

Suga:

Jungkook...

Suga:

He tried to escape. He knew the answers.

Suga:

But I didnt get what he said last.

Jhope:

"She is not her"?

ᵃᵃ

Suga:

The message was cut, maybe it was the time that she caught him?

Namjoon:

I think that means that she is another person and not her.

ᵃᵃ

Namjoon:

Someone is using her identity to hide the truth from us.

ᵃᵃ

Jhope:

She is already dead. I saw it with my own two eyes so having her alive was beyond impossible. We shouldve thought about that in the beginning.

ᵃᵃ

Namjoon:

But we were clothed by our own desires and regrets.

Jimin:

What about that person that Taehyung saw at the bar? He said that person looked like her.

ᵃᵃᵃ

Jhope:

Maybe it was a clone? A doppelganger? Someone similar to her appearance? Taehyung was drunk that time and he was at the bar that means he didnt got a good look to check on it.

ᵃᵃ

Suga:

I shouldve doubted everything. She cant hurt anybody when she was alive, why kill now? Plus she doesnt have the strength to restrain Jungkook and shoot him nor Jhope and Taehyung.

ᵃᵃ

Jimin:

But dont you think the killer is a bit stupid? Why did that person le Jungkook's phone? He could've threw it into a sea or something.

ᵃᵃᵃ

Jhope:

Maybe that person le that on purpose.

Namjoon:

That person wants us to know something.

Suga:

That person wants to play with us.

A/N : the messages from jungkook that was le unsend was his last pov. Where he tried to escape and call for help from his hyungs.

Clue: Who is the real sinner? :)
