

She is a ceo Chapter 358

Daphne knew that she was having trouble again, and lowered her head in shame. Lucia quickly comforted her, while Arthur and Eduard looked at each other and smiled. At first glance, Eduard was really disrespectful.

The next morning, Kane got up and came to the living room to find a small green book lying on the floor in front of the door. His door had been broken twice in a row in ten days. It was not repaired so the door was left open. And it was not surprising that someone put things in.

Looking at the little book, Kane had probably guessed that it was the account book that Jacob was frantically looking for. He picked it up, and looked out the door before knocking on Poppy's door.

"Poppy, are you up yet?"

The door opened. Poppy was disheveled. Her eyes looked blank, and she was still wearing yesterday's clothes. After opening the door, she said,

"Are we going to have breakfast?"

"I haven't bought it yet. I just found this at the door." Kane handed Poppy the book.

When Poppy saw the small book, her eyes suddenly lit up, as if the lost soul had returned to its place in an instant. She grabbed the book and jumped up, shouting,

"It's Jacob's account book!"

Kane hurriedly made a silent gesture to Poppy. Then she stared at the book with suppressed excitement, and held it tightly in her hands as if it was a life-saving stuff.

“There seems to be a note in there,” Kane reminded Poppy.

Poppy also saw the protruding note, so she pulled it out and read it silently. After reading it, she smiled and said to Kane,

“It was a note that Daphne left for me. She did as I said, but because Jacob responded too quickly, she was beaten up by Jacob before she could give it to me. Now she is injured, but the account book can be kept. This book was brought in by a certain resident in the community. Kane, God help me. If Daphne had given me the account book successfully, he would have taken it away yesterday!”

“Aren’t you worried about Daphne’s injury?” Kane asked instructively.

“Just give her some money then,” Poppy replied indifferently, and then mumbled happily to herself, “It’s great. The book is in hand.”

“Poppy, do you know what’s your biggest change over the years?” Kane continued to ask Poppy.

“What is it?” Poppy asked, wondering why Kane would suddenly mention this.

“It’s you who think money trumps people’s sincerity.” Kane watched Poppy and finished words, then entered the room, letting her enjoy the joy of being alone.

Poppy froze in the living room with the book, being unable to regain her senses for a long time.

Kane texted Lucia as soon as he got back to the room, telling her that Poppy had successfully got the ledger.

“Great!” Lucia was already sitting in the office at this time. When she saw the news, she couldn’t help but jump for joy, but Nia, who was helping her organize the documents, was startled.

“Lucy, why are you so happy?” Nia asked Lucia with a smile.

“Nothing. I just thought of a solution for this project,” Lucia said casually. Seeing Nia’s high spirits, she couldn’t help teasing her,

“Recently, your mental state is good. It seems that your relationship with your boyfriend is developing very well.”

She blushed at the mention of her boyfriend. Nia, as shy as a little girl, nodded anyway.

“By the way, has he returned?” Lucia was so anxious because Nia knew her boyfriend online.

“Well, he had already returned to the country. He is adjusting himself and will set up a company soon.” Nia replied sweetly.

“Yes, what industry does he work in? You will soon be promoted to the president’s wife.” Lucia continued to ask, and she was very happy to see Nia was happy.

“Things have not even begun to take shape!” The blush on Nia’s face deepened, and she lowered her head and said shyly, “I have only just made contact with him now. It is uncertain whether it will continue to develop in the future.”

In her opinion, the happy and shy look on Nia’s face had already proved that she was very satisfied with the man. Maybe she would be able to be invited to their wedding soon.

“Okay, when you’re stable, I must introduce him to everyone,” Lucia said with a smile. “Let me see which mysterious young man can fascinate you.”

Nia nodded sweetly with a smile, rejoicing in her heart because of Lucia’s concern for her. After helping her organize the documents, Nia exited the office and went into her office, secretly sending a message to her boyfriend.

“Lennie, what are you doing? I miss you.” Although Nia was easy to be shy in front of Lucia, she was cheerful and did not hesitate to express her feelings to her boyfriend.

“At home, there is nothing important today. Why don’t you take a break and come out with me?” Nia’s boyfriend Lennie replied quickly.

“No, my boss is usually very nice to me, but she won’t let me take time off at work, sorry.” Nia added a cute emoji at the end of the sentence.

“Your boss? Is that Lucia you mentioned earlier?” Lennie asked.

“Yes, that’s her. She is the goddess in my heart. She not only looks beautiful, but also has excellent abilities. We have a lot of her fans in our company.” Referring to Lucia, Nia got a little excited and shared her feelings with her boyfriend because she really appreciated Lucia.

“Really? I’m quite curious about her.” Lennie replied with such a sentence soon after. Nia stared at it, always feeling that something was wrong. She grabbed the phone and didn’t reply in seconds.

Seemingly sensing Nia’s emotions, Lennie sent a message again, “Why, jealous?”

Nia’s heart throbbed, and she replied quickly, “Ask while knowing the answer!”

“Sorry, maybe I used wrong words. Because she’s your boss, I’m curious about her. After all, if she has a bad character, it will affect you, right?” Lennie explained quickly.

After digesting Lennie’s explanation, Nia felt relieved. She scolded herself for being stingy, and quickly replied, “I’m sorry. I’m too stingy.”

“That’s how you are cute, my kitten.” Lennie replied to the message, with flirtatious tone between the words.

Nia’s face flushed all of a sudden. She looked at that sentence over and over again, and soon, Lennie sent another message,

“I’ll take you to a candlelight dinner tonight. And I’ll pick you up at your home after you get off work.”
