Chapter 9: What's The Mating Process

| "Oh. Umm well. He's just a guy. So I'm going to go to sleep now," I rushed out and turned around in the bed. | å |
| He growled and turned me back around. Come on! Can I ever catch a break? | |
| "Who. Is. Brett," he growled. "No one okay?" | á |
| "Sam." "Listen. Can we please talk about this another time? I don't really | d' |
| want to talk about him," I replied, looking down at my hands. He sighed and finally nodded. | |
| "Fine. But you are telling me about him tomorrow," Xavier mumbled. | å |
| "Okay," I groaned in defeat and closed my eyes. I want to sleep now. I blinked my eyes open a couple of times and the chill hit me. I | a |
| shivered and wrapped the blankets around me tighter and moved closer to where Xavier was laying. | a |
| When I felt nothing I reopened my eyes and saw he wasn't there. I got out of bed moments later and went to the bathroom to get | ď |
| ready. A er my shower and brushing my teeth and hair, I walked downstairs to get breakfast. | a |
| "Hey Hunter, hey Tim," I said grabbing a bowl. "Hey Luna," they replied. | |
| "Oh gosh no. Please call me Sam. I'm still not used to this whole Luna, alpha shit." I laughed. | ä |
| They chuckled and nodded. | <u>C</u> |
| "Hey, guys. Luna," Ryan said walking into the kitchen. "Please call me Sam," I begged. | |
| "All right Sam." He smiled. I nodded and grabbed frosted flakes. Yum! | a ¹ |
| "So. Where's Kyrn?" I asked. | <u> </u> |
| "I don't really know. Sleeping maybe?" Tim said shrugging. "Aren't you guys supposed to be guarding us?" I questioned with a | |
| Smirk. Tim groaned and walked up the steps to go wake her up. | |
| "Wait for it," I said smiling. "Waiting for wh-?" Hunter started but was cut o by screaming. | ã |
| "What the hell is your problem? It's eight in the fucking morning on a Sunday! I want to sleep!" The yelling stopped and was followed by a | <u> </u> |
| loud thud and a yelp. I smiled when I heard heavy footsteps running down the steps. | ä |
| "Word of advice. Don't wake Kyrn up in the mornings," Tim said holding his cheek. | |
| I busted out laughing and fell on the floor holding stomach. | ď |
| "Sam? Are you okay?" I heard a deep voice yell. I looked up through the tears and saw Xavier leaning over me. I | |
| nodded and got up. "Tim woke Kyrn up," I said calming down. | |
| "Is that bad?" he asked me confused. I nodded and took Tim's face in between my hands and looked at his | |
| cheek. There was a red handprint. | <i>-</i> 28 |
| "Is it noticeable?" Tim asked me. | å* |
| "Yeah," they all said. "What happened?" Jay asked. | |
| "Tim woke Kyrn up. And she doesn't like being woken up early. Believe me. I would know," I said rubbing my face. | |
| Everyone made an oh sound and nodded in understanding. | _2 |
| Kyrn came down dressed and went straight for the food. Shocker. | đ |
| "Hey sleeping beauty," I joked. She flipped me o and turned back to the refrigerator. | ä |
| "So. Are you going to tell me about Brett now?" Xavier said crossing his arms over his chest. | đ |
| Kyrn sti ened and looked at me wide-eyed. | <u>C</u> |
| I think Jay noticed because he turned to Kyrn. "Do you know Brett Kyrn?" | a⁴ |
| "Uh. No?" she said unsure of what to say. "Girls," they said. | a ^t |
| Come on. A distraction would be really nice right about now. "Ready girls?" Chloe asked as she walked into the kitchen with a | |
| smile. Thank you, Chloe. I owe you one. | a a a |
| Kyrn and I visibly relaxed and nodded eagerly. We ran over to where she was and grabbed one of her arms and | |
| pulled her outside to the Yukon. | |
| We heard growls and ran faster. "Whoa. What are girls running from? I thought you were cool with us | |
| being werewolves," she said as she got in the driver's seat. | |
| She kind of sounded a little hurt. | d' |
