At first, the woman didn't notice Yang Yu. Several times, she almost stood up and nearly showed her whole pair of crisp breasts. Yang Yu was drooling. This beautiful scenery can't be seen in the city. She was so intoxicated that she even forgot that she was peeping.

The woman was just about to stand up. When she looked up, she found that a young man was looking at his jade body. She yelled instinctively and squatted in the water.

"Satyr, voyeur, go away!" The woman raised the stone to hit in the past, but impartial, hit Yang Yu's forehead, Yang Yu just wake up.

But Yang Yu heard the sound clearly, and quickly turned to look, only to see the woman struggling desperately, as if to drown.

Without saying a word, Yang Yu threw down his salute and jumped into the pool as soon as he lifted his shoes, while the woman had gradually sunk into the water.

Yang Yu is a good sportsman. Swimming is like a child to him. He dived into the water in a hurry. Half a minute later, he found the woman, fished her out and carried her back to the bank.

The woman was already unconscious. Yang Yu didn't think much

about it. He was in a hurry to rescue her. He pressed water, chest and artificial respiration again.

Cough!

A few minutes later, with a strong cough, a spit of water sprayed out, the woman finally woke up, just relieved.

At this time, Yang Yu found that the woman lying on her leg had no clothes, and her whole body was fully displayed in front of her. The mystery under her body was also uncovered.

Yang Yu swallowed. This woman is extremely beautiful. Her skin is as white as jade, especially the two beauties on her chest.

Yang Yu just youth robust period, see such a scene, body somewhere instinctively began to react.

The woman wakes up in a daze, grabs at random, and doesn't know what she has grasped. She just feels dizzy.

When he woke up, he found that Yang Yu was staring at himself, only to find that he was all clean, and his right hand was holding Yang Yu's brother.

Two people four eyes but see, that woman on the spot full face flushes, PA of a slap to Yang Yu patted past.

"Big sex wolf!"

The woman stood up in a hurry to cover up her black clothes and turned her back.

When the woman was halfway through her trousers, she suddenly realized something and got up in a hurry. She turned her head and stared at Yang Yu. Yang Yu was staring at the fairy petal. With an embarrassed smile, she shook her head and said, "I didn't see anything!"

It's not that bad. The woman couldn't say a word when she was

angry. He was peeked at the most secret place for nothing, but he couldn't talk to the village head about it. In the end, he wasn't the one who was laughed at, so he had to bite his teeth and swallow it in his stomach.

Yang Yu saw that the woman had already slipped away. After a while, the thing became soft. He laughed and said, "am I going to have peach blossom luck?"

Yang Yu turned and looked at the pool. Suddenly he felt cold. He always felt that something was hidden under the pool. I didn't think about it any more. I left with my backpack, and I had already entered the village unconsciously.

Smoke has been curling up in the village, rural dinner is done earlier, because it is dark, a lot of things are inconvenient.

Yang Yu vaguely remembers the location of her aunt's home. Along the way, Yang Yu was surprised to find that there are few strong men in the village, but many village women have been staring at him. Their skin is white and their faces are like peach blossoms. They talk and point out one after another.

"Are you from the city? Traveling or looking for people? " At this time, a village woman came up to chat up.

Yang Yu looked around, but the village woman was also young, just a few years older than herself. She was a symbol of growth, and her skin was also spotless. Her black hair covered her shoulder, and she only wore a vest. A deep cleavage was visible in her eyes.

Yang Yu wanted to ask the way, by the way: "I'm looking for someone. Do you know where Si Xiaoyun's family is?"

The village woman has been staring at Yang Yu's chest muscle. Yang Yu is very uncomfortable and can only smile awkwardly.

"It's really strong. Xiaoyun is the third from the bottom of Qianshan Mountain." Then he pointed to the house in front of the mountain, but his eyes kept turning on Yang Yu.

Yang Yu said thank you and went to the mountain. The village woman had been staring at Yang Yu's big ass, silently reading: "really strong key, look at this ass!"

"Don't be caught stealing by your husband! Ha ha, "another village woman passed by, joking with her newly washed clothes.

"I'm not afraid of the useless man in my family. Our village hasn't been young for a long time." The village woman said with a slight aftertaste.

Yang Yu has arrived in front of my aunt's house. As soon as he turns around, a person comes face to face, and they collide with each other. Yang Yu just wanted to say sorry. He looked up and was shocked.

Is there such a beautiful girl in the world?
