Turn off

Yang Yu has walked this mountain road three times.

The pool where Yang Lin took a bath for the first time has gone through three times, but every time, it makes Yang Yu feel uncomfortable. He always feels that there are two eyes in the pool looking at him all the time. Next time he meets Yang Lin, he must ask her what happened that day.

Yang Yu remembers that he has a date with Li Ruoshui tonight! He couldn't be late for the meeting, so he quickened the pace of going home.

But before he got home, he saw a familiar figure. When he saw Yang Yu, he came at a gallop, like a wild horse that had taken off the rope and jumped directly on Yang Yu.

"What's the matter, cousin? So happy? " When Yang Yu sees his cousin embracing himself, he must have something to ask for.

Li Yuanxi held Yang Yu tightly for a long time and said sincerely: "thank you, cousin!"

"What's the matter? I'm so happy that I'm not sure I've done it yet? " Yang Yu felt puzzled, silly two dog his father will not necessarily believe his words.

"This morning, his father came to give up his marriage! There's no need to return the betrothal gifts, and a few wooden chairs and a bag of eggs are loosened. "

The stone in Yang Yu's heart finally fell to the ground, thanks to his acting skills and Eloquence: "does that cousin owe me anything?" Yang Yu immediately said with a sly smile.

"Cousin knows how to think about this! All right, cousin, here you are! " Yuanxi held her head high and looked like a proud princess.

This can make Yang Yule bad, and finally pay a harvest, God opened his eyes ah, did not expect, so smoothly, cousin this goddess's body to himself? ha-ha!

But just when Yang Yu was daydreaming and happy, his cousin gave him a big kiss on the face and said, "OK, here you are!"

"Only one?" Yang Yu opened his eyes and mouth wide. He didn't want to believe it even if he killed him. What his cousin said was just a kiss? My pants are off, so my cousin only gives me one kiss?

"What else does the cousin want? My cousin hasn't settled with you about the attack on me last time? " My cousin snorted and turned away.

Yang Yu Leng is left there! The cooked duck flies like this?

When Yang Yu came into the house, his uncle's face turned red. When he saw Yang Yu coming back, he was angry and said, "did you make a mess out of it? Otherwise, how can you give up marriage? Where have you been these two days? "

Yang Yu's heart is bouncing, isn't it? Is he known by his uncle? He turned to look at his cousin, who winked.

"Uncle, I am very much in favor of this marriage, silly two dog family so rich, that do not marry are all fools, cousin brain is not good, I talk to her!" Yang Yu found that he had the talent of an actor.

My uncle heard that Yang Yu was the only one in the family who stood on his side. It was absolutely impossible for him to do anything wrong. Who could it be?

"If I married my second cousin, I would have been wrong." Yang Yu said this to his cousin on purpose. When he said this, he almost burst out laughing.

"Yes, yes My cousin even followed Yang Yu's play and continued to perform. Anyway, her marriage has been retired. Let's follow this cousin.

Seeing that his uncle no longer doubted himself, Yang Yu fled back to the attic in a hurry, and his cousin followed him. As soon as they entered the attic, they fell down laughing.

"Cousin, please make a promise as soon as possible." Yang Yu takes advantage of this strength, half joking and half seriously, trying to test her cousin's reaction.

"I wish you would stop and think about all these dirty things. Go and see the third sister. She hasn't seen me for two days. She doesn't know how many times she asked me where you have been. She says that there are many problems that she can't do and she wants your help!" My cousin scolded with a smile.

Yang Yu is deliberately coquetry up: "I have helped my cousin so much, just kiss? It's too stingy. "

"What do you want?" My cousin is in a good mood now. If Yang Yu doesn't take advantage of the fire now, he won't have a chance in the future.

"Give me a kiss." Yang Yu looks innocent, thinking: ah, this play cousin is out, can only figure a kiss over.

"No! I'm your cousin. It's no longer incest. " Li Yuanxi is very serious about his cousin and knows that a pro can't satisfy the boy.

Yuanxi's heart is also very contradictory, because she feels that she can't guess the cousin. She doesn't know whether the cousin is joking or serious. If it's just hugging or kissing, it's a normal behavior between relatives, but if it's kissing, it's something that

couples can do. Although she was attacked by this cousin last time and lost her first kiss, Yuanxi still doesn't know what the cousin is doing. What do you mean? Do you really like me? Yuanxi has always been in contradiction with secular ethics.

"I did it last time. It's been a long time." Yang Yu began to tell the truth.

"It's OK for you to say what happened last time. If you want to force your cousin to eat tofu like this, she will ignore you." Said, out of the room, left.

Yang Yu can't laugh or cry. It seems that if he wants to please his cousin or let her break through the secular ethics, he has to work hard. How can he get her? Yang Yu can't think of it. Forget it, I'd better go and see my third cousin. Yunxi is doing her homework. In fact, she is not in the mood to do it. Since her cousin suddenly disappeared, she has no heart. She doesn't know what's wrong with her. I can't swallow my meal, I can't write my homework and I don't want to do housework. I feel like I'm getting sick.

Yunxi is playing with a pen. His head is still his cousin's shadow. He gets an electric shock for the first time, holds hands for the first time, crosses the peach garden for the first time, and takes away his first kiss. Although he just touches his lower lip, Yunxi feels like he's going crazy and says to himself, "cousin, where are you going? What can I do? I find I like you

"What are you talking to yourself about?" Yang Yu pushes the door to come in at this time, only hears Yun Xi muttering, also don't know what she says.

Yunxi was surprised. Looking back, he saw that he was his cousin. For some reason, he stood up and threw himself into Yang Yu's arms with tears in his eyes.

"What's the matter?" Yang Yu is curious. No matter how sensitive Yang Yu is, he doesn't expect that this is Yunxi's performance that he wants to be crazy.

A moment later, Yunxi just left Yang Yu's arms, red face, mood suddenly all good, low head, embarrassed said: "I just said, you heard?"

Yang Yu frowned. He didn't hear anything at all. He knew that his cousin was muttering. He was also curious about what she said, so he deliberately said, "yes, I heard it all. You're finished." This "you're finished" was deliberately added by Yang Yu. That kind of expression and action is like saying you're really finished.

Yunxi bit his lips, and he wanted to die.
