Turn off

Li Yunxi didn't know what her fate would be, but she knew that she was in danger. She suddenly regretted that she had not confessed to her cousin and that she had not kissed her cousin. Up to now, she just touched her lower lip. She wanted to kiss her cousin with her tongue. She didn't want to become another numb sex slave.

"Cousin, where are you?" Li Yunxi cried, crying all over the place.

But Yang Yu didn't hear it.

Because the hoe had been smashed in the past, Yang Yu suddenly felt a chill behind him, instinctively moved to the left. Unexpectedly, he dodged. The hoe was impartial and went down the skirt of his clothes. It was dangerous. Even if it was close, his body might be smashed out of a skeleton.

Yang Yu knew that he must not be soft in the face of perverts, or he might die, so he turned around and rushed directly. The two men wrestled in the dark. Yang Yu didn't expect that Dr. Wu's strength was very strong. When he waved his fist, he stopped him alive. Dr. Wu turned over and stuck Yang Yu's legs on it. One hand blocked his throat.

Yang Yu feels suffocated and his eyes are congested. He grabs his hand in a hurry. Unexpectedly, this man is so strong that he doesn't break it. Yang Yu is in a hurry. He looks for the stick in the dark. At the critical moment of life and death, he takes it and smashes it.

A scream, Dr. Wu pain straight call, hand instinctively let go, Yang Yu see, a foot from the bottom to the top kick in the past. This kick kicked the pervert very hard. He stepped back again and again, as if his ribs were broken, and was kicked to the corner.

At this time, Dr. Wu turned on the cellar light.

"Miss Yang? Why are you Dr. Wu was very surprised.

"Where is my cousin?" Yang Yu coughed a few times, bit his teeth, stood up, with the stick in his hand, and walked past.

"What cousin? I don't know what you're talking about. I thought it was a thief. " Dr. Wu looked confused.

Yang Yu mercilessly came over and mentioned Dr. Wu's clothes: "you pervert, don't put on your mother's clothes. Do you want to hand over my cousin? Or I'll kill you. "

"Miss Yang, I really don't know what you're talking about?"

Seeing that Doctor Wu had been pretending to be garlic, Yang Yu looked around the cellar and suddenly found a stone door: "open that door."

"There's some groceries in there. There's no cousin of yours." Doctor Wu still pretends to be innocent and doesn't understand what Yang Yu wants.

"Since it's groceries, what are you afraid of? Open it for me. " Yang Yu stares at him, cannibalism. Doctor Wu had no choice but to take out the key and open the door. Yang Yu follows him at the back door in case he abandons Lai or runs away suddenly.

Doctor Wu's face suddenly changed. He reluctantly took the key and hesitated.

"Hurry up." Yang Yu put the stick around his neck: "if you dare to play tricks, I'll blow your head."

Dr. Wu shook his head. He was doomed this time and reluctantly opened the door.

With a squeak, the room was dark.

Yang Yu pushed Doctor Wu through the back door and motioned him to go in: "turn on the light."

When the light is on, everything in the room is visible.

Is it really a grocery store? Yang Yu's eyes were wide open.

"Yunxi, Yunxi?" All of a sudden, a lot of people came to the cellar, and my aunt cried out.

Doctor Wu didn't expect that even the village head and the police came and hurried forward: "village head, what happened?"

After listening to the previous experience, Doctor Wu calmed down: "I went to see widow Liu. You know, I'm 35 years old, but I'm single. I don't want to. But as for sister Yunxi, I really don't know. I didn't bind them. I'm not a pervert. Village head, you know me."

Is it really wrong? Yang Yu still can't believe it. A rare clue is wrong. At this moment, we feel Yunxi more dangerous. The greater the hope, the greater the disappointment. Yang Yu thought that he could find his cousin this time. Who knows that Dr. Wu is not the pervert.

Yang Yu regretfully rushed out of the cellar, rushed out of the room, to the sky, shouting: "Yunxi, where are you?" The echo shook the valley.

Where is Yunxi? How to find her? All the possibilities filled Yang Yu's mind. His brain was spinning wildly, thinking about the detective dramas he had seen before. Now that all this happened in reality, he suddenly found himself flustered. If I was a pervert, what would I do?

This problem filled Yang Yu's mind. Yang Yu suddenly ran to school. If I was a pervert in broad daylight, where would I start?

How could I resist her and not be found?

Yang Yu followed the school road and walked again. When he got to the fork road, this was the intersection where he usually took the main road or the shortcut. Yang Yu knew that his cousin must have taken the shortcut. At that time, there would be a lot of people on the main road, and the perverts had no chance at all.

Yang Yu continued to walk along the path. The path was very open. There was no place for Tibetans and no place to hide. If I was a pervert, I would not start in this area. Yang Yu continued to walk until he reached the Peach Blossom Land. "This is the only place to start." Yang Yu said to himself, according to the American drama "criminal psychology", "crime scene" and so on, Yang Yu is looking for footprints and traces. It was drizzling last night, and no one came to Taohuayuan, so it would not wash the footprints away.

Yang Yu found two rows of footprints, many in one place, and stopped here: "I guess this is where my cousin was bound." Yang Yu looked up and saw that the peach blossom tree just covered the road. Even if someone could not see the mountain in the distance.

If it's me, she's tied up here, and then where will she go? He would definitely choose a road that the villagers in the mountains and fields could not see. Yang Yu looked around and tried all kinds of roads, but he felt that they were not suitable. Suddenly, he thought of the river.

The river is also near Taohuayuan, because it is sunken and easy to cover up. If it goes along the river bank, the vision will be blocked more severely. Yang Yu thinks so, and goes towards the river. Sure enough, he finds some footprints. This footprint is much deeper. It is estimated that the pervert was fighting against the third sister at that time.

Yang Yu went up the river and saw some yellow mud footprints on some stones. Fortunately, this is a rural area. It's all yellow mud, so it's easy to leave footprints. Up the river, looking for the slightest trace of footprints, and turning right out of the river, I found that there are some scattered abandoned houses, which are basically old

houses that no one lives in. At the same time, these houses are also the top houses in the front mountain of Yunu village, and up there are only trees.

By the time we got to the fifth house, there were already people living in it. Yang Yu didn't know this family, but his daughter was still in primary school, and there were younger brothers and sisters at home. It was very busy. The name of the village didn't look like a pervert. It would be very risky for a pervert to avoid the sight of these people, except at night.

Yang Yu asked a few questions, especially for children. They all shook their heads and said that they didn't see anyone passing by carrying things after school yesterday. Yang Yu looked up and decided to set his goal in the four empty houses he had just passed by.

When he arrived at the second room, Yang Yu found footprints in the backyard. The footprints were very similar to those in Taohuayuan, and his heart was raised to his throat.

The old houses in the countryside are not only desolate, but also cold.

Yang Yu is very careful and sticks to the wall. He checks room by room and finds that the sound of opening the door is squeaking. Even in broad daylight, it is creepy. Yang Yu sees some yellow mud marks on the threshold of one of the rooms and becomes alert all of a sudden.

Push the door in, the light inside is very weak, the whole room is empty, but Yang Yu still found a special place, the wardrobe, only this wardrobe has no spider web, it seems that people often use. Yang Yu opened the wardrobe, which was a staircase, a lower staircase and a cellar.

This time, Yang Yu did not dare to neglect.

The cellar, which is very similar to Dr. Wu's, is dark and silent. It seems that in the dark, there is a person who is staring at Yang Yu. Yang Yu breathes deeply. His forehead is already covered with

sweat, and his heart is beating.

This time, it's true. It's a real fight with perverts. Yang Yu is also a little flustered. Perverts are all psychopaths, real psychopaths.

The smell from the cellar is like a rotten corpse. Yang Yu covers his nose and thinks, what is so smelly? But the dark cellar couldn't see anything, so he could only grope forward. When Yang Yu's eyes adapted to the darkness, he found that there seemed to be a room in front of him, with a faint light.

Yang Yu was excited and ran away without saying a word.

Li Yunxi heard some voices outside again. She was very afraid. She knew that the pervert was coming again. Could it be her fault this time? Li Yunxi was disgusted to think that he would strip himself and tie himself to the cross, lean the cross against the wall and put the black and dirty meat stick into his mouth.

Don't, don't, I don't want to eat that thing, Li Yunxi muttered in his heart. He didn't dare to look at the door, but the door was opened for the third time.

Turn off

When Yang Yu opened the door, a faint light came into his eyes and swayed around, making him dizzy. He saw a bed on which the girl frothed like a madman. In another corner of the wall, he saw his third sister Li Yunxi.

"Cousin?" Li Yunxi didn't expect that the man standing outside the door was actually his cousin. He cried even more. He burst into tears. His grievances, fears and fears were released all at once.

Yang Yu ran over and held Li Yunxi in his arms and stroked her cheek. In fact, Yang Yu was also scared. He was also very afraid. What should he do if there was something wrong with the third sister?

"It's OK. It's OK. My cousin is here. I'm not afraid of it. I'm good." Yang Yu tries to coax Yun Xi, but Yun Xi curls up in Yang Yu's arms, hugs him tightly, and cries even more.

But at this time, the only exit, the stone door, suddenly closed.

"Bad!" Yang Yu quickly put down his third sister and ran to the door, but he had already gone. When he pushed the door, he found that it was completely locked. The stone door was unbreakable, and it was chained outside. Yang Yu suddenly understood that it was a trap. The pervert had been in the cellar just now, deliberately leading Yang Yu in, and then locked him inside.

the lamp in the room was dangling and shaking I don't know where it comes from. It's like a perpetual motion machine. It's so weird. It seems that even this lamp comes from the sinking and dark world as mentioned in the Bible.

“FUCK! ” Yang Yu hit the door a few times. The door didn't move. He scolded. The shaking light made him more angry. He wanted to jump up and pull it down.

A strange light.

There are walls all around here, completely closed. Yang Yu is worried. Look at the girl on the bed. She is about the same age as Li Yunxi. She has been tortured for a long time. She is as thin as a skeleton. Some people live as if they are dead. They don't have any life. Even the desire for survival has been tempered by that pervert.

Yang Yu sits back beside Li Yunxi, hugs her in his arms and kisses her forehead. Li Yunxi gradually recovers from his fear: "cousin, don't leave me in the future."

"Well, I won't leave you. I'll sleep with you in the future." Yang Yu even has the mind to tease. Li Yunxi is in his cousin's arms, but he has no fear. His cousin's mind is so warm, safe and broad. I don't care that I'm still in this cellar.

As long as you find the third sister, Yang Yu's heart will settle down, and the cellar can't shut him down.

When Li Yuanxi saw Yang Yu rush out of Doctor Wu's house for the first time, she rushed out with him. She knew that Yang Yu was in a bad mood. He was more worried about the safety of his third sister than anyone else, and more worried about the responsibility of the whole family. So when Yang Yu yelled, she just looked at him from a distance.

She had been following him silently, watching him go to Taohuayuan and the river. Although she didn't know what Yang Yu was doing, she trusted him. She knew that her cousin would find the third sister, just like she found herself.

Also looking at Yang Yu into the house, but later did not come out, Yuanxi was worried, he followed into the old house.

But in the backyard, Li Yuanxi bumped into a person head-on.

At the moment when she looked up and saw him, Li Yuanxi was suffocated. It was an extremely terrible face. Li Yuanxi would never forget this moment in her life. Time stopped at this moment.

Li Yuanxi was so scared that she instinctively covered her mouth and didn't even have the courage to scream. Fear swept through Li Yuanxi's whole body. That face was so terrible, it was a face wearing a girl's human skin mask, and this mask was obviously peeled off from the girl's face.

They said that skin stripping should be done while she is still alive, so that the blood can be moistened and elastic.

Li Yuanxi looked at him like this, and he looked at Li Yuanxi like this. No one spoke and no one acted.

In these few seconds, Li Yuanxi seems to have survived a year, but Li Yuanxi's reaction is much faster than that of the dull and cute third sister Yunxi. Li Yuanxi immediately reaction, who he is, start to run, desperately run, but that pervert unexpectedly followed, just

about caught her hair.

Li Yuanxi ran all the way, and the man followed her.

"Help, help!" Li Yuanxi fled to the field and finally met several villagers. The pervert stopped and stared at them in the distance. None of the villagers dared to go up and watched the pervert run away.

The door was knocked open with a bang. Aunt, cousin, village head, police and others appeared in the cellar. Everyone was shocked by everything in front of them.

The girl was sent to the hospital for the first time and should still be alive.

Like a hero, Yang Yu holds Princess Yunxi out. Yunxi is a little princess, beautiful and suffocating. Just when he went out of the door, Yang Yu suddenly stopped and felt a chill. In fact, it was not a chill. It was more like a deep call of the soul. Yang Yu could not tell this feeling. It seemed that there was something in the secret room of the cellar. Yang Yu puts down Yunxi, gives it to his aunt, looks around the room, suddenly re enters the room and pushes the bed. Everyone looks at him blankly and doesn't know what he wants to do.

"Brother police, do me a favor and move the bed away." Yang Yu yelled, the two policemen felt puzzled, but they still came to help

when the bed was removed, everyone was shocked.

On the yellow mud floor under the bed, there was a head clearly exposed. The head was rotting and full of maggots. His face was rotten and bloody, and his eyes were wide open. He was about to fall out. Looking at the beautiful hair, it was a girl.

No wonder the cellar stinks.

Even the police have vomited, no one dares to look directly at the corrupt head, let alone other people?

Is this really rural? This is the back garden of hell.

Yang Yu can't bear to stay any longer. If it wasn't for the small village and the pervert who left so many footprints, maybe the third sister Yunxi would have come to this end.

Just, suddenly, Yang Yu was attracted by the paper paste above the head of the bed again. He wondered why the paper paste piled on the wall above the head of the bed?

He came forward and tore off the pile of paste paper. He thought it was nothing, but this tear scared everyone.

There is a picture on the wall. The style of this picture is very strange, just like the famous Norwegian painter Munch's cry.

When Yang Yu looked carefully, he found that the painting was the last supper, but the style of the painting was strange. Everyone's faces were twisted and the style was ferocious. This was clearly the last supper of the dark style. What's more, there was one person missing in the painting: Jesus.

No last supper for Jesus? It's ironic.

But it's just not weird enough. There is a bright sentence on the top, which is written with blood. The blood drops flow down, and it is even more terrifying. The sentence says: I'm watching you in the dark.

## Chapter 83

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Turn off

Three nights later.

"Third sister, you don't want your cousin to sleep with you tonight, do you? My cousin has been sleeping with you for three nights  
Second sister and cousin are gathered in three sister Yunxi's room,

two sister said and laughed.

After experiencing the horror of sex slaves, Yunxi was afraid as soon as it got dark. He would think of that sentence: I am watching you in the dark. Every time he closed his eyes and went to sleep, the human skin mask and the rotten girl's head would appear in Yunxi's mind and scream with fright. Every time he only fell asleep in cousin Yang Yu's arms.

"Sister, I'm afraid. Only when my cousin accompanies me can I fall asleep." Three younger sisters wear pajamas, drill in the quilt, hands tightly embrace Yang Yu's hand.

"I'm not ashamed. My cousin can stay with you for one night or two. Can I stay with you forever? What should I do when I get married? I think you just want to marry your cousin. " Second sister has always been very blunt. The more she said this, the more outrageous she became. So everyone was afraid of her.

Can Yun Xi a listen to marry cousin, face immediately red up.

"Well, second sister, don't make fun of third sister. When you say you want to marry your cousin, you see her blushing like a monkey's ass. Ha ha Cousin Li Yuanxi also adds fuel to the story, but the two sisters love the third sister the most.

"Sister, you make fun of me, too." Three younger sister's face more red, but the heart is happy to die.

At this time, the little aunt also went upstairs, see everyone gathered here, very warm and lively, also followed by ridicule: "marry cousin to marry cousin, I see also become."

Yunxi this listen, in the heart more happy, thought really can marry cousin? But where would you say, "Mom! You all bully me. "

When she heard the word "bullying", the second sister turned white and said, "third sister, my cousin has been sleeping with you for the last three nights. Did he bully you?"

Yang Yu heard that this was more unjust than Dou E. he didn't have any evil thoughts these three nights. He just held his third sister to sleep. Besides, he didn't do anything. He didn't touch his thigh, take off his clothes to play a hooligan, and he didn't kiss her. He really just held her very pure, and occasionally kissed her forehead. That's all.

The two younger sisters are obviously taking the heart of a villain to spend the belly of a gentleman. However, we can't blame her all. Last time I peeped at my cousin taking a bath, I was caught by her. It's normal to have this idea.

Yang Yu wanted to say that second sister, is cousin that kind of person? But he was stifled to go back, for fear that the two younger sisters would not cover their mouths. In case he answered, "my cousin is that kind of person. Last time I watched my cousin take a bath.". Isn't Yang Yu finished.

So Yang Yu chose to shut up.

"Second sister, what are you talking about?" Yunxi secretly looked at her cousin, who didn't touch her these three nights.

"Well, let your cousin sleep with you one more night tonight, and you'll sleep by yourself tomorrow night." Little aunt said, also take this three daughters have no way, who let her youngest, everyone spoil her.

In this way, the third sister is happy again. She vomits her tongue and makes a face. She is a person who is easy to satisfy. She is happy and sad, and forgets unhappy things quickly.

Everyone went back to their rooms.

Only Yunxi and Yang Yu are left in the room. Yunxi's heart is beating all of a sudden. After the last time, Yunxi sleeps with her for three nights. Yunxi knows that she has completely fallen in love with her cousin. Now I am totally dependent on my cousin. When I see her face turning red, my heart will jump like a rabbit. Sometimes I don't dare to look at her. As soon as my cousin looks at her and

they get an electric shock, Yunxi will keep her head down.

Yang Yu closed the doors and windows, took off his shoes, got into the bed and put Yunxi in his arms.

"My cousin has been with you for four nights, and my cousin doesn't mean it?" Yang Yu saw Yunxi's mood was much more relaxed tonight, and he was not so frightened as before, so he was relieved to tease.

"How to express it?" Yun Xi opened two big eyes, clear and bright, but also with Jiao, is really a human beauty ah.

"Cousin is very low, just a kiss." Yang Yu said that he didn't want to kiss his cousin.

"Ah? No, you are my cousin. Besides, the second sister said, "you can't bully me." When Yunxi heard the two words of kissing, he immediately remembered the scene of accidentally talking to his cousin last time, and his face turned red.

"It's not bullying, cousin. It's spoiling you, isn't it?" Yang Yu began to talk about his fallacies again. He took advantage of others and said he was spoiling you.

"My cousin lied to me." How did Yunxi become smart.

"Give it or not?" Yang Yu deliberately put his finger on Yunxi's sexy little mouth and threatened her.

Yunxi quickly closed his mouth, shook his head, said: "don't give." With that, he immediately closed his mouth.

"I don't want to, do I?" Yang Yu grins and goes to scratch Yunxi.

Yunxi is a naturally ticklish girl, this scratch, immediately burst into laughter, the whole person are struggling, others thought it was Yang Yu to rape her.

"Ha ha, cousin, stop itching." Yun Xi shouts, twisting his body, even

his pajamas are about to be turned away. At this time, Yang Yu lowered his head, looked at Yunxi below, and turned on the electricity to her. This dynamic and static change is really effective. Yunxi is most eager to get an electric shock. That kind of feeling can only be expressed in words. It's very comfortable. This kind of comfort is not the same as the comfort of mating. It's pure physical, and the electric shock is pure spiritual. The spiritual realm is always higher than the physical, so Yunxi is stunned.

My heart began to jump again.

Looking at cousin slowly lowered his head, Yunxi is very clear, cousin to kiss her, how to do?

She was afraid and excited, wanted to kiss her cousin and worried because she had no experience. Two people's faces are getting closer and closer, Yun Xi's heart is also beating faster and faster, deeply swallow breath, very nervous.

Yang Yu looks at Yunxi below. His lips are ruddy and sexy, his eyes are clear and bright, and his chest is undulating.

There was silence again.

Can only hear the heartbeat of two people, Yang Yu's mouth and Yunxi's mouth closer and closer, Yunxi is also more and more nervous, but the eyes have no cousin's eyes, so, watching cousin's mouth come together.

Then, I pressed it on my lips.

At that moment, Yunxi suffocated.

That kind of sensitive, slippery, soft, strength touch blend together, let Yunxi experience unprecedented pleasure.

It's the first time I've ever had a kiss with my cousin, or a tongue kiss.

Yunxi hands tightly grasp the sheet, legs straight, for this sudden pleasure Hao no psychological preparation, Yunxi also gradually led,

even issued a hum groan.

Yang Yunyu heard this kind of groan for the first time.

However, Yang Yu also knows that Yunxi is a sensitive girl. She has to taste it slowly, just like the first-class Longjing tea.

This kiss, a full kiss for nearly ten minutes, this is Yunxi's first kiss in the true sense.

Kiss soul stirring, stormy, as on the battlefield, the autumn wind swept leaves, sweeping thousands of troops ah.

When the kiss was over, Yunxi gasped for air, like a obedient sheep, obediently drilled in Yang Yu's arms, so cute.

Yang Yu quietly turned off the light and held her cousin Yunxi in her arms. Then she went to sleep peacefully.

## Chapter 84

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Turn off

Yun Xi is with a happy smile to sleep, although the heart is still scared, with cousin kiss, is it incest? But I fell asleep in the blink of an eye, and I still had a good sleep.

I don't know what time it is midnight, Yunxi is awakened by a stream of urine.

Look at the darkness outside the house, silent, Yunxi has no courage, dare not get up and go out, always feel that the pervert is hiding in the dark, just like "ghost Street".

Yunxi pushed Yang Yu and asked softly, "cousin, I want to pee."

Yang Yu used to sleep like a pig, but he was also awakened by his cousin. He muttered, "just pee."

"I'm afraid. My cousin will go with me." Yunxi didn't want to go to the toilet a few nights ago. Why did he think about it tonight.

"I'm sleepy. You can go to the second floor of the balcony outside and pee. Anyway, it's night, and nobody can see it." Yang Yu turned over and was ready to go on sleeping.

Yunxi turned his eyes, although the balcony is outside, and there is no guardrail on the right side of the balcony, so he can squat down and pee directly. However, Yunxi looked at it, but his heart is still not so low, and he pushed Yang Yu to be coquetry: "cousin, accompany me, I'm afraid."

Yang Yu where can stand this cousin's coquetry ah, can only from her ah: "OK, but cousin to hold you pee."

"Ah? No, cousin, pervert. " Yunxi did not expect cousin so abnormal, this time also want to take advantage of.

"The cousin went on sleeping." Then he pretended to sleep.

Yun Xi is not happy to see it again, but he can't hold it any longer. He thinks it's so dark that he can't see it. He says wrongly, "OK, but cousin can't peek."

"I can't even see it in the dark." The right side of the balcony is where the princess picked up the vegetables and went to the balcony.

Yang Yu will Yunxi down, Yunxi originally just wear a nightgown, as long as you take off underwear.

"Don't move, cousin. Take off your pants." Yang Yu squatted down.

"Ah? Cousin, I'll do it myself. " Yunxi see panic, how can you let cousin to take off his underwear, how difficult for love.

"Good, don't move." Yang Yu like discipline children, but Yunxi after all, junior three, where is still a child, can not think of is, Yunxi really obedient stand there.

Yunxi's nightdress is pink and cute. It's not short, all the way up to her thighs. It's very sexy.

Yang Yu reaches out his hand and touches it along his cousin's thigh. Yun Xi is nervous, but he doesn't dare to move.

Yang Yu has been touching in until he touches his underwear. Yang Yu doesn't dare to make small moves. If he plays a hooligan at this time, his cousin can't help him.

Yunxi just hope cousin quickly take off his underwear, urine back to sleep, but cousin just slowly take off, Yunxi are anxious to death.

Yang Yu slowly pulls his cousin's underwear down. Although nothing can be seen in the dark, and there is a nightgown to cover it, Yang Yu feels like he has perspective eyes, imagining the beautiful triangle of his cousin in front of him, which is as lush and dark as his aunt's cousin.

Yang Yu pulled his cousin's underwear to his little ankle, and Yang Yu's heart was beating. He wanted to stick his head to the place between his cousin's thighs and lick it with his tongue. But reality and reason told him that he couldn't. It's a long time to come. When I catch up with my cousin, I'll let her open her legs and lick her.

Calm down, want to think about it again, Yang Yu must be hard up, then Yunxi turned, facing the outside, Yang Yu from behind his hands to the wrist, like the last time holding snow pee, hold up squat down, but this time, also need to Yunxi's Nightgown up, lest be wet by the urine spray.

"Cousin, no peeking." Yun Xi red face, although the relationship with cousin has been very close, but not ambiguous to this point, even pee have to wait on cousin.

"You'd better pee quickly. I'll coax you to pee. Shh!" Yang Yu whistled.

All of a sudden, Yunxi's urine spouted out, like a clear spring, crashing down from the second floor. It really flew down 3000 feet.

It was suspected that the Milky Way fell into the sky. Yang Yu imagines the white urine coming out of his cousin's little hole, which is stained with his little butt. Yunxi is a very clean and pure girl. Yang Yu wants to reach out and lick his cousin's face.

Fortunately, it's night, cousin can't see anything, otherwise, Yunxi want to die heart has, such a big person is also held by cousin coax urine, how difficult for love, but Yunxi if know cousin want to lick his own there, don't know what idea?

The next day was Friday.

Originally, Yang Yu planned to go to the county town this weekend to inquire about the packaging and sales channels of dry goods, but now the mid-term exam is about to take place, so it's still a unified exam for the whole county. There's no way. It's good to cram for a day.

After the sex slave incident, the school authorities paid more attention to the safety of the students. In the morning, they specially gathered together and told them to pay attention to safety. After school, they asked everyone to go home together, not to take the path, and asked the villagers to ask the teacher for help in case of suspicious tracking. The life safety of the students is always the first thing. Besides, the pervert has not been caught and is still at large. In the cellar, two corpses have been dug up, one has become a skeleton, the other is still rotting, and the other girl is lucky to survive. In addition to Yunxi, there are four victims in this case, which shocked the whole county.

The county has sent a large number of police to look for the abnormal killer, but so far, the abnormal killer is still hidden in this village, maybe the person beside you.

Yang Yu can't figure out what the rule is for the perverts to choose the victims. Although many of his fingerprints are left in the cellar, there are thousands of people in the village, and it's impossible to match them one by one. What's more, it's not allowed.

And where did the cross go?

Yang Yu is not a policeman. Naturally, he can't manage so much. He doesn't know how many clues those "cute" policemen have, when they can catch this abnormal murderer, and maybe they will commit a crime later. Yang Yu suddenly thinks of a movie, "pursuer" from South Korea. Yang Yu doesn't want his cousin Yunxi to be the one who escaped from the movie but was caught back. That's cruel.

After this, Yunxi also understood a truth: live a good today, to do what you want to do, to love the people you want to love, maybe tomorrow, I will be gone. So last night, she agreed to kiss her cousin. She was afraid of death, and her first kiss was still there.

It turned out that I was right. The kiss last night was unforgettable.

In the office between classes.

"It seems that you two haven't talked in recent days. Have you quarreled?" Li Ruoshui finds that Yang Yu and Yang Lin don't talk much recently. In normal times, these two people will support you and me. They are more like a flirting couple than her.

"No, I don't think you're numb with him. I don't want to get involved." Yang Lin said in a hurry, and secretly took a look at Yang Yu, Yang Yu also just looked, immediately moved the vision. Yang Lin now wants to clear the relationship with Yang Yu, the farther away from him, the better. In case she secretly gives her aphrodisiac, what should she do?

"No, you two must be hiding something from me?" A woman is very sensitive. She can see the relationship between her boyfriend and her best friend is wrong at a glance. She thinks it may be a conflict. She can't imagine it. It's because they have sex in private and are afraid of being discovered by you.

"No, I haven't been busy with my cousin recently. Besides, I spend more time with my precious girlfriend when I have time." Yang Yu quickly found a speech and coaxed him. This is not coax OK, this coax Li Ruoshui more suspicious.

"I haven't seen you accompany me. You spend more time with my best friend than with me." Li Ruoshui's words are absolutely true. Since Yang Yu learned about the black mark on Yang Lin's ankle, their relationship has come closer. Last time, Xiao Xing's story is inseparable, and they really have more time with Yang Lin.

But since Yang Yu cheated Yang Lin into taking the aphrodisiac, she hid from Yang Yu and didn't talk to Yang Yu, which made the relationship very awkward.

"Nothing. We're fine." Yang Lin managed to squeeze out a smile, hoping to cope with it in front of her best friend.

"Yang Yu, did you bully my best friend?" Li Ruoshui had a straight face. When Yang Yu heard the word "bully", he shivered all over. He really bullied her, and he bullied her a lot. He just dropped her.

"How dare he bully me? It's good if I don't bully him." Yang Lin also smelled something different. She was afraid that Li Ruoshui would study deeply. She really couldn't know what happened to Yang Yugan. In that case, none of the three people could be friends. It would only be worse.

Li Ruoshui was relieved. Yang Yu was relieved when he saw Yang Lin. It was just like playing Infernal Affairs. It was so cruel. He was always so surprised. Like roller coaster, he was scared of heart disease.

When Yang Yu finished school, he ordered the students to come to tutor tomorrow Saturday, Li Ruoshui's class in the morning and Yang Yu's class in the afternoon. It's just that after school, Yang Yu is going to send two people home. It's hard to get up. His girlfriend wants to send them, and so does his cousin.

Fortunately, after school, I met Li Ruonan, Li Ruoshui's second sister.

"To meet sister Rushui?" Yang Yu says hello in a hurry. His girlfriend's family must please him. However, Yang Yu is a little afraid of Li Ruonan. Last time he had a meal, he even seduced

himself with his legs on the table. It's really unexpected.

"No, I'm here for you." Li Ruonan looks directly at Yang Yu.

"To me?" Yang Yu looks surprised.

## Chapter 85

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Turn off

"Why are you so surprised? Can't I come to you? " Li ruorong stares at Yang Yu. Compared with white snow, the fox spirit, the charm of seduction is as pure as fire. Even Bai Xue's seductive Kung Fu has frightened Yang Yu, not to mention Li ruorong.

"No, no, it's just something?" Since Yang Yu became his girlfriend's best friend Yang Lin, he has learned to behave well. His girlfriend's friends or sisters should not be touched, so as not to make a fuss and fall into something. On the contrary, the gain is not worth the loss.

"Why, can't I ask you out? I can't swim. I want you to teach people. " Li ruorong talks with his father, and Yang Yu feels numb.

But in the twinkling of an eye, I don't think it's right. It's May next week. It's still a month away from summer. It's a bit cold to go swimming now. In addition to the last time that is not afraid of freezing Yang Lin, but that day is inexplicably hot, and it is afternoon, the sun is warm, but also understandable.

"It's summer in a month. How about summer vacation?" Yang Yu pushed away and taught you how to swim. Aren't you naked? If you can't control it, there will be something wrong. Besides, your sister is always seducing others. This is a trap. Even if it's not a trap, it's probably for your sister or Secretary Li to test me.

When Yang Yu thinks about it like this, he is not ready to be fooled. I will show you.

This is really ironic. I just had a girlfriend's best friend last week.

Are you still focused?

Li ruorong did not expect to touch the wall, thinking that men love to disguise, clearly want to go on me, but also pretend to be reserved. However, the less he gets, the more interested Li is. In particular, he is his own sister's boyfriend.

There are such terrible women in the world.

"Well, teach me in summer vacation. Can you come to me in the evening?"

Poof!

Yang Yu almost came out. Why do I go to see you at night? You know I'm your sister's boyfriend. Isn't it appropriate to go to you? Besides, what do your parents say?

"What's the matter?" Yang Yu hesitated and was embarrassed to refuse directly.

"It's OK. I'm bored and idle. I just want to find a man with me."

Poof!

Yang Yu almost sprayed again. From childhood to adulthood, I really didn't see a woman so active. This active woman must be greasy and said so naked. Yang Yu is more determined. It must be his girlfriend Li Ruoshui who comes to her sister to test him. Maybe Li Ruoshui already doubts about himself and her best friend.

"As you know, I'm your sister's boyfriend. I'm afraid that's not appropriate?" What Yang Yu said is very euphemistic.

"Of course not. That's why I asked you to come." Li ruorong showed off her charm and squeezed her chest: "my room is on the second floor, my parents are on the first floor, and my sister's and my sister's rooms are on the third floor. You can find a way to climb up to me at night."

I didn't expect Li ruorong to be so straightforward and powerful.

"Sister Rong, there are so many men in the village, you can find them, and I'm your sister's boyfriend." Yang Yu feels very speechless, and doesn't understand whether Li ruorong really wants men crazy, or is he really just testing his character?

Yang Yu suddenly feels confused. What does it mean? What does it mean to go to her room? I'm your sister's boyfriend, and you let me go to you alone. What do you mean?

"I'm not interested in them. I know you're my sister's boyfriend, but I want you. If you don't come to me at night," Li ruorong changed her face and looked insidious. "I'll make you regret it."

Yang Yu was able to appreciate the most poisonous woman's heart. If it's someone else, Yang Yu doesn't like her, but she's her girlfriend's sister. What do you do? It's too difficult.

Yang Yu did not know what he would regret?

Yang Yu also wanted to ask. At this time, someone came out from behind.

"Sister, why are you here?" Li Ruoshui came out and took Yang Yu by the arm.

"Come to pick up my baby sister, so as not to be abducted by some pervert on the way." When Li ruorong saw her sister, she changed her face and immediately began to smile. But when she said this, her eyes were looking at Yang Yu.

"My boyfriend will take me home." Li Ruoshui looks happy and smiles at Yang Yu. They all say that love can make a woman ten years younger.

"I'll give you to Midea. Go home." Li ruorong took Li Ruoshui and left. They talked and laughed. Yang Yu looks at the figure of the two sisters and feels strange. At this time, Li ruorong suddenly turns his head and looks at Yang Yu. A silk smile appears at the corner of his

mouth, as if telling Yang Yu not to forget his appointment in the evening.

Yang Yu trained the basketball team again. His cousin Yunxi stayed in the classroom to do her homework, and then went home with her cousin.

However, Yang Yu still took the main road, abnormal killer one day did not catch, the crisis is around every day.

"Was it my cousin's first kiss last night?" Yang Yu asked the third sister on purpose.

"I won't tell you. Hee hee. " Yunxi face immediately red, last night for the first time tongue kiss, very comfortable."Don't say it, do you?" Yang Yu said and went to tickle.

As soon as Yunxi saw it, he wanted to run away. Yang Yu a pull over, may be too strong, Yunxi whole person pounce on Yang Yu's arms, Yang Yu homeopathy a bow, a tone in the past.

Yunxi was stunned by the sudden attack, staring big eyes, but cousin's tongue has come in, the pleasure suddenly swept all over, the muddy water trembled, immediately reflected, quickly pushed to open, patted cousin's chest muscle, scolded: "cousin, in the street, will be seen."

Yang Yu then reacted and looked around. Fortunately, no one was there. It was very dangerous for the villagers to find that they were kissing their cousins. It was not a joke. This ethical and moral thing is very taboo in the countryside. The villagers' ideas are very conservative. If it is passed on, it will be a big event.

Yang Yu was really frightened with a cold sweat: "cousin is wrong."

"In the future, my cousin is not allowed to eat my tofu like this, and you are not allowed to hold me to pee. I will be too nervous to pee." Yun Xi is pretending to be very angry on the surface. He can't help it in his heart. The flowers are in full bloom.

"Can't you pee?" Yang Yu touched his head and thought it was wrong: "didn't someone pee so much last night?"

"Cousin, you" Yunxi was so angry that he couldn't hold a word out, so he chased Yang Yu. Yang Yu laughed and ran away.

The setting sun in the sky, colorful, very beautiful.

When Yang Yu got home, he followed everyone to collect the dry goods. This batch of dry goods is nearly 50 Jin, and the next batch will have to wait for a month. This is also the advantage of growing vegetables, short cycle, environmental dependence is also relatively low, unlike the cultivation of mushrooms, temperature requirements.

Mushroom? Dried mushrooms are not bad. Yang Yu suddenly has an idea.

Now let Yang Yu distress is the thing at night, lying in the window, at a loss, in the end is to go or not to go? It's very contradictory. Before leaving, Li ruorong's words that you will regret if you don't come are always in his mind. In case she doesn't go, what will she do?

Think about Yang Yu feel afraid, he is afraid of women, women launched crazy can be more difficult to deal with than abnormal demons.

But if they go, all this is their conspiracy to test themselves, it will be over. It will always be misunderstood to see his girlfriend's sister alone behind his girlfriend's back.

But then again, as long as I don't touch her sister, what am I afraid of? The body is not afraid of the shadow.

Just go! Yang Yu made up his mind.

But Yang Yu's heart is still scared. He always feels that something is going to happen. Li Ruoshui's father is the Secretary of the village. He really can't afford to offend her father. Maybe the schools in the village can't get along with him.

It's just, what does Li ruorong want? Is she really interested in me?  
Are you really seducing me?

Yang Yu is going to make it clear at night. It's more uncomfortable hanging.

## Chapter 86

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Turn off

Because yunu village is located in the valley, the valley is a slope, the house is built from south to north, the higher the terrain is, the yunu river goes through the village along the valley. Therefore, there is still some distance between Yang Yu and Li Ruoshui's home.

In the village where there is no communication tool, dating can only rely on oral communication. Li Ruoshui is lucky because his boyfriend and he are both teachers and can meet each other every day.

Yang Yu didn't go at night. Instead, he waited until after eight o'clock, maybe when the old man was going to sleep. This is Yang Yu's second visit. Li Ruoshui's house is a new one. Like a thief, Yang Yu goes around the house and finds that the first floor is dark with no lights. Maybe Secretary Li is still asleep.

There is a light on the south side of the third floor. Yang Yu guesses that it should be his girlfriend's room. On the north side of the second floor, there is a room with a light on. It should be Li ruorong's room. Because the house is built in a narrow distance from the hillside.

The stone walls on the hillside are full of potholes, which can be used to climb up. After climbing up, Yang Yu found the curtain half open and peeped in. He found Li ruorong lying in bed in her sexy pajamas, reading a book. When he saw that she was alone, Yang Yu knocked on the window.

Li ruorong thinks that Yang Yu is afraid to come, but she is always confident about her beauty and figure. In the office, those village cadres are salivating every day, asking them to kneel down and lick their toes, just like a dog. No, in Li ruorong's eyes, men are dogs, serving their dogs.

Therefore, Li ruorong also has to prove that her sister's boyfriend is also a dog. She bows to the dog under her skirt and sticks out her tongue to lick her lower body. This kind of feeling makes Li ruorong's whole body exciting and satisfies her great vanity.

When he saw Yang Yu knocking at the window, Li Ruo Rong gave a cold smile and thought: it seems that you are no different from other men. I'll see how I play with you.

"I thought you didn't dare come." Li ruorong opened the window and said, "come on in."

Yang Yu jumped up and climbed in from the window, looking embarrassed and aiming at Li ruorong. I didn't expect that Li ruorong was extremely sexy. This nightdress was different from the one we met last time. It really made people hot.

The nightdress is made of silk. It feels like a super hand dress. It has no sleeves at all. It only has two suspenders that go through the shoulders. It is completely exposed above the chest, and the chest is also half exposed. Half of the two breasts are exposed outside, only covering the position of the nipple, and the whole cleavage is completely exposed. The Nightgown was very short, barely covering the buttocks, and the white thighs were exposed.

Yang Yu, who was dressed in this way, couldn't help but harden his lower body. He swallowed deeply, and his hot face turned red. It's really a big whore. But men just like this kind of whore. The more he Sao, the better. Especially in bed, he must Sao fiercely.

Yang Yu thinks too much about it. Who knows, Li ruorong suddenly presses on him and looks at him. Yang Yu hides behind the window involuntarily. Although his body and fire are almost out of control, his reason is still there: brother has a girlfriend, brother's girlfriend is

still your sister. You should be calm, calm and can't mess with you  
Ah, don't make me mess with you.

"Why are you blushing like this? I just pull down the curtains, and it's not good to be seen with a man hidden in my room?" Li ruorong smiles and deliberately presses the whole body over, completely on Yang Yu's body.

Yang Yu only felt that Li ruorong's milk was completely pressed on his chest. It was soft and elastic, which made people want to stop. It's more than that. Li ruorong deliberately pretends to pull the curtain, but he puts his face together. Yang Yu has to keep his face sideways and try to avoid opening it. His expression is very embarrassed.

"It's a little hot." Yang Yu had to deliberately pretend to fan with his hand, which man is not hot when he sees such a whore?

"Is it?" Li ruorong deliberately aimed at Yang Yu's lower body. Yang Yu had already hardened: "you are so impolite. Do you even want to do it with your girlfriend's sister?"

"Rong elder sister, you misunderstood, but you are too" Yang Yu said not to export, originally wanted to say you said so sexy, so coquettish, as long as I am a normal man will be like this, but just to suppress back: "mainly Rong elder sister is too beautiful."

Sister Rong smiles and thinks: what's the difference between you and other men? Don't you still want to fuck me when you see my mother? But he said, "do you think I'm beautiful or my sister is?"

Li turned around, took a bottle of wine and two cups from the cupboard, poured half of them each, and then handed them to Yang Yu with elegant and noble manners, which was more beautiful than Li Ruoshui.

"Sister Rong is noble and gorgeous. If the water is fresh and elegant, each has its own beauty." Yang Yu also had to take the red wine, looked at the color of the wine, red as blood, and continued: "sister Rong invited me here, not just to drink the bar?"

Yang Yu looked at the wine again. If he also gave himself some antiperspirant or aphrodisiac in the wine, he might be in danger of death, so he hesitated.

"Don't you medicate this wine?" Li ruorong sipped.

Yang Yu had a look. It was impolite not to drink it, so he took a sip. Suddenly, the wine was fragrant, mellow and full of flavor: "this wine is very precipitated, especially after drinking, it has a full aftertaste and a sweet taste. It's really not so sweet for such an old wine. I guess it's French Bertus in 1984." Yang Yu casually said that he did not study wine at all, so he only knew several famous brands. So in order to show off his "erudition", he deliberately said a brand, which is a common trick for Yang Yu to pick up girls. Anyway, many people don't understand it, and no one knows if it's wrong. Just this time, Li ruorong frowned, and the label of the wine bottle was torn, because this bottle of wine is expensive, but Yang Yu was right about what Li had never dreamed of. Li ruorong can't help but feel excited. She is addicted to wine and has inherited her father completely. Secretary Li likes to drink traditional old wine, and Li ruorong also loves wine deeply.

Li ruorong suddenly felt that he met a bosom friend. Yang Yu never dreamed that his casual words immediately changed his position in Li ruorong's heart. At least he was not a dog.

"I don't see. You have a lot of research on wine. I've got another bottle. Would you like to try it?" Li ruorong also doubts Yang Yu, so he wants to try him again.

"Sister Rong, next time. If it's OK, I want to go back first?" Yang Yu feels uncomfortable all over here. His lower body is hard all the time. He's very uncomfortable. He's even more afraid of drinking and having sex. He always reminds his girlfriend's sister not to do it.

"What's your hurry? It's still early. Can't you accompany me?" Li ruorong suddenly changed his tone and acted like a spoiler, which made Yang Yu feel numb.

In fact, Yang Yu has already guessed that Li ruorong would be ok if he wanted to find himself, but he did not dare to ask: elder sister, tell me quickly, are you really seducing me or deliberately testing me? You are playing me to death.

"Sister Rong, you are my girlfriend's sister. It's not good for us to be alone." Yang Yu still can't help but ask tentatively, and his body has been leaning against the wall, far away from Li ruorong.

On hearing this, Li ruorong put down her glass, stood up and walked up to Yang Yu. She gently raised her hands and put them on Yang Yu's chest: "what are you afraid of? I don't eat people. "

Yang Yu quickly dodged back and looked at his hands touching his chest. His fingers were very slender and beautiful. Yang Yu's chest was numbly touched. He took up his hand and pulled Li ruorong's hands, which means: kiss, don't you touch me? I feel numb.

"Not afraid, but I don't understand. What does sister Rong mean?"

"I mean it straight. I want you to be my boyfriend."

Poof!

Yang Yu vomited blood!

Thinking that he had heard wrong, he looked at Li ruorong again. It didn't seem like a joke to see her like that. Whether it was true or a trial, Yang Yu wanted to die. But whether it was true or false, Yang Yu couldn't agree, because there was Li Ruoshui.

"Sister Rong, you're kidding. I thought it was your sister's boyfriend." Yang Yu looks embarrassed. He really didn't expect Li ruorong to say this to her. She knows that she is her sister's boyfriend.

"Do you think I'm joking?" Li's face is serious, but in her heart, she has another plan: I don't believe it, my charm is not as good as my sister? I don't believe it, you Yang Yu don't obey?

"Sister Rong, it's really not suitable. I have Li Ruoshui. Shall I introduce one to you?" Yang Yu can only refuse. If he doesn't want to refuse, he will die miserably.

If you listen to Li Rong, you will be more serious

Yang Yu heard that he wanted to cry without tears. He had never seen such a powerful woman before. In the past, this sentence was said by Yang Yu to women. Now how can it be reversed.

"Sister Rong, this" Yang Yu's words just half said, suddenly came a knock on the door.

"Sister, are you there?" It turned out to be Li Ruoshui.

Yang Yu's face is ugly, isn't it? What a coincidence? My girlfriend knew that I was secretly in her sister's room. I couldn't wash it when I jumped into the Yellow River. Did you say to Li Ruoshui: honey, I just came to chat with your sister?

Do you believe it? Do you have a fuckin 'letter?

## Chapter 87

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Turn off

"Where to hide?" Yang Yu has been in a hurry for a long time. Looking at the bed, it's a low bed. There is no bed under which to drill. He also looked at the wardrobe. No matter how big the wardrobe is, it can't hold Yang Yu. He rushed to Li ruorong for help.

Ah, this Li ruorong is calm and calm, even if it's calm. What's more, she looks like a clown and looks at Yang Yu anxiously, with a proud smile on her face. Yang Yu hates it. Li Ruoshui knocked at the door.

Yang Yu had no choice but to pull the curtain and turn it over again. But this is the second floor after all. You can't jump directly. You'll break it. With her feet on the stone wall and her body tilted, she hung her hands out of the window. Li ruorong went to open the door

after the curtain was half drawn.

There was a cool wind blowing outside, but Yang Yu felt that the wind was bleak, the water was cold, and the strong man would never return.

"Sister, is the door closed so tightly? Ha ha Li Ruoshui seems to be in a good mood. When he comes in, he jokes.

"You have a boyfriend to moisten, but your sister doesn't. can't you hide a man?" Li ruorong continued to take the glass of wine, aiming at the glass Yang Yu drank, and forgot to hide it.

"The man in my sister's eyes must be a man of great talent." I didn't expect Li Ruoshui to boast. At the same time, he saw the glass of wine. This glass of wine is my sister's favorite. I don't usually drink it. Does a man really make my sister's heart beat? My sister has a heart of stone.

"No matter how good it is, it's not as good as my sister's teacher Yang." Li ruorong deliberately mentioned Yang Yu.

Yang Yu outside the window blowing wind, so hanging, in the heart that hate, thinking about who is not good, just want to talk about me?

Yang Mingyu, leaning against the window, walks with his sister leisurely

"You child, let your sister help you choose." Li ruorong put down her cup and went to the wardrobe.

Yang Yu is glad that he didn't hide in the closet just now. Otherwise, in case Li Ruoshui opens the closet and sees his boyfriend in it, how can the scene and atmosphere make people feel embarrassed? At that time, Yang Yu smiles and says: Ruoshui, you are here, too?

But now Yang Yu is not very comfortable. Her girlfriend leans her back against the window and hangs out of the window. As long as she turns around and pulls down the curtain, she will see Yang Yu hanging there.

"How about this one?" Li ruorong found out a piece of clothing, which was very bare, especially the V groove on her chest, which was pulled lower.

"Sister, I've never worn such revealing clothes. The clothes and milk are exposed." Li Ruoshui blushed when he saw that the collar was so low.

"Ouch, what are you shy about in front of your boyfriend? Didn't he touch your breasts long ago?" Li Ruo Rong said with a smile, as if this words were specially told to Yang Yu in the window.

Li Ruoshui's face turned red. He was touched by Yang Yu last time, but he didn't touch it after he took off his bra, although he was in a different situation at that time. In fact, Li Ruoshui has a contradiction in his mind. Should he touch or eat his own milk for Yang Yu.

If Yang Yu wants to touch his own milk tomorrow night, she can't help it. She can only let him touch it for nothing. Who wants him to be his boyfriend? But if she wants to go further, such as drying himself for him, Li Ruoshui hasn't prepared for it. She doesn't want to worry about it, although she knows that she will be budding by Yang Yu sooner or later.

But it's not easy for Yang Yu to hang outside. The potholes are hard to use. They are on the toes of their feet. Their hands are still clinging to the window bars. If they are not careful, they may fall down. But now, seeing the two sisters chatting happily, Yang Yu is worried to death.

"Who said he touched it, but not yet, just a kiss?" Li Ruoshui tried to dress. She was in a good mood after falling in love. She didn't think Yang Yu was good before. But since that time, and every day she was together, her feelings have really gone up, especially when she was always secretly kissed by Yang Yu. Every time she kisses her mouth numbly, she always says something numb.

Thinking of these things, Li Ruoshui felt warm.

"So you're going to have a date with him tomorrow night." Li Ruorong is so naked when talking to his sister, but Li Ruoshui has been used to it for a long time.

"No, sister. It's not that far."

On hearing this, Li Ruo Rong's face changed a little, and then she came back immediately. She thought to herself: Maybe my elder sister will make an appointment with him earlier than you. My elder sister will help you taste the flavor of your boyfriend first, and see if it's powerful.

"It's a little stuffy. I'll open the window." Yang Ruoyu and Li Shirong had a sudden surprise. Although Li does not care on the surface, she is still worried. How can she say that this is her sister and that is her boyfriend? If she is said to be her boyfriend who seduces her sister, she will have a bad reputation.

But Li ruorong just wanted to find a reason to stop her sister, but found that it was too late.

Shua, the curtain was abruptly pulled open. Li Ruoshui was very comfortable and breathed to the window. Look out, it's dark night and narrow stone lane. Li ruorong's face turned pale.

"Sister, why do you look so bad all of a sudden?" Li Ruoshui took a deep breath and turned around. Suddenly, seeing his sister's face strange, he asked. She didn't know. Just now, Li ruorong was startled and thought that she was going to be exposed.

It can be seen that there is no Yang Yu in the window, which is a relief.

Yang Yu was crying bitterly. Just now, in a hurry, he didn't care so much, so he jumped down directly. Fortunately, there was soft soil below. Except for a fall, he didn't have any problem. He took a few steps, turned the corner, and stuck close to the wall. Then he avoided the view of the window.

It's so scary.

Even one second away, he would be caught by Li Ruoshui. Yang Yu suddenly felt that he was wronged. He didn't cheat or eat tofu, but he couldn't see his girlfriend and had to hide from her. It's no logic.

Fortunately, she finally escaped from Li ruorong's den. Li ruorong is a monster. How can she be her boyfriend? I just met her once. I didn't say a word. I didn't make an appointment. I was still her sister's boyfriend, so I let myself be her boyfriend. What's the logic? Is this a date with me? Yang Yu's girlfriend is really sexy, but it's not her sister.

Unfortunately, Yang Yu sighed and was ready to go home.

I didn't expect to meet Lin Yiyi on the road. When I saw Yang Yu, she was very polite and gave a little smile. She didn't look like a countryman at all. She was still quite different from the village women in yunu village. I always felt that she was out of tune with them. Maybe it was Lin Yiyi's classical beauty temperament. When I thought about it, Yang Yu thought that Lin Yiyi really looked like Lin Daiyu's style.

Yang Yu thinks, come out alone so late, won't it be to borrow seed again?

"Yiyi elder sister, it's so late. Why don't I take you back? It's half the way." Yang Yu has a gentlemanly manner in front of Lin Yiyi, although sometimes he is a wolf.

Who knows that Lin Yiyi agrees, which is beyond Yang Yu's expectation.

After the dark path, Yang Yu suddenly remembered what Lin Yina had said to him before: if you force my sister, drag it directly to the lawn and rape it, it doesn't matter.

Yang Yu didn't know which tendon had a problem, so he suddenly had an evil idea.

It's a small road. There's no one around. It's still dark. There's a grass in front of it. Yang Yu looks at Lin Yiyi's twisted ass behind him. He's more and more energetic. He was suffocated just now. Li ruoreng is so sexy and such a big bitch, but he can only see, not touch, and he has to disguise as a gentleman. He's depressed.

But Lin Yiyi is not like this at all. Since she is a young woman who wants to do something to you, do you have any questions? Your husband doesn't mind. Do you have any more?

The grass is getting closer and closer. Do you want to start? Yang Yu was worried.

## Chapter 88

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Turn off

Do you want to do it or not? Yang Yu is in contradiction. At this time, Yang Yu always has a horizontal heart and a word: dry.

I'll talk about it later.

Yang Yu grabbed the past, Lin Yiyi a Leng, when Yang Yu ready to carry Lin Yiyi, suddenly, in front of the villagers. That person Lin Yiyi still knows, quickly hand to break away.

Three people met each other to say hello, Yang Yu that hate, big brother, when you appear bad, just at this time, you are intentional?

After the villager walked away, he looked back at the two and said to himself, "strange, how can Lin Yiyi hold hands with him? Is it extramarital? I can't see it. They all say Lin Yiyi is a good woman. I didn't expect to cheat on her husband's back. Ah, Wang Ren must be wearing a green hat. Do you want to tell him? "

In fact, Lin Yiyi felt uncomfortable. She didn't know why Yang Yu suddenly held her hand. She was worried: just now, brother Dong didn't know if he had seen it. I'm afraid there was a misunderstanding.

Where does Yang Yu think so much? I just want to drag you to play in the grass.

Three people, totally different ideas, people's minds are really subtle things.

Seeing Lin Yiyi's home in front of him, he missed the opportunity of this rape and didn't know when it would be next time.

"Yang Yu, actually..." Lin Yiyi turned around and hesitated to Yang Yu.

"If Yiyi has anything to say, it's OK." Listening to this, Yang Yu suddenly remembered that when he broke up with his first girlfriend, it was the same beginning of the dialogue.

"I'm scared, actually." Lin Yiyi has been unhappy since she knew her husband didn't give up on the wedding night. Later, she thought of a way to borrow the seed, but she still couldn't be happy. She didn't know whether she married the wrong person.

But she felt that she was a tragedy when she had to live like this: "I can't accept sex without love. If I have sex with you, even if it's just a loan, I'm afraid I'll"

"when I think about it, if I'm pressed by you, I may have to do it many times. I can't think about you. Maybe I can't think about you. I'm old So I'm afraid. "

These things have been pressed in Lin Yiyi's heart. In fact, she is not shy, but afraid of love. Women are sensitive. A man often presses on you to dry you. Maybe a man can completely separate love and sex, but women can't. in a woman's heart, love and sex must be a whole.

What's more, love will grow with time.

"Sister Yiyi, I'll ask you a question: do you want to be a virgin all your life? Do you have this awareness? " Yang Yu thinks that this is a very cruel thing, for anyone.

Lin Yiyi shakes her head hard. She is a normal woman. She has seven emotions and six desires. She has more sexuality. Besides, at this age, she is more and more hungry for sex.

"Everyone has the right to enjoy sex, and no one can deprive it." Yang Yu has never been serious enough to discuss the subtlety of sex.

Lin Yiyi hesitated. She had never heard of this view before, but she thought it was very reasonable: why can't I have sex?

"What do you think I should do? I'll listen to you. " Lin Yiyi is very passive. Women with traditional ideas are passive.

When Yang Yu heard this, he was happy. Isn't it possible to teach him? If you think about it carefully, it's true. Lin Yiyi doesn't know anything about sex. To put it bluntly, she knows less than Xiaomei, not to mention Zishu. Haha, Yang Yu suddenly blossoms happily. Unexpectedly, she doesn't want to plant willows and become a shade again.

"You come with me." Yang Yu took Lin Yiyi's hand and went to the nearby woods.

In the countryside, especially in the mountains, there are a lot of small trees, generally dozens of trees, ranging from basketball court to football field.

Yang Yu found a big tree, turned off the flashlight, and deviated from the forest path. Even if someone passed by, they would not be seen. Lin Yiyi is leaning against the big tree. Yang Yu is facing her. They are very close, one hand holding her hand.

"Have you ever had a kiss?" Yang Yu asked.

Lin Yiyi even shook his head, her husband Wang Ren not only did not lift, but also no fun, may also be the reason for not lifting, he did not even kiss his wife, let alone use his mouth to comfort Lin Yiyi.

Sometimes, when Lin Yiyi is in spring, Wang Ren just sleeps like a dead pig. Lin Yiyi is so angry that he wants to cry without tears. He has thought about looking for a man many times, but because of moral and ideological constraints, he has never taken a step.

It's cool in the woods at night. The cool wind blows and makes me feel comfortable.

Yang Yu did not leave with one hand, and the other hand raised ready to touch Lin Yiyi's face, Lin Yiyi instinct shy side open.

"Don't move." Yang Yu stroked Lin Yiyi's cheek. His skin was very smooth and soft. When he touched his chin, he straightened Lin Yiyi's face and faced himself.

When Lin Yiyi and Yang Yu look at each other, their hearts jump. She knows that Yang Yu wants to kiss her. She has never experienced the taste of kissing. She is afraid, curious and contradictory.

Yang Yu gradually put his mouth close to the past, the whole body also pressed in the past, and his right hand also supported her chin, Lin Yiyi's melon face is a beautiful face, more beautiful chin. Lin Yiyi blinked and wanted to move her face away, but Yang Yu's hand held her and didn't move her at all. In this way, her mouth was getting closer and closer. Lin Yiyi's eyes are even bigger.

"No!" Lin Yiyi is still afraid to turn his head away.

Yang Yu stroked and coaxed her: "don't be afraid, it's OK." Then Lin Yiyi moves his face back. This time, the distance between his mouth and his mouth is very close. Yang Yu doesn't give Lin Yiyi another chance to resist.

The tone went on.

Yang Yi Lin's hands are all tight.

Two lips touching.

Two people kiss for a long time, just leave, Lin Yiyi has also kicked the atmosphere.

"Said don't be afraid." Although the mouth left, but the face and face are still close together. Lin Yiyi was kissing, did not expect that the mood suddenly relaxed, seems to be suppressed in the heart of the group of lust has a vent place.

Lin Yiyi is wearing a white shirt today. It looks like a city white collar. Yang Yu raised his hand, ready to unbutton her.

"No, Miss Yang." Lin Yiyi reaches for Yang Yu's hand and doesn't want him to solve it.

"It's OK. Relax." Yang Yu tried to coax, persuade, like coax a little girl. Lin Yiyi's hand slowly released. Yang Yu untied the buttons one by one.

Moonlight is like silver, even in the dark, you can still see the spring of the body.

"No, Miss Yang." Lin Yiyi rolled down shyly.

"Don't be afraid. Relax. It's OK. I'll pinch it gently." Yang Yudaο..

But to Lin Yiyi's surprise, Yang Yu suddenly bowed his head and opened his mouth to contain the rabbit.

"Ah

Lin Yiyi immediately called up. God, it's so comfortable. Lin Yiyi never dreamed that the milk in her mouth would be so full of pleasure.

Lin Yiyi seems to have forgotten everything. He only knows that he is hot all over. There is a burning desire in his body. He needs to vent it.

## Chapter 89

Turn off

Cram school on Saturday, preparing for the mid-term exam. Yang Yu attaches great importance to the mid-term examination, which is a good opportunity to test his teaching quality. In the evening, I wanted to take Li Ruoshui to the attic to have a good intimate meal. Unfortunately, I had to prepare a plan to earn money, so I went home early.

Tomorrow Sunday, Yang Yu finally decided to go to the city to lie down.

Under the desk lamp, it's already ten o'clock. Yang Yu is still biting his pen and planning his own career. Tomorrow, I will go to the city to find Xie Qiuqiu. Xie Qiuqiu's family is a famous Kangyuan food company in the city. Its food is widely involved, not to mention the city. It is very popular in China.

If you can ask Qiuqiu's father to help, Yang Yu's career in the future will be great. Maybe he can really make pure green food.

At that time, it may be the mountain king of Yunv village. When I have money, I will directly empty the reservoir. I don't believe it. Is there a water ghost? Yang Yu still does not forget about Xiao Xing, and he is very upset. Although Liu Anguo is missing, the clue is broken.

Sunday is a fine day with blue sky and white clouds. Yang Yu got up at dawn, took a bag, took his own sales plan and some dry goods samples and set out.

This is the first step of Yang Yu's career.

Climbing five mountains, the mobile phone will have a signal, the result received a pile of text messages and calls, many of them are Xie Qiuqiu.

It's no more than asking where Yang Yu has gone? But Yang Yu is in the mountains. There is no signal. I feel completely isolated from the world when I don't have a mobile phone.

So Yang Yu still contacted Xie Qiuqiu. The girl just came home from the nightclub and was about to go to sleep. She asked Yang Yu to go directly to her bachelor's apartment to find her.

Yang Yu later learned that this community, known as Wangchun garden, is a special place for the rich and the rich to buy concubines. There are a large number of school students, young models, and even occasionally a star artist. Most of them live alone like Xie Qiuqiu. Generally, every week, the rich come to find a concubine to vent their anger.

Look at the spring garden in spring, picturesque.

Yang Yu spent a lot of tongue to talk through the security, into the community. The old man, who is tall and thin, looks like an old lady.

Both appearance and temperament are extremely mismatched.

The beauty was holding a black cat in her arms. The black cat's eyes were bright, deep and powerful, but she was staring at Yang Yu and meowing in the beauty's arms.

Yang Yu and the two passed each other, muttering in his heart: ah, people with money and power live different lives. At this age, they can still play with such tender girls.

Just when Yang Yu passed by, the beauty also secretly took a look at Yang Yu.

Yang Yu looked for a long time, only to find Xie Qiuqiu's villa, called, Xie Qiuqiu came downstairs to open the door.

Xie Qiuqiu wore a nightgown with a plain face, but it was much more pure than the heavy makeup under the light. She felt like she had changed from an old girl to a young girl.

"I thought you wouldn't dare to see me if you played with me?" Xie Qiuqiu has been sleeping for nearly six hours. It's two o'clock in the afternoon. When Yang Yu wakes him up, he doesn't plan to sleep.

He turns on the TV in the living room, takes snacks, sits cross legged on the sofa and eats.

"I'm in the mountains. There's no signal there." Yang Yu found that he was still a little stiff in front of Xie Qiuqiu. He always felt that he was from two classes.

"Come on, what can I do for you?"

"I planted some vegetables in the mountains and dried them in the sun. I know your family is a food company. I don't know if it's OK or not." Yang Yu still can't say it. If it wasn't for the debt, he wouldn't ask others in such a low voice, but it's a shortcut to ask his classmates for help.

Although Xie Qiuqiu is usually insane, she is very smart: "I can't do it for you, and I don't care about it. I have to ask my father."

Yang Yu also guessed this, just wanted to say: then you take me to your father, but heard a cat call.

Meow!

It's a black cat. I don't know when and where the black cat came out and approached the living room.

"Black beans? What are you doing here? " Xie Qiuqiu immediately recognized the cat, which belonged to Su Xinqi, a young model in the apartment next door. He immediately went to pick it up and wanted to feed it snacks. But strangely, the black cat did look at Yang Yu all the time.

Yang Yu looks creepy. They all say that cats are spiritual creatures. His eyes are clearly looking at a ghost.

At this time, came the doorbell, Yang Yu see that Xie Qiuqiu and black cat have a good time, on their own to open the door.

As soon as the door opened, Yang Yu was stunned. There was a beautiful woman standing outside.

"It's you?" Said the great beauty with a smile.

Isn't this the young model I met on the road just now? I was with that old man a few minutes ago. That beauty sees Yang Yu Leng there, returned a: "just met outside, you forget?"

How could Yang Yu forget? Just now I looked at you from the beginning to the end, but Yang Yu didn't have much interest in her. She was a mistress who was taken care of by an old man. She even thought that she was a little disgusted, especially when she thought that such a beautiful woman was pressed on her body by that ugly man. Yang Yu forced out a smile: "remember. Are you looking for Qiuqiu? "

"No, my black beans seem to come here again." With that, Su Xinqi, the young model, looks inside. Yang Yu quickly gets out of the way and sees Qiuqiu playing with black beans.

"Black bean, you're not good again. You'll know how to run to other people." Su Xinqi went into the room and clapped her hands at the black bean to coax it over, but the black cat seemed to prefer the embrace of Qiuqiu.

"Your black beans like me." Qiuqiu's voice just fell, suddenly, the black cat jumped out of her arms and only jumped on Su Xinqi. Su Xinqi is happy, and suddenly, the black cat makes a turn, jumps up, and pounces on Yang Yu.

Yang Yu didn't react at all. How could he know that the cat suddenly turned and jumped at him? Yang Yu's instinct flashed and his right hand swung, but he just met the cat. Suddenly, there was a sharp pain.

"Ah Yang Yu gave a cry.

The black cat jumped into the air, fell on the ground and glared at Yang Yu fiercely. Its tail was straight and erect, which was the typical attacking posture of cats.

"Black bean, what are you doing?" As soon as Su Xinqi saw it, she quickly patted the black cat gently, and then asked with concern, "how about it? Are you hurt? "

Yang Yu held his left hand tightly and said with a smile, "it's OK, it's OK."

"It seems that black beans don't like you." Xie Qiuqiu came over with a smile: "to introduce you, this is my high school classmate Yang Yu, she is a neighbor Su Xinqi, a model."

"Hello." Yang Yu says hello with a smile. He is more interested in the black cat than Su Xinqi, especially the cat eyes. Yang Yu wants to see what he looks like through the pupils of the cat's eyes.

"Hello, I'm sorry. The cat is not very obedient." Su Xinqi smiles. She looks very beautiful when she smiles. If it wasn't for the woman who was taken care of, Yang Yu would be really moved.

"Are you really OK?" Su Xinqi looked at Yang Yu's clenched left hand and thought he was injured.

"It's just a cat. It must be OK." Qiuqiu touched his messy hair, then turned to Yang Yu and said, "I'll go to wash first, and I'll accompany you to see my father later."

When Qiuqiu left, Su Xinqi still didn't go.

"Are you lovers?" When Su Xinqi wants to see her father, she thinks that Yang Yu is meeting her father-in-law.

"No, I have something to do with her father." Yang Yu replied.

Su Xinqi Oh, see Yang Yu seems a little cold to himself, and other chasing her man formed a sharp contrast, the atmosphere suddenly a little embarrassed: "then I'll go back first, another day when I have time to go there, let black beans give you an apology." Then he stroked Heidou's head and waved his cat's paw to Yang Yu.

After they both left, Yang Yu spread out his left hand and saw a

scratch across his palm, which just separated the black mark on his palm. Fortunately, it was only skin injury, the wound was not deep, and only some blood was infiltrated, which just killed Yang Yu.

Yang Yu just doesn't want them to see the mark on their palms. Although it can be said that it's tattoos, it's better to do more than less.

Xie Qiuqiu washed well, and they drove out to her father's company.

Su Xinqi stood on the balcony and watched them drive by their villa. She held the black cat in her arms, stroked its head and said to the black cat, "Why are you the only one who accompanies me?"

And the black cat, it seems, has a unique spirit, and has been watching Yang Yu go.

## Chapter 90

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Turn off

It took the car nearly half an hour to get to the suburb on the other side of the county.

In front of us is a big factory. What's more, it's a food processing factory. Yang Yu watched several big cars go in and out, carrying the packaged food out. When the security guard saw that the person who arrived was the chairman's daughter, he immediately became like a dog.

"Hello, miss." Two security guards wagging their tails, looking very excited, as if they had never seen a woman, all the way to open the door for Xie Qiuqiu and open the elevator. But Xie Qiuqiu gave them a glance.

In addition to the processing workshop, there is also a building with a height of more than ten stories, which should be a place for non workers to work. As soon as everyone in and out of the elevator saw the chairman's daughter coming to the company, he immediately

became powerful, with a smile on his face, and took the initiative to give way to her.

When the elevator reached the eighth floor, Xie Qiuqiu went out. This just out of the elevator, the elevator began to chirp.

"I think the chairman has a lot of money. I think it's just a pair of eyes and a mouth."

"Be careful to be heard. It's said that she's been in bars all the year round and maybe taking drugs."

"If I marry her, do you think this company will be mine?"

"Who is the man behind her? Can't it be a duck in a nightclub? Ha ha "

it's just that Xie Qiuqiu can't hear these words. Otherwise, these people will have to leave. The workplace is just like officialdom. It's all superficial and behind the scenes. People talk to each other and ghosts talk to each other.

Xie Qiuqiu went to the door of his father's office and pushed the door in without knocking.

Xie Tianshi, her father in the office, was shocked, not because someone came, but because his secretary was sitting on him with his legs apart, and Xie Tianshi's hands were touching the Secretary's milk.

The secretary was even more frightened. She didn't expect that she was caught cheating in the office. She was also the daughter of the chairman of the board. She immediately lowered her head and blushed. She didn't dare to look at Xie Qiuqiu. She just said hello to the eldest lady and went out in a hurry.

Left her father Xie Tianshi sitting on the chair embarrassed smile: "baby, how did you come?"

"Hum!" Xie Qiuqiu hummed coldly: "Dad, you are very romantic.

Do you want to tell mom to go?"

"No, no, No." Xie Tianshi was so scared that he said goodbye three times. With a smile, he took out a bank card from his wallet and handed it to him: "dear daughter, there are still 100000 yuan left in this card. Would you like to take it with you?"

Xie Qiuqiu glanced at his father, took the bank card, and didn't even say thank you: "this is my high school classmate Yang Yu, he has something to do with you, you talk, I'll wait outside."

Xie Tianshi escorts her daughter out with a smile. The woman has been spoiled since childhood, and the father has no way to take her. Although he knows that she spends a lot of time outside every day and that something will happen sooner or later, he has no way to take her.

As soon as Xie Qiuqiu went out, Xie Tianshi's face sank down: "sit down. I'm very busy. Please tell me if you have something."

Just now I have time to make out with the female secretary. Now I'm busy? Obviously, this is Mandarin.

"Well, I have some dry goods on hand. I want to pack them and sell them, but I don't have a sales channel. I don't know if Xie Dong can sell them," Yang Yu said. He quickly took out the proposal from his bag and handed it to Xie Tianshi.

As soon as Xie Tianshi heard what he had come for, he lost interest and thought to himself: he's a visionary again. Let's see if there's any oil and water to dig. He opened the plan book at random and took a look at it.

"No way." Xie Tianshi took a look and rejected it directly. If it were not for his daughter, he would never have seen such a person.

"Why don't you stop looking?" Yang Yu feels that Xie Tianshi didn't look at it at all. He knows that he is completely perfunctory.

"If I say no, I can't. go out." Xie Tianshi waved his hand impatiently,

obviously angry that Yang Yu's sudden arrival hindered his cheating.

"Mr. Xie, my food is pure green. There is no pesticide or chemical fertilizer. There should be a market." It's rare for Yang Yu to come here. He should seize such a good opportunity even if he is humble. When he has money, others will see you differently.

"The market? Hum! It's ridiculous. " Xie Tianshi said impatiently: "first, you are dry goods. Now people eat fresh goods. It's not the famine era before. Who buys your dry goods as vegetables every day? Second, you say that green food is green food, and what I sell is green food. Third, you see the price you offer. Why don't you rob the bank? Are you kicked in the head by a donkey? Let's go. Let's go. "

Xie Tianshi has already issued a travel order. He has seen a lot of people like Yang Yu. They are all whimsical people. They think that business is so easy to do. Then they are all rich?

"Dry goods are just the beginning. Now there is really no money to transport fresh goods in the mountains. Once there is a market and money, the problem of transportation can be solved. My food is really pure green. When people eat it, their reputation will rise and the brand effect will rise. The high price is because I think no food is pure green now. I am competitive and my sales target is high-end society Yes, they can afford it. " Yang Yu is obviously not reconciled. He thinks that there is a market for pure green food. Although there is no market for dry food, it's just for the first bucket of gold to start slowly. After all, there is no cost. It starts from scratch only by accumulation."What do you mean? You say my food is not green food? You are a real person. If you don't leave, I'll call security. Don't say I don't give my daughter face. " Xie Tianshi said coldly.

Yang Yu knows that he can't talk about it any more. If he talks about it any more, Xie Qiuqiu will be in a dilemma. Yang Yu sighed, had to put away the proposal, got up and left.

"I daydream, but I don't think I'm a bit of a weight." Xie Tianshi's sneer came from behind.

Yang Yu has been enduring it. If it wasn't for Xie Qiuqiu's sake, he would have turned over. You can say that there is something wrong with my plan, or there is something wrong with my market positioning, or even that it doesn't matter that my food is not green. I've endured it. But you can't laugh at my self-esteem and slander my personality.

Yang Yu turned his head and snorted: "you wait."

"Ouch." This sentence really amused Xie Tianshi: "I'll carry it. OK, I'll wait. I'd like to see what you can do to sell this pile of garbage."

Yang Yu was biting his teeth. He didn't expect that today's party would be like this, which he never thought of.

When Yang Yu came out of the office, he found that Xie Qiuqiu was teaching the female secretary a hard lesson. The female secretary kept her head down and her tears were scolded, but she could only say that I was wrong, I was wrong.

See Yang Yu come out, just stopped: "how? Did my father agree? "

Yang Yu shook his head helplessly.

"Then I can't help you. I can't help you with business."

In fact, Yang Yu has been very grateful for Xie Qiuqiu's help. At least Xie Qiuqiu said he would help without any excuse: "it's OK. I'm very grateful if you bring me to see your father."

But Xie Qiuqiu didn't see Yang Yu's plan, which had been extremely distorted.

The anger and struggle in his heart are invisible to Xie Qiuqiu. Yang Yu turns his head and looks at Xie Tianshi's office. He has never been so determined to do this career.

"I want to go straight back, and the students will take the exam the day after tomorrow." Yang Yu sat in a luxury car, but he was not in the mood at all. When he was depressed, it was useless to take any

luxury car.

"Not for one night?" Xie Qiuqiu turns her head and takes a look at Yang Yu. She is a proud woman and has never asked to leave a man in the past. For her, it is almost impossible: "I can send you back tomorrow night."

"I'm not going to the bar. It's OK to stay." Yang Yu grins bitterly. He suddenly stays in the quiet and simple countryside for a long time. He doesn't like the noise of the city, especially the bars.

"Why not? I can introduce my sisters to you. Many of my sisters are very interested in you." Since that night, Xie Qiuqiu has talked about how powerful Yang Yu was that night and how big the guy was, especially Yingying, in front of her sisters several times. She had a chance that night and was forced to run away by Qiuqiu. She was very upset. She must let Qiuqiu find a chance to let Yang Yu accompany her, so Qiuqiu sent so many messages and calls to find Yang Yu.

Of course, Yang Yu doesn't know all this. He doesn't even think that one night stand can make Qiuqiu moved. He knows that women like Qiuqiu are just playing with men. They throw them away after playing. They never move their true feelings.

"Really, I can't. I have something else to do when I go back?" Yang Yu continues to refuse.

"Hum!" Qiu qiuleng snorted: "if you want to borrow money from me, I'll borrow it from you. If you want to see my father, I've also brought you. Now I just want you to stay with my sisters for one night. Why can't you be so helpful?"

Qiuqiu's words are all about this. How can Yang Yu refuse? When I borrowed money and met her father today, Qiuqiu helped directly. Now I let Yang Yu stay for one night. What's the matter? You have a lot of face? You're the ancestor, I beg you? Are you putting on airs? It's a bridge over a river? Conscience eaten by dogs?

Knowing that he could not refuse, Yang Yu had to say, "of course,

it's time to go back tomorrow morning."

This time, night fell, and the neon lights in the city lit up like a paper face.

It's just that it's not time to go to the bar yet. It's usually around 0 o'clock, but it's the busiest time, so they go back to their apartment.

"Why don't I cook noodles for you for dinner?" Yang Yu doesn't want to go out to eat, let alone not eat. He can't go to a bar and drink for dinner. There's nothing in the fridge.

"Why cook noodles?" Xie Qiuqiu watched TV, and ready to eat her snacks, casually asked, in fact, she has not eaten noodles for a long time, no, it should be said, she has not eaten for a long time.

Every day is spent in alcohol and snacks in hunger.

"I just suddenly think of the grandma noodle shop in front of the high school. I miss the noodles there. I remember that we often ate there at that time." When Yang Yu met Qiu Qiu, a classmate in high school, he thought of some things in high school.

Just the snack in the mouth, suddenly, stopped, Xie Qiuqiu's face suddenly changed.

"Well, you can cook it. What do you need? I'll drive to buy it." Xie Qiuqiu's reaction is totally unexpected to Yang Yu. He didn't expect that Qiuqiu would support him so much.

Like a mother, Yang Yu made the two bowls of noodles with a scarf. When he brought them to the table, Xie Qiuqiu suddenly had an appetite.

"Well, it's delicious. Let me have a taste of the grandmother in high school." With that, Xie Qiuqiu took a bite.

All of a sudden, Xie Qiuqiu wanted to cry a little. She remembered things in high school. At that time, she was just a young girl. At that time, the boy she secretly fell in love with had a girlfriend. At that

time, with high school students a few people very happy to play together, even if it's just a street, people are excited, at that time, male students will send her home like a brother.

But now, none of them. There are only alcohol, smoke, reversal of work and rest, smoke makeup and sex.

The most important thing is the loss of a very precious thing, called happiness. The happiness at that time, Qiuqiu can't find it back, Yangyu can't find it back, everyone can't find it back.

So, Qiuqiu eats noodles and cries.

"I'm not going to the bar tonight. I called them here." After eating noodles, Xie Qiuqiu went to play with her mobile phone: "also, you'd better serve them tonight. It's good for you in the future."

Yang Yu heard this, how so awkward, the implication is: I am a duck? You and your sister at night?

Maybe some people think it's a good job. It's hard to have a girl to do it for nothing? What's more, you don't want to offend Qianyu, except for you?

Ah, taking short hands, eating soft mouth, Xie Qiuqiu repeatedly help me, Yang Yu can't not follow her.

Yang Yu naturally washed the dishes. It's still early to finish everything.

I haven't played with my mobile phone for a long time. It's rare that there is a signal in the city, so I sit on the sofa with Xie Qiuqiu, ready to play with my mobile phone while watching TV. By the way, he took out a note from his sleeve pocket, which also said: Hu Yan and a mobile phone number.

Yang Yu flipped over and saw that it was the doctor's business card of the county hospital last time. Then he remembered that it was the nurse MM's mobile phone number behind it. He thought: in recent

weeks, with such a strong sexual desire and such a big guy, will there be any problem? How about I ask that nurse for advice?
