Chapter 8: I Guess It's Okay

"Just give them time dude," Zander said. "Time? They have been up there for two hours. Isn't that long	
enough?" Jay asked looking sad. "Not for them. They were nearly killed by rogues and then you guys decided to tell them the truth a er they were almost killed," Zander said.	a
"Still!" Jay groaned. "Guys, calm down. They have to come down sooner or later. I can call in re-enforcements," Zander said smiling.	a
"Who?" I asked suspiciously. "Chloe. She can talk to them since she is a girl. Girls always listen to	
"You got a point there. Call her!" I said urgently. "Okay okay. Calm down dude. Geez," Zander said getting up and	đ
getting his phone out. "Those stupid rogues ruined everything!" Jay yelled throwing a chair into the wall.	a
	á
"Well, you guys need to calm down. You throwing and kicking shit over isn't going to help make them less scared of you two," Ryan said as he picked up the chair and fixed the table. "Zander is going to call Chloe and she will talk to your mates."	a
"You think?" Jay asked him. Ryan nodded and Zander walked back in. "She's on her way. She'll be here in about an hour since she was	
heading over here anyway. She finally finished school, so she will be staying in this house," Zander said as I nodded. I looked at the stairs debating if I should walk up there or not.	
"Come on. Let's watch TV. Remember, they have to come down sooner or later. And besides, you have guards standing under their windows." I reluctantly nodded and sat down on the couch with

Sam Kyrn and I locked ourselves in a guest room while everyone else was downstairs.	a
"I'm so hungry," Kyrn whined. "Me too," I said.	a
My stomach decided to make an appearance and sound like a dying whale. I groaned and held my stomach. We laid there groaning for about another hour or so before Kyrn spoke up.	đ
"I need food in me," Kyrn said while her stomach was growling too.	á á

"Wait a minute." She paused and patted her ankle before giving me a giant grin. "We have our knives." She pulled up her pants legs with a smirk.	a

make sure the coast is clear. Then we quietly made our way downstairs to the kitchen. "There's the kitchen," Kyrn whispered.	
"Almost there," I said tiptoeing. "Sam?" A deep voice said behind me.	a
I screamed bloody murder and chucked the knife at whoever was behind me. I turned around so fast I almost lost my balance.	a
"What the hell was that for?" screamed Xavier who was panting and sprawled out across the floor. I squeaked and jumped back again. "You scared me!"	a
"Okay I'm sorry, but you didn't have to throw a bloody knife at my head!" He yelled standing up and pointed at the knife that is embedded in the wall. He walked over to it and took it out of the wall.	đ
My weapon! "Hey. Give that back!" I yelled. "No. Why do you even have a knife?" Xavier asked as he held it in his	ä

you," he said taking a few steps toward me.	a
"Stay. Back," I said. Kyrn pulled her knife out and stood next to me. "What happened? I heard someone scream," Jay said walking in here.	a
His face paled when he saw the knives in our hands. "Why do they	a
we won't hurt them!" He exaggerated to us. I rolled my eyes and laughed. "How do we know that? You guys can kill us whenever you want. You freaking turn into wolves! And you	a
"Oh my gosh. Quit being so overdramatic. We could never hurt you guys. You are our mates. And Sam, you are our Luna. They can't hurt	ā

"I know and I'm sorry. I didn't want you to be afraid of me," he pleaded. I wanted to believe him, I really did. I guess I was just a little scared and I was falling for him. A werewolf kidnapper. I guess this mate	a
and I was falling for him. A werewolf kidnapper. I guess this mate thing is true. I was snapped out of my thoughts when I noticed Xavier reach for me.	
I screamed and ran past him and toward the door. "Shit," I heard him mumble and chase a er me. When I got to the door I flung it open and almost hit some girl	đ

"Hey Chloe," Xavier said as he caught up to me. "Hello? Why is there a girl hiding behind me?" She asked crossing her arms over her chest and tapping her foot impatiently.	á
"He kidnapped me and my friend!" I yelled. "You what?" This Chloe chick yelled in disbelief. "She's my mate!" Xavier defended. "So technically, it's not	å
considered kidnapping." "Yes, it is!" Chloe and I yelled. Xavier sighed and looked at the ground.	ď
"Wait, does she know?" Chloe asked carefully. "Yes. Leroy and Michael made sure of it," Xavier growled out.	
Chloe quickly turned around and pulled me in a hug. "Oh my gosh. I am so sorry you had to find out that way," she said quietly.	a
"Wait, you're one too?" I asked pushing her away. She noticed my fear and did a small nod. "Yes. And I truly am sorry you had to find out this way. And I'm sorry	
for Xavier's stupid behavior. I mean seriously? You kidnapped her! You could have had a better method. Like get to know her first," she scowled him.	a
	a
Xavier glared at me before turning around and walking away. "Come on. Let's get you back inside and get you some food. I can hear your stomach growl," she teased.	ä
I blushed and nodded. "Sam!" I heard Kyrn yell.	
	a
"Let me guess. You kidnapped her?" Chloe asked pissed. "Uh. Maybe?" Jay said quietly. "Yes!" Kyrn yelled and ran over to me when he wasn't paying	a
attention. "I can't believe you guys. Kidnapping your mates," Chloe said glaring at them.	a
	đ đ
Zander's face paled and he gave me a death glare. I smirked and flipped him o . "That's what you get."	ā

"Zander's my mate," she said pointing at him while he gave us a wide smile. "Xavier's the alpha, and Jay is my stupid moron of a brother."	a
"Why?" she asked me laughing. "You have to live with them."	á
Kyrn and I laughed while the guys sco ed. "Seriously. You should see them in the mornings sometimes, they are	á
like." She paused and used a deep voice. "Roar I'm hungry. Roar I will kill you all if you wake me up. Roar don't disobey my order. Well, that last one was for Xavier." She smiled.	ä
"We do not say roar. We actually growl," Xavier said proudly as he nodded his head.	a
"You whine too much," I said laughing. "Ha ha, funny." He scowled some more. "I think you guys own the ladies an apology. That means all of you!	
Even you Ryan, Hunter, and Tim," Chloe said sternly. The guys groaned but nodded. "We are sorry," they mumbled.	a a
"We are sorry," they mumbled. "What was that? I don't think they heard you," Chloe said cupping her ear. "We're sorry," they said a little bit louder.	
"We're sorry," they said a little bit louder. "What?" Kyrn and I asked. "We. Are. Sorry," they yelled.	á
We nodded and smiled in amusement. "Does this mean you will give us a chance?" Xavier asked us cautiously and quietly	
Kyrn and I looked at each other before taking a deep breath and letting it out. I can't believe I'm doing this. "We guess," I said for us.	đ
Xavier gave me a huge grin and ran toward me li ing me up in his arms. I let out a yelp of surprise and he put his face in the crook of my neck.	
"Thank you thank you thank you," he said over and over again. "You're welcome. Maybe this won't be so bad; it's like a personal	đ

Zander and Jay both had their arms crossed and looked at the girls. "Yeah I probably should have mentioned this, but mates are extremely jealous. And it's worse because he's an alpha," Chloe said apologetically.	a
"Ohhh," I drew out.	
"Yeah. Ohhh," Xavier said before holding into me tighter. "Ah. Can't breathe Let go." Lwheezed	
"Ah. Can'tbreathe. Letgo," I wheezed. "Oh, sorry princess," Xavier gave me a small smile and set me down. "It's just, I'm happy. I finally got my mate and she accepts me."	á

"Who the hell is Brett?" Xavier's voice boomed.

I cringed back in fear and slapped a hand over my mouth.

"Night Sam," Kyrn said before being dragged up the stairs by Jay.

"Yeah. But I just met her and Kyrn. You can deal with it," she said

"Come on." He tugged on my arm and we went upstairs to his room.

I laughed and Xavier looked down at me and smiled.

"You okay?" Xavier asked, with amusement in his voice.

"You don't have to be embarrassed princess." He chuckled.

I shivered, but not in a bad way. What's happening to me?

He turned my head so I was looking at him and leaned in.

My eyes widen in shock and turned my head sharply.

"I-I don't know," I stuttered as I refused to look at him.

"Who made should put your walls up? "he demanded.

"Riiiight." He laughed and pulled me so my back was flushed up

"Why do you keep pushing me away?" he growled in frustration.
