan caier is really a goblin, a goblin who can eat people, especially men.

"You are the village head, and you are afraid of them. Do you want to come to my house at night?" Pan caier sent out an invitation again. She said this invitation to Yang Yu many times, and each time Yang Yu resolutely refused.

"You are a goblin. I'm afraid to eat when I go to you. I want to save my life. Let me go, sister cai'er." Yang Yu's fear of Pan cai'er is different from that of Li Ruo Rong. It's not a real fear of Li Ruo Rong. It's a heart without courage. But pan cai'er is really afraid. Such a big bitch has a relationship with her. Two words: it's over.

"Even if I'm a goblin, I don't want to eat such a handsome guy as you. Besides, some people don't want me to eat you." Pan cai'er said with a smile that his eyes were really tempting.

Yang Yu didn't understand pan caier's words, and he didn't ask questions, so he wanted to find an excuse to swim away.

At this time, Yang Yu suddenly thought of a question and turned his head and said, "sister Cai Er, I want to ask you a question."

"Come on, handsome." Pan caier swam over and put his hand on Yang Yu's shoulder. His eyes were like enchanting. Yang Yu has a bitter smile on his face. Pan caier was the first person Yang Yu knew when he came to this village. Although she was a whore at that time, he didn't know that she would be so coquettish. If he had known that, he shouldn't have asked her the way. Over the past six months, Yang Yu has always intentionally or unintentionally linked up with pan caier. For example, when he went to Taohuayuan, he met her cheating with Uncle Ming. Later, he doubted her husband Liu Anguo in the water ghost case. When he met her in the village, he would pester and chat with her.

If Leng Xiaoxue regards herself as Zixia, then pan caier is Pan Jinlian's reincarnation. It's just that Pan Jinlian's husband Wu Dalang has been poisoned by her. I don't know if pan caier's husband Liu Anguo has been killed by her and her lover.

But Liu Anguo has been missing for a year and a half without any news.

"Is the old house next to your left occupied?" Yang Yu asked. Although this question has been answered for a long time, pan caier, as a neighbor, may know more.

"There are no residents. Why?" Pan caier replied that she has lived there for many years. Don't you know if there are people next door?

"Do you know that there is a woman named Su Xiaoxiao in our village?" Yang Yu didn't want to ask this

question, but the experience of the haunted house that night really made him curious, and the closest thing to the house was pan caier, so Yang Yu just asked.

Pan caier's eyebrows slightly Zou for a while, this subtle action Yang Yu sees in the eye.

"Never. You're looking for her?" Pan caier replied, but his face didn't seem very natural.

"No, I asked casually. I went swimming first." Yang Yu says hello, smiles and goes down to the bottom of the water to the twins.

Pan caier looked at Yang Yu's figure like a loach in the water. His face suddenly changed and became very terrible. He muttered: that bitch!

Yang Yu saw a beautiful leg in the water, suddenly had interest, quietly swam past, swam to the beautiful leg girl's back, suddenly hugged from behind.

"Hello, cousin!" Naturally, it's Lin WeiMiao, the twin sister. Lin WeiMiao is startled. He thinks that he has met an obscene man. When he turns around, it turns out to be Yang Yu. It doesn't matter.

"Are you a sister or a sister?" Yang Yu has always been unable to tell the twins who are big and who are small, who are wonderful and who are lifelike.

"I won't tell you. That elder sister seems to be seducing you just now. Why don't you go to her?" Lin WeiMiao said that it's too common for her to pick up girls in her school. No, it's common for her to make an appointment. Lin WeiMiao is not a little girl.

"Because I want to soak you." Yang Yu said, looking at her chest all the time, and found that the cleavage was still very deep, and the V-shaped place was close to the two breasts, which was full of water beads, very charming.

"Hehe, do you want to soak your sister or your sister?" Lin WeiMiao deliberately made Yang Yu difficult.

Well, Yang Yu really can only feel his head. He really can't tell. As like as two peas are, the twins are different, such as voice, thick and thin, but they are exactly the same.

"No matter whether you are a sister or a sister, I'll soak you. If you two are so similar, are your breasts the same size?" Why did Yang Yu suddenly come up with such a rogue idea.

"Cousin!" Lin WeiMiao deliberately pretended to be angry: "I'm your cousin, saying such rogue words."

"Mao's cousin, we are not related by blood." Yang Yu is not convinced.

"so?" Lin WeiMiao asked.

"So I can soak you. ha-ha." Yang Yu smiles.

"Get out of here, you cousin, you don't have any role models. Hum." Lin WeiMiao was angry on purpose and swam to her sister.

Yang Yu hurried to keep up with him, wondering if the twins' milk was the same size?

When Yang Yu was halfway there, he found that Yu Xin had come. Last time he seemed to owe her a bet, so he went up to say hello.

"Sister, what do you think of cousin?" When Lin WeiMiao swims to his sister Weixiao, they look at Yang Yu not far away. Lin WeiMiao asks casually.

"Tall, handsome and in good shape, does my sister take a fancy to my cousin? Hee hee." Sister Lin Weixiao certainly knows what's going on in her mind.

"Yes, my sister has taken a fancy to it. In the past, all men were given to you. This time, he belongs to my sister. You are not allowed to rob him." Lin WeiMiao said with a smile, feeling very happy. Indeed, as a sister, Lin WeiMiao let her, but she was only one minute older.

"Don't worry, I won't fight with my sister." Lin Weixiao said so on his mouth, but his eyes were straight. Looking at Yang Yu's six abdominal muscles, he was a little excited.

At this time, Yang Yu has come.

"I heard you speak ill of me behind my back." As like as two peas," Yang Yu said with a smile, "then look at it." Nima, exactly the same, which one is that that just molested?

"My cousin only cares about picking up girls. I don't have time to talk to our cousins." Said Lin WeiMiao, still pretending to be angry.

Yang Yu didn't know whether to call her sister or sister, so he had to answer vaguely, "so I've come to soak you two."

"Stop, it's my sister, not me." Back to the tongue. On the surface, at least, she doesn't soak this smelly cousin.

Yang Yu picks up his finger, points to his sister and then points to his sister. It can't tell which one is for himself and which one isn't for himself. What if he goes wrong?

"Is there something different between you two? "Yang Yu is anxious about this:" is it true that even the milk is the same size? "

"Even if it's not the same size, do you want to distinguish us by touching our breasts?" Lin WeiMiao said.

Yang Yu looked at their cleavage carefully. The color, depth and shape were the same. Yang Yu has no choice but to give up the idea of difference. No matter what happens to her, if she makes a mistake, she will make a mistake. If anyone marries them as his wife, he doesn't know whether it's a good thing or a bad thing. What happens when his elder sister's husband makes a mistake about his wife and goes to his younger sister?

Lin WeiMiao Lin Weixiao is at the age of University. She has the taste of a woman. At the same time, she has got rid of the childishness of junior high school students, but she has not experienced the vicissitudes of society or life. The kind of women who are wandering between innocence and fantasy have little mind. She is a playful age.

College is also the most beautiful season for love.

"Don't you both have boyfriends? "Yang Yu asked.

"My sister is looking for a boyfriend, and I have to wait. "Lin Weixiao interrupted immediately.

"You can pull it down. You are more anxious than your sister. Your freshman year has passed. "Lin WeiMiao replied to his sister unconvinced.

"Cousin, I'll leave my sister to you. I'll go swimming by myself. I won't talk to you any more. "With that, Lin Weixiao went to the bottom of the water.

Lin WeiMiao quietly looked up at Yang Yu, his face turned red.

It wasn't until after four o'clock in the afternoon that the three men went home.

After dinner, when we were idle and bored, we watched TV dramas around the broken TV, because it was not a digital TV station, there were only a few local TV stations, and the TV was boring enough. When it was only nine o'clock, everyone went back to their rooms.

"Sister? My cousin sleeps alone. Why don't you go to his room. "Lin Weixiao said softly.

"You want to go. I'm not going. I'm going. You're going. "Lin WeiMiao said. In fact, night owls go to bed so early in the city.

"You said it. I'll go, sister. Don't regret it. "Lin Weixiao is more bold and naughty than his elder sister. With this, his younger sister Lin Weixiao pretends to go out of the house. Elder sister Lin WeiMiao didn't know how to answer. She wanted to go, but the younger sister clearly promised herself that Yang Yu

would give it to her. Now she wanted to go again. She was very angry and said, "I'll go."

Her sister Lin Weixiao saw that her agitation was effective and she didn't know how to express her mood, but she felt lost.

Wait for the elder sister to leave the room, the younger sister stays in the room alone, feel lost suddenly, think in the heart: knew not to give to the elder sister early.

Yang Yu has already got into bed. It's hard to be cool at night, so he naturally wants to be a woman. However, Yang Yu doesn't close the door on purpose. Occasionally, the third sister will come to sleep with him quietly, especially on the night of thunder and rain.

So when Lin WeiMiao came in, Yang Yu didn't find out for the first time until he heard the sound of closing the door.

There is moonlight in the room. It comes in through the window.

Lin WeiMiao's sudden visit surprised Yang Yu, thinking: so active, deliver to your door?

"I can't sleep. I want to talk to you." Lin WeiMiao said that he couldn't find any excuse, so he had to say so.

"Are you a sister or a sister?" Yang Yu asked this question for the first time.

"What's the difference?" Asked Lin WeiMiao.

"The difference is that if you are a sister, I will tease you. If you are a sister, I can only have a chat with you." Yang Yu said it directly. After hearing this, Lin WeiMiao thought to himself: my cousin doesn't know who I am. If I cheat him that I am a sister, maybe I can know my cousin's opinion on my sister. Well, that's it.

"Oh, I'm small, Lin Weixiao." Lin WeiMiao lied on purpose. At the same time, pay attention to Yang Yu's expression.

However, for Yang Yu, what's the difference? It's all bullshit. It's all superficial. In fact, no matter whether you are a sister or a sister, I still soak. But it's easy for a sister to soak, but it's hard for a sister to soak.

"Are you very disappointed? If you change my sister, what will you do to her?" Lin WeiMiao sat by the bed.

"I'm going to pull her under the covers." Yang Yu's purpose is very obvious, that is to provoke her sister and make her feel unbalanced.

But Yang Yu didn't expect that his sister was not his sister, but his sister.

When Lin WeiMiao heard this, she felt a little uncomfortable. She thought her cousin was too much, but now she was a sister, so she couldn't get angry. So she asked again, "if you want to pull, will my sister? "

" of course, your sister agreed in the afternoon. "Yang Yu lied again. Where did he say these words in the afternoon? It's all nonsense.

Lin WeiMiao was even more angry after hearing this. He agreed with your sister. He didn't say this in the afternoon. Obviously, he deliberately wanted to slander his image in front of his sister and make nonsense. However, Lin WeiMiao forbore and reluctantly squeezed out a smile and said, "my sister used to be so open. Now it's my turn. What do you do? "

"Although your sister is open, you still have a taste. "Yang Yu began to flatter immediately, but he didn't know that he was flattering in the wrong place.

After hearing this, Lin WeiMiao became angry again, but he kept on asking: "my sister, no, I don't have any taste. Tell me about it. "Lin WeiMiao almost let it slip. Fortunately, he came back in time, and Yang Yu didn't get suspicious.

Yang Yu began to take the helm and said, "you are bigger than your sister's buttocks. You are more playful. "

after hearing this, Lin WeiMiao was about to cry.

Where can my ass be small?

"Cousin, you said dirty words again. Since I'm playful, why do you go to soak my sister instead of me? "If it's true, Lin Weixiao won't ask this question, but now she's pretending to be a sister. She just wants to know the difference between herself and her sister in the eyes of other men from Yang Yu's mouth. In addition, she's always said bad things and praised her sister. She's already very upset, so this sentence is actually angry.

But Yang Yu didn't know it was so complicated. He thought it was his sister Lin Weixiao's coquetry. He was so happy that he thought he had opened the gap of his sister. But he didn't know that the gap had not been opened, and he had blocked the road that had been open.

"I was going to soak you. The idea is that your sister Sao actively seduces me, so "Yang Yu lied.

When Lin WeiMiao heard this, he was very angry.

Then you can go downstairs and visit my sister. Lin WeiMiao almost said that. He was really angry. But I still bear it.

"Well, you can't get either of them." Lin WeiMiao left with a word.

Originally, she was in a good mood. Unexpectedly, her cousin was not interested in herself. She was really interested in her sister. She immediately became anonymous and felt that she had been used in general. In the afternoon, Yang Yu said a lot of sweet words in the water. He thought it was true and the results were all false.

Yang Yu is still in a daze. He thinks that Lin Weixiao is acting like a coqueter. He deliberately says so. He doesn't know that he is wrong. As a matter of fact, Yang Yu just took the helm and said good things in front of others. It was just like this. He praised his younger sister on purpose. I don't know that her younger sister didn't praise her, so she got angry with her first.

Lin Weixiao stayed downstairs bored and couldn't sleep. He didn't even find someone to chat with. He was imagining in his mind how his sister and cousin upstairs were doing. Would they sleep together and roll the sheets? Will it be kissing?

Who knows, the elder sister soon came down, and saw her belly fire, directly into the bed to sleep.

"Sister, what are you doing? Cousin bullied you?" Asked Lin Weixiao.

"Ask him yourself." Lin WeiMiao dropped a sentence and went to sleep with his eyes closed.

Lin Wei Xiao Leng is there. He doesn't know why his elder sister is so angry. He thinks to himself: is it my cousin who wants to marry my elder sister, but my elder sister doesn't agree? Lin Weixiao was very curious. What did his cousin do? Was his sister so angry?

Anyway, she was bored and couldn't sleep. Her sister was in bed again and didn't say a word. Her sister Lin Weixiao suddenly had an idea. She went to the attic to find her cousin and asked him what he had done to her. Then she got out of bed and went upstairs wearing only a coat and underpants.

Lin Weixiao's thighs are very white and thin, and can be seen in the dark.

Yang Yu is still lying on his back looking at the ceiling, feeling puzzled. How did the twin sister leave? He still wants to pull her over and kiss her. Maybe she will kiss her on the bed. Anyway, it's not against the law to kiss her.

When Lin Weixiao came to the door, his mind turned and he thought, I asked him directly, he must ignore me, so I just pretended to be my sister and tried to find out what my cousin had done to my sister just now.

"Did you sleep?" Lin Weixiao pretends to be very angry and learns from his sister who just went

downstairs.

When Yang Yu saw him, his first sentence was: "are you a sister or a sister? "

Chapter 301

"Sister, don't be so rude. "Said Lin Weixiao.

Yang Yu a Leng, where rude ah, just said a few words ah. Now that she was my sister, she suddenly became bold and pulled Lin Weixiao.

"Why do you sit so far away? Go into bed. "Said Yang Yu.

Lin Weixiao a listen, sister and cousin has been so ambiguous? Did they just get married?

"What are you doing? "Yang Yu urged again.

Lin Weixiao thought, anyway, I am now a sister, afraid of what, really got up, climbed into the bed, got into the bed, leaned on the bed, and sat beside Yang Yu.

Yang Yu thought, what does it mean for the two sisters to come to my room separately? I didn't care to think about it. Anyway, the elder sister chatted a lot in the afternoon and became familiar with it. Naturally, she dared to speak boldly and asked, "do you sleep here at night? "

poof! Even if Lin Weixiao can't sleep at night, she can't be surprised.

"No, you made me angry just now. "Said Lin Weixiao.

Yang Yu was really confused and said, "wasn't it your sister just now? I didn't mess with you. "

as soon as he said this, Lin Weixiao was confused. He thought to himself: it's clearly his sister. How did he become a sister? Did my cousin recognize my sister as me? That's why my sister is so angry?

"It's my sister. What have you done to her? Did you bully her? "Asked Lin Weixiao.

"I didn't bully her. I bully you if I want to. ha-ha. "Yang Yu put his hand on her shoulder.

"Go away, who said you bullied me. You must have bullied my sister. "Said Lin Weixiao.

"No, let's not talk about it. Let's have a kiss from my cousin. "Yang Yu is a hooligan.

Lin Weixiao thought, since he can't ask, it's OK. However, she thought it was fun to give up my cousin to

my sister, but now I'm just taking advantage of my sister's identity. If my cousin kisses me, is it me or my sister?

When Lin Weixiao was still calculating, Yang Yu's mouth was sealed directly, and he couldn't prevent it.

Yang Yu just took her shoulder, but the tone of her hand was in the past.

Lin Weixiao opened his eyes wide and wanted to fight, but his cousin's tongue immediately reached into her mouth and entangled with her tongue. Lin Weixiao immediately became soft and a little at a loss. Is he pushing or catering? Lin Weixiao had no idea what to choose.

It's the fact that she's being kissed by her cousin.

This kiss is numb, smooth and full of power. Lin Weixiao unconsciously caters to it and forgets that he is actually his sister. Is this to fight with his sister? The more Yang Yu kisses, the more energetic he is, and the other hand begins to touch.

Touch Lin Weixiao confused, suddenly, Lin Weixiao pushed Yang Yu away, can't let cousin touch down, will be out of control.

"What's the matter?" Yang Yu looked at Lin Weixiao, who was breathing in front of her, and saw that she looked like a female dog with spring hair.

"Don't touch." Lin Weixiao didn't dare to look Yang Yu in the eye. She should go back now, but she didn't go. She wanted to go and stay. She didn't want to kiss her cousin and didn't dare to do so, so she was stunned.

Yang Yu smiles and looks down at Lin Weixiao's chest. When she doesn't pay attention, he grabs her milk.

Finally, Lin Weixiao dragged his tired body and reluctantly went back to his room to sleep. Fortunately, his sister had fallen asleep, otherwise he didn't know how to explain to her.

The next day, everyone went to the vegetable field for a busy meal.

Yang Yu is also anxiously waiting for the sales of the first batch of vegetables. There is no news from the second sister, so Yang Yu can't help worrying.

Can green vegetables with such a high price be sold before the famous brand is launched?

In the vegetable field, Yang Yu is busy and flirts with his cousins.

I didn't wait for the news of vegetable sales, but another news came: the restored human face of the skeleton found in the village woman's white peony field was simulated.

It was Li Ruolan who brought Lei police officers to the vegetable field to find Yang Yu.

Yang Yu took a look at the simulated portrait and found that he did not know Li Ruolan.

"Officer Lei is really troubling you. It's not murder. Please come to my house for lunch. "Yang Yu said," it's good to have friends.

"Little things, you've helped me a lot. You'd better confirm the skeleton's identity first. "Officer Lei replied with a smile.

At this time, it was almost noon. However, I went to do the work first. Officer Lei was right. After confirming the skeleton, the ancestor of the family would go to the person and return the skeleton.

White peony home is cooking lunch, see Yang Yu and others come, naturally first pour tea welcome.

"Just a moment. I'll call my mother-in-law out, too. "Said the white peony.

It was noon, the sun was burning, and it was very hot.

White peony is not interested in who the skeleton is. Anyway, it won't be her husband. Just let her mother-in-law confirm this. Although she knows that her mother-in-law is deliberately making trouble for her, her mother-in-law knows that the skeleton can't be her son's.

But there is no absolute.

Sometimes, the more impossible you feel, it just happens.

The mother-in-law came out of the back room with a horizontal face. When I saw Yang Yu, I didn't give him a good look.

"Mother in law, the simulated face portrait of the skeleton has come out. Can you help to see if it's your son? "Yang Yu said and handed over the picture. I thought to myself, it's not easy to be a village head. I have to take charge of this family affairs.

"If it's not, it's wrong for Bai Sao. Before Yang Yu finished speaking, her mother-in-law broke in:" I haven't seen it yet. How do you know if I have wronged her? "

Yang Yu looks embarrassed.

Her mother-in-law slowly opened the paper roll, printed into the eyes of Shana, immediately stunned.

When people see that their mother-in-law's face is not right, they won't be so evil, will they? It's not really her son, is it?

"Granny? "Yang Yu called carefully.

White peony saw her mother-in-law's face, as if she had seen a ghost. She also came over and looked at her face. Suddenly, her face turned black.

Yang Yu three people also realized that something was wrong, everyone at the same time toward the white peony asked: "is it your husband?"

White peony raised his head, looked at three people, said: "not my husband."

Poof!

Yang Yu's blood gushed out.

It's not your husband. What are you nervous about? You mean to scare us.

"Did you say that earlier? It scared us to death. If it wasn't your husband, I would say that you wronged your daughter-in-law. "Yang Yu said with a smile.

The crowd was also relieved.

The mother-in-law snorted coldly, but did not speak.

"He is the husband of Pan caier next door, Liu Anguo." White peony suddenly interjected.

Suddenly, Yang Yu's face was very blue.

Chapter 303

[+ - Turn off](#) [Reset](#)

Yang Yu never dreamed that this skeleton would be Liu Anguo, the husband of Pan caier, who has been missing for a year and a half.

This is a murder!

"Officer ray, I'm afraid it's a murder. I'm afraid it's going to trouble you again." Yang Yu is not willing to admit this fact.

It's really unpredictable.

"Then put it on file." Officer Lei said plainly. It's too common for him.

"I didn't expect that Liu Anguo, who had been missing for more than a year, still died." Li Ruolan also sighed.

"You two have to help in this case. Our bureau is busy. Call me if you have something." Officer ray said with a smile.

"Officer Lei, this is your case. Won't you just give it to us?" Yang Yu feels very speechless. He is not a policeman. How can he always investigate cases for the police.

"It's inconvenient for me to come here. You're the village head and she's a reporter. If there's a homicide in the village, can you ignore it?" Officer Lei is reasonable, but it's not that he doesn't want to check. It's really inconvenient. It takes a lot of time to come and go to the village. Usually, no policeman wants to come to this poor mountain.

"It seems that I am very idle." Yang Yu is depressed.

This is a murder case. Naturally, the skeleton can't be collected.

Three people left the white peony home, and told it not to publicize, to the road, re analysis of the case.

"Let's go to pan caier and ask about the situation." Said Li Ruolan.

"Does officer Lei have a death report?" Yang Yu asked.

"Yes, it's useless to look at it. The bones are intact. The cause of death is unknown. The time of death coincides with the time of disappearance." Officer ray replied.

"Widow Liu's husband once had a dispute with the dead. Pan caier often cheated outside. Her mother-in-law said that Bai Mudan had an affair with the dead. I think these three people are all suspected. It is very likely that the real murderer is among them." Yang Yu pondered.

"So soon there will be a suspect. There will be you." Officer ray is very impressed.

In fact, these things are well known to all.

"Widow Liu's husband died last year. Even if white peony had an affair, it can't be regarded as a motive for killing. Besides, she found the skeleton. In my opinion, pan caier is the most likely. It's well known that she's cheating outside. Maybe she's conspiring with a lover to kill her husband." Li Ruolan said.

"Shall we go to pan caier's house?" Officer ray asked.

"At present, Pan Caier is indeed the biggest suspect. In this case, why do you want to scare the snake? I think we should first find out what her lover or the man she has an affair with." Yang Yu suggested. He only knew that Uncle Ming was one of them. Unfortunately, Uncle Ming was dead.

At noon, police officer Lei went to my aunt's house to have lunch. At noon, he really had a few drinks. Originally, it was Yang Yu who wanted to thank police officer Lei. As a result, it became a homicide case. On the other hand, police officer Lei asked Yang Yu for help.

In the afternoon, officer Lei left. He repeatedly told him to inform him as soon as he had a clue. He was still waiting for his promotion.

Yang Yu didn't worry about it. However, this summer vacation, he really didn't have any other thoughts except for the vegetable field. So, Li Ruolan was given the information about Pan Caier. Li Ruolan is also unwilling. When did the reporter become a police detective? However, it was a homicide case after all.

In fact, Yang Yu has thousands of ideas in his heart. Although he does not want to investigate the case, he is still curious about Pan Caier. Of course, what he is curious about is not whether Pan Jinlian was in her previous life, but the coquettish smell that emanates from her.

The coquettish smell attracts the opposite sex just like a fox urinating. If Yang Yu didn't have a good mind, he might have thought he was hooked by the coquettish smell.

However, it's interesting that Pan Jinlian's husband Wu Dalang was poisoned by Pan Jinlian and Xi Menqing. Isn't it the same with Liu Anqing? If all things in this world are so reincarnated, who is Xi Menqing? Who is Wu Song?

What was the voice of Pan Caier's house that night? Who is the woman in that room? Why is that spine so special? That house is also gloomy, Pan Caier seems to know Su Xiaoxiao, why lie? My husband has been missing for so long. Why don't you worry at all? What kind of woman is Pan Caier?

These doubts revolve in Yang Yu's mind. Now that there is a homicide case, the villagers will immediately know that Yang Yu, who is the head of the village, can't care.

However, in the afternoon, Yang Yu summoned up the courage to call Xie Tianshi to inquire about the sales of Chunyu's green vegetables.

The reply also made Yang Yu heartache. Xie Tianshi simply said a few words and hung up the phone: the price was too high to sell.

This is what Yang Yu had expected from the beginning.

But Yang Yu was very confident in his vegetables and decided to go to the city for two things: first, to lie at home; second, to find the Secretary of the municipal Party committee.

Then he made a phone call, which was naturally to Su Yan.

However, when Yang Yu asked if she could go to her home or meet her father, Su Yan was still shocked and thought that Yang Yu wanted to see her parents, which was too fast. Yang Yucai explains in a hurry that Su Yancai reluctantly agrees Yang Yu to come to her home in order to thank him for making him the principal.

In the evening, a man came to Yang Yu's house.

Yanling, the Christian Holy Spirit, surprised Yang Yupo with his visit.

"Sister ling'er, what can I do for you?" Yang Yu asked curiously.

"I heard you found a skeleton. Is it a villager of this village?" Yan Ling asked.

Shit, the news is going too fast, isn't it?

"What?" Asked Yang Yu.

"I'm very interested in this murder. I wonder if I can join you in the investigation?" Yan Ling replied.

Does the sun rise in the west? What kind of case does a believer come to investigate instead of teaching and preaching and carrying forward the glory of Jesus? Are you full?

But he is a beautiful woman, Yang Yu naturally dare not say so.

"It's just an ordinary murder. How could sister Ling Er be interested in it." Yang Yu asked.

"Don't worry about it. You'll be useful to me. Can I?" Yan Ling's speech is very special. Besides being clear, there is a kind of magic that makes people feel comfortable.

Yang Yu thinks that police officer Lei got rid of the case to him. He was born as the village head again. He didn't want to manage it. If someone came to help him, it would be better.

"Of course, I don't mind if elder sister ling'er is willing to help, but I'm still curious. Why is elder sister ling'er so interested in this murder?" Yang Yu asked again.

"You'll find out later." Yan Ling talks mysteriously.

Yang Yu didn't think so much. He told Yan Ling the whole process of the case, as well as the suspect pan caier and Li Ruolan who had gone to check the clues. Yan Ling listened and nodded.

"You just said that pan caier's lover, uncle Ming, is dead?" Yan ling'er asked.

Yang Yu nodded and added, "yes. It's said that he died strangely. I don't know how. How? Do you think uncle Ming's death has something to do with this case? "

"Nothing. I'll just ask. Do you know where Uncle Ming is buried?" Yan Ling asked.

"People have been dead for several months. Are you going to dig a corpse?" Yang Yu's going to the tomb, or he's going to die, or he's joking.

"Maybe!" Yan Ling smiles.

Yang Yu feels a little creepy.

"You also said that someone predicted the death of Uncle Ming?" Yan Ling asked again.

Yang Yu doubts that these things seem to have nothing to do with the murder. How can Yan Ling be curious about these things? However, Yang Yu answers truthfully and says something about stupid Er Niu. At least in Yang Yu's feeling, Yan Ling and himself will not be enemies.

Friends are enemies.

"The house opposite you in the distance?" Yan Ling pointed to widow Liu's house and asked.

Yang Yu nodded, and Yan Ling left and went to Ben Er Niu's house. Looking at Yan Ling's back, it's very interesting. He has a black windbreaker and a big cross on his back.

Yang Yu suddenly thought of a question and called to Yanling:

"sister ling'er, have you ever dreamed of me before?"

Yan Ling turned around and laughed, but didn't answer.

What a strange question, isn't it?

The next day. A week has passed since the junior high school final exam.

Su Jian, deputy director of the Municipal Bureau of education, was responsible for arranging the final exam for grade one and grade two of junior high school. The final exam papers were leaked.

Fortunately, they were only for the municipal entrance examination, not for the high school entrance examination. Otherwise, it would be a disaster. However, even if they were only for the final exam of

grade one and grade two, Su Jian could not lift his head this week.

Su Jian is very clear that this question must have been deliberately leaked by Liu Yong, the director of the Bureau, and then put the blame on him. Although Su Jian is not so seriously dismissed, it is basically impossible to become a director in the future.

And the problem is still under investigation. So this week, Su Jian was struggling, afraid of panic. At such a crucial point, there are still people bothering him. This person is Yang Yu.

If it wasn't for Xie Qiuqiu, a second-generation classmate of Yang Yu, who knew Su Yan, a woman who was deputy director of the Bureau, it would be more difficult to see such a high-ranking official with mole ants at the bottom of society like Yang Yu.

With the flag of thanking the deputy director, Yang Yu came with a lot of local products. It all depends on Su Yan's face.

Su Jian is practicing calligraphy in his study. Su Yan went out to pour tea.

"Thank you for your help last time, so I brought some local products." Yang Yu is still a little nervous when he talks, which is not euphemistic at all.

Su Jian didn't lift his head and continued to practice.

"The writing of the deputy director is very dangerous. I'm afraid there will be disaster." Yang Yu deliberately looked at the words and said.

As soon as the words came out, Su Jian's hand trembled, and the last stroke of the word was deflected.

Su Jian doesn't pay attention to Yang Yu at all. There are so many people who come to give gifts and get in touch with each other. There are so many people. They usually send them away with a few words.

"How do you say that?" Su Jian asked casually.

"This time, the director of the Bureau will certainly write a lot about it. I'm afraid that he will write a note about the dereliction of duty of Director Su at that time." Yang Yu said with a smile.

"Ha ha. What do you think I should do?" Su Jian wanted to refute. This officialdom is different from ordinary life. The difference lies in that a little thing or a wrong word may break the official career.

Su Jian can't blame others. If he wants to blame others, he can't fight the mayor. Now, Su Jian's life is on the line.

"To the best of my knowledge, the person who broke the question was a senior teacher." Yang Yu said, deliberately pause.

After hearing this, Su Jian immediately raised his head and looked at the novice teacher who only took one semester to improve the students' grades to the first in the county. He was surprised that he didn't even know who had let the problem go. How could Yang Yu know?

Yang Yu didn't smile, but he laughed in his heart.

He was very clear in his heart that the director would not investigate the matter in depth, because the senior teacher who let out the question was his relative, and he had an unreasonable relationship, and all this was Yang Yugan's. Yang Yu asked his third brother to do it, and the senior teacher was the only senior teacher in Shangtang middle school.

In his own territory, the third brother still has this ability. Then the third brother found a reporter to report the event of the exam.

Director Liu thinks that Director Su wants to blame him for all this, while Deputy Director Su naturally thinks that director Liu did it in life. No one dares to go deep into it. The investigation is just a casual idea. The idea is to suppress public opinion.

"I have a way to let the public opinion go on, and at the same time, director Liu will not go further." Yang Yu returned. In fact, it's not so serious. I told the third brother not to let the reporter write about it. Then the teacher who let out the question was originally the relative of the director, and it was really not good for anyone to investigate.

However, Deputy Director Su didn't know about it at all. If he knew that the person behind this trick was Yang Yu in front of him, not only the official document of the headmaster would not be criticized, but now he would strangle Yang Yu alive.

"Ha ha, so I have to thank you?" Su Jian put down his pen.

At this time, Su Yan brought tea in. But for Yang Yu, it would not be easy to have a cup of tea at Deputy Director Su's home.

"I have come to help Director Su, but" Yang Yu is very glad that things are going well, and there is still one last step to go.

But as far as Director Su is concerned, he doesn't trust Yang Yu at all. No, all the people in the government, except the Secretary of the municipal Party committee, are mayors. Who do you want him to trust? Anyone can be the mayor's person, and then stab himself in the back.

"But what?" Su Jian asked.

"I want to meet the Secretary of the municipal Party committee." Yang Yu came back directly.

Su Jian suddenly calmed down. It turns out that the real purpose of Yang Yu's thanking himself today is for this.

"Secretary, if you want to see me, you can do it. Why come to me?" Su Jian took the tea and blew it. It's impossible for him to take Yang Yu to see the Secretary of the municipal Party committee. He has no motive. It's not only hard to say, but the most important thing is why?

Being suspicious and trusting is a terrible line of defense in officialdom.

"Director Su is very clear that there is no third team in officialdom, either friends or enemies. With the power of the mayor, it is only a matter of time before the Secretary of the municipal Party committee steps down. As soon as the Secretary of the municipal Party committee steps down, you will be next." Yang Yu said it very hard."Oh." Su Jian sneered. Although the people may not know about these things, people who have a small position in the officialdom all know that they have been fighting very hard in the past two years. In the end, the mayor has won, the Secretary of the municipal Party committee has lost and is about to step down.

"What do you want to see the Secretary of the municipal Party committee?" Su Jian asked.

"Help you!" Yang Yu said with a smile, also took tea, drank a mouthful.

"Ha ha. boast without shame. Just you? You take yourself too seriously, don't you Su Jian would not have said that. After all, he was a man with a head and a face, but Yang Yu was too crazy.

Su Jian has seen many young and frivolous people, but Yang Yu is arrogant and arrogant. Unlike a person who does great things, he doesn't have enough city.

"Ha ha, the bet is in the hands of Director Su. Anyway, who will step down and who will step on the stage will be the same for people like me, and there will be no loss." Yang Yu said he was ready to go.

Su Jian didn't stop him.

He said hello to Suyu and left. Su Yan also dare not stop, originally also want to keep him to eat together, but dad didn't nod, she how dare.

Walking on the street, there is a lot of traffic.

Yang Yu doesn't know whether this move can go or not, whether it's right or not, but once it's wrong, the road behind will be harder. In fact, Yang Yu doesn't need to take this road at all, but this road is a shortcut, the best shortcut to start a business, so he has to take a risk.

Yang Yu first back to the county, the mobile phone number and the phone number of the village told Su Yan. If her father wants to find himself, he can find it. I'm afraid her father doesn't want to. If you change Yang Yu, how can you trust a person who has no friendship or background?

Study.

Su Jian continued to practice calligraphy, but he couldn't practice any more. He couldn't calm down.

"Do you have much contact with Yang Yu?" Su Jian asked her daughter.

Su Yan stuttered, this question, she is not easy to answer, because it is really not much contact, just met twice, about a meeting, can be considered to understand? However, she asked Xie Qiuqiu a lot about Yang Yu. Naturally, Su Yan would not cheat her father.

"My sister and he were classmates in high school. At that time, I heard that Yang Yu was a little gangster who was well-known in the county. Later, because of fighting, he died a good brother. After that, he studied hard and became a new man." Su Yan told the truth about what she learned from Xie Qiuqiu, and then added: "Oh, by the way, the scale of the gang fight was very large. Yang Yu's gang failed, and the gang that won was the biggest gang of gangsters and Black Hawks in our city. "

When Su Jian heard this, Zou frowned. He didn't expect that Yang Yu had such a history before. He muttered: so, he has a grudge against the Black Hawk Gang?

"Anything else?" Su Jian continued to ask.

Su Yan thought about it, thought of it again, but was embarrassed to say it, so she hesitated.

"If you have something to say, what else do you mutter to dad?" Su Jian asked impatiently.

"He seems to have offended Murong Fei, the young master of Murong family." Su Yan originally wanted to say: Yang Yu went to Xie Qiuqiu and was seen by Murong Fei on the spot. Xie Qiuqiu was Murong Fei's ex girlfriend and insulted Murong Fei in public. But you can't talk about it, or dad will know that he's going out with those bad sisters again.

Su Jian frowned again.

Speaking of that, Yang Yu is really crying out for injustice. Originally, it's normal for men to love women. Besides, Murong Fei has separated with Xie Qiuqiu, and Yang Yu is engaged in Xie Qiuqiu's affairs with her ex boyfriend. What's more, Xie Qiuqiu asked Yang Yu to do it on her own initiative, and she seduced Yang Yu.

Murong Fei is not narrow-minded, but Xie Qiuqiu deliberately does not give her ex boyfriend steps down, who let Murong Fei foot multi bed? Originally, it's normal for children of a rich family to have three wives and four concubines. You love me, but Xie Qiuqiu can't swallow it. Unable to swallow, her boyfriend was robbed by the Yellow faced young woman and insulted again and again in the bar. The hatred snowballed in Xie Qiuqiu's heart, so she shot a condom.

It's the most poisonous woman.

If Yang Yu knew that Xie Qiuqiu used himself to vent his anger, he would surely die of vomiting blood.

Xie Qiuqiu deliberately makes an excuse for Yang Yu to stay, and then calls his sister to play a pornographic game. Then he quietly calls his ex boyfriend Murong Fei to come. The purpose is very simple, that is to let Murong Fei see himself played by other men.

It's more than that. After being played by Yang Yu, Xie Qiuqiu humiliated Murong Fei several times in private, saying that you were hoodwinked and that his girlfriend was killed by other men.

Originally this love has been chaotic enough, by Xie Qiuqiu this spilled woman a toss, this hate is deeper.

Yang Yu became the victim of their emotional struggle.

In the end, Murong Fei spills all his anger on Yang Yu. The root of the disaster is really planted.

Many things are not as brilliant as they seem.

Heiyang Gang, Murong group, Secretary of the municipal Party committee? Su Jian murmured, as if he knew something.

"He's not just a teacher, is he?" Su Jian asked again.

"I heard that dad is really smart in making food." Su Yan replied.

Su Jian whispered, pondered, and then said, "let him come to our house for dinner tomorrow night."

Su Yan listened, immediately excited dancing, shy asked: "Dad, you agree with me to associate with him?" Su Yan of course thinks that Yang Yu's coming here is to thank his father, and to get closer and lay a foundation for their future love.

But Su Yan was wrong. Yang Yu came to find her father, which had nothing to do with her at all. Even Su Yan was only borrowed by Yang Yu once. How could she have such a serious relationship.

"Well, it's like dad's keeping you away from men." Su Jian began to practice calligraphy again.

Su Yan murmured, originally, he talked about several boyfriends, all separated by his father, to the back, don't let Su Yan see a man at all, the strict control.

One year after graduation, Su Yan made an appointment with Yang Yu last time, but nothing else. Do you think it's suffocating? Why not die of hunger and thirst? How can this father not understand? Hold it more tightly, the more explosive it is.

Su Yan hurried back to the message to Yang Yu.

When Yang Yu received the message, he happened to be on the bus back to the county. When he saw the message, he was relieved. No, it should be said that the road had just begun.

His second girlfriend Han Jing is at work naturally, and his second sister is also at work. In the afternoon, Yang Yu naturally has no place to go, so he goes to a place.

A cemetery.

His former brother Han Hu was buried there.

Han Hu, who died fighting for himself.

Looking at the tombstone, Yang Yu has not seen this brother for a long time.

"It's said that the boy who cut you once has become the leader of the Black Hawk gang. Do you think I've forgotten that?" Yang Yu said to himself, "how can I forget that knife?"

At the moment when the blood gushed out from his chest, Yang Yu was staring at his eyes viciously, which Yang Yu will always remember.

After the cemetery left, Yang Yu went to all the supermarkets in the county and found his own vegetable food. After squatting for a long time, no one was interested in it. Basically, the customers looked at the price and shook their heads and left.

At dusk, Yang Yu went to find Er Mei. This time, he bought a gift for her.

Second sister's temper comes and goes quickly. She has forgotten everything about last time. However, no matter how much she forgets, she probably won't stay Yang Yu for the night.

As usual, Yang Yu consulted about the next sales channel.

"Cousin, our vegetables have been distributed to the market for a week, but no one even bought a fart." Li Yaxi, the second sister, is worried about this. After paying so much, the vegetables are all on the market. As a result, no one wants them. Isn't this a failure.

"In business, there is no such smooth sailing." Yang Yu had expected this for a long time. If he could get rich in this way, everyone in the world would get rich.

"You're not angry about last time, cousin. Tonight," before Yang Yu finished, the second sister interrupted and said, "no way!"

Yang Yu was shut up again. He didn't dare to provoke the second younger sister, and he didn't dare to play a hooligan. This cousin is too cruel, and Yang Yu can't surrender.

"That cousin has no place to sleep." My cousin had to keep pretending to be poor.

"No, No." Second sister's attitude is very hard.

Yang Yu naturally has no way. Last time, he didn't even use the aphrodisiac for his second sister. What else can he do?

Yang Yu has to go to Han Jing. At this time, Han Jing is almost off work.

The second sister looks at the background of her cousin Yang Yu's leaving, but she is still sour. She thinks her cousin will play a hooligan and force her to stay, but she really left. Second sister is bored to stay here. No, I'm not used to it.

No relatives, no friends, no classmates, colleagues are not her age. The county is a little strange to her. Every day at three o'clock, the company, rental, delivery. Life is not only lonely and boring, but also empty. There used to be many playmates in the village, but now they are not around. It's rare for my cousin to come to see me once, and I can't stay him for the night.

"Bad cousin, bad cousin," the second sister muttered, her eyes red and her heart sour.

"Who speaks ill of me behind my back?" Yang Yu suddenly appeared at the door.

"Didn't you go? What are you doing back here?" The second sister pouted her lips and did not look at Yang Yu. In fact, Yang Yu is just trying to find out if the second sister really doesn't want to stay. As a result, he finds out that it's not. It's just naughty.

Although you can go to Han Jing, a little whore, to have a big fight with her, if you have a chance to be the second sister, you have to say that you must choose the second sister.

Yang Yu felt the aphrodisiac in his pocket, and the bad idea came up again. You're not dead this time. Yang Yu was secretly proud.

Shut the door and take a shower.

"You won't let your cousin sleep on the ground, will you?" Yang Yu asked deliberately.

"Nonsense, do not sleep on the ground, where do you want to sleep?" The second sister said coldly.

Yang Yu just doesn't like the look in her eyes. She is arrogant and wants to go up to her.

"Sleeping with my cousin, of course." Yang Yu is proud to see that he will not be driven away at night.

"Cousin, you're dreaming again." The second sister said sour.

The weather is very hot, hot water loss is fast, people are thirsty, love to drink more water.

"Bring me the water." The second sister ordered. Yang Yu looked at the glass of water, which he had done for a long time. With the experience of the last time, Yang Yu is much more bold this time. They are not only bigger than last time, but also quick acting. They will react soon.

Yang Yu watched the second sister drink it. Looking at Yaxi wearing pajamas, her skin is pink and her hair is black, especially the small cleavage. Yang Yu looks very energetic. Her nightdress only covers her buttocks, and her white thighs are exposed outside.

This thigh is very beautiful, the depth of the thigh will be more beautiful, Yang Yu has aimed at the depth of his cousin's thigh.

When the second sister drinks water, Yang Yu has to spread a mat, take out a blanket and sleep on the ground.

"Second sister didn't find a boyfriend here?" Yang Yu is going to find a sensitive topic to talk about. The second sister Yaxi is lying in bed reading a novel.

"It's none of your business." The second sister replied. Yang Yu looked at the novel. It was a romance novel.

"How about cousin being your boyfriend?" Yang Yu suddenly made a joke with a strong taste.

Poof!

Li Yaxi's blood gushed out with one mouthful.

Li Yaxi slowly turns his head and looks at Yang Yu with the same look as an alien. It's really like seeing a ghost. It's incredible that Yang Yu would say such a thing.

"Cousin, you're stuck in the door?" This is the second sister's mantra, and then added: "neuropathy!"

"Is cousin bad?" Yang Yu knows that if the joke goes on, it will be embarrassing to take it seriously. In order to alleviate this kind of embarrassment, we have to work hard.

"It's not very bad, it's very bad. It makes me sick and I can't eat." Yaxi replied, but he didn't say that you are my cousin. Of course you can't be my boyfriend. In this case, only my cousin can say. Three younger

sisters also can't say, three younger sisters all often kiss.

"So serious?" Yang Yu disdains. This should not be the real idea of Er Mei. Yang Yu hates that he doesn't have the ability to read the heart.

"It's more serious than that. My cousin is lecherous, rogue and obscene. He's old and narcissistic. Miss Li is blind. How can he take a fancy to you." Er Mei continues to tease.

Poof!

It's Yang Yu's turn to spit blood.

"Do you really think so?" Yang Yu asked seriously.

"Yes. What do you think?" Two younger sisters simply return a way.

"I really don't like my cousin?" "I like Yang Yu. I want to express two meanings. I wonder if I am too narcissistic? Narcissistic second sister also likes herself? If the second sister really hates herself, the aphrodisiac is wrong.

If you don't like yourself, you must be unhappy.

It's different from rape. It's cousin. Cousin can't rape.

"I've said it many times. I hate you." Two younger sisters cut the iron and said.

After being denied again and again, Yang Yu took it seriously and felt a little disappointed. I thought: it seems that my judgment is really wrong. It's impossible for everyone to like my own. It seems that in the future, the bad idea of Er Mei can't be played around. I knew to go to Han Jing.

Yang Yu sad lost pulled the quilt, covered in the quilt, while sleeping.

Li Yaxi, who is on the bed, looks at his cousin below. She is in a complicated mood. She doesn't know whether he likes it or not. She really doesn't know. She says it's really annoying. But many times, especially after work, she will miss her for no reason. Especially after being kissed by her cousin last time, the feeling becomes more and more intense.

Li Yaxi had a spring dream after she was given an aphrodisiac last time. That spring dream frightened her. She dreamed of having sex with her cousin. In the morning, it was confirmed that it was after a dream that I felt relieved and touched my lower body. I had soaked my underpants thoroughly. I was embarrassed at that time.

The second sister met Yang Yu for the first time in half a year. Although she was a cousin, she was a stranger. Like other men, even the second sister didn't treat Yang Yu as a cousin at all. She didn't even

yell at her cousin several times.

When Li Yaxi looks at the romance novel, he happens to see a incestuous plot. The content is just the scene of making love between his cousin and his cousin. At this time, Li Yaxi feels that there is a raging fire in his body, and there is no time to react. The following is wet through.

The aphrodisiac works.

Chapter 306

[+ - Turn off](#) [Reset](#)

Li Yaxi never had such a strong feeling. He thought it was because he read the novel, so he didn't expect that his cousin would give her aphrodisiac.

It is the most powerful and powerful flower, and its effect on women is doubled. It rapidly promotes hormone secretion in the body. Meanwhile, adrenaline also rises, hitting the most hot area of the brain, making women want to stop.

Li Yaxi is biting his teeth, and the fire in his body rushes out instantly. She is unprepared to kill her, and the hole below is flooded. He can't stop it or block it. Li Yaxi is very anxious.

What makes her more depressed is that her body's five senses have to be sensitive. Like a wolf, her cousin Yang Yu's male charm constantly seduces her. Not only that, Li Yaxi, the black and thick one under her cousin Yang Yu, can feel its bulkiness, exuberance and vitality. Li Yaxi is eager to eat it in his mouth.

She's scared. She's really scared. Why is the fire so strong?

"Are you in spring? You look so red." Yang Yu turns around at will and looks at her cousin. She finds that she is looking at herself hotly and immediately understands.

"You've just had spring!" Li Yaxi's mouth is still hard, thinking: I can't be known by my cousin, otherwise he will certainly try to seduce me, in case I can't hold back, with my cousin that, it's shameful.

"It's not Fachun. What's that? ha-ha." Yang Yu said, then stood up, the black thick top up the briefs.

Li Yaxi looked at his cousin's place and immediately sighed: God, my cousin is so thick! No, no, I can't think that.

"Don't get up. Go back." Li Yaxi denounced.

Yang Yu smiles. He not only stands up and exposes his strong muscles, but also prepares to climb forward to bed.

"What are you afraid of, cousin? I won't eat you again Yang Yu returned.

But Li Yaxi is really anxious. She is afraid that her cousin will come. If she has skin contact with her, she will lose her mind. The hole below is itchy, and the water rushes out.

"Don't come here anyway. Get out of here." Cried Li Yaxi, pointing at Yang Yu.

Yang Yu ignored her.

"I'm in bed at night. The floor is too hard." Yang Yu made an excuse.

"You" Li Yaxi was so angry that he saw that his cousin really got into the bed, and his eyes were so angry.

The closer cousin is to Li Yaxi, the more he can't help but turn his head and dare not look at him.

"Cousin has never been done by a man, has she?" Yang Yu teases.

"Go away, it's none of your business." Li Yaxi biting his lips, Zou frowning, hands deep into the bed, want to masturbate, but dare not, underwear has been wet, itch, itch, itch, Li Yaxi has never been so itchy, thinking: how to do, how to do, want to man, want to love, but the first time, can't give cousin, no, no, I must resist.

"If you hurt yourself by holding on to a bath fire, let it out, really." Yang Yu solemnly said that at this time, you can't give your cousin a bad look of being obscene or taking advantage of others' danger.

Li Yaxi of course want to vent, want a man to do himself, hard to do himself, but, he has no boyfriend, can't cheap to cousin?

"It's none of your business. You get out of bed." Li Yaxi is about to cry. It's really interesting that he looks like he's in spring.

"Again, do you really hate your cousin?" Yang Yu asked again.

"Yes, I hate you. Get out of here." Li Yaxi endured, choked and scolded.

Yang Yu suddenly got out of bed and went to put on his clothes and trousers.

"What are you doing?" Li Yaxi didn't know why his cousin had to put on his clothes.

"Come on, you hate your cousin so much. I'd better go to sleep somewhere else." Said Yang Yu.

In fact, Yang Yu is really a little lost. If someone else changes, he will go to bed and kill her at this time. But it's his cousin. In case she really doesn't like herself, he will go to her. It's just hurting her and hurting

other women. Cousin is one of his own. Of course, we should protect and spoil her.

"It's eleven o'clock. Where else can you sleep? There's no hotel nearby." Li Yaxi said truthfully that she wanted her cousin to stay and was afraid of him.

"You don't like me. If your cousin has a relationship with you, you don't hate me all your life, so I'd better hide and wait for your fire to escape." Yang Yu replied very seriously.

The most painful thing in the world is to meet a woman who is young, but can't go to school.

"Who wants to have sex with you, beast!" Li Yaxi murmurs and looks at Yang Yu secretly. Seeing that he was really dressed and really wanted to leave, I was at a loss. I didn't know whether to keep her or let her go, but Li Yaxi was a tough woman.

Yang Yu actually opened the door and left?

Even Yang Yu couldn't believe it. He desperately wanted to stay, and tried every means to give his cousin aphrodisiac. Now, when he stayed, his cousin also had spring, but he had to go? It doesn't make sense."Are you really going?" Li Yaxi asked reluctantly.

"Well, my cousin won't stay here any longer. Sad." Yang Yu replied.

"What do you hurt? Do you like me?" Li Yaxi asked in doubt.

Yang Yu didn't know how to answer this question. He said, "do you like it?" no, he didn't like it. Originally, I like it, but in the past six months, I have been against myself everywhere. What else do I like? No matter how much I like it, I'm consumed by this girl.

So Yang Yu told the truth: "I used to like it, but then you fight me every day, and you hate me. You have already consumed my cousin's love."

Li Yaxi was silent and murmured: no one is against you.

"I'm going." Yang Yu finally looks at the second younger sister and actually goes out.

Is Yang Yu's brain really pinched by the door?

Li Yaxi wanted to stop, but he shut up. Suddenly, Li Yaxi felt that the whole room was empty and that he was abandoned by the world. The whole person is lonely, thinking of men, but there is no man.

Li Yaxi cried.

Li Yaxi tries not to think about his cousin, but Yang Yu's shadow reverberates in his mind like a devil, like a movie. For the first time, he sleeps naked together, goes to the vegetable field, plays together,

quarrels and eats.

Last time, he was robbed of his first kiss by his cousin, and was rubbed by his cousin's black coarseness against his own mouth. At the thought of this, Li Yaxi couldn't help thinking about his cousin playing with himself. In his mind, he imagined that his cousin was now pressing on himself, and he inserted the black coarseness into his body.

Li Yaxi can't help moaning and masturbating. His eyes are blurred. He opens his mouth and murmurs: my cousin plays with me, plays with me.

But Yang Yu couldn't hear.

Yang Yu looks up at the second sister's room upstairs. The light has gone out. He thought the second sister would keep him, but he didn't. Yang Yu shakes his head and completely dispels the evil idea of the second sister. Next time, he should not give her any more aphrodisiac.

As Yang Yu walked towards Han Jing, the street lights outside were very bright, but the streets were empty and empty. Compared with the urban area, the county was still desolate, especially in the suburbs.

Li Yaxi has been completely crazy, fantasy cousin pressure on the body.

"Cousin, I want it." Li Yaxi said to himself.

Han Jing is overjoyed at the unexpected arrival of her boyfriend. She is both pro and coquettish. She is killed several times by Yang Yu on the spot, and Han Jing cries more and more.

"You're getting better in bed." After that, Yang Yu joked.

"Who let you be my boyfriend? Of course, I want to serve you well." Han Jing acts like a child.

"Then you are not my tool to vent?" Yang Yu joked.
