Can we trust namjoon?

Jhope:

I dont know hyung. But it could be that he is only framing us so that we would believe him.

Suga:

Do you really think that namjoon set the fire?

Jhope:

The authority was already the one who said it. We should believe them right?

Suga:

Why would Namjoon set his house on fire?

Jhope:

Suga:

But we were chatting when the fire occured.

Jhope:

Maybe he got it all planned out before that.
