I got up and ran to my best friend Kyrn who was at the pitcher's	a
mound. "Okay Kyrn. You got this. The count is three-two. There are two outs so far with a runner on third base. All we need is one more strike and	đ

I smiled at her brightly in reassurance. "Anytime." I ran to the plate and crouched waiting for her pitch. I looked at my	å
coach and he gave me the sign for an inside ball. I quickly repeated the sign for Kyrn and she nodded. She pitched it and the batter ticked it causing it to shoot straight up in the air. I threw my catcher's helmet	:
o and ran over to Kyrn was. "Mine!" Kyrn yelled. The first baseman and I went to her sides just in case she missed it.	a 4
She caught the ball and everyone jumped up cheering. "We won!" I yelled as I jumped on Kyrn. She laughed and tried to	a
balance herself so we both didn't fall over in the sand. "Northwestern High wins the championship! Northwestern High Wild Cats are your new 2013 so ball champions!" The announcer shouted	
excitedly. The team ran out in the middle of the diamond and jumped on one	914 d
another screaming and shouting, praising one another on doing a good job throughout the so ball season. "Captains, would you like to do the honors?" One of our teammates	
asked handing us the Gatorade jug. Kyrn and I looked at each other and smiled. "Yes please," I said taking it.	a
Kyrn and I walked to the coach and dumped it on him. We busted out laughing while he jumped around.	đ
Once he saw Kyrn and I laughing, he calmed down and smiled while shaking his head. "I'm really going to miss you two girls." "Don't worry. I'm so coming back next season and helping you	a
	ක් ත්
"Good," our coach said, pulling us into hugs. Kyrn and I both shrieked as our jerseys became soaked with blue	
Gatorade. "Sam. Dad and I are leaving now for Italy. Okay?" my mom said as she walked over to us.	2 5
"Same here Kyrn. Now remember we le out debit card at Sam's house along with your clothes. We will be back in two months.	a
"We will mother," Kyrn said with a smile.	an Ma
Kyrn and I get to have my house for two months by ourselves. I know a lot of you are wondering that is kind of stupid to leave two eighteen-year-old girls alone for two months, but my parents think it	
will teach us responsibility since we will be in college next year. They want us to see what it is like living by ourselves. Kyrn and I haven't decided if we wanted to buy an apartment, or still live at home when	
we go to college. But my parents said by doing this, it will help us choose.	a
Kyrn and I giggled as we mocked our parents' lectures about how we need to behave and not talk to strangers. You know the stu that your parents tell you a million times a day. Or at least ten times before you	
walk out the door to go hang out with friends. My mom lightly smacked the back of my head when we got to the car.	41 0
"I saw that." "Bye Mom, bye Dad. Love you guys," I said, giving them both hugs and kisses with a sly smile.	a
"Remember to call us every day," my mom said sternly before getting in the car.	å
I nodded just to satisfy her. I knew she was serious and would probably come back and hunt me down if I didn't tell her what I was doing every moment of the day.	a °
Don't get me wrong, I love my mom, but she is so strict. But I know that she is like that because she loves me and I wouldn't have it any other way.	190
Kyrn and I waved until our parents were gone before we both started screaming in excitement.	
"I think a shopping trip is in need sometime this week. I mean like seriously, we both have debit cards now," I said while pulling mine out of my wallet.	ď
"I know. But you better hurry and go take a shower if you want to surprise Brett for your two-year anniversary," she said smiling.	249
"Oh shit. I'm going to be late!" I cussed as I checked my phone. I can't be late for this. I had a huge surprise for him and I don't want to mess this up!	å
We both ran to my car and jumped in. "What did you get him?" she asked as she buckled up and I put the	đ
car in drive. "He loves getting his picture taken with me, so I got him a picture frame with his favorite picture of us in it, and tickets to see the Green	đ
Bay Packers. I don't know why he likes the Packers. I'm more of a Vikings fan myself," I said teasingly.	273 a

A er getting ready; which didn't take very long, I hopped back in my car.	a
I arrived at Brett's house in ten minutes and quickly made sure I looked presentable before unbuckling my seatbelt and making my way to the front door.	
Way to the front door.'Is he home?' I thought.I called out, but no one responded.	ď
"Hmm," I hummed, as I closed the door and walked into his living room.	
I heard some noise upstairs which made me smile in excitement as I ran up the stairs with his present in my hands. I can't wait to give it to him!	166

"Hey Brett, I got- oh my gosh," I said as the last part came out in a whisper.	đ
When I walked in, I noticed a very naked Brett, on top of a very naked Tasha, and they were all up in each other's grill. "I love you Tasha," he said, leaning down and kissing her. I cleared my	218 d

"Sam!" he cried as he held the sheets around his waist tighter so they wouldn't fall down. "Sam, please! Let me explain."	243 0
I ignored him and turned my car on while putting it in reverse. I hit the gas pedal and watched as Brett jumped back so he didn't get run over.	å
Once I got to the street, I grabbed my phone and dialed Kyrn's number.	ď
"Hello?" she asked. "Kyrn," I sobbed.	
"Oh sweetie, what happened?" "He's a lying, sex-craved man-whore!" I yelled.	ਰ ਜੋ
"Okay. I'm on my way, need anything?" "Movies and ice cream please," I cried harder.	44 41 119
"Okay hun, I'll be right over." "Okay thank you. Bye."	a
"Anytime. Bye,"	ď
I put my phone down with a groaned as the light turned red. I flipped through the radio and stopped once I heard Hollywood Undead playing. I cranked up the music to see if I could forget	
everything I just saw. I opened my eyes and looked up to see a giant, red F350 truck pull up	đ⁴
next to me. "Hot damn," I whispered to myself. I loved trucks. It was a weakness	ä
of mine. But what really got me were the four guys inside. They were all extremely attractive. Then there was me, red pu y eyes and tears	123 C
running down my face. But the guy that really stuck out was the one driving. He had black	a
spiked hair and grey eyes. He was in the middle of talking when he looked at me.	a
His friends tried to get his attention, but all he could do was smile. He looked like he had just won the lottery, but all of the sudden he got angry. Probably thinking like I was some creep that was staring at	
him. His eyes turned dark, and they almost lookedblack. I was starting to get freaked out and I quickly looked at the red light	186 C
wishing it was green already. The Lord seemed to have answered my prayers because the light	
suddenly turned green and I stepped on the gas. A er getting the hell out of there and arriving at my house, I changed	44 37
into my pjs and waited for Kyrn to show up. But it didn't take long as I heard someone knocking on my door.	พื่ ชื
"Hey," Kyrn said as I let her in. She was wearing an oversized sweatshirt, baggy sweatpants, and had her hair in a messy bun. So, she pretty much looked like me, except with the pu y face and	ð
the tears streaming down her face. She handed me my tub of mint chocolate chip ice cream and put in	
the Last Song. We started talking about what happened and I told her everything.	176 27
Then it got a lot more emotional because it remained her of her last boyfriend Trey. He did the same thing, and it was also with Tasha. She was Northwestern High's slut.	315
So here we are, crying our eyes out, eating tubs and tubs of ice cream, and watching sad romantic movies. Probably not a good	a
choice, but we didn't really care at the moment. I mean can you blame us? I think not.	4
We are at the part where her dad dies when a knock on the door interrupted us.	đ
I groaned in frustration and got up while wiping away all of my tears. I open the door and started yelling at the person. "Listen. My friend and I are not in the mood, so if you could please leave that would be	
nice," I said without looking at them and continued to watch the movie.	-5 ⁷
