**Her:**

I just read your message. Im sorry, I wasnt able to tell you.

**Jungkook:**

Why are you with him? Answer me.

**Her:**

Are you mad?

**Jungkook:**

Why are you with him?! Why are you with jimin?! Tell me.

**Her:**

I saw him while I was buying my drink. I came up to him and said hi.

**Her:**

He recognized me and asked if I want to join him for dinner because its his birthday. Its his birthday, Jungkook why are you getting angry? Its not right to decline his offer.

**Jungkook:**

He asked you to join him for dinner?

**Her:**

Yeah. He said that he wanted to have dinner before going to his party and it was lonely to eat alone so he asked me if I could join him. What's the matter with that?

**Jungkook:**

Why are you so fucking oblivious?

**Her:**

What? What are you talking about? Are we really fighting over this?

Come on, Jungkook. Lets not fight over petty things.

**Jungkook:**

Whatever.

**Her:**

Whatever? Really?

**Her:**

Jungkook Im your girlfriend for heaven's sake! Why are getting jealous over the fact that I was with jimin earlier?! He's your friend. Your fucking friend!

**Her:**

Are you ignoring my messages on purpose?!

Jungkook missed 7 calls from you.

**Her:**

If you dont want to talk with me, fine! I dont care. Enjoy the night. Maybe your mind will clear up by morning.

**Her:**

Call me if you cant handle your hangover. Goodnight. I love you.

**Jungkook:**

**Her:**

Take care of yourself. I dont want to face you today. I might say words that I will regret later on..

**Jungkook:**

Why are so fucking affected? Do you like him? Is that it? Is that why you're reacting that way? ↻

**Her:**

What the fuck? Where did that come from? Really Jungkook? Are you reading what you sent me? Are you out of your mind?

**Her:**
