

Namjoon:

Hyung, there was a body found floating on the river. I think its Jimin. ^a

Suga:

What...

Namjoon:

Should we visit his wake?

Suga:

We could a er we fix this mess.

Jhope:

Hyungs! ^a

Suga:

Is there something wrong?! Are you okay? Is she there?

Namjoon:

What?

Jhope:

What? No suga hyung.

Jhope:

There's a parcel sent to me this morning containing Jungkook's, taehyung's and jimin's phone. ^a

Jhope:

There's also a note in here saying "Do you want to know what happened that night? Read me :)". It was sent by her, I think. ^a

Suga:

Where's jin hyung's phone?

Jhope:

Its not here. ^a

Namjoon:

Those phones. They all belonged to those who already died. Jin hyung's is not there.

Suga:

That means there's a possibility that he is still alive...

Jhope:

Maybe we can solve everything if we read this.

Suga:

We'll be there in 30 min. ^a

Is Jin alive or not? :) ^{a³⁶}

A/N: we will have a time jump in the next chapters so dont get confused guys. The chapters ahead will contain all previous messages from the boys and her when she was still alive.
