Suga:

Where are you staying right now? Your place isnt safe yet.

Namjoon:

Yeah I know. I checked in a hotel. Pretty fancy and has high security.
She wont get a chance to sneak in here.

Suga:

That's great.

Suga:

I still couldnt believe that we missed so much. Jungkook, taehyung
and jimin.... they had so many things going on before but they never
told us.

đ

Namjoon:

Maybe that was the mistake? Maybe that's why we ended up like this.

Namjoon:

If only i knew about that before they die, i would probably feel
o ended. For them not trusting me.

Suga:

We can never say if one can be trusted. We never knew if that person
is telling the truth.

Suga:

Namjoon...

Suga:

Are you telling the truth?

đ

Namjoon:

Yes. đ²⁰

:) this book is near the end. It would probably done by the end of the
week. I will try to rush this even tho its our exam week because i still
have so many works in line and this book been here for too long.

Please vote you guys.
