Turn off

It's getting dark again.

During the day, my uncle helped me get some bed boards. My aunt cleaned the attic, wiped the whole floor and the glass, took the quilt, and arranged the only attic in a clean and refreshing way. Yang Yu then slept here.

The third sister has already taken a bath and is doing her homework in her room. The second sister doesn't know where she is. Her legs are not idle all the time. She doesn't fit in well with her family Yang Yu and always runs outside. While her cousin has been hiding in her room crying. Yang Yu wants to go in and comfort her several times, but she can't help before she does anything. Seeing her cousin like that, she intended to seduce her It's gone.

My uncle took a shower and went to the room to sleep like a pig. It's only seven o'clock. My aunt has been busy with housework, bathing, feeding chickens and ducks and pigs.

Yang Yu took off his clothes and trousers in the backyard and took a shower. It was dark and he couldn't see anything. Even if the light was on, once the door of the backyard was closed, he couldn't see anything.

The backyard was originally connected to the next room. There was no wall and it went straight through.

At this time, the backyard of the next room lit up a little weak light, and a girl came out. As soon as she saw Yang Yu taking a bath in

the backyard, she became interested. She leaned against the wall, ate melon seeds, and enjoyed Yang Yu.

Yang Yu of course embarrassed, he did not wear underwear, so naked to see where comfortable, quietly side down, body, only let her see the back.

"It's just a bath. What are you shy about?" The girl spat out melon seeds and teased Yang Yu.

"Girl, that's not a good way to look at it." Yang Yu, a big man, of course, is not afraid to be seen, but he can't be too presumptuous. It's the best way to seduce him to be a little reserved and give him some imagination.

"Oh, they are all neighbors. What are you afraid of? I haven't seen you before. Who are you?" The girl has been staring at Yang Yu's strong back.

"I just came here yesterday to teach in the village. This little cloud is my aunt." Yang Yu answered truthfully.

"Oh, you are the top student. I've heard that for a long time. My name is Lin Yina. What about you?" The girls are getting more and more interested in talking.

"My name is Yang Yu. Hello." Yang Yu continued to take his bath, and secretly looked at Lin Yina. Lin Yina looked one or two years younger than herself. She was about 165 years tall. She only wore a vest and two pairs of plump. The ravine was obvious from afar. Although her appearance was not as beautiful as her cousin's, it was full of a special flavor, which made Yang Yu more and more fascinated.

At this time, the aunt is out to feed the pig, see that Lin Yina is looking at his family Xiaoyu, heart already know this girl's idea, shout: "Xiaona, you are going to get married next month, also come out to seduce our family Xiaoyu."

"Auntie, you see where you are. I have another month to finish it."

Lin Yina is coquetry, Yang Yu this just know, this Lin Yina not only have a boyfriend, all want to get married soon, as expected with his guess, a bitch.

Yang Yu took a bath and put on his underpants. Before he left, he gave Lin Yina a smile and said goodbye. But Lin Yina's eyes were always looking at Yang Yu's face, almost making her nose bleed. She was very surprised.

When Yang Yu was about to go upstairs, his aunt stopped him: "Xiao Yu, your cousin is not in a good mood. Go up and comfort her more, ah?"

"Don't worry, auntie. It's on me." Yang Yu said confidently.

Yang Yu first climbed to his own Pavilion. There were no stairs in the attic. He used a wooden ladder. The wooden ladder passed through the room of miscellaneous goods. It was far away from the room of the three of them, and it was quiet.

The pavilion is very small and low. Yang Yu stands up and almost reaches the ceiling. The two walls outside and the ground are made of cement bricks, and the other two sides are made of wood. The ceiling of the three cousins' rooms is also made of wood. The top of the ceiling of their room is the outside of Yang Yu's attic. That is to say, Yang Yu can walk to the top of their room through the attic.

The pavilion was cleaned by my aunt, and the windows were clean. Through the side windows, Yang Yu could see the beautiful scenery in the room. He also pointed at the second floor window next door, which was very close to each other. It was like a toilet in the next room. Few people in the countryside built the toilet on the second floor, but it also looked like urban people.

Yang Yu lies on the bed, takes a deep breath and turns off the lamp. Suddenly, the room is dark. There are always many eyes in the dark. Yang Yu is thinking about how to help his cousin stir up the marriage. He doesn't know how long it has been. There is no signal, no network, Yang Yu's computer and mobile phone have been put there for a long time.

But when I thought about it, I just thought about my cousin's haunting groans and exciting pictures during the day. I felt an impulse, and my lower body hardened. I sat up and was ready to go downstairs to find my cousin.

I just went out to climb the stairs and ran into a man in the dark.

"Oh! Cousin, why don't you turn on the light? " Three younger sisters don't know when to climb up, just hit with Yang Yu.

As soon as Yang Yu heard that the voice was the third cousin, he reached for her to avoid falling in the dark place. He led her back to the room, closed the door and turned on the lamp. Yang Yu never realized that the appearance of the three sisters in pajamas would be so sexy. The pajamas could only barely cover their buttocks, and their white thighs were exposed. Although they were not as slender as their cousins' thighs, they were more tender and beautiful than their cousins' thighs Ah.

Yang Yu just put on a pair of underpants, and some place just lifted it up majestically. Yunxi saw this scene clearly, and suddenly widened his eyes and turned his head.

Yang Yu found his gaffe, but he was laughing to himself. He didn't know how the three cousins would react when they saw his own thing.

"Cousin, I can't do some questions, so I come to you!" Yunxi, the third cousin, talks haltingly with red cheeks.

Yang Yu was stunned. Under the weak light, her cousin's face was more pink and tender, just like a baby. Her skin was ruddy, tender and full of elasticity. This kind of skin had already been extinct among girls in the city. It was just a gift from God to Yunxi, which made men salivate.

"Well, sit down and help you with it!"

There was no chair in the attic, so my cousin and Yang Yu sat on the

bed together, close to each other. The room was very quiet, and Yang Yu could almost feel the breath of the third sister.

Yang Yu looked at the question. The question was very simple for him. After a look, he knew how to do it. He began to analyze it to her: "first, we should see the question first. Second, we should see the conditions clearly. We don't need to answer the question. You see, according to these two conditions, what can we get?"

Yang Yu analyzes the topic and looks at Yunxi.

Yunxi opened his eyes and shook his head, but she squeezed the pair, because there was no chest, cover, revealing a beautiful deep cleavage.

Yang Yu's mind to solve the problem is gone. Yunxi's pair of absolute best in the world are not only white and plump, but also elastic. Yang Yu is stunned.

"Cousin, don't look there." Yunxi is shy and lowers his head, but he doesn't cover up or even tidy up his nightgown.

"My cousin can help you understand this topic. How about you let my cousin have a look at Mimi?"

Yang Yu deliberately tested her. Although he knew that this degree should have passed, and it might even have a negative impact, when he saw the cleavage, Yang Yu was suffering in every way. He even wondered that he had said this sentence.

"No! If my cousin wants to do this again, I'll leave. " With that, Yunxi got up and wanted to go.

How could Yang Yu let her go? Yang Xiyun pours back, but suddenly he doesn't do anything to his face.

It's just like this. The two mouths are sealed together.

Yunxi opened his eyes, those eyes clear and pure, this is her first kiss. Yang Yu really didn't expect to have such a encounter. He just

felt Yun Xi's moist and elastic red lips close to his lips and was shocked.

Yunxi was stunned. His eyes and cousin looked at each other, and there was another electric shock. Yunxi didn't react to the electric shock, and even forgot to face his mouth and cousin. This electric shock lasted for half a minute, and this half a minute, his mouth was facing his mouth, and his eyes were looking at each other.

Until Yang Yu's mouth moved for a while, Yunxi always reacted from the electric shock. His two faces turned red instantly. Without thinking about anything, he ran out and scrambled down the stairs.

Yang Yuchang breathed a sigh of relief. At that moment, he was so happy. He was secretly proud that his cousin would like him. Sooner or later, he would be too anxious to eat hot tofu.

I don't know whether it was the electric shock that inspired Yang Yu. Suddenly, Yang Yu had a flash of inspiration. He always felt that his cousin had something to do with her marriage, so he went to her room in a hurry. She was still in her room and was worried.
