**Jin:**

What are you planning to do? Are you going to kill me like what you did to taehyung and jungkook?

**Her:**

How could you think so ill of me? You know I cant hurt anyone.

**Jin:**

Stop fooling around, I know its you.

**Jin:**

Why did you kill Jungkook? And taehyung?

**Jin:**

If you really wanted justice why not just put taehyung behind the bar?

**Her:**

How can I bring justice to someone who's already dead?

**Her:**

The only way to have my justice is to reciprocate everything they have done with me.

**Her:**
