When Yang Yu wakes up, it's dark in front of him. It's still the corridor. He looked around in a daze. Xiao Qing and other policemen fell to the ground in a daze.

Yang Yu got up and checked where the old Taoist went? But after looking through the corridor, there was no sign.

"It seems that the old Taoist really took the ghost away." Yang Yu muttered in his heart that this old Taoist is really an expert.

At this time, Yang Yu heard some ticking sounds coming from the toilet.

Yang Yu followed the voice to the toilet, or the box, the voice came from there.

Yang Yu opened the door to see that he was scared again. The old Taoist was staring at the wall by the eight swords.

The eight swords penetrated the old Taoist's body, nailed to the wall in different positions, bleeding out, dyed the whole person red, and dripping on the ground.

Especially the old Taoist's eyes, staring at big eyes, expression ferocious, as if very surprised and fear, terror.

According to reason, such an old Taoist has countless experiences and is not afraid of ghosts. How can there be anything that makes him so scared? It shouldn't be.

"Ah Xiao Qing woke up and went to the toilet to see such a scene. She screamed on the spot.

Yang Yu didn't know what to say. After looking at the time, it was already four o'clock in the morning, and it was almost dawn.

Xiao Qing looked around. She was really afraid and said, "what should we do now? I feel like she's still here. "

"Let's go first. Let the headmaster seal this place. Don't be an experimental building any more, or just demolish it." Yang Yu said.

Then they woke up the other policemen and ran away.

This time, I ran out smoothly. It seems that the ghost didn't appear and didn't make any trouble.

The day slowly dawned.

Yang Yu is sleepless and tries to recall what happened before he fainted. He can't remember anything except the woman with a bloody face. But that woman is definitely not ye Qinqin. But Yang Yu is sure that he once met her. Would it be in yunu village? Is she a bit like Yang Lin?

Yang Yu didn't go to a hotel, rent a room, or go to school. He went to a special community, according to Xiao Qing to check the address, he found a community address.

Yang Yu took a deep breath and knocked on the door.

It took a while for the door to open.

In front of me is another woman.

The woman was very surprised when she saw Yang Yu, but Yang Yu was not so surprised.

"We're seeing each other again. Don't worry." Yang Yu looks at her.

In front of this woman is no other than ye Qinqin.

"How did you find me?" The woman asked in surprise, but she didn't mean to invite Yang Yu in.

"If your parents are not here, please invite me in." Yang Yu said that he had special feelings for the woman in front of him.

Ye Qinqin pondered for a while, and asked Yang Yu to be a familiar stranger to her.

Yang Yu came here to find out the truth.

After going in, he found a sofa and sat down. Ye Qinqin sat opposite him and didn't even pour him tea.

"What should I call you? Yeh Mei chin? " Yang Yu said with a smile.

"How do you know?" Asked the woman.

Yang Yu looked out of his eyes, turned his head and said bitterly, "I should have thought that ye Qinqin should have a twin sister and go to bed with me twice. It's so real. I can feel your body temperature, soft skin, and that pair of erect breasts."

"Don't say it." Ye Meiqin's face turned red in an instant. The words behind made her dare not look at Yang Yu directly.

Yes, in the experimental building and the rental room, I went to bed with Yang Yu twice and loved Ye

Meiqin, the twin sister of Ye Qinqin, Yang Yu's deskmate.

"Tell me, what happened?" Yang Yu asked, it's very strange for him to see ye Meiqin now. This woman is not ye Qinqin who has been in love with her for a short time, or even a complete stranger, but she has slept with herself twice.

It's more accurate to be a stranger.

"My elder sister is so clean and simple, but she meets those scoundrels. They want to rape my elder sister. My elder sister naturally resists, but I didn't expect that they are so cruel. It's amazing Ye Meiqin said.

"How do you know that? You didn't kill them, did you? " Yang Yu asked.

"It's a coincidence. One night, late at night, the rich second generation ran into me. He thought I was my sister and a fierce ghost, so he knelt down to beg for mercy and told me everything. " Ye Meiqin said angrily that she had been investigating her sister's disappearance, but she didn't expect that she knew the truth.

Ye Meiqin's confession is consistent with Duanxin's. Yang Yu speculates that it should not be true.

"I want to know what the virus is about? And how many of them did you kill? " Yang Yu asked two key questions.

"I didn't kill anyone. As for the virus you killed, I don't know what it is." Yeh replied."What's your intention to approach me and pretend to be your sister in front of me?" Yang Yu asked again.

Ye Meiqin is a little uncomfortable, and her face is red. She doesn't know how to explain this problem. She hesitates and says, "I don't have any intention. I just want to know what kind of man my sister likes."

Ye Meiqin is a little embarrassed, like a girl. She is a virgin. She gave it to Yang Yu for the first time. It's impossible for her to have no idea. Moreover, Yang Yu makes her very comfortable.

Yang Yu did not expect that he was on a sister flower? He suspected that ye Qinqin had twins, which was just a bold assumption. He didn't expect to find out, so he confirmed that he didn't see a ghost.

"Ha ha, do you know now? And you gave your life, on purpose? Would you like to be my girlfriend Yang Yu said with a smile that he was always responsible for his bad deeds?

"I don't want to be your girlfriend. Do you want me to replace my sister? I'm my sister. My sister is my sister

"Don't you really know about the virus?" Yang Yu is very concerned about this issue.

"I don't know." Ye Meiqin shook her head, then stood up and said, "I'm going to school."

"Maybe that's another way for my sister to exist." This is a very profound remark made by Ye Meiqin when she left.

Leaving Ye Meiqin's home, Yang Yu suspects that she is lying. There must be something hidden from him, but is it important? It seems that these things have little to do with myself now.

Yang Yu just thinks that ye Qinqin is really gone, and his nose is sour. As for ye Meiqin, twin sister, it's also a special feeling.

But sometimes fate is inexorably intertwined, and the mysterious ghost, yes, I've seen it in Yunv village.

Autumn leaves should not be too beautiful.

Yang Yu and his cousin's school are two blocks away, but they have never had a meal together. It's a rare day to have afternoon tea with them.

Cousin Zhang Yan is more beautiful, and gentle personality, and his former girlfriend Li Ruoshui is very similar.

This makes Yang Yu not surprised to see his cousin more.

"I want to tell you something." Zhang Yan took a mouthful of sweet drink and said simply, "some of my roommates want to travel on weekends. They all take boyfriends with them. I'll go too, but they have to take boyfriends. You know, I don't have boyfriends."

Zhang Yan stopped for a moment, looked up at Yang Yu, and continued: "so at the weekend, you can be my two-day elder sister's boyfriend and travel with me."

Again? The last time I cheated Li Bi to be my boyfriend for two days, I played with her for nothing. Does my cousin want history to repeat itself?

"Is it a fake or a real boyfriend?" Yang Yu asked with a smile.

"Fake boyfriends, of course, stupid." Zhang Yan knocked Yang Yu's head with a spoon. It was lovely and sweet. Every action was so comfortable in Yang Yu's eyes.

"Fake boyfriends don't have benefits." Yang Yu smiles.

Zhang Yan was not happy when she said this. She was very angry and said, "I'm your sister. If you want any welfare, I'll faint. If it's a big deal, I'll give you a kiss. Most of all, I'll wait for me at the station at eight on Saturday morning."

"Only kiss?" There is no welfare. Yang Yu is disappointed. It happened that night and there is no welfare, but what her cousin said is what she said.

"Come on, I'll take you to the mall to buy clothes and have your hair cut. My sister's boyfriend can't lose face in front of my sister." Yang Yan goes to the mall with her drink.

Yang Yu bought a new suit and became more mature. At least he didn't look like a junior high school student. He had a haircut and was very smart.

"Not bad." Zhang Yan patted him on the shoulder, then looked up at Yang Yu affectionately.

This one eye, two people four eyes look at each other, have a kind of electric shock feeling.

Zhang Yan hurried to avoid the field of vision, face red, heart is also thumping, thought: how can so nervous? He's my cousin. How can he have the wrong idea?

Yang Yu looks at her cousin without taboo. When she thinks of her cousin, she thinks of her cousin in Yunv village. Unfortunately, it's another kind of intimacy. When winter vacation comes, Yang Yu is going to Yunv village.

"Remember to see you on Saturday." Zhang Yan spoke very gently and listened comfortably: "remember, don't call me elder sister, and don't say you are my cousin."

"I know. I'm your boyfriend Yang Yu smiles.

Saturday came in a flash.

Yang Yu dressed himself up and went to the appointed place to wait for his cousin.

After that, those people are already there.

When Yang Yu saw it, I, by the way, this college student just wanted to be a lot more mature. Although he was a mature girl, he was used to his junior high school identity after he came back here.

A total of four students, in addition to cousins, there are three beautiful sisters, this is the school of media, ah, that is the place where actors, anchors, young models, really look more beautiful than one.

When her cousin Zhang Yan saw Yang Yu, she quickly came over, took his hand and introduced him one by one. At the same time, she introduced Yang Yu to her sisters.

Zhang Yan very happy smile, affectionately looked at Yang Yu cousin, very satisfied.

Then they went to take the bus.

Yang Yugang wanted to call her sister and immediately said, "baby, where are we going?"

"Jianghai City, go to sea." Zhang Yan replied.

"What? So far? Going to the seaside? Is the weather all right? " Yang Yu didn't expect to travel so far. He didn't take his clothes and trousers with him. He thought it was just for fun in the city.

"It's warm over there. More than 30 degrees. " Zhang Yan explained.

Jianghai city is a city in the South and a port. It's true that the temperature is generally much higher. But this season, when we go out to the beach, we can only say that these girls can play and are not afraid of the cold.

On the bus, Zhang Yan takes Yang Yu's hand and leans on his shoulder to sleep.

Yang Yu bowed his head and could see her docile cousin and her beautiful face. Another thing was that the collar on his chest could see the deep ditch from this angle. Unfortunately, the button was buckled, and the milk and milk inside could not be seen.

At this time, Zhang Yan opened her eyes and looked at Yang Yu.

Yang Yu was very embarrassed. He thought his cousin had to scold her for peeping at her. However, her cousin said, "do you want to see it?"

Yang Yu did not know how to answer!

At this time, Zhang Yan stretched out her hand and opened a button, which opened her chest collar.

Yang Yu exclaimed that he really had welfare. When he went to see it, he was still disappointed. His cousin was wearing a black chest and a mask.

At this time, Yang Yu took a look at Yang Ruoying on the left. I, shit, it's ok if I don't look. As soon as I look, my blood is boiling.

Her boyfriend's hand stretched out in her pants and touched her in her crotch, while Yang Ruoying's eyes were blurred and her body was sideways, just facing Yang Yu, biting her little lip, as if enjoying the pleasure. Seeing Yang Yu looking at her, Yang Ruoying didn't evade at all. Instead, she intentionally licked her lips with her tongue. She opened her mouth slightly and looked at Yang Yu with her eyes straight. If she wasn't in the car, I'm afraid she would have to call out.

Yang Yu was attracted by the beauty of spring of this concubine's elder sister. He stretched out his hand and was ready to touch it.

As soon as Yang Yu's hand touched the clothes on his cousin's chest, she pushed his hand away. Yang Yu is a little discouraged. As expected, he still has no welfare. Now he really envies Yang Ruoying's boyfriend opposite him. He feels so damn cool.

The coach drove for four hours and arrived at Jianghai City, a warm city like spring.

After getting off the bus, I took a taxi and went directly to the dock, got on the boat, went to sea and arrived at an island.

People are still shocked by the beautiful scenery of the island. The sea is clear and pure, and the beach is delicate. Endless coastline, beach line, not to mention how beautiful.

The island has obviously been developed. Even in this non hot summer, there are still many men and women in swimming suits playing in the sea.

"If only there were more women than men in this country." Yang Yu looked at the beach line dense woman, can not help but sigh.

"Ha ha, come to our school to study. There are no more than five boys in our class. You are a panda in school, and women's resources are inexhaustible." Yang Ruoying, who was next to her, secretly replied and said in a whisper: "many women's boyfriends are from other places. They don't come here several times a semester, so they can't meet their needs at all."

Yang Ruoying gave a bad smile and added three words: "like me."

Yang Yu swallowed deeply, it seems that there is a chance to soak this university sister. Yang Yu instinctively looked at her boyfriend and didn't hear.

I went to the beach, rented four tents and set them up.

They got into the tent, put their luggage in and chained them. The space in the tent is enough for two people to sleep. It's like camping.

"You and I sleep at night?" Yang Yu asked deliberately.

"Is it difficult? Do you still want to sleep with Chen Bing? " Cousin Zhang Yan, with her back to Yang Yu,

kneels there and takes out her clothes.

"I just want to sleep with and love my cousin." Yang Yu said very sweetly.

Zhang Yan looked back, pretended to be very serious and said: "nonsense, what love or not."

At this time, Yang Yu saw her cousin Zhang Yan holding a bikini suit, chest, hood, inner and trousers, which immediately became hot.

Zhang Yan turned around, turned her back to Yang Yu, and began to take off her clothes. When you take off your coat, you can see the black chest and hood. The jade back is very beautiful. The black chest and hood are also very sexy.

"Sister, if you want to change clothes, I'll go out." Yang Yu is very conscious, after all, her boyfriend is fake, and that is her cousin, so she can't be a hooligan to her cousin.

Zhang Yan turned her head and said, "no, you stay here."

"Then I'll see it." Yang Yu said.

"You can see it when you see it. It's not like you haven't seen it." Zhang Yan replied, saying that she had taken off her chest and put on her mask.

Although the back to Yang Yu, but the cousin's milk, the son is very big, slightly side body, you can see more than half of the milk, the son's outline, a big arc, upright, very thick.

Yang Yu's guy unconsciously hardened. He sat with the light off that night. Although he touched his cousin's milk with his hands many times, he never saw it.

Yang Yu can't stand it.

When Zhang Yan changed into a bikini and turned around, he saw Yang Yu's guy propping up and supporting a big tent.

Two people look at each other, the atmosphere is very embarrassed.

"You are so sexual. Take off your clothes. Let's go to the sea." Zhang Yan replied.

Yang Yu looked down at himself. He felt very hard. He couldn't go out at all.

When Yang Yu took off his trousers and only put on his inner trousers, the outline of his big guy became more obvious. Zhang Yan's face turned red.

"You're going to be soft. What a shame. You can't go out." Zhang Yan said to open the zipper, ready to

go out into the sea, before leaving said: "do it yourself, sister can't help you, soft out again, or very shameful."

Zhang Yan then went out and left Yang Yu alone in the tent.

Yang Yu opened the inner pants and looked at them. He was very depressed. The big guy, 18cm long, was so thick. This pair of inner pants was completely unable to wear. It was too soft for a while. What should I do? My cousin didn't help herself.

Yang Yu took a deep breath and said, "don't think, don't think, calm down, calm down."

But the more I thought about it, the older I was, the stronger I was.

At this time, someone outside called: "Zhang Yan, how are you?"

Said, a woman probe in, it is Yang Ruoying: "your girlfriend?"

Yang Ruoying asked. At the same time, she looked over. When she saw that Yang Yu's trousers were propped up, her eyes were staring out, her mouth was open, like a frog, her expression was exaggerated, and she didn't believe it. These Southern girls have never met a big loser. Usually, whether it's a boyfriend or a fireman, it's like a toothpick. The average man here is only 11cm, and he's very thin. He's as thick as Yang Yu. He can't find two out of 10000 people. Women are naturally attracted to big losers and have no resistance to them. Yang Ruoying's estrogen suddenly soars, her heart beats faster and her whole body is in a turmoil.

"Do you have any props?" Yang Ruoying didn't believe it. How could the outline be so big?

"What props?" Yang Yu didn't respond.

Yang Ruoying pointed to his pants and crotch and asked, "is it real or fake inside?"

Yang Yu was asked Mo min wonderfully: "what is true or false?"

"Your loser." Yang Ruoying replied.

"Is it still fake?" Yang Yu can't laugh or cry. Obviously, he doesn't understand why Yang Ruoying asked the question. At the same time, Yang Yu was embarrassed to see her staring at her. She felt like an animal and quickly covered her place with her hand to ease the embarrassment.

This action amused Yang Ruoying. Yang Ruoying came in, zipped up the tent, sat in front of Yang Yu, pointed there, and said in an ordered tone, "take off your inner pants and show me."

"Ah?" Yang Yu is silly.

"I'll see if it's true." Yang Ruoying's tone of voice changed greatly, just like the tone of a courting female animal's father.

"Xuejie, isn't that appropriate?" Yang Yu feels very embarrassed. Just now, her cousin specially told her not to lose face. Hold on like this and show it to her sister. Wait a minute. If Yang Ruoying laughs at herself in front of her cousin, she will lose her cousin's face.

"What's wrong? There's no one else here. Take it off quickly. It will be more embarrassing when my boyfriend or your girlfriend comes." Yang Ruoying is very good at speaking.

As Yang Ruoying said, she reached out and pushed away Yang Yu's hand, saying, "take it off, my sister will have a look."

Yang Yu thought that the elder sister was difficult to deal with, so he had better send her out quickly and go out to play with his cousin.

Thinking about this, Yang Yu took off his underwear,.

Yang Ruoying's soul was terrified when she saw the student's huge artifact.

"Yes, yes, really?" Yang Ruoying stammered.

Bullshit, is there any fake?

Yang Ruoying's heart was beating, and she swallowed deeply.

Yang Yu quickly pulled up his trousers.

"Zhang Yan also really is, the boy friend's physiological needs are not satisfied, this is the responsibility and obligation ah." Yang Ruoying said painfully.

Yang Yu really wants to say, yes, no welfare!

Yang Ruoying looked back at the zipper of the tent and made sure it was closed. It seemed that no one saw her just now. Her boyfriend went shopping to prepare for barbecue in the evening. Since Zhang Yan is not here, she must have gone to sea with Chen Bing.

These logic floated in her mind, and then said a sentence to let Yang Yu snort: "or, sister help you?"

"Ah?" Yang Yu's heart only scolds rely on, this elder sister really Sao.

I'm short of people to help me solve the problem. The student sister came just in time, but her cousin and her boyfriend are outside. Is it too dangerous to be in this tent?

"Xuejie, my girlfriend and your boyfriend are still outside. In case of misunderstanding, how can you help me solve it?" Yang Yu thought in his heart: do you want to use your hands or not?

"It'll be fine in a moment. Soon, they won't be back so soon." Yang Ruoying gasped, her chest began to rise and fall.

Yang Yu then noticed that sister Yang Ruoying was also wearing a bikini, a red bikini.

And that pair of inner pants is the same. There is only a piece of cloth left. It's more barefaced than my cousin's, so it's better not to wear it.

"No, sister." Yang Yu is not afraid to meet her boyfriend. He is afraid that her cousin will be angry if she sees her getting along with her best friend.

Yang Yu doesn't want to make her cousin angry.

"It's OK. My sister helps you. How hard I feel." Yang Ruoying clings to her, reaches out her hand and takes the initiative to pull off Yang Yu's pants.

"Xuejie, can't you stand it? Is your boyfriend still out there?" Yang Yu should deal with this Sao Xuejie first.

"I can't stand it. My sister is wet. This kind of opportunity, my sister is willing to take risks," Yang Ruoying said.

There was a gasp in the tone of his speech, and he stuttered and trembled a little.

Every few minutes, a voice came from outside: "Ruoying, are you there?"

It's her boyfriend's voice.

Two people suddenly nervous up, Xuejie's boyfriend is outside?

Yang Ruoying's boyfriend is a big man, taller than Yang Yu. If she is found stealing a man behind her back, she has to kill the dog and the man!

Yang Ruoying and Yang Yu get nervous at the same time and stop. Yang Ruoying prays: don't come in.

They both held their breath.

Yang Ruoying's boyfriend saw that there was no reply in the tent, so he went to the seaside.

Seeing that there was no sound outside, they were relieved.

"When I have a chance, I'll give it to you, let it out." Yang Ruoying is still a little afraid. Although it's exciting to steal from a man, it's also a big risk.

Yang Yu has become addicted to this schoolgirl. Sure enough, every woman has a different taste.

The taste of this Xuejie is the same as eating streaky pork. It's not greasy. It's the best twice cooked pork.

They were afraid that their boyfriends would come back, and Zhang Yan would come back at any time. After finishing up, they put on their underwear and sneaked out of the tent.

They walked separately and drove to the seaside less than 50 meters in front.

"Where have you been? I haven't seen you for a long time." Zou Weihong, Yang Ruoying's boyfriend, asked suspiciously. Seeing his girlfriend with peach blossom on her face, she was a little confused.

"I went to the bathroom." Yang Ruoying's ability to deal with this kind of problem has become perfect.

"Yanyu's pants are made by herself. You see, she's very happy."

Yang Yu couldn't laugh or cry. He had to cry for his beautiful cousin at night.

A sea of water volleyball in the crowd between the start, play very happy.

These four women are all wearing bikini, and they are in great shape.

Nalanxin is in love with her boyfriend. She has never seen Yang Yu.

As for Chen Bing, he didn't take the initiative to see him, but Yang Yu himself looked at her from time to time. You know, the other two have boyfriends, and Zhang Yan is also a cousin. That is to say, Chen Bing is the only one who has the best chance to get involved.

But Chen Bing obviously doesn't like him either. This woman is very cold.

Yang Yu sees their lovers are very intimate, involuntarily secretly embraces his cousin Zhang Yan from behind.

Zhang Yan looked back, but didn't care. She was a couple in front of them.

Yang Yu boldly gets up and takes advantage of the sea water as a cover. He grabs his cousin with both hands and touches her.

Zhang Yan patted his cousin's hand, looked back at Yang Yu, and said, "take advantage of my sister again?"

"Ha ha, can't my sister give me some welfare?" Yang Yu teases a way, this kind of scale tease should not become a problem.

At this time, the whole cousin turned around and put her arms around Yang Yu's neck.

Two people's skin immediately completely stick together.

Cousin Zhang Yan a pair of ambiguous looking at Yang Yu, Yang Yu ecstatic, it is difficult to become cousin concession? Is it really welfare?

"Want welfare?" Zhang Yan looks at her with a sexy and ambiguous face.

Yang Yu nodded heavily.

Zhang Yan's buttocks were dragged, and her whole body floated up a little bit, closer to Yang Yu's mouth.

Two people look at each other, at this time, Zhang Yan gently in Yang Yu's face a kiss, and then almost close to his ear said: "at night in the tent to give you welfare."

After hearing this, Yang Yu shivered and felt strong all over. Unexpectedly, this cousin really gave welfare. Ha ha, wasn't that night?

"Sister, you have a beautiful smile." Yang Yu from the bottom of his heart, this reminds him of the cousin of Yunv village.

After listening to this, Zhang Yan also looked at Yang Yu carefully. The two people's eyes looked directly at each other. There was a feeling of true love.

This look, to really see the problem, two people get an electric shock, look each other's eyes.

Zhang Yan and Yang Yu are serious. They are immersed in the sea water and float together with the sea water.

Yang Yu can't help but want to kiss her cousin's mouth. Her mouth is about to touch each other, but she

turns her head away, and her eyes show a touch of sadness.

"Play with the ball." Zhang Yanyi detached Yang Yu's body and swam away.

Yang Yu was stunned, thinking: what was the situation just now? It's like I really feel like I'm with my cousin? What did she run for.

Play volleyball, swim and watch the sunset on this beautiful beach.

It's been a long time since I left yunu village.

Cousin Zhang Yan leaned on Yang Yu's shoulder and seemed to enjoy the process.

Women like this kind of romance.

Dinner is barbecue on the beach, surrounded by everyone.

In this respect, Yang Yu is a gentleman with strong hands-on ability. He helps them barbecue, and everything is done well.

Yang Ruoying came over from time to time and rubbed Yang Yu's skin with her long legs, which made him numb.

"Zhang Yan, it's very kind of your boyfriend to help us barbecue, unlike me, who knows how to play with cars." Yang Ruoying said and looked at her boyfriend who was playing ATV in the distance.

Yang Yu can see that these families are fairly well off, especially Yang Ruoying's and Na Lanxin's boyfriends. I'm afraid they all have a lot of money at home. Most of the money for this trip is from them.

Yang Yu is low-key. If someone pays, why do you have to pay by yourself.

Zhang Yan looked at Yang Yu with admiration and said with a smile, "he doesn't know what's going on. He used to be a fool and suddenly became sensible." Zhang Yan is not pleased to see Yang Yu. In the past, even if she was a relative of two families who were close to each other, Zhang Yan saw her cousin as a pure relative. However, her feelings changed last time, and this time, Zhang Yan was really worried about whether she would fall in love with him.

"When you grow up, everything becomes bigger." Yang Ruoying stuck beside Yang Yu and said this kind of words.

Yang Yu nervously looks at her cousin, deeply afraid that she will hear the meaning.

"What's bigger? You say 'J, J?'" Who knows, nalanxin added.

These beautiful women feel dirty.

Nalanxin obviously doesn't know Yang Yu's big guy. If he knows, he doesn't know what will happen.

Yang Ruoying took a special look at Yang Yu and said with a smile, "it must be bigger than your man."

"Cut." Nalanxin did not take it.

From the beginning to the end, Chen Bing didn't say a word, but she was either dumb or silent, but not noble. From her words and deeds, she didn't show a noble manner, but she was a little cold.

Yang Yu secretly looked at her several times, Chen Bing occasionally and Yang Yu four eyes look at each other, but immediately moved away.

Barbecue until very late, and then chat, Yang Yu told them a ghost story, to their surprise, even cousin Zhang Yan to their nest.

"I'll go for a walk on the beach." Chen Bing suddenly said, she obviously does not fit in with the crowd, but when the breeze blows her hair, when it floats charming, it attracts Yang Yu and reminds him of Leng Xiaoxue.

"I'm going to bed." Nalanxin pulled her boyfriend. Obviously, she had something to say. Everyone knew what they were going to do, and then they got into the tent.

Meanwhile, Yang Ruoying and her boyfriend also went to the tent.

Yang Yu and his cousin Zhang Yan were left outside. Soon, a woman's cry came from the two tents, the sound of bed.

"Really, let's go for a walk, too." Zhang Yan pulls Yang Yu's hand and prepares to pull him out.

Yang Yu is not very happy. He wants to go to the tent with his cousin.

"For you, sister Foley? Why don't we go to the tent, too?" Yang Yu is very bold to remind, such a hint cousin always hear it?

"You know you want welfare, but you don't have it." Zhang Yan is very sure to say, that tone is not like saying irony.

Yang Yu is a bit disappointed.

At this time, someone came out of the tent. It was Sao Bi Yang Ruoying.

"Zhang Yan, don't you and your boyfriend just stand outside? This time I'm here to shoot guns. Don't you not shoot guns?" Yang Ruoying is still very thoughtful. She feels that Yang Yu and Zhang Yan have some strange feelings. They are not like a couple in love. She deliberately wants to test them.

"No, blow the wind first. We like in the dead of night." Zhang Yan understood her meaning and explained.

At this time, Yang Yu saw that Zhang Yan didn't lean out. Instead, she leaned out and showed her body. Then the milk and the milk hung down like a lantern and followed the rhythm. It was obvious that her boyfriend was pushing the car behind her.

It's really a little Sao Bi.

Yang Ruoying said to Zhang Yan, but her eyes were looking at Yang Yu. She deliberately showed him her coquettish appearance and bit her little lip.

Yang Yu was even more uncomfortable when she was seen by this schoolsister. She was also affected by this posture during the day. Now she can only look at it, itching psychologically.

As soon as Zhang Yan saw that her sisters were suckling and her children were outside, she was not happy. She said to herself: I want to seduce my cousin again!

"Zhang Yan, if you don't love your man, save it for me." Yang Ruoying's words are really bold. Her boyfriend even said this kind of words at the back, and she told her sisters that she obviously wanted to rob a man.

"I'm sure I'll make your boyfriend very comfortable. If you can't satisfy him, your boyfriend will be tough. Ha ha." Yang Ruoying said, but also specifically in front of Yang Yu's face, bed up, expression Sao extremely.

Zhang Yan a listen, specially looked down at Yang Yu's pants, crotch one eye.

He suddenly picked up Yang Yu and went to the tent. By the way, he said to his sister Yang Ruoying, "without your help, I can satisfy my boyfriend."

Women's jealousy is terrible.

Yang Yu wants to see more spring, so he is pulled into the tent by his cousin and zipped up at the same time.

"Elder sister, you don't give to also calculate, still don't let me see." Yang Yu complains that he doesn't expect his cousin to make a real joke. In order to be proud of his sister, he gives himself his body again? This is obviously impossible.

But Yang Yu was wrong this time.

As soon as Yang Yu sat down, her cousin Zhang Yan knelt down in front of her. Then she put her hands around her back to get ready to take off her chest and mask.

Seeing this behavior, Yang Yu was shocked!

Zhang Yan has taken off her chest cover. Yang Yu thinks she will cover it with her hand, but unexpectedly, her cousin puts her hand down completely.

Yang Yu is "don't you want welfare?" Zhang Yan's forehead against Yang Yu's forehead, two people's hearts are thumping, each other can feel each other's breathing.

At this time, Yang Yu should jump on him like a hungry wolf and play with his cousin directly, but he calmed down and said, "elder sister, are you out of emotion or pure physical welfare?"

Before Yang Yu's words were finished, his cousin Zhang Yan went on.

Two people incomparably fervor rises.

Yang Yu in the cousin's body a good cool, just take her back to the tent, cuddle cousin sleep.

Zhang Yan, like a clever woman, nests in Yang Yu's arms. She looks lovely, but she sticks to Yang Yu tightly and is reluctant to part.

The zipper of the tent didn't pull up. It was blowing slightly against the wind. He saw his cousin fell asleep. At this time, in the middle of the night, Yang Yu saw that there was a figure outside.

Very familiar figure, head shaking, Yang Yu looked up, it is Yang Ruoying.

Yang Ruoying stealthily probes in and beckons, obviously letting him out.

Yang Yu knows that there is nothing wrong. Her boyfriend is not satisfied with her estrus in the dead of night.

"Come out." Yang Ruoying specially squeezed her chest and seduced her.

Yang Yu looks at her sleeping cousin. If you want to do it, it's OK to do it several times a night. Why don't you go out and compare with her?

"Come out." Yang Ruoying waved again.

Yang Yu helpless, secretly got up, out of the tent.

"Why? Don't sleep with your man. " After Yang Yu came out, he asked softly.

"He can't satisfy me. Only your big loser can satisfy me." Yang Ruoying Sao Sao said, then squeezed his chest, at the same time side over the body, shaking his big butt.

"You have nothing else to do? I have to go back to sleep. " Yang Yu didn't wear any clothes. She shrank. She was still a little cold. Yang Ruoying was still wearing a bikini.

Yang Ruoying looked at Yang Yu's trousers and crotch. She didn't prop them up. She was disappointed and said, "they were all squeezed dry by Zhang Yan. I'm really hungry."

Yang Yu heard the black line on his face.

"That's how you like the big one?" Yang Yu asked, ready to go back to the tent.

Yang Ruoying grabbed him and said with certainty: "of course, don't you see Zhang Yan's appearance of being blasted? Once you play with a woman who is too chaste, she will surrender on the spot. You will be blessed later. Really, look at Chen Bing. She is cold, but once you play with her, she will surrender immediately. ""Really? That's exaggeration. " Yang Yu doesn't believe it. You say that women are so cool. But it's still unrealistic for Yang Ruoying to say that it's so mysterious.

At this time, nalanxin's head came out of the tent and asked casually, "is Chen Bing back?"

Yang Ruoying looks into Chen Bing's tent. It seems that there is no one in it: "it seems that she hasn't come back."

"Why haven't you come back so long? She went out for a walk alone Nalanxin felt that something might have happened to Chen Bing and was a little nervous.

"What can a living man do? I guess he went to sleep in a man's tent." Yang Ruoying glanced at Yang Yu's pants again, and then looked at nalanxin. She was not happy. She was trying to hook up with Yang Yu, but she couldn't hook up with nalanxin. The friendship between the sisters can't be bad, but the mood has been beaten down, so she went to her tent and said, "I want to go to bed by myself, you need to find me Just look for it. "

With that, Yang Ruoying had already got into the tent, and it seemed that she was going to drain her

weak boyfriend.

Yang Yu and Chen Bing don't know each other well. She doesn't know if she can come back. Maybe she's looking for a man. You think, there are lovers here. Will she listen to the call when she comes back? He won't come back.

Nalanxin turned to look at her sleeping boyfriend, put on a coat, came out, said: "otherwise, let's go to find it, in case of trouble."

It seems that nalanxin is very rational.

Yang Yu and the three girls are not familiar, so they played together in the afternoon and had a barbecue in the evening. But since the other two men are asleep, the responsibility of protecting women falls on his shoulders.

"Well, it's not good if something really happens." Yang Yu only wears inner trousers and goes out with nalanxin.

Nalanxin and her boyfriend are still very affectionate, and their sexual life is harmonious. Therefore, when they travel this time, they are very happy all the way, and other men won't have a chance. Therefore, Yang Yu and her haven't said a few words from beginning to end, which is quite strange. Compared with Yang Ruoying's Sao Xuejie, they haven't thought about anything else.

Yang Yu walked one meter behind her, the distance, vision just fell on her butt.

They didn't speak all the way. They searched along the beach coastline and didn't see any figure of Chen Bing.

"Strange, where is she?" Nalanxin is increasingly worried.

"It's not going to sleep in someone's tent, is it?" When Yang Yu talks about this, he may be sleeping in the tent of some strange man. This kind of thing is very common. For example, when traveling abroad, working outside, or traveling in Lijiang, there will always be temporary couples or friends.

Nalanxin obviously recognized Yang Yu's meaning, gave him a white look and said: "Chen Bing is not that kind of person. You think it's Yang Ruoying. We're going to the edge to look for it."

They went further and further away, far away from the central beach area, where the tent had shrunk to a point.

"Where has she gone?" Nalanxin said to himself, a little worried.

Yang Yu's mind is not looking for nalanxin at all. Such a big woman is not a child. In such a tourist place, it's too likely to be abducted by a strange man to sleep in a tent.

At this time, Yang Yu felt a demon in his heart. He was attracted by curiosity and instinct for women.

An evil thought came out of his mind: do these women really have no resistance to themselves?

In front of her, nalanxin obviously had little interest in herself. She had a boyfriend and was just satisfied. Although she occasionally said dirty words, she was still a serious woman.

Yang Yu is a rational person, but at this moment, he is very impulsive, as if there is a devil in his body.

Narashin turned.

"What are you looking at?" Nalanxin sees that Yang Yu's expression is a little strange. It's different from the way she looked at herself before, especially the eyes. They are different, which makes her even a little afraid.

As soon as nalanxin's words were finished, Yang Yu suddenly jumped on it.

This flutter, Yang Yu put nalanxin on the beach on the spot, two people face to face, directly zero distance pressure on her body.

"What are you doing?" Nalanxin yelled, pushing Yang Yu's body.

However, Yang Yu pressed her hands with both hands, and then supported her legs with both legs. With the great contrast of strength, nalanxin struggled up for a while, but immediately fell down, shouting: "what are you doing?"

Yang Yu directly pressed up, mouth to kiss nalanxin's neck, he said.

"Get out of here!" Nalanxin is struggling like a mad dog. Her legs are constantly trying to push Yang Yu up, but she is pressed down by Yang Yu again and again. Judging from her angry expression and struggling strength, nalanxin is really rebellious.

"You dare to touch me, I cried!" Nalanxin threatened.

"It's so far away from here, it's so empty, and there's the sound of the sea. Do you think they can hear it?" Yang Yu explained to her.

"If you touch me, I'll call the police." Nalanxin looked sweet and weak, but he didn't expect to be so fierce and cruel.

Yang Yu stopped and stared at each other. If he was frightened by such a threat, it would not be Yang Yu. He said with a bad smile, "then I will leave no trace."

I don't want to shoot in, all right? There's no witness. Who can tell?

"Help, strong, traitor!" Cried nalanxin.

Yang Yu didn't expect that she really yelled. She was so angry that she couldn't control her emotions.

"Yang Yu, don't do that." But Yang Lanyu is still struggling to get rid of his hand.

"You'd better cooperate, or you'll suffer." Yang Yu said.

After a long time, they finished their work.

Yang Yu sat on the beach, watching the sea rest.

It took a while for nalanxin to come back.

"You won't call the police, will you?" Yang Yu turned around and asked with a smile. Although he knew that she would not call the police, he was strong. It was real that he raped her.

Nalanxin didn't answer. He put on his inner trousers, chest and hood. He dropped a sentence that you are a wolf in sheep's clothing. Then he ran away.

After nalanxin went back, he washed his face and mucus before he went to sleep in the tent.

"Where have you been?" My boyfriend asked half awake and half asleep.

"Go to Chen Bing." Nalanxin answered truthfully.

"Oh, don't worry about her. She must have been sleeping in some strange man's tent." The boyfriend opened his eyes and looked at his girlfriend. He saw that her face was flushed and full of peach blossoms. He asked suspiciously, "are you hot? You look so red. "

Her boyfriend rolled over and pressed on her girlfriend, kissing her face.

"Strange, how does it smell?" The boyfriend sniffed and said.

Nalanxin suddenly became nervous, and quickly sniffed it. It was true that there was still a fishy smell, which was not cleaned,.

"It tastes so familiar!" My boyfriend began to wonder.

Nalanxin deeply swallowed his breath. His boyfriend is a rich second generation, and his family is rich. If he knows that he has just been sullied by other men, he can't afford to lose his face! You have to kill yourself.

"The smell of tuna." The boyfriend said to himself, and went to sleep like a dead pig.

Nalanxin was relieved. He came down and closed his eyes. His mind was full of Yang Yu.

Yang Yu sat there with a wry smile. Sure enough, he would have welfare in the future. His youth was wasted in the past, especially when he didn't play with women in adolescence. He really regretted it.

Yang Yu slowed down for a while, and when he was ready to go back, he found that there was a point on the reef under the cliff of the coastline in the distance, and he would still move.

Then he ran over and found that it was a person, not someone else, but Chen Bing.

"What are you doing over there?" Yang Yu yelled at the bank.

"It's high tide. I can't come back. I twisted my foot." Chen Bing seldom said a word.

Are these women retarded? What are you doing in a place like that?

Yang Yu had no choice but to swim by himself and take Chen Bing back to the shore.

"What are you doing over there?" Yang Yu feels that Chen Bing looks very smart. How can he do that?

"I just went down to swim, and then I felt that someone in the sea grabbed my leg, so I tried my best to swim upstream to the reef, and then when the tide was high, I didn't dare to go into the water again." Chen Bing whispered.

Chen Bing said secretly looked at Yang Yu.

Yang Yu has no temper. People often commit suicide in this kind of sea. In addition, there are more dirty things in the sea than on land. Therefore, he has no doubt about Chen Bing's words.

"Don't you doubt it?" Chen Bing still feels strange.

"How's your leg?" Yang Yu looked down, and sure enough, there was a slight scratch on Chen Bing's leg.

Chen Bing moved, shook his head and said, "it still hurts."

At this time, Yang Yu directly picked up Chen Bing and went to the tent.

Yang Yu didn't look at Chen Bing. It may be the reason why Gang Shuang played with nalanxin. In fact, Chen Bing has the most upright features among the people. Although she is not as hot and sexy as Yang Ruoying, her cold personality makes her personality attractive. As the saying goes, women who can't get it are more attractive.

Chen Bing is the kind of man who disdains any man.

Chen Bing's hands around Yang Yu's neck, or from time to time secretly aimed at her, cold appearance, hot heart.

Yang Yu took her back to the tent and put her down. At this time, the two people were close to each other. Yang Yu looked at her, Chen Bing also looked over, at this moment, shocked by the electric shock.

A strong current swept Chen Bing's whole body, let her some unprepared to avoid the field of vision, with cold words to cover his uneasiness and gaffe: "you go out."

Yang Yu didn't mind. He went back to his tent and went to sleep with his cousin.

Morning.

Yang Ruoying's tent early heard the sound of bed, but it was her boyfriend's mouth.

Another nalanxin's tent, her boyfriend also fell on her.

But nalanxin was a little quick. She felt a toothpick tickling inside. Besides tickling more and more, she didn't feel any friction, and she didn't feel as fast as Yang Yu.

"Why are you dead this morning?" My boyfriend is so cool. My girlfriend didn't call me this morning, and the bed hasn't catered to me, which makes my boyfriend confused.

Na Lanxin had no choice but to smile bitterly. She had to pretend to cry, but she was really dreaming about Yang Yu in the tent next door.

Yang Yu was woken up and found that her cousin had woken up.

"They really don't let them sleep in early in the morning." As soon as my cousin's words were finished,

my cousin Yang Yu turned to her.

It's just that the three sisters in the tent are all called bed, which makes Chen Bing depressed to death. Although she is cold on the surface, she is not indifferent. She is so angry that she puts her hand into her pants and crotch.

These two days of travel, Yang Yu Yanfu full, a trip to engage in three women, really enjoyable, but also received a cousin this Dayou, object, ha ha.

After returning to school, I took my cousin to the hotel.

Zhang Yan studied in University and has a lot of spare time. Yang Yu is going to let her cousin manage the shop, especially the finance.

Zhang Yan is preparing to develop the model circle in the future, and is also actively preparing for this aspect. She spends a lot of money. When she sees her cousin open a restaurant, she is naturally willing to help.

Yang Yu calculated this month's financial situation, I, rely on, the transaction volume of 50000 to 60000, excluding costs and staff expenses, the net profit is about 10000.

"It costs so much." Zhang Yan is very proud of her cousin's earning 10000 yuan a month.

"Because they all use the best tableware and so on, they haven't returned the original." Yang Yu explained.

Now the overall income of the hotel is still paying off debts. Of course, it's Murong Muhan's investment. She holds shares.

Just as the staff were getting ready to leave work, those people came again.

"Boss, it seems that at the end of the month, we are still very trustworthy." The fat man bit a toothpick and wore short sleeves on a cold day. His arm was tattooed and his face was covered with scum. He looked greasy and dirty.

Zhang Yan is a few years older. Having seen the chaos in this area, she naturally knows what the situation is. "Why are these people here? I'll call the police." Zhang Yan is going out to call the police.

Yang Yu grabbed him.

It turned out that two waitresses who were going to get off work were also pushed back.

"What about the boss?" A waiter is more scared than Yang Yu.

The two waiters are part-time students from nearby vocational schools, one year older than Yang Yu.

These two waitresses are selected by Yang Yu. You think that the ones who pay for your meal are all beauties. What's your mood and experience?

Yang Yu didn't want to make up her mind. She was afraid that something might go wrong. The two waitresses were also very serious. They behaved themselves in the shop and didn't seduce anyone. There was no young man in the shop to seduce them.

The fat man took someone to play with him, took out a pile of Coca Cola from the refrigerator and drank it.

Yang Yu looked at them, a total of six people. This month, Yang Yu practiced Muay Thai hard, and basically his previous level has come back, but it's still very difficult for him to directly deal with six people.

The key is not just the six people in front of us, but the trouble in the future. Fat man is just a team leader in charge of the street.

When they got to their boss's side, they were real swords and guns. Just a few days ago, the two gangs were still fighting. They were really chopping with watermelon knives.

"What are you looking at, young man? Take the money! Not a cent less, don't you understand?" The fat man is obviously more angry today than he was when he came here. It seems that things are not going well recently.

The two waitresses shivered when they were yelled by the fat gangster.

Yang Yu obediently went to the drawer of the cashier's desk and took a pile of money, a lot of it, thousands of it. He patted it on his hand and said, "when I was seen, I thought I was bribing you. Go to the back door and get some money. I'll give you the money."

Yang Yu said and went straight to the back door.

The fat man went as long as he had money. Five little brothers followed him.

When passing by the waitress, a gangster suddenly hugged her from behind and grabbed her two breasts with both hands, which scared the high school girl into shouting.

"Come on, don't make the boss angry." Another gangster claps.

The lecherous gangster just let go and followed the boss to the back door.

Zhang Yan and the waitress also followed in a hurry, although afraid to hide, but still worried about Yang Yu.

Chapter 584

The back door is an alley. It's dark and dirty. The entrance and exit are small roads. Generally, the logistics aunt washes dishes here.

Yang Yu took a pile of money and shook it in the air, saying, "do you want it? Take your own real skills. "

This is obviously challenging them. Before Xiao Pang spoke, a high school like gangster rushed up and yelled, "you don't want to live."

Then he rushed up. In his eyes, Yang Yu is just a junior high school student. How can he put it in his eyes?

The fat captain was smoking and his legs were shaking. He felt that Yang Yu was very interesting. How dare he challenge them?

The person who rushed out was the most vicious one in the team. The last time he blew the debt, the head of the household was directly interrupted by him, and now he continues, but he is honest, so the fat man doesn't worry about his little brother at all. What's the matter with him!

Zhang Yan and the waitress are worried.

"What to do? There are so many of them fighting every day. Why doesn't the boss give them the money? "

Zhang Yan is also frowning, if the situation is not right, she immediately ran to the police, but the police can only solve for a while, and angered the Mafia, they will only double their revenge in the future!

"He's an idiot. How can he beat them? Don't he want to die?" Zhang Yan's heart also murmured.

The waitress is also anxious for little boss Yang Yu.

The gangster rushed over with disdain on his face, as if Yang Yu was a dead man in his eyes.

Yang Yu's eyes are very accurate. After this crossing, his body feels more sensitive than before, and his facial features are more sensitive. Every word and action of the Hun running is in his calculation. He can feel which hand and direction he will take.

Yang Yu found a gap, and his speed was faster than that of him. He kicked across with one kick.

This foot hit his side neck, turned his whole body on the ground, and made him scream in pain.

The Taiquan moves are extremely fierce, and they are merciless in every form. Therefore, this kick makes the man miserable enough. If it hits the rib, it must be broken.

This leg shocked all the fat people who took the lead.

"I, damn, have two sons, go on, don't mention it. I asked him to call my father!" As soon as the fat man threw his cigarette butt away, he rushed up with the others. It seems that he really wants to teach the head of household a lesson, just a junior high school student?

But they were wrong.

Yang Yu is really good at fighting. The gap between these amateur gangsters and those who have been trained in this major widens. It's not that many people are strong.

Yang Yu's fists and kicks, his moves are vicious and hard. They are all one move to defeat the enemy. If it goes on, the other party will not think about it.

This scuffle, they did not give Yang Yu caused too much trouble.

When the fat man saw that the boy could fight, he was not afraid to die. His face was swollen, and a tooth spat out. This made him angry, and he took out a dagger from his waist.

The knife is old-fashioned. It can be opened or closed, and can be put into the pocket.

"Brother, be careful." Zhang Yan cried out in horror.

"You want to die." The fat man with a dagger, waved it, rushed over and stabbed Yang Yu in the middle of his belly.

This action really angered Yang Yu. He grabbed the arm and reversed it. The hand bent over and the dagger aimed at the fat man's eyes.

"No, no, no, man, no!" The fat man was so scared that he turned blue on the spot.

"Listen to me, don't come again. Next time, I won't be lenient." Yang Yu said and kicked out.

The fat man staggered back a few steps and fell on all fours.

The other younger brother got up in pain and helped the eldest brother. All of a sudden, Yang Yu was looked at with new eyes. He was only a junior high school student. How did he feel like the protagonist in "hidden killing"?

"You're a good boy. Wait. You've offended us. Wait. Wait for me." The fat man obviously didn't admit defeat. These six people couldn't beat one of them. They were still junior high school students. The loss of NIMA's face was too big!

They passed by Yang Yu, but ran away quickly.

Zhang Yan and two waitresses were relieved.

"Brother, are you ok? Did you get hurt?" Yan asked anxiously.

"Nothing." Yang Yu light answer, see cousin's eyes that are warm love and care ah.

"Boss, you are in trouble. You challenge them. Tomorrow they will call a group of people."

"Yes, it seems that tiger Lord is in charge of this area. I heard that he has fought and killed people before. Everyone is afraid of him."

The two waitresses are really worried about the boss.

However, they were worried, but both of them had a strong feeling of worship and admiration.

They don't want to open a junior high school hotel. They don't want to? I thought he was a rich second generation, but after a few days of understanding, I began to look at such a mature and stable young boss with new eyes. Just now, it made them scream. Girls of this age generally like two kinds of people, either study well or play basketball as handsome as flying, obviously Yang Yu belongs to the latter.

"I won't be afraid of them if I fight." There is no fear word in Yang Yu's dictionary. He is bold and brave, which means that he can't do business in the future.

"You'd better be careful. My sister is going back to school. The dormitory is closing." Zhang Yan is still worried about her cousin.

Back to the hotel to close the door, cousin and another girl went back first.

"Boss, I want to cross this street when I go home. I'm afraid to meet them. One of them touched my chest just now. I'm afraid to be forced and raped when I meet them." The rest of the waitress said in fear.

The girl's name is Ma Fangfang. She's a sophomore in senior high school. She's in the next vocational high school. She's in good shape. Even though she's a sophomore in senior high school, her milk is huge. Yang Yu's eyes are on her big milk, so she's the one who recruited her.

Senior two are mature, milk, almost C. Yang Yu is not for himself, but for business.

One third of the boys in this restaurant come here to eat just for the big milk of the waitress.

Especially when I was cleaning the table, when I bent over and saw the deep ditch, all the boys were nosebleed.

"Where do you live?" Yang Yu looks ahead. This street is really a dangerous place, especially when it's so late. Those gangsters often end their self-study late. Passing girls go to the woods to take turns. Yang Yu knows about it.

"Three blocks to the right." Ma Fangfang said.

"That's on the way. I'll take you back." Yang Yu, younger than her, is a younger brother. He seems to be an elder brother to the maturity he shows.

"Good." Ma Fangfang is very happy.

It's not sure what will happen on the way back.

Chapter 585

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

This street runs through three schools and has a loud name: Shura street.

The name of Shura street. It's said that there used to be an expert living here. He called himself Shura. Later, he called it that.

But the street is very dark.

Looking at the past in the middle of the night, the front is as gray as a fairyland, with no end in sight.

There are only a few streetlights, which can't light up at all. There are many lanes along the street.

These alleys make up one of the dirtiest and most chaotic parts of the city.

There are hidden ladies, firecrackers, waiting for passers-by, robbers, bullies, traitors, chaos, the government's public security inaction, which makes the public security in this area extremely unbearable.

After a few steps, I saw an old woman burning money by the side of the road. The wind was blowing ash and it was like a terrible face.

"I heard there was a fight before here, and a gangster died." Ma Fangfang said in a soft voice.

For this kind of unjust death, Yang Yu had better go around a little bit.

"Fighting kills a lot. I heard that there are often people who are forced and raped in this street. You really need to be careful." Yang Yu joked that in this era, even the two yuan condom is not popular. Those bastards who catch people will be killed. They don't know how many girl students they have suffered.

Ma Fangfang sighed, but said: "strong, treachery is still good, I have a sister was pulled to the small lane in the round, treachery. There are a lot of traitors here. "

This is saying, passing a small Nongkou, a man is holding a girl's buttocks in the dark inside the descendants.

The girl's bleak call for a bed is very nice.

"Ah, it's a girl from our school again." Ma Fangfang saw the girl's school uniform and nodded helplessly: "the school atmosphere is poor. The school atmosphere in this area is poor."

"Did that damage you?" Yang Yu took a good look at the girl student in Xiaonong just now. She only took off half of her school pants and was played by a man with half of her buttocks exposed.

Ma Fangfang didn't know how to answer, but replied, "am I ok?"

"Have you ever been dragged into a small alley like the girl just now?" Yang Yu asked again, it's a hundred meters away, and the front is even darker.

Ma Fangfang was embarrassed to be asked: "Xuedi, you really asked so directly."

Yang Fangfang has a special charm.

Just then, suddenly something ran past their eyes. It was so fast and big that it got into the dark lane.

This made Yang Yu and Ma Fangfang startled.

"What was that? Is it human? " Ma Fangfang didn't see anything.

As soon as she finished, she found that Yang Yu had rushed into the small lane.

Small lane is very deep, dark, in front of the general walls in addition to the abyss, and as if nothing.

"Xuedi, what's the matter?" Ma Fangfang asked.

Yang Yu carefully walked inside a few steps, no figure, no sound, but in front of the dark, he felt there were countless eyes staring at him.

"Nothing." Yang Yu has a lot of uneasiness in his heart. How did the shape of that thing just come from hell? No, heaven to be exact.

Hell and heaven, in fact, he can't tell.

Source? Yang Yu thought of these two words in his mind. If you can't find the source, in the future, doesn't even Yunv village exist?

Yang Yu didn't want to miss this opportunity. He turned to Fangfang and said, "you wait for me here."

Yang Yu went on. He felt the wall. It was wet and sticky. It was disgusting, like saliva secretion.

Then he smelled the smell of blood. At this time, Yang Yu suddenly stepped on something and squatted down to have a look. His soul was scared to death. It turned out to be a bloody head, which was gnawed with blood. His skin had been gnawed away, and his two eyes stood out alone. It was bloody.

Yang Yu swallowed deeply. The night was too dangerous. The unknown ahead made him scared, scared and creepy. He didn't dare to go forward.

I'm going to see it tomorrow in the daytime.

Yang Yu came out again, and Ma Fangfang was still waiting at the entrance of the alley.

"What are you doing? Is there anyone in there who's playing Ma Fangfang didn't know he was afraid, but he was joking.

"What? Do you want to play Yang Yu looked at her chest, the pair of big milk, the school uniform are open, if not the school uniform is very broad, I'm afraid to burst.

"No way." Ma Fangfang was still standing there and didn't mean to leave.

"It's said that the students in Zida are hungry, aren't they?" Yang Yu is not ready to go, walking through this street is a busy nightlife area, so there are few small lanes suitable for shooting.

Yang Yu has always felt strange recently. Since he came here, to be exact, he has been thinking about women all the time since he was in that ghost house with Ye Qinqin that night. Although he is really energetic at this age, things will turn when they are extreme. Did he really become a luster?

"I'm ok." Ma Fangfang was a little embarrassed. He was a schoolboy and felt the same as his brother. Then she took another furtive look at Yang Yu.

This does not look good, a look, Yang Yu directly pushed her past the pressure on the wall, while a hand blocked her way.

Yang Yu's whole body leans forward, and his upper body, especially his head, is almost attached to Ma Fangfang.

Ma Fangfang's whole body breathes fast, her heart beats fast, and she feels like her estrogen is soaring.

"Xuejie, do you want to play?" Yang Yu asked bluntly again. He would not have said such dirty words before.

Ma Fangfang's face turned red. Looking at Yang Yu, he replied, "No

Yang Yu can feel her heart beating, her breast milk and her son's ups and downs. She is not a spring medicine, so she doesn't want any woman to be in heat in front of her, does she?

"Do you have a boyfriend?"

"No

"When was the last time I did love?" Yang Yu asked boldly.

Ma Fangfang muttered, and was deterred by Yang Yu's Magic: "three months."

In the face of a high school sophomore girl, Yang Yu is very surprised that she is so serious. She feels more serious than her cousin.

"I haven't done it for three months, and I'm still hungry?" Yang Yu asked with a smile.

Ma Fangfang can't answer this question. Her sisters and roommates basically have gun friends. They don't do anything for two weeks. Those who haven't done anything for three months, like her, are almost extinct in their school. No wonder they are so surprised!

This kind of surprise makes Ma Fangfang feel very embarrassed, and her appearance is not bad. Why can't she find a suitable man to play with?

Ma Fangfang wanted to find an excuse to ease his humiliating behavior that he hadn't done in three months, but he couldn't find it. He insisted and replied, "well, I'm a little hungry."
