Her:

For taking all his shits even though its hurting me.

Jimin:

You are not an idiot okay? You just... you just listened to your heart. And i admire you for doing so.

Her:

Where did i go wrong?

Jimin:

It never went wrong with you. It never was. You are every right thing in this world so dont think like that. Jungkook is to blame here.

Jimim:

Im sorry. If only I wasnt afraid to make a move then you wouldnt be crying right now.
