

She is a ceo Chapter 428

Eduard was busy negotiating with others, while Daphne was busy looking for Lucia's figure. When she turned around, she saw Lucia and Arthur not far away. Without surprise, she admired Lucia again.

It was too hard to omit Arthur and Lucia in the crowd.

Tonight, Arthur was still in a suit and leather shoes. He was so handsome that he was the center of attention as long as he stood there. Lucia beside him was even more dazzling. Different from the previous style, Lucia was wearing an improved style cheongsam today. The ochre red tone may be a little old-fashioned on others, but with Lucia's flawless skin and exquisite face, it made her feel that this color existed for her. On Lucia's elegant and dignified manners, standing with Arthur, the two were like immortal boy and girl who just walked out of a poster.

Being excited, Daphne patted Eduard's arm and said, "Eduard, Lucia and Arthur are here!"

Eduard sighed. Well, Daphne was no longer his only. Turing around, Eduard also met the eyes of Arthur and Lucia. He was still amazed and sighed. Lucia was really beautiful.

As soon as Arthur and Lucia came over, the people surrounding Eduard and Daphne automatically backed away. It was not because they didn't want to continue talking with Eduard, but because the auras of Arthur and Lucia were too strong. Without any preparation to meet them, it was estimated that they will lose their faces.

"Are you two repellents? Everyone runs away as soon as you come here." Eduard complained that Lucia stole his thunder, and the moment he opened his mouth, people could feel that he was envious.

"Mr. Burton, why do I think you're envious?" Arthur's words were no less sarcastic than Eduard's.

Eduard shut his mouth when he heard this, being afraid that Daphne will hear something wrong.

“Lucia, you’re so beautiful...” Eduard was afraid that Daphne could hear what he was thinking, but Daphne didn’t pay attention to what they said. Her mind was all occupied by the graceful Lucia. Staring at her, Daphne’s admiration was overflowing from the heart.

“Daphne, you’re also very beautiful tonight.” Lucia smiled and just a smile made people realize that this was called exceedingly fascinating and charming.

Daphne admired her more.

Arthur stared at Lucia and Daphne who looked at each other, and was stunned to find that his rival in love might not only be any other man in the world, but it might also be a woman called Daphne!

“Mr. Davies, what? Are you envious too?” Seeing Arthur glaring at Daphne, Eduard took the opportunity to gleefully ridicule him.

“Mr. Burton,” Arthur was getting jealous now. Eduard was asking for trouble, so he gave him a cold look and said,

“Pay attention to your words. Believe it or not, a few words from me can make your little swan fly?”

“Sorry Mr. Davies, I was wrong!” Eduard admitted defeat in seconds!

Seeing Eduard’s subdued appearance, Arthur stared at him for a while, and the next second, both of them laughed. Both of them were poisoned by the woman they loved, so they didn’t embarrass each other.

Standing in the middle of the hall, the four people seemed to be the center of attention of the crowd. They were really outstanding. Arthur was handsome and wise. Lucia was beautiful and dignified. Eduard

had special demeanor and posture, Daphne was pretty and lovely. Each of them were people who can't be envied.

Arthur and Lucia, in particular, had become the center of discussion among the people. They were already a legendary couple of Athegate. Yesterday, several intimate photos of the two were exposed on the Internet. In the photos, Arthur even knelt down on one knee and helped Lucia wear shoes. And they bathed in the sunset like a dream. As soon as the photos appeared, they were wildly reprinted by countless people. Many people at the dinner also saved those photos on their mobile phones.

Lucia didn't know about it. After greeting Eduard and Daphne, she and Arthur must also participate in the necessary communication in the upper circle. Whether they liked it or not, in this circle where power and money were paramount, they always needed to keep smiling.

After the dinner officially started, Spencer arrived late.

Spencer was still Arthur's cousin in front of the public, and the contradiction between them was not known to the public. Coupled with the rapid development trend of Cloudwork Corp, it was not surprising that he can appear here.

After greeting the host, Spencer purposefully began to search for Lucia's figure in the banquet hall, and he found her effortlessly.

Astonishment exploded in his chest. After seeing Lucia, what Spencer could see was only a touch of elegant ochre red.

Spencer had been extremely unhappy since yesterday, and the reason was those photos. When he saw the photos spread freely on the Internet, Spencer knew that this was Arthur's gauntlet against him.

What kind of person Arthur was to let people take random photos in his office and even spread them online? No way, unless he did it on purpose. Arthur was proclaiming his possessiveness to Lucia to everyone, especially him.

Spencer knew this, but he couldn't counterattack before the engagement party, so he was unwilling and angry.

Taking this opportunity tonight, why not give the public a preview?

Sneering, Spencer walked straight towards Lucia.

Lucia was leaning on Arthur's side at this time. The two were chatting with an entrepreneur, and suddenly a voice that made her extremely unhappy came from behind,

"Lucia, so you're here too?"

Arthur frowned and turned around at about the same time as Lucia, and they met Spencer with fake smiles on their faces.

The smiles disappeared from their faces in an instant. Lucia stared at Spencer coldly and said,

"Am I familiar with you?"

Spencer smiled indifferently and lightly mentioned the stuff that Lucia and Arthur cared about most,

"Am I not familiar with you? Next month's 5th is our engagement party. So Lucia, the person you're with tonight should be me, not Arthur."

Spencer's voice was not too loud or was enough for passers-by to hear some clues. The entrepreneur who was chatting with Arthur and Lucia just turned to listen slightly, not hiding his interest.
