After Yang Yu came out of the bathroom, Luoxi kept smiling. It's just that the feeling of laughing is always weird.

"The steaks here are very famous, especially the medium rare ones. Would you like to try them?" When Luo Xi saw Yang Yu sitting down, he helped him cut a piece of steak and fork it to Yang Yu's mouth.

"When did you treat me so well?" Yang Yu wondered that Luoxi's performance was abnormal. Yang Yu took a look at the small steak. It was medium rare, with blood on it, but it was just a piece of steak, so he put it in his mouth.

Luoxi smiles.

"Here, have another piece." Luoxi cuts another piece for Yang Yu and hands it to him.

Yang Yu really likes to eat beef. In yunu village, the meat quality is also poor, so he eats it with relish.

"Medium rare is still too fishy." Yang Yu tasted it and said.

Luo Xi looked at him, nodded and said, "I'll go to the bathroom." Yang Yu eating, always feel tonight's Luoxi is very strange, looking back, found that Luoxi did not go in the direction of the toilet, the heart is more confused.

Luoxi is at the corner of the corridor and is suddenly pulled by a hand.

"It scared me to death." Luoxi was startled.

It was not others who were pulled by Luoxi, but her current boyfriend Zhang Liao.

"How's it going?" Zhang Liao asked eagerly.

"He did." Luo Xi's simple answer, white Zhang Liao one eye, ask again: "money?"

"Do we need money between us? Let me satisfy you." Zhang Liao said so, but he took out a handful of money from his pocket and handed it to Luoxi.

Luo Xi stuffed the money into his bag and asked, "by the way, what medicine did you give him? It's not poison, is it? I'm afraid of killing people. "

"Don't worry, you can't die." Zhang Liao said with a sneer.

After a while, Luoxi came back.

"My boyfriend called and told me that I can't accompany you tonight. Take your time." Luoxi said hello. Before Yang Yu could react, he changed his attitude 180 degrees and left.

Yang Yu Leng is there, wry smile. Sure enough, I was fooled again.

Every time he returns to the city, Yang Yu feels like a child who can return home. Who's going to stay at tonight?

I had to turn on my mobile phone again to find someone. There were messages from many girls. After thinking about it, I thought of a person, mm Qiuyan, a nurse in the county hospital. Qiu Yan is Han Jing's cousin. She met her last time when she went to her home. And Qiu Yan also knows that she is Han Jing's boyfriend, which makes Han Jing envy again.

Why does Yang Yu want to go to Qiu Yan? The reason is very simple. Qiu Yan is a nurse. She knows some medical problems. She wants to ask whether it is possible for the living dead to exclude the evil arts from the hospital theory. Besides, the mayor's color and behavior are not right. Yang Yu also doubts if he is ill, and asks by the way.

Secondly, Yang Yu's own physiological problems.

"I wonder if I can go to your place for a night?" Yang Yu said on the phone.

"Come to me?" Qiu Yan was surprised when she received Yang Yu's call. She was even more surprised when she heard Yang Yu say so: "What are you doing here? Aren't you afraid my cousin will catch us on the spot? I can't afford to lose that face."

"She doesn't know." Yang Yu explained.

"That's not good, sleeping with my cousin's boyfriend. It's a little bit" since Qiu Yan knew that Yang Yu was her cousin Han Jing's boyfriend, she had a lot of scruples. Although she was very ambiguous about Yang Yu, she was a cousin's man now. She was a little ashamed to sleep with her boyfriend behind her cousin's back.

"What bed? Look what you said. I want to ask you something. It's related to medicine." Yang Yu see Qiu Yan a little hesitant, quickly find a reason.

"Well." Qiu Yan hesitated.

"It's very important to me, so I have to say it face to face." Yang Yu added oil and vinegar.

"It's not good either, because I live in a flat with my classmates. They know that I've brought a man home, and they will." Qiu Yan is still not at ease. It doesn't matter before. You can say whatever they

like, but now Yang Yu's identity suddenly changes.

"Just say I'm your brother-in-law. They don't doubt anything, do they? "

Qiu Yan thought: come here, you don't have to go to bed. Maybe people really have problems finding themselves. Besides, don't talk nonsense about that last time.

"All right. "Qiu Yan finally agreed.

When Yang Yu returned to the county, he made a little detour and avoided Su Xinqi's and Han Jing's home, so as not to run into them by chance. Yang Yu, Qiu Yan's rental house, came here for the first time. Last time, the village's women's Procuratorate and Li ruorong came to the community to open a house. Li ruorong gave it to him for the first time.

Qiu Yan lives in a small apartment with three bedrooms, one living room, one kitchen and one bathroom, so there are three other women living in the other two rooms. They are all classmates of Qiu Yan's university nursing department and also work in the county hospitals.

Qiu Yan wants to bring Yang Yu into the room quietly, but all the students in the hall are watching TV, so when Yang Yu comes, unfortunately, everyone is there. Everyone is also very surprised, Qiu Yan even brought a man back to sleep?

"Oh, don't get me wrong. He's my brother-in-law. "When Qiu Yan saw a group of people looking at her in surprise, she quickly explained.

"My brother-in-law came to sleep with you? By whom? Don't tell us when you're in love. "A classmate said.

"Nonsense, he's sleeping in the living room tonight. He's really my brother-in-law. " Qiu Yan can't laugh or cry.

"Well, it's my brother-in-law. Can't we believe it? Ha ha Female students are still coaxing.

Qiu Yan is so embarrassed that she pulls Yang Yu into the room and ignores their coaxing. As soon as Yang Yu entered the room, the gossip girls in the hall began to chat.

"Do you think it's a real brother-in-law or a lover? "

" it's too much to bring my brother-in-law to bed, isn't it? "

"But this brother-in-law is very handsome. "

" would you like to eavesdrop at night? "

the room is clean and tidy. The bathroom is outside. The room is a little small. With a bed and a table, there is not much room to turn around. Yang Yu had to sit on the bed. Qiu Yan poured a glass of water for Yang Yu.

They were sitting on the edge of the bed together in an awkward atmosphere. After chatting some polite words, Qiu Yan asked about the business: "you said you had something to ask me for advice?"

"Well, in the history of medicine, are there any examples of the living dead?" Yang Yu asked.

"The living dead?" Hearing these three words, Qiu Yan has been startled: "I just graduated, I really don't know such a thing, isn't it only in TV series?"

"In reality, it is estimated that there are some, but we seldom encounter these strange things." When it comes to strangeness, Yang Yu sighs sincerely and tells Qiu Yan about the mayor's symptoms. Qiu Yan also shakes her head and says to go to work tomorrow and ask the old doctor.

The mayor's non-human symptoms even made Yang Yu associate his symptoms with those of the Secretary of the municipal Party committee. Yang Yu speculated: is it possible that the mayor is also a living dead man.

Puppets?

Once again, the room fell into an awkward atmosphere.

"Do I really sleep in the living room tonight?"

"If they don't sleep outside, they'll get it wrong!" Qiu Yan replied.

"Well, you can sleep outside, but don't lock the door. I'll come back to sleep in the middle of the night." Yang Yu had said, and then looked at Qiu Yan. Qiu Yan is a very ordinary girl. Her appearance and figure are far behind the Li sisters, but she is still pretty.

At this time, Qiu Yan got up and was ready to open the door, so as not to be misunderstood by her classmates as what she was doing with her brother-in-law in the room.

Yang Yu has a look at Qiu Yan's buttocks. Suddenly, he has an evil idea. He hugs Qiu Yan from behind and goes to bed.

"Brother in law, what are you doing?" "Why doesn't Qiu Yan know what her brother-in-law wants? But she didn't dare to shout or struggle. Several students were outside the living room. When they called,

they heard it. They thought that her brother-in-law wanted to be stronger than herself, which would only be more humiliating.

Qiu Yan only called softly: "brother-in-law, don't be like this, there are people outside!"

"What are you afraid of? You don't think they know we won't have sex at night?" Yang Yu said.

"Who's going to have sex with you? You're my cousin's boyfriend." Qiu Yan still uses this reason to prevaricate.

"Don't struggle, brother-in-law. "Yang Yu said and went to take off Qiu Yan's clothes. Qiu Yan was pressed on by her brother-in-law and agreed.

At this time, the students in the living room heard some voices. One of them ran over and put his ear on the door to eavesdrop. Then she waved to the other students. All of a sudden, the remaining two students flocked to the door to eavesdrop.

Qiu Yan's bed hit the wall, making a regular sound. And Qiu Yan's voice.

It took half an hour for the sound in the room to subside.

When Qiu Yan went to open the door to take a bath, she found that the door was full of students.

"You" Qiu Yan suddenly wants to die.

"Wow, Qiu Yan, you and your brother-in-law"

"it's so loud that people on the whole floor can hear it"

after listening to it, Qiu Yan's face turns red with anger. She wants to find a crack and run to the toilet. The students laughed.

The next day.

Yang Yu had to go back to Yunv village.

This time, the school was scolded by Li Ruoshui. How did you become the headmaster? Did the school stop? Yang Yu has no ability to refute. Hurry to class.

However, in the middle of the class, Yang Yu suddenly felt sick. Run to the toilet in a hurry. I vomited in the toilet for a long time, but I didn't vomit anything. Yang Yu looked at his eyes and found that they were full of blood.

Yang Yu felt a little uncomfortable. He began to feel sick last night. Until now, he thought it was nausea

and dizziness caused by driving too much, but now he doesn't feel right.

Yang Yu hurried to class and went home. On the way, he met sister Xu. When Mrs. Xu saw Yang Yu, she immediately turned red. However, she had to make a joke: "Mrs. Xu, what kind of red face are you? People think you miss spring after watching it? "

" what are you talking about with your sister-in-law. "Sister Xu is taking her clothes to the river to wash them." Why are your eyes so red? Do you have red eye disease? "

when Mrs. Xu said so, Yang Yu went to Dr. Wu to buy a bottle of eye drops.

After returning home, Yang Yu's eyes were as red as a rabbit, and she was very worried. Yang Yu thinks it's OK. He thinks it's better to have a sleep tomorrow morning.

In the middle of the night.

Yang Yu, who hasn't had nightmares for a long time, has nightmares again. This time, he dreamed of a lot of black insects, which crawled into his mouth and penetrated into his body. Yang Yu wants to pick it out, but he can't pick it out. The more he picks, the more disgusting he is. In his sleep, Yang Yu could clearly feel the insects crawling around in his body.

Yang Yu suddenly woke up, a disgusting nightmare.

"Fortunately, it's just a dream." Yang Yu secretly congratulates himself. At this time, Yang Yu feels that there is something crawling on his stomach, so he reaches for it. Yang Yu touches an insect. It's not small enough. It's crawling around in his stomach. Yang Yu still catches it. Suddenly, he finds that the insect is crawling inside instead of outside his stomach.

Suddenly, Yang Yu's face was very blue.

Yang Yu immediately turned on the light, thinking that he was dreaming, but the pain told him that this is not a dream, there is really an insect in his body.

Yang Yu seized the insect from the outside. He was already scared. The insect was caught by Yang Yu with his belly, and there was no place to escape. Yang Yu was so scared that he turned pale. At this time, he made a terrible decision and took out the saber from the drawer.

"It's just a dream. How could there be such a big bug in my stomach?" Yang Yu talks to himself and cuts his belly with a saber.

The blood flowed out, and Yang Yu screamed with pain. Fortunately, it seemed that the insect was only on his belly, not in his stomach or large intestine. Yang Yu actually endured the pain and dug out the insect.

"What a worm? How did you get in?" Yang Yu covered the wound in one hand and the black bug in the other. The black bug was as big as a fly. Yang Yu wanted to kill it with his fingers, but he found that the shell of the bug was as hard as iron. With Yang Yu's strength, he could not kill it. Yang Yu took a glass bottle and put the black bug in.

At this time, Yang Yu came to the attic and was told to wake up by her cousin. He quickly bandaged it with gauze.

"I'm not dreaming?" Yang Yu finds that this is reality.

"Cousin, what's the matter? You look very pale. Your eyes are still congested." My cousin asked with great concern.

Yang Yu picked up the bottle to show them and said, "I don't know. This insect crawled into my body, and I don't know how it got in. It should be OK."

"Go to see the doctor tomorrow, in case there are insects in your body." My cousin is very worried.

"It's not good to go out all the time. I'm still needed in school." If Yang Yu just came back from the city and went to the city again, both teachers and students would have opinions.

This night, Yang Yu tossed and turned and couldn't sleep. He clearly felt that something was wrong, but he couldn't tell what was wrong. Moreover, Yang Yu has never seen this insect again.

The next day.

Yang Yu's eyes are still red, and his physical condition is even worse. Yang Yu tells Ruolan and Yanling what happened and shows them the worms. They both shake their heads and don't know each other.

"Yang Yu, you'd better go to the hospital. I'll take your place." Li Ruolan said.

"I'll go with you this time." Yan Ling said.

Yang Yu thought, sick or to see a doctor, said: "well, I go to do a check, Yanling sister, I can be a person."

"Don't worry, I won't disturb you to sleep with any girl." Yan Ling said with a smile. Yang Yu heard, a black line on his face.

"You're in good health. There's nothing wrong with you." Said the doctor.

Yang Yu did a general examination, but there was no problem with the content: "my eyes are so red, you say I have no problem?" Yang Yu angrily denounced hospitals. These hospitals only love indicators. Indicators are no problem, that is, no problem. If there is a problem, it is no problem.

Yang Yu comes to the hospital for examination, and Qiu Yan is sure to help.

"Zhang hospital, is he really OK?" Qiu Yan also asked suspiciously.

"You'd better look at other subjects. I really can't find a problem." With that, Dr. Zhang turned a deaf ear.

"Oh, by the way, you asked me to ask about the living dead. I asked for help. I heard the old director of the hospital say that it really happened in the city in the future, but the main hospital at that time had retired. This is the address. Would you like to ask?" Qiu Yan said, looking at Yang Yu and the woman next to him.

The woman didn't speak from beginning to end, her face was expressionless, and she didn't know what to do with Yang Yu. Every time Yang Yu goes to the city, he always brings some inexplicable women. This woman doesn't seem to come for a date.

Since my body can't find out the reason, if I have a clue, I naturally want to have a look.

According to the address provided, I went there. It's a little far away. It's a lower level District of Yongjian city. After all, this district and county is poor, but the environment is very good, the population density is sparse. After many twists and turns, he found such a secret place. Yang Yu's first feeling is that he is an expert living in seclusion in the mountain forest, right?

Yang Yu stopped his car and walked a little. The old house has a large area, especially the yard. It's as big as a farm. The farm is full of things, such as flowers, fruit trees, vegetables and so on. It's a comfortable life.

"Is anyone here?" Yang Yu yelled. With this cry, a dog rushed out and yelled at them.

"A lot of butterflies and bees" Yan Ling looked around and found many butterflies and bees in the flowers, as well as honeycombs.

"Looks like a beekeeper." Yang Yu returned.

Just then, a man came out of the corn field, his whole body was covered with cloth, and he was carrying two bottles of honey in his hand.

"Hello, I'm looking for Dr. Zhou Jiande. Is he in?" Yang Yu asked.

The man didn't answer, but took off his coat. He was an old man, very energetic.

"I am, but I retired early and became a doctor." The old man took a look at them and said, "come in."

There are many specimens in the room, all of which are insects and other small creatures. When Yang Yu saw these small insect specimens, he thought of the big one last night.

"Grandfather Zhang seems to have a lot of research on insects." Yang Yu did not directly mention the case of the living dead, which was a sensation in the history of medicine. It's about starting with bugs, which brings us closer.

"When I retired, I began to study insects. Are you here to buy honey?" Zhang Jiande thought they were here to buy honey.

Yang Yu laughed and said, "yes, grandfather Zhang has a good reputation for honey. I was introduced by Dr. Yang. But there's a question, by the way. "

"Doctor Yang?" Zhang Jiande thought about it, and then he said.

Yang Yu took a bottle out of his arms and put a black beetle the size of a fly in it. He handed it to grandfather Zhang and said, "grandfather Zhang has so much research on insects. I don't know if he denies it?"

Grandfather Zhang really has a strong interest in insects. When he heard that he wanted to see insects, he got excited immediately. He took out his reading glasses and looked at them carefully. Zhang Jiande was startled and his face turned ugly.

"You wait a moment." grandfather Zhang suddenly got up and went to the inner room.

Yang Yu had to wait. Yan Ling did not speak.

After ten minutes of waiting, grandfather Zhang came out of the inner room with a bottle in his hand. But the bottle was full of liquid, like vermarin. He handed it to Yang Yu and said, "this is my most precious specimen. Do you think it's the same as your insect?"

Yang Yu also as like as two peas, and Yan Ling was curious to see. He found that two worms were exactly the same.

"Grandfather Zhang, where do you come from?" Yang Yu asked in a hurry.

"Where do you come from?" Zhang Jiande asked.

Yang Yuxin picked up her clothes and said, "I just dug it out of my stomach last night."

"What?" Zhang Jiande was obviously shocked.

Yang Yu looks at Yan Ling, and Yan Ling also looks at Yang Yu. Both of them have an ominous premonition.

"I caught this worm from the living dead." Grandfather Zhang said word by word. Yang Yu was startled by this remark.

"The living dead cases of that year?" Yang Yu asked eagerly.

Grandfather Zhang nodded heavily.

"What the hell is going on?" Yan Ling was also hanged appetite, cut in.

Zhang Jiande began to recall the past.

It was decades ago. Zhang Jiande was just an ordinary gastroenterologist. One day, he received a special patient. Zhang Jiande was responsible for the patient. At first, the patient just had nausea, fever and congested eyes. Zhang Jiande made a gastroscopy for him, and found that the man's stomach had no stomach. To be exact, the stomach was eaten, and it was bloody. It wasn't long before the patient died. He was sent to the morgue.

Then something strange happened, and the morgue in the county hospital began to be haunted.

Many people say that at midnight, there were people in the morgue, and some nurses had seen them with their own eyes. Once, people didn't believe it and began to watch the night. As a result, they really saw the ghost. The dead patient stood up abruptly, walked normally and even talked.

That night, Zhang Jiande was also there, which scared him out of his wits.

With the consent of his family, he dissected the patient. When he opened his chest, he found that his internal organs were all gone and nothing was left. When the doctors were surprised, the dead man suddenly jumped up from the operating table and came back to life.

And fled the hospital, so far not found.

Zhang Jiande's collection of this insect was found on the operating table from the living dead.

After listening to this strange story, Yang Yu and Yan Ling are not cold.

"After that, I began to be interested in worms, and always wanted to solve the mystery of the living dead. I always believed that the breakthrough was in worms." Zhang Jiande looked at the two worms who died once in their lives and was filled with emotion.

"What do you know about this insect now?" Yang Yu asked.

"Have you heard of witchcraft?" Zhang Jiande asked.

"I've heard more than that. I've been infected with the golden silk worm." Yang Yu said with a bitter smile.

"There is a branch of witchcraft called insect bug, such as golden silk silkworm bug. Although it is called so, it is not insect bug. Golden silk silkworm bug is a kind of poisonous bug. The middle bug is a symptom of poisoning, and the golden silk silkworm is not parasitic in the middle bug. It just takes its venom. But insect bug lives in the organism and feeds on internal organs. The middle bug eventually eats up internal organs Die. " Grandfather Zhang said.

Hearing this, Yang Yu suddenly understood a lot. The Secretary of the municipal Party committee and himself were all infected with insects. What about the mayor?

"This insect is called a necrophagous insect. It comes from the western regions. Although it's common, it's crazy to eat viscera. What's more, it's extremely fierce in its reproductive capacity. It can reproduce in a few days." Grandfather Zhang picked up the living ghoulish and looked at it.

Suddenly, he looked ugly again.

"You said this bug was dug out of you?" Grandfather Zhang looked at Yang Yu pale and asked.

Yang Yu nodded.

"According to the size, it's an adult worm. Look at her belly. It's very special. It's bulging. If I didn't guess, she might have laid eggs in your body." Grandfather Zhang said.

Yang Yu's face turned pale again.

"You said I might be full of the parasite's eggs by now?" Yang Yu's eyes are staring out. I can't believe it. It's terrible.

"From what I know about it, yes." Zhang Jiande replied.

"Is there any way to get the eggs out or get rid of them?" Yan Ling is anxious, too, and cuts in.

Grandfather Zhang shook his head and said: "the eggs will be hidden very well. We have no idea where they will be produced. At present, there is no such medicine in medicine. After all, it is not a bacterium or a virus. I've studied it for so many years, and I don't know how to eliminate it. Its shell is as hard as

"Let go, what are you doing?" Luo Xi asked anxiously.

At this time, Yang Yu, who had been extremely angry for a long time, could not hold back his anger. The angry left hand suddenly mutated and expanded. The whole left hand became a monster, especially the nail, which was as terrible as cat's claw.

Seeing such a scene, Luoxi was scared out of control. She never dreamed that Yang Yu would be so terrible.

Yang Yu grabs Luoxi's neck with his mutated hand, raises it with one hand and puts it on the cliff. It's open under the cliff. It's hard to fall down and never die. Luoxi was so scared that she turned pale. She regretted poisoning Yang Yu for tens of thousands of yuan that night.

"You have a chance to tell the truth, otherwise, I'll throw you out of here, you think clearly." Yang Yu only gave her one chance. He said that Yang Yu is not a good person, but he doesn't do bad things. If he does bad things, he is more ruthless than anyone else.

Luoxi has been scared to pee his pants, and his lower body is wet. Yang Yu, who is so angry, how dare she lie?

"My boyfriend asked me to do it. He gave me tens of thousands of yuan to put medicine in the steak. I don't know what it is. Yang Yu, I'm wrong. Let me go. It's my boyfriend who ordered me to do it." Luoxi was pinched by the throat, and it was very difficult to speak.

Yang Yu heard, presumably she did not lie, and asked: "why did he give me medicine?"

"I don't know. I'm just for the money." Luoxi is telling the truth. She has no idea of the consequences of the matter.

Yang Yu grabbed Luoxi back, threw it on the ground and said, "take me to find your boyfriend." On the way back, Luoxi was trembling with fright. Occasionally, she glanced at Yang Yu's hand, which had been restored to its original condition. But she was afraid and wondered, who was Yang Yu? If I knew it, I shouldn't have provoked him.

On the way, Yang Yu asked Luoxi about her boyfriend.

Her boyfriend Zhang Liao used to work in the municipal Party committee, and the specific position is not clear, but the official position seems not small. It's easy for Guo yuluo and his sister to get the high position because they both think highly of him.

"Municipal Party committee?" Yang Yu said to himself. Now, his doubts are still behind the scenes. Is the master the mayor? But the strange appearance of the mayor that day made Yang Yu feel that both situations were possible. To Yang Yu's surprise, Zhang Liao has a gun!

The two played a chase. Zhang Liao, who has a gun, is not afraid of Yang Yu at all, but he escapes because he is guilty of being a thief, and Yang Yu's murderous spirit makes him afraid. Zhang Liao had no choice but to fire two shots. One shot didn't hit, and the other shot rubbed the skin with Yang Yu.

At the end of a small lane, Yan Ling intercepted him. Yan Ling had a knife. The knife just fell on his hand and the gun fell off.

Yang Yu raised the pistol, looked at it and said in surprise: "it's still a police gun."

"Then you should know that you are assaulting the police now. The charges are very serious." Zhang Liao is a policeman, so he is not afraid of Yang Yu on the surface, but he is still afraid in the heart. First, the killer is dead. Second, the boss taboo people. Zhang Liao doesn't know why boss taboo him.

But boss taboo people, he had to die.

"Who ordered you to take the medicine?" Yang Yu asked, he knows that Zhang Liao is just a chess piece.

"Who are you?" Zhang and Liao are still very arrogant. Yang Yu held a gun on his head and said, "the gun is your own. I can wipe off my fingerprints and disguise as suicide."

"You think we cops are idiots?" Zhang Liao leans against the wall and is not ready to fight with Yang Yu. After all, his gun is in his hand.

At this time, Yang Yu took out a bottle, shook it in front of Zhang Liao and said, "I won't shoot, but I'll put this insect in your mouth."

Zhang Liao took a look at the insect, and his face became clear and his back became cold.

"So you let him go?" Yan Ling asked.

Yang Yu plays with the bottle. The black Ghoul in the bottle rolls and doesn't let Zhang Liao eat it. When Zhang Liao saw the worm, he did it all. He had seen the terror of the worm, which was more terrible than a shot in the head. Finally, Yang Yu takes a dead fly and shoves it into Zhang Liao's mouth. Zhang Liao doesn't know it at all. As a result, he is stunned.

"Can't I kill him? It's against the law to kill people. " Yang Yu is still laughing. What excited him is finally clear.

He also knew who was behind the scenes.

"Now we're going to the mayor?" Yan Ling asked again.

"They must be waiting for us. We need to come up with a solution." Yang Yu said and put the bottle into his pocket. Yang Yu wanted to put the insect in the bottle into his mouth.

"But the eggs in your body can't wait for you. Tomorrow they will break their eggs and come out. Then, no one can save you." Yan Ling said that she was more direct and didn't like beating around the bush.

"We are not afraid of those who play Yin. I am afraid that they will come to the light. They have the police, the right and the court. We have no way to arrest us and convict us at will." Yang Yu ponders that fortunately, he never does anything against the law, and they can't grasp it.

At this time, Yang Yu's mobile phone rang again.

"Where are you? Is it convenient to come to my house?" Chen said on the other end of the phone.

"What's the matter?" Yang Yu asked.

"It's urgent." Chen replied.

Yang Yu drove to Chen Jiani's home.

"Go up to see your little lover, and I won't go up." Yan Ling sat in the car and said.

"When did you start to make fun of me? She is the daughter of the Secretary of the municipal Party committee." Yang Yu said with a bitter smile. Yang Yu had to go up by himself. Yan Ling was always on his own and didn't meet strangers.

Chen Jiani's husband doesn't go to work. And Chen Jiani at home, dressed more casual, or pajamas slippers dress.

"What's the emergency?" Yang Yu is pressed for time, so he sits on the sofa. Chen Jiani sat next to her and handed a letter.

"It's a report. My father mentioned this letter, and the mayor seems to be looking for it Today, I went to the graveyard to pay homage to my mother. I found it on the grave.

Yang Yu and Zou frowned. He didn't expect to hide so well. No wonder other people couldn't find him, and the people who went to worship must be his own.

Yang Yu took out the report letter and looked at it. There was a USB flash disk in it. Found the computer, U disk open need password. Tried several times, and finally opened it with Chen Jiani's birthday. It's documents, pictures, and videos that come in.

When Chen Jiani saw these things, she was already frightened and turned pale.

Yang Yu pulled out the U disk, who knows the foot of a slip, fell a personal horse, this slip, and affected chenjiani, chenjiani also together to put down. Chen Jiani did not move, the whole person fell in Yang Yu's arms, more depressed, the Nightgown floated up, the whole buttocks and underwear all exposed outside.

At this time, Chen Jiani's husband Wu fan, who left work early, opened the door and came in. When he saw this scene, his face turned pale.

"You slut, when I'm away, you'll green me!" Wu fan glared at his eyes and came to beat his wife.

"Husband, you misunderstood. Just now you just slipped," Chen Jiani explained quickly. She knew that her suspicious husband would be sensitive.

"Slip? Ha ha, buttocks are exposed outside, still slip? You think I'm a fool?" Wu fan pushed Chen Jiani away with a strong force. Chen Jiani banged her waist against the table, which was very painful.

Wu fan pointed to Yang Yu's nose and scolded: "it's you again. Last time I came to my wife, I saw it. Today, I have to give you a look." Said, Wu fan rushed into the kitchen, ready to take a knife.

"Yang Yu, go quickly. He is very suspicious and won't believe us." Chen Jiani doesn't want a murder.

Yang Yu wants to go. After all, there are still many things to do. Last time he cheated with Ma Jian's wife, sister ran, she was beaten to death. Yang Yu doesn't want this to happen again, so Wu fan just comes out with a knife. Yang Yu starts first, and then cuts his throat.

This is the most common way of attack for special forces. The throat is a fragile and sensitive place.

By this heavy blow, Wu fan was directly fished to the ground. Yang Yu squatted down and looked at Wu fan coughing on the ground and said, "listen, your wife and I are innocent, but don't bully her and beat her, otherwise, I will give you double."

With that, Yang Yu left.

Wu fan and Chen Jiani were stunned there at the same time.

After Yang Yu got to the car, he called Ma Liang for the first time, and then called Han Hu. Then he gave Su Xinqi the report letter and other things and asked him to wait for his uncle. Su Xinqi looked at another woman, wanted to ask, but endured to go back.

"Is this always a lover?" Yan Ling once again sarcastic way. "This is really a lover. Don't tell Ruoshui." Yang Yu said with a bitter smile, take Yan Ling out, naturally encounter this kind of thing.

"I don't like to meddle, especially in other people's private affairs, but this girl is pretty." Yan Ling said with a sneer.

It's getting dark again.

I don't know why, the city became quiet. It's going to be an end night.

By the dark, Yang Yu and Yan Ling have long been hiding in a secret grass, their opposite is the mayor's villa. The security of the villa is very strict, and there are constantly security guards on patrol. These security guards are not ordinary security guards, but are equipped with guns. More accurately, most of them are veterans. They are outstanding in sports and shooting.

"Why don't you get your support?" Yan Ling asked.

"Even if it comes, I'm afraid it's a fierce battle." Yang Yu returned and looked at the sky. According to reason, Ma Liang's team should be coming soon.

"No, let's go in." Yang Yu said.

The mayor is inside. Yang Yu has to find him.

Although Yang Yu has never been a soldier, he has always been a Muay Thai fan. Since the kidnapping of Li Ruoshui last time, he has practiced Muay Thai even harder. To deal with an ordinary soldier, Yang Yu felt that there was no problem. With the special strength of his left hand, it must be no problem to pick three.

Although there are security guards constantly patrolling the villa, it is not a military area after all. It is not a problem to sneak in secretly. But the villa is very big, just like a luxury hotel. When you enter the villa, there are no people and no security guards.

Just as Yang Yu and Yan Ling were walking in the dark corridor, a familiar voice came suddenly.

"Buddha, help me. Yang Yu, the dog, fed me worms. You should find a way to get it out! "It's not other people that are talking about. It's Luoxi's boyfriend Zhang Liao.

Yang Yu was puzzled that the title was too high-end. He returned it to the Buddha, and suddenly

remembered that when he went to see the mayor before, he had put the statue Buddha on all sides. Think that the thousand year centipede spirit in the name of Purdue Cihang, does this person make a four sided Buddha?

"Xiang has a heart to live, and his life is determined by heaven. Don't be afraid. Those who want to die will still die. Those who don't want to die will never die." The other replied, with a mature voice.

"Buddha, is it time for me to die?" Zhang and Liao asked anxiously.

"Not yet. "The simple two words not only let Zhang Liao bloom, but also surprised Yang Yu. Can he predict that I didn't let Zhang Liao eat real worms?"

At this time, Yanling wants to pull out the sword from behind, but Yang Yu stops, shakes his head, and then goes upstairs.

Didn't Yang Yu come here to finish up behind the scenes? Now people are in the room, how can they still leave? Yang Yu didn't leave, but he had more important things: saving people. Save who?

Yang Yu and Yan Ling find the person they want to save in a room on the third floor.

Yanling tore off his trousers, exposed his thighs, and knocked on the door. The door opened.

"Bodyguard Liu, do you want to accompany me?" Yan Ling was so coquettish that she deliberately picked up her thigh and put on a very coquettish look. Yang Yu has never seen Yan Ling like this. He sticks to the wall and looks at Yan Ling.

"Who are you?" Bodyguard Liu said. There is no expression on the surface, but the eyes are aiming at Yan Ling's chest. Yan Ling see, quickly stretched out his hand to prepare the chest collar to pull down a bit. This time, bodyguard Liu laughed.

"What? Do you miss men?" Bodyguard Liu has been protecting the mayor for 24 hours. Apart from the mayor or the mayor, he is going to vomit himself. If he is not a soldier before, he can't stand the toss, especially if there are no women.

Yan Ling's seduction made bodyguard Liu swallow deeply.

Just now, he stepped out of the door. He only heard touch's life. Yang Yu was stunned by the photo.

"I didn't expect that sister Yanling was quite feminine just now!" Yang Yu went into the room with a smile. The room is full of incense. In front of the room is a statue surrounded by Buddhas. In the middle of the room is a man with his back facing Yang Yu.

"Mayor? I'll get you out first!" Yang Yu said, and rushed over directly, ready to pull the mayor.

"Be careful! "Yanling is more experienced than Yang Yu in this aspect. She feels that the atmosphere is not right. She wants to shout at Yang Yu, but it's too late. Yang Yu clapped his hand on the mayor's shoulder and turned the mayor around. This turn scared Yang Yu back and forth.

The man in front of him is not the mayor at all, but director Yu. What's more, director Yu's chest is opened, and all his internal organs are hollowed out, leaving an empty shell. When Yang Yu saw this scene, he immediately remembered the appearance of the Secretary of the municipal Party committee. Once upon a time, was the Secretary of the municipal Party committee the same? And will you also become like this?

"No, it's a trick. "Yan Ling said.

But it's too late.

Suddenly, a group of people with weapons rushed in from the door. Obviously, these people are not armed police. Yang Yu thought: these people should be from the Black Hawk gang.

"I've been looking for you for a long time. It's too much for you to deliver it yourself." Out of the crowd came a man, who was the Secretary of the mayor, the one who carried Yang Yu's sedan chair that night, and the old man who met the mayor in the elevator that day.

"I'm curious, too. Who are you?" Yang Yu asked.

"I am the Buddha. "The mayor's secretary replied with a sneer.

"Then I'll take you back to the original and see what you are Yang Yu confronts with a group of people without losing momentum.

The secretary gave a cold hum, and the people had already raised their pistols. At this critical moment, Yang Yu grabbed Yan Ling and rushed to the window. With a bang, all the glass broke. Yang Yu fell down from the third floor with Yan Ling in his arms.

The third floor is not high, but short. But if you fall down, you're either dead or disabled. However, in the middle of the air, Yang Yu's left hand burst suddenly and fell heavily on the ground. Fortunately, his left hand fully supported his body, and an extremely exaggerated handprint sank into the ground.

As soon as Yang Yu landed, a group of men with knives stabbed him. Unfortunately, they underestimated Yang Yu, especially they didn't know that Yang Yu had such a terrible mutant hand. The mutant hand is as sharp as a wolf's claw. When you chop it off, your neck will be smeared with blood. Not much effort, this group of gangsters have been lying on the ground, crying with pain.

But at this time, the gunshot thought, Yang Yu is not afraid of the knife, but also can't get the bullet, running. Yang Yu and Yan Ling quickly stick to the corner of the wall, and the bullet is banging next to them. The situation is quite critical.

"What to do? They have too much firepower. " Cried Yang Yu.

At this time, Yanling's Xuanyuan sword came out, the light of the sword and the shadow of the sword. Although these people of the Black Hawk gang had seen the world, they did not expect that there was such a strange sword that they could play and control remotely. Only a few screams were heard, and several people had fallen.

Yan Ling took the sword back, panting, and said, "there are too many of them."

"Yang Yu, get out. You are surrounded by us." Suddenly, someone on the other side called. This voice is no one else. It's Luo Xi's boyfriend Zhang Liao.

Yang Yu is not the one who raises his hands to surrender, but when dozens of people hold guns and even rifles, Yang Yu can only raise his hands.

"I thought you were good at it? Not afraid of bullets." Zhang Liao said sarcastically.

At this time, the secretary came out from behind, looked at Yang Yu, coldly said a few words: "kill him."

Suddenly the light came on, making the big villa bright.

The Secretary and Zhang Liao's face suddenly changed, and everyone was flustered. At this time, came the horn: "you have been surrounded, quickly raise your hands to surrender." People found that armed police, snipers and rifles were aimed at them in all directions. More people, more armed forces.

"Why are you so presumptuous? This is the mayor's house. How dare you mess around?" It was Zhang Liao who spoke for the secretary. It's a pity that he won't be arrogant for long.

Yang Yu knows that Ma Liang has finally brought his team.

The Secretary's expression is very calm, quietly said a few words to Zhang Liao, Zhang Liao ran to the inner room.

"Secretary Wang, we meet again. "Ma Liang is opposite, shouting with a trumpet.

"Comrade Ma, you are all right. What do you mean by bringing so many people this time?" Secretary Wang is not slow, but calm.

"Oh, I have received a report that you hide a lot of gangsters here. As you know, the provincial Party

committee has been cracking down on gangsters. As a member of the provincial public security department, I naturally need to take the lead in supporting this action. "Ma Liang didn't say that you've been acting less. We all know your ugly behavior. It's not smart enough to say that.

This officialdom is very fastidious. In front of subordinates, it's more interesting to recite the superior's policies.

At this time, the Secretary ran out of the room in a hurry.

"What? Are you looking for the mayor?" Yang Yu suddenly cut in, then laughed, pointed to a direction and said, "look, who is that?"

Secretary Wang and Zhang Liao look around in a hurry and find that the mayor is carried on 120 by a young man. Although they see that the mayor is struggling desperately, they are sealed. The mayor is forced to take an ambulance. After the young man forcibly took the mayor away, he gave Yang Yu a smile. It turned out that he was Zhang Liang.

Yang Yu can see that the mayor is a puppet, and the real person behind the scenes is his secretary. But why does the mayor listen to him? It's very simple. The mayor has been poisoned. To play with the mayor's words and deeds. This is the highest level of puppet.

However, it is a very high risk to save the mayor, because the mayor is likely to die, but for the sake of the political situation and society of Yongjian city as a whole, Yang Yu is ready to be ruthless. Without Secretary Wang, the mayor will have no power. Without power, he will not be arrogant.

"How dare you even kidnap the mayor!" Secretary Wang denounced. The mayor is a magic card for him to send troops and send generals.

Secretary Wang's words are still a little useful. Some of the crowd moved a little. Yang Yu cried to the crowd in a hurry: "the mayor is ill. It's the medicine given by Secretary Wang, so we sent him to the hospital." Peace returned immediately.

Then, Yang Yu turned his head and quietly said to Secretary Wang, "the card of mayor is not something you can play if you want to."

"Well, I really underestimate you. I didn't expect you to be so brave that you didn't care about the mayor's life!" Secretary Wang said.

"I don't want my own life, let alone others." Yang Yu glared.

At this time, Ma Liang gave an ultimatum: "put down your weapons, or we will not be polite." But these gangsters are walking on the edge of the sword every day. After hearing this, one of the gangsters was very energetic and rushed forward to shoot Ma Liang.

When the first shot was fired, the scene immediately became a melee. The two groups of people were in a head-on conflict.

Yang Yu and Yan Ling lean against the corner to avoid a part of the conflict, not to mention the two groups of people fighting, but also ignore Yang Yu. When Secretary Wang saw that the situation was not right, it was all elite troops or armed police, and there were a large number of people, so he wanted to slip away.

At this time, Liao was shot one after another, and the others fell down.

"Don't let him run away." Yang Yu yelled and ran after Secretary Wang. Yan Ling also followed. Secretary Wang runs very fast. For him, life is the most important thing. It's very easy to cultivate a new puppet next time.

After a while, they had already run out of the villa area. The suburb was empty, there were not many street lights, and there was still a dense forest behind. Secretary Wang hid himself in the dark woods.

Yang Yu also followed in and found that the woods were dark. He raised his ears and heard no footsteps. He knew that Secretary Wang was hiding.

At this time, Yan Ling also came. Yang Yu made a face to Yan Ling, and then Yang Yu said, "don't think that you can control the whole Yongjian city if you can control insects." Yang Yu said while walking, while Yan Ling was on the other side, always paying attention to the movement.

"I'll tell you. We've seen through your little skill of carving insects for a long time. We've also found experts to cure the insects. Once the mayor regains his consciousness, you will be a capital crime, and now you have a chance to atone for your sins." Yang Yu continued to say, quietly walking, looking around, deeply afraid of being attacked.

Secretary Wang, who was hiding in the dark, laughed to himself. Of course, he knew that there was no such expert who could cure his own insects.

At this time, Secretary Wang appeared from behind Yang Yu, but Yang Yu did not know. Secretary Wang raised his hand. But all this, Yan Ling but see in the eye, quietly walked from behind in the past, at the same time pulled out Xuanyuan sword. When Secretary Wang is ready to attack Yang Yu, Yan Ling takes the initiative and cuts Secretary Wang from behind. This Yan Ling is really fierce. Isn't Secretary Wang going to be cut in two? Can't you do it? But Secretary Wang seemed to have eyes on his back, and saw him exert himself.

I heard a bang. Yan Ling's sword fell on Secretary Wang's body, motionless and undamaged. On the contrary, it shook Yan Ling's hand. Then he hit the tree trunk and hit it seriously.

Unexpectedly, Secretary Wang is so capable?

"Ah! "Secretary Wang gave a big drink, and all his clothes were shocked. Suddenly, Wang's body began to expand. Finally, he became a shining Buddha.

"The Buddha is here. Don't be rude! "This four sided Buddha really has four faces, sits on the ground, is three or four meters high, and is huge.

Yang Yu looked at it and sneered, "do you still pretend to be Buddha in front of us? Do you think that if you are covered with the skin of Buddhism, the world will treat you as a God? I Pooh! I don't want to tell you who you really are! "With that, Yang Yu's left hand expanded and split toward the Buddha.

"Amitabha! "The four Buddhas also raised their hands, just like the hands of the Tathagata God, to greet them.

The two palms meet, and the earth shakes and the mountain shakes. Unexpectedly, the strength of both men is so great, especially Yang Yu, whose strength grows rapidly. Even he doesn't know it. Yan Ling is also surprised. With this palm, Yang Yu was shaken away, bumped into the trunk, and the trunk was broken.

And the four sided Buddha still didn't move.

As soon as Yan Ling saw it, he bit his finger and wiped his blood on Jianfeng. Then he yelled, "no name, no appearance, all the ways belong to the clan, and the sun and the moon attack strangely! "All of a sudden, the Xuanyuan sword was divided into two parts, two parts and four parts. There were dozens of them. They went to the four Buddhas and bound him.

The four Buddhas were tied hands and feet, trying to struggle. They found that the power of the sun moon sword was not low, and they couldn't break away for a while.

"Yang Yu, opportunity. "Yan Ling just cried out, Yang Yu had already jumped up and clapped his hand on the forehead of the four Buddhas. I thought that this palm would always beat his brain, but who knows, it was like beating on steel, which made Yang Yu cry.

But at this time, Yang Yu felt a strange change. At the same time, the Buddha's face changed.

What did Yang Yu find?

Yang Yu suddenly understood why he was just a pawn of soy sauce, and was so valued by the municipal Party committee that he still sent killers? Is that the only reason? When Yang Yu clapped his palm on the forehead of the four Buddhas, the black mark on the palm began to turn into lava again.

What is this? Yang Yu already knows very well in his heart. Before, he went to exorcize on chairman Qiu's Island and pulled out a nihilistic soul like creature. It's the same scene.

Yang Yu had an experience. This time, he was more skilled and pulled out fiercely. Suddenly, he was an empty translucent soul. What surprised Yang Yu was that the soul had four faces. The four side Buddha would not be able to catch him. With his fierce force, the sword was scattered one after another. He was about to split Yang Yu with one hand, but Yang Yu had already uprooted the soul. The nihilistic creature, like the four side Buddha, glared at Yang Yu with disgusting eyes. Finally, he was inhaled into the lava mark in Yang Yu's palm.

In an instant, the glittering four Buddhas were eclipsed and turned into Secretary Wang again.

"I got you at last." Yang Yu just breathed a sigh of relief, suddenly felt a nausea, suddenly something moved in his body, no, not one, Yang Yu felt a ball of eggs breaking out of the shell.

No, it's far from over.

Hospitals.

Yang Yu's face is very ugly. Opposite him sits a man, the mayor. But the mayor is tied up.

"Doctor, is there any way to get the eggs out?" Asked Yang Yu. Several doctors, all departments, surgery, Gastroenterology, related departments, the best doctors in the province were invited. But these famous doctors talked about it and finally shook their heads helplessly.

At this time, Ma Liang and Yan Ling came.

"Did he?" Yang Yu asked. Ma Liang shook his head. Yan Ling looks at Yang Yu, and some things still need her to explain. These people can't believe the soul. Now they still think that the person behind the scenes is the Secretary Wang. In fact, only Yang Yu and Yan Ling know, no, he is just a puppet or the host of the devil.

"He's just an ordinary wizard in the Jianghu. However, he does know how to kill insects and insects, but he doesn't know how to solve them, and he can't remember anything in a few years." Yan Ling said this to Yang Yu.

"How can you believe that?" Ma Liang was quite surprised when she heard Yan Ling's words. Judging from her experience in handling cases, this kind of magic wand deceives people everywhere. Now it's actually cheated to the municipal Party committee, and the face of the municipal Party committee has been thrown in.

When the wall fell, all the people who had supported the mayor's secretary turned against him. However, many of their officials didn't know the inside story. They were relieved when the mayor was still there.

However, the anti-corruption team led by the provincial Party committee was set up at the same time, and the Black Hawk gang and Murong group will have bad luck.

But the question is, what about Yang Yu and the mayor?

Are you waiting to die? Yang Yu vomited again. His face was pale, his eyes were congested, and he felt that he had completely collapsed. What made him more painful was that he could clearly feel that there were many small insects in his body, gnawing at his stomach.

Yang Yu understands why the Secretary of the municipal Party committee didn't eat, drink or sleep that month. He is in such a state now.

According to Dr. Zhang Jiande, you can live for a week. In this week, your internal organs will be swallowed up, and then you will die, and then you will become a living dead person. Why do you become a living dead person? It's the necrophagous insect that's doing trouble, resting, laying eggs and so on. A month later, the insect leaves the host and looks for the next host.

The lives of Yang Yu and the mayor are constantly passing by. The mayor's situation is even more serious. The reason why the mayor can live to the present is that Secretary Wang has the medicine to keep him alive. This medicine can make the insects out of dormancy, but it does not cure the root cause. It controls the mayor's words and deeds.

It's like taking drugs.

Last time, Yang Yu escaped from the attack in seven days. This time, Yang Yu doesn't want to be captured. So, out of the hospital, with Yan Ling, looking for a way to break the Gu.

Yang Yu first went to the erotic demagogue in Hongxing Village. Obviously, he didn't study insect demagogy, so he shook his head. Yang Yu then wants to find the spiritual medium of the last ghost marriage, but his family is in the northeast, so he can't find it. Moreover, Yang Yu can't find anyone.

As the days went by, Yang Yu became thinner and thinner. He didn't want to eat or drink, and he couldn't sleep because of the pain. And the famous doctors were even more hesitant. They could do nothing but talk. They see too many indicators. All of a sudden, there is a kind of disease. Without indicators, they are stupid on the spot.

Seeing that the time of death was approaching, the so-called antidote was finally delivered in the early morning of one night.

It's not so much an antidote as a test substance.

"Anyway, it's all death. What are you afraid of?" Yang Yu took it as an experimental drink first. Who sent the antidote? It's no one else. It's Dr. Zhang Jiande. These days, with Yang Yu's live insect, he studied all night and finally found a way to deal with it.

A week later, Yang Yu completely recovered, and the mayor also rescued him.

When he was discharged from the hospital, news was on the screen in the hospital hall: Murong group was suspected of drug trafficking and gun smuggling, and each leader had been arrested. Murong fled abroad with money. The municipal government tried its best to crack down on the Black Hawk gang. All members of the Black Hawk Gang's parliament were sentenced to death. But there was no broadcast about the death of the Secretary of the municipal Party committee or about the mayor.

Yang Yu looked at it and laughed with understanding. This is an all-round victory. He dug up the iron triangle in one go, which made Yang Yu smile bitterly. The mayor wants to recognize Yang Yu as his brother and thank him for saving himself from the world of insects and insects.

The mayor heard that Yang Yu was a teacher who supported rural education in every way. He not only allocated three more teachers to Yang Yu, but also asked the government to subsidize a lot of money to build schools and improve the teaching staff. Also, Zhang Liao was sentenced to indefinite life. Now, Luoxi was stupid. At the same time, she should also be involved in poisoning.

The happiest thing is Guo Yumei. Luoxi is in prison. Although he hasn't been sentenced, he really helps himself out and thinks of his deal with him.

Yang Yu's reputation has spread from the village to the municipal Party committee. Now, the leaders of the county Party committee are respectful when they meet Yang Yu.

However, there are several problems that Yang Yu still can't figure out.

First, why is the devil in secretary Wang's body all around? Is he really the soul of Buddha? It's impossible.

Second, in the past, people who were possessed by demons were unable to control their minds, including their bodies. Their bodies would rot, lose their humanity, and become zombies. The former village head, the second elder, and the daughter of chairman Qiu were all like this in three cases. But Secretary Wang was not the only one. Being possessed by demons, he could control people's bodies and minds.

Is this evolution?

Yang Yu is more worried. Where are these demons from? Will they one day be like an ancient invasion? Will it be the end of the world?

Yang Yu is going to go back and have a good look at the Bible, especially the chapter of revelation.

Detention house.

"Yang Yu help me, help me, I'm wrong, I'm really wrong." Luoxi cry, people also haggard a lot. Yang Yu didn't speak, just listened.

"You're an accomplice in murder. You can't get out of it if you don't do it for 20 years." Yang Yu is deliberately exaggerating. Although he is indeed an accomplice in the murder, Yang Yu is not dead. At the same time, without knowing it, he is expected to be sentenced to several years.

But even a few years, for a young flower model, has also been destroyed, not to mention her this kind of person, where can afford to jail? That's killing her.

"Please let me go. I'm willing to be an ox or a horse. You can treat me as a slave. I won't rob my sisters' boyfriends any more. I'll listen to you." Luo Xi grabs Yang Yu's hand and never puts it away. He looks at Yang Yu with praying eyes.

"I've been on the side of Yama." Yang Yu comes from the line of life and death. It's not so easy to let Luoxi go.

Luoxi was very anxious.

"I know. I know. I'm wrong. You can scold me and beat me. I'll be your woman in the future. You can abuse me, but don't let me go to jail. Woo! I'll be a new man. You believe me Luoxi is full of tears, did not expect, a moment of greed, in exchange for a prison disaster.

"I really don't want to help you, but I'm short of women recently." Yang Yu bit his nails and looked relaxed. Where is he short of women? All the women around Yang Yu can circle the earth. However, this time, the Black Hawk gang and Murong group fell, and the city's entertainment industry suddenly became vacant.

Yunu village's green food business is limited too much, there is not much room to play, since God has given himself such a good opportunity, Yang Yu wants to seize it. But whether it's a KTV or a nightclub, it needs some women, especially some beautiful women, young models, peripheral women, and even stars who have passed out.

At present, Luoxi's sisters can be regarded as strangers. They may still be useful. Besides, Luoxi doesn't really want to die. Women? Why kill them all?

Yang Yu has always been a tolerant man. Now that he's here, he's ready to get Luoxi out.

"I'm a woman. If you're not suspicious, I'll listen to you. I'll do whatever you want. I'll serve you. I have many sisters. They all admire you. I can introduce them to you." Luoxi immediately flattered.

"Well, if you really do as well as you say when you go out, I'll go to the judge and plead for you." Said Yang Yu.

Unexpectedly, in just two days, Luoxi was released.

Luoxi of course became a female dog, kneeling licking Yang Yu's female dog, this day, this female dog is ready to thank Yang Yu.

"Are you free in the evening? I want to serve you. I cooked it myself." Luoxi is talking on the phone.

"You're not going to drug me in the meal again, are you?" Yang Yu joked.

"No, No." Luoxi's tone has changed a lot, and her words are sincere. Maybe she is really changing her mind.

"But not tonight. The mayor invited me to dinner. I'll come to see you later." Yang Yu said.

It's true that the mayor invited Yang Yu to dinner. It's a Thanksgiving banquet.

Many people came to this Thanksgiving banquet. The municipal Party committee team, the provincial Party committee leader and the family members of mayor Hou Weinan, followed by Dr. Yang Yu and Dr. Zhang Jiande, were the two most meritorious people in this case.

"This time I recognized Yang Yu as my brother, and we will take care of him a lot in the future." At the dinner party, the mayor made the point directly.

I had a wonderful meal. Yang Yu naturally recognized his elder brother and drank a lot of wine. The most important thing is that he met a group of officials at the dinner table.

When the meal was almost finished, the mayor looked at it and said, "I heard you have a nightclub in our city?"

Yang Yu was stunned. His nightclub was very law-abiding. There was no gambling, no drugs, but a little yellow. It should not be banned, so he replied: "there was a nightclub that used to belong to Ocean Group, but later it was transferred to my name."

"Murong group has completely disintegrated, and entertainment has been hit a lot. I heard that you are interested in doing this?" Said the mayor.

When Yang Yu heard this, he was silly. The mayor was throwing an olive branch. He quickly replied, "yes, I've always wanted to do this. However, I go according to the national regulations and don't do anything against the law."

"Ha ha, I'll wait for you. My brother supports you. As long as it's not pornography, gambling and drugs, you can do it at ease!" Said the mayor, raising his glass.

Yang Yu later went back to think for a long time before he understood the meaning of the mayor's last words. He heard from Dr. Zhang Jiande that although the mayor had been infested with insects for a long time, he was sober in his mind. He knew everything Secretary Wang said and did, but what he said was completely out of his control.

The mayor is going back to the old way, learning from Secretary Wang, and building a new black-and-white three iron triangle. Yang Yu is a businessman, but when he wants to take the underworld with him, he thinks of Zhang Liang.

After brother Shan died, the gangsters in Yongzhou county were completely dissolved, leaving only a few gangsters. However, among these gangsters, Zhang Liang and brother scar are the two oldest gangsters. Yang Yu wants to take them and meet a new gangster. Gangs don't always do bad things.

After dinner, Yang Yu called the price and drove to Luoxi's rental house. And Luoxi has been waiting for long time. Mujing avoids it and gives Luoxi a chance to serve Yang Yu.

When Yang Yu knocked on the door, he saw a different Luoxi.

Luoxi didn't wear underwear, just a scarf around his chest.

"Are you a maid?" Yang Yu saw that Luoxi's whole buttock was completely exposed. He patted it heavily and joked.

Luoxi, ouch, knelt down in front of Yang Yu and said, "do you like it?"

"You kneel like a bitch!" Yang Yu doesn't stand. He sits on the sofa, smelling of sweat and wine, and hasn't taken a bath.

"I'm a female dog you keep. Do you want me to get the chain?" Luoxi came from the ground and sat there like a Japanese.

Yang Yu specially touched the head of Luoxi, just like a female dog, and said with a smile: "if you are so obedient and serve me well, I will not only take you to meet senior officials, but also give you good jobs to earn money, and even make you great."

"Really?" When Luoxi heard that Yang Yu was going to give her the three things she wanted most,

namely, official, money and name, they were not in full bloom!

"Of course, really, but tomorrow you have to accompany me to apologize to Guo Yumei. "Yang Yu said that he had to give Guo Yumei some sweetness and return the deal by the way.

"I'm your female dog. All dogs are in the master's charge. "Luoxi was still very happy and continued:" let me serve the master for a while. The master will close his eyes and enjoy it. "

Yang Yu smiles, leans on the sofa, closes his eyes and has a rest. Then he only feels that Luoxi is taking off his pants. Then, a certain part of his body becomes comfortable in an instant.

That night, Luoxi served Yang Yu well.

It's not too much to say that she's a female dog. She's very skillful in everything, especially in technique. More importantly, Luoxi is obedient, especially when Yang Yu wants to pee in the middle of the night, you can't figure out how Luoxi serves.

Yang Yu had a good sleep. When he woke up, Luoxi prepared a rich breakfast.

Let Yang Yu treat her differently. I didn't expect that Luoxi has changed so much. Is it true that he has reformed?

After breakfast, Yang Yu takes Luoxi to find Guo Yumei.

"Sister Yumei, I'm really wrong. I shouldn't rob your boyfriend. Would you forgive me?" Luoxi is still kneeling on the ground, begging for the forgiveness of Guo Yumei, who has no expression on her face. Guo Yumei was very angry, but when she thought that her boyfriend was not a good thing, her hatred for Luoxi was reduced by half.

Now, Luoxi apologizes so sincerely to himself that he has a lot of face. Finally, under Luoxi's coax and pray, he finally forgives him and becomes a sister again.

"You go back first. I have something to talk about with Yang Yu." Guo Yumei finally said.

"You" Luoxi didn't expect to be very interesting and left happily. Before leaving, he didn't forget to say: "brother Yang Yu, have a good time."

Yang Yu smiles and shakes his head.

Luo Xi's door just closed, do on the sofa, Yang Yugang want to say: how? Are you satisfied? Who knows, as soon as Yang Yu looks up, she finds that Guo Yumei has taken off her clothes. Suddenly, she stands naked in front of Yang Yu.

Yang Yu was stunned for a moment, but didn't expect Guo Yumei to move so fast, and said: "I don't

want you to force yourself to follow me because of your gambling appointment"

before Yang Yu finished his words, Guo Yumei rushed over and sealed Yang Yu's mouth, and immediately became like a rabid female dog even crazier than last night's Luoxi, eating at Yang Yu's tongue.

"You're a bitch, too!" Yang Yu thought.

Chapter 466

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

[+ - Turn off](#) [Reset](#)

Yang Yu was a little reluctant to leave here after the two bitches took turns.

However, more people are reluctant to let Yang Yu leave here. Zhang Liang wants to invite Yang Yu to dinner because a new gang will be set up soon. Lord Qin wants to invite him to dinner because the biggest competitive hotel in the county has been demolished. Xie Tianshi has also lost a lot of money this time because he has a little cooperation with Murong group and needs to flatter Yang Yu. Yang Yu's classmates and friends invite him to dinner because now everyone knows that Yang Yu is a good friend. The red man of the municipal Party committee is the dry brother of the mayor.

Yang Yu doesn't have the skill to separate himself. He's going to eat Zhang Liang's and Lord Qin's meals. He's going to push everything else.

It's still the roadside stall of high school. A bowl of fried screws, a big bowl of fried powder and a few bottles of beer are the food Yang Yu misses most.

This time, it's the same.

It's just that things are right and people are wrong. Han Hu is no longer here, but brother scar.

"Seven years ago, the three of us were here, and we vowed to do a big fight. I didn't expect that today, we can still encounter this kind of thing. Let me have a drink first!" Yang Yu was in a very good mood. He raised his glass and drank it. Yang Yu just finished drinking, poured another cup and offered a toast to brother scar:

"brother scar, we used to have some grudges, but now brother Shan is dead. I'll give you a toast. How about all the grudges in the past Yang Yu opens his mouth. Brother scar sees that he is so forthright. What's his opinion?"

"Well, you'll be big brother in the future. I'll listen to you. Let's do something." Brother scar naturally knows that now that Yang Yu is the mayor's brother, he has a backer, so it's different.

This meal, and eat out of the brotherhood.

As soon as we finished eating here, we went to the hotel not far away to find Mr. Qin. However, we can't eat this meal any more. We can drink tea. It's in the special box of Lord Qin's hotel. Lord Qin also invited some leaders from the county. These leaders are not small. They are all powerful figures in the county. Compared with the city, they are nothing.

But when they met Yang Yu, they were respectful. It was as if they had met their ancestors. They all came to flatter each other. Yang Yu just echoed on the surface, nodded and said, "I will say something nice in front of the mayor."

In a place full of power and money, Yang Yu can't stay for so long. The only thing that makes him feel at ease is Qin Shu and the two people sitting beside him. They talked a lot this time. Maybe they can't talk with the officials.

After dinner, Mr. Qin sent off the leaders of the county Party committee, leaving Mr. Qin and Mr. Qin Shuhe.

"Yang Yu, you have drunk. Shu and you can send her back to our house to sleep." Qin ye said, this sentence is intentional.

Yang Yu didn't plan to go to Qin Ye's house to sleep. It's inconvenient, and Qin Shuhe doesn't welcome Yang Yu so much, at least he won't take the initiative. Yang Yu originally intended to sleep with Su Xinqi. It's comfortable and can be used as a young model. It's not good enough. He can go to Qiu Yan's side. Yang Yu likes to hear Qiu Yan yell, "brother-in-law, no, brother-in-law, No."

This "brother-in-law, don't" always makes Yang Yu feel numb. What's more, there are always a group of female students eavesdropping on them outside the door.

Yang Yu's head has been very dizzy, he looked at Qin Shuhe, look at her attitude and then decide, who knows Qin Shuhe took the initiative to help Yang Yu for the first time.

"You're drunk. I'll take you back to rest."

Listen to this sentence, Yang Yu just dizzy did not stop, drink too much, the whole person fell in Qin Shuhe's arms, and then fell asleep in the past.

When Yang Yu opens his eyes for the second time, he finds that Qin Shuhe is taking off his pants.

"Are you awake? Do you want to have a bath." Qin Shuhe asked. Yang Yu is a little flattered. Qin Shu and such a noble woman have never seen Yang Yu. Now they are so gentle and virtuous to him. What happened to Qin Shuhe? Yang Yu was still wondering.

"No, I can't sleep without it." Yang Yu patted the forehead, and Qin Shuhe went back to the bathroom to let the water go.

When Yang Yu was in the bathtub, someone knocked at the door.

"Underwear and clothes at the door." Qin Shuhe said. Yang Yu gave a reply and went on washing. After washing, he put on his new underwear, but he didn't bother to wear his clothes. After blowing his hair, he went to bed. However, at this time, his spirit was much better.

At this time, there was another knock at the door.

Yang Yu called please come in, Qin Shuhe came in with a cup of tea. But Yang Yu was stunned. What can a cup of tea shock Yang Yu? Of course, it's not because of tea, but Qin Shuhe has just taken a bath, looks like a lotus in water, and is still wearing a silk nightgown.

Yang Yu likes young women to wear silk nightdress most, because it's very comfortable to touch and it's very comfortable to hold. This is the first time Yang Yu has seen Qin Shuhe in his pajamas. Yang Yu can only sigh that this noble Qin Shuhe's tofu is beyond his reach.

Qin Shuhe looks at Yang Yu and finds that he has been propped up somewhere. He is embarrassed.

Just as she was about to leave, Yang Yu said, "Shu and elder sister?"

"Well?"

"Before, I always thought that we were people of two classes, or people with generation gap. You are noble and unattainable. I am rustic and sunken." in the middle of Yang Yu's words, Qin Shuhe couldn't help laughing and interrupted: "I've never thought about it like this, just""Just what? "Yang Yu felt that he had found a breakthrough.

"It's just that you are younger than me, and I care about this more," Qin Shuhe said, pulling her hair. Yang Yugang wanted to retort, Qin Shuhe continued: "however, you are really mature. Maybe I am worried too much. All right, good night. "

seeing Qin Shuhe rarely smile, Yang Yu also has some ideas: is Qin Shuhe finally interested in himself?

In the early morning, a breeze is coming. It's not that hot summer.

Back to Yunv village.

The mayor assigned three teachers to help. All of a sudden, Yang Yu's work was liberated. I also give my math lessons to others. I teach sports, music and art. I work as a part-time principal.

With government funding, the old haunted house has been renovated, and many rooms have been arranged to provide accommodation. At the same time, the food has been greatly improved.

But now Yang Yu is most concerned about his own house. The house originally took three or four months to complete. Now, with the help of the villagers, it was finished in a month and a half, and the rest was not decorated. The decoration was also contracted to a decoration company, which gave a 50% discount in the face of the mayor.

Looking at this small and exquisite villa with five zang organs, Yang Yu is still very happy. It's his favorite style. It's the kind of French countryside. It's different in this bathing girl village. Always wanted to hit the country house, now finally have.

In fact, Yang Yu doesn't have much money now. Although there were tens of millions and hundreds of them invested in the vegetable basket company before, the last time he was attacked by Murong group, he suffered a heavy loss, and then he lost millions to build a house, buy a car, give some money to his parents, relatives, cousins and sisters, so there is not much left.

Fortunately, chunse nightclub has been making profits, and the momentum is very good. Especially after Murong group was terminated, the recent business is terrible. Yang Yu arranged to open a chain store overnight, and now the chain store is still in the process of decoration and signboard. This is why Yang Yu needs these girls to support him when he wants to get Luoxi out.

This class relaxed, Yang Yu also has the mood to take that group of female teachers joke, even play ambiguous. Li Ruoshui certainly knows, but sometimes, as long as Yang Yu doesn't go too far, he will open and close his eyes. However, there are many people in the school, and Yang Yu does not dare to mess around.

This day, the school attic lunch break.

The attic now dare not bring female students or teachers, because there are people downstairs, or even next door on the second floor. In case of doing that, the woman's voice will be heard by the whole room.

Someone knocked at the door, Yang Yu called, please come in, come in is Yang Lin.

"I heard you drove a four faced Buddha in the city? And almost died there. Did that palm break several ribs?" Yang Lin asked.

"How do you know?" Yang Yu is lying on the bed and wondering.

"Then you really need to look for the thirty gold coins when you have time, and you can soak the beauty Leng Xiaoxue by the way." Yang Lin said and left.

Yang Yu is left alone. Why should I have something to do with the dirty thirty gold coins of traitor Judas? Yang Yu just wants to get involved with women. When it comes to women, they come. Chen Yunmei came with a cup of tea in her hand.

"Your room is much better." Chen Yunmei takes a look and sits by Yang Yu's bed.

"If you like, you can come here to sleep." Yang Yu said with a smile.

"I dare not come. What if you take advantage of me?" Chen Yunmei said, although she doesn't like the countryside very much, it's inconvenient for anything, and she's haunted by ghosts and Zombies!

"Don't ruin my reputation, will you?" Yang Yu is lying on the bed, playing with his mobile phone.

"Last time I walked with you twice, you took advantage of me. If I sleep here, who knows if you will come in quietly." Chen Yunmei said after a sip of tea.

At this time, suddenly, Yang Yu got up, hugged Chen Yunmei from behind and said with a sly smile: "it seems that someone had a good kiss with me that time." Yang Yu said and touched Chen Yunmei's thigh with both hands. Do you think Chen Yunmei is a man? That's not good.

Chen Yunmei is a city dweller. She has been in love several times. She is fashionable and open-minded. Before she came to the countryside this time, she had already split up. Is there no lonely man in the city? Chen Yunmei is now in this situation.

Usually in the city, a lot of men around her, now suddenly found that there are no, or there are, all in wechat, want to find a man to accompany in this school, this village, is more difficult than ascend the sky, this night, is a night owl, she can't sleep at all, bored to the extreme, those male micro friends always send her that kind of picture, let her several times have to rely on hand to solve the problem.

Yang Yu, the only man, is OK, but he has a girlfriend. Yang Yu sometimes thinks that Li Ruoshui is an obstacle to him to pick up girls, but he can't break up and can't bear to break up, so he can only steal the fish with Ruoshui on his back. As a result, I stole all the women around me. Two elder sisters, girlfriends, colleagues and students all steal from Yang Yu. Although Ruoshui knows something, he didn't expect Yang Yu to steal so much. "Where do you feel?" Chen Yunmei pats Yang Yu's hand.

Yang Yu no matter, still continue to touch the depth of the thigh, touched the underwear.

"Wow, wet?" When Yang Yu said this, Chen Yunmei jumped up in a hurry and struggled from Yang Yu's arms. Tea splashed all over the floor and said, "what are you talking about?" He pretended to be angry and left.

Yang Yu raised his hand to observe. It was true that there was something wet and sticky on his fingers. This is still felt through underwear? Isn't that underwear already covered?

After school, Chen Yunmei quietly said to Yang Yu, "it's boring here at night."

"Do you think so?" Yang Yu said bluntly.

"You're talking nonsense again. Be careful I hit you." Chen Yunmei said solemnly.

Yang Yu won't give her face, so he said, "if you want to be a man, come to me. If not, I'm very busy."

"You" Chen Yunmei stamped her feet angrily, and when she left, she added: "I won't go to you. You dream."

"So fierce," Yang Yu muttered, and went to the village committee office for a meeting. Yang Yu of the village committee and the school should take into account, so many things of the village committee, Yang Yu will put them after school or on weekends.

At the village committee meeting.

"It's just a regular meeting. I wasn't in the village some time ago. Is the village OK?" Yang Yu asked. It is necessary to hold a regular meeting to learn about the village head. Zhao Hai and Li ruorong both reported their work and everything in the village was fine.

This makes Yang Yu feel at ease. It is the responsibility of the village committee to let the people live a stable life.

"Last time Wu's son played, he accidentally fell into the well in his backyard and died. Recently, the village has also compared this matter, "a village cadre said.

"Yes? Why are you so careless?" Yang Yu listened to the heart for a while, also very sad.

"Yunu river is so rich in water, how can there be wells?" Li asked. Yang Yu was curious.

"It's an old well. The liyunu river where the Wu family live is far away, so we drilled a well. It should have been decades old. In fact, it was sealed long ago, so we didn't use it." Said the village cadre.

"Since the well is sealed, how can the child fall in?" Yang Yu asked.

"I don't know." The village cadres answered.

And that's the end of the meeting.

"I heard you're going to have a nightclub?" Li ruorong stopped Yang Yu and asked.

"How can you be so well informed?" Yang Yu was surprised.

"The village is suffocating, and you're not here all the time. Why don't you go out to work if you don't have a foreman in the nightclub?" Li said.

"I won't look for you if I'm short of people. Nightclubs are full of people and dirty places. You're my

girlfriend. How can I let you go to those places? Besides, your father doesn't agree. " Yang Yu said that he would not push a good woman into the fire pit.

"Aren't you here? You won't watch me? Besides, when I go to bed with you, I'm still the first night. Do you think I'm a casual person? " Li ruorong returned.

"It's black to see ink. Environment can change people." Yang Yu never agreed.

"Think about it. "Li Ruo Rong said and left.

Yang Yu Leng is there, think: my that place, really can let the pure and clean woman go? Are they capable of protecting me? The answer is: No.

Yang Yu transferred almost all of his food basket company to his aunt. Her cousins were in charge of the company, and they also made a lot of money. This money, though not much, is enough to make the family rich.

"The third sister called you several times, but you didn't answer. You were crying. Would you like to see her this weekend?" The little aunt knew what the third daughter was thinking.

Yang Yu was so that he remembered that he had not been in touch with his third sister, Han Qingfang and Zhang meiruo for a long time.

For some people, the time of tonight passed quickly, but for Chen Yunmei, it passed slowly. Chen Yunmei has been in bed for a long time, but she can't sleep. She tosses and turns, and those wechat friends send her pictures again and love her. This makes Chen Yunmei hot all over her body and miss men more and more.

"Did you sleep?" Chen Yunmei finally sent a message to Yang Yu.

But wait, wait, just don't wait for Yang Yu's reply. At this time, Yang Yu was hiding in her cousin's room on the second floor, kissing her on the bed. No, it was an exciting kiss. Yang Yu's hand is a little irregular, and his cousin's thigh has never been touched. He wants to touch it all the time.

Cousin pushed away Yang Yu, glared at the pressure on his cousin, said: "do not touch."

"You are my girlfriend, why can't I touch it?" Yang Yu thinks he is reasonable.

"If water is your girlfriend and cousin is your girlfriend, how many girlfriends do you have?" Cousin Li Yuanxi asked.

"Just a cousin." Yang Yu said, and pressed up to kiss her cousin, two tongues entangled together.

After Yang Yu came out of her cousin's room, it was already eleven o'clock before she went to her attic.

When she was lying in bed, she found Chen Yun's hairdressing message and said, "do you miss a man?" "No!" Who knows, in just two seconds, Chen Yunmei came back.

"Again, do you miss a man? If not, I'll go to bed. If so, I'll go to you. " Yang Yu is very direct.

"Can you be more tactful?" Chen Yunmei replied.

As a result, Yang Yu did not return. On the contrary, Chen Yunmei was more anxious, so she had to harden her head and say, "OK, you come to me!"

"You haven't said, do you want to be a man?" Yang Yu asked.

"That's it, that's it, all right? Are you coming? " Chen Yunmei can't take care of so much now. She is forced to say.

"Then I see you, can I go directly to you?" Yang Yu is still pressing questions.

"Go away! Of course not. " Chen Yunmei replied. Yang Yu laughed and thought: it's clearly a female dog, but she still pretends to be pure. However, Yang Yu is really interested in this kind of Coquettish female dog recently.

"See you in the attic!"

Chapter 467

[+ - Turn off](#) [Reset](#)

The attic didn't turn on the light, but when Yang Yu went in, he found that Li Yunmei was already inside.

Yang Yu quietly closes the door, and Chen Yunmei immediately pours on him and puts her arms around Yang Yu. Yang Yu grabbed her buttocks with both hands and picked her up and went to bed.

"Do you miss a man?" Yang Yu caresses Li Yunmei's cheek and completely presses her. He finds that she is red and hot all over. Seeing that Yang Yu insults herself so much, Chen Yunmei doesn't choose to retort, and she even acquiesces.

"Are we really going to do it here?" Yang Yu asked again.

"Is there a problem?" Yang Yu kisses Chen Yu gently on his face.

"Of course, there is a problem. The attic is surrounded by wooden boards, and the bed has almost no sound insulation effect. The bed boards will squeak after waiting, and you will be yelled by me. It's estimated that everyone in this old house can hear the sound. Aren't you embarrassed?" Yang Yu said with a smile.

"What's the embarrassment? Although all the students live here, they miss men more than I do. When they hear my cry, it's too late to be envied. What's the embarrassment of being envied? You're afraid they'll find out and pass it to Ruoshui's ears?" Chen Yunmei has no sense of shame. She has done more crazy things in the past.

After hearing this, what else did Yang Yu worry about?

Three under five divided by two, two people have been naked together.

In the dead of night.

Most of the students downstairs have already gone to sleep, but neither Zhang Ziru nor Lin Zhiyu has. At this time, they heard the cry from upstairs and the sound of the bed board crashing. The cry became louder and louder. Chen Yunmei had completely let herself out.

This call woke up all the girls downstairs.

Chen Yunmei's cry resounds in this old house, which also makes the group of students downstairs ready to move. Zhang Ziru and Lin Zhiyu can't help it. They know very well in their hearts that their own teacher Chen upstairs is now under the pressure of headmaster Yang, and they are working frantically.

"I want it, too!" Zhang Ziru thought to himself.

This war has lasted for a long time. Chen Yunmei has never been so happy.

Early in the morning.

Dewdrops flow down the grass leaves, like someone's ketone last night.

As a rule, if someone is missing in the village, Yang Yu has to visit his family. If the second son of the Wu family is missing, Yang Yu has to go alone.

"I've looked for all the places I need to look for. There's really no trace. It's like evaporation from a secret room." Wu Kun said.

"So weird? Are you sure the child hasn't left home?" Yang Yu asked again.

"My second son's IQ is also a bit of a problem. He is usually afraid that he will be lost and is locked at home. When I came back that day, the doors and windows were locked, leaving a yard. The wall is so high that he can't climb out." Wu Kun replied.

"Uncle Wu, your old house is so big, it's really easy to hide a person, I think the child may be," Yang Yu continued.

"No, first, my son is afraid of the dark. He will cry when he stays in the dark. Second, he has searched all the corners of the old house on the first floor and the second floor, including the rice straw heap, boxes, cabinets and under the bed. There is no shadow. It's really the same as evaporation in the world. Puxian Bodhisattva said that my son will evaporate. I couldn't figure it out at that time. Ah." Wu Kun said with emotion.

"What did you just say about the Bodhisattva?" Yang Yu asked curiously, but didn't hear clearly for a moment.

"Last week, my wife and I took these two sons to Puxian temple in Miao village to pay homage to Puxian Bodhisattva. The Bodhisattva told us that if my son was in trouble, he would disappear. Let's watch. We've been watching very closely. Who knows, something happened. Why, village head Yang, don't you know the Puxian temple?" Wu Kun asked.

Yang Yu really doesn't know that he doesn't believe in Buddhism or Christ, but his parents believe in Buddhism and his milk master believes in Christ. When he arrives at Yang Yu, he believes in power and money.

"What else is so accurate?" Yang Yu curiously asked, these are just talk, said more, there is always one, this in a pass, reputation came out.

"It's said that the true Bodhisattva came down to earth. It's out of order. Would you like to pay homage to him too?" Uncle Wu Kun said that when he said about the Bodhisattva, Wu Kun became energetic.

"Then why doesn't the Bodhisattva tell you directly where the child has gone?" Yang Yu asked back, he is a wry smile.

Wu Kun couldn't answer the question.

"Uncle Wu, please show me around again. Let me have a look." Yang Yu has come, but he still needs to go around. Maybe there are some corners that they haven't left behind. Wu Kun took Yang Yu to look for all the rooms, especially the second floor. It was an old house with few people living in it. It was black and painted inside, and he took flashlights one by one.

I went through the whole house without any trace or any place for Tibetans.

"Uncle Wu, is there any place you haven't visited?" Yang Yu asked.

"Yes, there used to be a woodshed in the backyard, but it has been abandoned for many years, and the door of the backyard is locked. Most kids don't go there Wu Kun replied.

"Let's go and have a look." Yang Yu said. They went to the backyard. There is no difference between the backyard and other buildings. On the left is a wall, which is very high. There is a pear tree. In front is a

mountain, which can't be climbed. On the right there is a door. It's just that there's no one who comes to the virtual room.

"The yard has been deserted. I haven't been here for several years. The doors are locked," Wu Kungang said. He found that the door was not locked.

"Didn't you say the door was locked? "Yang Yu's eyes are very sharp. He can see them immediately.

"Yes, strange. Who opened it? "Wu Kun also felt confused. Two people push the door and enter, what imprints into Yang Yu's eyes is a weed, there is a firewood room on one side indeed.

"This weed hasn't been removed. I didn't expect it to grow so high." Wu Kun said. When they went to the Chaifang, Yang Yu turned around and looked at the weeds. They were very luxuriant and the breeze was blowing on the Buddha.

They strolled around the Chaifang and found that there was no place to hide at all.

"Certainly not here. My child will not come here. " Wu Kun said with certainty.

"Have you ever checked this weed?" Yang Yu pointed to the weed and asked.

"It seems that I haven't looked for it yet," Wu Kun thought and said.

"Uncle Wu, let's look for it separately." Yang Yu said, took a firewood, toward the weeds. This is a small courtyard, and the area of weeds is not large, but the weeds have reached Yang Yu's knee. If someone lies in the weeds, they can't be seen outside, so they have to go in and look for them.

The weeds are dense. After Yang Yu goes in, he always feels cool and uncomfortable.

Yang Yu was walking inside. Suddenly, he saw a well.

"Uncle Wu? Uncle Wu Yang Yu called out. Uncle Wu rushed over and asked, "what's the matter?"

"Why is there a well here?" Yang Yu asked, this village has plenty of water, few people still dig wells to drink water. The well is round and its mouth is sealed by a big stone. The stone and the well are also densely covered with moss. It seems that the well has been abandoned for a long time.

"This well was dug by my grandfather. When I was young, this well was no longer used. It was always sealed with stone. Look at the moss on the stone. It won't grow in decades." Wu Kun said. Originally, Yang Yu was still a little suspicious. He was introduced by Wu Kun. In addition, he was really covered with moss, and there was no sign of moving. He thought that the child could not fall into it.

They continued to look for the weeds, but there was nothing, so they had to go out. Wu Kun specially locked the door.

Out of the house, Yang Yu felt really incredible, how could this person evaporate? There's no trace. It's like killing people in a secret room. It's weird.

"It's not in this room. Is it possible for the child to come out?" Yang Yu asked.

"No, first, my child won't come out and is timid; second, when I come back, the door is locked, so he can only climb the wall. One wall is about 20 meters high and can't climb down. The other wall can climb, but there is no trace outside the wall. There is a piece of land below and no footprints on the ground. Besides, what's my son doing out there?" Wu Kun said.

By Wu Kun so said, Yang Yu also by this strange missing hanging enough appetite.

There are many people who are missing for no reason in the world, but if they really meet, Yang Yu can't believe it. Yang Yu met his girlfriend Li Ruoshui on his way home.

"Our family wants to pay homage to incense tomorrow and ask for a autograph, or shall we also ask for a autograph?" Li Ruoshui took Yang Yu's arm and said.

"Do you still believe that?" Yang Yu asked with a smile.

"I'd rather believe in something than nothing. My whole family will go. Do you want to go too? By the way, it's OK to ask for a marriage or a business. Don't you always come across some strange things recently? Is it all right to ask for peace?" Li Ruoshui's mouth is very sweet.

Yang Yu thought about it. Tomorrow is the weekend, so he is supposed to visit his third sister. However, in the morning, he will accompany his girlfriend to make a pilgrimage, and in the afternoon, he will go to the county town in time, so he said:

"OK, then which temple are you going to?"

"Needless to say, it's the Puxian temple in Miao village. It's the most accurate one there." Li Rongshui said happily.

Chapter 468

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

[+ - Turn off](#) [Reset](#)

After returning home, Yang Yu specially inquired about Puxian temple.

"That temple is really accurate and famous." She said.

"It's true. I've calculated it. I've asked for marriage." My cousin said as she ate.

"Your marriage to ER Gou?" Yang Yu asks curiously.

"Yes, I didn't want to marry him at that time, so I went to ask for it. As a result, I asked for one word: Huang." "Later, it was really yellow," she said with a smile

Yang Yu is a mouthful of blood is angry, your marriage is I help you stir yellow, OK? What about the merit of the Bodhisattva? Yang Yu shook his head angrily.

"However, the most accurate thing for Puxian Bodhisattva is to see through life and death and predict the future!" My aunt interrupted.

"See through life and death? Predicting the future?" Yang Yu was stunned. This is too much. Does he really take himself as a God? Before Yang Yu claimed to be the Secretary of the Buddha, he didn't believe in the Buddha.

"Lin Yina's grandmother next door also went to see it. As a result, the time calculated by Puxian Bodhisattva and her real time of death are not less than one minute. There are many other things like this. For example, Wu Kun's son was also counted as life and death this time." Yang Yu didn't expect that she even knew about the disappearance of Wu Kun's son. It's no wonder that the village is so big and the news spreads quickly.

"This time again?" Yang Yu asked.

"It's a few days short this time. Today seems to be the seventh day that Wu Kun's son disappeared, right? What the universal Bodhisattva calculated is to die today. " She continued.

Yang Yu and Zou frowned. It seems that they will go to have a look tomorrow. How accurate is this Bodhisattva?

It's very early to worship incense, especially on the way.

I got up at three in the morning and went out at four. Li's family, plus Yang Yu. Li Ruoshui holds Yang Yu's hand with a happy expression. Yang Yu occasionally turns his head to secretly aim at Li Ruolan and Li ruorong. This kind of furtive feeling makes people feel evil and exciting.

"Is this Bodhisattva as accurate as the rumored one?" Yang Yu raised this question again.

"Well, she can predict death." Li Ruoshui answered immediately.

"How can a fool want to know his death day?" Yang Yu shakes his head and says with a smile, if you know when you will die, how can you live this life?

"That's not true. Some terminally ill patients want to know whether they can survive the disaster. Anyway, they are all dead." Li ruorong chimed in.

"Many people in the nearby village have seen it. They all foresee that one will die and the other will die. However, not everyone can meet a Bodhisattva. It needs fate." Secretary Li said.

It's a long way to Miao village. There's a road leading to Puxian temple at the foot of Miao village. It's very high and hidden. It's built in a stone crevice. It's a super road. You can only walk with the railings. But it's said that no one has ever fallen down such a steep road.

When Yang Yu came here, the road was already full of people. I didn't expect that so many people came here to worship. The famous temple is full of incense.

The line was long, watching people go in and out, some of them were full of spring, some of them were eclipsed, some of them shook their heads bitterly. It seems that these people are all here to see Puxian Bodhisattva. After waiting in line for two hours, it was Yang Yu's turn. Instead, he put in some incense money first. Secretary Li put in some red Chairman Mao, and Yang Yu followed him. Everyone closed their eyes. Li Ruoshui pulled Yang Yu over and made a wish together.

Yang Yu thought, what should he wish for? Money is an external object. Power is a good thing, but it's very dangerous. Only women are good things. Yang Yu thought: make a woman's wish. Let all the girls I've been with live in harmony and love each other. Only half of Yang Yu's wish has been made. Then he heard Secretary Li ask a nearby nun, "I don't know if I'm predestined to meet the Bodhisattva?"

The nun pointed out and said, "the benefactor's life is not good. Fortunately, you have three blessed daughters who help you overcome your bad luck and do less bad things in the future. When we have a chance, we will naturally meet the universal sage. After hearing this, Secretary Li's forehead was in a cold sweat, and he said thanks again and again.

Yang Yu looks at the nun. She is only in her twenties. She has a pretty face, and her skin is better than snow. Her eyes are very indifferent. This kind of indifference is out of the world. Wearing a Taoist robe, she really feels like the lights are fading.

Secretary Li bowed to say goodbye. Yang Yu nodded politely to the nun, and then followed Secretary Li out. However, just as he was about to step over the threshold, the nun in the rear said, "benefactor, please stay."

Everyone turned back. The nun looked at Yang Yu and said, "Puxian Bodhisattva said," you and I are predestined to each other. Let's talk about it. "

Yang Yu looked at the nun, looked back at the team and Secretary Li, pointed to himself and said, "are you me?"

The nun nodded.

Each member of the team looks at Yang Yu with envious expression. Yang Yu is a fool who can't touch

his head. He doesn't deal with Buddha on weekdays. How can he be predestined with Buddha?

Yang Yu didn't know whether it was fate or not, but he didn't ask about life and death. But other people's Bodhisattvas said that it must be predestined, so they followed the nun. Everyone's envious eyes almost fell off. "I've been here for five years, and I haven't seen Puxian Bodhisattva once. This boy, I saw him the first time I brought him here. It's really" Secretary Li shook his head secretly, and he was very jealous.

Yang Yu followed the nun, walked behind, bypassed the hall of Bodhisattva statue, and entered the backyard. The backyard was a small bridge with flowing water, birds singing and flowers fragrant. The layout was beautiful and quiet. After walking through a corridor, he came to the wooden door of a room.

"Master, here comes Yang Yu." The nun responded, but there was no sound from inside. Then the nun pushed the door in and invited Yang Yu in.

It's a big room. It's a wooden room. The room is divided into two pavilions. There are chairs on both sides of the outer pavilions. There is a man sitting in the cabinet. There is a curtain in the middle. The curtain is indistinct. You can see it, but you can't see it clearly.

Yang Yu took a special look at it, but he couldn't see it clearly. He said in his heart: is this the true Bodhisattva of the legendary sages? Is that true? Or is it just a stick? Or just hearsay?

"Sit down, benefactor." The nun said and poured a cup of tea for Yang Yu.

Yang Yu doesn't speak. He doesn't speak on purpose. Others are here to ask for a lot, but he doesn't. He thinks: I usually get a girl at most. I steal other people's wives. I don't do too much. What's more, I've been promoting good and eliminating evil for the sake of the people and students. What can I ask for? I feel at ease.

"You really have nothing to ask for?" The Bodhisattva said suddenly.

Yang Yu Leng for a while, Zou tight brow, surprised way: you know what I think in my heart?

"Color is a knife on your head. You must have suffered a lot from it." Said the Bodhisattva.

Yang Yu was stunned again and was even more surprised. He thought: does this Bodhisattva really know something? But what? Yang Yu still refuses to speak. She just wants to hear what the Bodhisattva can say. If she can tell some secrets that others don't know, he will believe it.

"Three days later, someone will come to you, but this time, you may not be able to escape the robbery. So I have prepared a brocade bag for you, and you will be able to use it." With that, Puxian Bodhisattva handed over a brocade bag. The nun rushed into the cabinet, took it and handed it to Yang Yu.

A very common red brocade bag.

Yang Yu thought: don't make it so mysterious, OK? Open it. What is it? Hit you in the face on the spot? Forget it. People are bodhisattvas. Even if they are fake Bodhisattvas, they should respect them. They are not the four faced Buddhas who have committed crimes and killed many people in the municipal Party committee.

"What else do you want?" Said the Bodhisattva.

This time, Yang Yu had to speak.

"I heard that Bodhisattva's life and death sign is very accurate." Yang Yu said.

"Why do you want to live and die?" The Bodhisattva returned.

"Life and death are life and death. Let him go. Everyone has to be turned into dung and moisten the earth. But I want to ask for a signature." Yang Yu said.

"He said

Although Yang Yu didn't believe in the legend of this Bodhisattva, he didn't ask for life and death, marriage, rights, and fame. So Yang Yu said: "I heard that Wu Kun of our village came to ask for a sign before. You gave his second son life and death. Now his second son is really missing, and your day of life and death has arrived. I want to ask for Bodhisattva SA asked for another autograph. Where are the bones? "

When asked this question, Bodhisattva Puxian smiles.

"Very few people come to me and ask for others' autographs instead of their own. I'll give you a hexagram: the bones are where there is water."

Yang Yu was stunned for a moment and bowed: "thank you, Bodhisattva!"

The nun sent Yang Yu out of the room.

As soon as Yang Yu came out, the people of the Li family surrounded him. Secretary Li quickly asked, "what's up? Did you see that? What did you say? "

"Yes, I didn't say anything. However, as Ruoshui said, I came to ask for a peace talisman. As a result, Puxian Bodhisattva really gave me a peace brocade bag." With that, Yang Yu showed off the brocade bag.

Everyone is envious.

"I haven't asked for it for several years. The first time you came here, you asked for a peaceful talisman. How can you be so lucky?" Secretary Li was secretly distressed that he didn't see Bodhisattva this time.

"What's in it? Open it and have a look?" Li ruorong put in a word.

"Can you look at this brocade bag? That's true Secretary Li immediately reprimanded Li ruorong.

The whole family went back happily. Although the Li family didn't ask for a signature, Yang Yu asked for a peace talisman, and the Li family also felt touched with the light.

Yang Yu is not interested in the brocade bag. On the way, he has been thinking about what the Bodhisattva said. The bones of Wu er's son are where there is water. Yang Yu thinks about it. Where there is water, there are two yunu villages: the reservoir and the yunu river. Did Wu's second son drown in the river?

If you drown, the body should float. It should have been discovered.

"Ruo Rong, Ruo Lan, give me a message." Yang Yu says to two people, call to search the thing of reservoir and Yu Nu River to arrange next. Yang Yu took another road and went to another town to see his third sister.
