"Teacher Ye means: did you give it to me for the first time?" Yang Yu as like as two peas, but Ye Xiaotong didn't deceive himself, and said it was exactly the same as what happened to him.

Do you really remember me wrong? Yang Yu began to doubt himself. You can only doubt yourself. Who makes you different from others? You can see ghosts, exorcise demons and look so handsome.

Yang Yu feels her head, but feels a little embarrassed. She peeks at Ye Xiaotong secretly, and finds that she is also blushing, a little embarrassed. The woman in front of her is her high school English teacher, who gave it to her for the first time, and she also gave it to her for the first time.

"It's the first time they've given it to you. If you look shy, you should be bold." The next Ke'er cut in again.

"Can you shut up? They're all married." Yang Yu can't help it, angry back to a son.

This sentence confused Ye Xiaotong.

Yang Yu hastily added: "teacher ye, I didn't mean you."

Ye Xiaotong pursed a smile and said, "in fact, I'm divorced."

"Ah?" Surprised, Yang Yu asked, "what are you looking for today..."

"It's nothing. I haven't seen you for a long time. When I saw you suddenly, I made an appointment to meet you." Ye Xiaotong said, looking at the time.

This is beyond Yang Yu's expectation. It may be that people who are looking for themselves have something to entrust recently, so they may be sensitive.

"Ha ha, they gave you the first time. Now they are divorced again. I must miss you. You are so romantic." Kor cut in again.

Yang Yu glanced at her again.

"Oh, my daughter's kindergarten is almost over. I have to pick her up." Ye Xiaotong said, and secretly took a look at Yang Yu, a little expecting and a little hesitant.

Yang Yu was stunned there, a little silly for a moment.

"What are you doing? It's obvious that they want you to go with them. Maybe her daughter is still your

baby? " Ke Er's words are a little too much. Maybe he's been a ghost for too long. It's hard to talk to people. He'll cut in when he's free.

Yang Yu thought, people are divorced, what are you afraid of?

"I'll go with you. Anyway, it's summer vacation Yang Yu said and called the waiter.

"Aren't you a busy man? The company doesn't need to be busy? " Ye Xiaotong returned.

"It's OK. Now the company is on the right track. My aunt and cousin are at home." Yang Yu returned.

Ye Xiaotong also no longer refutes, Yang Yu settled the account, went out of the door, called a tricycle, and rushed to the kindergarten. Southeast wind blowing, the sun is setting in the west, this kind of blowing feeling is very good.

Yang Yu secretly glances at teacher ye, who is looking at the distance.

The atmosphere is a bit awkward. Maybe I haven't seen you for a long time. The teachers who used to be able to fight with each other are unfamiliar now. Things are different, a little peach blossom still laugh at the vicissitudes of spring.

Suddenly, Yang Yu yelled, "master, stop."

Yang Yu found in the roadside suddenly saw a wreath Shouyi shop, ran past. Ye Xiaotong a face of doubt, had to let the master wait a moment, also followed in the past.

"So many clothes, you choose a few, always naked, I look uncomfortable." Yang Yu said to Ke'er. Ye Xiaotong was a little scared. She didn't know to whom. Just now, in the box of the teahouse, Yang Yu made some strange remarks from time to time.

"Yang Yu, are you ok?" Ye Xiaotong asked in a nervous low voice.

The clerk also took a deep breath, but he met too many abnormal people.

Yang Yu picked out a few pieces, paid for them, and asked the shop assistant to burn them. While burning, he said, "don't scare me in the future, I'll burn more for you."

Ye Xiaotong doesn't know who Yang Yu burned these clothes to, but she always feels unlucky.

To the kindergarten, pick up the children. The girl is very cute. Yang Yu teases her all the way. Yang Yu likes children, so he soon makes a fight. On the way, Yang Yu buys her a lot of food and dolls.

On the way, it suddenly began to rain.

As a result, there is no umbrella, and it is not far from the residential area. Yang Yu quickly took off his shirt and put it on teacher Ye Xiaotong's head. Then he hugged the girl and clung to his body, blocking the rain with his body.

Such a small action, ye Xiaotong looked at the corner of her eyes is wet, you know, ex husband to their mother and daughter, is not like this.

"Teacher ye, what are you doing? Run Yang Yu said, holding Ye Xiaotong's hand, three people ran to the community.

When he got downstairs, Yang Yu was wet.

When the door is opened downstairs, Yang Yu doesn't know whether to go up or not, because it's going to be night soon. He peeks at Ye Xiaotong secretly, and ye Xiaotong just looks at her.

They were immediately embarrassed.

"You're wet. Go upstairs and change." Ye Xiaotong said in a low voice.

"Uncle, you go up with me to play. No one plays with me." The lovely little girl became familiar with Yang Yu all of a sudden. In fact, children are very easy to mature, as long as you can be honest, do not pretend, she can feel true or false. Listen to two people say so, Yang Yu saw eye leaf teacher, followed up.

The suite with three bedrooms and one living room is Yang Yu's first time here. It's her ex husband's house. After the divorce, the children and the house were given to Ye Xiaotong. This is the last bit of humanity.

Suite decoration is very warm, warm color, wallpaper, curtains, dining table, sofa, lights and so on are yellow warm color, mother and daughter live together in such a big house, a little empty, a little panic.

"Take a hot bath first, you'll catch a cold. It's new underwear. The clothes and pants are my ex husband's Ye Xiaotong said to pass over, eyes slightly peeked at Yang Yu, found that his chest muscle is very big, abdominal muscle is very beautiful, better than the figure of high school.

Ye Xiaotong looked flustered in the heart, suddenly, see Yang Yu look over, immediately put the line of sight away, rushed to the kitchen, red.

After taking a bath, ye Xiaotong is cooking dinner. Yang Yu is playing with her daughter Xiaoya. They are very happy. Ye Xiaotong was moved and happy to see this scene, because her ex husband didn't spend much time with her children, and the children were afraid of him.

Three people have dinner together, eat very happy, happy.

"Uncle, do you stay here at night?" Suddenly, the girl asked.

After hearing this, Yang Yu looks up and takes a look at Ye Xiaotong. Ye Xiaotong quickly lowers her head and eats. Yang Yu doesn't know how to answer. Of course he wants to stay, but if ye Xiaotong doesn't stay, he can't either.

They are their own teachers. They should respect them. Although they forced her to play on the sofa for the first time, they can't play hooligans any more. At that time, the situation was different.

"My uncle has something else to do at night. My mother will sleep with you." Yang Yu coaxes a way.

"Right and wrong. You want to stay. You have farts at night." Kor cut in again.

Eating the food in her mouth, ye Xiaotong suddenly feels bitter and hard to swallow, but she can't leave Yang Yu. There's no reason.

Yang Yu looks at Ye Xiaotong who is eating. Ye Xiaotong suddenly raises her head and looks at Yang Yu, but her eyes don't avoid her.

"Mom, tell my uncle to stay. I want him to tell me a story." Xiaoya, who is only four or five years old, is an expert in coquetry. Her mind is very simple. Her father doesn't have it. Her mother is very busy when she is a teacher. No one accompanies her all the time. Suddenly, an uncle comes out and plays with her all the time. She is happy.

"You..." Ye Xiaotong hesitated and didn't know how to say it. Looking at the girl Xiaoya, she finally summoned up her courage, looked at Yang Yu and asked, "it's still raining outside, and you don't have a place to sleep. Why don't you leave the teacher here to sleep?"

When ye Xiaotong said this, she looked at Yang Yu all the time, and Yang Yu did not shy away. She looked at Ye Xiaotong and said it, and then waited for him to answer.

Sometimes, a look, is everything, tacit.

"Uncle, you stay." Xiaoya pulls Yang Yu's foot to act coquettishly.

"Good, good, good, uncle stay in the evening." Yang Yu coaxes Xiaoya and looks up at teacher Ye. She smiles again.

The whole evening, three people in the living room play very happy, although it is to accompany the little daughter to play, but Yang Yu and ye Xiaotong also constantly electric shock and friction, as if back to high school.

At nine o'clock, Yang Yu tells a story and coaxes Xiaoya to sleep early. Xiaoya has a separate room, close to the bedroom. After Xiaoya fell asleep, suddenly, the room became quiet.

Yang Yu and ye Xiaotong sit on the sofa together and watch TV. It's still early for them.

The atmosphere became a bit awkward again. I didn't know what to talk about.

"I'll take a bath first." Ye Xiaotong stood up and said. Yang Yu watched teacher ye go to the bathroom and started watching TV. In half an hour. Teacher Ye Xiaotong comes out of the bathroom.

Suddenly, the sexy ketone body made Yang Yu look silly. Teacher Ye under the silk nightgown is intelligent, beautiful and sexy. The Nightgown is translucent.

Ye Xiaotong finds that Yang Yu has been staring at her body, and her face is even more red. She doesn't wear this translucent Nightgown very much. When Yang Yu stares at her like this, she suddenly gets hot.

Chapter 380

Ye Xiaotong is so hot that she doesn't dare to look at Yang Yu. Yang Yu looks at that pair of crisp breasts, this ketone body, really can't believe that he once made her, but that's not true at all.

Beautiful things, when have they been real?

Yang Yu was also a little embarrassed. He was so naked that he turned his head and pretended to watch TV.

"Do you want me to help you?" Suddenly Yang Yu's ear thought of a word, can son say.

Yang Yu wondered how to help? Just thinking about it, that Ke'er has already flown in the past, blowing wildly towards Ye Xiaotong's Nightgown from bottom to top. As a result, ye Xiaotong's Nightgown suddenly floats up.

This gust of wind came so suddenly that ye Xiaotong didn't have time to react. The Nightgown floated up. Suddenly, her lower body showed up, and a pair of flesh colored underpants showed up.

Ye Xiaotong is so flustered that she presses down her nightgown. Her face is even more red. Even her underpants are shown by Yang Yu, and she dare not come here. She sits on the sofa over there.

"Where do I sleep at night?" Yang Yu asked. Ask out regret, this kind of thing had better be tacit, tacit, inexplicable sleep together.

If you ask, people are embarrassed to answer directly and sleep with me.

"There's another room available. I'll make your bed." Ye Xiaotong said, also a little regret in the heart,

but Yang Yu stay with their mother and daughter, also satisfied.

"What's a good bed for summer? One mat, one sheet. Do you really want to sleep there? Can't you see they want to sleep with you?" Said Kor.

Ye Xiaotong has gone back to her room and is ready to make a bed for Yang Yu. For a long time, no guests have come to sleep in this bed. Her parents are in the countryside. After the divorce, her ex husband's relatives are completely out of touch, and occasionally her colleagues and friends come to sleep.

This bed is spreading, ye Xiaotong's heart is sour.

Ye Xiaotong is going to the wardrobe to get the sheets. When she looks back, she is startled to find that Yang Yu has quietly stood behind.

At this point, they got an electric shock again. In high school, when they were in class, they would stare at each other so stupidly. That's why Ye Xiaotong would not criticize Yang Yu when he was sleeping in class. No matter how bad his grades were, he would still make up lessons and encourage him.

"At night, sleep together." Yang Yu summoned up courage and said, his face very serious.

Ye Xiaotong heard, heart for a tremor, quickly avoided Yang Yu's eyes, head down, said: "you nonsense ah, I'm your teacher, not so casual."

Yang Yu doesn't want to use violence any more. It should not be the embodiment of a man's strong ability, on the contrary, it is the embodiment of incompetence, because you are so incompetent that you can only use violence to solve problems, although violence is the most essential weapon to solve all contradictions.

Yang Yu hugs Ye Xiaotong from behind, and ye Xiaotong is surprised.

"If my life can start again, I will definitely chase you and fall in love with you in high school, instead of avoiding. Three years of high school, your English class is the happiest and best time in my life. "In addition to her cousin, teacher Ye Xiaotong was the second woman Yang Yu fell in love with. In junior high school, Yang Yu was not interested in women. To be honest, he didn't have much interest in women, and the boys were all late acquaintances. And further on, it's still a little bullshit to wear open crotch pants. Although his cousin was his enlightening woman and the first woman he liked, her love at that time was too simple.

In the three years of senior high school, Yang Yuzhen didn't fall in love. In grade one, he ate, drank, slept, played basketball, ran Internet cafes and played dota with several good friends every day. In grade two, he became a gangster and gangland, and almost lost his life. In grade three, the prodigal son suddenly woke up and studied hard, so he didn't want to fall in love.

Despite this, as the most youthful three years in her life, Yang Yu was very happy and only liked two women, one was her English teacher Ye Xiaotong, the other was a good friend and confidant, and she also recognized herself as a sister. However, she has emigrated now and will never come back.

The first time in Yang Yu's memory is to give it to his sister Gan. Although teacher Ye Xiaotong said that they had made love that time, Yang Yu doesn't know which is true and which is false now.

"Do you know? In high school, in fact, "teacher Ye Xiaotong couldn't stop crying any more. She went on sobbing along her cheek and said," in fact, I didn't have a boyfriend at all in high school. On the women's day of the second year of senior high school, I didn't see any boyfriends, and there was no lovelorn. I lied to you. Because there is a man in Mr. Ye's heart. I fell in love with him when I first met him in senior high school, but I can't tell him, and I can't let anyone know, because he is many years younger than me, because he is my student, which is against ethics. "

"If life can start over, the teacher will shout out and tell him that I like him and love him deeply until now. That man is you. "Ye Xiaotong finally made it clear that this matter has been buried in her heart.

I didn't expect that after I said it, my heart was so comfortable.

Yang Yu listened, without saying a word, took Ye Xiaotong's hand and ran to the main bedroom.

"Where are you taking me? "Ye Xiaotong yelled from behind.

Yang Yu turned around and said shamelessly, "go to the bedroom and have sex."After listening to these words, ye Xiaotong's face became more red and embarrassed. Although she wanted to retort, she couldn't say it in her heart. She pushed along Yang Yu's steps to the main bedroom.

The lights in the main bedroom were off and the curtains were drawn. It was dark.

Yang Xiaotong and the teacher lock the door. Then he presses Ye Xiaotong on the wall and looks at her eyes seriously.

Ye Xiaotong also stares at Yang Yu.

Two people look at each other with four eyes.

A moment later, both of them had their hearts beating fast and thumping.

Suddenly, Yang Yu a tone past, ye Xiaotong immediately meet.

Suddenly, fire, a passion, outside the storm, lightning thunder, bedroom is also the case.

Just then, suddenly, someone said:

"Mom, uncle, what are you doing?"

Immersed in the climax of the two people do not know when the bedroom door was pushed open, the living room light shine in, a bright light.

While her daughter, Xiaoya, was standing next to her, curiously looking at her mother and uncle, who were all naked on the bed.

Suddenly, ye Xiaotong was extremely embarrassed.

I didn't expect that when I was doing this, I was caught by my daughter. Although she was very young and didn't know about sex, how could I explain it to her? In case she remembers it when she grows up, how embarrassing it would be.

"Xiaoya, your mother is not feeling well. My uncle is treating her. Just wait. Why don't you sleep?" Yang Yu found a very interesting reason to say, and then looked at Ye Xiaotong.

Ye Xiaotong has recovered from the climax, and Yang Yu eye contact, more embarrassed, quickly avoid.

"I want to sleep with my mother." Xiaoya said.

Yang Yu beckons, and Xiaoya goes to the bed. Then she hugs Xiaoya to the bed and settles her down. In this process, ye Xiaotong is still sitting on Yang Yu's body, and is still stuck under it.

After Xiaoya gets into the bed, Yang Yu covers the sheet and coaxes her. Xiaoya closes her eyes and goes to bed, listening to Yang Yu.

Yang Yu then turned his head and looked at the teacher Ye Xiaotong sitting on it and said, "do you want more? "

" no, Xiaoya is here. How difficult it is to be affectionate. " Ye Xiaotong looks at Yang Yu, there is a living room light, bright a lot, ye Xiaotong had been afraid to look at Yang Yu, now came a daughter, more embarrassed.

"She soon fell asleep. Let's move a little bit. It should be OK, eh?" Yang Yu asked for ye Xiaotong's opinions.

Ye Xiaotong looks back at her sleeping daughter, turns her head, looks at Yang Yu, purses her mouth and nods slightly. All of a sudden, Yang Yu began to smoke again, and the frequency suddenly increased. Ye Xiaotong bit her lips and was extremely uncomfortable. She was afraid of waking her daughter.

However, the frequency of Yang Yu pumping is too fast, ye Xiaotong can't help it.

"Slow down, slow down, Yang Yu, slow down, the teacher can't help it." Ye Xiaotong stammered.

But just when Yang Yu wanted to slow down, suddenly.

Suddenly, a sharp pain swept through Yang Yu's heart.

"Ah! "Yang Yu screamed and covered his chest immediately. The pain was so terrible that it was like a sharp knife stabbing into his heart. At the same time, Yang Yu saw the veins of his hands burst, as if they were going to explode.

Immediately, Yang Yu fell down in pain.

Ye Xiaotong was frightened by the sudden scene. She saw Yang Yu's veins burst out. Her forehead, hands, neck and blue black veins were terrible. Ye Xiaotong is scared to death.

"What's the matter with Yang Yu? What's the matter with you? Don't scare me. "Ye Xiaotong shouts. He sees Yang Yu sweating all over, and his hands are frantic, like a goat.

Ye Xiaotong hit 120 in a hurry.

Yang Yu suddenly passed out. What's the matter?

Chapter 381

Yang Yu died. At least Yang Yu thought so. He saw a door: the door of hell.

The door of hell opened slowly, and inside was the wasteland.

Yang Yu is very puzzled. He does something wrong. He always adheres to the principle that helping others is helping himself. How can he go to hell? Instead of going to heaven and enjoying the beauty?

What's more puzzling to Yang Yu is that after the door of hell is opened, a woman comes out from behind the door and turns out to be Yang Lin.

Yang Lin is smiling, very strange.

Then Yang Yu woke up.

"You wake up, how are you? "Ye Xiaotong squatted in front of Yang Yu and asked eagerly.

Yang Yu found that this is a hospital. Standing in front of a doctor, and then ye Xiaotong, ye Xiaotong is looking at himself with a worried face. Yang Yu found that the heart has no pain, but the vein on the arm or burst out, very terrible.

"Doctor, what's the matter with him?" Ye Xiaotong turns to ask the doctor again, which is also the question Yang Yu urgently wants to know.

"The whole body CT is normal, and we don't know what's wrong with it. I'm really sorry." Doctors have never seen such a strange phenomenon.

"May I go now?" Yang Yu asked.

"It's better to stay in hospital for a few days." The doctor suggested.

"No more." Yang Yu said firmly that he was ready to leave. Ye Xiaotong obviously does not want to, but Yang Yu wants to go, no one can stop him. Yang Yu led the word out of the hospital, found that the horizon has been a little white, looked at the time, it is already five o'clock in the morning.

"You scared me to death just now. What's the matter? Why don't you stay in the hospital and observe." Ye Xiaotong said.

"Mr. Ye, thank you for staying with me all night. I know my body best. I don't have much time now. Go back first. I want to dare to go back to the countryside." Yang Yu said. Zou frowned and felt an ominous premonition.

Ye Xiaotong again told next, see Yang Yu is very stubborn, also with him, ready to go back, home Xiaoya also a person.

When ye Xiaotong said goodbye, Yang Yu bowed his head and gave her a kiss. Watching Ye Xiaotong leave, Yang Yu runs to the station and goes to the countryside.

It was only half past seven when we arrived at yunu village, and Li Ruolan was still sleeping.

Yang Yu pulls Li Ruolan to a place where there is no one. He opens his arm and shows it to Li Ruolan. Suddenly, Li Ruolan's face turns pale.

The last thing to happen happened.

Half a year ago, Yang Yu went to see Tianyan's mother-in-law because he could see a ghost in a daze. However, he made a mistake and was diagnosed as cursed by Tianyan's mother-in-law: Gu curse.

It's also the most poisonous one of the Gu incantations: the golden silkworm poison incantation.

Yang Yu doesn't know when he was poisoned. The curse has a latent period. When he touches the activation source, he will start the curse. After the curse breaks out, he doesn't understand it within seven days, and then he dies from the inside out.

If the magic spell is activated, Yang Yu has only seven days to find an antidote.

It's a copy of the midnight bell.

"Mother Tianyan is dead. No one can help us." Li Ruolan is more anxious than Yang Yu. She is so anxious that she stamped her feet. Yes, the only mother-in-law who can help Yang Yu is dead.

Yang Yu grabbed Li Ruolan's arm, gritted his teeth and roared: "listen, you can't panic. You've had such an experience. You need to help me clear up. I'm sure there's something wrong."

"How can I not panic? I had Tianyan's mother-in-law to help, but she was dead. We only had seven days. It was too short, too short." Li Ruolan cried.

It came all of a sudden.

"Calm down, calm down! It's me who is in the middle of the evil. You tell me how your mother-in-law Tianyan solved the evil at that time. We'll come step by step." Yang Yu looks calm, but his heart has been stormy for a long time. He doesn't want to die. Now that he has a woman, his career has started, and he's making a profit. It was originally a good time to enjoy life. How can he die?

No one is not afraid of death.

The old man will die, that is the law of nature, is life, no one can escape, but Yang Yu is not in the book of life and death.

"OK, OK." Li Ruolan took a deep breath, tried his best to calm down, straightened his head a little, and said: "since the curse has been activated, it's useless to find the source of activation now. We have to find the person who bewitches you. He must know the way to solve the problem."

"But who would be so vicious to me?" Yang Yu doesn't understand. He always feels that his behavior is OK, but he's a bit lecherous.

"Go to my room. Let's make a list, one by one." Li Ruolan said.

They went to Li Ruolan's room and locked the door. Yang Yu didn't want to let Li Ruoshui and Li ruorong know that they could not help but worried them.

"Let's first determine the general scope. According to the judgment of mother-in-law Tianyan, it should be after you come to this village and before you go to see mother-in-law Tianyan. During this period, Yang Yu, who have you offended?" Li Ruolan took the notes. Yang Yu began to slowly recall what happened half a year ago. Most of them had forgotten, and they could only remember how much they counted. All those who had something to do with it were counted in first. Yang Yu told all the people he might offend, which is roughly as follows:

the first one was Zheng Xinyi. She liked Yang Yu, but was rejected by Yang Yu, but not so ruthless? There is no deep hatred.

The second one is his father, who is not suspected, but his father is not sure. If his father knows that he pretended to be a fortune teller and ruined his son's marriage with his cousin, a superstitious man like him might really attack Yang Yu.

The third one is Zhang Han, because he prevented him from raping widow Liu. This man was originally a villain in the village, and he deliberately found his own trouble, so it is possible to curse him.

The fourth is uncle Ming, who also prevents him from molesting widow Liu. The last person Yang Yu wants is him, because he is dead and can't be checked.

The fifth is Wang Ren, because he destroyed his sadistic play, but he has also died without proof.

The sixth is Xiaoxing's parents. The death of Xiaoxing has nothing to do with Yang Yu, the head teacher. However, it should not be such a big feud.

The seventh one is Murong Fei. After he fucked his ex girlfriend Xie Qiuqiu, he wanted to get rid of his hatred, but he is a rich second generation like him. There is no need to play Yin. He is not a big deal.

In addition to these seven people, of course, they have offended other people, such as Ma Jian, who won his basketball game, killed his wife, and the former village head, who occupied the position of his village head, and so on. All these people offended after bewitching, so it's impossible.

Yang Yu such a column, did not expect to offend many people are sincere, strange not to go to hell.

"There are quite a few people you have offended. The murderer should be among these seven people, but I think the most suspect should be these four people: silly two dogs, his father, Zhang Han, uncle Ming and Wang Ren. The latter two are dead. Zhang Han fled. I hope it's not the three. So now we can only go to test the fool enough his father, one by one ruled out." Said Li Ruolan.

Only by finding the person behind can we find the witch doctor who really bewitches us. If you start with the witch doctor, it's like looking for a needle in a haystack. How many needles can you get in seven days?

For breakfast, Yang Yu and Li Ruolan took a few mouthfuls and went to Lihua village next door.

Now, Yang Yu is really racing against time.

Seven days. Today is the first day.

On the way, Li Ruolan made a special call to police officer Lei, asking him to find Zhang Han these days. No matter what, he must find him.

Yang Yu also muttered on the road, who is the killer among the seven?

Chapter 382

Jincandu mantra is a kind of witchcraft which combines the poisonous jincangu in western regions with the head lowering witchcraft in Southeast Asia. The technique of lowering head is easy to play and control. It has a latent period and the source of activation is unknown. However, poisonous insects are harmful and difficult to solve. It perfectly combines the advantages of the two. It's really a vicious witchcraft.

Whose heart is so vicious?

Yang Yu couldn't understand.

Lihua village soon arrived. Half a year ago, in order to prevent her cousin's marriage, she came once and worked as an extras. If the disaster was caused by this, Yang Yu would admit it. At least her beloved cousin didn't marry such a fool.

In summer, pears have already borne small fruits, the size of potatoes. Some tourists would climb up to pick some green pears in Lihua village to quench their thirst, but now Yang Yu doesn't have this idea, although the sun is gradually rising.

Into the Lihua village, a strong sense of feudal superstition.

This is the village with the most Buddhist beliefs. There are four Buddhist temples in the village, one is large, and three are ancestral halls. Every year, Qingming Festival, Chinese new year, ancestor worship and memorial ceremonies are quite lively, and firecrackers are endless. It is said that businessmen are superstitious, but it seems that superstition has created more businessmen.

Lihua village is the most affluent village in this area. New villas have been built one by one and are moving towards the new countryside.

The mansion of shaergou's family has been renovated, and the family business is getting bigger and bigger, even with the trend of mechanization. The Wutong tree outside the mansion is quite luxuriant, and it is a kaziya tree. Red couplets are hung on both sides of the mansion, which is very auspicious.

Yang Yu knocks on the door. It's the same servant who came to open the door last time. A child like stupid Er Gou really needs a servant to wait on him at home, or he won't know if he's lost.

"What can I do for you?" Asked the maid.

"Oh, we're from the next village. It's said that the red sandalwood chairs of Ergou's family do a good job, so we want to see if we can buy two back." Yang Yu said with a smile. Together with Li Ruolan, they pretended to buy furniture. After hearing this, the maid hurried into the room.

Yang Yu and Li Ruolan look at everything in the living room, which is very old-fashioned, similar to the big house door, the kind of courtyard. The middle wall is also embedded with a Guan Gong, who was used to make fun of him last time.

People in the countryside get up early, so Er Gouda is not curious to see someone come to buy furniture so early.

"I heard that you are here to buy red sandalwood chairs?" The second dog's father yelled from a distance. The businessman was most concerned about business, but he didn't forget to say hello. He said to the maid, "Xiao Feng, let's have tea."

"We're here in admiration. We're short of chairs at home." Yang Yu said with a smile.

"Ha ha, I heard that you are from Yunv village next door? You're not here to steal, are you? Ha ha Silly two dogs, it's really interesting.

"Grandfather Weng's joke is interesting. Our village is full of stupid people. We have grandfather Weng's skillful hand." Yang Yu doesn't speak vaguely. He is mature and steady. He doesn't look like a 21-year-old boy.

"Strange, how can I hear your tone so familiar? Have we met?" Grandfather Weng suddenly said that he was good at remembering people in business. He still felt a little familiar with this tone.

Yang Yu and Li Ruolan were surprised at the same time. They both turned to look at each other.

"I don't know where I met with my grandfather Weng, but I can't remember. What do you think of my grandfather Weng?" On the contrary, Yang Yu said that this issue is very important to Yang Yu. If grandfather Weng knew that he was pretending to be a fortune teller or his cousin Li Yuanxi last time, and if grandfather Weng was arrogant, then he would show his feet.

At this time, it is also the best opportunity to observe uncle Weng.

Grandfather Weng really thought of it. After a moment, he shook his head and didn't know.

"I heard that you Yunv village is haunted, isn't it true? I said, "Christ is unreliable. He believes in Buddhism with us. He is absolutely clean." Grandfather Weng looked at the cross pendant around Yang Yu's neck, and suddenly avoided business and talked about faith. "Ha ha, what grandfather Weng said is that he will invite the Duke Guan of grandfather Weng to drive away ghosts in our village some other day. We are really haunted." Yang Yu followed his words.

As soon as he heard someone boast about his Guan Gong, he was elated. Guan Gong was the treasure of his family. This business crisis was brought down by Guan Gong. He was so excited by this boast that he said: "well, I'm a great Guan Gong, not to mention a lonely ghost. Even if Lord Yan comes, I have to give him three points. Ha ha

Li Ruolan and Yang Yu look at each other and smile, and accompany him to boast.

"Since uncle Weng's Guan Gong is so powerful, I don't know if he can solve the magic spell?" Li Ruolan said with a smile. In any case, the topic of Gu Yu or Gu Yu should be related to it.

"Curse?" Grandfather Weng was very surprised and shook his head. It seemed that he was not familiar with this thing at all.

Seeing his grandfather's appearance, Yang Yu also showed his arms. If he understood this, he would smile a little at the corner of his mouth, but he didn't. So Yang Yu asked, "where's grandfather Weng's son?"

"My dog, ha ha, went to my daughter-in-law's house. I'm going to be a grandfather, ha ha." Grandfather Weng is happy again. Silly Er Gou is going to be a father. It's silly to listen to Yang Yu. It's a blessing for a fool.

Li Ruolan and Yang Yu quickly congratulated.

Grandfather Weng seems to be very happy. He is very happy. Many things can't be concealed when he is happy. So he added: "this is really thanks to a fortune teller half a year ago."

As soon as Yang Yu heard the words "fortune teller half a year ago", his eyes suddenly brightened. Could it be that he pretended to be that time?

"What do you say?" Li Ruolan was more anxious than Yang Yu and asked first.

"Half a year ago, my son had a marriage. It was still a family in your village. The girl was so beautiful that she had to be married. Who knew that a fortune teller came to say that there was a disaster in the family and that there were snake spirits making trouble. It turned out that the girl belonged to a snake and my son belonged to a rat. The snake swallowed a rat. This marriage was absolutely impossible. So I listened to the fortune teller's words and gave up the marriage and married him. The fat second sister at the entrance of the village, a mature pig, didn't expect that she would be a grandfather after only half a year's marriage. Ha ha, do you think the fortune teller works well? I've been looking for him for a long time. I want to thank him with a lot of money. Alas, it's a pity that I didn't find him. People in the village say that it must be the immortal who came down to earth. ha-ha." Grandfather Weng said with relish that he had made the fortune teller a legend.

Yang Yu heard that, with a black line on his face, NIMA, the fortune teller is Lao Tzu. I pretended to be him. I lied to you all. There is no snake spirit. If my cousin was a snake spirit, wouldn't I want to be Xu

Xian?

After listening to these words, Yang Yu suddenly dispelled his doubts about Weng's grandfather. All his children and grandchildren have benefited the family. How can he still doubt or hate for the divorce? It doesn't make sense.

As a result, the red sandalwood chair was not only not bought, but also given two by grandfather Weng.

Sell you, you also help me count money, as a result, the person who was sold, the day is more moisture, and the original fortune teller, but only seven days of life.

You say, is this life?

In order to prove the truth, Yang Yu went to the fat second sister's house in the village. It's true that uncle Weng didn't lie.

"It seems that uncle Weng doesn't seem to be the one who made the trick. Moreover, he doesn't seem to know that you were the fake fortune teller." Li Ruolan said that on the way back, they analyzed the trial.

"On the surface, uncle Weng really doesn't look like the person who poisoned me. However, if he can do so much business, he must be an old fox. Since he can poison me quietly, it must be very deep. We can only exclude him for the time being." Yang Yu said, learning from the lesson of Wang Ren's sex slave case, many times, the murderer is in front of us.

The killer is right in front of us.

Temporarily ruled out silly two dog his father, the pursuit of clues and confused up, the remaining three most suspect, two died, one fled, how to check?

"Zhang Han can only wait for the news from officer Lei. As for Wang Ren, we seem to know too little. Do you want to ask Lin Yiyi?" Li Ruolan said.

Yang Yu, well, he knows very well that it's useless to ask Lin Yiyi, because he doesn't know his husband at all. People like Wang Ren who hide themselves so deeply can't find out.

Back in Yunv village, it was afternoon. Yang Yu wanted to go back to the church cellar again to see if he could find some clues related to poisonous insects. Li Ruolan was going to look for a needle in a haystack to mobilize colleagues and friends to ask about the famous witchcraft in the area.

"You look so bad. What's the matter?" Cousin asked, after returning home, Yang Yu rushed to eat something, just ran into cousin, cousin a look to see that cousin has something on his mind.

"It's OK. You think too much." Yang Yu managed to squeeze out a smile, but he couldn't.

"You're all right, cousin. I don't know. Say it My cousin looked at Yang Yu, worried.

But Yang Yu really didn't want to worry about her cousin. She didn't want to carry so much.

"I'm really OK." It's hard for Yang Yu to pretend. Who can pretend to be a normal person after seven days?

"Do you remember the last time you kissed me? If you want to kiss me in the future, tell your cousin Li Yuanxi suddenly gets up and stares at Yang Yu. That kiss means a lot to Li Yuanxi.

Yang Yu turned his head and looked at her cousin. He reached out and stroked her face. He didn't know if he could touch her several times or for several days. Seven days later, he didn't know if he could touch her.

Suddenly, Yang Yu went on.

Li Yuanxi grabs Yang Yu's skirt, closes her eyes and kisses him.

For Yang Yu, this kiss is like a goodbye, forever.

Seven days, Yang Yu left seven days of life, time ticking away, time, it will not stop.

Yang Yu looked at the time. It should have been around 10 p.m., but now it's 8 p.m. and he has only two hours left.

Yang Yu climbed out of the window. He knew that his cousin and Li Ruolan were guarding outside.

Bypassing the rooftop, Yang Yu goes directly to Lin Yina's home. He sneaks past Lin Yina several times, and Lin Yina's cheating on Yang Yu is the same. Yang Yu can't remember the number of times. Anyway, when Cui Qiang is away at night, Lin Yina will sneak into Yang Yu's attic in the middle of the night, and they will have a good fight.

It's convenient and exciting. Lin Yina and Yang Yu have been addicted to cheating for a long time. Anyway, Cui Qiang's 12 second brother can't meet her needs at all. It's just cheap for Yang Yu. Therefore, Lin Yina has almost become Yang Yu's regular long-term firecracker friend in yunu village. The ditch below has been rotten by Yang Yu Long ago, and the two petals have been turned over, purple and black.

The third floor is still very dark, and the wedding room on the second floor has lights showing through.

There is laughter inside. It's Lin Yina's voice.

Yang Yu took a deep breath and pushed in without knocking. They were so excited that they didn't even hear Yang Yu enter the room. When Yang Yu closed the door, they reacted and were startled.

"Yang Yu, why are you here?" Lin Yina said first.

Yang Yu's face is very bad, especially his eyes are black, and his face has become strange and ferocious. So suddenly, Cui Qiang and Lin Yina are surprised to see Yang Yu become like this.

"Brother Qiang, what do you think of our relationship?" Yang Yu stood by the bed and looked at Cui Qiang on the bed.

"Of course we are brothers, hunting together, cutting firewood and farming together, and neighbors, don't you think?" Cui Qiang said with a silly smile.

"Then why are you playing tricks on me? Where did I offend you? How could you hate me and lay such a cruel hand on me?" Yang Yu suddenly roared, his eyes wide open and glared at Cui Qiang.

"Yang Yu, what are you talking about. What kind of poison?" Lin Yina didn't respond at all.

"What are you, brother Yang?" Cui Qiang giggled, feeling puzzled.

"Brother? Hum Yang Yu snorted coldly and said, "I've been cheated by you all the time. I always thought you were really stupid and stupid. I always thought you could only brag. I always thought you didn't have much heart and mind, but I didn't think you were so deep and deep."

"Yang Yu, what are you talking about? I don't understand." Lin Yina said, a little worried.

"I really don't know what you're talking about?" Cui Qiang still felt his head, confused.

"I really didn't expect that. How could you poison me so much? I treat you well. I double the salary of vegetable land to you. If I hadn't saved your life in the first hunting, you would have died and your back wall collapsed. I was responsible for building it for you. What do you hate me for? I doubt so many people, but I don't doubt you." Yang Yu is biting his teeth.

Cui Qiang doesn't smile anymore.

"Honey, what's going on? Are you really bewitching Yang Yu?" Lin Yina is in a hurry, but look at Yang Yu's face and know that Yang Yu is not joking.

"Lin Yina's grandmother is a godmother who can grow poisonous insects. But before she died, she burned all the poisonous insects, but the only golden silkworm poison didn't burn. She also left the technique of lowering her head and the method of using golden silkworm poison. She has been hiding in

the cellar all the time, and the key is in Lin Yiyi. I even doubt Lin Yiyi. Her belly is my child. I doubt her, but I never doubt you, Why on earth? " Yang Yu roared.

"Husband, why are you so vicious? What's the matter? "Lin Yina has been cheating with Yang Yu for a long time. Of course, she has feelings for Yang Yu, and she is not satisfied with her husband all the time. She is always noisy. Listen to his husband poison Yang Yu, not mad?

Lin Yina had a quick temper and a violent temper, so she immediately went crazy and gave Cui Qiang a beating.

"Shut up, bitch!" Cui Qiang suddenly kicked Lin Yina. This kick was very strong. Lin Yina was directly kicked down from the bed by her.

Lin Yina was startled. Cui Qiang had never been so rude to her. He yelled, "what are you calling me? How dare you hit me? "

"I call you Whore! "Cui Qiang stares at Lin Yina. It's terrible. Lin Yina suddenly loses her temper.

Cui Qiang turned his head and looked at Yang Yu. He laughed coldly and yelled, "brother? Hehe, you call me brother? "Cui Qiang laughs and points to Lin Yina on the ground and yells at Yang Yu:" you treat me as a brother. Will you play with my wife on the wedding night? "

"You treat me as a brother, will quietly hide in the bathroom outside the door to do my wife? You're going to let my wife sneak into your attic every three or five hours and shoot? " Cui Qiang stares at his eyes.

With this, Yang Yu and Lin Yina's face suddenly changed.

"Husband, what are you talking about?" Lin Yina didn't dare to shout.

"You two think I'm stupid? When I'm such an idiot? I can't tell if my wife is a virgin or not? I don't know if there's a man in the bathroom? I tell you Yang Yu, you play with my wife, you are cruel, so I want you to die, ha ha. "Cui Qiang's face became twisted and ferocious. He turned to Lin Yina and said angrily," I call you a whore. I look up to you. Do you think I dare not beat you? You think I let you? That's because I want you not to know how to die! ""He's also playing a trick on you. It's a love trick. Once activated, as long as you sleep with other men, you will be killed on the spot." Yang Yu has seen the pattern of love bewitching in the witch doctor of Hongxing Village, and the pattern is on Lin Yina's buttocks, so Yang Yu guesses that Lin Yina has been bewitched.

This love is to prevent women from coming out of the wall.

"You" Lin Yina is speechless.

"Since you all know about us, why don't you say it? I'm wrong about it, but as for the poisonous poison?

"Yang Yu didn't understand. He had a knife at the beginning of the word. He finally paid a heavy price, even his life, for stealing.

"When you're green headed, you don't think so. I love watching you dogs die. I'm very happy Cui Qiang smiles with pride.

"When did you fall into the trap?" Yang Yu does have too many opportunities to be tricked, but he still wants to know.

"Since you can't make it through tonight, I'll tell you. Once I went to chop firewood together, you were thirsty. I put golden silkworm in my kettle to drink water. idiot! Ha ha, who is the fool?" Cui Qiang said excitedly.

The great hermit is hidden in the court. Cui Qiang's hiding is too deep. Unexpectedly, since the wedding night, he began to plan to poison himself and let himself die inexplicably.

"How to dispel the poisonous insects?" Yang Yu knows Cui Qiang won't tell him, but he has to ask.

"Please? Kneel down and beg me? Maybe I'll let you live." Cui Qiang is really proud and grins ferociously.

Some evils, some conspiracies, are inadvertently buried.

Yang Yu didn't say anything. He rushed over and punched directly. Cui Qiang is not easy to be provoked. He is small, but he is strong. His strength will never be smaller than Yang Yu.

After the blow, they wrestled together.

Linyina saw, scared, don't know how to do, panic.

"Tell me, how to solve it!" Yang Yu scolds him angrily. He is fighting for his life. Cui Qiang has never beaten him. He is pressed by Yang Yu and punches him to the face. This punches Cui Qiang off several teeth. Suddenly, his mouth is full of blood.

"Ha ha, ha ha." Cui Qiang is laughing, full of blood, that son is very abnormal, very obscene.

"Say it Yang Yu went away again!

"Don't fight, honey. Tell me how to solve it!" Lin Yina cried, and she finally paid a greater price for her coquettishness. The price is marriage, life and the whole life.

But Cui Suo said: "you don't have the strength to fight, do you know? Well, I'll tell you, these poisonous insects can really be solved, but I'm sorry, even I don't know, even Lin Yiyi's grandmother doesn't know. No one knows. When it is cursed, it's doomed. "

Yang Yu suddenly lost his last hope. He knew that Cui Qiang didn't lie, because Ke'er said the same thing. Even the people who played the poison didn't know what the source of activation would be and what the method of detoxifying the poison was.

Because of the unknown, so terrible.

"Are you afraid?" Cui Qiang said, spit a mouthful of blood, but it is smiling.

"If you do that, you will be shot." Lin Yina said angrily.

"Shot? Do you have any evidence? Is there any evidence to prove that it was me? If not, I'm sorry, I can live smartly." Cui Qiang knows that there's no one who doesn't know more than to play Gu, just because Gu has a latent period and an activation source.

You don't know when, who or where you are, you are suddenly bewitched.

I don't know when it broke out. I died for no reason. For example, I thought it was cool when I had sex.

It's so powerful.

Yang Yu was defeated completely.

Looking at the time, from death, there is only half an hour left.

"I can kill you now, but I won't either. Since you want to live, I want you to live more painfully!" With that, Yang Yu suddenly stood up and stepped on Cui Qiang's leg. It seemed that his leg had been broken and he was in agony.

Yang Yu bypasses Cui Qiang, but walks to Lin Yina. He picks her up and throws her on the bed. Without saying a word, he takes off her underpants and pulls her over directly. He pulls off her black and thick body and inserts it into Lin Yina's body.

Lin Yina struggled desperately, but it didn't work at all. She yelled: "husband, help me"

Yang Yu did it for Cui Qiang on purpose, and said with a smile, "I just like to do your wife. Your wife has been done by me for countless times. You see, she's black and purple. It's all done by me. Are you happy?" With that, Yang Yu began to smoke crazily.

"Husband!" Lin Yina clenched her teeth and looked at Cui Qiang on the ground, asking for help. No matter how she asked for help, her body still betrayed herself deeply, and the juice constantly emerged below.

"Just shout it out, let your husband listen!" Yang Yu is angry, and the frequency is faster. It's worth it to have a good time before you die.

Cui Qiang stared and bit his teeth, but he didn't have the strength to get up. His body was very painful and he couldn't make any effort. He watched helplessly.

If there is fruit, there will be Yin; if there is evil, there will be retribution.

Yang Yu was activated in making love and died in making love.

Die completely.

It has nothing to do with the world.

It's time to get rid of the curse.

Chapter 387

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

[+ - Turn off](#) [Reset](#)

Yang Yu is dead.

For all, it's grief and regret. What a good young man died like this. Especially cousins and cousins, crying beyond recognition. Yang Yu's sudden death, for many people, are very unexpected.

Originally, Yang Yu's body was to be transported back to his hometown and buried with his grandfather, but my aunt made every request to be buried in Yunv village. On the day of Yang Yu's funeral, a lot of crows came from nowhere. They croaked and made people panic.

If there were Heaven and hell in the world, where would Yang Yu be?

Isn't he Shiyan saying that he can cross Naihe bridge and drink Mengpo soup? But Yang Yu didn't see it.

He really saw a group of angels, these angels are not dressed, naked, playing in a sea of flowers, the original here is heaven. Yang Yu saw it, nosebleed straight spray, thought: by, heaven really cool?

Just thinking about it, he pounced on the angels.

But all of a sudden, the angels are gone, the sea of flowers in front of them is gone, and the sky is dim. I don't know where the dark clouds are floating, covering the sky. An iron gate broke through the land and rose up. This iron gate is very, very magnificent.

There is almost no top, straight into the sky, can not see the top, and the width, also a few hundred meters wide, like a giant standing in front of.

Yang Yu's original position was corroded in an instant, and the flowers withered all at once. It was

already a barren land.

The door opens quietly. Yang Yu is shocked because he sees Yang Lin. In Yang Yu's mind, he thought of a picture, six headed monster, burning door, Yang Lin, which is the washing of the soul, and what must be done before going to hell. This is the explanation of the ninth door.

If Yang Lin is enough to surprise Yang Yu, the man standing behind Yang Lin will shock Yang Yu even more.

The two black angels are very tall. He has black wings. He is very surprised.

"How about hanging out with me in the future?" The man said that when Yang Yu heard the word "Hun", he felt very intimate.

Completely confused, Yang Yu touched his head and asked, "am I dead?"

The man laughed and yelled, "look for the thirty gold coins. They are destined to belong to you." With that, the man spread out his black wings, which were very big and majestic, and flew directly to Yang Yu.

The speed is very fast. Yang Yu has no time to react. He is directly penetrated by the bat like man.

Yang Yu suddenly woke up and came to life.

I found that it was dark in front of me, and the air was very stuffy. I covered myself with a quilt, which was quite hot. I had covered myself with sweat for a long time. As I was about to get up, my head hit the board directly. Yang Yu quickly reaches out his hand and feels it. He is scared to pee.

Nima, this is the coffin.

Yang Yu was buried in the coffin for the second time, once alive, this time or alive? Obviously, this time it's different. There's a quilt. It's really buried. I'm really dead. Why do I live again?

In medicine, there is indeed a phenomenon of "suspended animation". Many people are still alive a few days or weeks after they die. Some people are even pushed to crematoria after they die before they are really burned. Therefore, the experience of feign death is quite painful.

Alive, but in the coffin, all people think you are dead.

Yang Yuqing is lucky that he was not cremated, but now he is buried alive in the underground coffin. What's the difference between being cremated and being buried?

"Ha ha, I have to die twice." Yang Yu said to himself that the coffin was so small that he couldn't even turn over. Moreover, the air was very thin and stuffy.

The first time was to wait for death for seven days, and now the second time is to be buried in a coffin and continue to wait for death.

"No, calm down. God has given me a second life. I have to go out alive." Yang Yu is not so desperate person, began to find in the coffin.

But there was nothing in the coffin except a quilt. Anyway, NIMA buried his guitar and Han Hu's dagger with me.

Yang Yu smashed the coffin hard. He was very flustered and died twice. It was unfair. It's like a person who is going to commit suicide. The first time he jumps off a building, he doesn't fall to death. Then he climbs up and jumps again. Isn't that funny?

But at this time, a white shadow appeared, it was Ke'er.

"Ha ha, what's it like to be in a coffin?" It's just a coffin. It's a coffin. It's a coffin. It's just a coffin.

"NIMA, get me out of here!" Yang Yu was so happy to see Keren for the first time.

"I can't control your world. How can I save you?" But the son tilts a mouth to say.

"What's the use of you?" Yang Yu wanted to swear, but he couldn't. at least there was someone to chat with.

"I'll watch you die." Ke'er also laughs: "when you die, you will be the same as me. I have a companion, ha ha."

Yang Yu gave her a look and asked, "I'm dead. How can I live? Is it the man who brought me back to life? Who is he? "

"No one in the world has such a great ability to bring people back to life from the dead, not even Jesus, so you are not dead at all." Said Kor. Yang Yu wondered, did he really encounter the phenomenon of "suspended animation"? How can I not die because I have been poisoned?

"You should get rid of your poison." Said Kor.

"No? Impossible. What's the antidote? " Yang Yu asks anxiously, he does not know at all.

"I don't know, but I heard that the antidote is interlinked with the activator." Ke'er said with a smile, anyway, she didn't know.

When Yang Yu heard this, he thought about it for a while, and suddenly realized that it was a good antidote.

It turns out that the activation source of the curse is the honey of her first girlfriend. Once she has sex with her first girlfriend, the curse will be activated, and the antidote should be Lin Yina's honey.

This is the only thing Yang Yu did before he died, that is, he killed his wife in front of Cui Qiang, and his wife is the antidote.

Wonderful, Yang Yu is not surprised, praise up, this activation source and antidote design is too wonderful. Especially this antidote, a person in the poison, only seven days of life, change who will desperately look for antidote, which have interest and leisure to play with women?

Even if you really play, you also play with those women who can't get it, such as Qin Shuhe. Anyway, if you want to die, how can you play with a gun friend who has been dried up? If Yang Yu had not been angry with Cui Qiang at the last moment, he would not have been his wife.

Most of the time, activation or detoxification is predestined.

As for why Lin Yina has become the antidote instead of Lin Yiyi or other women, it must be that she needs some medicine to guide her when she is following Gu, such as a drop of Lin Yina's blood.

Yang Yu is no longer entangled in these things.

"Get me out of here! I'm suffocating. " Cried Yang Yu.

"On your own, your exorcism force has been unsealed, have you forgotten?" Kor points again.

Yang Yu suddenly remembers that when he opened a room with Li ruorong, his hand had burst out. His strength became so huge that he couldn't hold it down. If he could burst out his strength last time, why would he worry about a coffin trying to close him?

However, Yang Yu did not know how to use this power at all? If it's something of his own, he can definitely use it. Yang Yu concentrates and imagines his left hand becoming stronger. Sure enough, Yang Yu feels that there is a special thing in his Dantian towards his left hand.

In a flash, the left hand suddenly burst out, and the whole hand burst out. Yang Yu was scared, but the force could not be controlled. His left hand kept expanding, mutated, and with severe pain, he completely expanded his sleeve. Finally, his triceps and biceps became huge, just like a bucket. What's more, the whole hand began to expand again It's twice as long, and you can touch your feet, and your fingers are also thick, and your nails are sharp, just like the claws of a wolf.

Yang Yu was really scared. Although he couldn't see it, he could feel it completely. It was a variant hand.

"This hand is called the ghost hand." With that, Ke'er disappeared.

"Ghost hands?" Yang Yu is surprised. It seems that there is such a prop in DOTA, which makes people

crazy. It is also the best prop for anti killing.

Just thinking about it, Yang Yu tried to control it. Although it was still very disobedient now, when he let Yang Yu strike the coffin board with one claw, he was even startled. The ghost hand suddenly broke through the coffin board, but it was far more than that, and rushed directly out of the ground.

At this moment, a villager passed by, and he happened to see this one suddenly stretched out from the grave. In the dark morning, he was startled, his legs were numb, his face was pale, and he collapsed on the ground. He suddenly forgot to escape, and the flashlight was shining on the ghost hand.

Yang Yu makes a big hole in the coffin, but the soil is very soft. Yang Yu holds his breath and climbs out of the grave, just like the movie dawn of the living dead.

When the villager saw someone climbing out of the tomb, and the strange hand, he was so scared that he peed in his pants. Before he could see the person clearly, he threw away his flashlight and yelled, "ghost, ghost Run to Yunv village.

Yang Yu laughs and lights his mutated ghost hand with a flashlight. It's really terrible and abnormal.

"Is this the force of exorcism? What would it look like if we added Jesus' exorcism? " Yang Yu said to himself, controlling the ghost hand and slowly retracting back to normal.

Yang Yu took a deep breath. The air was fresh, and he felt the meaning of being alive again.

Looking at the starry sky, he turned to Yunv village.

Going home now will definitely scare my cousin to death, right?

Yang Yu first went to the yunu River to take a bath, and then went home. With the door closed, he climbed up the second floor directly from the wall. Then he didn't want to disturb her, so he was ready to go to his attic to sleep.

Just as Yang Yu was about to climb the wooden ladder, her cousin came out to the toilet and lit it with a flashlight. This photo showed Yang Yu. Yang Yu turned around and looked at her cousin Li Yuanxi.

Li Yuanxi's pupils dilated and her eyes widened. She wanted to cry, but she quickly covered her mouth.

The two looked at each other in the dark.

For Li Yuanxi, what a terrible thing it is to suddenly see Yang Yu who has died and buried in such a dark and silent night?

Chapter 388

Li Yuanxi and Yang Yu watched each other for more than a minute.

Suddenly, Li Yuanxi rushed to Yang Yu. Yang Yu didn't say anything, but held Li Yuanxi in his arms.

"I don't care if you are human or ghost, I don't want you to leave!" Li Yuanxi is not afraid, because he is Yang Yu, a relative of his own, a man he loves deeply. What if he is a ghost?

Yang Yu deeply kisses Li Yuanxi's forehead and lowers his head. They touch each other's brows. Looking at her, he says, "cousin, can you be my girlfriend?"

"Well." Li Yuanxi agreed.

In Yang Yu's arms, Li Yuanxi felt her temperature and heat. She was very puzzled and said, "how is your body hot? You're not a ghost? "

"Why, don't you regret it?" Yang Yu said with a smile.

Li Yuanxi cried, and immediately burst into tears. She cried and said, "you are not dead. How can you live? What's going on? "

"The Gu curse has been solved. I'm just feigning death. Someone happened to steal the tomb, so I was rescued." Yang Yu did not say about his left hand, but lied.

Li Yuanxi heard that, like a dream, life and death parting, sometimes is a dream.

"Ma, Ma, Yunxi, Yayun, come out quickly." Li Yuanxi turned on the light in the corridor and yelled.

Li Yunxi is sleepy, but her eyes are black. After her cousin died, she didn't sleep. She cried every day, and her eyes were swollen. When she wiped her eyes and saw her cousin, she really felt like she was dreaming.

The second sister naturally went home, and fell into Yang Yu's arms. The little aunt also got up. The four women all fell into Yang Yu's arms and cried.

There is nothing happier than the resurrection of a loved one.

Early in the morning.

Yang Yu's resurrection spread all over the village in an instant. Yang Yu did not dare to call his parents for fear of scaring them. Instead, he asked his aunt to call.

Only Cui Qiang felt incredible.

"Let him go over our business. I will not pursue it. I have my own mistakes. Do you think it's ok?" This is what Yang Yu said to Cui Qiang.

A man must be broad-minded, even to the enemy.

Cui Qiang let out a whisper, not to mention the fact that only the three parties knew about it, and the others did not know what had happened.

"I knew you wouldn't die that easily." When Yang Yu went to see Yan Ling, her injury was completely healed, and she was not surprised to see Yang Yu.

It's Li Ruolan's three sisters. They are shocked to death. Ruoshui always holds Yang Yu and cries. Li ruoreng looks at them, but she is not jealous. Her sister is Yang Yu's open girlfriend, but she is still in private. She doesn't care about this. Yang Yu is alive.

But when Yang Yu looked at Li Ruolan, her face turned red.

Because, Li Ruolan said, if Yang Yu is alive, let Yang Yu play casually. It's OK to play for several days and nights in a row. When you think about this, Li Ruolan will be moist.

Sure enough, the three sisters couldn't suppress the impulse in their hearts. They all gave Yang Yu a look and told him secretly that they would come to her at night. Nima, three at a time?

Yang Yu can't cope with it. The other two sisters can't know about his affair with Li Ruolan, and the other two can't know about his affair with Li ruorong.

One night, three women alone, but also each other can not be found, a little difficult.

However, Yang Yu is also inflexible, really can't change the dog eat excrement, this with Lin Yina cheating addiction, by her husband kind of Gu almost died of blood Linlin lesson he has forgotten.

What he thought in his mind was that he came back from the dead and picked up another life. How can he do without playing with women? Isn't it for nothing?

This man is easily elated.

Yang Yu agreed all three at one go. So, after dinner, Yang Yu wanted to find the three sisters. Just then, a man came to the house and was delayed.

"My daughter has been saved. When the bone marrow is matched, we will arrange the operation tomorrow!" The person who came here is he Shiyan's mother. She is very excited. It's a miracle that he Shiyan can live to the present. Yang Yu encouraged her to do this miracle, although he didn't do anything.

But the more important operation than bone marrow transplantation is he Shiyan's heart knot, which is a major operation.

Everyone is happy with her. The last time she knelt down and cried, it was heartbreaking. To know the heartache of her cousins and parents when she died, we should cherish our lives.

After he Shiyan's mother left, Yang Yu went to find the three sisters of the Li family.

The night is dark and quiet, but Yang Yu is in a good mood, but she is not always pestering herself. She is free. To tell you the truth, she has helped a lot this time. Yang Yu is a person who knows her kindness and plans to help her to find out if she was framed by Qin Shuhe.

This time, Yang Yu walked around the path. The countryside is in all directions. There are so many small lanes. For a moment, Yang Yu forgot that he had Yin and Yang eyes. When he understood, it was too late. Next to the path, a couple of people, a woman, were sitting with a little girl in her arms. She was shaking and shaking all the time. Her face was pale, as if she had been coated with white flour. Her eyes were helpless and she was staring at a place.

This path, there will be no villagers.

Yang Yu deeply swallows a tone, the heart is scared to jump out, but the son is also a ghost, but she is not terrible, there are many terrible ghosts. Yang Yu turns off the flashlight in a hurry. Before the mother and daughter find themselves, they retreat quietly, hoping to escape.

Unfortunately late, the mother and daughter turned their heads slowly at the same time, looking at Yang Yu. Yang Yu was immediately frightened and didn't dare to see them. But when the mother and daughter saw Yang Yu, they stood up slowly, like two zombies. They were very stiff and lifeless. They were as thin as firewood. They moved towards Yang Yu step by step.

Afraid, Yang Yu turns around and runs away. This breath goes directly to Li Ruolan's house. Then he looks back and takes a flashlight to look around. He is relieved when he doesn't find that he is coming.

Nima, the countryside is terrible, especially Lao Tzu needs Yin and Yang eyes. How can we live in the future. Yang Yu muttered in his heart. Then around to the back room, looked up, just saw Li ruorong lying on the window blowing the wind.

Yang Yu climbs up directly. Li ruoreng is looking at Yang Yu with a look of temptation. He grabs Yang Yu's chest collar and drags it in. Li Ruo Rong's bedroom light is on.

This time, Yang Yu learned to be a good boy and was not in a hurry. In this hurry, Li ruorong would definitely laugh at himself, so he would just tease her and make her anxious.

"I'm not going to do that. When are you going to give me a place?" Li ruorong has become coquettish.

Yang Yu did not answer, picked up a book, read up, not anxious.

Li ruorrong was even more angry when he saw his leisurely appearance.

"Show me your hair." Yang Yu suddenly said such a sentence and looked at Li ruorrong with a smile.

"I'll make spring and you'll die." Li said, staring at him.

Looking at Li ruorong, he rushed up and let it pass.

Yang Yu caresses her ketone body. It's really cool. After a fierce kiss, Li ruorrong left her mouth, looked at Yang Yu and said:

"I didn't like you at all before, but now I like you more and more."

"Ha ha, is it because I played so well?" Yang Yu said that he was proud.

Li ruorrong gave him another look. She was a forthright person. She didn't beat around the bush and said, "to tell you the truth, half of the reason is that you are really good at that."

Just then, Yang Yu put his hands into Li ruorong's Nightgown, grabbed her two breasts and kneaded them wildly. All of a sudden, Li ruorong was soft.

"When it's spring, show me. I want to see it." Yang Yuqiang is hard to be tough in front of a goddess like Li ruorong. He has been pressed in the past.

Li ruorrong is immersed in the pleasure of Yang Yu's touching the milk, and his mouth is slightly groaning. Yang Yu immediately took off his clothes. Li ruorong sat on Yang Yu and started to work.

"Look at me!" Yang Yu said. Li ruorrong was so excited that he looked at Yang Yu. His lips bit slightly and his eyes kept staring at Yang Yu. He looked very interesting.

Yang Yu just likes to see the goddess like this. Soon, Li Ruo Rong's tears are almost pulled out by Yang Yu. It can only be said that Yang Yu's laser gun like frequency can't be withstood by anyone.

Looking at Li ruorrong's naked body, it can only be described as suffocating. In addition to Su Xiaoxiao, there is no more beautiful woman than Li ruorrong's ketone body.

Li ruorong was doing so much that the climax continued.

After making Li ruorrong, I watched the goddess lying on the bed, with thick juice flowing out of her lower body. As soon as the petals opened and closed, it was really beautiful.

Yang Yu found a reason to leave, directly quietly went to the third floor to find Li Ruolan, and then sent a

text message to let her open the door.

Although the second elder sister, Li Ruoran, looks pretty and coquettish on the surface, she is decent on the inside. On the contrary, the elder sister, Li Ruoran, is gentle and noble on the surface, but she is a whore on the inside.

The bitch can't wait any longer. She doesn't know why Yang Yu came so late.

"Do it for me, three days and three nights?" When Yang Yu met, he said this directly.

Li Ruolan took a slanting look and started to Sao. He said, "yes, whatever you do."

"Then you can show me." Yang Yu lies down on the bed, ready to have a rest. After all, men have a refractory period. Although Yang Yu's ability in this aspect is amazing, it's not a tiger or a lion.

Li Ruolan is really coquettish. She plays a strip show in front of Yang Yu and dances. This bitch is more and more coquettish. When she sees that Yang Yu is getting tough again, she pours on her and eats it in her mouth. Naturally, Yang Yu is killing her.

Although she's not happy yet, it's said that it's three days and three nights. How can it be once? Yang Yu said directly that he had to go to your third sister and keep it. Li Ruolan glared at him, but let him go.

Finally, Yang Yu went to his girlfriend Li Ruoshui's room. Li Ruoshui is still a girl. They have been in love for half a year, but they haven't opened her bud yet. Later, during the summer vacation, they dare not change their plans. He was so busy that he pushed and pushed the start of the business. This time, Yang Yu did not delay.

When Li Ruoshui saw Yang Yu, his face was red. Under the red light, he looked very pure and fresh. Even if Yang Yu has made such an opportunity many times, he won't miss it.

Li Ruoshui knew that he would be budding tonight, so he was always shy and timid.

"Why don't you get some sleep and wait until the dead of night?" Yang Yu really needs to have a rest. In the dead of night, when everyone is asleep, it's also a good time for budding.

Li Ruoshui nodded and nestled in Yang Yu's arms. Li Ruoshui is not a fool either. Although she doesn't know that her boyfriend is cheating on her sister and girlfriends, she also knows that Yang Yu is very fickle. There are many rumors about him in the village and she was angry, but most of her friends are envious.

This kind of vanity satisfaction made Li Ruoshui turn a blind eye.

The two sisters do too much, this sleep directly overslept, sleep until five o'clock in the morning to wake up, the day is not bright. Yang Yu had to take the opportunity to dry Li Ruoshui.

The next day, Yang Yu thought of Zhang meiruo, who was going to start school soon. There were only three weeks left in the summer vacation. If Zhang meiruo went to school, it might be cheaper for those high school bastards, so he naturally refused.

Yang Yu hasn't contacted Zhang meiruo for a long time. Of course, it's because of her father's relationship. Yang Yu robbed the village head's position. He must have held back his fire. Naturally, Zhang meiruo doesn't want to see Yang Yu.

However, Zhang meiruo's family conditions are very good. When her father was the village head, he made a lot of money. Therefore, Zhang meiruo had bought a mobile phone for a long time, so Yang Yu could contact her by mobile phone, so as to avoid embarrassment when he met the former village head.

Yang Yu sent a very coquettish message to her on wechat: "the teacher wants to do you, do you want to go out and open a room to do it?"

"You go to hell." Zhang meiruo replied. She is bored to death recently. No, it should be said that the whole summer vacation is bored to death.

"By the way, eat delicious food and have fun." Yang Yu seduced again.

"Then I'll go to the paradise and play bungee jumping." Zhang meiruo replied.

"OK, it's a good time to play. You can open the bud for the teacher. Ha ha Yang Yu proud, did not expect to take out to play once, you can cheat the first night of the school flower, really cost-effective.

Yang Yu asks Zhang meiruo to wait for news, because he wants to go back to his second home, and then asks her to wait for him in the county.

This time, the family must go back. Parents and relatives should not be worried. Along the way, he had to do a lot of things. He went to the workshop to inspect the vegetable processing and packaging. After the establishment of the workshop, Yang Yu had been there many times. Now, although he was given the management by Er Mei, he had to take a look at it every other time.

Second sister's management ability is really talented. Maybe it has something to do with her overbearing personality.

After Qin Shuzi came home, he asked his parents about the murder, and then he went to see what happened to him.

In the afternoon, Yang Yu followed Er Mei out of the mountain and went to the workshop for inspection. Everything went well.

Then Yang Yu went home by car, and his parents' ecstasy was indescribable, which was chatting with his

parents. Yang Yu's mother began to chat when she was a child, and then went to the University. Finally, she talked to her little aunt. When she talked about her little aunt, Yang Yu's mother suddenly revealed a message.

This news immediately shocked Yang Yu.

"In fact, my mother picked it up. I'm not a sister to your aunt, but I'm more than a sister." Yang Yu's mother said that this matter in her generation was open, nothing. But there's no need to talk to your children about this.

Can Yang Yu listen to, not, stammered and said: "that I have no blood relationship with my cousin?"

Oh, my God. Yang Yu was shocked and said: so, can I do cousin and cousin openly? Don't you have to worry about moral corruption every day?

As soon as Yang Yu thought that he could be a cousin and a cousin in the future, the whole person was floating. How could he know such important information today? I've been living in vain for more than 20 years.

After staying at home for two nights, Yang Yu rushed back to the county town to find brother Shan.

"Brother Shan, you really have it this time." Yang Yu gave a big thumbs up.

Brother Shan is sitting on the sofa in the luxurious box of the nightclub, next to brother scar and several younger brothers, smoking cigars and embracing two beauties.

When brother Shan saw Yang Yu, he stood up respectfully, took Yang Yu's shoulder and said to his brother, "you've made a fortune. Is brother Shan so soft? If you want to do it, you can do it big. "

Brother Shan pulls Yang Yu to the sofa and gives him a beautiful woman. That beautiful woman half lies on Yang Yu body in a hurry, serves, pours wine and massages again, the eyes are straight hook hook, these women are real whores.It's chicken. Yang Yu hasn't played with chicken. It's true. He thinks it's dirty. But when Yang Yu looks at the beautiful woman beside him, he doesn't feel dirty.

Shange's business was robbed nearly half by Murong group. He robbed all the porn and drug gambling. He robbed as soon as he could. Several times, the secret white powder business was destroyed, and even his parents didn't know him. Several times the brothers gathered together and tried to rush in to fight him to death. They were all stopped by Han Hu.

It seems that there are only a few people in Yongzhou County, but the power in the city is several times

that of them. This frontal battle can't be done.

Finally, brother Shan was so angry that he could bear it. When Yang Yu called him, he was at his hottest time. At that time, he was the most impulsive. That's when brother Shan made a decision.

This gangster, every day is the day of the storm.

Brother Shan did several things at a time, which was very powerful.

The first thing is to take my brother and put on a mask and claim to be a member of the Black Hawk gang. In the early hours of the morning, I went straight to the street in the center of the city to chop and kill, which scared the citizens to cry. Cattle, right? But it's just a play. They didn't really cut it. They just scared the public, made them jump and create some pressure of public opinion. And then the whole process is photographed, spread to the Internet, click instant tens of millions. By the time the police came, they had already gone.

This directly caused a sensation throughout the country, and the central government was unable to sit still. The spearhead was directed at the Black Hawk gang.

The second thing, brother Shan took his brother's knife, gun, flour and money out and showed up one by one, saying how we Black Hawk gang used to use forks and forks. He was so forced. Are the masses blind? No more.

Set things on fire again.

Behind the scenes, the people of the Black Hawk Gang know that it's not their own people who did it. The Secretary of the municipal Party committee and the mayor also know that someone is deliberately playing tricks behind the scenes, but what can they do? He doesn't care about the people. He only knows that you are the underworld of the Black Hawk Gang, and they don't trust you.

Therefore, the central government issued a death order, saying that the influence was too great and far-reaching, asking the province to thoroughly crack down on gangsters and give an account to the people!

Zhao De, director of the provincial public security department, personally led a team to the city to organize anti gangster work. However, the director of the Department is still young. He doesn't know that this city is a nest of snakes and mice. If you want to kill the Black Hawk Gang, you have to see the mayor's face.

Maybe I'll accompany my wife and turn into soldiers. After all, this is the territory of local officials.

On the surface, Zhao de has indeed organized an anti underworld brigade, which includes the mayor, the Secretary of the municipal Party committee, the leaders of the Municipal Public Security Bureau and the military region. This team is really big. Apart from the fact that the leadership of the military region is under independent jurisdiction, the Secretary of the municipal Party committee is a lone man. The

rest of the people are mayors. Do you think this team is easy to lead?

"It's been several days. Why hasn't it happened? Is my basket not big enough? " Brother Shan was in a hurry. He didn't know anything about his own territory, and there was no news outside. Was this the last tranquility before the night?

"Didn't the police go out to all the nightclubs and streets? It's been reported in the city daily Yang Yu said with a smile.

Yang Yu sits on the mountain to watch the role of tiger fighting. Anyway, he eats black and can afford to play. This is his smart place.

The people of the Black Hawk Gang also know that it's the people of shange group in the opposite county. They wanted to bring the team directly, but on the contrary, they didn't come all the time. When they came, they fell into shange's trap, which made the matter bigger and had a deeper impact. So the mayor and the old leaders of the Black Hawk gang are not in a hurry. Now it's a sensitive period, so they'd better keep a low profile first. As soon as the limelight passes, they'll come to the mountain I'm here.

Brother Shan also knows that his power is not enough to fight against, and his strength is so great that he can only play Yin. But he always wants to pull Yang Yu into the water, but Yang Yu always shirks on the ground that the company makes money.

"Don't be funny, Yang Yu. Don't you and I understand? It's all surface work. It's for the public to see. None of the big fish in the back has been touched. Is that anti gangster? It's called "passing the house!" Brother Shan took a puff of smoke and said, "go and ask the Secretary, what's the matter?"

"This kind of thing is confidential. The Secretary can't tell me. We have to wait." Yang Yu's heart is not as anxious as brother Shan. It's meaningless to engage in small fish. What he wants to engage in is the benevolence Council behind the Black Hawk gang and the old men. They are all behind to give advice.

"It's too passive to wait like this. Go and inquire." Urged by brother Shan, he is familiar with the Secretary of the municipal Party committee.

No matter how familiar you are, one is a secretary, and an ordinary citizen has no right to inquire.

After leaving shange, Yang Yu naturally didn't dare to call the secretary. He knew his identity and couldn't do without big or small ones. However, Yang Yu is also curious, why only light rain point, in the end where stuck?

But Yang Yu is clear that the Secretary of the municipal Party committee will not sit around. Frankly speaking, this is his last chance. He is about to change his term of office. In the change, the mayor can take him in a proper way, and there will be no talk outside.

Yang Yu is going to find Su Xinqi. Isn't Su Xinqi's uncle working in the Provincial Public Security Bureau? Maybe he is also one of the members of this campaign. Maybe he can ask about it.

Yang Yu dialed Su Xinqi, but it took a long time to answer.

"Yang Yu, I'm at the stadium auto show. I'm going out soon. I'll talk later." Su Xinqi immediately hung up.

Yang Yu thinks that Su Xinqi is supposed to be a car model at the auto show. In other words, he has never seen her when she was a car model. At home, she is a lady. She always sticks to the black cat and looks like a young woman. But this car model needs some temperament and aura. Besides, Su Xinqi has been a car model and a plane model for some years. Yang Yu wants to meet her. What's more, Yang Yu is also considering buying a car. It's so necessary to go back to the county from the countryside, and the car can just park at the factory. The City Olympic stadium is in Ou Hai District. It's just a short time from the ferry. Junior high school sports test, Yang Yu is here to test, so still familiar.

The auto show is in the interior of a small gymnasium, but the space is huge. After Yang Yu came in, it was a sea of people. Every community, a brand, appeared all kinds of cars, from low-end to high-end. In front of every car, there was naturally a beautiful and sexy auto show with all kinds of styles.

These people are looking at people as well as cars. They are taking pictures of cars on the surface with cameras. More obscene men are taking pictures of people from various angles, and even over the top, squatting down and taking pictures from under their skirts.

Model cars can only turn a blind eye. What can we do? But Yang Yu has to admit that these models are all the best beauties.

Yang Yu looks for Su Xinqi's shadow and finally finds her in Audi district.

Su Xinqi wore a white dress with a smile, just like an angel, and she was surrounded by many people here. Su Xinqi soon found Yang Yu in the crowd, very surprised, no, should be said to be very surprised and happy.

Yang Yu also knew that Su Xinqi would not leave work so soon, so he wandered around and waited.

It wasn't until late in the evening that the show was over. Su Xinqi went to the changing room of the gymnasium and came out after changing clothes. She rushed to Yang Yu.

"Why are you here? I've been waiting for so long. I'm hungry. Let's go to dinner." Su Xinqi is very happy with Yang Yu's arm.

When they were about to leave, several women came out of the dressing room and saw Su Xinqi, they called out:

"Hello, Xinqi, we don't want to see her boyfriend, so we want to sneak away."

Yang Yu turns his head and sees a group of beauties. There are three or four of them. As soon as he sees them, he knows that these are Su Xinqi's colleagues and sisters. They are all drooling young models. No matter their figure or appearance, they are all the best.

It made Yang Yu's mouth water. He saw so many beauties for the first time.

Since she is Su Xinqi's sister, Yang Yu naturally wants to be a gentleman.

"Hello, we're just going to have dinner. Why don't we go together on my treat?" Yang Yu said to the young models with a smile.

"Wow, Xinqi, your boyfriend is very handsome." A sister said and began to talk. Su Xinqi listened, in the heart happy Zizi, holding Yang Yu's hand harder.

Near the gymnasium, Yang Yu found a hotel, which is three-star. Although it is not as good as Sheraton, it is already very good.

When Yang Yu orders, Su Xinqi introduces her to her sisters. These girls are still different from Xie Qiuqiu's women. They live in a high-profile life under luxury and corruption. These girls are more vain and have more money worshippers.

When Yang Yu, the village head of Yuyu, was indifferent to the other girls, she said that when she was the head of Yuyu village.

Two girls began to make eyes at Yang Yu.

Especially the young model sitting on the right side of Yang Yu, called Luoxi, not only constantly fawns on Yang Yu's eyes, but also often touches Yang Yu's arm and rubs his thigh against Yang Yu's side from time to time.

Yang Yu turns his head and takes a look at her chest. The milk is full and the ditch is deep. When Luoxi sees Yang Yu looking at his chest, he leans forward and shrinks his clothes to expose the milk more thoroughly.

When these models work, they don't wear bras for the convenience of changing clothes. Therefore, Yang Yu sees a whole milk, a pair of beautiful and white milk.

Yang Yu looks hard and takes a peek at Luoxi. Luoxi also looks at him. He looks charming and seduces Yang Yu in front of his sisters. It's not timid.

Yang Yu suddenly wants to soak her.

Chapter 390

After dinner, the young model Luoxi and another young model Mujing secretly give Yang Yu a note. Yang Yu is afraid that Su Xinqi will see it, so he has to accept it quietly.

Naturally, Su Xinqi didn't know that her sisters already had two boyfriends who were seducing her.

On the way back to the bus, Su Xinqi had been sleeping on Yang Yu's shoulder. Yang Yu quietly took out two small notes and looked at them. They were both two mobile phone numbers, and there were small words below: remember to contact me.

When they got to the apartment, they took a bath, and it was very late. Then they fell in bed and began to work. Su Xinqi was pressed under her body, and she was all sweaty.

Su Xinqi is next, and Yang Yu is working on her like this. At this time, Yang Yu takes out his mobile phone, puts his hands on the pillow, and just moves his butt. Then he sends a text message to the young model Luoxi, opens wechat and adds friends.

"I just took a bath. I'm so tired. What are you doing?" On Luoxi wechat.

"I'm doing Xinqi, believe it?" Yang Yu returned.

Su Xinqi also knows that Yang Yu is playing with his mobile phone. She doesn't care about it, and she can't see the content of his mobile phone. She thinks that he doesn't care about his business, so she calls for a bed.

"I don't believe it. I'm still naked. Do you believe it?" Luoxi also returns.

"I don't believe it either, unless you take a picture and pass it to me now." Yang Yu on the mobile phone, or color, although also afraid to expose their own color is not very good, in case this Luoxi these color chat record to Su Xinqi see, then his so obscene and lustful nature is not all exposed, Yang Yu still know shame.

"You are lustful. If you don't shoot, you can show me where you are." Luoxi road.

Yang Yu saw that it was nothing, so he turned on the voice and gave Su Xinqi a wild puff. Needless to say, Su Xinqi was naturally yelled at by the work, which was very fierce.

Su Xinqi sent the sound of bed to Luoxi.

Su Xinqi was dry to the climax, hugged Yang Yu's neck and screamed wildly. Yang Yu waited for a long time for Luoxi to return, and he didn't know what she was busy with.

Yang Yu opened it and was startled. It was a picture. In the picture, Luoxi lay flat on the bed and photographed it from top to bottom. Then half of the milk appeared, and the screenshot reached the nipple. He squeezed the milk with one hand, which made it look more stiff. Then he bit his lips, full of coquettish energy.

Yang Yu saw the shameful hard.

"It's beautiful, but I can't touch it." Yang Yu sighed.

Unexpectedly, Luoxi soon returned: "you come, I'll touch you when you come."

"I also want to, Su Xinqi doesn't chop me." Yang Yu said.

"When she's away, come and play with me some other day, OK?" Luoxi is a little coquettish.

Why don't Yang Yu have such good luck? In the past, young models like Luoxi and Mujing never looked at themselves.

Su Xinqi was hard to do a meal, which mind tube boyfriend is with his sister ambiguous it.

The next morning.

Yang Yu slightly asked Xinqi about her uncle, and wanted her to help him find out if there was any inside information about the crackdown.

"I can't get in touch with my uncle, and he won't answer even if he gets through with his mobile phone. I'm quite worried. It seems that he came here this time just for the purpose of cleaning up the underworld. I'll try my best to get in touch with him." Su Xinqi returned.

The more out of touch, the more wrong Yang Yu feels. Maybe it's not just that he's stuck. Maybe the mayor has started. But people like Yang Yu can't interfere in the affairs of the government at all. They have to wait.

Yang Yu made a phone call with Qin Shuhe last night, made an appointment about the time and place, and met him. Qin Shuhe was a little repellent to such an appointment. At least she was not willing to make an appointment with Yang Yu alone. But Yang Yu said that there was something wrong, and Qin Shuhe agreed to guess that it was a matter of work.

Qinxinyuan, the best teahouse in the county, is reserved by Qin Shuhe. She is the VIP here. Yang Yu specially tells Ke'er that she is the client this time. Even if she becomes a ghost, she will not be allowed to interfere, which will affect Yang Yu's judgment. Therefore, Yang Yu wants Ke'er to disappear far away, or read the Bible to her.

Can son originally don't want to, but also have no way, had to promise down, don't come to harass him,

also don't eavesdrop.

Yang Yu is quietly waiting in the box, pondering and arranging his thoughts. Ke'er is a ghost. He has not heard that the ghost lies, and there is no reason and motive for lying. If Ke'er's words are true, then Qin Shu and his exploration will become a little difficult.

Qin Shuhe didn't come here until eleven o'clock. She was very casual, but no matter how casual she was, she couldn't hide her beauty. It's hard for Yang Yu to imagine that such a beautiful woman would have such a vicious heart.

It seems that Qin Shuhe has become the villains in all TV dramas, the poisonous women who destroy other people's feelings and families.

Qin Shuhe saw Yang Yu a little bit awkward, in addition to some superficial wording, the two people can not communicate. Yang Yu ordered food, and they chatted while eating. They didn't mention Ke'er all the time.

"Don't you mean you have something to do with me? It doesn't mean eating." Qin Shuhe said with a smile. Yang Yu is not in a hurry to answer, first drink tea, said a very strange sentence: "did you fall in love in high school?"

Qin Shu and Leng for a moment, this question is too sudden, a little embarrassed said: "how suddenly asked?"

"I want to know more about you." Yang Yu said with a smile.

Qin Shuhe felt more numb and thought: faint, is this going to chase me?

"I didn't fall in love in high school. I went abroad in the third year of high school." Qin Shuhe said that after studying abroad for four years, she has never made a boyfriend. The reason is that she doesn't like foreigners, because she has to go back home to follow her father, so she doesn't want to find foreigners.

Although, many female students, especially like to find foreign boyfriends, because that big, some are bleeding, but women just like big guy, what can I do? Fortunately, Yang Yu has a big fellow who is as good as a foreigner.

How much of Yang Yu's love affair does not depend on the scenes held up by everyone? Li Qi, Li Rong, or Li Lin, who is not loved by her sister-in-law every day?

Li ruorong is a typical example.

"Did you have a crush on boys in high school?" Yang Yu continued.

"This is my privacy. Can I leave it unanswered?" Qin Shuhe said with a smile.

"Like a boy named Zhou Xiaoqing." Yang Yu said lightly.

Qin Shuhe's face turned pale in an instant, and her breathing became short. Everyone could see that she was very nervous.

"How do you know him?" Qin Shuhe is very surprised. Looking at Yang Yu, he doesn't know what he wants to ask.

"You tell me, have you ever liked him or pursued him?" Yang Yu asked.

Qin Shuhe was upset and said, "this is my privacy. I don't want to answer it. Besides, it's been so many years, and I don't want to mention it."

Qin Shu and obviously in escape, dare not look directly at Yang Yu's eyes.

"I want to go back." Qin Shuhe was suddenly asked such two questions, obviously not happy, very upset. To stand up and go, Yang Yu did not stop her, just said in silence.

"Good and evil will be rewarded. You should have a clear conscience in everything, otherwise you will be very tired." Yang Yu talks about the great principles. These great principles sound very empty, but they are the basis for people to do things.

Qin Shuhe just wanted to open the door, and stopped, some hesitation.

"I'm not a policeman. I'm just your friend. If you want to talk about that history, I'd like to listen to it." Yang Yu supports Ke'er because he can't confirm whether Qin Shuhe really killed her.

If you look at the evidence, you have to look at the evidence. Without the evidence, anyone's confession can only be used as a reference. Therefore, Yang Yu can't directly ask: "did you kill Keren?" It's very stupid to ask like this.

Qin Shuhe hesitated for a long time, then came back slowly, sat on the sofa again, took a deep breath, and asked, "what do you want to know?"

"I want to know about you and your high school classmates Zhang Ke'er and Zhou Xiaoqing." Yang Yu asked.

Qin Shuhe's eyes are red.

Qin Shu and sitting there, began to tell Yang Yu a completely opposite version of the triangle love relationship with Ke Er.

At that time, Qin Shu and Zhang Ke'er were good friends. Zhang Ke'er fell in love with her classmate Zhou Xiaoqing and asked Qin Shu to help her catch up with her. Qin Shu and her sister agreed naturally, but Qin Shu and herself didn't like the boy at all. They also persuaded Zhang Ke'er several times that the man was too playful and would hurt you sooner or later.

Zhang Ke'er doesn't listen and tries his best to catch up with him. But Zhou Xiaoqing doesn't like Ke'er at all. The reason why he agrees to be his boyfriend is because he is close to Qin Shuhe. The person Zhou Xiaoqing really likes is actually Ke Er's good sister Qin Shuhe.

Qin Shuhe is scared when he knows about it, but Zhou Xiaoqing often gets close to Qin Shuhe by meeting and dating with Ke'er, molesting and secretly pursuing Qin Shuhe. Qin Shuhe had to avoid him.

But this matter, after all, is still known by Zhang Ke'er, Qin Shu and Zhang Ke'er scolded a bitch, said to seduce his boyfriend, in fact, her boyfriend seduced her.

Later, once three people went swimming, but there was an accident. If someone took medicine, it must be her boyfriend Zhou Xiaoqing. Keren is Qin Shuhe's sister. Growing up together, Qin Shuhe doesn't like Zhou Xiaoqing. Why murder Keren?

This is Qin Shuhe's story. After listening to it, Yang Yu finds it more and more interesting. Ke'er says that Zhou Xiaoqing likes herself, Qin Shuhe seduces her boyfriend and kills her. On the contrary, Qin Shuhe likes Zhou Xiaoqing, Zhou Xiaoqing likes her, and her boyfriend is the most likely one to take medicine.

Yang Yu thinks about it. He doesn't know who's telling the truth or who's lying, but no matter who's right or wrong, he has to meet her boyfriend Zhou Xiaoqing first.

It seems that this man is the source of everything.

Yang Yu asked Qin Shuhe for Zhou Xiaoqing's home address, but it was from high school. I don't know if it's right.

Before leaving, Qin Shuhe asked: "why do you want to ask these things?"

Yang Yu did not answer.

Yongzhou County Xiayong is a relatively remote place, so there are fields, small low mountains, is a plain. After the national requirements of urbanization, many old houses in this area began to demolish, build communities, reclaim fields, but the traffic location is not very good, so there is no good development.

As a result, a lot of houses are written with the word "demolish", but they are not demolished. Some

houses are even demolished half way.

Yang Yu is looking for the address Qin Shuhe gave. At dusk, it was finally found. Here is a row of even houses. They are all old concrete houses. The walls are cracked and dirty.

It seems that there are many houses here, but it's very quiet. The rich go to buy a new house early, and the poor are left with some lonely old people.

So in the next door sat an old man, with a fan, the movement is very rigid.

Yang Yu went to the old man and asked him if Zhou Xiaoqing was next door? The old man gave Yang Yu a white look, then looked at him and didn't answer. However, he turned his back to Yang Yu, which was quite impolite.

Yang Yu had no choice but to compare the address himself. He felt that it would not be wrong, so he went back to the next room.

At this time, the old man looked at Yang Yu with a strange look on his face.

The door of Zhou Xiaoqing's house is closed. It's a wooden door. It's very old, and the windows and curtains are closed. Yang Yu knocked on the door, and for a long time no one came out to open it.

At this time, some villagers pass by and look at Yang Yu with a strange look. Yang Yu doesn't understand.

He continued to knock again, shouting, "is anyone there? Is Zhou Xiaoqing here? "

When Yang saw the hole, some of his anxious eyes went over.

Yang Yu suddenly saw an eye.

A wide open eyes, eyes have died in general, big and motionless, just through the door to look at Yang Yu.

"Ah Yang Yu was scared to a scream, back again and again, the result, a lost center of gravity, fell heavily on the ground.

Yang Yu's face turned blue when he was frightened by the sudden horror scene. He gasped and looked at the door with wide eyes. He was still very frightened. He said to himself: what are the terrible eyes he saw just now?

Just then, the door creaked.

Slowly opened.

There's a man behind the door. No, two.

At first, he didn't react, but when he did, he choked on the spot. He covered his mouth tightly and widened his eyes. Yang Yu was so scared that he wanted to run, but he took a breath and forced himself to calm down, but he couldn't.

At this time, another villager passed by.

Yang Yu quickly got up from the ground, stepped forward, and asked the passer-by, "how many people are standing at the door of this family?"

The passer-by glared at Yang Yu, and then looked at the family just now. He felt very unreasonable and said, "you're crazy. You won't see it yourself."

Yang Yu suddenly took a breath, but didn't dare to look directly at the door, and took a look with the remaining light. But I was still scared by the terrible scene.

What did Yang Yu see? Can you scare him like this in the twilight day?

That must be a terrible man.

At this time, the villager who had already left stopped, turned around and said, "one."

When he heard one, Yang Yu's face became more blue.

"Who are you looking for? What can I do for you The man at the door suddenly asked.

Yang Yu still did not dare to look directly at the scene, especially when there was only one person, but he clearly saw two people. Who was that person?

"I'm looking for Zhou Xiaoqing." Yang Yu moved forward two steps, always looking at him with Yu Guang.

"I am. What can I do for you?" Zhou Xiaoqing at the door asked.

"I want to ask you about Zhang Ke'er." Yang Yu faltered and said that it was not because of the horror of Zhou Xiaoqing in front of him, but the horror of the woman on Zhou Xiaoqing's back.

Zhou Xiaoqing had heavy dark circles under his eyes and was in poor spirits. He was wearing a vest and felt a little comfortable on his back. His facial features and figure were pretty good, but he was too haggard and seemed to be very depressed. On Zhou Xiaoqing's back, however, there was a woman with messy hair. Her head rested on Zhou Xiaoqing's shoulder. Her hair covered half of her face and only revealed one eye.

This eye is the one Yang Yu looked at each other through the door just now.

The woman on Zhou Xiaoqing's back was holding his neck with her hands and legs on his waist. Zhou Xiaoqing doesn't seem to feel how heavy it is, while Yang Yu knows that this woman is not a human being, but a ghost.

Zhou Xiaoqing carried a ghost on his back, but he didn't know it.

What a terrible thing it is.

"Come in and talk." Said Zhou Xiaoqing, turning to go inside.

When Zhou Xiaoqing turned his back on Yang Yu, Yang Yu finally had the courage to take a look at Zhou Xiaoqing. The woman on Zhou Xiaoqing's back suddenly turned her head 180 degrees. After looking at Yang Yu, she gave a smile and turned back 180 degrees.

This frightened Yang Yu and quickly avoided his sight. His legs only trembled.

Enter or not? Yang Yu is in a dilemma.

If you don't come in, you'll be in vain. That chapter can't be solved. If enter, Yang Yu really does not have the courage, is also a ghost, why some ghosts, will be so terrible.

After a desperate ideological struggle, Yang Yu started to walk towards the inner room.

It was dark inside, with the curtains and back doors closed, but it was cool and even gloomy.

While Zhou Xiaoqing is sitting on the sofa in the living room, watching TV, the ghost on her back is spreading her hair and motionless.

Yang Yu sat down on Zhou Xiaoqing's side, but he only dared to sit on half of his buttocks. He was afraid that the female ghost would suddenly come and deal with him. Yang Yu sat there, his legs shaking and his heart panicking. Eyes have been afraid to look at Zhou Xiaoqing, straight to look at the window, and then with the remaining light, asked: "what is the relationship between you and Ke'er?"

Yang Yu wants to finish asking quickly and get out of the way, so he goes straight to the subject.

"Hum!" Zhou Xiao snorted coldly and said contemptuously, "what can it have to do with that bitch?"

"What about Qin Shuhe? What's the relationship between the three of you?" Yang Yu continued.

"Who are you? Why should I tell you this?" Zhou Xiaoqing asked suspiciously.

"I have a friend who is a policeman. He is investigating the case of Zhang Ke'er's drowning. I'm a friend

of Zhang Ke'er's, so I want to help him find some clues. "Yang Yu tells a lie casually. It's not convincing, but it doesn't matter. It's also a good way to test Zhou Xiaoqing's guilt.

"Qin Shuhe and I are willing to be together. That bitch comes to seduce me one night. She's a real bitch and makes trouble with me every day. I hide from her every day. She and Qin Shuhe are good friends and always harass me for the reason of looking for Qin Shuhe. In the end, Qin Shuhe knows that it's that bitch. Otherwise, Qin Shuhe and I have already gone abroad together, maybe now They're all married. "Zhou Xiaoqing said angrily.

After hearing this, Yang Yu's face changed again.

"Because of your anger, Ke'er hindered you from being with Qin Shuhe, so you drugged Zhang Ke'er in the mineral water, which led to his drug attack and drowning when he was swimming, didn't you?" Yang Yu shouts fiercely.

"No, I didn't. What's the medicine? She was murdered? I'm really angry with this man. Hum. "Zhou Xiaoqing has a strange smile at the corner of his mouth.

"Then who do you think is most likely to have poisoned her?" Yang Yu asked seriously.

"How do I know? I don't know her very well Zhou Xiaoqing opened his head. From the beginning to the end, he used this kind of strange spirit, and it seemed that others owed him millions of dollars, shouting: "do you have any questions? If not, I won't give it away. "

Zhou Xiaoqing said, picking up the remote control and pressing the TV.

Yang Yu swallowed deeply. He had nothing to ask. He was anxious to leave here. The ghost on Zhou Xiaoqing's back made Yang Yu feel numb all over, and his legs were shaking all the time. Yang Yu immediately got up and walked towards the door. After a few steps, he turned his head slightly and asked, "Zhou Xiaoqing, do you feel heavy?"

Zhou Xiaoqing turned his head, looked puzzled, and asked, "what's heavy? I don't know what you're talking about. "

Yang Yu quickly ran to the door, his mouth also recited: "I asked you, you have been carrying a woman, heavy?" But Zhou Xiaoqing couldn't hear that.

Three different statements from three people. This is really beyond Yang Yu's expectation, but no one feels that he is not lying.

Zhang Ke'er says that Zhou Xiaoqing loves himself very much, while Qin Shuhe is Zhou Xiaoqing. Zhang Ke'er is the cheapskate and the third party who destroys the woman with Qin Shuhe.

Who on earth is lying? Who is the killer?

Yang Yu can't draw a conclusion.

However, Yang Yu is still curious about why Zhou Xiaoqing carries a female ghost. If he knows that he lives and sleeps with a female ghost every day, will he be scared to death on the spot.

Once upon a time, the child asked his father, "Dad, why are you carrying your mother all day long?"

The more Yang Yu thought about it, the more he felt that the case was not so simple, and he might not be able to solve it for a while and a half. However, it was terrible to find out who was lying. Since the three students were classmates, the original students must know who was lying to whom they liked and seduced.

However, after what happened to the ghost just now, Yang Yu was still in the mood to investigate. He was scared to death.

I went straight back to Yunv village.

Passing his own factory, he went in to have a look and found the second sister.

"I said, er Mei, I can't see that you have managed the company so well." Yang Yu praised.

"Of course, but it's not all my credit. It's mainly because I dug a teacher Fu from Kangyuan group, who is skilled. Ha ha Li Yaxi, the second cousin, said with pride, feeling that all this was due to her.

Yang Yu specially went to see the teacher Fu, who is nearly 60 years old and has already reached the age of retirement. Of course, he will not be given any physical work. He can only teach and supervise the whole production line verbally.

Yang Yu's business is now in full swing. Moreover, after the brand started, Yang Yu called on the whole village to make use of all the fields they could use, and plant whatever vegetables they could. It's better to plant other kinds of vegetables, such as tomatoes, cucumbers, Luffa, mushrooms, string beans, radishes, lettuce, fungus and so on. At that time, Yang Yu will be responsible for recycling and packaging, listed and sold.

Thus killing two birds with one stone, Yang Yu reduced the risk of growing vegetables and made the whole village rich.

However, Yang Yu classifies these vegetables. The sweetest vegetables along Qianshan River have the highest grade and the highest price.

Therefore, Yang Yu is the head of the village. Now, when the villagers meet Yang Yu on the road, they are very warm and polite. If it's a village woman, it's even more turbulent, teasing and seducing Yang Yu. Let's say once, a beautiful woman seduced herself, but Yang Yu didn't know her at all.

As a result, the beautiful woman also scolded Yang Yu for pretending to be stupid, saying that he was shy even though he had been to other people.

Yang Yu is also very puzzled, do not know you, how can you?

It turned out that she had done it in the hot spring cave in Taohuayuan, where it was black and painted. It was all done casually, and no one knew.

Yang Yu has been there twice. The first time he went there, he worked for four or five women. The second time he went there, he worked for three women, and none of them knew him. But one of them was still a junior high school student of his own. At last, he guessed who the girl student was by the sound of bed calling.

It's embarrassing for that girl student.

The karst cave hot spring is really a good place. With the participation of Yang Yu's members, some women in Sao village are ready to move. They always ask Yang Yu in private when to go again. But Yang Yu certainly won't tell them, otherwise, if there are more than ten people there, they won't die. Therefore, Yang Yu is a surprise.

However, as soon as I came back, I remembered that I had forgotten about Zhang meiruo.

More important people forget things. Yang Yu wants to find a place to do the fierce Zhang meiruo.

After thinking about it, I thought of the village committee's rest room, where there was a room. Originally, it was specially for the village head or the Secretary of the village committee to rest, but the position of the Secretary of the village committee is still to be determined. In all likelihood, Yang Yu will give him a part-time job.

The rest room has beds and sofas. After the new term, the room was specially cleaned. The beds were cleaned and the keys were in Yang Yu's room, but Yang Yu never went there to have a rest.

So, Yang Yu secretly sent a text message to Zhang meiruo, which said: go to the village committee to find me at night, and I'll open your bud, OK?

As a result, Zhang meiruo angrily replied: open your sister's bud, die open.

Yang Yu hit the wall, had to send his little lover Han Qingfang, Han Qingfang needless to say, a promise.

When I got home, my cousin was very busy. All the financial affairs, working hours management and personnel management were handed over to her. Some things about growing vegetables in the vegetable field, such as when to sprinkle water, fertilize, loosen soil and so on, were handed over to my aunt.

Yang Yu is the company's strategic development architect, responsible for investment, planning, etc. to put it mildly, he is a soy sauce maker.

After seeing her cousin at home, Yang Yu went up to kiss her for the first time. After her cousin pushed her a few times, she didn't push her. She gave Yang Yu a strong kiss. As a result, she was almost found by the third sister Yunxi. Yang Yu quietly pulled the three younger sisters to his attic, and then whispered: "tell you a secret, you don't tell others."

Three cousin Yunxi see cousin God mysterious, naturally very interested in know what it is.

"When I go home this time, my mother told me that she and your mother are not sisters. "Yang Yu thinks that Yunxi will be very excited about this disappearance, because he has already had a sexual relationship with her, which is immoral and is about to be struck by thunder. Now he has no blood relationship, at least in nature, he has completely changed.

But after hearing this, Yunxi has no response and says, "so what? We all know about it. "

Poof! Yang Yu spat out blood.

"What? You all know that? "Yang Yu's eyes are wide open, and he is covered in the bone?

"My father used to say that, so we all know it." Yunxi said. My uncle used to say that every time Yang Yu's mother came to her home, she would give her a lot of things, such as local eggs, dried sweet potato, dried plum vegetables, etc. every time, my uncle would say to my aunt, "it's not my sister. Why do you give so many things?

My uncle is such a person.

But my aunt would retort every time: what is not a sister? We are more than a sister.

Therefore, my aunt always teaches her three daughters to love each other and the whole family.

"So" Yang Yu deliberately looks evil.

Yunxi in that aspect, in fact, the heart is mature, that is, people are too timid and shy, but see cousin that wretched look, can also reflect, know what cousin wants to say.

"My cousin is a hooligan. He's dead. "With that, Yunxi wants to go, but Yang Yu pulls on him, locks the door, drags his body and goes down.

Yunxi and cousin kissing is very common, but Yang Yu's hand immediately irregular up, to touch Yunxi's milk.

"Cousin farewell" Yunxi quickly left the mouth, pushed away Yang Yu's hand.

Yang Yu looks at her cousin in front of her. She is so beautiful. If she goes to high school and University, she will be the first beauty in the village. If she is the first beauty in the city, no one dares to say no.

"We haven't loved each other for a long time. Why don't we have one?" Yang Yu knew that Yunxi was not his own cousin and had a relationship with her. Naturally, he had a lot of courage. In front of his cousin, he didn't dare to say.

"No." Yunxi turned around.

When Yang Yu became the head of the village, he installed a street lamp at the grocery store in the center of the village, so that the whole village would not be dark at night. With this lamp, at least one guiding lamp.

But there is still no light in the village committee. Instead, Yang Yu likes to be dark and suitable for doing dirty things.

Yang Yu went to the rest room on the second floor to wait for Han Qingfang. The location of the rest room is very good. It's at the end of the corridor. At the same time, the stairs are not here, and there are some empty rooms next to it. I went to the balcony and looked out. This direction is not for people, but for mountains. There is no road behind. Therefore, even if I dry on the balcony, I won't be found.

Having nothing to do, Yang Yu opened wechat and found that there were too many messages. The first is aunt Dong Lin's daughter, who is so lonely that she always pesters Yang Yu to satisfy her, but now Yang Yu can't play. The second is Luo Xi, Su Xinqi's young model colleague, who has nothing to do with each other now and then has an occasional affair.

And Ziyang. Ziyang's content is very simple. It's like saying hello. So I gave Ziyang a few words to Yang Yu, and Dong Lin also gave a few words to deal with her. Otherwise, the aunt would be on fire and ask for divestment, and her workshop would be finished.

Finally, I sent a message to Luoxi young model.

But who knows that the first sentence of luoxihui is: "won't you be there with Su Xinqi again?"

Yang Yu wanted to say, I'm waiting for the woman now, but think about it. I can't let Luo Xi know about cheating with other women. What if I tell Su Xinqi? So, I just teased her:

"no, where's your boyfriend?"

The end of wechat soon returned: "they don't have a boyfriend."

"Without a boyfriend, what about physiological needs? Do you use cucumber? ha-ha. "Yang Yu thought it was very interesting.

"Go away, people don't use that thing." Luoxi returns.

"Ha ha, you have to use a vibrating stick. "Yang Yu said provocatively.

"You ignore you, big sex wolf, I told Su Xinqi to go, said you seduced me. "Luoxi road.

Yang Yu just wanted to return. At this time, he called and thought it was su Xinqi's.

"Yang Yu? My uncle can't get through all the time. I suspect something has happened to him. "Su Xinqi is a little anxious.

"Well, don't worry. I'll call right away and ask for help. "Yang Yu hung up and had no time to chat on wechat. He wanted to call the Secretary directly, but he didn't feel fit. After thinking about it, he'd better call Director Su and ask him first.

After Yang Yu dials Su Jian's mobile phone number, as soon as he answers, a woman's groan comes, which makes Yang Yu very embarrassed. Su Jian was obviously very dissatisfied when he was disturbed. When asked about the Secretary and the anti Mafia, he just said a few words hastily. There was no information, so he hung up.

Yang Yu has also been thinking about a question: why does Su Jian stand on the side of the Secretary of the provincial Party committee? If it's too late, maybe he'll know it's going to fall.

Yang Yu had to make a phone call to Zhang Qinglai's personal mobile phone, the Secretary of the municipal Party committee, and the phone got through: "hello. "

" good secretary, I'm Yang Yu. " Yang Yu asked sincerely.

"What's the matter? "The attitude there is very stiff, which makes Yang Yu very surprised. In the past, when talking to the Secretary, the other party's attitude is not like this.

"I want to ask, why didn't you take action recently? "Yang Yu feels silly to ask.

"It's still in the process." The Secretary of the municipal Party committee gave an official answer.

"Secretary, do you know Ma Liang, director of the Public Security Department of the provincial Party committee? I heard that he is the leader of this campaign, but I can't get in touch with him?" Yang Yu asked. Ma Liang, director of the provincial public security department, is Su Xinqi's uncle. Su Xinqi only knows that her uncle is an official. As for how big this official is, she has no idea.

Yang Yu checked his name and found that the official was so big. No wonder he could easily get a villa for Su Xinqi.

"I'm not his wife, he's not. How can I know!" The Secretary of the municipal Party committee hung up.

Yang Yu cried. People from the provincial department come to work below. The whole food, drink, housing and transportation are arranged by the prefecture and city. There is a whole set of procedures. Do you know? They are here to help you clean up the underworld. How can you say you don't know?

Yang Yu feels that something is wrong with the Secretary of the municipal Party committee. It seems that he has changed his mind. Has he been held hostage by the mayor? That's not right. Then he shouldn't answer the phone, or he just said something casually when he answered the phone, but he didn't. His answer was very simple. Obviously, his reason was sober.

In addition to the disappearance of the director of the public security department, the attitude of the Secretary of the municipal Party committee, and the light rain point of the anti Mafia campaign, Yang Yu knows that if there is an accident, the anti Mafia campaign will definitely fail, the mayor will start ahead of time, and the Secretary of the municipal Party committee will be abolished. But the mayor is too brave, even the provincial people dare to move? Not afraid of central investigation?

If the Secretary of the municipal Party committee falls down, then Ding Shanshi is taken, and then Su Jian steps down, then all the forces related to the Secretary will be eliminated, including Yang Yu's company. But now the company is in full swing, the situation is very good, orders are packed in the warehouse, all in the rush of the villagers.

If you owe millions to your family, you may lose millions of yuan. At this time, people came into the room, Yang Yu went into the room and found that the person was Han Qingfang.

"What are you doing there? Come on in." Yang Yu said that there is no light in the room. The moonlight from the balcony shines in, and you can see the whole room faintly. That's enough. If you turn on the light, it will arouse people's suspicion. If there are logistics personnel passing by, you may even push the door to have a look. It's embarrassing.

"I'm not coming in." Han Qingfang said with a smile.

Yang Yu Leng, what do you mean? Is Han Qingfang not doing it for himself? no

"Honey, what's the matter?" Yang Yu immediately changed her mild tone and wanted to coax her. Han

Qingfang, a little lover, can't be lost, not only because she is a lover, but also because it's hard to find such a beautiful young lover like her.

Yang Yu just wanted to pull over, suddenly Han Qingfang pulled in a person from the side, said with a smile: "I don't come in because I brought you a woman."

Yang Yu is very surprised. Look again, isn't that Zhang meiruo?

Zhang meiruo is displeased. She and Han Qingfang are good friends and chat every day. As a result, today Zhang meiruo talks about Yang Yu's intention to start her own business. Han Qingfang clearly recognizes that Zhang meiruo wants to break up, but she is also a woman who wants to face up. How can she agree in front of Yang Yu?

So Han Qingfang pulled Zhang meiruo to death.

Han Qingfang pushed Zhang meiruo, pushed her into the room, then laughed and said, "you have a good time." With that, the door closed and he left.

"Hello! "You" Zhang meiruo also wanted to follow, but Yang Yu grabbed him and said, "go to the balcony and talk about life."

After Han Qingfang left, he was still a little lost. In fact, he really liked Yang Yu as his boyfriend, but he was too fickle. Although Yang Yu was very kind to him, he spoiled him and cared about himself. But actually, Yang Yu cares about every woman.

Every night or early in the morning, Yang Yu would ask them, "good night, good dream."

Zhang meiruo threw away Yang Yu's hand and said angrily, "I want to go back."

"Why do you go back? Everyone's here." Yang Yu pulls back her hand again, locks the door and goes to the balcony. If Zhang meiruo is behind, she will be pulled.

The moonlight is beautiful, and the school flowers in the moonlight are even more beautiful.

Zhang meiruo is shorter than Han Qingfang, and her character is the difference between heaven and earth. However, it has to be said that Zhang meiruo is more beautiful only in terms of her face, and her beauty is still arrogant.

"There are only two weeks left in the summer vacation. When we go to school, we won't see each other." Yang Yu said that high school is a boarding school. To get to her school, you have to climb out of the mountain first, and then take a car. It takes 20 minutes by car. Although the time seems not short, it is a waste of time to go back and forth on weekends because there are few cars in the countryside. It's very fast and there are few cars.

"If you can't see me, you can't see me. We don't matter." Zhang meiruo looks unhappy. Every time she meets Yang Yu, she looks like this. It's good that Yang Yu owes her millions of money.

"Did you cry when I died last time?" Yang Yu asked with a smile.

"It's none of my business whether you die or not. I'm not in the mood to cry." Zhang meiruo didn't even look at Yang Yu. She was very proud.

Yang Yu feels that this girl is too fierce and has a fight with his second sister. If he wants to fight, he is afraid that he will fight. Yang Yu enters the room again. Without looking at it, Zhang meiruo stands on the balcony, blowing the wind and looking at the dark scenery outside the window.

Yang Yu out of the room, to his office, and then brought some snacks over, is a few packets of potato chips. This time, I bought a lot of food. This bag of snacks is for Han Qingfang. I forgot to give it to her just now, so I took a few bags to eat with Zhang meiruo.

Yang Yu opened the seal of the potato chips outside and spilled something inside quietly. Yang Yu's office, there is one thing is necessary, that is "to immortal death.". If you see a beautiful village woman who seems to be dry, you can give her an excuse to pour tea for her to drink. Then you can give her an excuse to deal with the documents and ask her to wait.

When the village woman's medicine breaks out, it's easy to do it on the spot in the office. It's not good to try.

So if this beauty is so arrogant, just give her some powder.

Zhang meiruo is a snack lover. Seeing that Yang Yu takes the food, she grabs it directly.

"Do you know what you just ate?" When Yang Yu saw that she had finished the whole package of potato chips, he asked.

"Chips, what else?" Zhang meiruo's disdainful reply.

"Chips are chips, but I added something." Yang Yu said with a smile.

"What is it?" Zhang meiruo didn't know that she also took the aphrodisiac together.

"Aphrodisiac." Yang Yu said these two words very clearly.

Her face suddenly changed.
