Jungkook:

Do you really have to do that? Do you really have to embarrass her in front of everyone?

Her:

I didn't embarrass her. She fucking embarrassed herself the moment she laid her eyes on you.

Jungkook:

I told you to let it go. ↻

Her:

She ruined my night Jungkook. By showing up on that restaurant and by existing.

Jungkook:

No. You ruined our night. You could've just ignored the fact that she was also there minding her own business.

Her:

What the fuck? Do you really think I can sit there, acting like nothing is happening while you two glance with each other?!

Her:

I'm fucking hurting.

Her:

And you know what hurts me the most?

Her:

It's that you made me look like a fucking idiot to everyone.

Her:

You cheated on me. Don't you ever ask yourself why I'm still putting up with your shit after everything you've done?

Her:

Jungkook, you hurt me multiple times. But I don't want to give up on you. I can't give up on you.

Jungkook:

I'm sorry.

Her:

Your sorry won't do anything right now Jungkook. You ruined our relationship.

Jungkook:

I know. I know. Baby please. I'll make it up to you. ↻

Her:

Where are you right now?

Jungkook:

I'm at the office. Why?

Her:

Is that so? Then who am I seeing right now?

Her:

Lying again?

Jungkook:

I was just about to grab a coffee.

Her:

With her? Okay.

February 26, 2019 at 5:36 pm

Her:

I'll be out with Jimin tonight.

Jungkook:

Okay.

Her:

Make sure I won't catch you two again.

Jungkook:

Let's end this.

March 4, 2019 at 2:43 pm

Jungkook:

Please. Let's end this. I don't want to cheat on you anymore.

Her:

What do you mean is you want to be free from me so you can be with her?

Jungkook:

You can date Jimin if you want. Just let me go.

Her:

What do you feel about her?

Jungkook:

She makes me feel different things. She makes me keep on coming back for more. ↻

Her:

Wasn't I enough?

Jungkook:

No. You were too much for me, too much that I don't want to keep on hurting you. ↻

Her:

I'm not hurting, why are you giving up on us?

Jungkook:

Because it's not right anymore.

Her:

You should've said that when you started cheating.

Her:

You make it sound like I'm the side chick here. ↻

Jungkook:

You can date Jimin please.

Her:

Why do you keep insisting that I can date Jimin?! I don't like him! I don't love him. Jungkook, you are the one that I love. Can't you see?

Jungkook:

Just please let me go.

Her:

No. I can't. I can't let you go. I don't want to let you go. You are the best thing that ever happened to me. Remember? You made me feel loved and treasured. How can I let you go? ↻

Her:

I would give my world to you. Just don't leave me. Please.

Her:

I'm begging you.

Jungkook:

But you have to. You need to.

Her:

Don't you love me anymore?

Her:

Did you really love me?

Jungkook:

I'm sorry. You were good. So good. I had fun being with you. But the thing is, I only got together with you because Jimin said he might like you. And, and I was a bit selfish and greedy. I'm sorry. ↻

Her:

Is that so?

Her:

Then I should've just chosen Hoseok, in the first place. ↻

You blocked Jungkook.
