The water slowly flooded his body, and the time of death was coming.

Yang Yu can only hold a torch high, once flooded, it will not shine. Yan Ling is very afraid. She is afraid of water and death. She is not afraid of death. Li Ruolan was also trembling with fright. When death really came, that kind of fear was indescribable.

"No one can stand here soon. We're going to swim to the opposite entrance. Yanling, give me the sword." Yang Yu cried. At this time, he didn't know to throw the sword first. Sometimes, in a crisis, there is no lower limit to a person's IQ, and even he can't consider so many things, so he has to carry the sword?

If you don't die, you don't die.

This sword is likely to kill Yang Yu.

"I'm afraid!" Yanling is a woman after all. No matter how strong she is, no matter how domineering she is, no matter how strong she is, no matter how she can cut off demons and demons, she is a woman after all. Yang Yu stroked the two women's heads at the same time, looked at both sides and said, "look at me, look at me!"

"I'll let you out alive. believe me!" Yang Yu said firmly, can he let them go out alive?

He can't!

It's clear in his heart that he can't, but he has to say so.

A little encouragement is likely to save people's lives.

The water has been submerged to Yan Ling's neck. At this position, she can't stop. Yang Yu took a flashlight to shine on the opposite side. Fortunately, the flashlight still has enough power to see the situation of the opposite cliff.

"See there? Swim there and grab the stone on the wall. You two swim first, and I'll be back." Yang Yu said. The three people's faces are very ugly, pale, and death is very close to them. In a short time, the mausoleum will be completely submerged.

Yan Ling took a deep breath, flustered, but still want to swim, do not struggle, is dead.

As a result, Yanling was the first, Li Ruolan was the second, and Yang Yu had a good water-based cushion. When he was a child, he grew up by the river and could swim at a very young age. Every

summer he would go swimming in the river. Yang Yu swims with one hand and lights up the front with a flashlight in the other.

The horizontal surface was wobbling. Except for a little light from the flashlight, it was dark all around.

It seems that the opposite side is right in front of you, but when you swim, it's far away than you think. At least you can breathe and have light. Yan Ling took a lot of effort to get to the opposite side and grasped the cliff, but there was nothing at his feet and he was suspended in the water.

All three of them have grasped the stone on the cliff.

"Ruolan, take the flashlight. Don't touch the water. I'll dive down to find the entrance." Yang Yu said. Before they could answer, he took a deep breath and dived into the water.

Fortunately, it's not winter, otherwise people will freeze to death first.

The water is still warm. It's the only way to disappear. It's dark below and you can't see anything. Yang Yu can only feel it along the cliff. According to his memory, the entrance should be in this place. After all, the cliff is too big and the hole is too small. Yang Yu didn't touch it for a long time, so he had to go back to the water and touch it for the second time.

This time, Yang Yu found it.

Yang didn't have to go up and down the wall of the cave to save time.

"Here! "Yang Yu came out of the water and cried. Li Ruolan is about ten meters away from himself. Then Yanling and Li Ruolan swim over. After all, Li Ruolan grew up in Yunv village, and the water quality is not bad.

The water is getting higher and higher, leaving only the last half meter.

"Listen, listen! "Yang Yu took the flashlight, stroked the two women in front of him, and said," the entrance is just below here. You can find it by touching it straightly. Li Ruolan, you're good at water. You're the first to go. Yan Ling is the second. I'm behind you. "

Yan Ling's eyes are red.

"I can't do it." As soon as Yan Ling thought of the long gap, so far away, he knew that there was only one possibility when he went in, that was death.

Others say that if you die, you'll die. Now you're in a desperate situation.

Everyone knows it, but no one dares to say it. Once it is said, the only light of life will go out.

"I'm here, I'm here." Yang Yu presses Yan Ling back and leans on his shoulder. This time, Yang Yu sees Yan Ling crying for the first time.

The minutes before death were really hard.

I know I'm going to die, and I want to catch a straw, but I can't catch it. Fate, a powerful and sacred thing, has been pushing you forward.

This kind of fear, everyone will experience, sooner or later you will experience.

The water had reached their faces, and the three were about to breathe with their heads on their sides.

Breathe the last bit of air, probably never again.

It's good to be alive, Yang Yu sighs.

Finally, the time of parting came. Li Ruolan took a deep breath and was the first to dive into the water.

"You can do it!" Yang Yu's eyes were red. Yan Ling nodded, took a deep breath and went down. At this time, the flashlight touched the water, short circuit, out.

Suddenly, it was dark. After Yang Yu breathed his last breath, the tomb was completely submerged. The three men felt the cliff and looked down.

Li Ruolan was the first one to touch the cave. Knowing that it was impossible to turn back, he went in and swam forward desperately by touching the wall of the cave. The only lucky thing is that the counter current is gone. It's like diving under normal water. There's not much resistance.

It's just that the water pressure is very heavy, pressing on the chest.

Yan Ling is behind, much slower than Li Ruolan in speed. The only thing that makes her happy is that she can feel that Yang Yu is right behind her and let her understand that she is not alone.

However, what made Li Ruolan flustered did not expect that there was such a long distance from the entrance to the crack.

When Li Ruolan arrived at the crack, he found that his suffocation had reached the limit, but the crack was so long, there was still a long way to go after the crack, how could he get through it? Li Ruolan was struggling in her heart. What should she do? What should I do? Survival instinct scared, Li Ruolan or side body, squeezed into the flat gap, move forward a little bit.

However, holding breath has reached the limit.

The water quality of Yanling in the back is much worse than that of others. After half a swim, she can't

swim any more. But Yan kept breathing, but she didn't even know she wanted to swim. This gas didn't vomit two mouthfuls, the water came in from the nose, immediately choked Yan Ling.

Yan Ling knows that his life is coming to an end, and he can't swim that far.

Recalling a lot of the past, I put it in my mind like a movie. I have been practicing martial arts, exorcising demons and beheading demons since I was a child. I have experienced a lot of hardships and done a lot for the people. Why? Why, after doing so many good things, God doesn't care for himself at all.

No family, no boyfriends, or place, will die!

God, it's not fair!

Yan Ling's eyes began to be full of blood, and he couldn't help holding his breath to the limit. He was about to open his mouth instinctively to drink water.

All of a sudden.

Suddenly, a mouth, a powerful mouth, closed his mouth. Yan Ling instinctively breathed in. She knew that this was Yang Yu's mouth. Yang Yu gave himself the only oxygen in his mouth. Then, Yang Yu pushed Yanling forward. Yanling came back to life again and swam forward.

However, behind, there is no Yang Yu's breath.

Yanling wants to shout, but she can't. the tears in the corner of her eyes are mixed with the rain. She knows that Yang Yu may not be able to catch up with him. She just sucked too much and took away all his oxygen. Yan Ling is dying of pain. Now the only thing she can do is to swim forward and follow Li Ruolan's footsteps.

Yang Yu was trapped in the cave, not because he couldn't hold his breath. Yan Ling took a breath. He was really hurt, but he didn't reach the limit. He could still struggle a few times. He nearly hit the rock with a bang, which made him unconscious.

He shook his head and told himself to be sober and live. Who can imagine that you may be in a warm blanket, but some people are struggling to survive in a flooded cave.

Fate, this invisible thing, makes everyone take a completely different road.

Yan Ling finally swam to the gap, which was the biggest limit she could swim to. She really couldn't afford the gap. She couldn't breathe enough. The gap was so long, and she knew how she had come before.

Yan Ling doesn't know what happened to Li Ruolan? Have you already swam out? Have you survived? Yan Ling squeezed into the flat gap, do you know what Yan Ling is most afraid of now? It's not death, it's seeing the front suddenly touching, touching Li Ruolan's body.

That's more terrible than death. That's the last hope of survival in my heart.

Yan Ling moved forward a little bit, and her heart was crying.

Li Ruolan, are you alive? Or dead? I don't know, maybe the corpse has gone with the current, maybe it has gone up along this line of sky!

Yan Ling didn't go long. She felt that she couldn't hold her breath. The last breath Yang Yu gave her was exhausted.

To the limit, eventually opened his mouth, suddenly, the rain along Yan Ling's throat, nose rolling away, immediately, Yan Ling choked. This time, no one will save themselves! How Yan Ling didn't want to die here.

At this critical moment, suddenly, a hand seized Yan Ling.

Yang Yu's head was hit for a while, and his head was dazed. He had been following Yan Ling. As a result, he didn't know where Yan Ling had gone. He rushed to catch up, but there was no shadow. Yang Yu's swimming speed is very fast, soon or to the gap.

Yang Yu is more flustered and afraid than anyone else. He touches the bodies of Li Ruolan and Yan Ling.

Yang Yu sped up and squeezed into the gap, then moved forward. But the gap is very long, and Yanling takes a breath away. I still can't hold my breath. I've spent too much time all the way. Originally, with his wateriness, I still hope to go through the gap. But now, it's the limit to be here.

Just when Yang Yu felt the limit, he instinctively wanted to breathe, wanted to swim to breathe, but this swim, suddenly did not move.

Turn around, fuck! Yang Yu roared out in his heart, and the sword got stuck in the gap. The gap is flat. It's hard for people to get by, not to mention the sword. If the position of the sword is not correct, it's stuck.

If you really don't die, you won't die. You know, if something happens at such a critical moment, you should throw this sword. Why didn't you expect it?

Now, even one second is life.

Yang Yu couldn't even afford a second. He was stuck by the sword and pulled it up. It's not bad that he

didn't pull it. With this pull, the sword got more tightly.

"Fuck, fuck!" Yang Yu roared in his heart.

Now it's stuck, and even can't turn over, so I have to pull the sword rope and take it off. But because the position of the person is very inclined, it's hard to take it off. This way, Yang Yu wasted several seconds. What's more, he's still angry.

Yang Yu has been suffocating to the limit, a mouth opened, the rain rolling away, choking Yang Yu's viscera almost spit out.

You're stuck here? It's too unfair.

Yang Yu's hatred is still untiing the rope. He wants to throw the sword away, but it's too late. Yang Yu's heart is confused and numb. The rope that was easy to untie can't be untied. Yang Yu is flustered. The more flustered he is, the more simple things can't be done well.

At the end of his life, Yang Yu suddenly felt that something was swimming by.

It can't be Li Ruolan and Yan Ling. There can't be other people here, let alone sharks. Are they zombies?

It's worse than worse!

Yang Yu tugged at the rope. In the water, he couldn't use his strength. He didn't know what the rope was made of. He just kept pulling it! Yang Yu is in a hurry.

At such a critical moment, suddenly, a mouth towards Yang Yu's mouth, sealed him. Yang Yu instinctively took a big breath. In the dark cave, Yang Yu didn't know that the man was water, but he consciously told him that this man was a woman, not Li Ruolan or Yan Ling.

Is there anyone else here?

Yang Yu was surprised. The woman shuttled around Yang Yu like a fish. Then she pulled down the sword and pushed Yang Yu up. Yang Yu's whole body rushed up.

Yang Yu looked up and saw the light, and hurried upstream.

All of a sudden, the water rushed out.

"Yang Yu? Here, here!" Li Ruolan and Yan Ling are next to each other. Both of them rush towards Yang Yu and are very excited.

"We are saved!" Yan Ling has tears in her eyes.

It turns out.

When Li Ruolan was about to choke to death, he instinctively wanted to breathe out and go upstream. Then he remembered that the gap was very high. He couldn't see the bottom. He didn't swim up for long. When he found that there was light, he grasped the speed and went up. Finally, he suddenly rushed out of the water and was already outside.

It's already light.

I didn't expect that it was myself that led to the outside.

You can imagine how deep the gap is. Li Ruolan looked up and saw that it was still a big gap, far away from going out. It was covered with moss and trees, coiled together. Looking from the outside, he couldn't find it at all. There would be a gap here. Although it still can't get out here, there's air at least. Just wait for the water to return. Li Ruolan didn't expect that he could survive, so he was excited immediately. But he thought, bad, Yanling and Yang Yu haven't gone out yet, so he swam down again. He happened to meet Yanling and pulled Yanling up.

The second time into the water, but did not find Yang Yu.

Just as he was about to continue to drill into the bottom of the water, Yang Yu also rushed out.

The three are reunited.

Li Ruolan and Yan Ling pounce on Yang Yu's arms, sobbing. Yang Yu hugs them tightly, but looks down at the bottom of the water, thinking: there are still people below, no! I have to save her.

"I'll go down again, you wait for me!" Then he gave the sword to Yanling. And into the crevice of the water.

This time, at dawn, something could be seen under the water.

"Who is the woman who saved her life just now? I think I saw it when I first entered the mausoleum. Is she trapped here, too? I have to go and save her" Yang Yuxin thought, continue to go toward the bottom of the gap, to the bottom of the water, a dark.

Nothing.

But suddenly, he saw a little light.

Just at the intersection of the crevice and the entrance of the mausoleum, he vaguely saw a woman. She was naked, but she was glowing like a firefly, like a mermaid. The mermaid is watching Yang Yu there.

It's her. It's a woman.

Yang Yu felt that he didn't see dazzling eyes. This woman had seen her once before, and then he was dizzy until Ruolan woke up.

The woman looked at Yang Yu, and Yang Yu looked at her, too. They are about ten meters apart.

They looked at each other for a while. The woman turned around and swam back towards the tomb.

"Don't go!" Yang Yu wanted to shout, but he couldn't, thinking: is she so good at water? Is it a fish? Consciously tell Yang Yu that she's OK and won't die.

But who is she? Is it a human or a ghost? Alive or dead?

All this puzzles Yang Yu like a riddle. Of course, Yang Yu can't get into the hole any more and watch the light on the woman disappear little by little. At last, there is only darkness left.

Yang Yu climbed out with his own strength, and then happened to meet the villagers. He took the rope and rescued Li Ruolan and Yan Ling.

What a surprise last night.

Li Ruolan and Yan Ling naturally went back to take a bath and go to bed, and ordered that they should not tell anyone about the tomb. Yang Yu also went back to take a hot bath, changed his clothes and had dinner. Without a rest, he went to the village committee first and had classes.

"Village head Yang, I didn't flinch last night, but I called someone to save it. But it was all submerged. The oxygen tank was delivered this morning. I thought," Zhao Hai said all the time.

"It's OK. You're right." Yang Yu simply back a few words, and did not blame Zhao Hai meaning, continue to say: "did you find traces of zombies?". "

" no, I didn't find many places. "Zhao Hai said:" can we be too sensitive? This matter of deceiving the corpse will appear as soon as it appears. "

"Check all the places in the village where the coffins are stored, the cellars." Yang Yu said.

It's better for us to think too much, Yang Yu thought, but we have to prevent it.

But after a day's search, if there is no sign of zombies, the villagers begin to relax. Once they relax, something will happen.

Yang Yu was so sleepy after class that he went to sleep in the attic of the back room of the school.

It's getting dark and the students are back from school. Lin Zhiyu and Zhang Ziru also went back to the dormitory, fighting and playing.

"It's so boring. Find something to play with!" Lin Zhiyu has finished his homework and has nothing to do.

"Principal Yang said, there are zombies outside. Don't run around. Stay here honestly." Zhang Ziru said that she had finished her homework. She was timid. She was scared to death when she heard that there were zombies outside, and her legs were soft.

In fact, zombies happened in the village, which is not a strange thing to hear. From 1995 to 1996, there was a vampire incident in Cangnan, Wenzhou. Many Wenzhou people may still have an impression of that incident. At that time, the city was full of wind and rain, people were in a panic, and they were all banned from night.

Later, the incident was confirmed that a person came out of the drug treatment center. He was addicted to drugs and bit people whenever he saw them.

But who knows the truth?

"I know, principal, do you like him? I heard that he went upstairs to sleep with us. Ha ha Lin Zhiyu complacently teases the way.

The other roommates also followed suit. The girl students of grade one in junior high school like to make gossip.

"Oh, Zhang Ziru likes Miss Yang." This roommate coaxes together, when that time any gossip, the whole school will know.

"You" Zhang Ziru was so angry that he stamped his feet.

"Why don't you tie her up and send her upstairs to school president Yang? Ha ha Lin Zhiyu knew how to make noise.

Right now, it's only half past eight. But after the night ban in Yunu village, it's more quiet than ever! Like a village without life, it seems to be a desolate village.

Yang Yu also slept like a pig, so he was really tired. He didn't sleep during the day, so he slept until midnight.

Midnight, school, quiet, students, teachers are also sleeping. There are no lights in the whole teaching building.

All of a sudden.

Suddenly, in the ancestral hall under the south side of the school, a coffin slowly moved, and finally a person jumped out. This is not a person. He is rotten all over, his face is rotten, his eyes are hanging outside, his eyelids, nose and lips are gone, which is quite disgusting.

It's really a zombie, Mr. mu.

The zombie sniffed around and jumped in the direction of the school.

The students in the dormitory still don't know, they are still playing, and they don't know that the crisis is coming towards them step by step.

It's true that this ghost can be distinguished by the invisible things like Yang Qi, but zombies are not. After all, it's a corpse virus infection. It's bacteria and viruses that act on it. Bacteria and viruses have their own sensory abilities, which are much stronger than zombies.

To put it bluntly, it means that bacteria or viruses are looking for hosts that can make them live and reproduce. So, it's very sensitive to living organisms.

Zhang Ziru was dazed and awakened by a stream of urine. Looking outside, it was dark. Looking at other people, they all slept soundly.

"Xiao Yu, go to the toilet with me?" Zhang Ziru pushed Lin Zhiyu, who was in the next bed, and said.

"Leave me alone." Lin Zhiyu said faintly.

"There are zombies." Zhang Ziru replied in fear.

"What? Just pee in the back. Don't go to the teaching building." When Lin Zhiyu finished, he continued to sleep.

Zhang Ziru pushed a few times, Lin Zhiyu ignored, wiped his hazy eyes, looked at the dark outside, a little afraid to go out. The toilet is on the other side of the teaching building. After all, it's far away. Anyway, there's no one at midnight. Just pee outside, Zhang Ziru thought.

Zhang Ziru put on slippers, eyes or hazy, careful to go out. There was silence and darkness outside.

Zhang Ziru looked at it, nothing, but he was still flustered.

"Where to pee?" After all, Zhang Ziru is a girl in the first grade of junior high school. She pees here directly. When her roommate finds out tomorrow morning, she will definitely be laughed. So she turns a corner and walks towards the back of the old house, ready to pee in the back.

Zhang Ziru went to the afternoon room and looked around. He didn't see anything, so he took off his trousers and squatted down. He peed happily, and the urine gushed out.

But at this time, a man appeared behind Zhang Ziru.

In fact, this man has been standing here all the time, because he can't move, he has no vitality, it's dark, Zhang Ziru didn't see it for a moment.

The man sniffed through his gaping nose and sensed that there was a man in front of him. With a slap, he took a step.

"What sound?" Zhang Ziru was puzzled, but when he heard it, there was no more. So he looked at both sides, and he didn't see anyone.

At this time, the zombie in the back jumps to Zhang Ziru again.

This step, Zhang Ziru heard clearly, heart suddenly fluttered, slowly turned his head, saw a zombie toward himself.

"Ah!! "

a scream rang through the whole Yunv village.

Yang Yu wakes up like a dream!

"Zombies?" Yang Yu immediately realized the problem and rushed downstairs.

He saw, saw Mu old zombie, is toward Zhang Ziru, and Zhang Ziru squatted on the ground, even pants have no time to wear, the whole person has been scared silly, wood like a chicken.

See, that zombie will bite toward Zhang Ziru, this bite, Zhang Ziru will also become a small zombie, that is really heinous.

What to do? Zhang Ziru was so scared that he didn't know how to escape.

## **Chapter 448**

At this time, Yang Yu directly pulled down the railing of the stairs, which was a big board. Two steps on the past, from the back of a loud shot in the past.

In this shot, the zombie was motionless! Although the old Mu zombie is as thin as firewood, it looks very

weak, but when the big board is patted on him, it's like a stone sinking into the sea, and there's no response. This shot seems to make the zombie angry. He stops and shouts at Yang Yu. It seems that he has found a better host than Zhang Ziru. Let him be very excited.

When the zombie jumped up, Yang Yu found that he had jumped so high, but the speed was not slow at all. In the twinkling of an eye, he was in front of Yang Yu.

"Zi Ru, run! "At present, Yang Yu has only one idea, that is, to protect Zhang Ziru first.

Zhang Ziru was this shout, finally reacted to come over, pull up trousers, run toward dormitory. The zombie ran away when he saw the meat and spilled all his Qi on Yang Yu. Regardless of everything, he bit at Yang Yu. Although it was such a simple bite, it was very fast. Yang Yugang almost lost his mind because of Zhang Ziru. He leaned down and his mouth passed Yang Yu. With a snap, he bit on the board of the stairs. Suddenly, the stair board was bitten off.

Yang Yu has no village iron in his hand and no tools to fight back. The clap of wood just now didn't hurt him at all. Ordinary attack is useless to him. He must burn it with fire.

But where is the fire?

Village committee.

In order to deal with the zombie, Yang Yu had been ready for a long time. He prepared gasoline just to deal with the zombie.

"Come on, come on, asshole! "Yang Yu took the gas to the village committee to seduce him.

The zombie was obedient and chased Yang Yu.

At this time, some villagers heard the scream and got up.

When I saw a zombie chasing Yang Yu, I was so scared that I woke up more people.

"Get the gas from the village committee! "Yang Yu cried to some villagers.

Zombies, of course, don't understand people. They just bite when they see people. It can be found that Yang Yu runs fast and can't catch up. At this time, a village woman just wakes up and goes out to check what happened. The village woman's skin was white and tender, and she wore underwear. Before she could react, the zombie turned to her.

"Ah! "The village woman was so scared that she went to close the door. At the same time of closing the door, the zombie had already hit it.

The village woman was so shocked that she yelled: "husband, husband, there are zombies! "But her

husband sleeps like a pig. It's so noisy outside. Zombies break into their own house. How can he sleep?

The village woman is supporting the gate with her sucking strength, but the zombies have more strength, and they can't stand it.

Yang Yu cried in his heart.

"Village head, here comes the gas! "At this time, a villager came over with a barrel of gasoline from the village committee. Yang Yu took the gasoline and ran to the zombie.

What a mighty man!

School teachers, students, as well as some village women, girls looked at from a distance, not surprised exclaimed.

The villagers wait and see from afar, and they don't have the courage to approach zombies. They all say zombies are powerful and invulnerable. The most terrible thing is that they will bite people. Once they are bitten, they will become the next generation of zombies, which is extremely terrible. Who dares to touch such things? Don't you want to die?

But Yang Yu has to come forward. First, he is the head of the village. As the head of the village, he wants to serve the people. Second, he is the headmaster and must protect his students. Third, he is a man. If a man doesn't fight, will he let women go?

Bang, the zombie still knocked open the door.

I saw that the village woman was rarely dressed, and most of her thighs and steamed bread were exposed. At this time, life was important, and Yang Yu didn't care where to pay attention to the image.

"Beast! go to hell! "Yang Yu picked up the gasoline and spilled it on the zombie.

Hiss!

The zombie smelled the smell of gasoline, it seems to feel the harm of this thing to him, but now, his whole body has been sprinkled, how to do?

Yang Yu had already started to light the match, but at such a critical moment, the match could not be lit.

The zombie seems to feel the crisis. The villagers glare at him from a distance, and he is sprinkled with gasoline. Yang Yu is lighting the fire again! Suddenly, the zombie was scared and jumped out.

"Light up! Burn him! "Cried Yang Yu.

At this time, some villagers lit torches, lighters, matches and threw them at the zombie. But the

Zombie's speed is very fast. The most important thing is that he can jump very high. As a result, he jumped directly onto the roof. Now, the torch can't reach him.

Yang Yu was so angry that he chopped his feet.

"Don't let him run! "Some villagers yelled and chased the zombies.

Zombie several super high jump, a roof of the jump in the past, and finally toward the north mountain, and finally disappeared.

"Village head, what should we do? This zombie is too fast to catch up! "The villagers breathlessly reflected. Yang Yu was angry. If his match had been lit just now, he might have burned him to death. He ran away under his nose. How could he hate it.

"I don't think he's going down the mountain tonight. Go to Beishan and get a sentry. Send someone on duty at night. "Yang Yu said.

Then the villagers will do it.

When the zombies disappeared, the villagers went back to their houses to sleep again, only to close the doors and windows more tightly.

"Are you all right, sister-in-law? "Yang Yu came back to look at the sister-in-law who was scared to pee her pants just now. She was plump and tender skinned. Her underwear seemed to have been torn in half, and half of her buttocks and steamed bread were exposed outside. Spring suddenly appeared.

"Sister Xu, is that you? "If you look carefully, isn't this sister-in-law Xu, one of the three most beautiful young women in the village? Last time I came to find myself and asked for something to do, Yang Yu didn't give it. Later, he didn't come. It's not that Yang Yu doesn't want to give it. It's just that Xu's family conditions are not bad. She just wants to give opportunities to more people who need help.

Seeing that Yang Yu was looking at her body, she was a little embarrassed. Her face turned red, and she said quickly, "I'm ok, I'm ok. "Then he quickly covered the white steamed bread with his hand.

"It's OK. "Yang Yu said, nodded and was ready to leave.

But Zhang Ziru was scared. When Yang Yu came to see her, she was still hiding in the quilt. When she saw Yang Yu coming, she threw herself into Yang Yu's arms.

"It's OK. It's OK. The teacher is here. "Yang Yu stroked her hair and comforted her.

Seeing this scene, Lin Zhiyu began to hurt others again, which made other people laugh. It was only after Zhang Zisi's smile was relieved that the atmosphere was relaxed.

After a long sleep, Yang Yu is in a good mood. At night, he let the villagers go to sleep and go to the sentry gate of Beishan to watch the night.

There are two small entrances to yunu village. One is the road to Beishan, which Yang Yu had before he became the village head. Because all the people who come to the village, the road to Beishan is the only way. Considering the safety of some people, such as strangers, the village has set up a small entrance to ask more questions. At the same time, there is an incandescent lamp, which can also be regarded as a street lamp.

Then there is a little mouth in the west, which was set up by Yang Yu to prevent Heishan's grandfather from going down the mountain. Now Heishan's grandfather is dead, so it is removed.

Yang Yu has been on duty all night. Just now, villagers, village women, teachers and students all saw his brave performance in dealing with zombies. In private, they all praised the village head for his dedication, and more girls and students showed their admiration for Yang Yu.

I went to Beishan to look for zombies, but I didn't even have a shadow. I don't know whether I went to other villages or hid.

However, zombies will be hungry, hungry is a kind of instinct, hungry want to find food, sooner or later will enter the village to bite. Therefore, the village is still flustered. Yang Yu just hopes not to go to Zhao Yingjie's village, which is even more dangerous.

In recent days, Yang Yu has been discussing how to catch zombies in the village committee. Villagers often come to consult about zombies, which makes Yang Yu speechless.

Just like the original perverted murderer, if you don't catch it, you will be restless.

However, this zombie, even if it does not appear, let the villagers' heart of defense also slowly dissipate, but when the zombie will appear, no one knows.

This day, Yang Yu had no class in the afternoon and was alone at home.

There are guests at home!

"Is Yang Yu here?" Yang Yu was chatting on wechat in the attic. He heard someone shouting downstairs.

Yang Yu pokes out her head from the attic on the third floor and sees sister Xu walking up to the second floor with a basket of eggs. She just looks up and sees Yang Yu.

"Sister Xu, why are you here?" Yang Yu said that she was going to go downstairs, but she found that sister Xu took the lead and climbed up the wooden ladder first. Yang Yu had to get out of the way.

Mrs. Xu put the eggs down, looked at the attic, especially the painting on the wall, and immediately attracted Mrs. Xu.

"Why did you come here, sister-in-law." Yang Yu looked at the eggs and said. Now in this world, native eggs are very precious food.

Mrs. Xu responded and said with a smile: "last time I was attacked by zombies, thanks to you for saving me. Mrs. Xu doesn't know how to thank you." At first, Mrs. Xu had a bad impression on Yang Yu. The village women were talking about his big guy and strong ability in some aspects. After listening to this, Mrs. Xu felt that Yang Yu was not a good man.

But later, I saw Yang Yu do so many things for the village, and I saw him several times. He was sincere, kind, and helpful, so I had a better impression on him. But last time I went to the village committee to find him, hoping to help me find something to do. Who knows, I couldn't ask for it, so I asked myself to make a promise. Immediately, sister Xu was angry, and her impression of Yang Yu dropped to ice I think this man is human face and beast heart.

But a few days ago, she was attacked by zombies, her husband was asleep, and the villagers were watching from afar. Only Yang Yu rushed over, beat back the zombies and saved her life, which made sister Xu's impression of Yang Yu better again. So, this time, naturally, she came to thank him.

"I'm the head of the village. It's my job. Yes, Mrs. Xu is very polite." Yang Yu changed his previous mischievous style and spoke seriously. As a matter of fact, all this talk is to look at people and talk nonsense. If it's sister-in-law Han, Yang Yu should be serious. If it's her own girl students, she can be obscene.

This sister-in-law Xu was obscene last time, but it didn't work. Naturally, Yang Yu should be more sincere this time.

"Look what you said, you have done so much for the village, and everyone is not blind." She said with a smile.

When they chatted like this, the embarrassment was swept away.

"The layout of your attic is quite scholarly. You are really a scholar. Especially this painting and this poem have a good charm." Sister Xu is fascinated by that painting, and seems to have a kind of courage to catch some women's hearts.

"My friend left it here, and I have to return it the next day." Yang Yu said with a smile, "sister Xu, please sit down first. I'll go downstairs and pour you a cup of tea."

Yang Yu still wants to hold Mrs. Xu. Anyway, her aunt and cousins are not at home now. Mrs. Xu is a beautiful young woman with a lot of femininity, which is more tasteful than those women in the spring paradise nightclub. This one is pure natural, and those nightclub people are all post-processing, with acting skills, which is not real.

Mrs. Xu thought, anyway, it's still early, and she's OK. If you stay a little longer, you'll stay a little longer.

Yang Yu poured the tea. When he came to the door, he saw Mrs. Xu's white thigh and a big buttock. Suddenly, he had evil thoughts in his heart.

"Mrs. Xu, drink tea! "Yang Yu personally handed the tea up:" a little hot, just a moment. "

While the tea was cold and Mrs. Xu was pondering over the painting, Yang Yu secretly took out some aphrodisiac from the drawer and put it into the tea. After a while, when the tea was cooler, Yang Yu quickly handed it over and said, "Mrs. Xu, have tea. I'm really sorry about last time. In fact, "br >

" is OK. "Of course, sister-in-law Xu won't care about that.

Yang Yu looks at Mrs. Xu drinking the tea, and her heart goes up to her throat. I don't know if this tea will make Mrs. Xu Sao angry.

"Sister Xu, your husband can really sleep. That night, he could sleep so dead." Yang Yu deliberately found a topic to talk about, delay time, in case Xu sister-in-law back, it's not good.

"Don't mention that my family took dead pigs. He was very angry that night. "Mrs. Xu now remembers that her lungs are still blown up.

They didn't expect to have a very happy chat. Unconsciously, the tea had been drunk, and sister-in-law Xu had a reaction. At first, she didn't pay attention and didn't care. But later, she felt more and more wrong. Of course, she didn't think there was a problem with the tea party."Sister Xu, are you sick? "Yang Yu also pretended to be ignorant and asked.

Yang Yu has been observing the subtle changes of Xu's sister-in-law, from her face turning red, to her chest undulating, to her legs tightly closed, and finally to her lips drying. But even so, Yang Yu still does not dare to mention too sensitive topics.

"No, no, I have something else to do. I'll go back first." Mrs. Xu found her body's abnormal reaction and didn't care. She thought it was just a little bit exciting. But suddenly, the fire became more and more fierce. Suddenly, the fire suddenly surged out of her body. She couldn't stop it. She was scared. If she had a spring in front of Yang Yu, how shameful it would be.

If you don't want to go, sister-in-law Yang!

Of course, I want to stay. What's the reason? Yang Yu is very anxious.

But at this time, Mrs. Xu stirred it up. It's really strange. Maybe the attic is too narrow, so there are always people who accidentally trip. My third sister tripped here, and my cousin tripped here. Is it a coincidence? Sister Xu tripped in the same place.

Moreover, this trip all pounced on Yang Yu.

Each time, Yang Yu pours back into the bed, and sister-in-law Xu presses Yang Yu.

This scared sister-in-law Xu a lot. This is her second time lying on a man. The first time it was her husband. But what sister-in-law Xu never dreamed of, lying on Yang Yu feels completely different. All these are hormones playing a role.

Looking at his sister-in-law's face for a long time, Yang Yu was not surprised to see her face turned red.

What's the matter with you? Sister Xu was a little afraid.

This summer, the two people wear less, although across the clothes, but between the skin, also separated, Xu sister-in-law's steamed bread, Yang Yu erect big corn, can obviously feel each other. Mrs. Xu's blushing was a muddle.

The atmosphere suddenly called it an embarrassment.

Mrs. Xu got up in a hurry, turned around, turned her back to Yang Yu, and dared not speak.

At this time, Yang Yu took the opportunity to close the door and said euphemistically, "isn't Mrs. Xu going to stay more? "

" no, the father is coming back soon. I have to go back to cook dinner. " Xu said softly. At this time, if Yang Yu still let Mrs. Xu go, it would be too sorry for the aphrodisiac.

After a while, sister-in-law Xu said, "it's very convenient for me to stay at the back of her, because I'm tired."

Mrs. Xu was originally cuddled by Yang Yu, so she was sensitive and uncomfortable. When she wanted to break away, she heard Yang Yu say that she was very tired, and suddenly she was sympathetic. Thinking about it, Yang Yu was the village head again. She had to take care of the village, the headmaster and the school teacher. She was the only male in her family. She had to take care of her family and business. Can she not be tired?

After all, Mrs. Xu is several years older than Yang Yu. When she heard this, she naturally became maternal. She quickly turned around and said with a smile, "well, if you want to rely on her, you can rely on her. "

when Yang Yu heard that Mrs. Xu was intrigued, he was secretly pleased and hugged her face to face.

Now that he held her tightly, Yang Yu's hands became irregular and touched her buttocks. Of course, Mrs. Xu knew that Yang Yu's touching his buttocks was intentional and flustered, but she felt comfortable.

Yang Yu saw that she didn't have much reaction when she touched her buttocks, so she was more bold. She touched her chest and grabbed her steamed bread.

Mrs. Xu trembled instinctively, reacted immediately, and said in a hurry, "don't touch it. "Yang Yu saw that Xu said so, but his hand didn't stop him. Knowing that there was a play, his action became bigger.

Mrs. Xu was already in the air. After taking the aphrodisiac, she was hugged and resisted by Yang Yu. Now she is touched there. How can she bear it?

.....

At dusk, Yunv village is still very beautiful.

That sunset blood red, dyed red Yunv village, like a girl's red fall.

"Yang Yu?" Suddenly, the aunt came back downstairs, shouting at the attic.

This cry, will Xu sister-in-law and Yang Yu are pulled back from the dream, has heard the voice of the little aunt on the attic, Xu sister-in-law immediately anxious, if Yang Yu's little aunt saw himself and her nephew doing this kind of thing in the attic, it is really want to die heart.

Yang Yu is also anxious. If she is a single girl, she can cheat her aunt. But this woman is Xu's sister-in-law and other people's wife. How can she cheat her.

My aunt walked really fast. She quickly climbed up the stairs and pushed the door in without knocking.

"Ah? You're here, sister Xu. Why are you there?" My aunt was very surprised. When she looked at them, her expression was very strange, and her appearance was also very strange. Yang Yu's heart that hate, this door lock is broken for some time, has not been repaired, can't lock people, in the countryside, generally don't lock, no one steals.

When Yang Yu saw that his aunt looked at them like this, she would have been wrong about eating. She quickly grabbed the topic and said, "sister Xu is here to thank me for saving her last time. Look, I'm so sorry for bringing so many eggs here. "Yang Yu picked up the egg and handed it to my aunt.

As soon as she saw it, she immediately laughed and said, "Oh, sister Xu, it's time for Yang Yu to do that. How can you be so polite? "

in fact, Mrs. Xu's body has not fully recovered from the pleasure. She can only smile awkwardly and say for a long time," yes, yes. Without Yang Yu, I may be a zombie now. "

they finally fooled my little aunt. They were relieved. Mrs. Xu looked at Yang Yu and saw that Yang Yu was looking at herself. Suddenly, she blushed and was in a mess. She wanted to find a place to go down, but she was attacked by Yang Yu.

When Yang Yu and the patrol were ready to go back, a villager from the next village came back to report.

"Village head Yang, a few days ago, when I came back from Lihua village by night, I met a strange man. I didn't pay attention to him at that time. When I heard that you were making zombies, I suddenly realized that what I met that night was definitely zombies." The villager said foolishly.

"How can such an important clue be reported now?" Yang Yu is anxious.

"Ha ha, I thought it was human! Today, the more I think about it, the more wrong I am, so "the villager is still smiling foolishly and touching his head, very simple and honest.

I don't know whether it's honest or stupid.

"Then why didn't the zombie bite you? "Zhao Hai added.

"I don't know. I just went by myself, and he didn't chase me." When the villagers think about it now, they feel how dangerous it was at that time. If I had bitten at that time, it would be two zombies now.

"Where did you see him?" Yang Yu asked.

"This is in front of the third fork in Lihua village. "The villagers returned.

Yang Yu and Zou frowned and felt uneasy. He thought to himself: haven't you heard of zombies in Lihua village recently? There is also a road leading to Zhao Ying and teacher Fu's village. Will it go there?

"Mr. Yang, what should we do now? Shall we go on patrol? "Asked Zhao Hai.

"Every village doesn't talk about zombies. It's estimated that they are hiding. This area is too large for us to find. It's very late now. Let's wait for the day and let the villagers pay more attention to that area."

Yang Yu said. And they were scattered. Yang Yu looked at the East, but worried about Xiaomei and Zhao Ying.

It's not so bad luck. It's just their luck, right? Yang Yu muttered in his heart.

Old Mu zombie is lying on the window, looking at Zhao Ying's bedroom. The corpse poison is soaking in the blood water, emitting bubbles, and the green mucus on his mouth is constantly flowing down, dripping on the board, making a hissing sound. Mu old zombie looked for a long time, but there was not much reaction. At this time, he heard the sound from the second floor, and went to the second floor.

Zombies are stupid and smart. They follow certain rules. This jump, jump on the wooden ladder, actually jumped on the second floor. The boards on the second floor made a thump.

Xiaomei fell asleep quickly. She didn't hear any sound at all, but Zhao Ying downstairs raised her ears.

The door creaked open. Xiaomei didn't lock the door.

Night, dark, quiet.

The room is very small. Xiaomei is snoring in her bed. She doesn't know. There is a person standing in front of her bed. No, it's a zombie.

The old Mu zombie stood by Xiaomei's bed, sniffed left and right, and fell down, smelling on Xiaomei's body. But Xiaomei doesn't know. Suddenly, Mu old zombie toward sleeping Xiaomei bit down.

Zhao Ying was woken up by the sound of it. He was puzzled, so he got up to check. He quietly opened the door and found that there was a lot of mucus beside the window, which was extremely disgusting and smelly. Although she didn't know what it was, she thought it was a wild animal, and worried about her daughter upstairs, she climbed up the wooden ladder quietly.

When he looked out of his head, he was shocked.

Zhao Ying saw that the zombie was standing in front of his sleeping daughter's bed. He was immediately flustered and at a loss. He didn't know how to save his daughter. When he saw the old Mu zombie sniffing left and right and biting his daughter, he instinctively yelled out.

"Get out of here!" Zhao Ying instantly burst out of maternal instinct, the wooden ladder climbed up, picked up the dustpan next to him and threw it at the zombie.

At this time, Xiaomei was awakened naturally. When she opened the quilt, a zombie was staring at her viciously, close at hand. Little Merton was so scared that she peed her pants. The sheets and pants were all wet. It's stupid to be there.

"Xiaomei, run Zhao Ying yelled. But Xiaomei was completely pale with fright, and her legs were numb.

When Zhao Ying saw this, he was so anxious that he didn't have any weapons around him. With Zhao Ying's mother's love, he ran into him directly. This hit, the strength is not small, the zombie was knocked down in the corner, the mouth issued hiss roar.

Zhao Ying picked up her daughter and ran out. That zombie a large piece of carrion was knocked down, half of the stick in Zhao Ying's pajamas, really disgusting.

But now Zhao Ying didn't think so much about it. He took his daughter's life and ran from the wooden ladder, which was almost his own fall. Down the wooden ladder, sister Zhao Ying yelled: "help, there are zombies, there are zombies."

But how many people are there in this village? They were old, weak, sick and disabled, and the houses were so far apart that no one heard them at all. Zhao Ying pulls Xiaomei, just rolling down the wooden ladder, the zombie has jumped up, jumped to the front of the two, and bit Zhao Ying.

Zhao Ying couldn't escape this time. She was just a girl. She instinctively put out her hands to stop her.

In this file, Zhao Ying was directly pushed to the ground by the zombie, and Zhao Ying grabbed the Zombie's neck with both hands. The saliva of the zombie trickled down from her mouth and dropped on the chest of Zhao Ying's pajamas. It was disgusting. The head of the zombie kept shaking, and the saliva splashed to Zhao Ying's cheek.

Zombie's strength is very great, but Zhao Ying's life and death is also the strength of suckling.

"Xiaomei, help quickly. "Zhao Ying's fingernails have been embedded in the flesh of the Zombie's neck. Almost all of them feel that they can touch the bones on their neck. That feeling is really disgusting and indescribable. Xiaomei finally had some sense. She saw the zombie lying on her mother's body, showing her fangs and biting at her mother's neck. Obviously, her mother couldn't resist it. Xiaomei looks east and West. She really doesn't know how to help.

Seeing the zombie bite Zhao Ying's neck, Zhao Ying is about to cry. Knowing that he can't escape, he still doesn't forget his daughter and shouts: "Xiaomei, run quickly and go to find teacher Yang."

There was a click.

A head was cut off, suddenly, black blood spray, splashed the village woman Zhao Yingyi face. Everyone is stupid, this head is not someone else's, is the head of Mu zombie, he was a hatchet cut off the head. After the head was cut off, it was still rolling on the ground, but the headless zombie was still dancing.

It was Yang Yu who came to save him.

After the patrol left, Yang Yu was always worried about Zhao Ying's mother and daughter, so he took an axe and a flashlight to inspect the area alone.

Unexpectedly, he happened to meet Mu zombie attacking Zhao Ying. When he split his head, he cut off his head and saved Zhao Ying from his body. The headless zombie was still shaking. Without doing anything, Yang Yu chopped at his chest again and opened his chest.

That headless zombie just slowly fell down, it's really terrible. Black blood, postmortem poison, mucus splashing, disgusting.

"If you are poisoned by the corpse, you have to wash quickly, or you will also be infected." Yang Yu said, putting down the axe, to find a big barrel to put in the yard.

"What are you doing? Take off your clothes quickly. " Yang Yu saw that the mother and daughter were still in a daze there. The corpse poison on the clothes was the most, so he had to take it off immediately.

When Yang Yu saw that the two were still babysitting, he couldn't see them any more. He pulled them over and said, "if you are contaminated with corpse poison, you will become zombies if you don't wash them. Do you understand? It's too late. Take off your clothes and go to the bucket. "

After hearing this, Zhao Ying and Xiao Mei were immediately afraid.

"At this time, don't talk about ethics, don't be embarrassed. "Yang Yu said, and helped him to take off Zhao Ying's pajamas.

Zhao Ying was scared just now, but now he's calming down. Let Yang Yu take off himself. Then Zhao Ying helps Xiaomei take off clean again, and they sit in the big barrel together.

Yang Yu came into the room, brought a pile of charcoal from the stove, and then sprinkled it on the two mothers and daughters.

"Wipe the corpse poison off your body with charcoal ash. Don't let it go anywhere." Yang Yu told me to come. The process of washing corpse poison is extremely complicated, and wiping with charcoal ash is an emergency treatment method. Although the effect is not so good, it can save your life. This method was told by the psychic medium last time to Yang Yu.

When the two were covered with soot, Yang Yu poured a bag of salt into the barrel, and then directly took the water pipe to wash the bodies of the two mothers and daughters.

"It should be all right. The rest of the work should be cleaned up in the daytime tomorrow." Yang Yu looked at the two naked mother and daughter, said.

Xiaomei is not shy, but sister Zhao Ying lowers her head, blushes and says, "thank you."

When they were frightened, Yang Yu helped them into the bedroom and went to bed.

"You two can rest here. It should be all right." Yang Yu said, ready to go out.

Zhao Ying and Xiao Mei went to bed, pulled the sheet to cover their body, and saw that Yang Yu was leaving. Zhao Ying immediately asked, "where are you going?" Xiaomei saw this, immediately coquetry up, said: "teacher Yang, you also come to bed with us, my mother and I are very afraid."

Yang Yu took a look at them, mainly to see the meaning of Zhao Ying. At this time, Zhao Yingbi, who needs a man, summoned up the courage to say: "you don't go."

Looking at the red face of Zhao Ying, Yang Yu thick skinned, also on the bed. Zhao Ying secretly looked up at Yang Yu, just two people look at each other, Zhao Ying quickly avoided, more embarrassed.

"Mom, just go into Miss Yang's arms. "Xiaomei said with interest, and did not forget to push her mother. All of a sudden, Yang Yu was in his arms.

Although Zhao Ying, a left behind village woman, was embarrassed, her heart was warm.

Mu Zombie's head is still on the ground outside, and his mouth is still biting, but he can't move. Yang Yu's body, which was opened by Yang Yu, somehow fell out a heart, which seems to have legs, and rolled towards the grass.

At night, peace is restored.

Zhao Ying fell asleep naked in Yang Yu's arms.

In the morning, crows are crowing.

When Yang Yu got up, he found that several crows were eating carrion, and the heart of Mu zombie was gone, so Yang Yu didn't care. We called several villagers and burned the bodies and clothes together. Then he cleaned the floor and left Zhao Ying's house.

The matter of deceiving corpses was finally over, and the villagers were relieved again.

Xiaomei went to school with Yang Yu.

"Miss Yang is a fool." Xiaomei said on the way.

Yang Yu was puzzled.

"I didn't bully my mother at such a good chance last night." Xiaomei added.

Cry! Yang Yu can only describe himself like this. He touched Xiaomei's head and said with a smile, "you're a kid. Do you want to make it up for your mother? "

"What." Xiaomei pouted her mouth and pretended to be a fool.

Yang Yu looked straight smile, suddenly, a will Xiaomei picked up, to the dense woods.

"Ah! "Xiaomei struggles with a smile and shouts," Miss Yang, what are you doing? "

"What do you say?" Yang Yu ignored her and went straight to the woods. After two struggles, Xiao Mei stopped. She said, "teacher Yang, you are good or bad."Xiaomei came out of the woods with soft legs. Her expression was very painful, as if she had been destroyed.

"Miss Yang, you are too" some words, Xiaomei really can't say.

After school, Yang Yu went to see the foundation. His country villa has already started to build the foundation. Money is good. Villagers came to help a lot, and the construction speed was very fast. Yang Yu goes to Yanling to ask if she has the magic of the living dead.

Yan Ling shook his head. He didn't hear about it.

"Yes!" Suddenly someone came out. Both Yang Yu and Yan Ling were surprised.

"Poetry?" Yang Yu was surprised. He Shiyan hasn't seen Ning caichen since he met her last time. But today, her face and temperament are very good. Is she upset?

"It worries you. I'm fine." He Shiyan said with a smile. Yan Ling is also happy for her.

"You just said there was the art of the living dead?" Yang Yu is still more concerned about this issue.

"Well, the art of the living dead is a kind of puppet art. Pudu Cihang will play this art. Before playing this art, he must empty his internal organs to prevent rot. the controlled person will listen to the playing controller. At least, I don't know what method he used." He Shiyan said.

"Wait, isn't Pudu Cihang dead? "Yang Yu asked. This old monster was beheaded by Yan Chixia just like the old one in Heishan, wasn't it?

"Yes. We did kill him back then. " He Shiyan replied.

Yang Yu tormented, heart: is the mayor of Purdue Cihang? The old monster's life is really long. It seems that he has to see him to expose his true features. If it's a monster, maybe it's better to fight.

Yang Yu and he Shiyan were on their way, so they went back together.

"I'm glad you can recover." Yang Yu said.

"Thank you. I will be he Shiyan in the future." He Shiyan no longer wears such retro clothes, which makes the villagers not look at her with colored eyes.

"Wait a minute, I'll give you the picture back!" Yang Yu knows that he doesn't need to keep it. It's returned to its original owner.

"It's meaningless to me. You can keep it as a memorial." He Shiyan returned with a smile.

"You have a beautiful smile." He Shiyan's classical beauty is innate and acquired.

"Ha ha, it's a pity that I'm married." He Shiyan also followed Yang Yu's jokes, and became more cheerful, not so sad.

"But you haven't made a bridal chamber. Do you think I don't know? Ha ha Yang Yu also joked.

"Defeated by you." He Shiyan is speechless: "by the way, be careful."

Yang Yu nodded, this sentence is careful, two people tacitly, naturally refers to the Purdue Cihang. In the attic in the evening, Yang Yu called Chen Jiani to see if he could meet the mayor. Chen Jiani has arranged this.

I didn't expect that I would end up with the mayor so soon. Although I've never met murongfei and never dealt with him, I always feel that I've been fighting. To put it bluntly, Yang Yu is a stumbling block to their interests. They need to clean up these stumbling blocks.

On Friday night, Yang Yu received a call from Chen Jiani, arranging to meet with the mayor tomorrow evening. When he goes to the Hilton Hotel, someone will pick him up.

Yang Yu didn't know whether he should go alone. He was afraid it was dangerous. He wanted to ask Yan Ling to go with him. But he thought that Yan Ling had too many exorcists, and it was easy to show his feet. Yang Yu finally decided to go alone to explore the enemy's situation.

"Are you free tomorrow? Looking for you? " On wechat, Yang Yu sent a message to Luoxi. I'll see the mayor in the evening. There must be a place to stay during the day.

"No, my boyfriend is here." Luoxi road.

"Boyfriends? When did you have a boyfriend? " Yang Yu was surprised. I remember last time I went to a nightclub with her, I was obviously single.

"A week ago." Luoxi's simple way back.

"Then I must see you." Yang Yu replied that he had been having an affair with Luoxi for a long time, and all kinds of Wen AI Tu AI phonetic AI on wechat.

Luoxi seems to be afraid that Yang Yu will meet her boyfriend in the past. So Yang Yu told Guo Yumei about it by the way.

"Don't mention it!" Guo Yumei seems very depressed.

"What's the matter?" Yang Yu asked.

"Luoxi's current boyfriend is my ex boyfriend." Guo Yumei hates this Luoxi, especially robbing her sister's boyfriend: "so be careful, you are su Xinqi's boyfriend, and you will be robbed. You men can't stand temptation. "

"I'm in town today. Would you like a drink with me?" When Yang Yu saw that she was in a bad mood, he said. Guo Yumei is the most reserved of the four young models. Last time she went to the nightclub to open a room together, she was forced to be pressed by her two sisters and asked for her body by Yang Yu.

After that, he ignored Yang Yu and hated him. And Luoxi, give her money, she will give you body.

"Yes. I haven't drunk for a long time Guo Yumei returned.

Yang Yu drove to the city. Guo Yumei lives alone and rents a house. Yang Yu bought a box of beer and some dried fruits and went upstairs. Who knows, when I opened the door and saw Guo Yumei, the girl was still in her pajamas. She looked as if she had just woken up from a dream. She didn't seem to have washed yet.

"You haven't woken up yet?" Yang Yu asked with a smile.

"The cover was taken last night. It was very late." Guo Yumei doesn't seem to have much spirit.

At this time, Guo Yuyu said, "I gave you a gift from my pocket."

Guo Yumei was stunned for a moment. She looked at it with a puzzled look on her face. She reached for it and opened it. She said, "I'm not Luoxi. Don't want to give me a gift, just let me sleep with you."

Yang Yu just smiles.

"how do you know that I love this perfume?" Guo Yumei asked. The cosmetics used by young models are all the best in the world. For them, beauty and youth are the capital.

"Guess." Of course, Yang Yu didn't guess.

Guo Yumei smiled. She really wanted this bottle of perfume, but she never had enough money to buy it. It was too expensive.

"If you give me a gift, I'll give it to you." Said, Guo Yumei picked up a bottle of beer, directly with teeth bite open: "to you." And then he started to drink.

Yang Yu usually doesn't drink much, but the wine is very good, and the amount of wine is even better.

"I'm not a gentleman. When you drink like this, don't blame me for taking advantage of you." Yang Yu joked.

"Didn't you take advantage of me?" Guo Yumei is still worried when she thinks about that night.

"I didn't go to bed with you originally, they two start to coax, especially Luoxi, she." Yang Yu feels that it's all the responsibility of Luoxi that bitch. "Yes, she's a whore. Forget about her. Drink the bar. " Guo Yumei said.

I drank a lot this time. Yang Yu looked at the time and couldn't drink any more. He had something to do in the evening, although he was also emboldened by wine.

However, Guo Yumei was obviously drunk.

Guo Yumei's eyes were blurred, two blush, and nonsense. People were unsteady, staggering, and shouting to drink.

Yang Yu had to pick her up, carried her into the room and threw her on the bed.

"You're drunk. Go to sleep." Yang Yu looks at Guo Yumei lying on the bed, sleeping in his pajamas, with a hazy face. Guo Yumei's thighs are very white and tender, and her nightdress is not neat, covering only her buttocks, but her legs are separated. Guo Yumei also giggled, looked at Yang Yu and said nonsense:

"I know who you are. You are my sister's boyfriend. Ha ha Guo Yumei is really a little drunk, and her mind is not clear. But she stood up again. Yang Yu was afraid that she would fall from the bed, so he went to help her. Who knows, Guo Yumei put her hands around Yang Yu's neck.

Yang Yucai feels that Guo Yumei is powerless, and the whole person is paralyzed on him.

"Yes, I'm Su Xinqi's boyfriend. I have something else to do at night. You can go to bed first." Yang Yu said, ready to untie Guo Yumei's hands.

At this time, he said, "I'm not allowed to rob my boyfriend? Well, today, I'm going to rob my sister's

boyfriend. "

Yang Yu, speechless, said: "you are really drunk. Stop talking nonsense. " Yang Yu had no choice but to shake his head. Normally speaking, Guo Yumei had sex with her once, although she was reluctant, and she was not a gentleman.

However, Yang Yu still has some conscience. After all, Su Xinqi is very kind to him, and Su Xinqi is such a beautiful woman, and she is always cheating on her sister behind her back. She is really sorry for her. Last time I went to the spring night club and slept with her three sisters, Yang Yu still feels guilty.

Besides, although Luoxi and Mujing are young models, they are not good bitches. Yang Yu really doesn't need to have too much relationship with such a girl. Besides, Luoxi and Mujing are all money worshippers.

Guo Yumei's mind is not clear now. It's very difficult for women to get drunk.

Yang Yu pulls away the weak Guo Yumei. Guo Yumei can't stand, so she falls on the bed. Yang Yu can't leave her like this. He wants to wait for her to fall asleep, but who knows.

Guo Yumei did too much.

Guo Yumei suddenly stretched out her hands and took off her nightgown. Suddenly, Yang Yu was silly.

Without a bra, just a pair of underpants, this one body, coupled with Guo Yumei's drunkenness, ruddy cheeks, silly smile, blurred face, and gently biting fingers, this scene makes Yang Yu's nose bleed.

Yang Yu swallowed deeply.

Yang Yu and he Shiyan were on their way, so they went back together.

"I'm glad you can recover." Yang Yu said.

"Thank you. I will be he Shiyan in the future." He Shiyan no longer wears such retro clothes, which makes the villagers not look at her with colored eyes.

"Wait a minute, I'll give you the picture back!" Yang Yu knows that he doesn't need to keep it. It's returned to its original owner.

"It's meaningless to me. You can keep it as a memorial." He Shiyan returned with a smile.

"You have a beautiful smile." He Shiyan's classical beauty is innate and acquired.

"Ha ha, it's a pity that I'm married." He Shiyan also followed Yang Yu's jokes, and became more cheerful, not so sad.

"But you haven't made a bridal chamber. Do you think I don't know? Ha ha Yang Yu also joked.

"Defeated by you." He Shiyan is speechless: "by the way, be careful."

Yang Yu nodded, this sentence is careful, two people tacitly, naturally refers to the Purdue Cihang. In the attic in the evening, Yang Yu called Chen Jiani to see if he could meet the mayor. Chen Jiani has arranged this.

I didn't expect that I would end up with the mayor so soon. Although I've never met murongfei and never dealt with him, I always feel that I've been fighting. To put it bluntly, Yang Yu is a stumbling block to their interests. They need to clean up these stumbling blocks.

On Friday night, Yang Yu received a call from Chen Jiani, arranging to meet with the mayor tomorrow evening. When he goes to the Hilton Hotel, someone will pick him up.

Yang Yu didn't know whether he should go alone. He was afraid it was dangerous. He wanted to ask Yan Ling to go with him. But he thought that Yan Ling had too many exorcists, and it was easy to show his feet. Yang Yu finally decided to go alone to explore the enemy's situation.

"Are you free tomorrow? Looking for you?" On wechat, Yang Yu sent a message to Luoxi. I'll see the mayor in the evening. There must be a place to stay during the day.

"No, my boyfriend is here." Luoxi road.

"Boyfriends? When did you have a boyfriend?" Yang Yu was surprised. I remember last time I went to a nightclub with her, I was obviously single.

"A week ago." Luoxi's simple way back.

"Then I must see you." Yang Yu replied that he had been having an affair with Luoxi for a long time, and all kinds of Wen AI Tu AI phonetic AI on wechat.

Luoxi seems to be afraid that Yang Yu will meet her boyfriend in the past. So Yang Yu told Guo Yumei about it by the way.

"Don't mention it!" Guo Yumei seems very depressed.

"What's the matter?" Yang Yu asked.

"Luoxi's current boyfriend is my ex boyfriend." Guo Yumei hates this Luoxi, especially robbing her sister's boyfriend: "so be careful, you are su Xinqi's boyfriend, and you will be robbed. You men can't stand temptation. "

"I'm in town today. Would you like a drink with me?" When Yang Yu saw that she was in a bad mood, he said. Guo Yumei is the most reserved of the four young models. Last time she went to the nightclub to open a room together, she was forced to be pressed by her two sisters and asked for her body by Yang Yu.

After that, he ignored Yang Yu and hated him. And Luoxi, give her money, she will give you body.

"Yes. I haven't drunk for a long time Guo Yumei returned.

Yang Yu drove to the city. Guo Yumei lives alone and rents a house. Yang Yu bought a box of beer and some dried fruits and went upstairs. Who knows, when I opened the door and saw Guo Yumei, the girl was still in her pajamas. She looked as if she had just woken up from a dream. She didn't seem to have washed yet.

"You haven't woken up yet?" Yang Yu asked with a smile.

"The cover was taken last night. It was very late." Guo Yumei doesn't seem to have much spirit.

At this time, Guo Yuyu said, "I gave you a gift from my pocket."

Guo Yumei was stunned for a moment. She looked at it with a puzzled look on her face. She reached for it and opened it. She said, "I'm not Luoxi. Don't want to give me a gift, just let me sleep with you."

Yang Yu just smiles.

"how do you know that I love this perfume?" Guo Yumei asked. The cosmetics used by young models are all the best in the world. For them, beauty and youth are the capital.

"Guess." Of course, Yang Yu didn't guess.

Guo Yumei smiled. She really wanted this bottle of perfume, but she never had enough money to buy it. It was too expensive.

"If you give me a gift, I'll give it to you." Said, Guo Yumei picked up a bottle of beer, directly with teeth bite open: "to you." And then he started to drink.

Yang Yu usually doesn't drink much, but the wine is very good, and the amount of wine is even better.

"I'm not a gentleman. When you drink like this, don't blame me for taking advantage of you." Yang Yu joked.

"Didn't you take advantage of me?" Guo Yumei is still worried when she thinks about that night.

"I didn't go to bed with you originally, they two start to coax, especially Luoxi, she." Yang Yu feels that it's all the responsibility of Luoxi that bitch."Yes, she's a whore. Forget about her. Drink the bar. " Guo Yumei said.

I drank a lot this time. Yang Yu looked at the time and couldn't drink any more. He had something to do in the evening, although he was also emboldened by wine.

However, Guo Yumei was obviously drunk.

Guo Yumei's eyes were blurred, two blush, and nonsense. People were unsteady, staggering, and shouting to drink.

Yang Yu had to pick her up, carried her into the room and threw her on the bed.

"You're drunk. Go to sleep." Yang Yu looks at Guo Yumei lying on the bed, sleeping in his pajamas, with a hazy face. Guo Yumei's thighs are very white and tender, and her nightdress is not neat, covering only her buttocks, but her legs are separated. Guo Yumei also giggled, looked at Yang Yu and said nonsense:

"I know who you are. You are my sister's boyfriend. Ha ha Guo Yumei is really a little drunk, and her mind is not clear. But she stood up again. Yang Yu was afraid that she would fall from the bed, so he went to help her. Who knows, Guo Yumei put her hands around Yang Yu's neck.

Yang Yucai feels that Guo Yumei is powerless, and the whole person is paralyzed on him.

"Yes, I'm Su Xinqi's boyfriend. I have something else to do at night. You can go to bed first." Yang Yu said, ready to untie Guo Yumei's hands.

At this time, he said, "I'm not allowed to rob my boyfriend? Well, today, I'm going to rob my sister's boyfriend. "

Yang Yu, speechless, said: "you are really drunk. Stop talking nonsense. " Yang Yu had no choice but to shake his head. Normally speaking, Guo Yumei had sex with her once, although she was reluctant, and she was not a gentleman.

The bodyguard came to collect Yang Yu's gift. Instead of handing it over, Yang Yu made a subtle move. He took a step forward and aimed the black mark of his left hand at the mayor's face.

"What do you want?" When bodyguard Liu saw that Yang Yu was acting out of line again, he quickly stepped forward and glared at Yang Yu. Yang Yu quickly handed the gift up. And the eyes are on the mayor.

At this time, Yang Yu suddenly found that the mayor was shivering. The Buddha beads in his hands stopped and his mouth was murmuring. He didn't know what to say?

"You'd better go. I'm embarrassed when the secretary comes." bodyguard Liu has already started pushing people.

Director Yu looked at the time, and he did not say hello to the Secretary at all. He bypassed the secretary. If he came, he would not be late to walk. So he pulled Yang Yu away. Yang Yu took a few steps, but he did not forget to look at the mayor.

The mayor suddenly opened his eyes, eyes are white, people keep shaking, mouth muttering, can't hear clearly, so it looks like a stroke of dementia elderly people. Yang Yu was still very confused. He didn't expect to see the mayor for the first time and didn't say a word.

Yang Yu watched bodyguard Liu close the door.

"Let's go separately. I don't want the Secretary to run into me." Director Yu said, and he left first.

Yang Yu a person at the door Leng for a while, thinking, see director has left alone, also toward the elevator. Yang Yu is waiting for the elevator. Director Yu has already taken another elevator. The elevator went up slowly.

The door opened slowly.

There's a man in the elevator.

Yang Han looked at each other coldly.

He was thin, sallow faced, old and sharp eyed. After looking at each other for a long time, Yang Yu suddenly found out that he had met him.

He? Is it really him?

The man seemed surprised to see Yang Yu, and Zou frowned. They looked at each other for five seconds, then avoided the view, and then changed their positions. The old man went to the corridor, and Yang Yu entered the elevator. The elevator door closed slowly. The old man turned his head slowly and looked at Yang Yu again.

Two sharp eyes collide again.

In the elevator, Yang Yu thought: is he the Secretary of the municipal Party committee? Why is it him?

Yang Yu is very accurate in recognizing people. He is confident that he can't be wrong. He has met this person. I'm just surprised. How could he be the Secretary of the municipal Party committee? Isn't he Christian?

"Someone was here just now?" "Yes, he is the Secretary of the municipal Party committee. When he returned to his room, he saw bodyguard Liu and asked.

"Director Yu brought a young man to say hello to you." when bodyguard Liu said this, his forehead was in a cold sweat. He found that he had made a mistake. Director Yu did not get the consent of the Secretary, otherwise the secretary would not ask.

The mayor's secretary looked at the mayor. Suddenly, his face changed. Bodyguard Liu was so scared that he peed in his pants. When a special forces soldier comes out, he will be scared like this by an old man!

Out of the Hilton Hotel, Yang Yu found a pile of missed calls on his mobile phone, all made by Su Xinqi.

Yang Yu thought there was something urgent and called back in a hurry.

Su Xinqi just said a few words: you come back. Tone, Yang Yu heard that his girlfriend is very angry, the

consequences are very serious, in the end is what? Yang Yu thinks about it. There's only one possibility. Luoxi's Whore must have poked her own basket.

On the way back, the car was not at ease. What excuse should I find to explain to Su Xinqi?

Su Xinqi sat on the sofa in the hall on the first floor, waiting for Yang Yu, her eyes red.

After Yang Yu came back, seeing this scene, he quickly opened the door.

"Why are you sleeping with my sister behind my back? "Asked Su Xinqi.

"I was wrong. Wife, I'm really wrong. "Yang Yu is really on his knees. At this time, there is nothing to explain, just admit it.

"I'm afraid you'll be lured away by Luoxi. She specializes in robbing her sisters' boyfriends. "Su Xinqi pouts. She's not sad about Yang Yu's playfulness. She's afraid that these men can't stand the temptation of women.

"I don't know what happened that night. Why do you go to find Guo Yumei today? "Su Xinqi continued to ask.

Yang Yu didn't expect that Su Xinqi didn't investigate the infidelity of the nightclub that night, so he felt more at ease.

"I had something to do in the city. I just passed by and had two drinks with her, that's all. If you don't believe it, ask her. I really didn't tell her, "Yang Yu is still kneeling and sincere. When asking for forgiveness, it's better not to lie and make excuses, but to seek truth from facts.

Luoxi said that when Yang Yu was cheating on Guo Yumei, Su Xinqi didn't believe it, so she called, but no one answered. She thought they were doing something at that time. At dusk, Guo Yumei wakes up and finds herself naked. When she sees the news from Su Xinqi, she knows that Luoxi has been here. But she is naked, but she can't remember whether she has had a relationship with Yang Yu again after she was drunk.

But Guo Yumei is not as cheap as Luoxi. She immediately vetoed Luoxi's words, saying that Yang Yu was just passing by to drink with him."Really just drinking? "Su Xinqi asked again.

Yang Yu raised his hand and swore, "it's really just drinking and talking about life. "

Su Xinqi believed it and said," you are not allowed to go to bed with my sisters behind my back. "Yang Yu nodded heavily, and Su Xinqi went to take a bath. Yang Yucai was relieved that it was not easy to cheat. At this time, Guo Yumei sent wechat and asked: did we have any relationship in the afternoon?

Yang Yu didn't answer directly. Instead, he told Guo Yumei what Luoxi said, and then said, "No. "

as for Luoxi's betrayal, Yang Yu wants to give her some pain, and why bother with women? Su Xinqi didn't make a scene, which is the greatest comfort. So, when Su Xinqi came out of the bath, Yang Yu held her directly and pressed her onto the sofa.

"Oh, go to take a bath first. Every time I see someone, I'm in such a hurry. "Su Xinqi hates Yang Yu's sweat.

"You have to wash it again anyway. "Yang Yu doesn't care so much, he kisses Su Xinqi on the neck.

"Oh, in the big living room, turn off the light. People will see you. "Suqi is very shy to be seen doing this kind of thing. Yang Yu turns off the light, and they sweat on the sofa in the living room. Su Xinqi is sweating all over.

Finally, Su Xinqi lay on Yang Yu's chest and asked, "have my three sisters ever slept with you? You're so good at this, I'm sure you'll come to you again. "

" what should I do? "Yang Yu touched Su Xinqi's face and asked.

"You should stand up to temptation, allow your body to derail occasionally, but don't allow you not to love me, don't allow you to derail mentally. "Su Xinqi has been the most tolerant.

Yang Yu wry smile, which man can withstand the temptation of a woman's body?

Luoxi is only interested in money, and Mujing is not a woman who is interested in her sister's boyfriend, but what about Guo Yumei, who just broke up and lives alone? What about Guo Yumei, who was angered by Luoxi's behavior?

"I want to make a deal with you. Are you interested? "In the early morning, Yang Yu received a wechat message from Guo Yumei. And Su Xinqi is asleep.

"What deal? "Asked Yang Yu.

"I can't stand Luoxi. You'd better let her get out of the modeling circle and let my ex boyfriend regret it. "When Guo Yumei lies in bed, the more she thinks about it, the more angry she is. Her former good sister and best friend robbed her boyfriend. Although she said she was together after breaking up, it is clear that she was cheating on her back before breaking up. How could Guo Yumei not know?

"What's in it for me? "Asked Yang Yu.

After waiting for a long time, Guo Yumei replied and said, "do you want my body? I can give it to you. "

Yang Yu smiles.

"First, I've already asked for your body; second, if I want your body, I'll have a chance when you're drunk this afternoon. Why go around in such a big circle?" Said Yang Yu.

"Forget it." Guo Yumei came back immediately.

"Yes!" Yang Yu just answered.

mid-night.

Inside the Hilton hotel suite, it's dark and quiet. There was a man sitting on the floor, the mayor. Mayor read beads, suddenly, opened his eyes, a nausea, suddenly spit out, is a mouthful of black insects.

The next day, Yang Yu wanted to meet Chen Jiani again, so he didn't go back to the village.

Born as a principal, the responsibility is getting smaller and smaller. Yang Yu feels that he is neglecting his duty. Yanling has been working in the city of Christ before, Yang Yu telephone consultation, think no such person. Then he described the appearance of the old man and the mayor in he Shiyan's mobile phone.

The answer is: not Purdue Cihang.

This time, Yang Yu went to Chen Jiani's home.

It was a man who opened the door.

"Who are you looking for?" The man asked suspiciously. Yang Yu hesitated, looked at the inner room and asked, "are you Chen Jiani's husband? Is Chen Jiani there?"

The man frowned and asked, "who are you? What can I do for her?"

"I'm her friend, nothing special, just" Yang Yu can't say clearly. She doesn't want to tell her husband about her investigation. Besides, the people around her, including her husband, are not necessarily trustworthy.

"It's OK. What are you looking for?" Then he slammed the door.

Yang Yu was stunned there on the spot.

After about ten minutes, Chen Jiani came out of the bathroom and asked, "was someone looking for me just now?" But when Chen Jiani saw her husband's face, it was very ugly.

"During my business trip, did you find a man?" Chen Jiani's husband Wu fan stares at Zhu Zi and his wife.

Chen Jiani wiped her hair with a bath towel, looked at Wu fan and said, "what are you talking about? I'm suspicious again. "

Every few days, Wu fan suspects his wife of cheating.

"I'm paranoid. You're so sexual. I'm away for weeks. Will you bear not to go to a man?" The more Wu fan thought about it, the more angry he became. Just now, the man was hesitant and furtive. He looked into the inner room all the time, asked about him, and then ran away. It must have something to do with Chen Jiani.

"I'm speechless, husband. Can you stop like this? I'm not looking for a man." Chen Jiani is telling the truth. After she got married, she didn't find any other man. Even her husband often went on business, even though there were flies and mosquitoes around her.

However, what makes Chen Jiani more speechless is that she only has a one-time life for a month, which is called strong sexual desire?

"I don't believe it. I'll check the man." Wu fan doesn't believe in his wife. He always thinks that his wife has an affair with other men, which makes Chen's marriage miserable.

"Husband, don't go to the annoying house. I really didn't go out to find a man." Chen Jiani guessed that it was Yang Yu who came to find him. He and Yang Yu were innocent and not afraid of investigation, but it was too much to disturb Yang Yu in this way

at this time, Chen Jiani's phone rang. Wu fan and Chen Jiani look at the mobile phone at the same time.

"I'll take it." Wu fan stepped forward and grabbed the phone.

Yang Yu shut the door, but didn't leave. Instead, he called Chen Jiani in the community garden downstairs, but the line was busy all the time.

So Yang Yu decided to look for clues by himself. I went to the mayor's family first. Strange thing, the mayor's family are all in the field, there is no one in the city, Yang Yu can not find. At this time, Yang Yu thought of Chen's death, but the clues to Chen's death were cleaned up.

Yang Yu even admired a perfect killing.

After a busy day, Yang Yu couldn't find any clues and was a little frustrated. In fact, Yang Yu knows very well that it is not that there is no clue, but that the clue has been completely cleared up in the later stage. After all, the murderer behind the scenes has great power and financial resources, so it is not difficult to kill a person.

Yang Yu is a little lonely and can't do what he wants.

In this city, there are really few friends who can help in this aspect.

When it was getting dark, Yang Yu decided to go back to the village first.

At this time, Yang Yu received a phone call. This call is from Luoxi, which makes Yang Yu flattered.

"Are you free in the evening? I want to invite you to dinner Luoxi said coquettishly on the phone.

This shocked Yang Yu.

"What kind of chess are you playing?" Yang Yu asked bluntly. All of a sudden, I'm having sex with myself, I'm turning over my face, I'm selling out, and I'm inviting myself to dinner. What's the play?

"Oh, I want to apologize to you for today." Luoxi is talking on the other end of the phone.

Yang Yu smiles.

"You sold me and counted the money for you?" Yang Yu said.

"You just give me a compliment, and let me apologize. If you don't forgive me, I don't mind the evening." Luo Xi said something very ambiguous. She didn't say it later in the evening, but she knew Yang Yu understood her meaning.

"You have a boyfriend?" Yang Yu asked. Although it's common for Luoxi to steal fish, it's too blatant.

"Oh, it's to put a green hat on him. Why do you take advantage of other men?" Said Luo Xi. Yang Yu thinks that it's true, but Yang Yu, the louse of Luoxi, doesn't dare to be a traitor any more. This woman is very poisonous. It's estimated that she will stir up her relationship with Su Xinqi by then, or as they say, this woman specializes in robbing her sisters' boyfriends.

But Yang Yu agreed to go, which confirmed Su Xinqi's words: I'm afraid you can't stand the temptation.

Although Luoxi is a whore, it's called a beauty.

In fact, Yang Yu has another idea in mind, that is, the deal about Guo Yumei. But Yang Yu can't dream, but this meal has a problem, a big problem.

The hotel environment that Luoxi chooses is very good. Facing the night scene of the city, it's still open-air on the rooftop. How can a young model like Luoxi wear it? Especially tonight, the black evening dress is so beautiful.

"Miss Luoxi, it's a beautiful dress tonight." Yang Yu said very gentlemanly.

"When you see such a person as brother Yang, you must dress prettily. Otherwise, how can you fascinate you?" Luo Xi says, return specially hot looking at Yang Yu.

"If you seduce me like this, I'm not afraid your boyfriend will know?" Yang Yu asked.

"How can he manage so much? Do I have to get his approval to make an appointment with my friends?" Said Luo Xi, calling the waiter and ordering some dishes and a bottle of wine.

"You told my girlfriend about our sex in private. What are you going to do tonight? My girlfriend is ignoring me now. " Yang Yu shakes out the account to be settled first.

Luo Xi poured a glass of wine for Yang Yu and said with a smile, "I'm just apologizing to you. What else do I want? You know, I've given you my body. "

At this time, the dish was served.

Luo Xi took a glance at the dish, picked up the glass and said, "I'm sorry for what happened last night with you. I hope sister Xinqi can forgive you. Besides, she and I are still good sisters. How dare I rob my sister's boyfriend?" Luo Xi said this sincerely, but Yang Yu felt sick after listening to it.

Here, I've just robbed my sister's boyfriend. Here's another story.

Yang Yu wanted to sprinkle wine on her face, but if a man wants to have manners, he raised his glass. But at this time, I don't know how, Luoxi suddenly a stagger, wine cup rushed out, just in time, wine all fell on Yang Yu's crotch.

"Ah? Sorry, sorry! "As soon as Luoxi saw him, he came to wipe the tissue on Yang Yu's crotch.

"It's OK. I'll go to the bathroom and wash. "Yang Yu didn't think much, so he went straight to the bathroom. Luo Xi looks at Yang Yu's back and raises a sneer at the corner of his mouth.

She poured the wine on purpose.
