

## She is a ceo Chapter 85

He continued, "Although the predecessor of JTP Group is indeed Webbex Group, they paid their own efforts, and this result was not achieved by any unfair means."

Seeing that Kane mentioned the topic to the JTP Group again, Juliana did not answer, but chose to remain silent. The two quickly returned to the door of Juliana's room. When Kane was leaving, she said to him,

"You tell Miss Powell that I'll go find Arthur tomorrow, and then I'll talk about everything after that."

"Okay, you're tired today. Take a good rest." Kane responded with a smile. He found that Juliana's shoulder was stained with a piece of gold paper used in the room to enhance the atmosphere, so he took it off for her. He turned around and left after speaking, not finding that Juliana looked at him for a long time at the door, and her face was slightly red.

After saying goodbye to Juliana, Kane went all the way back to the room. As soon as he entered the door, he saw that Poppy had been drinking with a girlfriend beside her, so he walked over and pulled Poppy up and said displeasably,

"Don't drink so much alcohol."

"You are back." Poppy had obviously drunk a lot just now, and now her eyes looked a little hazy. She stared at Kane and asked with a smile.

At this time, Poppy had obviously drunk too much, but there was no longer only scheming look in her eyes. Kane actually liked her more at this time. However, it did not mean that he liked the surrounding environment!

“Go out with me. I have something to tell you.” Kane said as he pulled Poppy out, and also brought her bag. The woman who had been drinking with Poppy quickly stood up and grabbed her hand, shouting “remember to pay”. Poppy nodded quickly.

Kane was very unhappy about this. He glanced at the men and women present, and felt that Poppy was just a generous person who could pay for it. What kind of people did she usually associate with?

Without hesitation, while Poppy and the woman were still whispering, Kane pulled her out again. This time the woman didn't stop her, and Poppy went out drinking with the others.

She was forcibly pulled into the corridor by Kane. Although the air here was not as cold as the outside, the obviously lowered temperature still made Poppy shudder, and she instantly woke up a lot. She looked at Kane dissatisfiedly,

“What are you pulling me out for? I just started playing with them.”

Having a great chat with Juliana tonight, Poppy was satisfied and in a good mood.

“What kind of friends do you make? You only know how to eat, drink, and have fun.” Kane frowned.

“What are you talking about? They are the daughters or wives of major corporations. Besides, isn't that what I usually do when I come out... What's the matter...” Poppy said indifferently. Yes, she usually went out with them. She paid a lot, but it was also good for herself. With so many followers around her, she felt proud of herself, didn't she?

Kane sighed, knowing that some of Poppy's ideas had long been ingrained, and he was unable to change them, so he can only cater to them and talked about Juliana instead,

“I took Juliana back just now. She said she would leave the hotel tomorrow to find Arthur, and then contact you when she confirms what you said.”

“Good job!” Poppy, who was drinking, didn’t hold the air as usual, and gave him a thumbs up when she heard Kane’s words. Then she showed a meaningful smile on her face, stared at him and continued, “Kane, you are good...”

“What do you mean?” Kane didn’t like the way Poppy looked at him at this time. He knew her too well, and this kind of smile was definitely not kind.

“That Juliana seems to like you very much. This time she can sit down with me and talk to me, mostly because of your relationship.” Poppy smacked Kane’s arm with a smile and teased.

“Poppy, can you stop talking nonsense?!” Kane frowned deeply. Anyone else in this world can make fun of him with this, but Poppy can’t!

“Am I talking nonsense?” Poppy raised her eyebrows and continued, “Juliana looks at you with ambiguous eyes. Maybe you are the type she likes. Kane, this is a good opportunity. You just think of ways to do more. Get in touch with her a little bit. It’s best to touch her heart, so we can hold her firmly in our hands. She is Arthur’s good friend. As long as you control her, Lucia will never be better!”

Poppy said more and became more proud, as if she had seen the scene where Juliana came forward to embarrass Lucia for her, but did not notice that Kane’s face had changed.

“Poppy, do you think you can use anything as long as it’s good for you?!” Kane almost growled. He didn’t expect Poppy to want to use him to control Juliana.

Poppy was yelled at by Kane and stared at him in shock for a long time. In her impression, Kane was never willing to say a word to her aloud. Perhaps because of drinking, her mood was more than sensitive. She immediately burst into tears, and said to Kane with grievance, “Why are you yelling at me...”

“I’m not...” Kane’s heart softened when he saw Poppy’s tears.

“You’re yelling at me!” Poppy became angry when she saw Kane was soft, and glared at him and scolded, “Kane, it’s in vain for me to be sincere. I have regarded you as my best friend for so many years. How can you have the current achievements without my support? Are you not happy I ask you to do a little favor now?”

Kane knew that Poppy was right. If she hadn’t encouraged him, he wouldn’t have been able to get out of the mountain village, and he probably still lived a life of farmer.

She had also helped him a lot after gaining power. Although most of it was due to his own efforts, the resources provided by JTP Group were also an indispensable factor for him to reach the status he was today, but... feelings can be used by her? Not to mention ...

“You know that I treat you...” Finally, Kane couldn’t help but speak for his emotions, but unfortunately he was interrupted by Poppy before he finished speaking.

“Kane! Jacob is not frank with me now. He doesn’t know what the hell is going on behind his back. I have to deal with Lucia on my own, so you know very well how important Juliana is to me. Don’t you even want to help me with this little favor? Juliana already has a crush on you. You just need to express it a little. I don’t want you to do anything!”

Didn’t she want him to do anything?

Kane frowned. For the first time, he felt that Poppy’s views ran counter to his own. Can feelings be used? Had she thought about how painful it was to please another woman when he loved her deeply?!

Kane seemed innocent at the moment, but in fact, she used his feelings to frame Lucia for Poppy and Jacob. He was guilty of his own guilt. Now that he was used by Poppy, it was just a cycle.

With a silent sigh, Kane still chose to hold back all the words in his heart. Anyway, even if he said it, there would be no result.

“I know, I’ll help you.”
