

## She is a ceo Chapter 479

After saying this, Lucia appeared sideways from behind Spencer, and sternly announced, “Arthur! I, Lucia, tell you now, from now on, we will end our relationship! You don’t need to worry about Teddy. I will save my son myself!”

Arthur tasted the pain of heart now.

“Lucia!” Seeing the pain in Arthur’s eyes, Eduard shouted angrily and rushed forward impulsively, but the next second he was stopped by Arthur who was raising his hand.

Extending his arms to stop Eduard, Arthur stared straight at Lucia and asked coldly,

“Is every word you say now serious? You know my ability. I can smooth out any difficulties in this world for you, and I can eliminate any ups and downs for you. I swear that I can do it myself. It will definitely be done! Lucia, if you are threatened or coerced in any way, you can tell me directly. There is no need to hurt me in this way and torture me. I know you are not that kind of person.”

Lucia lowered her eyes for a while, then slowly raised her eyes. A pair of big eyes met Arthur’s gaze, not out of love, but out of disgust. She responded coldly,

“Arthur, I’ll say it again, and for the last time. I hate you! It’s all my revenge, and now that the goal has been achieved, I don’t need to act in front of you anymore. I’m very comfortable. I feel more relaxed and free than ever. Do you know?”

Arthur just stared at Lucia, as if trying to see through her eyes, but all he saw was hatred, no love at all.

Was that true?

Arthur asked questions again and again, but every question was blocked by Lucia's icy attitude, and they could no longer communicate any more.

No one knew how long they looked at each other, but Arthur was finally defeated by his feelings for Lucia.

"Eduard, let's go." Arthur narrowed his eyes and said lightly.

"What?!" Eduard couldn't believe it. How could Arthur just leave now?!

"There's nothing else to say," Arthur said, turning slowly. When he was about to leave, he gave Lucia a deep look, as if he was making up his mind, and said,

"Let's go."

Eduard only glanced at Arthur's eyes and didn't say a word of rebuttal. His eyes looked no longer warm, only frosty.

Sadness was no greater than extreme disappointment. Only with this feeling would he look like this.

Eduard still didn't believe that Lucia would hide such evil intentions. Knowing that it was useless to talk about it now, he followed Arthur's footsteps, but before leaving the room, he said a cold sentence,

"Lucia, hurting Arthur is really the biggest mistake of your life."

After he said so, the door was slammed shut, and Lucia, who was standing, slowly crouched to the ground, as if all her anger had been sucked away.

Spencer walked to the door to confirm that the door was closed and locked it, then turned around and said with a smile,

“Lucia, you’re doing really well! I’ll be donating marrow tomorrow, and Teddy will be on the operating table in three days.”

Spencer was in a complacent mood right now, and enjoying Arthur’s pain just now. After so many years, he was finally able to grasp his weakness and give him a fatal blow!

Lucia squatted on the ground with her head lowered, and a teardrop the size of a bean suddenly greeted the luxurious carpet. One drop, two drops, three drops.

He said he could eliminate difficulties for her and she believed it, Arthur... But, he can’t save their chil...

Lucia’s heart was roaring with exhaustion.

Seeing Lucia squatting on the ground and trembling, Spencer slowly walked to her side, squatted down like her, and said comfortingly,

“Lucia, stop thinking about it. It’s not a loss for you to trade your relationship with Arthur for Teddy’s life. You have to think about it from a different standpoint. If Teddy’s condition continues to deteriorate and there is no cure in the end, will you and Arthur live happily ever after? In the next life? Can you feel at ease? Especially you, you will never have a better life in your entire life, so your choice now is the most correct.”

“Shut up!” Lucia let out an unbearable cry, just like Arthur had endured before.

Spencer didn’t shut up, but continued speaking victoriously,

“Lucia, there will be a painful period to cut off the relationship. I will give you this buffer period, but from now on, you will be my wife. Try to fall in love with me, okay?”

“I tell you to shut up!” After a beastly roar, Lucia suddenly raised her body and pushed Spencer to the ground. She couldn’t help but her fists were like raindrops and hit Spencer. But how could he be the opponent of Lucia who was in a state of rage? In the end he could only protect his head and face helplessly and groan in pain.

No one knew how long it took for Lucia to stop slowly. When she beat Spencer, her tears continued to flow out, so when Spencer realized that she stopped and was about to blame him, he was stunned when he raised his head.

At this time, Lucia’s face was flushed with intense emotions. With the long wavy hair wrapped around her delicate little face, her face was full of tears, and a layer of dense sweat floated on her skin, which looked unparalleled tempting.

Aware of Spencer’s malicious gaze, Lucia glared at him and stood up. She went to the hanger and put on a long bathrobe. She raised her hand to wipe away her tears, and said to Spencer in a cold voice,

“Keep your promise, or I’ll let you die!”

“Lucia, don’t worry,” Spencer’s anger from being beaten earlier was replaced by surprise. He knew that Lucia was venting her emotions, so he got up from the ground, regardless of the bruises on his face, softly said,

“From now on, I will listen to you in everything.”

Turning her head to look at Spencer’s ridiculous face, Lucia stared at him for a long time, and said with a warning,

“Today, I cooperated with you to finish the scene, and also achieved your wish to hurt Arthur, but after this, I will not interfere in the grievances between you and the Davis family. I will not ask for your Esmæ’s help. Spencer, you can do it yourself.”

Spencer thought that this was not up to her at that time, but he still nodded in agreement on the surface. His heart was filled with joy. From now on, this woman will be his own!

Lucia didn’t want to say anything more to Spencer, but took the clothes and went into the bathroom to put them on. She knew it wasn’t over yet.
