

She is a ceo Chapter 137

Arthur had been very busy recently, not only because he wanted to avoid his guilt and frustration by working, but also because there were indeed some problems in the Branch of Davonnis.

Arthur checked the documents of the big projects that were taken by JTP Group and found that Davonnis stood a greater chance to win the projects, but JTP Group got those projects instead.

Arthur had been in business for a long time. He soon realized that the problem was not the project plan, but the people.

Arthur conducted an internal investigation but found that no one in the company had colluded with JTP Group. Then what was the problem?

Erik and Spencer didn't do business properly, but they were good at winning over people's support.

With the help of the connections Erik had accumulated at home, Spencer could help Jacob win those projects.

Arthur hadn't thought that Spencer was behind this. Neither did he know that Spencer returned to Athegate after the new year festival.

While Arthur was busy with his work, Juliana left home and went to the Branch of Davonnis to apply for a job using a fake identity.

Kyle happened to see it and reported it to Arthur.

Arthur went to the personnel department and took Juliana to his office.

“Julia, you should stay home for a good rest. Why did you come here to apply for a job?”

Arthur couldn't figure out Juliana's intention.

Juliana smiled wryly and said softly, “I've been staying at home all the time. I'm so bored that I want to find a job to connect with people.”

After saying that, Juliana lowered her head and peeped at Arthur like a child who made mistakes.

She looked pitiful.

“You can just tell me. No need to apply for a job in the personnel department with a fake identity.” Arthur's heart softened to her when he saw Juliana's pitiful look.

“I don't want to trouble you... Besides, I majored in archaeology. If I told you, you would offer me a proper position. But I would like to try if I can do anything else other than engaging in archaeology.” Juliana explained. She didn't want to get a job with the help of Arthur.

“You know I'll find it out, don't you?” Arthur sighed. “Anyway, it's a good thing that you want to go out and connect with others.”

Arthur then turned to Kyle. “Kyle, set a seat next to your desk. Juliana will be your trainee.”

“Really?” Juliana's eyes lit up at once. To stay with Arthur was exactly what she wanted.

“Yep,” said Arthur with a faint smile on his face when he saw Juliana's happy face. “You can learn how to sort out documents and receive visitors from Kyle.”

“Yes, Mr. Davies!” Juliana was overjoyed.

She stood up and bowed at Arthur, saying slyly, “I’ll be your secretary from now on.”

“Silly girl.” Arthur couldn’t help laughing. He was glad that Juliana became happy again, but he didn’t know she had a sneaky plan to be carried out.

Juliana became Arthur’s secretary intern. Actually, she didn’t need to attend to anything.

But from now on, she had a proper reason to be around Arthur and meet all kinds of guests with him. She didn’t avoid any intimate acts with Arthur at all. As time went by, all Arthur’s partners knew Juliana had a close relationship with Arthur.

Arthur felt an odd feeling when Juliana tried to be intimate with him in front of others. After all, in the company, she was his subordinate. But he decided not to make a fuss about it when seeing more smiles on her face.

Juliana enjoyed being pampered by Arthur and asked him to take her to attend a lot of banquets. Thus, the news that Arthur had a new girlfriend spread among the upper class. After all, Arthur and Lucia hadn’t shown up together for a long time.

One day, Juliana attended the party held by a celebrity. She felt at ease because of the absence of Eduard and Lucia. She even talked with Poppy alone for a while when Arthur was talking with others.

“Julia, have you had a good time recently? I heard from others that Arthur abandoned Lucia and chose to be with you,” Poppy said to Juliana with a smile.

“Well, I work in Arthur’s company to mislead everyone into believing Arthur and I are in a relationship. I don’t think Lucia can’t these rumors.” Apparently, Lucia had got insane. She was willing to do whatever she could to upset Lucia.

“Haven’t you noticed that she rarely appears in public recently? I’m afraid she doesn’t have the nerve to face you and Arthur.” Poppy gloated.

Juliana wasn’t complacent. Instead, she said gloomily, “Lucia hasn’t taken any action yet, but it doesn’t mean she won’t. Don’t forget she has a trump card in her hand.”

“What is it?” Poppy asked curiously.

“Have you forgotten that she has a son with Arthur?” Raising her eyebrows, Juliana glanced at Poppy and said in a somewhat contemptuous tone, “Arthur will have ties to her as long as that child exists.”

Poppy was glad that Juliana had thought of it before she pointed it out.

Then she feigned an anxious look and said, “You’re right. The child is the bond. I heard that he had been admitted as a Davies.”

“Yep, Lucia might use it to pester Arthur.” Juliana had long known this.

“Lucia is cunning, but the kid is her spiritual pillar. If you take the kid away from her and control him, Lucia won’t be able to play any tricks against you,” Poppy said to Juliana with a sly smile.

“What do you mean?” Juliana asked Poppy.

“Come closer. I’ll tell you...” When Juliana leaned toward her, Poppy told Juliana the plan she had come up with. After Juliana heard it, she frowned tightly. Obviously, she had some misgivings.

“It’s feasible, but it’s not easy to carry it out.” Juliana knew clearly how difficult it was to get what Poppy wanted.

“We have the upper hand. Since you have thought it through, why not give her a deadly blow to spare trouble later on.”
