The layout of the director's office is really the same as paradise, luxurious, rich and high-end, but the director is just like a dog. When I met Yang Yu, I was very happy on the surface.

"You may not be able to run this advertisement." The director said.

"Isn't that what the Secretary of the municipal Party committee said?" Yang Yu directly took out the Secretary of the municipal Party committee. Is he pretending to be powerful?

My advertisement hasn't been shot yet, so you say it can't be broadcast. What do you mean?

"It's like this. We have to follow the normal procedures, such as food hygiene license, food license, industrial and commercial bureau, price bureau and so on. Then" before the director's words were finished, Yang Yu broke in:

"and so on. I have handled all these things."

"Is it?" The director muttered, thinking: I didn't cheat in the past. I have to think of a reason.

When Yang Yu saw the director pondering, he thought that this matter had been settled. Today, he came here to talk about the specific matters of advertising. As a result, he didn't broadcast it? How dare I shoot ads? It's not a waste of money.

"The National Bureau of culture has been very strict in the management of advertising recently. I know your situation, but it really can't be broadcast." The director gave a casual reason.

"How about I add money?" Yang Yu doesn't expect things to go wrong at the last moment. Although the advertisement is not so urgent, it has to be done.

"In recent years, the problem of food safety is very serious. We really dare not fight indiscriminately." As a matter of fact, the director is really not interested in such a small figure as Yang Yu. He is already very polite when he talks like this. It's all in the face of the Secretary of the municipal Party committee.

but here he has the final say.

"But your TV station still has a lot of food advertisements?" Yang Yuming knew that the other party was cheating him, but he still wanted to fight for a step. Unexpectedly, he couldn't even increase the money. He immediately realized that it must have something to do with the mayor. The mayor may have given orders secretly.

Since Murong group has offices in this building, it's obvious that the director is wearing the same trousers as them.

"Their contract was signed before. The new food advertisement is very strict. In order to put an end to the trouble, we won't fight for the time being. Would you like to ask other TV stations?" The director is tired of it, but he still looks like an official and speaks Mandarin.

Yang Yu has no way, the city's television is not allowed to play, where else to play? Do you want to go to other provinces? Go to central?

After two polite words, Yang Yu had to go.

The director was also relieved. In the middle, he was the most troublesome. He looked up at the words posted in the office: no fear of authority, fair and transparent.

Yang Yugang came out of the director's office. Because he was very upset, he lowered his head and thought about things. As a result, he ran into a woman.

Documents scattered all over the ground, Yang Yu quickly said sorry, looked up.

"Xia Tong?" It turns out that Yang Yu knows each other.

"You are" Xia tong can't think of it for a moment. Yes, it's normal that she just met Yang Yu.

"I'm Yang Yu. We met once that night at Xie Qiuqiu's house." Yang Yu explained.

"Remember, you remember my name. What are you doing here?" Xia Tong asked.

At the party at Xie Qiuqiu's home that night, Yang Yu was most impressed by two girls, Su Yan and Xia Tong. Comparatively speaking, these two girls were the most beautiful and dignified, so Yang Yu was impressed.

"I'm here to talk about advertising. Why are you here again?" Yang Yu is also curious.

"I'm not here. I work downstairs. I'm broadcasting. I'm the host. Send some papers to the director." Xia Tong said with a smile.

"Host? So powerful, that's half of the entertainment industry. I'll listen to your program next time. What's the name of the show?" Yang Yu boasted that there were really no friends around him who were engaged in this work.

"Fm958, from the music channel, but my program is called urban women. It's a women's program. It's 8 p.m., ha ha." Xia Tong said with a smile that this program is a heart to heart interactive program for

women, women's love, marriage and health. Why do you listen to this as a big man?

Looking at Yang Yu's embarrassed face, Xia tong can't help laughing.

"Well, don't disturb your work, contact me when you have time." Yang Yu said with a smile, then nodded his head and left.

Xia Tong looks back at Yang Yu, especially his buttocks. The scene of Ye Qinqin kneeling and licking Yang Yu that night is vivid. It's called a big one. Xia tong can't help but sip her mouth and go to the director's office.

Out of the entertainment era building, Yang Yu shook his head and said to himself, "the city TV Bureau can't do it, so we have to go to the county TV Bureau." And this time, Yang Yu wants to do it by himself. This advertisement must be fought first.

The first step of brand creation is quality, the second step is advertising, the third step is quality, and the fourth step is channel.

Five things, Yang Yu spent two days to deal with, ready to stay another day tomorrow, go to the county TV station, and then go to the advertising company, so Yang Yu went back to the county first, last night Yang Yu saw the Secretary of the municipal Party committee was very busy, so he directly slept in the city hotel. Tomorrow is to go to work in the county, naturally back.

Han Jing doesn't know that Yang Yu has gone to the county. Otherwise, if he doesn't go to her place to sleep, he will play a small temper. Therefore, Yang Yu is going to Han Jing's place tonight. This little lover still needs to moisten her regularly. It's a night's fee.

When I opened wechat message, I found a lot of unread messages.

First of all, it's su Jian's. He asks how things are going. He also says that his mother wants you to come to her house for dinner. After reading this one, Yang Yu can't eat any more rice. Su Yan's mother, aunt Dong, Yang Yu is afraid. She really doesn't dare to go.

Then it's Qiu Yan's. Qiu Yan's news is more explicit. It's all Yang Yu's fault. Before chatting with her, they all had the taste of teasing. As a result, the more they chatted, the bigger their size became. Finally, they became dating.

Qiu Yan asked: where do you sleep at night? Do you want to go to her?

Yang Yu thought for a moment, why not? Why doesn't this door-to-door delivery man work?

He left a message: "on the way back to the county, I may go to your place to sleep at night."

Yang Yu uses "maybe" because Qiu Yan is already so coquettish. I can't follow you. That will lower my

level. Even if I want to make an appointment with you, I have to be a little reserved. People will be interested in you.

If the other side is very reserved, Yang Yu will complement each other and behave a little bit rogue, otherwise the girl will not be able to soak.

It's like Zeng Xiaoxian and Hu Yifei, who don't poke after a layer of gauze. It's very deadly. After poke, maybe it's dry firewood.

From the TV station to the county, the direct train doesn't go directly to the center of the county, but to the suburbs of the county, so Yang Yu has to walk. The county is small and not far away. Just go.

Before long, Yang Yu heard a cry for help, which was called by a woman.

Chapter 320

Yang Yu looks around.

Although it's only eight o'clock now, it's no longer a suburb, but there are fewer people in the county. There are sporadic elderly people walking. Yang Yu followed the sound and found a small forest not far away. It seems that the cry came from the small forest.

He rushed to the woods and hesitated at the entrance of the woods.

Don't mind your own business. Yang Yu told himself in his mind.

At this time, a woman ran out of the woods. Her clothes were not neat, her upper body was completely naked, and her lower body was only wearing a pair of pink underpants. The underpants were very thin, with lace. When she ran, her two breasts were shaking and shaking, which was very delicious.

As soon as the woman saw Yang Yu, she ran directly to him, shouting: "help me!"

When the woman ran to Yang Yu's side, they fixed their eyes at the same time and got to know each other.

"Su Xinqi?" Yang Yu surprised way, eyes straight stare at her milk to see.

This woman running out of the woods crying for help is Su Xinqi, a young model. Su Xinqi and Xie Qiuqiu are in the same community. They are single apartment, and they are Xie Qiuqiu's next door neighbor. Yang Yu knows that Su Xinqi is a young model, a car model or a plane model, which Yang Yu does not know. But he knew that Su Xinqi was taken care of, and the man who took care of her, Yang Yu, had only seen her once.

If the black cat didn't come to Xie Qiuqiu's home that time, Yang Yu didn't have a chance to know Su Xinqi, but the so-called understanding was just a one-sided relationship, without any contact. The reason why Yang Yu can remember her so clearly is not because she is beautiful, nor because she is a young model, but because her pet cat, a black cat.

Su Xinqi naturally knew Yang Yu. When she passed by on the way to the bachelor's apartment for the first time, Su Xinqi remembered this man. Because there is a big gap between him and the short, old and ugly man who keeps him. Su Xinqi remembers this comparison.

Later, after su Xinqi saw off the old man, she watched Yang Yu go to the next door neighbor Xie Qiuqiu's house, so after the black cat disappeared, she went to her side, so she took this opportunity to get to know Yang Yu. However, later, Yang Yu never went to find Xie Qiuqiu again. Su Xinqi intentionally or unintentionally asked how Yang Yu didn't come to find her. Xie Qiuqiu also gave a very simple answer.

After that meeting, they never met again.

But, strange thing, Su Xinqi Miss Yang Yu very much, even feel oneself got single Acacia, she herself all don't understand exactly is how?

When Su Xinqi saw Yang Yu staring at her breasts, she immediately covered them with her hands, and her face turned red. Unexpectedly, when she met the man she liked for the second time, it would be this scene, which Su Xinqi never dreamed of.

It's all fate.

When Yang Yugang wanted to ask what happened, several men ran out of the woods. There are six men in total. One of them is naked and only wears underwear. He is holding clothes and trousers in his hand. The others are tall, short, strong and thin. But one common feature is that he holds his head high and looks arrogant.

Yang Yu knew at a glance that they were gangsters in this area.

"Boy, don't mind your own business. This bitch belongs to our brother. You'd better get out of here."
The naked man yelled. It was the eldest brother of the six.

When the naked man saw Su Xinqi hiding behind Yang Yu, and Yang Yu also turned to face them, he knew that the boy wanted to meddle in his own business.

Yang Yu looked at Su Xinqi naked body, looked at the man, and listen to this, guess that this group of thugs want to gang rape Su Xinqi. Su Xinqi looks so beautiful, the appearance of these gangsters is too poor, it is inevitable that they can't get lust.

In this area, there is a lot of chaos and gangsters all over the place, but at least brother Shan brought it

together. At that time, Yang Yu was a time when a hundred schools of thought of the underworld were contending with each other, and the chaos was very serious. All the gangs fought against each other to find a way to survive.

Some people may think that this is too exaggerated, but in fact, the reality is even more exaggerated than that.

When Yang Yu was a freshman in high school, seven students came out to play and were surrounded by 12 triads: robbery! That time, Yang Yuhuo went out and tried his best to fight with them. As a result, he didn't know each other and got to know Han Hu, who later became his brother.

After the robbery, Yang Yu not only got a brother, but also seven people and three female classmates. Later, a female classmate saw that Yang Yu was so fierce to protect them, and delivered them directly to the door. It was also after the incident that Yang Yu became a gangster and became a real gangster. Of course, she also did bad things.

Eight years later, these kids are bullying themselves. They are really bullied by dogs.

"Do you know brother Shan? I'm friends with him. For his sake, let this woman go." Yang Yu replied.

"Pooh! What bullshit brother Shan, this is Laozi's territory, this is Laozi's woman, just want to give the brothers a good time, don't say I didn't warn you, be careful that Laozi stabbed you directly." The naked brother was escaped from the woods by Su Xinqi. He was very angry at first, but now a guy who didn't know the greatness of heaven and earth appeared to meddle in his business.

Yang Yu a listen, Zou eyebrows, this is not Dingshan stone's territory? These gangsters have never heard of this name? At this time, one of the gangsters came forward and muttered to the naked man.

The naked man immediately changed his tone: "if you know brother Shan, you know brother Shan. I say brother Shan is still my uncle! Ha ha The crowd also laughed.

Yang Yu also knows that they can't be intimidated by casually putting out a person.

"What do you say to let her go?" Yang Yu asked, but he was not afraid of them, although there were six of them.

"It's easy to do. Let the bitch give my brother a good hand, and I'll let you go. Ha ha The naked man laughed.

"Big brother, I want to cool three, OK?" One of them broke in and said that he was extremely obscene.

It made everyone laugh.

"Don't say three. If you wear this whore, I don't mind. hey. "Naked men are also obscene and smiling.

Yang Yu turned his head and looked at Su Xinqi. Su Xinqi also happened to look over. They looked at each other with four eyes. Su Xinqi said in a hurry: "no, I don't want to. "

Yang Yu also knows that it doesn't make sense to reason with these people, only by force.

Force is the most essential means to solve all conflicts. It is the same in any age.

"What? If you don't get out of here, you'll die. "When the naked man saw that Yang Yu didn't know his face, was he afraid that he could not be alone?

As soon as the naked man waved his hand, everyone gathered around him and surrounded Yang Yu and Su Xinqi in the circle. Su Xinqi is terrified. The underworld is unreasonable. She is afraid that she will be gang raped by these six ugly, vulgar and obscene men.

Every person twice a day, that's 12 times. If he was killed by the sun for 12 times in a row, he would be killed by the sun, his lower body would rot, and then he would be thrown naked in the woods.

This kind of thing is often encountered in this area. That's why police officer Lei has no time to take charge of the cases in the poor valley of Yunv village and the cases in front of his home.

"You stay behind me and don't run, you know? "Yang Yu turned his head and told Su Xinqi. Su Xinqi ordered a little, stretched out a hand and grasped Yang Yu's skirt. He had no bottom in his heart. There were six of them, and Yang Yu was the only one. Moreover, they were gangsters who did all kinds of bad things. How could Yang Yu fight?

At this time, a man had rushed over and punched Yang Yu directly. Yang Yu caught him on the spot, turned around and hit him with an elbow. It hit him in the chest, and he was crying with pain and rolling on the ground.

When the others saw it, they jumped on it.

Yang Yu scuffled with them. He didn't know if he was fighting. After a fight, he knew that Yang Yu had great strength. Moreover, Yang Yu was very fierce in the fight. He was ruthless. All of them were hard hitting. This is hurting the enemy one thousand and losing eight hundred.

There's no way. Yang Yu's fighting style is just like this, fierce and fierce.

However, there were too many of them after all. After a round, Yang Yu was punched several times. Although he was beaten back for a round, his hands and feet were hurt by the hard hitting method.

Su Xinqi, with behind, scared ass urine flow, was playing to play, almost cry.

There are pedestrians passing by on the road. They all run away from a distance. In the distance, there

are several people hiding on the road and watching quietly.

"A group of rubbish, six people can't beat one!" The naked man cursed.

At this time, a fierce gangster directly took out a dagger from his pocket. The dagger was still shining in the light. As soon as Yang Yu saw them, he knew that they had come. Su Xinqi's legs softened when she saw the dagger.

It's late, it's fast!

At this time, a gangster rushed up, and Yang Yu rushed to meet him. But he was wrong. When he was entangled with the gangster, the gangster with the knife had already stabbed Yang Yu in his belly. Yang Yu is cool for a while, secret way: bad, this knife can't escape.

Su Xinqi opened her eyes wide and her body became cold. She watched the dagger go towards Yang Yu's belly.

Seeing that the dagger was about to enter Yang Yu's belly, he heard an order.

"Stop it! "

when he was yelled, the thug with the knife instinctively stopped. The dagger was only a few centimeters away from Yang Yu's abdomen.

Yang Yu quickly led Su Xinqi back two steps.

Looking for voices, they found three people coming, one in front and two behind. As soon as the six gangsters saw the leading man, they suddenly changed their faces and immediately began to smile.

"Brother scar, why are you here? "

Chapter 321

It was brother Shan's right and left hand, called brother scar. He had been in the army, and Yang Yu had a fight with him. He was very professional. At that time, his leg almost broke Yang Yu's ribs. If he wasn't lucky, maybe that shot would have burst his head.

Brother scar looked at the naked man. The naked man quickly put on his trousers, then looked at Yang Yu and the naked woman behind him and asked:

"what's the matter? "

the naked man doesn't know how brother scar came. Brother scar is a landmark in this area, and no one here knows.

"Well, our brothers wanted to be a woman recently, so they found a whore, and the price was all agreed. Three hundred bags of gang rape. As a result, the whore took our money and quit. How can we do that? The business naturally needs to be honest, so our brothers did it by themselves. As a result, the boy is nosy and has to help the whore. Ah, the world is going downhill."

Yang Yu heard this, as the saying goes, there is no fire without wind. Although this is an exaggeration, there are so many part-time girls who help each other these days. What's more, Su Xinqi was originally taken care of by an old man. Maybe it's not certain that she would come out to take part-time jobs to earn some money. This naked man's words, which can't be said as nonsense, may be half believable.

Yang Yu turns to look at Su Xinqi and says that she is a whore, Yang Yuxin.

As soon as Su Xinqi heard this, she was really worried. She was humiliated and lost to her family. Now, even Yang Yu seemed to believe what they said, as if she had come out to sell. She immediately went crazy and said to Yang Yu:

"Yang Yu is not like this. I went out for a walk with Xiao Hei. As a result, he got lost, so I went to find him and met him. They dragged me directly into the woods and raped me. They also prepared to say, "Su Xinqi is crying. I'm sorry to say the word" gang raped me ".

"Oh, you bitch, you're really lying. Brother scar, you're going to make the decision for me. I gave her 300 yuan, and the money is still in her pants. Unfortunately, I asked my brother to look in the woods?"
Naked man is really like a real man.

"Yang Qi, I don't think it's important for me to be stigmatized. The better I don't think it is, the worse I'm stigmatized."

However, the naked man was right, and everyone believed it.

"Brother Nan, give me face, or how about this matter solved in this way?" Brother scar said to the crowd.

"It's all a little money. I don't care about it. The main reason is that I've suffered a dumb loss, so I won't accept it. However, since brother scar has a way, I certainly listen to him." The naked man replied.

Brother Dao looked at Yang Yu and the whore behind him, and said:

"In my territory, justice is the most important thing. I don't care whether the whore comes out for sale or for a walk, but don't break our brother's kindness. Brother Nan, Yang Yu, you and I know each other. For my sake, don't fight for a woman I'll fight you to death. It's too urgent." Brother scar has a lot to say.

When this was said, the naked man and other brothers said yes one after another.

"Since you want to meddle in Yang Yu's business, you have to have a reason. If this bitch is your relative or girlfriend, brother Nan will look on my face and let them go. If this bitch has nothing to do with you Yang Yu, I'm sorry, business is business. This bitch will belong to brother Nan at night. You can do it as many times as you want." Brother scar said.

"Good!" Naked man claps his hands and cheers. Isn't this bitch going to die tonight? "Why, is this bitch your cousin or your cousin? Ha ha

Su Xinqi's legs are soft. He and Yang Yu just met each other. What's the relationship?

"No, no, please don't give me to them, they will kill me. "Su Xinqi is really scared. I didn't expect that she would come out for a walk.

Now even if the old man who keeps her comes, he can't help her.

Think of, these six dirty men will be pressed on their own body, the root of disgusting things into their bodies, and then full of shot in, one after another to play with themselves, shot himself, Su Xinqi would rather bite the tongue on the spot to commit suicide, not so insulted.

"She's not my cousin. She's not my cousin." Yang Yu returned.

Su Xinqi's face suddenly pale, vulnerable look like at any time may be directly soft paralysis on the ground.

"Ha ha. Well, we are all brothers. Why hurt our friendship for the sake of a whore? You're the gang raper tonight. Let's have a good time together, OK? " Naked man suddenly put the word gang rape in his mouth. Is there really no royal law here?

Where are the police?

"She's my girlfriend!" Yang Yu said word by word.

Now, it's the naked man's turn to look ugly, thinking: NIMA, this boy clearly wants to fight against himself, I bah.

"You say a girlfriend is a girlfriend? I am still the Secretary of the county Party committee. What evidence do you have to prove that she is your girlfriend? " How can a naked man be fooled by Yang Yu? Yang Yu said, he held Su Xinqi, hugged her, and pressed her to his chest. Su Xinqi felt warm in his heart and nestled in Yang Yu's arms. Yang Yu has a big mind and a sense of security. Su Xinqi is not surprised to look up at Yang Yu. She is very happy.

At this time, Yang Yu remembered that Su Xinqi's upper body was still naked and was watched by a

group of men, especially the pair of breasts. Because they were too big, they couldn't hide their hands. So, quickly took off his short sleeve, let Su Xinqi put on.

Su Xinqi suddenly warm.

"I'm here today to find my girlfriend. How can I inform you when I'm my girlfriend?" Yang Yu said.

Naked man is said to be silent, this girlfriend is the most difficult to prove, you say yes, that is, no, that is not.

"Yang Yu is my boyfriend." Su Xinqi also said.

"Well! Well, aren't you guys and girls? Since you are a boyfriend and a girlfriend, you can blow a whistle to your boyfriend in front of us, and we will believe it." Naked man has a fuckin 'idea.

As soon as the words came out, everyone began to coax.

How reasonable that is.

However, Yang Yu is not su Xinqi's boyfriend.

So, Su Xinqi can't blow the flute for Yang Yu, or give it to a strange man, kneel down to eat Yang Yu's big guy in front of everyone. Isn't that really a whore? Su Xinqi tells herself that she is not a whore. That's what a whore does.

"We'll rush out later, you just run forward, don't mind me." Yang Yu knows that Su Xinqi will not speak, and it is impossible to let her do such a disgraceful thing in front of everyone.

After hearing this, Su Xinqi was even more moved. No man has ever done this kind of thing for him. The boyfriends who used to associate with each other only see her beautiful. They only stare at her body. As long as Su Xinqi said that he would not play for you, those boyfriends would take the initiative to run away.

Su Xinqi thought: even if I run out, Yang Yu will be beaten to death by them. He is not related to me, but for me, how can I bear to see death? Besides, I've been thinking about him for several months?

"I eat! Yang Yu is my boyfriend. We always do this kind of thing." Su Xinqi said with red eyes.

Yang Yu suddenly froze, immediately whispered to her: "you don't have to force yourself."

Yang Yu looked at Su Xinqi, she is really beautiful, especially eyes, in the night, will glow, Su Xinqi also looked at Yang Yu, did not blink, softly replied: "no, I do."

"That's not fast. We're still waiting." A gangster came to the scene.

Su Xinqi ignored them, but faced Yang Yu face to face, eyes always looking at Yang Yu, did not leave, and then she knelt down, stretched out her hand, slowly took off Yang Yu's pants, the root everyone soft under the normal has been thick.

Su Xinqi reaches out her hand and grabs Yang Yu's guy. Then she puts Yang Yu's big guy in her mouth and eats it slowly.

Chapter 322

Yang Yu immediately blood boiling, looked down at the following Su Xinqi kneeling there, and she looked up at Yang Yu from time to time, with Yang Yu's root in her mouth.

At this time, Yang Yu's instinctive desire reaction is instantly ignited, and the black thick slowly hardens.

Su Xinqi felt that the thing in her mouth was getting bigger, longer and harder, but she never dreamed that it would be so big, so long and so hard. Her little mouth almost couldn't contain it. It's not fatal. It's fatal. Yang Yu's mushroom head was pushed into her deep throat, which made her sick.

But in order to act for this group of thugs, Su Xinqi is still very desperate to eat up, Yang Yu feel good.

"Ha ha, I'm not a whore. I work so hard and I have such good oral skills. How many men's chickens have you eaten before? Ha ha Naked male saw, satirize a way, in the heart also secretly don't accept, originally this woman now should be kneeling there to eat own guy, the result, but cheap Yang Yu this boy.

After hearing such insulting words, Su Xinqi's tears rolled in her eyes. She really wanted to have a crack in the ground.

"You see, this bitch is addicted to food, ha ha."

"In my opinion, if she doesn't eat a man's lower body, her mouth will be uncomfortable."

"I guess she eats it for men every day, and the men who have eaten it can circle the earth five times. Ha ha

People kept insulting.

Su Xinqi's tears really can't help falling down, but here she is still eating Yang Yu's big guy.

Yang Yu sees that this group of thugs are more and more excessive, and their words are more and more dirty. He can't bear that Su Xinqi is insulted like this. Although he is happy, she is not his girlfriend.

"Well, get up." Yang Yu said, will help Su Xinqi up, knee is already kneeling red. Yang Yu quickly pulled up his pants, Su Xinqi drilling in Yang Yu's arms, did not dare to see anyone, is really no face to see ah.

Yang Yu caresses Su Xinqi's head and covers her face with his hand. Su Xinqi sticks tightly to Yang Yu's arms.

"Can we go now?" Yang Yu asked, and without waiting for their answers, he was ready to leave.

"Wait!" The naked man called out again.

Yang Yu is waiting for him to speak.

"She's a whore. Ask her which man here she doesn't want to eat. If it were me, she would kneel down and eat. Why? Because she's a whore. A whore is born to eat men. Ha ha. It doesn't prove that she's your girlfriend. "

"That's right. The girls in the red light district always eat my lower body, and they don't say it's my girlfriend." The other thugs yelled as well.

"What do you want? Don't go too far. " Yang Yu's eyes become sharp. If he wants to open the killing ring, he only needs a knife.

Brother scar once saw this look. He knew that Yang Yu was a powerful man, and it was not a good thing to make trouble with brother Shan.

"Well, if you play with your girlfriend now, we'll trust you. Brothers, what do you say? " Brother naked knows that it's impossible to take Su Xinqi away tonight. Even if he does, Yang Yu will go to the police. Brother scar doesn't want to make a big deal of trouble. At that time, it's just a bitch. Since he can't take Su Xinqi away, he just insults them and makes them happy.

Yang Yu listened to this, saw scar elder brother one eye, scar elder brother did not speak, that is to allow the meaning of naked man.

And Su Xinqi heard this, really want to die heart has. Just now, the guy who ate Yang Yu in front of so many people has made her shameless. If she wants to play with Yang Yu in front of so many people, it's better to die.

"What? Don't you dare? Don't you do it between you? Then I'm going to doubt if I'm being fooled. " Said the naked man.

Yang Yu naturally can't do it, no matter whether Su Xinqi is a bitch or not, as long as people don't want to. If she is a girlfriend, she is not a real girlfriend. Maybe Su Xinqi has a boyfriend. What's more, some passers-by in the distance have already taken out their mobile phones to shoot videos. When Su Xinqi

ate her black coarseness just now, it is estimated that she has been secretly photographed. Come down, then to Youku a pass, you let Su Xinqi how to behave?

However, Su Xinqi is the most miserable now.

"Yang Yu." Su Xinqi raised her head with tears on her face. Looking at Yang Yu's eyes, she managed to squeeze out a smile and said softly, "let's be friends for one day. I'd rather die than let them touch me. I'd rather give you my body."

If some things are doomed to be pessimistic, why be optimistic? Maybe they will be different.

When Yang Yu saw Su Xinqi smile, he knew very well how helpless, bitter and painful the smile was. He had to smile and said softly, "I didn't pick up a beautiful girl friend. I took all the cheap."

"Would you like to be my girlfriend?" Yang Yu asked. Many times, if you give yourself a place, the essence of things will change. At the same time, the essence of things will not change. It is said that marriage is legal prostitution! The same is true.

"I will." Su Xinqi laughs. It's not easy for her to laugh in this situation, but this smile comes from her heart.

At least, if there is a man, no, a boyfriend, who will bear the hardships with himself, it will not be so painful.

Well, it's natural to be played by a boyfriend.

"What are you still inking? Do you want me to take your pants off?" Naked Nange yelled, but by this time, he had put on his clothes.

Su Xinqi listened, slowly turned around, in front of the crowd, bent down, legs slightly apart, hands directly on the ground.

This Su Xinqi inexplicably became his girlfriend, although it was only one day, exactly one night, but also a big bargain, is this a blessing in disguise?

Now, Yang Yu doesn't have so many ideas. He just wants to solve the problem as soon as possible and go back to sleep peacefully. If there is a real sword conflict, he may be able to get out of the encirclement. But with Su Xinqi, he must be very lucky. Maybe he really wants to be stabbed and hurt Su Xinqi.

Life is boil, slowly boil, finally boil into essence.

Yang Yu swallowed deeply, pulled down his trousers and popped out in front of the crowd.

As soon as everyone saw that Yang Yu was so bold and magnificent, he felt inferior on the spot,

especially naked brother Nan. He had already taken off his trousers in the woods just now. All the brothers had seen his size and dared not laugh. Now compared with Yang Yu, can they not feel inferior?

"Look at the whore, ha ha. "Brother naked Nan wanted to insult Yang Yu. He insulted Yang Yu. However, when he saw that he gave Yang Yu the pleasure for nothing, he was out of balance.

"This whore must have been rampant. A whore is a whore. "

" isn't it good for her brothers to satisfy her for such a lack of play? I have to be pure, ha ha. "

" it's shameful enough to sell in front of everyone. ha-ha. "

those gangsters began to make all kinds of sarcasm again, and their words became more and more ugly. Even Yang Yu felt that these words were too dirty.

This whore is like Su Xinqi really helping his sister?

Su Xinqi held back her tears.

Yang Yu understands Su Xinqi's mood and knows that she is suffering. Even if she is a real whore, she will be scolded and cried after hearing these insults.

"Ah!" Under Yang Yu's action, Su Xinqi screams in pain.

"This bitch is crying, ha ha." Naked Nan elder brother continues to satirize.

"Other people's whores are willing to give me a turn. As a result, this boy has destroyed the whore's business. Ah, he thought he was doing good."

"I'm sure the whore hates this boy now."

You have insulted Su Xinqi and Yang Yu for a whole night. If Su Xinqi wasn't strong enough, she might have been killed by another woman.

"Well, that's it. Brother Nan, what do you think? "

In fact, brother scar doesn't need to give brother Nan any face at all. The reason for asking is his own personal indignation. Last time he was stabbed by Yang Yu in front of his brothers and carried to the hospital, he was still very dissatisfied.

Although brother scar is a tough guy and doesn't like to play Yin, it's a relief to see Yang Yu insulted. It's almost over.

"Since it's brother scar's girlfriend, how can our brother touch it? It's just a joke. I hope we don't take it too seriously." Naked Nan elder brother buttoned back the shirt, a face of arrogance.

"Come on, bitch, no more." Next to Nan brother's little gangster scolded.

The six hooligans gradually dispersed.

Brother scar looked at Su Xinqi, who was still up his butt. Yang Yu didn't pull it out for the first time. Seeing that they were so embarrassed, he laughed a little and left.

After Yang Yu finished his work, Su Xinqi got up and fell into Yang Yu's arms.

The crowd from afar gradually dispersed.

"I'll take you back." Yang Yu said softly.

Su Xinqi didn't speak. She just kept crying in Yang Yu's arms, with tears streaming down her face.

Fortunately, it's not far from the bachelor's apartment. It's only a short walk.

The security guard knows Su Xinqi, otherwise he won't let her in, but the security guard is very curious, how Su Xinqi is in such a mess, as if she has just been gang raped, and who is the man? Why are you naked.

Su Xinqi's key is still in the clothes on the other side of the forest. Yang Yu runs directly to the second floor to open the door.

Before entering the house, Yang Yu looked at Xie Qiuqiu's house next door. It seemed that the light was dark. In his heart, he might have gone to a nightclub.

Lock the door and turn on the light.

Yang Yu helped Su Xinqi to the sofa and found a blanket for her. Although it was hot, he just helped cover her lower thigh first.

"I'll get you a hot water." With that, Yang Yu went to the kitchen to find a cup and poured a cup of hot water to Su Xinqi.

Su Xinqi painted light makeup, but also cried a little changed.

"Thank you. Am I ugly now?" Su Xinqi holding hot water, not in a hurry to drink, but low head, dare not

look at Yang Yu.

At this time, Yang Yu, of course, wanted to make her happy and forget what happened just now, so he said: "how can I, my girlfriend is certainly the most beautiful."

Su Xinqi ha ha a smile, all of a sudden heart relaxed a lot.

"Thank you tonight, you won't" Su Xinqi thanks, but her heart still feel very uncomfortable, can't say, faltering, and embarrassed to ask.

"Thank you. We are all friends." Yang Yu came back with a very official remark. In fact, he can say that because you are my girlfriend, but Yang Yu also knows that Su Xinqi was forced to do so in that case. Whether she was really willing to be her own girlfriend or not, I don't know. No, it should be said that under normal circumstances, Su Xinqi should not look up to herself at all.

He is a young model and beautiful.

"Do you think I'm a whore?" Su Xinqi is very concerned about this question, she must ask this question, as long as Yang Yu does not think so, she will have a clear conscience.

Yang Yu was stunned for a moment. He really thought about this question, thinking: How pure do you expect a mistress to be kept by an old man? It's not too much to say it's a whore. Yang Yu doesn't believe it. He must have made it up by naked men. But if it's not that coquettish, those gangsters may not be so interested in you.

Yang Yu did not answer immediately, but hesitated.

This hesitation, Su Xinqi of course know the answer, suddenly heart a stabbing pain, sad way: he thought I was a bitch!

Su Xinqi was so angry that she got up angrily and went upstairs to the bedroom with a cold hum.

Yang Yu responds and complains to himself. How can he be so stupid? Even if she is really a whore, he can't say that on the surface. Isn't he the same as those hooligans? Is there a difference?

"Xinqi!" Yang Yu shouts in a hurry.

Su Xinqi didn't turn her head back. She went upstairs.

Yang Yu sat down on the sofa and had a rest, thinking: will you go to Qiu Yan's tonight? Does Su Xinqi have a problem alone?

Although Su Xinqi is Yang Yu's girlfriend tonight, it's all acting. It's not true. It's certainly inconvenient for her to stay here. In case the old man who keeps her comes, how to explain? Explain, tonight, your

woman is mine?

Besides, tonight, even if Su Xinqi is her own, Yang Yu can't do anything about her? If you play with her tonight, isn't it salt on the wound?

It's not as good as animals.

But if you leave, you're afraid that people's hearts will be fragile. If you can't think of it, you'll have to take half of the responsibility?

After Yang Yu hesitated for a moment, Su Xinqi went downstairs.

Throw over a few clothes, said: "you wear these pieces, the body of a down I wash."

Yang Yu took a look at the clothes. He was stunned for a moment and thought: This is not the old man's clothes, is it? Don't wear that.

Su Xinqi seems to see Yang Yu's dilemma, said: "the clothes and underwear are brand new, no one through."

Finish saying, Su Xinqi also ignore Yang Yu, oneself went to the bathroom to take a bath.

The door of the bathroom is made of glass, which has been blurred, but I still vaguely see Su Xinqi's body when taking a bath, perfect S-curve, protruding forward and backward. No one can match her in terms of beauty and temperament, and this kind of woman has a special taste.

Yang Yu turns on the TV to watch it. There are many fruits on the table. He takes an apple and chews it.

This time, Su Xinqi washed it for half an hour.

I don't know if I want to wash away the filth of the body, or the mental stain, or the reputation of a "whore."

But where can some things be cleaned after a bath?

Even if it's peeled, it's not clean! If you want to wash, you have to wash your heart. Dig it out and wash it.

The door of the bathroom opened and Su Xinqi came out.

The moment Yang Yu looked up, he was shocked.

God, sexy, beautiful words can't describe Su Xinqi's beauty. Her beauty is pure and coquettish. It's not only muggy, but also the temptation of a whore. It's a bit like a schoolgirl.

Su Xinqi is wearing a silk nightgown. According to the style, there are only a few thousand of them. It's estimated that they can't be bought. The ketones in the Nightgown are also looming. Even if it's a nightgown, her chest is still pushed up by the milk. Her legs are very thin, white, hairless and delicate.

Yang Yu's heart was bouncing. He thought to himself: what I just saw was such a beautiful woman?

Chapter 324

"Go and take a bath." Su Xinqi took a hot bath and finally recovered.

Yang Yu picked up his mood and went to the bathroom. I took off my clothes and found that I was black and blue all over. I was beaten several times by those gangsters. Fortunately, the knife didn't come in, or I would be hanging. Really, sometimes don't meddle in.

Clothing is a set of sports clothes, leisure type, but also fit.

After coming out, Yang Yu sees Su Xinqi holding a medicine box.

"I have some medicinal wine here. Please wipe it for you." Su Xinqi seems to know that Yang Yu is hurt.

Yang Yu went over, sat on the sofa and said, "a little skin injury, it's OK."

"Take off your clothes." Su Xinqi said directly.

Yang Yu no longer hesitated. After all, health is important, so he took off his coat.

Su Xinqi looked at it, and suddenly she was distressed. Unexpectedly, Yang Yu was beaten so much, so she poured the wine on her hand, moved her position, and touched Yang Yu's chest and abdomen. When the wound touched the medicinal wine, it was very painful. This pain was nothing to Yang Yu.

Su Xinqi looks in the eye, smears Yang Yu's whole body, Yang Yu can only obediently look at her, is touched by her whole body, a little embarrassed. Su Xinqi also has a body fragrance, which is slightly different from Li ruorong's taste. It should be lighter and fresher.

After wiping, they had nothing else to do.

The atmosphere suddenly became awkward.

Su Xinqi found a topic and asked, "will you stay and sleep tonight?"

"Well, I can sleep on the sofa. It's so hot anyway." Yang Yu didn't hesitate this time, and he was lazy to go back to Qiu Yan to sleep. It was too troublesome.

Su Xinqi didn't say anything. She also knew that although she was a girlfriend, they were not familiar with each other and felt strange. But when she was sleeping here, and she was upstairs, she felt less secure. So she said, "go to my bedroom."

Yang Yu Leng for a moment, thought: to her bedroom? A bed? Although now is your boyfriend, but after all just say, no feelings, said to be a boyfriend is useless, ah, is it really a bitch? I'm going to do it at night?

"Don't think about it. I'll sleep under the floor." Said Su Xinqi.

With that, he went upstairs directly, no matter what Yang Yu thought.

Yang Yu looked at Su Xinqi's back and said to himself, "should I treat you as my girlfriend tonight? Do you think I'm your boyfriend? "

The night was late, and Yang Yu was tired and sleepy.

When Su Xinqi called Yang Yu, Yang Yu almost fell asleep on the sofa. Went to Su Xinqi's bedroom, a big bed, Yang Yu immediately thought of Su Xinqi was her old man under the pressure of breathing scene, feel a little disgusted.

The floor is made of wood. It's made of good material. It's like a German brand. It's very comfortable to step on it barefoot. The curtain is also very fashionable. It's double-layer and almost opaque. The lighting is very soft. The whole layout has one feature: soft.

On the floor, Su Xinqi made the bed. In this weather, she didn't need to make the bed at all, so she could go to bed directly. But Su Xinqi turned on the air conditioner, so she still needed some quilts.

The life of the rich is different.

Yang Yu originally wanted to say: "you are not my girlfriend, then I should sleep in bed, how to sleep on the floor?" But it's not appropriate to think about it. Sleep on the floor and sleep on the floor.

Yang Yu sends a message to Qiu Yan, meaning that she can't go to your place to sleep, and then she lies down to sleep. Because she is tired, she snores in a few minutes.

But Su Xinqi couldn't sleep. There were various reasons. The most important one was that as soon as she closed her eyes, she remembered that she had been stripped naked by the six smelly men in the forest. They pressed her hands and feet. Her underpants had been torn off in half, and Nange had been stripped naked. Her whole brother was exposed outside. It was disgusting.

Another reason is that Yang Yu suddenly sleeps here, which makes her uncomfortable. But if Yang Yu doesn't sleep here, she has no sense of security.

Su Xinqi quietly turned over and looked down. Yang Yu was already asleep and wanted to laugh.

Yang Yu is afraid of heat. Even if he turns on the air conditioner, he still feels hot, so he doesn't cover the quilt at all. He just presses a little quilt on his belly. So the outline of the whole body, Su Xinqi can still see clearly, especially the face.

Su Xinqi looks at Yang Yu like this. She feels very beautiful, romantic and comfortable. At least she feels at ease and happy when she looks at Yang Yu.

If Yang Yu knew that after he fell asleep, he would be scared to death by Su Xinqi. He thought he was going to hell.

Until one o'clock in the morning, Su Xinqi slowly fell asleep.

In the dark, a cat called, it was a black cat.

In the morning, the sun is beautiful.

When Yang Yu woke up, he found that he had overslept. He hurried downstairs and found breakfast, poached eggs, milk, bread, fried dough sticks and a bowl of hot noodles on the dining table in his bedroom. And Su Xinqi just came out of the kitchen, wearing a nightgown, in front of the scarf, looks very fresh.

"You're up. I've made breakfast for you. Go and brush your teeth and wash your face." Su Xinqi smiles at Yang Yu, as if her state of mind has recovered. It's no longer the poor Su Xinqi who cried and answered last night. She has recovered the beauty, freshness and nature of the tender model.

Yang Yu thinks this kind of feeling is very good. He lives in such a big luxury apartment and sleeps so well. When he gets up, he sees a beautiful woman and makes breakfast for himself. It's a good weather outside.

Nima! This is life.

After washing and gargling, it's on the table.

"I don't know what you like to eat, so I burned a lot. You can eat whatever you like." Su Xinqi took off her scarf and sat opposite Yang Yu, drinking hot milk.

"I can't see you're a housewife. I love them all." After that, Yang Yu was like a woodlouse son, totally ignoring the image and eating.

Su Xinqi looks at Yang Yu's gobbling and laughs.

"What are you laughing at?" Yang Yu still felt puzzled.

"No Su Xinqi raises her head and refuses to laugh.

"I have something to do today. I finished eating and left." Yang Yu is sucking noodles while eating bread. He doesn't forget to suck milk.

As soon as Su Xinqi heard this, she couldn't laugh. Her face became nervous and she said, "so soon?"

"Well, I'm going to Xiaxian TV station." Yang Yu casually replied: "breakfast is good."

Raised his head, found that Su Xinqi did not eat much, and asked: "why don't you eat?"

Su Xinqi and Yang Yu had breakfast together. She had a good appetite. As soon as she heard that Yang Yu was going to leave, she didn't know when she would see him next time. She felt as if she was gone forever, and her heart was empty. The old man hadn't been here for a long time.

Where does Yang Yu know Su Xinqi's complicated mood.

"That" Su Xinqi wanted to ask something, but she couldn't say it again. She managed to squeeze out a smile and said, "the clothes are not dry, or you can come and get them next time."

This kind of hot day, so thin clothes, where not dry, all dry, Su Xinqi is deliberately said.

"It's OK. I'm still in the county. Come and get it when you have time." Yang Yu is in a good mood, and the skin injuries are also good. Su Xinqi's state of mind is adjusted in one night, and everything feels better. Today, if the advertisement is done, everything will be perfect.

"That" Su Xinqi is still stuttering and hesitant.

"Say something." Yang Yu asked.

"A day has passed," Su Xinqi said in a mess.

"Yes, what's the matter?" Yang Yu obviously doesn't understand what Su Xinqi wants to express. Life is like this every day.

"Are we still girlfriends and girlfriends?" Su Xinqi asked with courage.

Yang Yu is chewing bread, immediately stopped, looked up at Su Xinqi, two people four eyes looked at each other for a second, Su Xinqi quickly avoided, side head, looking outside, face a little red.

"If you don't break up, you're just friends and girlfriends! "Yang Yu wanted to say, of course not. He was a boyfriend and girlfriend last night. He said that it would be a good day. After all, how could he still be a boyfriend and girlfriend? But obviously this kind of words is not suitable to say. Even if it is not, it is also said by the woman. As a man, no matter what, he can't hurt others, even if they don't like you.

After hearing this, Su Xinqi felt happy and asked cautiously, "do you want to break up?"

Yang Yu smiled and thought, "you let me sleep on the floor last night. Where is your boyfriend? Is there any difference between them? But on the surface, is the other party a girl after all? If you want to break up, you can break up with a smile, and I won't delay you to find a new boyfriend. Anyway, I picked up a girlfriend for nothing, so why don't I? Ha ha. If you want to talk about it, I won't talk about it. "

Yang Yu's words are really not hooligans. His original intention is: if you want to break up, I agree. I'm not pestering you. If you don't break up, I won't either. If you want to pick up a girlfriend, who doesn't want it? Fool ah, not to mention the girlfriend is still a young model, or a beauty.

Su Xinqi was in a good mood again. She grabbed a piece of bread and put it in her mouth. She was happy in her heart and said, "I didn't say I want to break up. I just asked you. I also picked up a boyfriend in vain. Why don't I?" Su Xinqi learned Yang Yu's tone and words and went back to the past.

Yes, won't Su Xinqi break up with me? This NIMA is unscientific. Isn't it supposed to be only one day? Yang Yu thought in his heart.

"but I never saw a boyfriend sleep on the floor." Are you sure I'm your boyfriend? " Since the chat is open and happy, Yang Yu will tease her.

Su Xinqi in the heart secretly scolds: should eat of I also eat, should be you up of I also was you up, you still want how? The mouth said, "next time you sleep on the floor, you will not be willing to forget it."

Su Xinqi is really afraid of Yang Yu saying: I don't like it. Then I'll lose a boyfriend if I'm angry.

Yang Yu not to know how to appreciate favors, he thought, "play all play, and worry about sleep on the floor." The mouth says, "

," this morning, I have such a big beauty to wait for me to have breakfast. I will sleep on the floor and sleep in a pigsty.Poof!

Su Xinqi a mouthful of milk sprayed out, directly sprayed on Yang Yu's face, immediately fell down with a smile. After laughing for a long time, he calmed down and said, "I don't have a pigsty for you to sleep in. "

" no? Didn't I sleep in a pigsty last night? "Yang Yu wiped the milk on his face and deliberately said the right thing.

"That's my bedroom, isn't it?" Su Xinqi really gave a simple answer.

Poof!

This time it's Yang Yu's turn to smile.

Seeing Yang Yu's smile, Su Xinqi immediately reacted. She was so angry that she yelled, "do you think I'm a pig? You're the pig. You're the sow. "

" how can I become a sow? I'm male. "Yang Yu is puzzled. Su Xinqi's logic is that if a pig is a boar, how can it be a female?

"Because you were snoring last night. It was sows who snored. "Su Xinqi's divine logic.

No, it's the divine logic of women. If the pig hit the tree, the woman hit the pig.

What I didn't expect was that I had such a good breakfast. Su Xinqi, in particular, had a good feeling for Yang Yu, even a little reluctant to part with him.

Looking at Yang Yu's back, Su Xinqi's heart is sour, but at the same time, she is happy. She smiles and says to herself, "he's my boyfriend! "

Chapter 325

The county TV station is far from the city TV station. If the city TV station is Nokia, the county TV station is a copycat. Both funds and resources are too poor. Yongzhou county is not a rich place. Yongzhou county is just a town, and other places are poor areas.

Don't say it's a coastal city. There is a huge gap between the rich and the poor.

It's really different from the city TV station. The degree of influence is not the same level at all. There are few rich people. They advertise in the county. Who can sell the best vegetables to?

The price is only one-third of the market. If Yang Yu gives money, they will broadcast it. It's so simple.

Yang Yu ponders that he can only start from the local area. After all, there is a rich town. Let's see what the effect is.

So this advertising company will first find an ordinary advertising company, when it is the first to test the water. Advertising companies only recognize the money, but made a request, advertising model Yang Yu to choose. Because Yang Yu's heart has its own candidates, yunu village so many beauties, put it is also a waste.

Therefore, the advertising company will take out the plan and advertising samples, and then Yang Yu will review them and finally decide to make a film.

After all the work, Yang Yu was relieved and spent four days and three nights.

Look at the time. It's noon. Qiu Yan, Han Jing and her two younger sisters are all at work. Su Xinqi has nothing to do in the past. He just takes off his clothes. Then Qin's money can be calculated, but he doesn't say hello. It's not polite. Anyway, he will come next time for advertising.

The sales situation of Xie Tianshi's channel is also not very good. The general response of customers is that the price is too high, so it's better to go to the vegetable market to eat fresh food.

Yang Yu had a premonition that this was the result, and not everyone went to the market every day, right? Isn't it good to keep some long-term vegetables at home? And this thing can be sold online, but the vegetable market can't do it.

When Taobao came out, wasn't it the same?

Entrepreneurship requires persistence and suffering. Once you get through it, you will become a master.

Yang Yu is still going back to Yunv village and greets Qiu Yan and Su Xinqi. They are both quite lost, but there is no way. Distance is distance.

If you have a car, it's still convenient to go back, but it's a bit troublesome to climb mountains. However, with Yang Yu's physical strength, it can be done in an hour if you climb faster. If you buy a car, it is estimated that you can get to the county in two hours, which is much more convenient.

Here, Qiu Yan also gave the news that she would inform him in advance when the medical staff would come to the village for physical examination.

So after Yang Yu returned to the village, he officially made the matter public.

All of a sudden, the village that thanks, met Yang Yu, all said that the village head is good, do practical work, do personnel, even if the little aunt, the villagers saw her, all boasted that she had a good nephew, the little aunt was full of laughter. Some villagers also send eggs and tofu to their aunts. They really feel that helping others is helping themselves.

It's a business, but it's a business.

Leng Xiaoxue wants fame. She wants him to find some gold coins and then come back to marry her.

Li ruorong gives Yang Yu his body and lets him do it. Otherwise, it will go to his younger sister. Yang Yu cries bitterly and has to coax him first.

Cousin Yunxi was played by herself, but she didn't ask for any fame. She also knew that if her cousin really became a boyfriend, she didn't know what other people would think and say. The gossip was not clear, and her aunt didn't allow it.

Han Jing didn't know that Yang Yu had so many beds in the county. It's safe for the time being.

Su Xinqi is also OK, after all, the situation together is very special, not out of a moment of love.

So, the best are Han Qingfang, Li ruorong, Xiaomei, Bai Xue, Yang Lin and Lin. they are just like each other. They are ambiguous with you, and they are willing to be done by you, but they don't give you any trouble.

As for some other people, they all play tricks, such as village wife yusao, Zhao Ying, Bai Mudan, Bai Xue's two sisters in law, Lin Yina, Xie Qiuqiu and so on. To put it bluntly, either one night stand or gun friend, there will be no trouble.

There are two special people, one is Lin Yiyi, the other is aunt Dong Lin. Lin Yiyi borrows seeds, and the responsibility lies there. Dong Lin's is a physical transaction, and she has a special identity.

However, Yang Yu's heart is still the deepest love of her cousin, followed by Yunxi, and then Han Qingfang and Li Ruoshui. They have some feelings, but they have little experience together, and they don't feel how deep their feelings are. Although they are a girl friend with good reputation.

Yang Yu also thinks of two women, Ji Ming and school flower Zhang meiruo. Ji Ming's confession gives Yang Yu indelible guilt. As for Zhang meiruo, she hasn't played yet. After her beach trip, because her father is her own competitor, her association suddenly becomes less.

Yang Yu thinks that a man should be broad-minded and can accommodate many women. At the same time, he should be strong enough to satisfy so many women. Men's climax should be divided into two kinds, the first is pure physical, namely ejaculation; the second is spiritual. The first is the same pleasure as any woman, and the second is the sense of achievement. This sense of achievement can be divided into two kinds: one is to conquer women, watching women moan and scream under themselves, so that men have a sense of achievement; the other is quantity. A woman will be tired of it. If she conquers a woman, she will want to conquer the next woman. If she conquers, the more the quantity, the more success. The more powerful the feeling is. In the evening, Li Ruolan came to find Yang Yu.

"Tomorrow, the county's trainee police will come. You can arrange the reception." Li Ruolan said and left.

Originally, Li WeiMiao's twins had been staying for almost a week to go back, but considering that they needed manpower in the vegetable field, Yang Yu wanted to stay in vain, so he agreed to stay for another week.

The next day, Li Ruolan and Yang Yu were waiting for the trainee policeman to come at the entrance of the mountain village in the north. When he came, the murder case was handed over to him, which saved their mind.

It wasn't until noon that I was alone.

"You're the intern cop here?" Yang Yu and Li Ruolan exclaimed at the same time.

"Yes, why are you two so surprised?" The man was equally surprised.

Yang Yu looked at the man from beginning to end and said, "but are you a woman?"

"Can't women?" The woman was unconvinced by this.

"But you look like you've just graduated, and you're a woman, and you may be faced with a very poor and vicious gangster. Are you ok?" Yang Yu is very suspicious.

The woman put on her coat, pointed to her waist and said, "look what this is."

"With guns?" This time, Yang Yu and Li Ruolan are speaking in unison.

"This is a real gun." Said the woman.

Yang Yu is still a little incredulous. He gave such a novice police trainee a gun. What's the trouble?

"Sherry Lin, the director of the Public Security Bureau, told me a lot about you. I told him that I knew you very well." The girl squinted and said excitedly.

Yang Yu looked at the policeman again. Lin xueru wore a police uniform with short hair. She was about 165 in height. Her figure was regular. Maybe it had something to do with training. Her face was also a sign. Her skin was a little bit black. It was normal for the policeman. It was not OK to train all the time without tanning.

On the whole, it's half a beauty, but it's far from Li ruorong or Li Yunxi.

Yang Yu and Li Ruolan clearly introduced themselves.

"I grew up in the city. It's my first time to come to such a rural village. It's like a paradise. It's so cool to live here." Female police officer Lin xueru sighed.

After listening to this, Yang Yu feels that where is the police? It's just a little girl coming to play the family. How can she be equipped with a gun? It's too dangerous.

It's not Altman who attacks the little monster. As for the matching gun, Yang Yu always thinks that this

gun will become a time bomb, in case it runs to the murderer's hand?

"Well, I originally arranged for you to live in the village committee. However, the reception center in the village has no rear service to cook, so it's inconvenient to eat. This meal is reimbursed by the village committee. You see, if it's OK, you can live directly in my house. If you eat in my house, it's still reimbursed." Yang Yu said.

"There are travel expenses, board expenses and accommodation expenses in the Bureau. Let's live in your house. I'd like to hear how the detective solved the case. " Lin xueru just graduated. Even if she was a policeman, she still regarded Yang Yu as her brother.

"It's just lunch. Let's go with sister LAN and tell the police officer about the case by the way." Yang Yuchao said to Li Ruolan.

Li Ruolan nodded.

Yunxi's room originally has two beds. Last time Zhang meiruo was sleeping, it was arranged for Lin xueru.

After lunch.

Yang Yu and Li Ruolan clearly told the whole story of the murder.

"Did the former village head have an affair with pan caier? Why didn't he approve the land? Would he know that there were corpses in the land? " Lin xueru asked.

"In the list I checked, without him, the former village head has not approved for so long. Is there any other reason?" Li Ruolan replied.

Yang Yu thinks that the delay of the former village head's approval is only a matter of efficiency, which should not rise to a doubtful point. However, this possibility does exist.

"Let's go to pan caier. She is the most important suspect. How can we do without asking?" Lin xueru said.

Yang Yu doesn't advocate scaring the snake, but pan caier has to ask about the situation sooner or later. If she is the murderer, she will be nervous. There will be times when she will slip the tongue. It's better to ask about the situation.

Yang Yu just wandered outside the house for the first two times, and never entered pan caier's house.

This time, Yang Yu is the head of the village, Lin xueru is a policeman, and Li Ruolan is a reporter.

"The house feels so gloomy and smelly. Do you smell it?" Lin xueru's first step into pan caier's home was to feel the gloom and flavor here.

"The old house, it's hard to avoid taste." Yang Yu replied casually.

"No, it's rotten." Lin xueru specially smelled it again. It was really rotten.

The police are very sensitive to the smell because they often deal with corpses.

Although Lin xueru is only an intern and is one year younger than Yang Yu, she is very sensitive and quick to think. Before she could think of the doubts of the former village head, she was impressed.

"No exaggeration. I didn't smell it. Are you a dog nose?" Yang Yu said with a smile.

"You're the dog's nose." Lin xueru took a white look and continued to observe everything in the old house.

Suddenly, Lin xueru stretched out her hand and touched the wooden wall, as if she had touched something. It was sticky and disgusting. Lin xueru smelled it under her nose and felt disgusted.

"What is it? It's disgusting and smelly." Lin xueru ran forward in a hurry, looking for water to wash her hands.

The backyard of an old house usually has water sources, which are built in rural areas, such as wells and water tanks.

"Who made you curious about everything? Did you touch the shit? Ha ha Yang Yu didn't know whether he was in a good mood or deliberately flirting with the police girl. He didn't say anything good.

"Your shit on the wall?" Lin xueru retorts that she goes all out to wash her hands.

When you get to the back room, go south and you'll find pan caier's house.

It's locked. There's no sound.

"It doesn't seem to be at home." Li Ruolan said.

"Come with me." Yang Yu returned. Li Ruolan and Lin xueru are both curious and follow Yang Yu. Lin xueru, look here, look there. She always felt that someone was following her, but in broad daylight, what could she have.

Ghosts don't show up in broad daylight, according to legend.

Yang Yu went around the bend to the window. From here, you can see the situation of the inner room. Yang Yu came here twice and looked in through the paper hole in the window twice. For the first time, he saw a naked woman. For the second time, it was dark inside and he didn't see anything. Just before, he heard some strange sounds.

"Here, you can see the situation in the inner room and see if people are in it." Yang Yu said.

Lin xueru had a lot of guts and went to see it immediately.

At this time, Yang Yu felt cool behind for the third time. The first two times I saw this paper hole, pan caier was inexplicable.

"What are you looking at?" Suddenly someone behind said.

The three immediately turned back.

Impressively, pan caier is really standing.

"Sister cai'er, are you always haunted? Come and go without a trace." Yang Yu wanted to say this. She didn't dare to say it the first two times, but this time she did.

"Just back from the mountain. Are you looking for me?" Pan caier said with a smile, these two words sound not coquettish at all.

"I think you heard that we found your husband." Yang Yu said very simply.

"Take a seat in the backyard, cool off." Pan caier was not surprised. Normally, the normal reaction must be: where is it?

Pan caier turned around and turned back, then went to open the door, took out the stool and chair from inside, said: "you sit first, I'll pour you a cup of tea."

Yang Yu wanted to go into the inner room, but he was embarrassed to enter without being told. However, the inner room was really dark, and it was reasonable to sit outside cool and bright.

when Yang ruo'er, the next door police officer, Yang caier, who is waiting for you, Li Ruolan said plainly that it had happened for nearly a week, but pan caier didn't know about it, because he said that the white peony side should be kept secret

"I had thought it would be like this for a long time." pan caier didn't react very much, and maybe didn't hold much hope for her husband, let alone the village There are a lot of missing people in the family,

and they all have no return.

"this is a murder. Did your husband have any conflicts with anyone before he died?"

after all, pan caier and her husband have been quarreling for a long time. At that time, when investigating the death of widow Liu's husband, I heard widow Liu say that "but widow Liu's husband has already died," Li Ruolan replied. There is no proof of death. If widow Liu's husband really killed Liu Anguo, and widow Liu's husband becomes the underwater ghost of a water ghost, it will become a mystery. There will never be a day to come out of the water, I wonder if I should ask? " Yang Yu really shouldn't ask, but he really wants to ask. Pan caier is the first whore in the village. Lovers who have had relations with you are all over the village. Police officers have enough reasons to suspect that you colluded with a lover to kill your husband. However, if you ask like this, you have to go to the bureau to ask. Moreover, Yang Yu has no right to ask.

"I know what you want to ask, ask." pan caier seems to have already asked. Knowing Yang Yu's idea, she should be calm and calm.

"sister cai'er should know that uncle Ming died. As far as I know, it may be murder. What do you think?" Yang Yu asks that uncle Ming is pan caier's lover. Now pan caier's lover is either dead or missing. It's strange to say that it has nothing to do with you.

Pan caier takes a look at Yang Yu and thinks that Yang Yu knows my relationship with Uncle Ming. If he answers directly, he won't think about it. After thinking about it, he says, "I haven't been in touch with Uncle Ming for half a year, and I'm not familiar with him. I didn't know it at all. It was almost a month since I died that I learned about it."

Pan caier's mouth was very strict, and he didn't have the slightest nervousness. As expected, he couldn't ask or see anything at all.

Even if there's a suspicion, there's no way to take her.

Yang Yu looks at Lin xueru. Lin xueru understood and asked:

"sister cai'er, can I go to your husband's room? Maybe there's a clue."

Pan caier naturally has no reason to refuse.

Yang Yu and Li Ruolan didn't go in. Pan caier led Lin xueru around and came out.

The first time with pan caier face-to-face fight, so nothing.

But at least I'm sure pan caier is not normal. It's sad for her husband to die.

"I always feel that it's a big case, but it's so calm that there must be something we've overlooked." Lin

xueru said on her way back.

Of course, it's a big case. So many people have died.

"Why don't we go to the grave Lin xueru doesn't know where to go wrong.

"Tomb robbery?" Yang Yu and Li Ruolan were surprised again.

"Yes, don't you say that many people have become mummies? But we haven't seen it with our own eyes. If we don't have a look, how can we know if it's a mummy?" Lin xueru said seriously.

"Are you kidding?" Yang Yu replied.

Lin xueru is serious.

Chapter 327

Heat, heat.

Let's enjoy the cool.

It's very sultry tonight. Normally, there is a cool southeast wind in the countryside at night, but there is nothing tonight.

"It's so hot tonight. How can I sleep?" Lin Weixiao was the first to complain.

Lin xueru is also extroverted, so she soon got familiar with everyone.

"Otherwise, let's all sleep on the rooftop. It's much cooler and more interesting." Lin xueru is still quite curious about the life in the countryside. She found the evening extremely interesting.

Yang Yu really doubts whether you are here to solve the case or make trouble. This time, though, it's a good idea.

This idea was supported by Lin Weixiao for the first time.

"We used to sleep on it when it was really hot. At that time, I almost fell Li Yunxi also talked about interesting things.

"That's settled. We'll sleep here tonight. How about that?" Lin xueru is really familiar with everyone, as if this is her own home.

"Brother Yang, I want to sleep next to you. You tell me about the case you solved before." Lin xueru said.

"Ah?" Yang Yu really gave a sound, then looked at her cousin and asked, "cousin, do you sleep on it?"

Li Yuanxi also looks at Yang Yu. To tell the truth, she and her cousin haven't been alone for a long time, but she can feel that this cousin will care about herself about everything.

"I'm not afraid of heat and cold. My mother and I will sleep downstairs, or you five will sleep here." Li Yuanxi replied.

Yang Yu and Li Yuanxi went downstairs, took three mats and three sheets, and spread them on the roof.

Since you want to go to bed, naturally you have to take a bath first. Yang Yu, the man who rushed the fastest, soon introduced him. He only wore underwear and went to the roof first.

I chose my own mat and lay down, looking at the starry sky.

Night, dark, quiet, breeze, fresh air, stars all over the sky, so it's good to lie flat and look at the stars. This is life.

However, when Li Yunxi four people came up, Yang Yu realized that this is a real life.

Yang Yu was shocked.

Four women, eight white thighs, all of them are snow-white, all of them are slim, and they are all about the same height, just like quadruplets.

To Yang Yu's surprise, can Lin xueru, an intern policeman, be so sexy?

It's not only that. I don't know whether the quadruplets are intentional or so tacit. Even the nightdress is similar in style, which only covers the buttocks. It's very short.

Especially for the twins Lin WeiMiao and Lin Weixiao, the nightdress is too short to be any longer, half of their buttocks have been exposed, and their underwear have been seen.

"Cousin, don't look like you're drooling, OK?" Lin Weixiao is satirizing Yang Yu.

Yang Yugang wanted to retort, but Lin xueru put in his mouth first:

"brother Yu, you can sleep in the middle. In this way, everyone can hear the story." Lin xueru said. The first time in front of a strange man dressed like this, it seems not shy, city women is a lot of generous.

Is Lin xueru really a policeman?

When Lin xueru says this, other people have no opinion. So Yang Yu sleeps in the middle, and Li Yunxi is afraid of falling down. He naturally sleeps in the innermost part. But originally Lin xueru and Li Yunxi sleep on the same mat, and the twins sleep together. But Lin xueru proposes that he should sleep outside because he is afraid of the heat.

In this way, the interesting sleeping sequence happens.

Li Yunxi is the innermost, Lin xueru is the outermost, and Yang Yu is the middle, while the twin sisters sleep on both sides of Yang Yu. Yang Yu looked left as like as two peas to the right. Nima, the same.

Yang Yu asked anxiously, "who is the elder sister, you two? Who's the sister? "

Unexpectedly, the twins answered in unison: "I don't know."

Poof! Yang Yu spat out blood.

This problem is very important. Lin Weixiao was cheated by himself, but Lin WeiMiao didn't. If he played a hooligan in the middle of the way and laid hands on Lin WeiMiao, it would be the end.

Although Lin Weixiao finally explained that he was Lin Weixiao and not Lin WeiMiao that night, who knows? What if Lin Weixiao did it on purpose? Maybe it's my own?

Yang Yu can't recognize the two people. It's really hard to say. So, Yang Yu finally has a very evil idea: since they can't tell who is who, let's just treat them as one person, and I'll go to bed with them both!

In this way, Yang Yu is not afraid to be confused, not afraid to say the wrong thing, on the wrong person.

Yang Yu can think of such a swish idea.

So they lay down.

"Officer Lin, what did you bring back from pan caier's house today?" Yang Yu first asked a digression.

"Brother Yu, you'd better call me sister xueru." Lin xueru just said such a sentence, then Lin Weixiao couldn't listen to it. "Still feather elder brother, call so cordial, you two just know today, snow Ru younger sister, flesh hemp died." Lin Weixiao spat out his tongue and deliberately teased him.

"Why, are you jealous? Do you like your cousin Lin xueru doesn't recommend being teased by Lin Weixiao at all. If Yunxi is replaced, she will take it seriously and blush. This is the difference between urban and rural people.

"Yes, I like my cousin. I can't do it." With that, Lin Weixiao leaned on Yang Yu's chest.

You know, Yang Yu doesn't wear a coat. Lin xueru got goose bumps.

"All right, be serious." Yang Yu returns a way, here belong to him most not serious, still scold others not serious?

"I took some samples for DNA identification to see if they match the skeleton." Lin xueru very insipid return way.

"Then why do you take the shit back?" Yang Yu laughs.

"But I don't know what it's called Lin xueru disdains that although she doesn't have any experience in solving cases, her theory and sixth sense are still very strong.

Yang Yu has a black face. Take the dog shit as a clue test? Do you test male and female? Why don't you take your own excrement to test whether you have mental illness?

But Yang Yu could not bear to laugh. Seeing that Lin xueru was still serious, Yang Yu finally burst out laughing.

"Hello! Don't laugh. Hum Lin xueru turned over Lin Weixiao's body and slapped Yang Yu hard, shouting: "laugh again, I'll catch you in the Bureau."

Well, you win.

Yang Yu just wanted to say: are you really a policeman? Do you want to be so naive.

"Well, I'll tell you a story." Yang Yu said. So he told them about Wang Ren's sex slavery case from beginning to end, and they were all thrilled.

Li Yunxi, in particular, wanted to hide in his cousin's bed.

Lin xueru listened very carefully and kept asking questions: "brother Yu, do you think the last sentence Wang Ren said will come true?"

"What nonsense? How can it be? He's dead. " Yang Yu replied. Before his death, Wang Ren said that he would come back to life in a week and meet Yang Yu again.

But in Lin xueru's sixth sense, she always felt that it was not so simple, so she jokingly said, "I think it's possible, maybe you will really meet." Lin xueru's words are unintentional, a casual joke.

Yang Yu listened, but somehow uneasy.

Will Wang Ren really come back to life? It's a myth.

After the story, everyone was sleepy and went to sleep.

At night.

The temperature is slowly coming down.

When Yang Yu wakes up, he finds that Lin WeiMiao and Lin Weixiao's twins are all lying on him. They stand on Yang Yu's two legs with one leg.

But two people one hand touches on Yang Yu's chest, Yang Yu cannot move.

Yang Yu quietly turned his head and looked at the girl on the left. He found that she was sleeping soundly. He turned his head and looked behind. He didn't know if it was the reason why Yang Yu turned his head. He quarreled with the other side. The other side opened his eyes slightly, hazy.

So they watched each other in the quiet night, and no one spoke.

Yang Yu thought: are you a sister or a sister?

So looking at, the other side did not mean to avoid the eyes.

After a long time of looking at each other, both sides felt it.

In fact, she is sister Lin WeiMiao, not sister.

All of a sudden, Lin WeiMiao slightly moved his position and directly kisses Yang Yu.

Chapter 328

[+ - Turn off](#) [Reset](#)

Seeing that Lin WeiMiao was so active, Yang Yu thought to himself: that must be my sister Lin Weixiao who I played with, right? In that case, what can I do for a gentleman?

This side is kissing Lin WeiMiao crazily, and that side is pushing Lin Weixiao away slowly. Lin Weixiao's hand and thigh are still very tight. Yang Yu tried twice and didn't push the thigh away.

There's no way. Hold on to Lin WeiMiao first and kiss her all the time. All of a sudden, Lin WeiMiao gave out a little groan.

Lin WeiMiao really didn't think it would be like this, but I don't know what happened tonight. It's spring, so I sleep very shallow. At this time, Yang Yu also wakes up. Looking at them, Lin WeiMiao can't help kissing Yang Yu.

Damn kiss, this kiss, Lin WeiMiao completely out of control, and Yang Yu thought she was Lin Weixiao.

Mm-hmm, Lin WeiMiao made a little groan.

This groan is very low, but still wake up the next Lin Weixiao.

When Lin Weixiao opened his eyes, he only saw Yang Yu on the back, kissing his sister.

"Asshole!" Lin Weixiao secretly scolds in the heart, took away the leg, pretends to sleep intentionally.

Lin WeiMiao's underpants are already wet.

Yang Yu's bath fire has been up, and no one can resist it. One pulled off Lin WeiMiao's underpants, and then pulled off his own underpants, and then turned over to lie down.

Of course, Lin WeiMiao knows what her cousin wants to do, but she is not ready for it, and it's too fast. Besides, she is also her own cousin.

Lin WeiMiao hurried to push Yang Yu's chest, trying to push him away from his body. But Yang Yu's legs have bypassed her legs and stuck her. Her legs can only be stuck on Yang Yu's waist and can't struggle.

When Yang Yu saw that Lin WeiMiao still wanted to struggle, he laughed to himself: what are you pretending to be pure?

It's not her.

Yang Yu directly pressed Lin WeiMiao's hands, and Lin WeiMiao couldn't struggle.

Lin WeiMiao doesn't dare to struggle too hard for fear of waking up the sisters nearby, but cousin Ren bullies her like a beast. She is afraid, nervous and eager to look forward to it.

.....

After playing for a long time, Yang Yu slowly fell asleep.

Today, Yang Yu received a phone call from the nurse mm Qiu Yan, who said that in three days, he would come to the village with you to have a physical examination for you. There were eight people, three in the county hospital, two gynecologists and himself. Then there were five senior students in the Medical University, who were volunteers and voluntary workers.

So Yang Yu village committee held a meeting and explained that two things must be done well. One is the reception work, sleeping, bathing and eating, which is arranged by the village committee. The other is to do a good job in physical examination. This physical examination is mainly aimed at women and girls over 18 years old. This group of women is the priority, followed by the elderly over the age of 60; and the next physical examination will be arranged for men and children, so we must appease the male

villagers.

There are a large number of people. The physical examination lasts for at least three days, and the cost is not so big. The main thing is the money for medical care and laboratory tests.

Li ruorong, Zhao Hai and Yang Yu are responsible for this matter and set up three working groups. After the news was released, the popularity of Yang Yu, the village head, soared.

On the way, when I met someone, I asked him to thank him. Some villagers Yang Yu didn't know him. They came to thank him one after another, which made Yang Yu feel embarrassed. Naturally, Yang Yu also attaches great importance to this matter. It's a good deed. He doesn't have much virtue. The most important thing is that it has completely stabilized the position of village head. With good connections, there will be more people to help in this vegetable field.

When you become a village head, you must serve the people. Naturally, the people will treat you well.

"Cousin, you are a very good village head." When Lin Weixiao went to the river with Yang Yu to carry water and sprinkle the seedlings, he said.

Yang Yu laughed, but asked: "are you a sister or a sister?"

"I'm lifelike, sister. I'm so stupid." Lin Weixiao laughed.

"Is that you or your sister?" Yang Yu asked seriously.

After hearing this, Lin Weixiao gives Yang Yu a hard look. He carries water with him. He doesn't bird Yang Yu, so he goes forward. Yang Yu laughs after him.

Busy to dusk, ready to go back, Lin Weixiao whispered in Yang Yu's ear: "I'm more coquettish than my sister, but my sister is also coquettish, but she likes to pretend pure, in fact, she is also a whore."

After that, he ran to his home.

Yang Yu looks at Lin Weixiao's back, and his buttocks turn up and down. He immediately wants to run over and press on the vegetable field and do it again.

Not long after I got home, I found Lin xueru, Li Ruolan and Yan Ling coming.

"What? Are you really going to rob Tombs? Crazy? It's too respectful for the dead. What should I do if my family finds out? " Yang Yu stares at Lin xueru and hears that he wants to go to the tomb to check his body. He really feels that this rookie policewoman is really a kid.

"We just want to see if it's really a mummy. If you want to solve a case, you need to be realistic. If you don't see it with your own eyes, how can you believe it? " Lin xueru thinks she is reasonable. After all, I'm

just a rookie who just graduated. I don't care about the world, and I don't pay so much attention to it.

Robbing tombs is to be punished by heaven. It's not alarmist.

"The little policewoman is crazy, so are you two big girls? Besides, Yanling, you are a saint of Christ. Do you follow her to do such stupid things Yang Yu is puzzled.

Yan Ling is a Christian saint. She is very sensitive to this kind of thing. How can she follow this little policeman crazy?

"In the afternoon, we went to several families. Indeed, our relatives told us that they had died strangely. Like Uncle Ming's, they were all mummies. So Li Ruolan came back, and it seems that she also wants to confirm the statements of those confessors.

"Then you can't go to the grave." If Yang Yu was not the head of the village, he might agree to this. Now he has a special identity. If the villagers know that the head of the village took the lead in digging the graves of his ancestors, the head of the village can't do it.

"Well, how does the case go on?" Lin xueru is upset.

Yang Yu hesitated and pondered. If a good living man turns into a mummy overnight, it's really too evil and unbelievable. It's really hard to say without confirmation.

"Let's make it clear that no one can find out about it, and we want to know that we didn't really go to rob tombs, we just want to solve the case and check the corpses." Yang Yu couldn't think of any good way, so he followed several people's ideas.

Uncle Ming has only been dead for more than three months. Normally, the meat must be rotten, but if it's a dry corpse, maybe it is. And uncle Ming's tomb was visited last time. No one will go to this mountain in the evening. It's safer. Moreover, the tomb is simple, and it hasn't been cleaned yet. It's easy to smash.

So, finally, the four decided to take uncle Ming's tomb as their goal, and the time was tonight.

It's midnight.

The moon is dark and the wind is high. Occasionally, clouds cover the moon. If Yang Yu had seen the Yellow calendar, he would regret choosing tonight. It's a very cloudy night.

Lin xueru and Li Ruolan were already shivering when they got together and walked back to the mountain. To tell the truth, Yang Yu was also afraid of doing immoral things. Who had a bottom in his heart? On the contrary, it's Yan Ling, with a natural look. People admire it.

Gradually, walking the dark mountain road, from the village has been far away.

By this time, all the villagers in Yunyu village were asleep.

There was no light. Looking down from the back hill in the early morning, except for the dark houses, it was silent, as if there had never been anyone living here.

What a creepy little village.

"It's too hard to walk. On a hot day, how can the wind blow so hard?" Lin Xueru said in a low voice.

Li Ruolan looked up at the back mountain. He was getting closer and closer to the forbidden area in the back mountain. There was always a sense of terror.

"Make a quick decision. I'm afraid of this kind of place. It's coming soon." Yang Yu kicked gas, crawls in the front, in the heart inexplicable worry.

If you don't do bad things on weekdays, you won't be afraid of ghosts knocking at the door in the middle of the night. But now I'm doing something bad.

After another ten minutes, we finally arrived at Uncle Ming's tomb.

Within a few meters, there is really no grass, the land is black, people feel the chill.

"What are you sure you want?" Yang Yu with a hoe, looking at the unfinished tomb, still very bottomless.

Yang Yu looked at the other three people and saw that their faces were not very good. He was afraid of them in such an atmosphere. Lin Xueru thought that tomb theft was the same thing, but this changed. In the countryside, the atmosphere changed all of a sudden. To tell you the truth, she didn't even have the courage to look at the grave now.

In front of me, it was dark. There was a grave. There was a man lying in the grave.

There was silence all around, even a cricket did not call, did not close, no life, gloomy, the wind is also particularly strange, suddenly feel creepy.

"All of us have come. We can't shrink back. Besides, what are we afraid of?" Lin Xueru summoned up the courage to say, in fact, the heart is really afraid ah, constantly look here, look there.

Yang Yu looks at Li Ruolan and Yan Ling again. Seeing that they have no different opinions, he goes to Uncle Ming's tomb.

Because Uncle Ming hasn't built it with cement, it's very simple. The tombs in the countryside are a little different from those seen on TV or in cemeteries. They usually dig a pit on the flat ground, then drop the

coffin, then bury the earth and erect a monument.

But this is not the case in this village in the south of the Yangtze River, because the terrain is high and low. This pit is not dug horizontally, it is dug vertically. It is to dig a hole in the earth wall near the mountain, instead of digging a pit. Then put two Bamboos under it, push the coffin into the hole along with the bamboos, and finally seal the hole with bricks.

Therefore, in addition to a similar "wind" shape, there are only two holes in Uncle Ming's tomb. One hole is empty, which is left for uncle Ming's wife. One hole has been sealed, and uncle Ming is already lying.

As Yang Yu steps into the grave, Shana feels more gloomy, as if Uncle Ming is lying in the coffin looking at herself.

Chapter 329

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

[+ - Turn off](#) [Reset](#)

Yang Yu really knelt down in front of the grave and read: "Uncle Ming, I'm sorry, we also want to give you justice. We don't want you to die in the dark, don't you? So don't come to us. We are all for your own good. "

Lin xueru knelt down and said, "yes, uncle Ming, don't look for us. I I I'm afraid. "

At this time, she knew she was afraid.

Li Ruolan and Yan Ling also paid homage with great respect.

Yang Yu was ready to hit the brick with the hoe. The brick was easy to hit. After a few times, it was all broken. Suddenly, the coffin came out. Lin xueru saw the red coffin once, and she could not help but step back two steps.

"Why are you in a daze? Come up and pull it out. How can I pull it alone?" Yang Yu reprimanded.

Yanling is the first one to help, and Lin xueru is the last one to help. Four people work together to pull the coffin out. This is the most frightening thing Lin xueru has ever pulled.

Pull the coffin.

If Yang Yu yells and runs away, Lin xueru will be scared to death and cry.

Yang Yu's strength is great, and there is a bamboo board under it to make the track, but the four people still spent nine years working hard, and the coffin was only half pulled out.

All of a sudden, there was a rustling sound.

Lin xueru suddenly stopped, instinctively put her hand on the gun at her waist and said in a low voice, "did you hear anything just now? "

" don't be suspicious. "Li Ruolan replied. Coffins are very common for Li Ruolan. When he was a child, he was still playing in the grave or even in the coffin. This is true. When he was a child, he didn't know what to do and didn't know how to be afraid. Many children have nothing to play in the countryside. That's it. For example, there are still many children who have nothing to do in that soggy haunted house. Strange things, children can come out safely and do nothing None. It's a miracle.

"Really, I really heard something, as if it was coming from inside. "Lin xueru pointed to the coffin and said.

All of a sudden, everyone stopped, raised their ears and listened, but there was no sound.

At this time, Yan Ling, who had always been silent, suddenly said: "did you find that when there was such a big fog! "

as soon as they heard this, they turned their heads and looked at each other.

Oh, my God!

I don't know when the original fresh and transparent atmosphere suddenly shrouded in fog?

Visibility instantly reduced to only a few meters away, in addition to the eyes can see the tomb, are a vast expanse of white. Gloomy, more gloomy, not only gloomy, but also mysterious and uneasy.

Lin xueru looks at this piece of fog, in the heart is uneasy, can wait to get lost? This kind of thing, in foggy weather, is very common.

Yang Yu sees a lot of fog like this.

"Then hurry up. "Yang Yu ordered that the four of them pull up the coffin again.

When the coffin comes out, it's troublesome to get nails. At least Yang Yu borrowed a tool this time, and it took a lot of effort to get the big nails out, which made people tired.

Late at night, fog, coffin, tomb, back hill, quiet, dark, people looking at the coffin, or can't help but heart crazy jump, it can't be a living dead?

"Are you ready? I'm going to open the coffin. "Yang Yu swallowed deeply and said to the three women.

Suddenly, everyone was nervous. You look at me, I look at you.

So far, the coffin has to be opened.

Yang Yu took a deep breath, supported the coffin, and began to exert himself.

All of a sudden, a creaking sound came out, and the coffin board was pushed away by Yang Yu.

A stench comes, but it's not rotten.

About half a meter into the space, Yang Yu stopped, and the people worshipped the coffin again and again.

"Uncle Ming, please don't come to me. I'm wrong. I have nothing to do with you." Lin xueru is more sincere than everyone else. You know, she gave the idea, but Yang Yu dug the tomb.

The four took the flashlight and walked cautiously to the coffin. They were afraid that someone would suddenly come out of the coffin. They went to the side and took photos inside.

"Ah Seeing the corpse, Shana Lin xueru yelled: "he's alive, he's alive!"

All of a sudden, he was scared back and forth.

The others were also taken aback.

Uncle Ming's eyes were wide open.

"What's the name of a ghost? I want to scare everyone to death!" Yang Yu severely reprimanded: "I was scared to death by you before I was scared to death by ghosts. Are you a policeman? I doubt it

Yang Yu really has a big fire. In this case, everyone is very sensitive. If there is a little problem, it is likely to cause a chain reaction.

Lin xueru was told not to say a word.

It turns out that uncle Ming is just a mummy. The mummy is still open. I don't want to die.

After everyone calmed down, Yang Yu looked at Uncle Ming in the coffin. The outline of the corpse's face can be seen, and Yang Yu can recognize it vaguely.

Uncle Ming really turned into a mummy with skin and bones. That's all. He was thinner than those refugees who died of starvation in Africa. The mummy had no extra water and meat, and was almost squeezed out.

"And it's not rotten at all. Even if it's a mummy for months, there should be a maggot, right?" Yan Ling

said.

Yang Yu found that Yanling could get to the point every time he spoke, and often hit the nail on the head.

Lin xueru then returned to her senses and looked at the corpse. Then she reached out to touch it. She suddenly became bold.

"I want to check how he died." Lin xueru still didn't dare to look at Uncle Ming, especially those eyes.

Because there is no face, the eyes are very big, it is very terrible.

All of a sudden, the eye moved for a moment, and she suddenly looked at Lin xueru. Lin xueru just checked her bones and didn't notice this.

Lin xueru didn't feel right. She immediately flashed the flashlight on her eyes, and the eyes didn't move. Lin xueru muttered in her heart: I clearly felt that the eyes were moving just now. Am I too sensitive?

A moment later, Lin xueru took out the blade, cut a little flesh and put it into the evidence bag.

"It's not like it was attacked by heavy objects. There's no trace on the neck. It's estimated that it wasn't strangled. I cut some skin and sent it back for inspection." After Lin xueru finished, she said.

"It seems that uncle Ming's son didn't lie. He really became a mummy. What do you think of the cause of death?" Yang Yu said.

"I think maybe it's a special chemical agent that makes the meat and water react instantly, or it's a parasite that eats up the viscera and meat." Lin xueru guessed that this kind of thing has never been heard before, and the book has never said that people have this way of death.

"Don't talk about it now. Just focus on the coffin and seal it back first." Li Ruolan feels colder and colder.

Yang Yu nailed the nail again, and then everyone worked together to push the coffin back into the hole. Finally, he built the brick back. Although there was no cement, he could only use clay and muddle through temporarily.

When it's all set, it's three in the morning.

Then the people worshiped the tomb and felt guilty, so they were ready to go back first.

"The fog is so heavy, do you know the way?" Lin xueru doubted that she was a road maniac. She had no sense of direction, so she asked Yang Yu.

Lin xueru's words haven't finished, just listen to Li Ruolan's voice: "who?"

Yang Yu leads the way, Lin xueru comes second, Yan Ling follows, and Li Ruolan follows. They turned their heads and found Li Ruolan in a hurry.

"Sister LAN, what's the matter?" Yang Yu asked in a hurry.

Li Ruolan's face was pale and ugly.

"I felt someone was following me just now. Maybe I was too sensitive." Li Ruolan was short of breath. Just now, she clearly felt the sound of footsteps behind her, but when she turned to see if there was.

Yang Yu flashed his flashlight back, far away and around. There was no sound, no shadow of anyone.

But that's what I said, but it's dark and foggy, and the visibility is so low that even if you really follow someone a few meters later, you may not be able to see it.

"It can't be uncle Ming. When I was examining his body just now, I always felt his eyes moving." Lin xueru was even more afraid. She thought about it. Could it be that she did something disrespectful to him and then crawled out?

No policewoman can be as imaginative as Lin xueru. Lin xueru has already put her hand on the gun and is always ready. In case there is someone behind, she will raise her gun immediately.

"Don't talk nonsense, people have become mummies, how can eyes still move, sister LAN, you go in front, I pad behind." Yang Yu showed great manly charm at this time.

He is the only man among the four. If he doesn't stand up, who will?

The so-called real man, is in need of you at the critical moment, can come forward.

Li Ruolan gave a deep swallow and went to the front. When he passed Yang Yu, he gave him a special look, full of appreciation.

"Follow closely, everyone. It's foggy. It's not good to get lost." Yang Yu replied, fortunately, he is familiar with this area, because he often follows brother Cui Qiang to cut firewood here.

Yang Yu cushion, in the heart, he is not afraid, he is also in doubt, behind really someone with himself?
